The bill allows local education providers, upon entering into an agreement with an individual or entity that offers hunter education courses certified by the division of parks and wildlife (division), to provide a hunter education course (course) to all seventh graders. The course must satisfy the requirements of a hunter education course certified by the division; except that hands-on activities are not required.

HOUSE
Amended 2nd Reading
March 2, 2022

The course must be taught by a division-certified instructor. A parent or legal guardian must provide permission for a student to participate in any hands-on activities that are offered as part of the course. The bill defines local education providers to mean school districts, charter schools, and boards of cooperative services that enroll students in seventh grade. The parks and wildlife commission may accept completion of a course toward meeting the requirements of a hunter education certificate.

1 *Be it enacted by the General Assembly of the State of Colorado:*
