The bill amends the "Colorado Governmental Immunity Act" (CGIA) to recognize that a duty of reasonable care exists with respect to public school districts, charter schools, and their employees to exercise reasonable care to protect students, faculty, staff, and others from harm that is reasonably foreseeable while such students, faculty, staff, and

others are within the school facilities or are participating in school-sponsored activities.

The bill also amends the CGIA to waive sovereign immunity in connection with claims against public school districts and charter schools in an action for serious bodily injury or death resulting from an incident of school violence that occurs on property of a school or during school-sponsored activities on or after January 1, 2013.

For purposes of the bill, "serious bodily injury" means a bodily injury that, either at the time of the actual injury or at a later time, involves a substantial risk of death, a substantial risk of serious permanent disfigurement, or a substantial risk of protracted loss or impairment of the function of any part or organ of the body.

The maximum amount of damages that may be recovered from a school district or charter school in an action brought under the CGIA in a single occurrence is subject to the limits on damages under the CGIA (\$350,000 to one person in any single occurrence and \$900,000 for injuries to multiple persons in any single occurrence; except that no person may recover more than \$350,000). In addition, if there is an award of damages on behalf of plaintiffs, the court may also award to the plaintiff attorney fees and costs in an amount not to exceed \$350,000.

The bill specifies that it shall not be construed to constitute a waiver of sovereign immunity if the injury arises from any act, or failure to act, of an employee of a school district or a charter school if the act is the type of act for which the public employee would be or heretofore has been personally immune from liability.

The bill specifies that a public school district or charter school shall also have the same immunity as a public employee for any act or failure to act for which a public employee would be or heretofore has been personally immune from liability.

In order to promote vigorous discovery of events leading to an incident of violence in schools, the bill states that a defendant may not make an offer of judgment until discovery has been completed. The bill further states that if any defendant refuses to answer any complaint, if a default judgment is entered for failure to answer a complaint, or if a defendant confesses liability in an action brought against a public school district, the court shall allow full discovery upon request of the plaintiff.

The bill also precludes any rule of law imposing absolute or strict liability from being applied in any action against a public school employee for serious bodily injury or death suffered as a result of the breach of the duty of care established by the bill. No liability is to be imposed in any such action unless negligence is proven.

The bill makes conforming amendments. The bill applies to claims asserted against a school district or charter school resulting from an incident of school violence occurring on or after January 1, 2013.

1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly  
3 recognizes that:

4 (a) Colorado benefits from having an educated citizenry;

5 (b) Primary and secondary school students have limited autonomy  
6 during school hours and little say in the security provided during the  
7 school day; and

8 (c) Public school districts provide essential public services  
9 through primary and secondary schools and charter schools and unlimited  
10 liability against school districts could disrupt the provision of educational  
11 services.

12 (2) Therefore, the general assembly finds that public school  
13 districts and charter schools should be provided with protection from  
14 unlimited liability. However, the general assembly also finds and  
15 acknowledges that the sovereign immunity that has been extended to  
16 public school districts and to charter schools prior to the passage of this  
17 act can lead to inequitable results for students who are otherwise unable  
18 to protect themselves from serious bodily injury or death in the school  
19 environment. Moreover, the general assembly acknowledges that times  
20 have changed in this country and in this state because there have been so  
21 many acts of school violence in which students and teachers have been  
22 killed and injured by persons. In this state since April 20, 1999, there  
23 have been three separate incidents of school violence in which students  
24 have been killed at their schools. In response to school violence, schools  
25 have begun to undertake actions to address security issues, undertake  
26 safety drills, train staff, and assess the risks to students from acts of

1 school violence. Parents have a reasonable expectation that when they  
2 send their children to a public school that the school and its employees  
3 will have taken steps to keep the children safe. The general assembly  
4 finds that it is now foreseeable that violence in schools could occur.

5 (3) For the reasons stated in paragraphs (1) and (2) of this section,  
6 the general assembly therefore declares the purposes of this act are:

7 (a) To recognize and state that there is a limited duty of reasonable  
8 care upon public schools, charter schools, and their employees to provide  
9 for student safety and to protect students and employees in their schools;

10 (b) To waive on a limited basis governmental immunity, thereby  
11 allowing for recovery of capped damages where that duty of reasonable  
12 care has been breached by a school district, charter school, or their  
13 employees; and

14 (c) To waive on a limited basis governmental immunity to ensure  
15 that there is a robust and effective discovery through the legal system of  
16 the causes of acts of school violence.

17 (4) It is the intent of the general assembly in enacting this act to  
18 affirmatively recognize a statutory duty upon school districts, charter  
19 schools, and their employees to protect students, faculty, and staff from  
20 foreseeable harm caused by other persons. The general assembly hereby  
21 declares that the purpose of recognizing that this duty exists under this act  
22 is to create a tort remedy against school districts and charter schools in  
23 cases where a school district, charter school, or its employees knew or  
24 should have known of the danger that was presented and breached that  
25 duty of care.

26 (5) The general assembly also further states that its intent in  
27 enacting the provisions in this act regarding discovery and settlement is

1 to provide a remedy for plaintiffs affected by acts of school violence and  
2 to achieve robust and vigorous discovery of events leading to those  
3 incidents of school violence.

4 **SECTION 2.** In Colorado Revised Statutes, **add 24-10-106.3** as  
5 follows:

6 **24-10-106.3. Immunity and partial waiver - claims for serious**

17 (5) A PUBLIC SCHOOL, SCHOOL DISTRICT, OR CHARTER SCHOOL  
18 SHALL NOT BE FOUND NEGLIGENT UNDER THIS SECTION SOLELY AS A

22 OR CHARTER SCHOOL IF THE INJURY ARISES FROM ANY ACT, OR FAILURE TO  
23 ACT, OF AN EMPLOYEE OF THE SCHOOL DISTRICT OR CHARTER SCHOOL IF  
24 THE ACT IS THE TYPE OF ACT FOR WHICH THE SCHOOL DISTRICT OR

23 DAMAGES SHALL BE AWARDED. THE COURT SHALL NOT ISSUE A  
24 DECLARATORY JUDGEMENT REGARDING THE NEGLIGENCE OF THE PUBLIC
