13 BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

14 Chapter 1 of Title 33 of the Official Code of Georgia Annotated, relating to general
15 provisions regarding insurance, is amended by adding a new Code section to read as follows:

16 "33-1-24.

17 (a) This Code section shall be known and may be cited as the 'Georgia New Markets Jobs
18 Act.'

19 (b) As used in this Code section, the term:

20 (1) 'Affiliate' means an entity that directly or indirectly through one or more
21 intermediaries controls, is controlled by, or is under common control with the entity
22 specified.

23 (2) 'Applicable percentage' means 0 percent for the first two credit allowance dates
24 and 11 percent for the next five credit allowance dates.

25 (3) 'Credit allowance date' means with respect to any qualified equity investment:
26

- 27 (A) The date on which such investment is initially made; and
28 (B) Each of the six anniversary dates of such date thereafter.
- 29 (4) 'Department' means the Department of Community Affairs.
- 30 (5) 'Invest Georgia Fund' means the fund created under the provisions of Article 2 of
31 Chapter 10 of Title 10.
- 32 (6) 'Letter ruling' means a written interpretation of law to a specific set of facts provided
33 by the applicant requesting a letter ruling.
- 34 (7) 'Long-term debt security' means any debt instrument issued by a qualified community
35 development entity, at par value or a premium, with an original maturity date of at least
36 seven years from the date of its issuance, with no acceleration of repayment,
37 amortization, or prepayment features prior to its original maturity date. The qualified
38 community development entity that issues the debt instrument may not make cash interest
39 payments on the debt instrument during the period beginning on the date of issuance and
40 ending on the final credit allowance date in an amount that exceeds the cumulative
41 operating income, as defined by regulations adopted under Section 45D of the Internal
42 Revenue Code of 1986, as amended, of the qualified community development entity for
43 that period prior to giving effect to the expense of such cash interest payments. The
44 foregoing shall in no way limit the holder's ability to accelerate payments on the debt
45 instrument in situations where the qualified community development entity has defaulted
46 on covenants designed to ensure compliance with this Code section or Section 45D of the
47 Internal Revenue Code of 1986, as amended.
- 48 (8) 'Purchase price' means the amount paid to the qualified community development
49 entity that issues the qualified equity investment for such qualified equity investment.
- 50 (9) 'Qualified active low-income community business' shall have the same meaning
51 given such term in Section 45D of the Internal Revenue Code of 1986, as amended,
52 and 26 C.F.R. Section 1.45D-1 but is limited to those businesses, including affiliates of
53 such businesses, that have fewer than 250 employees and not more than \$10 million in
54 net income in the previous year at the time the qualified low-income community
55 investment is made, provided that the employees and net income of affiliates of the
56 business shall not be aggregated for purposes of satisfying this requirement if the affiliate
57 business is classified under a different North American Industry Classification system
58 code. A business shall be considered a qualified active low-income community business
59 for the duration of the qualified community development entity's investment in, or loan
60 to, the business if the entity reasonably expects, at the time it makes the investment or
61 loan, that the business will continue to satisfy the requirements for being a qualified
62 active low-income community business, other than the size and net income standards,
63 throughout the entire period of the investment or loan. Such term excludes any business

64 that derives or projects to derive 15 percent or more of its annual revenue from the rental
65 or sale of real estate. This exclusion does not apply to a business that is controlled by,
66 or under common control with, another business if the second business: (A) does not
67 derive or project to derive 15 percent or more of its annual revenue from the rental or sale
68 of real estate and (B) is the primary tenant of the real estate leased from the first business.

69 (10) 'Qualified community development entity' shall have the same meaning given such
70 term in Section 45D of the Internal Revenue Code of 1986, as amended, provided that
71 such entity has entered into, for the current year or any prior year, an allocation
72 agreement with the Community Development Financial Institutions Fund of the United
73 States Treasury Department with respect to credits authorized by Section 45D of the
74 Internal Revenue Code of 1986, as amended, which includes the State of Georgia within
75 the service area set forth in such allocation agreement. Such term shall include subsidiary
76 community development entities of any such qualified community development entity.

77 (11) 'Qualified equity investment' means any equity investment in, or long-term debt
78 security issued by, a qualified community development entity that:

79 (A) Is acquired after the effective date of this Code section at its original issuance
80 solely in exchange for cash;

81 (B) Has at least 85 percent of its cash purchase price used by the qualified community
82 development entity to make qualified low-income community investments in qualified
83 active low-income community businesses located in this state by the first anniversary
84 of the initial credit allowance date; and

85 (C) Is designated by the qualified community development entity as a qualified equity
86 investment under this paragraph and is certified by the department as not exceeding the
87 limitation contained in subsection (g) of this Code section.

88 Such term shall include any qualified equity investment that does not meet the provisions
89 of subparagraph (A) of this paragraph if such investment was a qualified equity
90 investment in the hands of a prior holder.

91 (12) 'Qualified low-income community investment' means any capital or equity
92 investment in, or loan to, any qualified active low-income community business; but, with
93 respect to any one qualified active low-income community business, the maximum
94 amount of qualified low-income community investments made in such business, on a
95 collective basis with all of the businesses' affiliates, with the proceeds of qualified equity
96 investments certified pursuant to subsection (f) of this Code section is \$4 million,
97 exclusive of qualified low-income community investments made with repaid or redeemed
98 qualified low-income community investments or interest or profits realized thereon.

99 (13) 'State tax liability' means any liability incurred by any entity under Code
100 Sections 33-3-26, 33-8-4, 48-7-27, and 48-7-31, or, if the tax liability under Code

101 Sections 33-3-26 and 33-8-4 is eliminated or reduced, the term shall also mean any tax
102 liability imposed on an insurance company or other person that had premium tax liability
103 under the laws of this state.

104 (c) Any entity that makes a qualified equity investment earns a vested right to credit
105 against the entity's state tax liability.

106 (d) Any entity that makes a qualified equity investment earns a vested right to credit
107 against the entity's state tax liability on a tax report filed under this Code section and may
108 utilize such credit as follows:

109 (1) On each credit allowance date of such qualified equity investment, the entity, or
110 subsequent holder of the qualified equity investment, shall be entitled to utilize a portion
111 of such credit during the taxable year, including such credit allowance date;

112 (2) The credit amount shall be equal to the applicable percentage for such credit
113 allowance date multiplied by the purchase price paid to the qualified community
114 development entity; and

115 (3) The amount of the credit claimed by an entity shall not exceed the amount of such
116 entity's state premium tax liability for the tax year for which the credit is claimed. Any
117 amount of tax credit that the entity is prohibited from claiming in a taxable year as a
118 result of this Code section may be carried forward for use in any subsequent taxable year.

119 (e) No tax credit claimed by an entity that makes a qualified equity investment under this
120 Code section shall be refundable or saleable on the open market. Tax credits earned by or
121 allocated to a partnership, limited liability company, or S-corporation may be allocated to
122 the partners, members, or shareholders of such entity for their use in accordance with the
123 provisions of any agreement among such partners, members, or shareholders. Such
124 allocation shall be not considered a sale for purposes of this Code section.

125 (f)(1) A qualified community development entity that seeks to have an equity investment
126 or long-term debt security designated as a qualified equity investment that is eligible for
127 tax credits under this Code section shall apply to the department. The department shall
128 begin accepting applications on August 1, 2015. The qualified community development
129 entity shall include the following:

130 (A) Evidence of the applicant's certification as a qualified community development
131 entity, including evidence of the service area of the entity that includes this state;

132 (B) A copy of an allocation agreement executed by the applicant, or its controlling
133 entity, and the Community Development Financial Institutions Fund;

134 (C) A certificate executed by an executive officer of the applicant: (i) attesting that the
135 allocation agreement remains in effect and has not been revoked or cancelled by the
136 Community Development Financial Institutions Fund and (ii) stating the cumulative
137 amount of allocations awarded to the applicant by the Community Development

138 Financial Institutions Fund and by other state or states under their New Markets
139 programs;
140 (D) A description of the proposed amount, structure, and purchaser of the qualified
141 equity investment;
142 (E) Examples of the types of qualified active low-income businesses in which the
143 applicant, its controlling entity, or affiliates of its controlling entity have invested under
144 the federal New Markets Tax Credit Program. Applicants are not required to identify
145 qualified active low-income community businesses in which they will invest when
146 submitting an application;
147 (F) A nonrefundable application fee of \$5,000.00. This fee shall be paid to the
148 department and shall be required of each application submitted;
149 (G) The refundable performance fee required by paragraph (1) of subsection (j) of this
150 Code section; and
151 (H) The amount of qualified equity investment authority the applicant agrees to
152 designate as a federal qualified equity investment under Section 45D, Internal Revenue
153 Code, including a copy of the screen from the Community Development Financial
154 Institutions Funds' Allocation Tracking System of the applicant's remaining federal
155 qualified equity investment authority or a copy of the Notice of Allocation setting forth
156 the amount of federal qualified equity investment authority from the Community
157 Development Financial Institution Fund in the event the allocation agreement
158 governing such allocation has not been finalized.
159 (2) A qualified community development entity, on an aggregate basis with all of its
160 subsidiary qualified community development entities, may not apply to have equity
161 investments or long-term debt instruments designated as qualified equity investments
162 under this subsection in excess of the total amount of allocations awarded to such
163 applicant and its subsidiary qualified community development entities by the Community
164 Development Financial Institutions Fund under Section 45D of the Internal Revenue
165 Code of 1986, as amended, and by any other state or states under their New Markets
166 programs.
167 (3) Within 30 days after receipt of a completed application containing the information
168 set forth in paragraph (1) of this subsection, including the payment of the application fee
169 and the refundable performance fee, the department shall grant or deny the application
170 in full or in part. If the department denies any part of the application, it shall inform the
171 qualified community development entity of the grounds for the denial. If the qualified
172 community development entity provides any additional information required by the
173 department or otherwise completes its application within 15 business days of the notice
174 of denial, the application shall be considered completed as of the original date of

175 submission. If the qualified community development entity fails to provide the
176 information or complete its application within the 15 business day period, the application
177 shall remain denied and must be resubmitted in full with a new submission date.

178 (4) If the application is complete, the department shall certify the proposed equity
179 investment or long-term debt security as a qualified equity investment that is eligible for
180 tax credits under this Code section, subject to the limitations contained in paragraph (5)
181 of this subsection. The department shall provide written notice of the certification to the
182 qualified community development entity. The notice shall include the names of those
183 entities who will earn the credits which may be further allocated pursuant to
184 subsection (e) of this Code section and their respective credit amounts. If the names of
185 the entities that are eligible to utilize the credits change due to a transfer of a qualified
186 equity investment authority under paragraph (6) of this subsection or an allocation
187 pursuant to subsection (e) of this Code section, the qualified community development
188 entity shall notify the department of such change.

189 (5) The department shall certify qualified equity investments in the order applications
190 are received by the department. Applications received on the same day shall be deemed
191 to have been received simultaneously. For applications that are complete and received
192 on the same day, the department shall certify, consistent with remaining qualified equity
193 investment capacity, qualified equity investments for applicants as follows:

194 (A) First, the department shall certify applications by applicants that agree to designate
195 qualified equity investments as federal qualified equity investments in accordance with
196 subparagraph (H) of paragraph (1) of this subsection in proportionate percentages based
197 upon the ratio of the amount of qualified equity investments requested in an application
198 to be designated as federal qualified equity investments to the total amount of qualified
199 equity investments to be designated as federal qualified equity investments requested
200 in all applications received on the same day.

201 (B) After complying with subparagraph (A) of this paragraph, the department shall
202 certify the qualified equity investments of all other applicants, including the remaining
203 qualified equity investment authority requested by applicants not designated as federal
204 qualified equity investments in accordance with subparagraph (A) of this paragraph, in
205 proportionate percentages based upon the ratio of the amount of qualified equity
206 investments requested in the applications to the total amount of qualified equity
207 investments requested in all applications received on the same day.

208 A partial certification shall not decrease the amount of the refundable performance fee
209 required by paragraph (1) of subsection (j) of this Code section.

210 (6) An approved applicant may transfer all or a portion of its certified qualified equity
211 investment authority to its controlling entity or any subsidiary qualified community

212 development entity of the controlling entity, provided that the applicant provides the
213 information required in the application with respect to such transferee and the applicant
214 notifies the department of such transfer within 30 days of the transfer. The department
215 shall acknowledge such transfer if requested by the approved applicant.

216 (7) Within 30 days of the applicant receiving notice of certification, the qualified
217 community development entity or any transferee under paragraph (6) of this subsection
218 shall issue the qualified equity investment, receive cash in the certified amount, and, if
219 applicable, designate the required amount of qualified investment authority as a federal
220 qualified equity investment. The qualified community development entity or transferee
221 under paragraph (6) of this subsection must provide the department with evidence of the
222 receipt of the cash investment within ten business days after receipt. If the qualified
223 community development entity or any transferee under paragraph (6) of this subsection
224 does not receive the cash investment, does not issue the qualified equity investment
225 within 30 days following receipt of the certification notice, or, if applicable, does not
226 designate the required amount of qualified investment authority as a federal qualified
227 equity investment, the certification shall lapse and the entity may not issue the qualified
228 equity investment without reapplying to the department for certification. Lapsed
229 certifications revert back to the department and shall be reissued; first, pro rata to
230 applicants whose qualified equity investment allocations were reduced under
231 subparagraph (A) of paragraph (5) of this subsection; second, pro rata to other applicants
232 whose qualified equity investment allocations were reduced under paragraph (5) of this
233 subsection; and, thereafter, in accordance with application process.

234 (8) A qualified community development entity that issues qualified equity investments
235 must notify the department of the names of the entities that are eligible to utilize tax
236 credits pursuant to subsection (e) of this Code section.

237 (g) Notwithstanding anything to the contrary in this Code section, a total of \$100 million
238 in qualified equity investments shall be certified. If a pending request made pursuant to
239 subsection (f) of this Code section cannot be fully certified due to this limit, the department
240 shall certify the portion that may be certified unless the qualified community development
241 entity elects to withdraw its request rather than receive partial certification.

242 (h)(1) The department shall recapture from the entity that claimed the credit on a return
243 the tax credit allowed under this Code section if:

244 (A) Any amount of a federal tax credit available with respect to a qualified equity
245 investment that is eligible for a credit under this Code section is recaptured under
246 Section 45D of the Internal Revenue Code of 1986, as amended. In such case, the
247 department's recapture shall be proportionate to the federal recapture with respect to
248 such qualified equity investment;

249 (B) The qualified community development entity redeems or makes principal
250 repayment with respect to a qualified equity investment prior to the seventh anniversary
251 of the issuance of such qualified equity investment. In such case, the department's
252 recapture shall be proportionate to the amount of the redemption or repayment with
253 respect to such qualified equity investment;

254 (C) The qualified community development entity fails to invest an amount equal to 85
255 percent of the purchase price of the qualified equity investment in qualified low-income
256 community investments in Georgia within 12 months of the issuance of the qualified
257 equity investment and maintain at least 85 percent of such level of investment in
258 qualified low-income community investments in Georgia until the last credit allowance
259 date for the qualified equity investment. For purposes of this Code section, an
260 investment shall be considered held by a qualified community development entity even
261 if the investment has been sold or repaid if the qualified community development entity
262 reinvests an amount equal to the capital returned to or recovered by the qualified
263 community development entity from the original investment, exclusive of any profits
264 realized, in another qualified low-income community investment within 12 months of
265 the receipt of such capital. Periodic amounts received as repayment of principal
266 pursuant to regularly scheduled amortization payments on a loan that is a qualified
267 low-income community investment shall be treated as continuously invested in a
268 qualified low-income community investment if the amounts are reinvested in one or
269 more qualified low-income community investments by the end of the following
270 calendar year. A qualified community development entity shall not be required to
271 reinvest capital returned from qualified low-income community investments after the
272 sixth anniversary of the issuance of the qualified equity investment, the proceeds of
273 which were used to make the qualified low-income community investment, and the
274 qualified low-income investment community shall be considered held by the qualified
275 community development entity through the seventh anniversary of the qualified equity
276 investment's issuance;

277 (D) Any distribution or debt payment in violation of paragraph (1) of subsection (m)
278 of this Code section; or

279 (E) Any violation of subsection (n), (o), or (p) of this Code section.

280 (2) Recaptured or returned tax credits and the related qualified equity investment
281 authority revert back to the department and shall be reissued, first, pro rata to other
282 applicants whose qualified equity investment allocations were reduced under
283 paragraph (5) of subsection (f) of this Code section and, thereafter, in accordance with
284 the application process.

285 (i) Enforcement of each of the recapture provisions in subsection (h) of this Code section
286 shall be subject to a six-month cure period. No recapture shall occur until the qualified
287 community development entity shall have been given notice of noncompliance and
288 afforded six months from the date of such notice to cure the noncompliance.

289 (j)(1) A qualified community development entity that seeks to have an equity investment
290 or long-term debt security designated as a qualified equity investment and eligible for tax
291 credits under this subsection shall pay a fee in the amount one-half of 1 percent of the
292 amount of the equity investment or long-term debt security requested to be designated as
293 a qualified equity investment to the department for deposit in the New Markets
294 Performance Guarantee Account, which is hereby established. The entity shall forfeit the
295 fee in its entirety without the benefit of subsection (i) of this Code section if:

296 (A) The qualified community development entity and its subsidiary qualified
297 community development entities fail to issue the total amount of qualified equity
298 investments certified by the administrator and receive cash in the total amount certified
299 under paragraph (5) of subsection (f) of this Code section; or

300 (B) The qualified community development entity or any subsidiary qualified
301 community development entity that issues a qualified equity investment certified under
302 this subsection fails to make qualified low-income community investments in qualified
303 active low-income community businesses in this state equal to at least 85 percent of the
304 purchase price of the qualified equity investment in compliance with subsection (p) of
305 this Code section by the second credit allowance date of such qualified equity
306 investment.

307 (2) The fee required under paragraph (1) of this subsection shall be paid to the
308 department and held in the New Markets Performance Guarantee Account until such time
309 as compliance with the provisions of this subsection shall have been established. The
310 qualified community development entity may request a refund of the fee from the
311 department no sooner than 30 days after the qualified community development entity and
312 all transferees under paragraph (6) of subsection (f) of this Code section having
313 invested 85 percent of the purchase price of qualified equity investments issued by the
314 qualified community development entity and such transferees by the second credit
315 allowance date in compliance with subsection (p) of this Code section. The state
316 treasurer shall have 30 days to comply with such request or give notice of
317 noncompliance.

318 (k)(1) The department shall issue letter rulings regarding the tax credit program
319 authorized under this Code section, subject to the terms and conditions set forth in this
320 Code section.

321 (2) The department shall respond to a request for a letter ruling within 60 days of receipt
322 of such request. The applicant may provide a draft letter ruling for the department's
323 consideration. The applicant may withdraw the request for a letter ruling, in writing,
324 prior to the issuance of the letter ruling. The department may refuse to issue a letter
325 ruling for good cause but must list the specific reasons for refusing to issue the letter
326 ruling. Good cause includes, but is not limited to:

327 (A) The applicant requests the department to determine whether a statute is
328 constitutional or a regulation is lawful;

329 (B) The request involves a hypothetical situation or alternative plans;

330 (C) The facts or issues presented in the request are unclear, overbroad, insufficient, or
331 otherwise inappropriate as a basis upon which to issue a letter ruling; and

332 (D) The issue is currently being considered in a rule-making procedure, contested case,
333 or other agency or judicial proceeding that may resolve the issue.

334 (3) Letter rulings shall bind the department and the department's agents and their
335 successors until such time as the entity or its shareholders, members, or partners, as
336 applicable, claim all of such credits on a Georgia tax return or report, subject to the terms
337 and conditions set forth in properly published regulations. The letter ruling shall apply
338 only to the applicant.

339 (4) In rendering letter rulings and making other determinations under this Code section,
340 to the extent applicable, the department, the Department of Revenue, and the
341 Commissioner shall look for guidance to Section 45D of the Internal Revenue Code
342 of 1986, as amended, and the rules and regulations issued thereunder.

343 (l)(1) An entity claiming a credit under this Code section is not required to pay any
344 additional retaliatory tax levied under Code Section 33-3-26 as a result of claiming that
345 credit.

346 (2) In addition to the exclusion in paragraph (1) of this subsection, an entity claiming a
347 credit under this Code section shall not be required to pay any additional tax that may
348 arise as a result of claiming that credit.

349 (m)(1) Once certified under paragraph (4) of subsection (f) of this Code section, a
350 qualified equity investment shall not be decertified unless all of the requirements of
351 paragraph (2) of this subsection have been met. Until all qualified equity investments
352 issued by a qualified community development entity are decertified under this subsection,
353 the qualified community development entity shall not be entitled to distribute to its equity
354 holders or make cash payments on long-term debt securities that have been designated
355 as qualified equity investments in an amount that exceeds the sum of: (i) the cumulative
356 operating income, as defined by regulations adopted under Section 45D of the Internal
357 Revenue Code of 1986, as amended, earned by the qualified community development

358 entity since issuance of the qualified equity investment, prior to giving effect to any
 359 expense from the payment of interest on long-term debt securities designated as qualified
 360 equity investments, and (ii) 50 percent of the purchase price of the qualified equity
 361 investments issued by the qualified community development entity.

362 (2) To be decertified, a qualified equity investment shall:

363 (A) Be beyond its seventh credit allowance date;

364 (B) Have been in compliance with subsection (h) of this Code section up through its
 365 seventh credit allowance date, including any cures under subsection (i) of this Code
 366 section; and

367 (C) Have had its proceeds invested in qualified low-income community investments
 368 such that the total qualified low-income community investments made, cumulatively
 369 including reinvestments, exceeds 150 percent of its qualified equity investment.

370 (3) A community development entity that seeks to have a qualified equity investment
 371 decertified under this subsection shall send notice to the department of its request for
 372 decertification along with evidence supporting the request. The provisions of
 373 subparagraph (B) of paragraph (2) of this subsection shall be deemed to be met if no
 374 recapture action has been commenced by the department as of the seventh credit
 375 allowance date. Such request shall not be unreasonably denied and shall be responded
 376 to within 30 days of receiving the request. If the request is denied for any reason, the
 377 burden of proof shall be on the department in any administrative or legal proceeding that
 378 follows.

379 (n) No qualified community development entity shall be entitled to pay to any affiliate of
 380 such qualified community development entity any fees in connection with any activity
 381 under this subsection prior to the decertification under subsection (m) of this Code section
 382 of all qualified equity investments issued by such qualified community development entity
 383 and all transferees under paragraph (6) of subsection (f) of this Code section. The
 384 foregoing shall not prohibit a qualified community development entity from allocating or
 385 distributing income earned by it to such affiliates or from paying reasonable interest on
 386 amounts loaned to the qualified community development entity by such affiliates.

387 (o) A qualified active low-income community business that receives a qualified
 388 low-income community investment from a qualified community development entity that
 389 issues qualified equity investments pursuant to this chapter, or any affiliates of such a
 390 qualified active low-income community business, may not directly or indirectly:

391 (1) Own or have the right to acquire an ownership interest in a qualified community
 392 development entity or member or affiliate of a qualified community development entity,
 393 including, but not limited to, a holder of a qualified equity investment issued by the
 394 qualified community development entity; or

395 (2) Lend to or invest in a qualified community development entity or member or affiliate
 396 of a qualified community development entity, including, but not limited to, a holder of
 397 a qualified equity investment issued by a qualified community development entity where
 398 the proceeds of the loan or investment are directly or indirectly used to fund or refinance
 399 the purchase of a qualified equity investment hereunder.
