By Committee on Appropriations

3-8

AN ACT concerning school districts; creating the Kansas safe and secure schools act; creating the school safety and security grant fund; making and concerning appropriations for the fiscal year ending June 30, 2019, for the department of education.

Be it enacted by the Legislature of the State of Kansas: Section 1.

## DEPARTMENT OF EDUCATION

- (a) There is appropriated for the above agency from the state general fund for the fiscal year ending June 30, 2019, the following:
- Operating expenditures (including official hospitality)...........\$300,000 *Provided,* That, in addition to other positions within the department of education as prescribed by law, expenditures shall be made from the operating expenditures (including official hospitality) account to employ two additional employees to review and evaluate school safety and security plans and provide technical assistance to school districts on such plans.
- (b) There is appropriated for the above agency from the following special revenue fund or funds for the fiscal year ending June 30, 2019, all moneys now or hereafter lawfully credited to and available in such fund or funds, except that expenditures shall not exceed the following:
- School safety and security grant fund.....\$5,000,000
- (c) On July 1, 2018, the director of accounts and reports shall transfer \$5,000,000 from the state general fund to the school safety and security grant fund of the department of education.
- Sec. 2. The provisions of sections 2 through 8, and amendments thereto, shall be known and may be cited as the Kansas safe and secure schools act.
- Sec. 3. (a) The state board of education shall develop and adopt statewide standards for making all public schools and attendance centers operated by school districts in this state safe and secure. In developing such standards, the state board shall consult with the office of the adjutant general, the Kansas bureau of investigation, the Kansas department of health and environment and any other state agencies as deemed necessary by the state board.
  - (b) The standards developed by the state board under this section

shall include, but are not limited to:

- (1) The infrastructure of school buildings and attendance centers operated by school districts in this state, including secured entrances, windows and other facets of the structural integrity of such buildings;
- (2) security technology to be utilized in such buildings, including, but not limited to, intrusion detection systems and security cameras;
- (3) communications systems, including, but not limited to, systems for interoperability between the school district and law enforcement agencies; and
- (4) any other systems or facilities the state board deems necessary for the safety and security of such buildings.
- (c) The state board shall notify all school districts of the standards adopted under this section on or before January 1, 2019. The state board shall also provide notice of the adopted standards to those state agencies set forth in subsection (a) and any other state agencies the state board consulted with in developing such standards. To the extent such standards contain emergency or security information or procedures, the state board shall maintain the confidentiality of such standards when sending notices pursuant to this subsection. The provisions of this subsection shall expire on July 1, 2023, unless the legislature reviews and reenacts this provision pursuant to K.S.A. 45-229, and amendments thereto, prior to July 1, 2023.
- Sec. 4. (a) The state board of education shall develop and adopt statewide standards for school safety and security plans to be adopted by each school district. In developing such standards, the state board shall consult with the office of the adjutant general, the Kansas bureau of investigation, the Kansas department of health and environment and any other state agencies as deemed necessary by the state board.
- (b) The standards developed by the state board under this section shall include, but are not limited to:
- (1) Evaluation of the infrastructure of school buildings and attendance centers for compliance with standards adopted under section 3, and amendments thereto;
- (2) training of school district employees on school safety and security policies and procedures, and conducting student drills on emergency situations;
- (3) procedures for making notifications to individuals located outside of the school building during emergency situations and maintaining communication with law enforcement agencies and other necessary individuals:
- (4) procedures for securing school buildings during an emergency situation;
- (5) procedures for emergency evacuation of school buildings, including evacuation routes and sites;

(6) procedures for recovery after an emergency situation ceases;

- (7) coordination and incorporation of school safety and security plans with existing school district emergency response plans;
- (8) distribution of school safety and security plans to local law enforcement agencies and emergency management agencies;
- (9) procedures for ensuring there is accountability for adopting and implementing the school safety and security plan in accordance with this act and the standards adopted by the state board; and
- (10) any other policies and procedures the state board deems necessary for school safety and security plans.
- (c) In developing standards for school safety and security plans under this section, the state board shall identify roles and responsibilities for implementing school safety and security plans at the school district and school building level. The state board also shall identify the role of local law enforcement agencies and local emergency management agencies when partnering with school districts in the development and implementation of school safety and security plans.
- (d) The state board may consider and utilize any materials, documentation or videos that are available through the United States department of homeland security in developing standards under this section.
- (e) The state board shall notify all school districts of the standards adopted under this section on or before January 1, 2019. The state board shall also provide notice of the adopted standards to those state agencies set forth in subsection (a) and any other state agencies the state board consulted with in developing such standards. To the extent such standards contain emergency or security information or procedures, the state board shall maintain the confidentiality of such standards when sending notices pursuant to this subsection. The provisions of this subsection shall expire on July 1, 2023, unless the legislature reviews and reenacts this provision pursuant to K.S.A. 45-229, and amendments thereto, prior to July 1, 2023.
- Sec. 5. (a) The board of education of each school district shall adopt a comprehensive school safety and security plan based on the statewide standards adopted by the state board of education under sections 3 and 4, and amendments thereto.
- (b) Prior to the adoption of a school safety and security plan, each school district shall consult with one or more local law enforcement agencies and local emergency management agencies to review and evaluate: (1) Existing infrastructure of school buildings and attendance centers operated by such school district; and (2) current school district safety and security policies and procedures. The local law enforcement agencies and emergency management agencies may provide guidance on

improving a school district's building infrastructure or safety and security polices and procedures. The review and evaluation, and any guidance provided as a result thereof, shall be done in accordance with the standards adopted by the state board of education under sections 3 and 4, and amendments thereto

- (c) Upon adoption of a school safety and security plan, the superintendent of the school district shall send a copy of such plan to each local law enforcement agency and emergency management agency the school district consulted with, and shall send a copy to the state board of education.
- Sec. 6. (a) Each school district may submit an application to the state board of education for a grant of school safety and security improvement funds. Such application shall be submitted in such form and manner as prescribed by the state board, and shall include a description of the school safety and security improvements the school district determines to be necessary. School safety and security improvements shall be determined based on the standards adopted by the state board under sections 3 and 4, and amendments thereto.
- (b) The state board shall review all applications and approve or deny such applications based on whether the applicant school district has demonstrated the necessity of school safety and security improvements. As part of its review of an application, the state board may conduct a hearing and provide the applicant school district an opportunity to present testimony as to the necessity of such school safety and security improvements.
- (c) If the state board approves an application, it shall determine the amount of moneys to be disbursed to the applicant school district from the school safety and security grant fund. If the state board denies an application, then, within 15 days of such denial, the state board shall send written notice of such denial to the superintendent of such school district. All administrative proceedings pursuant to this section shall be conducted in accordance with the provisions of the Kansas administrative procedure act. Any action by the state board pursuant to this section shall be subject to review in accordance with the Kansas judicial review act.
- (d) There is hereby established in the state treasury the school safety and security grant fund, which shall be administered by the state department of education. All expenditures from the school safety and security grant fund shall be used for the disbursement of grant moneys for school safety and security improvements as approved by the state board under this section. All expenditures from the school safety and security grant fund shall be made in accordance with appropriation acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the state board of education, or the designee of the

state board of education.
