161 serve as special investigators and to investigate any and all
162 complaints referred to them by the commission. The executive
163 director shall maintain an updated list of those judges qualified
164 and available for appointment to serve as special
165 investigators. Such list shall be updated at least annually. The
166 commission shall refer complaints to such special investigators on
167 that list on a rotating schedule which ensures a random
168 assignment of each special investigator. Each special investigator

193 (3) Conduct investigations as provided in subsection 2 of
194 section 105.959;

210 with respect to the ethical conduct of public officials and employees
211 and to advise state and local government in the development of

252 application of law to the facts presented by the requesting person,
253 the commission shall issue a written opinion advising the person
254 who made the request, in response to the person's particular
255 request, regarding any issue that the commission can receive a
