ROBERT B. HUNT  
Clerk

Presented by Representative SAWICKI of Auburn.  
Cosponsored by Senator MIRAMANT of Knox and  
Representatives: ESPLING of New Gloucester, FARRIN of Norridgewock, GUERIN of  
Glenburn, SANDERSON of Chelsea, SIROCKI of Scarborough, Senator: GERZOFKY of  
Cumberland.

1 **Be it enacted by the People of the State of Maine as follows:**

2 **Sec. 1. 20-A MRSA c. 221, sub-c. 1-A** is enacted to read:

3 **SUBCHAPTER 1-A**

4 **PROTECTION OF STUDENTS' PERSONAL AND PRIVATE DATA**

5 **§6011. Definitions**

6 As used in this subchapter, unless the context otherwise indicates, the following  
7 terms have the following meanings.

8 **1. Disclosure.** "Disclosure" means to permit access to or the release, transfer or  
9 other communication of personally identifiable information contained in education  
10 records by any means, including oral, written or electronic means, to any party except the  
11 party identified as the party that provided or created the record.

12 **2. Education record.** "Education record" means a record directly related to a  
13 student and maintained by the department or a school administrative unit or by a party  
14 acting for the department or a school administrative unit.

15 **3. Eligible student.** "Eligible student" means a student who has reached 18 years of  
16 age.

17 **4. Party.** "Party" means an individual, agency, institution or organization.

18 **5. Personally identifiable information.** "Personally identifiable information"  
19 includes but is not limited to:

20 A. The student's name;

21 B. The name of the student's parent or other family members;

22 C. The address of the student or student's family;

23 D. A personal identifier, such as the student's social security number, student number  
24 or biometric record;

25 E. Other indirect identifiers, such as the student's date of birth, place of birth and  
26 mother's maiden name;

27 F. Other information that, alone or in combination, may be or is linked to a specific  
28 student that would allow a reasonable person in the school community, who does not  
29 have personal knowledge of any relevant circumstances, to identify the student with  
30 reasonable certainty; and

31 G. An education record requested by a person who the department or a school  
32 administrative unit reasonably believes knows the identity of the student to whom the  
33 education record relates.

1           **6. Record.** "Record" means any information recorded in any way, including, but not  
2 limited to, by handwriting, print, computer media, videotape or audio tape, film,  
3 microfilm and microfiche.

4           **7. Student.** "Student" means an individual who is or has been in attendance at a  
5 school within this State and regarding whom the department or a school administrative  
6 unit maintains education records.

7           **8. Student database.** "Student database" means any computer system that houses or  
8 maintains data on students in prekindergarten to grade 12.

9           **9. Written consent.** "Written consent" means consent that is signed by an eligible  
10 student or a parent, is dated on the day it was signed, is signed within 6 months before a  
11 disclosure, identifies the recipient and the purpose of the disclosure and states that the  
12 information will be used only for that purpose and will not be used or disclosed for any  
13 other purpose.

14           **§6012. Restrictions on maintenance and disclosure**

15           **1. Disclosure prohibited.** The department or a school administrative unit may not  
16 directly or through contracts with outside parties maintain personally identifiable  
17 information from education records without the written consent of eligible students or  
18 parents unless maintenance of the information is:

19           A. Explicitly mandated in federal or state statute;

20           B. Administratively required for the proper performance of the department's or the  
21 school administrative unit's duties under the law and is relevant to and necessary for  
22 delivery of services; or

23           C. Designed to support a study of students or former students, as long as no  
24 personally identifiable information is retained on former students for more than 5  
25 years after the date of their last enrollment at a school.

26           **2. Data collection, entry and maintenance prohibited.** The following information  
27 may not be collected, entered into any student database or maintained as education  
28 records by the department or a school administrative unit:

29           A. DNA, fingerprints or retina or iris pattern information or any information about  
30 the psychological characteristics of a student;

31           B. Student or family religious affiliation, beliefs or practices;

32           C. Student or family political affiliation, beliefs or practices;

33           D. Student or family member sexual orientation or beliefs about sexual orientation;  
34 or

35           E. Student or family gun ownership or usage.

36           **3. Prohibited grants.** The department or a school administrative unit may not  
37 pursue or accept a grant, whether governmental or private, that would require the  
38 collection or reporting of any student information contained in subsection 2.

1           **4. Disclosure and notification concerning maintenance of personally identifiable**  
2 **information.** The department and school administrative units shall publicly and  
3 conspicuously disclose on their publicly accessible websites and through annual  
4 electronic notification to the joint standing committee of the Legislature having  
5 jurisdiction over education matters the existence and nature of any personally identifiable  
6 information from education records that they, directly or through contracts with outside  
7 parties, maintain. Such disclosure and notifications must include:

8           A. The name and location of the student database where the information is  
9 maintained;

10           B. The legal authority that authorizes the establishment and existence of the student  
11 database;

12           C. The principal purpose or purposes for which the information is intended to be  
13 used;

14           D. The categories of individuals on whom records are maintained in the student  
15 database;

16           E. The categories of records maintained in the student database;

17           F. Each expected disclosure of the records contained in the student database,  
18 including the categories of recipients and the purpose of the disclosure;

19           G. The policies and practices of the department and school administrative units  
20 regarding storage, retrievability, access controls, retention and disposal of the  
21 records;

22           H. The title and business address of the department or school administrative unit  
23 official who is responsible for the student database, and the name and business  
24 address of any contractor or other outside party maintaining the student database for  
25 or on behalf of the department or a school administrative unit;

26           I. The procedure whereby an eligible student or a parent can be notified upon request  
27 if the student database contains a record pertaining to the student or the parent's child;

28           J. The procedure whereby an eligible student or a parent can be notified upon request  
29 regarding how to gain access to a record pertaining to the student or the parent's child  
30 contained in the student database, and how the student or parent can contest the  
31 record's content; and

32           K. The categories of sources of records in the student database.

33           **5. Access to personally identifiable information restricted.** Except as otherwise  
34 authorized by this section, access to personally identifiable information in the student  
35 database is restricted to the authorized representatives of the department and the school  
36 administrative unit who require such access to perform their assigned duties. The  
37 department and the school administrative unit shall designate only parties that are under  
38 their direct control to act as their authorized representatives to conduct an audit or  
39 evaluation, or any compliance or enforcement activity in connection with legal  
40 requirements that relate to state-supported or unit-supported educational programs, when  
41 the audit, evaluation or activity requires or is used as the basis for granting access to  
42 personally identifiable information.

1           **6. Disclosure without written consent restricted.** The department or a school  
2 administrative unit may not disclose personally identifiable information from education  
3 records of students without the written consent of eligible students or parents to a  
4 contractor, consultant or other party to whom the department or the school administrative  
5 unit has outsourced institutional services or functions unless the contractor, consultant or  
6 other party:

7           A. Performs an institutional service or function for which the department or the  
8 school administrative unit would otherwise use its own employees;

9           B. Is under the direct control of the department or the school administrative unit with  
10 respect to the use and maintenance of education records;

11           C. Limits internal access to education records to those individuals who are  
12 determined to have legitimate educational interests;

13           D. Does not use the education records for any purposes other than those explicitly  
14 authorized in the party's contract;

15           E. Does not disclose any personally identifiable information to any other party;

16           F. Maintains reasonable administrative, technical and physical safeguards to protect  
17 the security, confidentiality and integrity of personally identifiable information in its  
18 custody;

19           G. With respect to personally identifiable information stored in a student database  
20 that is accessed over the Internet or other public network, protects such data through a  
21 secure encrypted protocol. Access through a web browser must use at a minimum  
22 Hypertext Transfer Protocol Secure, while access through other means must use the  
23 industry standard encryption technologies applicable to the most sensitive component  
24 of the record. With respect to records concerning a student's physical, mental or  
25 psychological health, "industry standard" means a technology or methodology  
26 specified by the Secretary of the United States Department of Health and Human  
27 Services in guidance issued under Section 13402(h)(2) of the American Recovery and  
28 Reinvestment Act, Public Law 111-5;

29           H. With respect to data that is in motion or in the party's custody, protects such data  
30 from unauthorized disclosure using industry standard encryption technologies  
31 applicable to the most sensitive component of the data in its custody. With respect to  
32 records concerning a student's physical, mental or psychological health, "industry  
33 standard" means a technology or methodology specified by the Secretary of the  
34 United States Department of Health and Human Services in guidance issued under  
35 Section 13402(h)(2) of the American Recovery and Reinvestment Act, Public Law  
36 111-5;

37           I. Has sufficient administrative and technical procedures to monitor continuously the  
38 security of personally identifiable information in the party's custody;

39           J. Conducts a security audit annually and provides the results of that audit to the  
40 department and each school administrative unit and school that provided education  
41 records to the party;

1 K. Provides the department or the school administrative unit with a breach-  
2 remediation plan acceptable to the department or the school administrative unit  
3 before initial receipt of education records;

4 L. Reports all suspected or actual security breaches to the department or the school  
5 administrative unit that provided education records to the party as soon as possible  
6 but not later than 48 hours after a suspected or actual breach is known or would have  
7 been known by exercising reasonable diligence;

8 M. In the event of a security breach or unauthorized disclosure of personally  
9 identifiable information, pays all costs and liabilities incurred by the department or  
10 the school administrative unit related to the security breach or unauthorized  
11 disclosure, including but not limited to the costs of responding to inquiries about the  
12 security breach or unauthorized disclosure, of notifying subjects of personally  
13 identifiable information about the security breach or unauthorized disclosure, of  
14 mitigating the effects of the security breach or unauthorized disclosure for the  
15 subjects of personally identifiable information and of investigating the cause and  
16 consequences of the security breach or unauthorized disclosure; and

17 N. Destroys or returns to the department or the school administrative unit all  
18 personally identifiable information in the party's custody upon request or at the  
19 termination of the contract, whichever occurs first.

20 **7. Disclosure without consent for studies.** The department or a school  
21 administrative unit may disclose personally identifiable information from an education  
22 record of a student without the consent of the eligible student or parent to a party  
23 conducting studies for or on behalf of the department or the school administrative unit to:

24 A. Develop, validate or administer predictive tests; or

25 B. Administer student-aid programs if the outside party conducting the study meets  
26 all of the requirements for contractors set forth in subsection 6.

27 **8. Disclosure and notification before authorized nonconsensual disclosure.**  
28 Before any nonconsensual disclosures authorized by subsections 6 and 7, the department  
29 or a school administrative unit shall publicly and conspicuously disclose on their publicly  
30 accessible websites and through electronic notification to the joint standing committee of  
31 the Legislature having jurisdiction over education matters the existence and nature of any  
32 contracts or agreements pursuant to which the department or school administrative unit  
33 intends to disclose personally identifiable information from education records to a  
34 contractor, outsourcing entity or 3rd party conducting a study. The disclosure and  
35 notification must include:

36 A. The name and location of the student database where any personally identifiable  
37 information would be maintained by a contractor, outsourcing entity or 3rd party;

38 B. The principal purpose or purposes for which the personally identifiable  
39 information is intended to be used;

40 C. The categories of individuals whose records would be disclosed to the contractor,  
41 outsourcing entity or 3rd party;

1 D. The categories of records maintained by the contractor, outsourcing entity or 3rd  
2 party;

3 E. Expected uses of the records disclosed to the contractor, outsourcing entity or 3rd  
4 party;

5 F. The policies and practices of the contractor, outsourcing entity or 3rd party  
6 regarding storage, retrievability, access controls, retention and disposal of the  
7 records;

8 G. The title and business address of the department or school administrative unit  
9 official who is responsible for the contract or agreement, and the name and business  
10 address of the contractor, outsourcing entity or 3rd party directly responsible for  
11 education records maintained pursuant to a contract or agreement;

12 H. The procedure whereby an eligible student or a parent can be notified upon  
13 request regarding how to gain access to any record pertaining to the student or the  
14 parent's child maintained by the contractor, outsourcing entity or 3rd party and how  
15 the student or the parent can contest the record's contents; and

16 I. The categories of sources of records in the student database containing education  
17 records.

18 **9. Collection or disclosure for commercial use prohibited.** The department or a  
19 school administrative unit may not, without the written consent of eligible students or  
20 parents, facilitate, arrange, contract for or authorize a 3rd party to collect personally  
21 identifiable information of students or disclose personally identifiable information from  
22 education records to any party for a commercial use, including but not limited to  
23 marketing products or services, or creation of individual, household or group profiles; nor  
24 may such disclosure be made for provision of services other than contracting, studies and  
25 audits or evaluations as authorized and limited by subsections 6 and 7.

26 **10. Disclosure to noneducation government agency prohibited.** The department  
27 or a school administrative unit may not disclose personally identifiable information from  
28 education records to any noneducation government agency, including but not limited to  
29 the Department of Labor, whether within or outside the State, or to any party that intends  
30 to use or disclose the personally identifiable information for the purpose of workforce-  
31 development or economic planning without the written consent of eligible students or  
32 parents.

33 **11. Disclosure to governmental or private entity outside this State restricted.**  
34 Subject to the provisions of this subsection, the department or a school administrative unit  
35 may not disclose personally identifiable information from education records to any  
36 governmental or private entity outside this State without the written consent of eligible  
37 students or parents, except that the department or the school administrative unit may  
38 disclose personally identifiable information in the following circumstances:

39 A. When a student has transferred to a school out of state;

40 B. When a student voluntarily participates in an out-of-state program and the data  
41 transfer is a condition or requirement of participation; or

1 consent of the parents of children under 18 years of age and the written consent of the  
2 students themselves when the students are at least 18 years of age. There are specific  
3 exceptions to the prohibitions. The bill also prohibits the collection, entry and  
4 maintenance of certain information about students and their families. A contractor,  
5 consultant or other party that has entered into a contract or other agreement with the  
6 department or a school administrative unit who violates the restrictions is subject to a  
7 \$5,000 civil penalty per violation and disqualification from future access to education  
8 records.
