The General Assembly finds that:

29 provided for higher education scholarships and grants through a state
30 lottery; ~~and~~

(2) The net proceeds from the state lottery, in addition to
32 existing nonlottery state educational resources for scholarships and grants,
33 will:

35 program, and technical certificate program recipients and university juniors
36 to complete a baccalaureate degree;

1 (B) Provide opportunities for students more than one (1)
2 year out of high school to enter or reenter higher education;

3 (C) Provide an improved system of communication to
4 students and parents about opportunities for higher education scholarships
5 and grants in Arkansas; and

6 (D) Provide an evaluation and analysis of all state
7 funding for scholarships and grants and how the funding advances the state's
8 goals for higher education-; and

9 (3) Changes to the Arkansas Academic Challenge Scholarship
10 Program – Part 2 may be necessary from time to time to ensure the solvency of
11 the program by spreading the program liabilities over a period of time while
12 ensuring that there are scholarship dollars available for students who
