3.14 new facility, 20 beds shall be used for a special care unit for persons with Alzheimer's

3.34 of medical assistance resident days;

3.35 (ii) compute the annual savings to the medical assistance program from the

6.11 percentage of medical assistance dollars, and then divided by estimated medical assistance  
6.12 resident days, as determined in paragraph (c), of the remaining nursing facility or facilities  
6.13 in the request in this paragraph. The rate adjustment is effective on the later of the first

6.31 (6) the savings from not paying planned closure rate adjustments that the facilities  
6.32 would otherwise be eligible for under section 256B.437; and

6.33 (7) the savings from not paying ~~property~~ external fixed costs payment rate  
6.34 adjustments from submission of renovation costs that would otherwise be eligible as  
6.35 threshold projects under section 256B.434, subdivision 4f.

7.1 (c) For purposes of the calculation in paragraph (a), clause (3), the estimated medical  
7.2 assistance resident days of the remaining facility or facilities shall be computed assuming  
7.3 95 percent occupancy multiplied by the historical percentage of medical assistance  
7.4 resident days of the remaining facility or facilities, as reported on the facility's or facilities'  
7.5 most recent nursing facility statistical and cost report filed before the plan of closure  
7.6 is submitted, multiplied by 365.

7.7 (d) For purposes of net cost of savings to the state in paragraph (b), the average  
7.8 occupancy percentages will be those reported on the facility's or facilities' most recent  
7.9 nursing facility statistical and cost report filed before the plan of closure is submitted, and  
7.10 the average payment rates shall be calculated based on the approved payment rates in  
7.11 effect at the time the consolidation request is submitted.

7.12 (e) To qualify for the ~~property~~ external fixed costs payment rate adjustment under  
7.13 this ~~provision~~ subdivision, the closing facilities shall:

 9.13 subdivision to read:

9.14 Subd. 1a. **Additional notice to applicants.** An application for medical assistance  
 9.15 must include a statement, prominently displayed, that if any person on the application  
 9.16 enrolls in medical assistance, the state may claim repayment for the cost of medical care  
 9.17 or premiums paid for care from that person's estate.

9.18 Sec. 11. Minnesota Statutes 2015 Supplement, section 256B.059, subdivision 5,  
 9.19 is amended to read:

9.20 Subd. 5. **Asset availability.** (a) At the time of initial determination of eligibility for  
 9.21 medical assistance benefits following the first continuous period of institutionalization on  
 9.22 or after October 1, 1989, assets considered available to the institutionalized spouse shall  
 9.23 be the total value of all assets in which either spouse has an ownership interest, reduced by  
 9.24 the following amount for the community spouse:

9.25 (1) prior to July 1, 1994, the greater of:

9.26 (i) \$14,148;

9.27 (ii) the lesser of the spousal share or \$70,740; or

9.28 (iii) the amount required by court order to be paid to the community spouse;

9.29 (2) for persons whose date of initial determination of eligibility for medical

9.30 assistance following their first continuous period of institutionalization occurs on or after

9.31 July 1, 1994, the greater of:

9.32 (i) \$20,000;

9.33 (ii) the lesser of the spousal share or \$70,740; or

9.34 (iii) the amount required by court order to be paid to the community spouse.

10.1 The value of assets transferred for the sole benefit of the community spouse under section  
10.2 256B.0595, subdivision 4, in combination with other assets available to the community  
10.3 spouse under this section, cannot exceed the limit for the community spouse asset  
10.4 allowance determined under subdivision 3 or 4. Assets that exceed this allowance shall  
10.5 be considered available to the institutionalized spouse. If the community spouse asset  
10.6 allowance has been increased under subdivision 4, then the assets considered available to  
10.7 the institutionalized spouse under this subdivision shall be further reduced by the value of  
10.8 additional amounts allowed under subdivision 4.

10.9 (b) An institutionalized spouse may be found eligible for medical assistance even  
10.10 though assets in excess of the allowable amount are found to be available under paragraph  
10.11 (a) if the assets are owned jointly or individually by the community spouse, and the  
10.12 institutionalized spouse cannot use those assets to pay for the cost of care without the  
10.13 consent of the community spouse, and if:

10.14 (i) the institutionalized spouse assigns to the commissioner the right to support from  
10.15 the community spouse under section 256B.14, subdivision 3;

10.16 (ii) the institutionalized spouse lacks the ability to execute an assignment due to a  
10.17 physical or mental impairment; ~~or~~

10.18 (iii) the denial of eligibility would cause an imminent threat to the institutionalized  
10.19 spouse's health and well-being; or

10.20 (iv) the assets in excess of the amount under paragraph (a) are assets owned by the  
10.21 community spouse, and the denial of eligibility would cause an undue hardship to the  
10.22 family due to the loss of retirement funds for the community spouse or funds protected for  
10.23 the postsecondary education of a child under age 25. For purposes of this clause, only  
10.24 retirement assets held by the community spouse in a tax-deferred retirement account,  
10.25 including a defined benefit plan, defined contribution plan, an employer-sponsored  
10.26 individual retirement arrangement, or individually purchased individual retirement  
10.27 arrangement are protected, and are only protected until the community spouse is eligible to  
10.28 withdraw retirement funds from any or all accounts without penalty. For purposes of this  
10.29 clause, only funds in a plan designated under section 529 of the Internal Revenue Code  
10.30 on behalf of a child of either or both spouses who is under the age of 25 are protected.  
10.31 There shall not be an assignment of spousal support to the commissioner or a cause of  
10.32 action against the individual's spouse under section 256B.14, subdivision 3, for the funds  
10.33 in the protected retirement and college savings accounts.

10.34 (c) After the month in which the institutionalized spouse is determined eligible for  
10.35 medical assistance, during the continuous period of institutionalization, no assets of the

11.1 community spouse are considered available to the institutionalized spouse, unless the  
11.2 institutionalized spouse has been found eligible under paragraph (b).

11.3 (d) Assets determined to be available to the institutionalized spouse under this  
11.4 section must be used for the health care or personal needs of the institutionalized spouse.

11.5 (e) For purposes of this section, assets do not include assets excluded under the  
11.6 Supplemental Security Income program.

11.7 **EFFECTIVE DATE.** This section is effective June 1, 2016.

11.10 hereunder, on the person's death, if single, or on the death of the survivor of a married

11.22 owned in beneficiary form as provided under sections 524.6-301 to 524.6-311 at the time  
11.23 of the person's death, to the extent the interests or proceeds of those interests become part  
11.24 of the probate estate under section 524.6-307;

11.25 (4) all of the person's interests in joint accounts, multiple-party accounts, and  
11.26 pay-on-death accounts, brokerage accounts, investment accounts, or the proceeds of

12.7 of a married couple, "other arrangement" includes any other means by which title to all or  
12.8 any part of the jointly owned or marital property or interest passed from the predeceased  
12.9 spouse to another including, but not limited to, transfers between spouses which are

12.27 (f) The claim shall be considered an expense of the last illness of the decedent for  
12.28 the purpose of section 524.3-805. Notwithstanding any law or rule to the contrary, a  
12.29 state or county agency with a claim under this section must be a creditor under section  
12.30 524.6-307. Any statute of limitations that purports to limit any county agency or the state  
12.31 agency, or both, to recover for medical assistance granted hereunder shall not apply to any  
12.32 claim made hereunder for reimbursement for any medical assistance granted hereunder.  
12.33 Notice of the claim shall be given to all heirs and devisees of the decedent, and to other

60.22 commissioner in the application and certification process.

65.12 under this section shall only be made from federal earnings from services provided  
65.13 under this section. When this service is paid by the state without a federal share through  
65.14 fee-for-service, 50 percent of the cost shall be provided by the state. Payments to  
65.15 county-contracted vendors shall include the federal earnings, the state share, and the  
65.16 county share.

66.9 by the person receiving targeted case management or the person's legal guardian, the case  
66.10 management provider, and the provider operating the setting where the person is residing;
- 66.11 (3) the use of interactive video is approved as part of the person's written personal  
66.12 service or case plan taking into consideration the person's vulnerability and active personal  
66.13 relationships; and
- 66.14 (4) interactive video is used for up to, but not more than, 50 percent of the minimum  
66.15 required face-to-face contacts.
- 66.16 (b) The person receiving targeted case management or the person's legal guardian  
66.17 has the right to choose and consent to the use of interactive video under this subdivision  
66.18 and has the right to refuse the use of interactive video at any time.
- 66.19 (c) The commissioner shall establish criteria that a targeted case management  
66.20 provider must attest to in order to demonstrate the safety or efficacy of delivering the service  
66.21 via interactive video. The attestation may include that the case management provider has:
- 66.22 (1) written policies and procedures specific to interactive video services that are  
66.23 regularly reviewed and updated;
- 66.24 (2) policies and procedures that adequately address client safety before, during, and  
66.25 after the interactive video services are rendered;
- 66.26 (3) established protocols addressing how and when to discontinue interactive video  
66.27 services; and
- 66.28 (4) established a quality assurance process related to interactive video services.
- 66.29 (d) As a condition of payment, the targeted case management provider must  
66.30 document the following for each occurrence of targeted case management provided by  
66.31 interactive video:
- 66.32 (1) the time the service began and the time the service ended, including an a.m. and  
66.33 p.m. designation;
- 66.34 (2) the basis for determining that interactive video is an appropriate and effective  
66.35 means for delivering the service to the person receiving case management services;

- 67.1 (3) the mode of transmission of the interactive video services and records evidencing  
67.2 that a particular mode of transmission was utilized;  
67.3 (4) the location of the originating site and the distant site; and  
67.4 (5) compliance with the criteria attested to by the targeted case management provider  
67.5 as provided in paragraph (c).

67.6 Sec. 12. Minnesota Statutes 2014, section 256B.0924, is amended by adding a  
67.7 subdivision to read:

67.8 Subd. 4a. Targeted case management through interactive video. (a) Subject to  
67.9 federal approval, contact made for targeted case management by interactive video shall be  
67.10 eligible for payment under subdivision 6 if:

67.12 (i) a hospital;

67.13 (ii) a nursing facility;

67.14 (iii) a residential setting licensed under chapter 245A or 245D, or a boarding and

67.17 seven days per week;

67.18 (2) interactive video is in the best interests of the person and is deemed appropriate

67.19 by the person receiving targeted case management or the person's legal guardian, the case

67.20 management provider, and the provider operating the setting where the person is residing;

67.21 (3) the use of interactive video is approved as part of the person's written personal

67.22 service or case plan; and

67.23 (4) interactive video is used for up to, but not more than, 50 percent of the minimum

67.24 required face-to-face contacts.

67.25 (b) The person receiving targeted case management or the person's legal guardian

67.26 has the right to choose and consent to the use of interactive video under this subdivision

67.27 and has the right to refuse the use of interactive video at any time.

67.28 (c) The commissioner shall establish criteria that a targeted case management

67.29 provider must attest to in order to demonstrate the safety or efficacy of delivering the service

67.30 via interactive video. The attestation may include that the case management provider has:

67.31 (1) written policies and procedures specific to interactive video services that are

67.32 regularly reviewed and updated;

68.8 p.m. designation;

68.9 (2) the basis for determining that interactive video is an appropriate and effective  
68.10 means for delivering the service to the person receiving case management services;

68.11 (3) the mode of transmission of the interactive video services and records evidencing  
68.12 that a particular mode of transmission was utilized;

68.13 (4) the location of the originating site and the distant site; and

68.14 (5) compliance with the criteria attested to by the targeted case management provider  
68.15 as provided in paragraph (c).

68.16 Sec. 13. **COMMISSIONER DUTY TO SEEK FEDERAL APPROVAL.**

68.17 The commissioner of human services shall seek federal approval that is necessary  
68.18 to implement Minnesota Statutes, sections 256B.0621, subdivision 10, and 256B.0625,  
68.19 subdivision 20, for interactive video contact.

68.20 Sec. 14. **RURAL DEMONSTRATION PROJECT.**

68.21 (a) Children's mental health collaboratives under Minnesota Statutes, section  
68.22 245.493, are eligible to apply for grant funding under this section. The commissioner shall

68.25 (b) The demonstration project must:

68.26 (1) support youth served to achieve, within their potential, their personal goals  
68.27 in employment, education, living situation, personal effectiveness, and community life  
68.28 functioning;

68.29 (2) build on and streamline transition services by identifying rural youth ages 15 to  
68.30 25 currently in the mental health system or with emerging mental health conditions;

68.31 (3) provide individualized motivational coaching;

68.34 complexities associated with their unique needs;

69.1 (6) utilize all available funding streams;  
69.2 (7) evaluate the effectiveness of the project; and  
69.3 (8) compare differences in outcomes and costs to youth without previous access  
69.4 to this project.

69.5 (c) The commissioner shall report to the chairs and ranking minority members of  
69.6 the house of representatives and senate committees with jurisdiction over mental health  
69.7 issues on the status and outcomes of the demonstration project by January 15, 2019. The  
69.8 children's mental health collaboratives administering the demonstration project shall  
69.9 collect and report outcome data, per guidelines approved by the commissioner, to support  
69.10 the development of this report.

## 69.11 **ARTICLE 6**

### 69.12 **CHILDREN AND FAMILIES**

69.13 Section 1. Minnesota Statutes 2014, section 119B.13, subdivision 1, is amended to read:

69.14 Subdivision 1. **Subsidy restrictions.** (a) Beginning February 3, 2014, the maximum  
69.15 rate paid for child care assistance in any county or county price cluster under the child  
69.16 care fund shall be the greater of the 25th percentile of the 2011 child care provider rate  
69.17 survey or the maximum rate effective November 28, 2011. For a child care provider  
69.18 located inside the boundaries of a city located in two or more counties, the maximum rate  
69.19 paid for child care assistance shall be equal to the maximum rate paid in the county with  
69.20 the highest maximum reimbursement rates or the provider's charge, whichever is less. The  
69.21 commissioner may: (1) assign a county with no reported provider prices to a similar price  
69.22 cluster; and (2) consider county level access when determining final price clusters.

69.23 (b) A rate which includes a special needs rate paid under subdivision 3 may be in  
69.24 excess of the maximum rate allowed under this subdivision.

69.25 (c) The department shall monitor the effect of this paragraph on provider rates. The  
69.26 county shall pay the provider's full charges for every child in care up to the maximum  
69.27 established. The commissioner shall determine the maximum rate for each type of care  
69.28 on an hourly, full-day, and weekly basis, including special needs and disability care. The  
69.29 maximum payment to a provider for one day of care must not exceed the daily rate. The  
69.30 maximum payment to a provider for one week of care must not exceed the weekly rate.

69.31 (d) Child care providers receiving reimbursement under this chapter must not be  
69.32 paid activity fees or an additional amount above the maximum rates for care provided  
69.33 during nonstandard hours for families receiving assistance.

70.1 (e) When the provider charge is greater than the maximum provider rate allowed,  
70.2 the parent is responsible for payment of the difference in the rates in addition to any  
70.3 family co-payment fee.

70.4 (f) All maximum provider rates changes shall be implemented on the Monday  
70.5 following the effective date of the maximum provider rate.

70.6 (g) Notwithstanding Minnesota Rules, part 3400.0130, subpart 7, maximum  
70.7 registration fees in effect on January 1, 2013, shall remain in effect.

70.8 **EFFECTIVE DATE.** This section is effective September 11, 2017.

70.9 **Sec. 2. [245A.043] ELECTRONIC APPLICATION; INFORMATION.**

70.10 (a) The commissioner, in consultation with child care providers, shall conduct a  
70.11 feasibility study regarding the development of a single, easily accessible Web site that  
70.12 complies with the requirements contained in the federal reauthorization of the federal  
70.13 Child Care Development Fund. In conducting the study, the commissioner shall review  
70.14 current child care licensing processes and regulations in order to determine methods by  
70.15 which the commissioner can streamline processes for current and prospective child care  
70.16 providers including but not limited to applications for licensure, license renewals, and  
70.17 provider record keeping. As part of this review, the commissioner must evaluate the  
70.18 feasibility of developing an online system that would allow child care providers and  
70.19 prospective child care providers to:

70.20 (1) access a guide on how to start a child care business;

70.21 (2) access all applicable statutes, administrative rules, and agency policies and  
70.22 procedures, including training requirements;

70.23 (3) access up-to-date contact information for state and county agency licensing staff;

70.24 (4) access information on the availability of grant programs and other resources  
70.25 for providers;

70.26 (5) use an online reimbursement tool for payment under the child care assistance  
70.27 programs; and

70.28 (6) submit a single electronic application and license renewal, including all  
70.29 supporting documentation required by the commissioner, information related to child  
70.30 care assistance program registration, and application for rating in the quality rating and  
70.31 improvement system.

70.32 (b) The commissioner shall submit the feasibility study to the chairs and ranking  
70.33 minority members of the house of representatives and senate committees with jurisdiction  
70.34 over child care by September 30, 2016.

71.1 **EFFECTIVE DATE.** This section is effective the day following final enactment.

71.2 Sec. 3. **[245A.055] NOTIFICATION TO PROVIDER.**

71.3 (a) When the county employee responsible for family child care and group family  
71.4 child care licensing conducts a licensing inspection or conducts a home visit, the employee  
71.5 must provide, prior to departure from the residence or facility, a written notification to  
71.6 the licensee of any potential licensing violations noted. The notification must include  
71.7 the condition that constitutes the violation, the action that must be taken to correct the  
71.8 condition, and the time allowed to correct the violation.

71.9 (b) Providing this notification to the licensee does not relieve the county employee  
71.10 from notifying the commissioner of the violation as required by statute and administrative  
71.11 rule.

71.12 Sec. 4. **[245A.23] POSITIVE SUPPORT STRATEGIES.**

71.13 (a) The commissioner of human services, in conjunction with licensed programs that  
71.14 provide group family day care and family day care under Minnesota Rules, chapter 9502,  
71.15 and child care centers licensed under Minnesota Rules, chapter 9503, must review and  
71.16 evaluate the applicability of Minnesota Rules, chapter 9544, the positive support strategies  
71.17 and restrictive interventions rules, to child care programs. The commissioner must  
71.18 consider the undue hardship, including increased cost and reduction in child care services,  
71.19 experienced by child care providers and child care centers as a result of the application  
71.20 of Minnesota Rules, chapter 9544. The commissioner must determine which rules must  
71.21 apply to each type of program, to what extent each rule must apply, and consider granting  
71.22 variances to the requirements to programs that submit a request for a variance. The  
71.23 commissioner must complete this review and evaluation process of the applicability of  
71.24 Minnesota Rules, chapter 9544, to child care programs no later than December 31, 2016.  
71.25 The commissioner must submit a written plan to modify application of rules for child care  
71.26 programs to the house of representatives and senate committees with jurisdiction over  
71.27 child care no later than January 15, 2017.

71.28 (b) Until the commissioner has completed the review and evaluation process and  
71.29 submitted a written plan to the legislature required under paragraph (a), programs licensed  
71.30 as family day care and group family day care facilities under Minnesota Rules, chapter  
71.31 9502, and programs licensed as child care centers under Minnesota Rules, chapter 9503,  
71.32 are exempt from the following rules:

71.33 (1) Minnesota Rules, part 9544.0040, functional behavior assessment, unless the  
71.34 child has a case manager under section 256B.092, subdivision 1a, paragraph (e); and

72.1 (2) Minnesota Rules, part 9544.0090, staff qualifications and training.

72.2 **EFFECTIVE DATE.** This section is effective the day following final enactment.

72.3 **Sec. 5. [245A.55] TRAINING FOR COUNTY LICENSING STAFF ON FAMILY**  
 72.4 **CHILD CARE AND GROUP FAMILY CHILD CARE REQUIREMENTS;**  
 72.5 **SUPERVISION.**

72.6 (a) Within the first two months of employment, county staff who license and inspect  
 72.7 family child care and group family child care programs must complete at least eight hours  
 72.8 of training on state statutes, administrative rules, and department policies related to the  
 72.9 licensing and regulation of family child care and group family child care programs. The  
 72.10 department must develop the training curriculum to ensure that all county staff who perform  
 72.11 licensing and inspection functions receive uniform training. This training must include:

72.12 (1) explicit instructions that county staff who license and perform inspections  
 72.13 must apply only state statutes, administrative rules, and Department of Human Services  
 72.14 policies in the performance of their duties. Training must reinforce that county staff are  
 72.15 prohibited from imposing standards or requirements that are not imposed by statute, rule,  
 72.16 or approved state policy;

72.17 (2) the rights of license holders, including their grievance and appeal rights. This  
 72.18 training must include information on the responsibility of the county staff to inform license  
 72.19 holders of their rights, including grievance and appeal rights; and

72.20 (3) the procedure for county staff to seek clarification from the Department of  
 72.21 Human Services prior to issuing a correction order or other notice of violation to a license  
 72.22 holder if there is a dispute between the license holder and the county licensor regarding  
 72.23 the applicability of a statute or rule to the alleged violation.

72.24 (b) To ensure consistency among all licensing staff, the commissioner must develop  
 72.25 a procedure by which the department will implement increased training and oversight of  
 72.26 county staff who perform licensing functions related to family child care licensing. This  
 72.27 procedure must ensure that the commissioner conducts at least biennial reviews of county  
 72.28 licensing performance.

72.29 (c) Each calendar year, county agency staff who license and regulate family child  
 72.30 care providers and group family child care providers and their supervisors must receive  
 72.31 notice from the commissioner on new laws enacted or adopted in the previous 12-month  
 72.32 period relating to family child care providers and group family child care providers. The  
 72.33 commissioner shall provide the notices each year to include information on new laws and  
 72.34 disseminate the notices to county agencies.

73.1 Sec. 6. Minnesota Statutes 2014, section 256D.051, subdivision 6b, is amended to read:

73.2 Subd. 6b. **Federal reimbursement.** (a) Federal financial participation from  
73.3 the United States Department of Agriculture for food stamp employment and training  
73.4 expenditures that are eligible for reimbursement through the food stamp employment and  
73.5 training program are dedicated funds and are annually appropriated to the commissioner  
73.6 of human services for the operation of the food stamp employment and training program.

73.7 (b) The appropriation must be used for skill attainment through employment,  
73.8 training, and support services for food stamp participants. By February 15, 2017, the  
73.9 commissioner shall report to the chairs and ranking minority members of the legislative  
73.10 committees having jurisdiction over the food stamp program on the progress of securing  
73.11 additional federal reimbursement dollars under this program.

73.12 (c) Federal financial participation for the nonstate portion of food stamp employment  
73.13 and training costs must be paid to the county agency or service provider that incurred  
73.14 the costs.

73.15 Sec. 7. Minnesota Statutes 2014, section 518.175, subdivision 5, is amended to read:

73.16 Subd. 5. **Modification of parenting plan or order for parenting time.** (a) If  
73.17 a parenting plan or an order granting parenting time cannot be used to determine the  
73.18 number of overnights or overnight equivalents the child has with each parent, the court  
73.19 shall modify the parenting plan or order granting parenting time so that the number of  
73.20 overnights or overnight equivalents the child has with each parent can be determined. For  
73.21 purposes of this section, "overnight equivalents" has the meaning provided in section  
73.22 518A.36, subdivision 1.

73.23 (b) If modification would serve the best interests of the child, the court shall modify  
73.24 the decision-making provisions of a parenting plan or an order granting or denying  
73.25 parenting time, if the modification would not change the child's primary residence.  
73.26 Consideration of a child's best interest includes a child's changing developmental needs.

73.27 ~~(b)~~ (c) Except as provided in section 631.52, the court may not restrict parenting  
73.28 time unless it finds that:

73.29 (1) parenting time is likely to endanger the child's physical or emotional health or  
73.30 impair the child's emotional development; or

73.31 (2) the parent has chronically and unreasonably failed to comply with court-ordered  
73.32 parenting time.

73.33 A modification of parenting time which increases a parent's percentage of parenting time  
73.34 to an amount that is between 45.1 to 54.9 percent parenting time is not a restriction of  
73.35 the other parent's parenting time.

74.1 (e) (d) If a parent makes specific allegations that parenting time by the other  
74.2 parent places the parent or child in danger of harm, the court shall hold a hearing at  
74.3 the earliest possible time to determine the need to modify the order granting parenting  
74.4 time. Consistent with subdivision 1a, the court may require a third party, including the  
74.5 local social services agency, to supervise the parenting time or may restrict a parent's  
74.6 parenting time if necessary to protect the other parent or child from harm. If there is an  
74.7 existing order for protection governing the parties, the court shall consider the use of an  
74.8 independent, neutral exchange location for parenting time.

74.9 **EFFECTIVE DATE.** This section is effective August 1, 2018.

74.10 Sec. 8. Minnesota Statutes 2015 Supplement, section 518A.26, subdivision 14, is  
74.11 amended to read:

74.12 Subd. 14. **Obligor.** "Obligor" means a person obligated to pay maintenance or  
74.13 support. For purposes of ordering medical support under section 518A.41, a parent who  
74.14 has primary physical custody of a child may be an obligor subject to a payment agreement  
74.15 under section 518A.69. If a parent has more than 55 percent court-ordered parenting time,  
74.16 there is a rebuttable presumption that the parent shall have a zero-dollar basic support  
74.17 obligation. A party seeking to overcome this presumption must show, and the court must  
74.18 consider, the following:

74.19 (1) a significant income disparity, which may include potential income determined  
74.20 under section 518A.32;

74.21 (2) the benefit and detriment to the child and the ability of each parent to meet  
74.22 the needs of the child; and

74.23 (3) whether the application of the presumption would have an unjust or inappropriate  
74.24 result.

74.25 The presumption of a zero-dollar basic support obligation does not eliminate that parent's  
74.26 obligation to pay child support arrears pursuant to section 518A.60.

74.27 **EFFECTIVE DATE.** This section is effective August 1, 2018.

74.28 Sec. 9. Minnesota Statutes 2014, section 518A.34, is amended to read:

74.29 **518A.34 COMPUTATION OF CHILD SUPPORT OBLIGATIONS.**

74.30 (a) To determine the presumptive child support obligation of a parent, the court shall  
74.31 follow the procedure set forth in this section.

74.32 (b) To determine the obligor's basic support obligation, the court shall:

74.33 (1) determine the gross income of each parent under section 518A.29;

75.1 (2) calculate the parental income for determining child support (PICS) of each  
75.2 parent, by subtracting from the gross income the credit, if any, for each parent's nonjoint  
75.3 children under section 518A.33;

75.4 (3) determine the percentage contribution of each parent to the combined PICS by  
75.5 dividing the combined PICS into each parent's PICS;

75.6 (4) determine the combined basic support obligation by application of the guidelines  
75.7 in section 518A.35;

75.8 (5) determine ~~the obligor's~~ each parent's share of the combined basic support  
75.9 obligation by multiplying the percentage figure from clause (3) by the combined basic  
75.10 support obligation in clause (4); and

75.11 (6) ~~determine the parenting expense adjustment, if any, as apply the parenting~~  
75.12 ~~expense adjustment formula provided in section 518A.36, and adjust the obligor's basic~~  
75.13 ~~support obligation accordingly to determine the obligor's basic support obligation. If the~~  
75.14 ~~parenting time of the parties is presumed equal, section 518A.36, subdivision 3, applies~~  
75.15 ~~to the calculation of the basic support obligation and a determination of which parent~~  
75.16 ~~is the obligor.~~

75.17 (c) If the parents have split custody of the joint children, child support shall be  
75.18 calculated for each joint child as follows:

75.19 (1) the court shall determine each parent's basic support obligation under paragraph  
75.20 (b) and shall include the amount of each parent's obligation in the court order. If the basic  
75.21 support calculation results in each parent owing support to the other, the court shall offset  
75.22 the higher basic support obligation with the lower basic support obligation to determine  
75.23 the amount to be paid by the parent with the higher obligation to the parent with the  
75.24 lower obligation. For the purpose of the cost-of-living adjustment required under section  
75.25 518A.75, the adjustment must be based on each parent's basic support obligation prior to  
75.26 offset. For the purposes of this paragraph, "split custody" means that there are two or more  
75.27 joint children and each parent has at least one joint child more than 50 percent of the time;

75.28 (2) if each parent pays all child care expenses for at least one joint child, the court  
75.29 shall calculate child care support for each joint child as provided in section 518A.40. The  
75.30 court shall determine each parent's child care support obligation and include the amount of  
75.31 each parent's obligation in the court order. If the child care support calculation results in  
75.32 each parent owing support to the other, the court shall offset the higher child care support  
75.33 obligation with the lower child care support obligation to determine the amount to be paid  
75.34 by the parent with the higher obligation to the parent with the lower obligation; and

75.35 (3) if each parent pays all medical or dental insurance expenses for at least one  
75.36 joint child, medical support shall be calculated for each joint child as provided in section

76.1 518A.41. The court shall determine each parent's medical support obligation and include  
 76.2 the amount of each parent's obligation in the court order. If the medical support calculation  
 76.3 results in each parent owing support to the other, the court shall offset the higher medical  
 76.4 support obligation with the lower medical support obligation to determine the amount to  
 76.5 be paid by the parent with the higher obligation to the parent with the lower obligation.  
 76.6 Unreimbursed and uninsured medical expenses are not included in the presumptive amount  
 76.7 of support owed by a parent and are calculated and collected as provided in section 518A.41.

76.8 (d) The court shall determine the child care support obligation for the obligor  
 76.9 as provided in section 518A.40.

76.10 ~~(d)~~ (e) The court shall determine the medical support obligation for each parent as  
 76.11 provided in section 518A.41. Unreimbursed and uninsured medical expenses are not  
 76.12 included in the presumptive amount of support owed by a parent and are calculated and  
 76.13 collected as described in section 518A.41.

76.14 ~~(e)~~ (f) The court shall determine each parent's total child support obligation by  
 76.15 adding together each parent's basic support, child care support, and health care coverage  
 76.16 obligations as provided in this section.

76.17 ~~(f)~~ (g) If Social Security benefits or veterans' benefits are received by one parent as a  
 76.18 representative payee for a joint child based on the other parent's eligibility, the court shall  
 76.19 subtract the amount of benefits from the other parent's net child support obligation, if any.

76.20 ~~(g)~~ (h) The final child support order shall separately designate the amount owed for  
 76.21 basic support, child care support, and medical support. If applicable, the court shall use  
 76.22 the self-support adjustment and minimum support adjustment under section 518A.42 to  
 76.23 determine the obligor's child support obligation.

76.24 **EFFECTIVE DATE.** This section is effective August 1, 2018.

76.25 Sec. 10. Minnesota Statutes 2014, section 518A.36, is amended to read:

76.26 **518A.36 PARENTING EXPENSE ADJUSTMENT.**

76.27 Subdivision 1. **General.** (a) The parenting expense adjustment under this section  
 76.28 reflects the presumption that while exercising parenting time, a parent is responsible  
 76.29 for and incurs costs of caring for the child, including, but not limited to, food, clothing,  
 76.30 transportation, recreation, and household expenses. Every child support order shall specify  
 76.31 the percentage of parenting time granted to or presumed for each parent. For purposes  
 76.32 of this section, the percentage of parenting time means the percentage of time a child is  
 76.33 scheduled to spend with the parent during a calendar year according to a court order  
 76.34 averaged over a two-year period. Parenting time includes time with the child whether it is

77.1 designated as visitation, physical custody, or parenting time. The percentage of parenting  
 77.2 time may be determined by calculating the number of overnights or overnight equivalents  
 77.3 that a ~~child~~ parent spends with a ~~parent, or child~~ pursuant to a court order. For purposes of  
 77.4 this section, overnight equivalents are calculated by using a method other than overnights  
 77.5 if the parent has significant time periods on separate days where the child is in the parent's  
 77.6 physical custody and under the direct care of the parent but does not stay overnight. The  
 77.7 court may consider the age of the child in determining whether a child is with a parent  
 77.8 for a significant period of time.

77.9 (b) If there is not a court order awarding parenting time, the court shall determine  
 77.10 the child support award without consideration of the parenting expense adjustment. If a  
 77.11 parenting time order is subsequently issued or is issued in the same proceeding, then the  
 77.12 child support order shall include application of the parenting expense adjustment.

77.13 **Subd. 2. Calculation of parenting expense adjustment.** ~~The obligor is entitled to~~  
 77.14 ~~a parenting expense adjustment calculated as provided in this subdivision. The court shall:~~

77.15 ~~(1) find the adjustment percentage corresponding to the percentage of parenting~~  
 77.16 ~~time allowed to the obligor below:~~

	<del>Percentage Range of Parenting Time</del>	<del>Adjustment Percentage</del>
77.17		
77.18		
77.19	(i) <del>less than 10 percent</del>	<del>no adjustment</del>
77.20	(ii) <del>10 percent to 45 percent</del>	<del>12 percent</del>
77.21	(iii) <del>45.1 percent to 50 percent</del>	<del>presume parenting time is equal</del>

77.22 ~~(2) multiply the adjustment percentage by the obligor's basic child support obligation~~  
 77.23 ~~to arrive at the parenting expense adjustment; and~~

77.24 ~~(3) subtract the parenting expense adjustment from the obligor's basic child support~~  
 77.25 ~~obligation. The result is the obligor's basic support obligation after parenting expense~~  
 77.26 ~~adjustment.~~

77.27 (a) For the purposes of this section, the following terms have the meanings given:

77.28 (1) "parent A" means the parent with whom the child or children will spend the least  
 77.29 number of overnights under the court order; and

77.30 (2) "parent B" means the parent with whom the child or children will spend the  
 77.31 greatest number of overnights under the court order.

77.32 (b) The court shall apply the following formula to determine which parent is the  
 77.33 obligor and calculate the basic support obligation:

77.34 (1) raise to the power of three the approximate number of annual overnights the child  
 77.35 or children will likely spend with parent A;

77.36 (2) raise to the power of three the approximate number of annual overnights the child  
 77.37 or children will likely spend with parent B;

78.1 (3) multiply the result of clause (1) times parent B's share of the combined basic  
 78.2 support obligation as determined in section 518A.34, paragraph (b), clause (5);

78.3 (4) multiply the result of clause (2) times parent A's share of the combined basic  
 78.4 support obligation as determined in section 518A.34, paragraph (b), clause (5);

78.5 (5) subtract the result of clause (4) from the result of clause (3); and

78.6 (6) divide the result of clause (5) by the sum of clauses (1) and (2).

78.7 (c) If the result is a negative number, parent A is the obligor, the negative number  
 78.8 becomes its positive equivalent, and the result is the basic support obligation. If the result  
 78.9 is a positive number, parent B is the obligor and the result is the basic support obligation.

78.10 **Subd. 3. Calculation of basic support when parenting time presumed is equal.**

78.11 **(a)** If the parenting time is equal and the parental incomes for determining child support of  
 78.12 the parents also are equal, no basic support shall be paid unless the court determines that  
 78.13 the expenses for the child are not equally shared.

78.14 ~~(b) If the parenting time is equal but the parents' parental incomes for determining~~  
 78.15 ~~child support are not equal, the parent having the greater parental income for determining~~  
 78.16 ~~child support shall be obligated for basic child support, calculated as follows:~~

78.17 ~~(1) multiply the combined basic support calculated under section 518A.34 by 0.75;~~

78.18 ~~(2) prorate the amount under clause (1) between the parents based on each parent's~~  
 78.19 ~~proportionate share of the combined PICS; and~~

78.20 ~~(3) subtract the lower amount from the higher amount.~~

78.21 ~~The resulting figure is the obligation after parenting expense adjustment for the~~  
 78.22 ~~parent with the greater parental income for determining child support.~~

78.23 **EFFECTIVE DATE.** This section is effective August 1, 2018.

78.24 Sec. 11. Minnesota Statutes 2015 Supplement, section 518A.39, subdivision 2, is  
 78.25 amended to read:

78.26 **Subd. 2. Modification.** (a) The terms of an order respecting maintenance or support  
 78.27 may be modified upon a showing of one or more of the following, any of which makes  
 78.28 the terms unreasonable and unfair: (1) substantially increased or decreased gross income  
 78.29 of an obligor or obligee; (2) substantially increased or decreased need of an obligor or  
 78.30 obligee or the child or children that are the subject of these proceedings; (3) receipt of  
 78.31 assistance under the AFDC program formerly codified under sections 256.72 to 256.87  
 78.32 or 256B.01 to 256B.40, or chapter 256J or 256K; (4) a change in the cost of living for  
 78.33 either party as measured by the Federal Bureau of Labor Statistics; (5) extraordinary  
 78.34 medical expenses of the child not provided for under section 518A.41; (6) a change in  
 78.35 the availability of appropriate health care coverage or a substantial increase or decrease

79.1 in health care coverage costs; (7) the addition of work-related or education-related child  
79.2 care expenses of the obligee or a substantial increase or decrease in existing work-related  
79.3 or education-related child care expenses; or (8) upon the emancipation of the child, as  
79.4 provided in subdivision 5.

79.5 (b) It is presumed that there has been a substantial change in circumstances under  
79.6 paragraph (a) and the terms of a current support order shall be rebuttably presumed to be  
79.7 unreasonable and unfair if:

79.8 (1) the application of the child support guidelines in section 518A.35, to the current  
79.9 circumstances of the parties results in a calculated court order that is at least 20 percent  
79.10 and at least \$75 per month higher or lower than the current support order or, if the current  
79.11 support order is less than \$75, it results in a calculated court order that is at least 20  
79.12 percent per month higher or lower;

79.13 (2) the medical support provisions of the order established under section 518A.41  
79.14 are not enforceable by the public authority or the obligee;

79.15 (3) health coverage ordered under section 518A.41 is not available to the child for  
79.16 whom the order is established by the parent ordered to provide;

79.17 (4) the existing support obligation is in the form of a statement of percentage and not  
79.18 a specific dollar amount;

79.19 (5) the gross income of an obligor or obligee has decreased by at least 20 percent  
79.20 through no fault or choice of the party; or

79.21 (6) a deviation was granted based on the factor in section 518A.43, subdivision 1,  
79.22 clause (4), and the child no longer resides in a foreign country or the factor is otherwise no  
79.23 longer applicable.

79.24 (c) A child support order is not presumptively modifiable solely because an obligor  
79.25 or obligee becomes responsible for the support of an additional nonjoint child, which is  
79.26 born after an existing order. Section 518A.33 shall be considered if other grounds are  
79.27 alleged which allow a modification of support.

79.28 (d) If child support was established by applying a parenting expense adjustment  
79.29 or presumed equal parenting time calculation under previously existing child support  
79.30 guidelines and there is no parenting plan or order from which overnights or overnight  
79.31 equivalents can be determined, there is a rebuttable presumption that the established  
79.32 adjustment or calculation shall continue after modification so long as the modification is  
79.33 not based on a change in parenting time. In determining an obligation under previously  
79.34 existing child support guidelines, it is presumed that the court shall:

80.1 (1) if a 12 percent parenting expense adjustment was applied, multiply the obligor's  
80.2 share of the combined basic support obligation calculated under section 518A.34,  
80.3 paragraph (b), clause (5), by 0.88; or

80.4 (2) if the parenting time was presumed equal but the parents' parental incomes for  
80.5 determining child support were not equal:

80.6 (i) multiply the combined basic support obligation under section 518A.34, paragraph  
80.7 (b), clause (5), by 0.075;

80.8 (ii) prorate the amount under item (i) between the parents based on each parent's  
80.9 proportionate share of the combined PICS; and

80.10 (iii) subtract the lower amount from the higher amount.

80.11 (e) On a motion for modification of maintenance, including a motion for the  
80.12 extension of the duration of a maintenance award, the court shall apply, in addition to all  
80.13 other relevant factors, the factors for an award of maintenance under section 518.552 that  
80.14 exist at the time of the motion. On a motion for modification of support, the court:

80.15 (1) shall apply section 518A.35, and shall not consider the financial circumstances of  
80.16 each party's spouse, if any; and

80.17 (2) shall not consider compensation received by a party for employment in excess of  
80.18 a 40-hour work week, provided that the party demonstrates, and the court finds, that:

80.19 (i) the excess employment began after entry of the existing support order;

80.20 (ii) the excess employment is voluntary and not a condition of employment;

80.21 (iii) the excess employment is in the nature of additional, part-time employment, or  
80.22 overtime employment compensable by the hour or fractions of an hour;

80.23 (iv) the party's compensation structure has not been changed for the purpose of  
80.24 affecting a support or maintenance obligation;

80.25 (v) in the case of an obligor, current child support payments are at least equal to the  
80.26 guidelines amount based on income not excluded under this clause; and

80.27 (vi) in the case of an obligor who is in arrears in child support payments to the  
80.28 obligee, any net income from excess employment must be used to pay the arrearages  
80.29 until the arrearages are paid in full.

80.30 (~~e~~) (f) A modification of support or maintenance, including interest that accrued  
80.31 pursuant to section 548.091, may be made retroactive only with respect to any period  
80.32 during which the petitioning party has pending a motion for modification but only from  
80.33 the date of service of notice of the motion on the responding party and on the public  
80.34 authority if public assistance is being furnished or the county attorney is the attorney of  
80.35 record, unless the court adopts an alternative effective date under paragraph (l). The

81.1 court's adoption of an alternative effective date under paragraph (l) shall not be considered  
81.2 a retroactive modification of maintenance or support.

81.3 ~~(f)~~ (g) Except for an award of the right of occupancy of the homestead, provided  
81.4 in section 518.63, all divisions of real and personal property provided by section 518.58  
81.5 shall be final, and may be revoked or modified only where the court finds the existence  
81.6 of conditions that justify reopening a judgment under the laws of this state, including  
81.7 motions under section 518.145, subdivision 2. The court may impose a lien or charge on  
81.8 the divided property at any time while the property, or subsequently acquired property, is  
81.9 owned by the parties or either of them, for the payment of maintenance or support money,  
81.10 or may sequester the property as is provided by section 518A.71.

81.11 ~~(g)~~ (h) The court need not hold an evidentiary hearing on a motion for modification  
81.12 of maintenance or support.

81.13 ~~(h)~~ (i) Sections 518.14 and 518A.735 shall govern the award of attorney fees for  
81.14 motions brought under this subdivision.

81.15 ~~(i)~~ (j) Except as expressly provided, an enactment, amendment, or repeal of law does  
81.16 not constitute a substantial change in the circumstances for purposes of modifying a  
81.17 child support order.

81.18 ~~(j)~~ MS 2006 [Expired]

81.19 ~~(k)~~ On the first modification ~~under the income shares method of calculation~~  
81.20 following implementation of amended child support guidelines, the modification of basic  
81.21 support may be limited if the amount of the full variance would create hardship for either  
81.22 the obligor or the obligee.

81.23 (l) The court may select an alternative effective date for a maintenance or support  
81.24 order if the parties enter into a binding agreement for an alternative effective date.

81.25 **EFFECTIVE DATE.** This section is effective August 1, 2018.

84.8 from the multidisciplinary child protection team regarding a child or family for whom the  
84.9 community-based agency is providing services. As used in this section, "case consultation"

84.31 the department to serve as a child care provider liaison and advocate. The child care  
84.32 provider liaison and advocate must be responsive to requests from providers by providing

85.1 information or assistance in obtaining or renewing licenses, meeting state regulatory  
85.2 requirements, or resolving disputes with state agencies or other political subdivisions.

85.3 **EFFECTIVE DATE.** This section is effective the day following final enactment.

85.4 Sec. 17. **LEGISLATIVE TASK FORCE ON CHILD CARE.**

85.5 Subdivision 1. **Creation.** A legislative task force on child care is created to review  
85.6 the loss of child care providers in the state, assess affordability issues for providers and  
85.7 parents, and identify areas that need to be addressed by the legislature.

85.8 Subd. 2. **Membership.** Task force members shall include:

85.9 (1) four members from the house of representatives appointed by the speaker of the  
85.10 house, two from the majority party and two from the minority party; and

85.11 (2) four members from the senate appointed by the majority leader, two from the  
85.12 majority party and two from the minority party.

85.13 Subd. 3. **Duties.** (a) The task force may:

85.14 (1) evaluate factors that contribute to child care costs for providers and families;

85.15 (2) assess the child care provider shortage in greater Minnesota;

85.16 (3) review the current preservice and in-service training requirements for family  
85.17 child care providers and child care center staff. The review shall include training required  
85.18 for licensure, including staff credentialing for child care center staff positions and the ways  
85.19 in which the training aligns with Minnesota's Career Lattice and Minnesota's Knowledge  
85.20 and Competency Framework for Early Childhood and School-Aged Care Practitioners;

85.21 (4) review the availability of training that is in place to meet the training needs of  
85.22 providers, including the content of the training, cost, and delivery methods;

85.23 (5) consider creation of a board of child care to be responsible for all matters related  
85.24 to licensing of child care providers, both in-home and center-based programs, and to  
85.25 employ an advocate for child care providers;

85.26 (6) review the process of issuing and resolving correction orders issued to child  
85.27 care providers;

 100.27 protect the public; or

100.28 (4) is charged with or under investigation for a complaint in this state or any state  
 100.29 that would constitute a violation of statutes or rules established for the practice of massage

101.26 requirements in this section have been met, and applicable fees have been paid. The  
101.27 temporary permit remains valid until the board takes action on the applicant's application.

101.28 **EFFECTIVE DATE.** This section is effective August 1, 2016.

101.29 Sec. 18. **[148.9871] EXPIRATION AND RENEWAL.**

101.30 Subdivision 1. **Registration expiration.** Registrations issued according to this  
101.31 chapter expire annually.

101.32 Subd. 2. **Renewal.** To be eligible for registration renewal, a registrant must  
101.33 annually, or as determined by the board:

101.34 (1) complete a renewal application on a form provided by the board;

101.35 (2) submit applicable fees; and

102.1 (3) submit any additional information requested by the board to clarify information  
102.2 presented in the renewal application. The information must be submitted within 30 days  
102.3 after the board's request, or the renewal request is canceled.

102.4 Subd. 3. **Change of address.** A registrant who changes addresses must inform  
102.5 the board within 30 days, in writing, of the change of address. Notices or other  
102.6 correspondence mailed to or served on a registrant at the registrant's current address on  
102.7 file shall be considered as having been received by the registrant.

102.8 Subd. 4. **Registration renewal notice.** At least 60 days before the registration  
102.9 renewal date, the board shall send out a renewal notice to the last known address of the  
102.10 registrant on file. The notice must include a renewal application and a notice of fees  
102.11 required for renewal. It must also inform the registrant that registration will expire without  
102.12 further action by the board if an application for registration renewal is not received before  
102.13 the deadline for renewal. The registrant's failure to receive this notice shall not relieve the  
102.14 registrant of the obligation to meet the deadline and other requirements for registration  
102.15 renewal. Failure to receive this notice is not grounds for challenging expiration of  
102.16 registered status.

102.17 Subd. 5. **Renewal deadline.** The renewal application and fee must be postmarked  
102.18 on or before October 1 of the year of renewal or as determined by the board. If the  
102.19 postmark is illegible, the application shall be considered timely if received by the third  
102.20 working day after the deadline.

102.21 Subd. 6. **Inactive status and return to active status.** (a) A registration may be  
102.22 placed in inactive status upon application to the board by the registrant and upon payment  
102.23 of an inactive status fee.

102.24 (b) A registrant seeking restoration to active status from inactive status must pay  
102.25 the current renewal fees and all unpaid back inactive fees. The registrant must meet  
102.26 the criteria for renewal under subdivision 7 prior to submitting an application to regain  
102.27 registered status. If the registrant has been in inactive status for more than five years, a  
102.28 qualifying score on a competency exam is required.

102.29 Subd. 7. **Registration following lapse of registration status for two years or less.**  
102.30 In order for an individual whose registration status has lapsed for two years or less, to  
102.31 regain registration status, the individual must:

102.32 (1) apply for registration renewal according to subdivision 2; and

102.33 (2) submit applicable fees for the period not registered, including the fee for late  
102.34 renewal.

102.35 Subd. 8. **Cancellation due to nonrenewal.** The board shall not renew, reissue,  
102.36 reinstate, or restore a registration that has lapsed and has not been renewed within two

103.1 years. A registrant whose registration is canceled for nonrenewal must obtain a new  
103.2 registration by applying for initial registration and fulfilling all requirements then in  
103.3 existence for initial registration as a massage and bodywork therapist.

103.4 Subd. 9. **Cancellation of registration in good standing.** (a) A registrant holding  
103.5 active registration as a massage and bodywork therapist in this state may, upon approval  
103.6 of the board, be granted registration cancellation if the board is not investigating the  
103.7 person as a result of a complaint or information received or if the board has not begun  
103.8 disciplinary proceedings against the registrant. Such action by the board shall be reported  
103.9 as a cancellation of registration in good standing.

103.10 (b) A registrant who receives board approval for registration cancellation is not  
103.11 entitled to a refund of any registration fees paid for the registration period in which  
103.12 cancellation of the registration occurred.

103.13 (c) To obtain registration after cancellation, an applicant must obtain a new  
103.14 registration by applying for initial registration and fulfilling the requirements then in  
103.15 existence for obtaining initial registration according to sections 148.981 to 148.9886.

103.16 **EFFECTIVE DATE.** This section is effective August 1, 2016.

103.17 Sec. 19. **[148.9881] BOARD ACTION ON APPLICATIONS.**

103.18 (a) The board shall act on each application for registration or renewal according  
103.19 to paragraphs (b) and (d).

103.20 (b) The board or advisory council shall determine if the applicant meets the  
103.21 requirements for registration or renewal under section 148.987 or 148.9871. The board  
103.22 or advisory council may investigate information provided by an applicant to determine  
103.23 whether the information is accurate and complete, and may request additional information  
103.24 or documentation.

103.25 (c) The board shall notify each applicant, in writing, of action taken on the  
103.26 application, the grounds for denying registration if registration is denied, and the  
103.27 applicant's right to review under paragraph (d).

103.28 (d) An applicant denied registration may make a written request to the board, within  
103.29 30 days of the board's notice, to appear before the advisory council and for the advisory  
103.30 council to review the board's decision to deny the applicant's registration. After reviewing  
103.31 the denial, the advisory council shall make a recommendation to the board as to whether  
103.32 the denial shall be affirmed. Each applicant is allowed only one request for review per  
103.33 registration period.

103.34 **EFFECTIVE DATE.** This section is effective August 1, 2016.

104.1 Sec. 20. [148.9882] GROUNDS FOR DISCIPLINARY ACTION.

104.2 Subdivision 1. Grounds listed. (a) The board may deny, revoke, suspend, limit, or  
104.3 condition the registration of a registrant or registered massage and bodywork therapist, or  
104.4 may otherwise discipline a registrant. The fact that massage and bodywork therapy may  
104.5 be considered a less customary approach to health care shall not constitute the basis for  
104.6 disciplinary action per se.

104.7 (b) The following are grounds for disciplinary action, regardless of whether injury  
104.8 to a client is established:

104.9 (1) failing to demonstrate the qualifications or to satisfy the requirements for  
104.10 registration contained in sections 148.981 to 148.9886, or rules of the board. In the case of  
104.11 an applicant, the burden of proof is on the applicant to demonstrate the qualifications or  
104.12 satisfy the requirements;

104.13 (2) advertising in a false, fraudulent, deceptive, or misleading manner, including,  
104.14 but not limited to:

104.15 (i) advertising or holding oneself out as a "registered massage and bodywork  
104.16 therapist" or any abbreviation or derivative thereof to indicate such a title, when such  
104.17 registration is not valid or current for any reason;

104.18 (ii) advertising or holding oneself out as a "licensed massage and bodywork  
104.19 therapist" or any abbreviation or derivative thereof to indicate such a title, unless the  
104.20 registrant currently holds a valid state license in another state and provided that the state  
104.21 is clearly identified;

104.22 (iii) advertising a service, the provision of which would constitute a violation of this  
104.23 chapter or rules established by the board; and

104.24 (iv) using fraud, deceit, or misrepresentation when communicating with the general  
104.25 public, health care providers, or other business professionals;

104.26 (3) falsifying information in a massage and bodywork therapy registration or renewal  
104.27 application or attempting to obtain registration, registration renewal, or reinstatement by  
104.28 fraud, deception, or misrepresentation, or aiding and abetting any of these acts;

104.29 (4) engaging in conduct with a client that is sexual or may reasonably be interpreted  
104.30 by the client as sexual, or in any verbal behavior that is seductive or sexually demeaning  
104.31 to a client, or engaging in sexual exploitation of a client, without regard to who initiates  
104.32 such behaviors;

104.33 (5) committing an act of gross malpractice, negligence, or incompetency, or failing  
104.34 to practice massage and bodywork therapy with the level of care, skill, and treatment  
104.35 that is recognized by a reasonably prudent massage and bodywork therapist as being  
104.36 acceptable under similar conditions and circumstances;

105.1 (6) having an actual or potential inability to practice massage and bodywork therapy

127.1 Sec. 47. **[153B.55] INACTIVE STATUS.**

127.2 (a) A licensee who notifies the board in the format required by the board may elect

127.23 testing standards equal to or higher than the licensing requirements in Minnesota.

127.24 **EFFECTIVE DATE.** This section is effective July 1, 2016.

127.25 Sec. 50. **[153B.70] GROUNDS FOR DISCIPLINARY ACTION.**

127.26 (a) The board may refuse to issue or renew a license, revoke or suspend a license, or  
127.27 place on probation or reprimand a licensee for one or any combination of the following:

127.28 (1) making a material misstatement in furnishing information to the board;

127.29 (2) violating or intentionally disregarding the requirements of this chapter;

127.30 (3) conviction of a crime, including a finding or verdict of guilt, an admission of  
127.31 guilt, or a no-contest plea, in this state or elsewhere, reasonably related to the practice  
127.32 of the profession. Conviction, as used in this clause, includes a conviction of an offense

128.1 which, if committed in this state, would be deemed a felony, gross misdemeanor, or  
128.2 misdemeanor, without regard to its designation elsewhere, or a criminal proceeding where  
128.3 a finding or verdict of guilty is made or returned but the adjudication of guilt is either  
128.4 withheld or not entered;

128.5 (4) making a misrepresentation in order to obtain or renew a license;  
128.6 (5) displaying a pattern of practice or other behavior that demonstrates incapacity or  
128.7 incompetence to practice;

128.8 (6) aiding or assisting another person in violating the provisions of this chapter;  
128.9 (7) failing to provide information within 60 days in response to a written request from  
128.10 the board, including documentation of completion of continuing education requirements;

128.11 (8) engaging in dishonorable, unethical, or unprofessional conduct;  
128.12 (9) engaging in conduct of a character likely to deceive, defraud, or harm the public;  
128.13 (10) inability to practice due to habitual intoxication, addiction to drugs, or mental  
128.14 or physical illness;

128.15 (11) being disciplined by another state or territory of the United States, the federal  
128.16 government, a national certification organization, or foreign nation, if at least one of the  
128.17 grounds for the discipline is the same or substantially equivalent to one of the grounds  
128.18 in this section;

128.19 (12) directly or indirectly giving to or receiving from a person, firm, corporation,  
128.20 partnership, or association a fee, commission, rebate, or other form of compensation for  
128.21 professional services not actually or personally rendered;

128.22 (13) incurring a finding by the board that the licensee, after the licensee has been  
128.23 placed on probationary status, has violated the conditions of the probation;

128.24 (14) abandoning a patient or client;  
128.25 (15) willfully making or filing false records or reports in the course of the licensee's  
128.26 practice including, but not limited to, false records or reports filed with state or federal  
128.27 agencies;

128.28 (16) willfully failing to report child maltreatment as required under the Maltreatment  
128.29 of Minors Act, section 626.556; or

128.30 (17) soliciting professional services using false or misleading advertising.

128.31 (b) A license to practice is automatically suspended if (1) a guardian of a licensee is  
128.32 appointed by order of a court pursuant to sections 524.5-101 to 524.5-502, for reasons  
128.33 other than the minority of the licensee, or (2) the licensee is committed by order of a court  
128.34 pursuant to chapter 253B. The license remains suspended until the licensee is restored to  
128.35 capacity by a court and, upon petition by the licensee, the suspension is terminated by the  
128.36 board after a hearing. The licensee may be reinstated to practice, either with or without

129.1 restrictions, by demonstrating clear and convincing evidence of rehabilitation. The  
129.2 regulated person is not required to prove rehabilitation if the subsequent court decision  
129.3 overturns previous court findings of public risk.

129.4 (c) If the board has probable cause to believe that a licensee or applicant has violated  
129.5 paragraph (a), clause (10), it may direct the person to submit to a mental or physical  
129.6 examination. For the purpose of this section, every person is deemed to have consented to  
129.7 submit to a mental or physical examination when directed in writing by the board and to  
129.8 have waived all objections to the admissibility of the examining physician's testimony or  
129.9 examination report on the grounds that the testimony or report constitutes a privileged  
129.10 communication. Failure of a regulated person to submit to an examination when directed  
129.11 constitutes an admission of the allegations against the person, unless the failure was due to  
129.12 circumstances beyond the person's control, in which case a default and final order may be  
129.13 entered without the taking of testimony or presentation of evidence. A regulated person  
129.14 affected under this paragraph shall at reasonable intervals be given an opportunity to  
129.15 demonstrate that the person can resume the competent practice of the regulated profession  
129.16 with reasonable skill and safety to the public. In any proceeding under this paragraph,  
129.17 neither the record of proceedings nor the orders entered by the board shall be used against  
129.18 a regulated person in any other proceeding.

129.19 (d) In addition to ordering a physical or mental examination, the board may,  
129.20 notwithstanding section 13.384 or 144.293, or any other law limiting access to medical or  
129.21 other health data, obtain medical data and health records relating to a licensee or applicant  
129.22 without the person's or applicant's consent if the board has probable cause to believe that a  
129.23 licensee is subject to paragraph (a), clause (10). The medical data may be requested  
129.24 from a provider as defined in section 144.291, subdivision 2, paragraph (i), an insurance  
129.25 company, or a government agency, including the Department of Human Services. A  
129.26 provider, insurance company, or government agency shall comply with any written request  
129.27 of the board under this subdivision and is not liable in any action for damages for releasing  
129.28 the data requested by the board if the data are released pursuant to a written request under  
129.29 this subdivision, unless the information is false and the provider giving the information  
129.30 knew, or had reason to know, the information was false. Information obtained under this  
129.31 subdivision is private data on individuals as defined in section 13.02.

129.32 (e) If the board issues an order of immediate suspension of a license, a hearing must  
129.33 be held within 30 days of the suspension and completed without delay.

129.34 **EFFECTIVE DATE.** This section is effective July 1, 2016.

130.10 a licensed orthotist, prosthetist, prosthetist orthotist, pedorthist, orthotic or prosthetic  
130.11 assistant, or an orthotic fitter, unless the individual is licensed under this chapter.

130.12 Subd. 3. **Penalties.** Any individual who violates this section is guilty of a  
130.13 misdemeanor. The board shall have the authority to seek a cease and desist order against  
130.14 any individual who is engaged in the unlicensed practice of a profession regulated by the  
130.15 board under this chapter.

130.25 ratio of the number of days the license is held in the initial licensure period to 730 days.

130.26 (e) The fee for license restoration shall not exceed \$600.

130.27 (f) The fee for late license renewal is the license renewal fee in effect at the time of

(c) The board shall establish policies and procedures to gather public comment and provide public notice in the State Register.

(d) Within 180 days of enactment, the board shall establish bylaws, policies, and procedures governing the operations of MNSure in accordance with this chapter.

Subd. 2. **Operations funding.** (a) Prior to January 1, 2015, MNSure shall retain or collect up to 1.5 percent of total premiums for individual and small group market health plans and dental plans sold through MNSure to fund the cash reserves of MNSure, but the amount collected shall not exceed a dollar amount equal to 25 percent of the funds collected under section 62E.11, subdivision 6, for calendar year 2012.

(b) Beginning January 1, 2015, MNSure shall retain or collect up to 3.5 percent of total premiums for individual and small group market health plans and dental plans sold through MNSure to fund the operations of MNSure, but the amount collected shall not exceed a dollar amount equal to 50 percent of the funds collected under section 62E.11, subdivision 6, for calendar year 2012.

(c) Beginning January 1, 2016, MNSure shall retain or collect up to 3.5 percent of total premiums for individual and small group market health plans and dental plans sold through MNSure to fund the operations of MNSure, but the amount collected may never exceed a dollar amount greater than 100 percent of the funds collected under section 62E.11, subdivision 6, for calendar year 2012.

(d) For fiscal years 2014 and 2015, the commissioner of management and budget is authorized to provide cash flow assistance of up to \$20,000,000 from the special revenue fund or the statutory general fund under section 16A.671, subdivision 3, paragraph (a), to MNSure. Any funds provided under this paragraph shall be repaid, with interest, by June 30, 2015.

(e) Funding for the operations of MNSure shall cover any compensation provided to navigators participating in the navigator program.

Subd. 3. **Insurance producers.** (a) By April 30, 2013, the board, in consultation with the commissioner of commerce, shall establish certification requirements that must be met by insurance producers in order to assist individuals and small employers with purchasing coverage through MNSure. Prior to January 1, 2015, the board may amend the requirements, only if necessary, due to a change in federal rules.

subdivision shall qualify for continuing education requirements for insurance producers required under chapter 60K, and must comply with course approval requirements under chapter 45.

(c) Producer compensation shall be established by health carriers that provide health plans through MNsure. The structure of compensation to insurance producers must be similar for health plans sold through MNsure and outside MNsure.

(d) Any insurance producer compensation structure established by a health carrier for the small group market must include compensation for defined contribution plans that involve multiple health carriers. The compensation offered must be commensurate with other small group market defined health plans.

(e) Any insurance producer assisting an individual or small employer with purchasing coverage through MNsure must disclose, orally and in writing, to the individual or small employer at the time of the first solicitation with the prospective purchaser the following:

(1) the health carriers and qualified health plans offered through MNsure that the producer is authorized to sell, and that the producer may not be authorized to sell all the qualified health plans offered through MNsure;

(2) that the producer may be receiving compensation from a health carrier for enrolling the individual or small employer into a particular health plan; and

(3) that information on all qualified health plans offered through MNsure is available through the MNsure Web site.

For purposes of this paragraph, "solicitation" means any contact by a producer, or any person acting on behalf of a producer made for the purpose of selling or attempting to sell coverage through MNsure. If the first solicitation is made by telephone, the disclosures required under this paragraph need not be made in writing, but the fact that disclosure has been made must be acknowledged on the application.

(f) Beginning January 15, 2015, each health carrier that offers or sells qualified health plans through MNsure shall report in writing to the board and the commissioner of commerce the compensation and other incentives it offers or provides to insurance producers with regard to each type of health plan the health carrier offers or sells both inside and outside of MNsure. Each health carrier shall submit a report annually and upon any change to the compensation or other incentives offered or provided to insurance producers.

(g) Nothing in this chapter shall prohibit an insurance producer from offering professional advice and recommendations to a small group purchaser based upon information provided to the producer.

(h) An insurance producer that offers health plans in the small group market shall notify each small group purchaser of which group health plans qualify for Internal Revenue Service approved section 125 tax benefits. The insurance producer shall also notify small group purchasers of state law provisions that benefit small group plans when the employer agrees to pay 50 percent or more of its employees' premium. Individuals who are eligible for cost-effective medical assistance will count toward the 75 percent participation requirement in section 62L.03, subdivision 3.

(i) Nothing in this subdivision shall be construed to limit the licensure requirements or regulatory functions of the commissioner of commerce under chapter 60K.

**Subd. 4. Navigator; in-person assisters; call center.** (a) The board shall establish policies and procedures for the ongoing operation of a navigator program, in-person assister program, call center, and customer service provisions for MNsure to be implemented beginning January 1, 2015.

(b) Until the implementation of the policies and procedures described in paragraph (a), the following shall be in effect:

(1) the navigator program shall be met by section 256.962;

(2) entities eligible to be navigators, including entities defined in Code of Federal Regulations, title 45, part 155.210 (c)(2), may serve as in-person assisters;

(3) the board shall establish requirements and compensation for the navigator program and the in-person assister program by April 30, 2013. Compensation for navigators and in-person assisters must take into account any other compensation received by the navigator or in-person assister for conducting the same or similar services; and

(4) call center operations shall utilize existing state resources and personnel, including referrals to counties for medical assistance.

(c) The board shall establish a toll-free number for MNsure and may hire and contract for additional resources as deemed necessary.

(d) The navigator program and in-person assister program must meet the requirements of section 1311(i) of the Affordable Care Act, Public Law 111-148. In establishing training standards for the navigators and in-person assisters, the board must ensure that all entities and individuals carrying out navigator and in-person assister functions have training in the needs of underserved

and vulnerable populations; eligibility and enrollment rules and procedures; the range of available public health care programs and qualified health plan options offered through MNsure; and privacy and security standards. For calendar year 2014, the commissioner of human services shall ensure that the navigator program under section 256.962 provides application assistance for both qualified health plans offered through MNsure and public health care programs.

(e) The board must ensure that any information provided by navigators, in-person assisters, the call center, or other customer assistance portals be accessible to persons with disabilities and that information provided on public health care programs include information on other coverage options available to persons with disabilities.

Subd. 5. **Health carrier and health plan requirements; participation.** (a) Beginning January 1, 2015, the board may establish certification requirements for health carriers and health plans to be offered through MNsure that satisfy federal requirements under section 1311(c)(1) of the Affordable Care Act, Public Law 111-148.

(b) Paragraph (a) does not apply if by June 1, 2013, the legislature enacts regulatory requirements that:

- (1) apply uniformly to all health carriers and health plans in the individual market;
- (2) apply uniformly to all health carriers and health plans in the small group market; and
- (3) satisfy minimum federal certification requirements under section 1311(c)(1) of the

Affordable Care Act, Public Law 111-148.

(c) In accordance with section 1311(e) of the Affordable Care Act, Public Law 111-148, the board shall establish policies and procedures for certification and selection of health plans to be offered as qualified health plans through MNsure. The board shall certify and select a health plan as a qualified health plan to be offered through MNsure, if:

(1) the health plan meets the minimum certification requirements established in paragraph (a) or the market regulatory requirements in paragraph (b);

(2) the board determines that making the health plan available through MNsure is in the interest of qualified individuals and qualified employers;

(3) the health carrier applying to offer the health plan through MNsure also applies to offer health plans at each actuarial value level and service area that the health carrier currently offers in the individual and small group markets; and

(4) the health carrier does not apply to offer health plans in the individual and small group markets through MNsure under a separate license of a parent organization or holding company under section 60D.15, that is different from what the health carrier offers in the individual and small group markets outside MNsure.

(d) In determining the interests of qualified individuals and employers under paragraph (c), clause (2), the board may not exclude a health plan for any reason specified under section 1311(e)(1)(B) of the Affordable Care Act, Public Law 111-148. The board may consider:

(1) affordability;

(2) quality and value of health plans;

(3) promotion of prevention and wellness;

(4) promotion of initiatives to reduce health disparities;

(5) market stability and adverse selection;

(6) meaningful choices and access;

(7) alignment and coordination with state agency and private sector purchasing strategies and payment reform efforts; and

(8) other criteria that the board determines appropriate.

(e) For qualified health plans offered through MNsure on or after January 1, 2015, the board shall establish policies and procedures under paragraphs (c) and (d) for selection of health plans to be offered as qualified health plans through MNsure by February 1 of each year, beginning February 1, 2014. The board shall consistently and uniformly apply all policies and procedures and any requirements, standards, or criteria to all health carriers and health plans. For any policies, procedures, requirements, standards, or criteria that are defined as rules under section 14.02, subdivision 4, the board may use the process described in subdivision 9.

(f) For 2014, the board shall not have the power to select health carriers and health plans for participation in MNsure. The board shall permit all health plans that meet the certification requirements under section 1311(c)(1) of the Affordable Care Act, Public Law 111-148, to be offered through MNsure.

(g) Under this subdivision, the board shall have the power to verify that health carriers and health plans are properly certified to be eligible for participation in MNsure.

(h) The board has the authority to decertify health carriers and health plans that fail to maintain compliance with section 1311(c)(1) of the Affordable Care Act, Public Law 111-148.

APPENDIX

Repealed Minnesota Statutes: H3467-1

(i) For qualified health plans offered through MNsure beginning January 1, 2015, health carriers must use the most current addendum for Indian health care providers approved by the Centers for Medicare and Medicaid Services and the tribes as part of their contracts with Indian health care providers. MNsure shall comply with all future changes in federal law with regard to health coverage for the tribes.

Subd. 6. **Appeals.** (a) The board may conduct hearings, appoint hearing officers, and recommend final orders related to appeals of any MNsure determinations, except for those determinations identified in paragraph (d). An appeal by a health carrier regarding a specific certification or selection determination made by MNsure under subdivision 5 must be conducted as a contested case proceeding under chapter 14, with the report or order of the administrative law judge constituting the final decision in the case, subject to judicial review under sections 14.63 to 14.69. For other appeals, the board shall establish hearing processes which provide for a reasonable opportunity to be heard and timely resolution of the appeal and which are consistent with the requirements of federal law and guidance. An appealing party may be represented by legal counsel at these hearings, but this is not a requirement.

(b) MNsure may establish service-level agreements with state agencies to conduct hearings for appeals. Notwithstanding section 471.59, subdivision 1, a state agency is authorized to enter into service-level agreements for this purpose with MNsure.

(c) For proceedings under this subdivision, MNsure may be represented by an attorney who is an employee of MNsure.

(d) This subdivision does not apply to appeals of determinations where a state agency hearing is available under section 256.045.

(e) An appellant aggrieved by an order of MNsure issued in an eligibility appeal, as defined in Minnesota Rules, part 7700.0101, may appeal the order to the district court of the appellant's county of residence by serving a written copy of a notice of appeal upon MNsure and any other adverse party of record within 30 days after the date MNsure issued the order, the amended order, or order affirming the original order, and by filing the original notice and proof of service with the court administrator of the district court. Service may be made personally or by mail; service by mail is complete upon mailing; no filing fee shall be required by the court administrator in appeals taken pursuant to this subdivision. MNsure shall furnish all parties to the proceedings with a copy of the decision and a transcript of any testimony, evidence, or other supporting papers from the hearing held before the appeals examiner within 45 days after service of the notice of appeal.

(f) Any party aggrieved by the failure of an adverse party to obey an order issued by MNsure may compel performance according to the order in the manner prescribed in sections 586.01 to 586.12.

(g) Any party may obtain a hearing at a special term of the district court by serving a written notice of the time and place of the hearing at least ten days prior to the date of the hearing. The court may consider the matter in or out of chambers, and shall take no new or additional evidence unless it determines that such evidence is necessary for a more equitable disposition of the appeal.

(h) Any party aggrieved by the order of the district court may appeal the order as in other civil cases. No costs or disbursements shall be taxed against any party nor shall any filing fee or bond be required of any party.

(i) If MNsure or district court orders eligibility for qualified health plan coverage through MNsure, or eligibility for federal advance payment of premium tax credits or cost-sharing reductions contingent upon full payment of respective premiums, the premiums must be paid or provided pending appeal to the district court, Court of Appeals, or Supreme Court. Provision of eligibility by MNsure pending appeal does not render moot MNsure's position in a court of law.

Subd. 7. **Agreements; consultation.** (a) The board shall:

(1) establish and maintain an agreement with the commissioner of human services for cost allocation and services regarding eligibility determinations and enrollment for public health care programs that use a modified adjusted gross income standard to determine program eligibility. The board may establish and maintain an agreement with the commissioner of human services for other services;

(2) establish and maintain an agreement with the commissioners of commerce and health for services regarding enforcement of MNsure certification requirements for health plans and dental plans offered through MNsure. The board may establish and maintain agreements with the commissioners of commerce and health for other services; and

(3) establish interagency agreements to transfer funds to other state agencies for their costs related to implementing and operating MNsure, excluding medical assistance allocatable costs.

(b) The board shall consult with the commissioners of commerce and health regarding the operations of MNsure.

## APPENDIX

### Repealed Minnesota Statutes: H3467-1

(c) The board shall consult with Indian tribes and organizations regarding the operation of MNsure.

(d) Beginning March 15, 2016, and each March 15 thereafter, the board shall submit a report to the chairs and ranking minority members of the committees in the senate and house of representatives with primary jurisdiction over commerce, health, and human services on all the agreements entered into with the chief information officer of the Office of MN.IT Services, or the commissioners of human services, health, or commerce in accordance with this subdivision. The report shall include the agency in which the agreement is with; the time period of the agreement; the purpose of the agreement; and a summary of the terms of the agreement. A copy of the agreement must be submitted to the extent practicable.

Subd. 8. **Rulemaking.** The board may adopt rules to implement any provisions in this chapter using the expedited rulemaking process in section 14.389.

Subd. 9. **Dental plans.** (a) The provisions of this section that apply to health plans shall apply to dental plans offered as stand-alone dental plans through MNsure, to the extent practicable.

(b) A stand-alone dental plan offered through MNsure must meet all certification requirements under section 1311(c)(1) of the Affordable Care Act, Public Law 111-148, that are applicable to health plans, except for certification requirements that cannot be met because the dental plan only covers dental benefits.

Subd. 10. **Limitations; risk-bearing.** (a) The board shall not bear insurance risk or enter into any agreement with health care providers to pay claims.

(b) Nothing in this subdivision shall prevent MNsure from providing insurance for its employees.

- (3) by Internet; and

There is a rebuttable presumption that the date of the notice of eligibility determination is five business days later than the date printed on the notice. The person may rebut this presumption by presenting evidence or testimony that they received the notice five business days after the date printed on the notice. An appeal received more than 90 days after the date of the eligibility notice will be dismissed. If the deadline for filing an appeal falls on a day that is not a business day, the filing deadline is the next business day.

G. The date of official receipt of appeals submitted after business hours, whether filed through the Internet or by telephone, is the next business day.

**Subp. 3. Notices and communications.**

A. The parties to an appeal have the right to the following timely notices and communications:

B. Any notice sent to the appellant must also be sent to the appellant's attorney or representative.

No agency employee shall review, interfere with, change, or attempt to influence the recommended decision of the appeals examiner in any appeal, except through the procedures allowed herein. The limitations in this subpart do not affect the board's authority to review or make final decisions.

**Subp. 4. Rescheduling.**

A. Requests to reschedule a hearing must be made in person, by telephone, through the Internet, or mailed and postmarked to the appeals examiner at least five days in advance of the regularly scheduled hearing date. The rescheduling request may be made orally or in writing. The requesting party must provide the other party a copy of a written request or must otherwise notify the other party of the request.

B. Any rescheduling of a hearing with less than five days' advance notice will be at the discretion of the appeals examiner and granted only when the rescheduling does not prejudice any party to the rescheduling.

C. Unless a determination is made by the appeals examiner that a request to reschedule a hearing is made for the purpose of delay, a hearing must be rescheduled by the appeals examiner for good cause as determined by the appeals examiner. Good cause includes the following:

(1) to accommodate a witness;

(9) where an interpreter, translator, or other service necessary to accommodate a person with a disability is needed but not available; or

D. If requested by the appeals examiner, a written statement confirming the reasons for the rescheduling request must be provided to the appeals examiner by the requesting party.

**Subp. 5. Telephone, videoconference, or in-person hearing.**

A. A hearing may be conducted by telephone, videoconference, or in person. An in-person appeals hearing will only be held at the discretion of the appeals examiner, or if the person asserts that either the person or a witness has a physical or mental disability that would impair the person's ability to fully participate in a hearing held by interactive video technology. To have the hearing conducted by videoconference or in person, a person must make a specific request for that type of hearing.

B. When an in-person hearing is granted, the appeals examiner shall conduct the hearing in the county where the person involved resides, unless an alternate location is mutually agreed upon before the hearing.

C. Where federal law or regulation does not require a telephone, videoconference, or in-person hearing and allows for a review of documentary evidence through a desk review, a telephone, videoconference, or in-person hearing will only be provided when the appeals

APPENDIX  
Repealed Minnesota Rule: H3467-1

examiner determines that such a hearing would materially assist in resolving the issues presented by the appeal.

**Subp. 6. Emergency expedited appeals.**

A. An appellant has a right to request an emergency expedited appeal when there is an immediate need for health services because a standard appeal could seriously jeopardize the appellant's life or health or ability to attain, maintain, or regain maximum function. An appellant must specify that an emergency expedited appeal is being requested when submitting the initial appeal.

B. If an emergency develops during a pending appeal such that there has developed an immediate need for health services because a standard appeal could seriously jeopardize the appellant's life or health or ability to attain, maintain, or regain maximum function, an appellant may request an expedited appeal.

C. If a request for an expedited appeal is denied, the appellant will be notified according to the process and time period required under the applicable federal law.

D. If a request for an expedited appeal is accepted, the appeals examiner will issue a decision according to the process and time period required under the applicable federal law.

**Subp. 7. Interpreter and translation services.**

A. Appeals must be accessible to appellants who have limited English proficiency, appellants who require interpreter and translation services, and appellants with disabilities. An appeals examiner has a duty to inquire whether any person involved in the hearing needs the services of an interpreter, translator, or reasonable accommodations to accommodate a disability in order to participate in or to understand the appeal process.

B. Necessary interpreter services, translation services, or reasonable accommodations must be provided at no cost to the person involved in the appeal.

C. If an appellant requests interpreter services, translation services, or reasonable accommodations or it appears to the appeals examiner that necessary interpreter or translation services are needed but not available for the scheduled hearing, the hearing shall be rescheduled to the next available date when the appropriate services can be provided.

**Subp. 8. Access to data.**

A. Subject to the requirements of all applicable state and federal laws regarding privacy, confidentiality, and disclosure of personally identifiable information, the appellants and agencies involved in an appeals hearing must be allowed to access the appeal record upon request at a convenient place and time before and during the appeals hearing. Copies of the appeal record, including an electronic copy of the recorded hearing, must be provided at no cost and, upon request, must be mailed or sent by electronic transmission to the party or the party's representative.

B. An appellant involved in an appeals hearing may enforce the right of access to data and copies of the case file by making a request to the appeals examiner. The appeals examiner shall make an appropriate order enforcing the appellant's right of access, including but not limited to ordering access to files, data, and documents possessed by the agency; continuing or rescheduling an appeal hearing to allow adequate time for access to data; or prohibiting use by the agency of files, data, or documents that have been generated, collected, stored, or disseminated in violation of the requirements of state or federal law, or when the documents have not been provided to the appellant involved in the appeal.

**Subp. 9. Data practices.**

A. Data on individuals, as defined in Minnesota Statutes, section 13.02, subdivision 5, will be collected about persons and appellants throughout the appeals process. The purpose of this data collection is to conduct an appeal. A party to an appeal is not required to supply data for an appeal. However, deciding which evidence and testimony to submit may have an impact on the outcome of the appeal decision. Certain other government officials may have access to information provided throughout the appeals process if this is allowed by law or pursuant to a valid court order.

B. When an appeal proceeds beyond the MNsure appeals process to judicial review, the appeal record will be public unless the court with jurisdiction over the appeal issues a protective order. When the appeal proceeds outside of the MNsure appeals process to the United States Department of Health and Human Services, the record will be classified according to federal law governing the collection of data on individuals.

**Subp. 10. Appeal summary.** The agency must prepare an appeal summary for each appeal hearing. The appeal summary shall be delivered to each party and the MNsure appeals examiner at least three business days before the date of the appeal hearing. The appeals examiner shall confirm

APPENDIX  
Repealed Minnesota Rule: H3467-1

that the appeal summary is delivered to the party involved in the appeal as required under this subpart. Each party shall be provided, through the appeal summary or other reasonable methods, appropriate information about the procedures for the appeal hearing and an adequate opportunity to prepare. The contents of the appeal summary must be adequate to inform each party of the evidence on which the agency relies and the legal basis for the agency's action or determination.

Subp. 11. **Representation during appeal.** An appellant may personally appear in any appeal hearing and may be represented by an attorney or representative. A partnership may be represented by any of its members, an attorney, or other representative. A corporation or association may be represented by an officer, an attorney, or other representative. In a case involving an unrepresented appellant, the appeals examiner shall examine witnesses and receive exhibits for the purpose of identifying and developing in the appeal record relevant facts necessary for making an informed and fair decision. An unrepresented appellant shall be provided an adequate opportunity to respond to testimony or other evidence presented by the agency at the appeal hearing. The appeals examiner shall ensure that an unrepresented appellant has a full and reasonable opportunity at the appeal hearing to establish a record for appeal. An agency may be represented by an employee or an attorney, including an attorney employed by the agency as authorized by law.

Subp. 12. **Dismissals.**

A. The appeals examiner must dismiss an appeal if the appellant:

- (1) withdraws the appeal orally or in writing;
- (2) fails to appear at a scheduled appeal hearing or prehearing conference and good cause is not shown;
- (3) fails to submit a valid appeal; or
- (4) dies while the appeal is pending.

B. If an appeal is dismissed, the appeals examiner must provide timely notice to the parties, which must include the reason for dismissal, an explanation of the dismissal's effect on the appellant's eligibility, and an explanation of how the appellant may show good cause why the dismissal should be vacated.

C. The appeals examiner must vacate a dismissal if the appellant makes a written request within 30 days of the date of the notice of dismissal showing good cause why the dismissal should be vacated. There is a rebuttable presumption that the date of the notice of dismissal is five business days later than the date printed on the notice. The person may rebut this presumption by presenting evidence or testimony that they received the notice later than five business days after the date printed on the notice. Good cause can be shown when there is:

- (1) a death or serious illness in the person's family;
- (2) a personal injury or physical or mental illness that reasonably prevents an appellant or witness from attending the hearing;
- (3) an emergency, crisis, including a mental health crisis, or unforeseen event that reasonably prevents an appellant or witness from attending the hearing;
- (4) an obligation or responsibility of an appellant or witness which a reasonable person, in the conduct of one's affairs, could reasonably determine takes precedence over attending the hearing;
- (5) lack of or failure to receive timely notice of the hearing in the preferred language of an appellant involved in the hearing;
- (6) excusable neglect, excusable inadvertence, or excusable mistake as determined by the appeals examiner; or
- (7) any other compelling reason beyond the control of the party as determined by the appeals examiner.

Subp. 13. **Prehearing conferences.**

A. The appeals examiner, at the examiner's discretion, prior to an appeal hearing may hold a prehearing conference to further the interests of justice or efficiency. The parties must participate in any prehearing conference held. A party may request a prehearing conference. The prehearing conference may be conducted by telephone, in writing, or in person. The prehearing conference may address the following issues:

- (1) disputes regarding access to files, evidence, subpoenas, or testimony;

(5) scheduling and any other matter that will aid in the proper and fair functioning of the hearing.

B. The appeals examiner shall make a record or otherwise contemporaneously summarize the prehearing conference in writing, which shall be sent to:

- (1) the parties; and
- (2) the party's attorney or representative.

**Subp. 14. Disqualification of appeals examiner.**

A. The chief appeals examiner shall remove an appeals examiner from any case where the appeals examiner believes that presiding over the case would create the appearance of unfairness or impropriety. No appeals examiner may hear any case where any of the parties to the appeal are related to the appeals examiner by blood or marriage. An appeals examiner must not hear any case if the appeals examiner has a financial or personal interest in the outcome. An appeals examiner having knowledge of such a relationship or interest must immediately notify the chief appeals examiner and be removed from the case.

B. A party may move for the removal of an appeals examiner by written application of the party together with a statement of the basis for removal. Upon the motion of the party, the chief appeals examiner must decide whether the appeals examiner may hear the particular case.

**Subp. 15. Status of eligibility and benefits pending appeal.**

A. In appeals involving a redetermination of an appellant's eligibility, the appellant shall continue at the level of eligibility and benefits before the redetermination being appealed only if the appellant affirmatively elects to receive them during the appeal.

B. The appeal type, as specified in subpart 1, item A, determines what eligibility and benefits are available to be continued pending appeal. The availability of a continuation of eligibility and benefits is only available for appellants under subpart 1, item A, subitems (1) and (2). If appealing eligibility for advanced payments of premium tax credits and/or cost-sharing reductions, at issue is the amount of the advance payments of premium tax credits and/or cost-sharing reductions; and if appealing the eligibility to purchase a QHP through MNsure, at issue is the eligibility to purchase a QHP through MNsure.

C. Where an appellant continues at the level of eligibility before the redetermination being appealed and the appeal decision upholds the redetermination being appealed, the appellant is subject to reconciliation and repayment of any overpayment.

**Subp. 16. Commencement and conduct of hearing.**

A. The appeals examiner shall begin each hearing by describing the process to be followed in the hearing, including the swearing in of witnesses, how testimony and evidence are presented, the order of examining and cross-examining witnesses, and the opportunity for an opening statement and a closing statement. The appeals examiner shall identify for the parties the issues to be addressed at the hearing and shall explain to the parties the burden of proof that applies to the appellant and the agency. The appeals examiner shall confirm, prior to proceeding with the hearing, that the appeal summary, if prepared, has been properly completed and provided to the parties, and that the parties have been provided documents and an opportunity to review the appeal record, as provided in this part.

B. The appeals examiner shall act in a fair and impartial manner at all times. At the beginning of the appeal hearing, the agency must designate one person as a representative who shall be responsible for presenting the agency's evidence and questioning any witnesses. The appeals examiner shall make sure that both the agency and the appellant are provided sufficient time to present testimony and evidence, to confront and cross-examine all adverse witnesses, and to make any relevant statement at the hearing. All testimony in the hearing will be taken under oath or affirmation. The appeals examiner shall make reasonable efforts to explain the appeal hearing process to unrepresented appellants and shall ensure that the hearing is conducted fairly and efficiently. Upon the reasonable request of the appellant or the agency or at the discretion of the appeals examiner, the appeals examiner shall direct witnesses to remain outside the hearing room, except during individual testimony, when the appeals examiner determines that such action is appropriate to ensure a fair and impartial hearing. The appeals examiner shall not terminate the hearing before affording the appellant and the agency a complete opportunity to submit all admissible evidence and reasonable opportunity for oral or written statement. In the event that an appeal hearing extends beyond the time allotted, the appeal hearing shall be continued from day to day until completion. Appeal hearings that have been continued shall be timely scheduled to minimize delay in the disposition of the appeal.

### Repealed Minnesota Rule: H3467-1

C. The appeal hearing shall be a de novo review and shall address the correctness and legality of the agency's action and shall not be limited simply to a review of the propriety of the agency's action. The appellant may raise and present evidence on all legal claims or defenses arising under state or federal law as a basis for the appeal, excluding any constitutional claims that are beyond the jurisdiction of the appeal hearing. The appeals examiner may take official notice of adjudicative facts.

D. The burden of persuasion is governed by specific state or federal law and regulations that apply to the subject of the hearing. Unless otherwise required by specific state or federal laws that apply to the subject of the appeal, the appellant carries the burden to persuade the appeals examiner that a claim is true and must demonstrate such by a preponderance of the evidence.

E. The appeals examiner shall accept all evidence, except evidence privileged by law, that is commonly accepted by reasonable people in the conduct of their affairs as having probative value on the issues to be addressed at the appeal hearing. The appeals examiner shall ensure for all cases that the appeal record is sufficiently complete to make a fair and accurate decision.

F. The agency must present its evidence prior to or at the appeal hearing. The agency shall not be permitted to submit evidence after the hearing except by agreement at the hearing between the appellant, the agency, and the appeals examiner. If evidence is submitted after the appeal hearing, based on an agreement, the appellant and the agency must be allowed sufficient opportunity to respond to the evidence. When determined necessary by the appeals examiner, the appeal record shall remain open to permit an appellant to submit additional evidence on the issues presented at the appeal hearing.

#### Subp. 17. **Orders of the MNsure board.**

A. A timely, written decision must be issued in every appeal. Each decision must contain a clear ruling on the issues presented in the appeal hearing and contain a ruling only on questions directly presented by the appeal and the arguments raised in the appeal.

B. A written decision must be issued within 90 days of the date the appeal is received, as administratively feasible, unless a shorter time is required by law.

C. The decision must contain both findings of fact and conclusions of law, clearly separated and identified. The findings of fact must be based on the entire appeal record. Each finding of fact made by the appeals examiner shall be supported by a preponderance of the evidence unless a different standard is required by law. The legal claims or arguments of a participant do not constitute either a finding of fact or a conclusion of law, except to the extent the appeals examiner explicitly adopts an argument as a finding of fact or conclusion of law.

D. The decision shall contain at least the following:

(1) a listing of the date and place of the appeal hearing and the parties and persons appearing at the appeal hearing;

(2) a clear and precise statement of the issues, including the dispute that is the subject of the appeal and the specific points that must be resolved in order to decide the case;

(3) a listing of each of the materials constituting the appeal record that were placed into evidence at the appeal hearing, and upon which the appeal hearing decision is based;

(4) the findings of fact based upon the entire appeal record. The findings of fact must be adequate to inform the parties and the public of the basis of the decision. If the evidence is in conflict on an issue that must be resolved, the findings of fact must state the reasoning used in resolving the conflict;

(5) conclusions of law that address the legal authority for the appeal hearing and the ruling, and which give appropriate attention to the claims of the parties;

(6) a clear and precise statement of the decision made resolving the dispute that is the subject of the appeal, including the effective date of the decision; and

(7) written notice of any existing right to appeal, including taking an appeal to the United States Department of Health and Human Services and identifying the time frame for an appeal and that the decision is final unless appealed.

E. The appeals examiner shall not independently investigate facts or otherwise rely on information not presented at the appeal hearing. The appeals examiner may not contact other agency personnel, except as provided in subpart 16. The appeals examiner's recommended decision must be based exclusively on the testimony and evidence presented at the appeal hearing, legal arguments presented, and the appeals examiner's research and knowledge of the law.

F. The MNsure board shall review the recommended decision and accept or refuse to accept the decision. The MNsure board may accept the recommended order of an appeals

examiner and issue the order to the parties or may refuse to accept the decision. Upon refusal, the MNsure board shall notify the parties of the refusal, state the reasons, and allow each party ten days to submit additional written argument on the matter. After the expiration of the ten-day period, the MNsure board shall issue an order on the matter to the parties. Refusal of the MNsure board to accept a decision must not delay the 90-day time limit to issue a decision.

Subp. 18. **Public access to hearings and decisions.** Appeal decisions must be maintained in a manner so that the public has ready access to previous decisions on particular topics, subject to appropriate procedures for compliance with applicable state and federal laws regarding the privacy, confidentiality, and disclosure, of personally identifiable information. Appeal hearings conducted under this part are not open to the public due to the not public classification of the information provided for inclusion in the appeal record.

Subp. 19. **Administrative review.**

A. Administrative review by the United States Department of Health and Human Services may be available for parties aggrieved by an order of the MNsure board.

B. An appeal under this part must be filed with the United States Department of Health and Human Services and MNsure within 30 days of the date of the appeal decision according to the process required under the applicable federal regulations.

Subp. 20. **Judicial review.** An appellant may seek judicial review to the extent it is available by law.
