46 employee is not considered unclaimed. Any dealer or person operating a public garage who fails  
47 to report a motor vehicle as unclaimed as herein required forfeits all claims and liens for its  
48 garaging, parking or storing.

49         4. The director of revenue shall maintain appropriately indexed cumulative records of  
50 unclaimed vehicles reported to the director. Such records shall be kept open to public inspection  
51 during reasonable business hours.

52         5. The alteration or obliteration of the vehicle identification number on any such motor  
53 vehicle shall be prima facie evidence of larceny, and the dealer or person operating such public  
54 garage shall upon the discovery of such obliteration or alteration immediately notify the highway  
55 patrol, sheriff, marshal, constable or chief of police of the municipality where the dealer or  
56 garage keeper has his place of business, and shall hold such motor vehicle or trailer for a period  
57 of forty-eight hours for the purpose of an investigation by the officer so notified.

58           6. Any person who knowingly makes a false statement or omission of a material fact in  
59 a monthly sales report to the department of revenue, as described in subsection 1 of this section,  
60 shall be deemed guilty of a class A misdemeanor.

          301.558. 1. A motor vehicle dealer, boat dealer, or powersport dealer may fill in the  
2 blanks on standardized forms in connection with the sale or lease of a new or used motor vehicle,  
3 vessel, or vessel trailer if the motor vehicle dealer, boat dealer, or powersport dealer does not  
4 charge for the services of filling in the blanks or otherwise charge for preparing documents.

          2. A motor vehicle dealer, boat dealer, or powersport dealer may charge an  
6 administrative fee in connection with the sale or lease of a new or used motor vehicle, vessel,  
7 or vessel trailer for the storage of documents or any other administrative or clerical services not  
8 prohibited by this section. A portion of the administrative fee may result in profit to the motor  
9 vehicle dealer, boat dealer, or powersport dealer.

10           3. **(1) Ten percent of any fee authorized under this section and charged by motor**  
11 **vehicle dealers shall be remitted to the motor vehicle administration technology fund**  
12 **established in this subsection, for the development of the system specified in this**  
13 **subsection. Following the development of the system specified in this subsection, the**  
14 **director of the department of revenue shall notify motor vehicle dealers and implement the**  
15 **system, and the percentage of any fee authorized under this section required to be remitted**  
16 **to the fund shall be reduced to one percent, which shall be used for maintenance of the**  
17 **system. This subsection shall expire on January 1, 2037.**

18           **(2) There is hereby created in the state treasury the "Motor Vehicle Administration**  
19 **Technology Fund", which shall consist of moneys collected as specified in this subsection.**  
20 **The state treasurer shall be custodian of the fund. In accordance with sections 30.170 and**  
21 **30.180, the state treasurer may approve disbursements. The fund shall be a dedicated fund**  
22 **and moneys in the fund shall be used solely by the department of revenue for the purpose**  
23 **of development and maintenance of a modernized, integrated system for the titling of**  
24 **vehicles, issuance and renewal of vehicle registrations, issuance and renewal of driver's**  
25 **licenses and identification cards, and perfection and release of liens and encumbrances on**  
26 **vehicles.**

27           **(3) Notwithstanding the provisions of section 33.080 to the contrary, any moneys**  
28 **remaining in the fund at the end of the biennium shall not revert to the credit of the**  
29 **general revenue fund.**

30           **(4) The state treasurer shall invest moneys in the fund in the same manner as other**  
31 **funds are invested. Any interest and moneys earned on such investments shall be credited**  
32 **to the fund.**

33           4. No motor vehicle dealer, boat dealer, or powersport dealer that sells or leases new or  
34 used motor vehicles, vessels, or vessel trailers and imposes an administrative fee of [~~less than~~  
35 ~~two~~] **five hundred dollars or less** in connection with the sale or lease of a new or used vehicle,  
36 vessel, or vessel trailer for the storage of documents or any other administrative or clerical  
37 services shall be deemed to be engaging in the unauthorized practice of law. **The maximum**  
38 **administrative fee permitted under this subsection shall be increased annually by an**  
39 **amount equal to the percentage change in the annual average of the Consumer Price Index**  
40 **for All Urban Consumers or its successor index, as reported by the federal Bureau of**  
41 **Labor Statistics or its successor agency, or by zero, whichever is greater. The director of**  
42 **the department of revenue shall annually furnish the maximum administrative fee**  
43 **determined under this section to the secretary of state, who shall publish such value in the**  
44 **Missouri register as soon as practicable after January fourteenth of each year.**

45           [4-] 5. If an administrative fee is charged under this section, the **same** administrative fee  
46 shall be charged to all retail customers [~~and~~] **unless the fee is limited by the dealer's franchise**  
47 **agreement to certain classes of customers. The fee shall be disclosed on the retail buyer's**  
48 order form as a separate itemized charge.

50 the purchaser, a retail buyer's order form from the purchaser, or a retail installment contract shall

54 the surrounding written material:

55 "AN ADMINISTRATIVE FEE IS NOT AN OFFICIAL FEE AND IS NOT REQUIRED BY  
56 LAW BUT MAY BE CHARGED BY A DEALER. THIS ADMINISTRATIVE FEE MAY  
57 RESULT IN A PROFIT TO DEALER. NO PORTION OF THIS ADMINISTRATIVE FEE IS  
58 FOR THE DRAFTING, PREPARATION, OR COMPLETION OF DOCUMENTS OR THE  
59 PROVIDING OF LEGAL ADVICE. THIS NOTICE IS REQUIRED BY LAW."

60           [6-] 7. The general assembly believes that an administrative fee charged in compliance  
61 with this section is not the unauthorized practice of law or the unauthorized business of law so  
62 long as the activity or service for which the fee is charged is in compliance with the provisions  
63 of this section and does not result in the waiver of any rights or remedies. Recognizing,  
64 however, that the judiciary is the sole arbitrator of what constitutes the practice of law, in the  
65 event that a court determines that an administrative fee charged in compliance with this section,  
66 and that does not waive any rights or remedies of the buyer, is the unauthorized practice of law  
67 or the unauthorized business of law, then no person who paid that administrative fee may recover

68 said fee or treble damages, as permitted under section 484.020, and no person who charged that  
69 fee shall be guilty of a misdemeanor, as provided under section 484.020.

17 A driver's license, nondriver's license, or instruction permit issued under this chapter shall

19 marriage or court order. No name change by common usage based on common law shall be  
20 permitted. The application shall also contain such information as the director may require to  
21 enable the director to determine the applicant's qualification for driving a motor vehicle; and  
22 shall state whether or not the applicant has been convicted in this or any other state for violating  
23 the laws of this or any other state or any ordinance of any municipality, relating to driving  
24 without a license, careless driving, or driving while intoxicated, or failing to stop after an  
25 accident and disclosing the applicant's identity, or driving a motor vehicle without the owner's

31 eighteen years of age, the applicant must comply with all requirements for the issuance of an  
32 intermediate driver's license pursuant to section 302.178. For persons mobilized and deployed  
33 with the United States Armed Forces, an application under this subsection shall be considered  
34 satisfactory by the department of revenue if it is signed by a person who holds general power of

36 set by the director.

37         2. An applicant for a license may make a donation of one dollar to promote an organ

41 the purposes established in sections 194.297 to 194.304 except that the department of revenue

45 informational sources on the importance of organ and tissue donations to applicants for licensure  
46 as designed by the organ donation advisory committee established in sections 194.297 to

48 completed application to the director whether the applicant is interested in making the one dollar  
49 donation prescribed in this subsection and whether the applicant is interested in inclusion in the  
50 organ donor registry and shall also specifically inform the licensee of the ability to consent to  
51 organ donation by placing a donor symbol sticker authorized and issued by the department of  
52 health and senior services on the back of his or her driver's license or identification card as  
53 prescribed by subdivision (1) of subsection 1 of section 194.225. A symbol may be placed on  
54 the front of the license or identification card indicating the applicant's desire to be listed in the  
55 registry at the applicant's request at the time of his or her application for a driver's license or  
56 identification card, or the applicant may instead request an organ donor sticker from the  
57 department of health and senior services by application on the department of health and senior  
58 services' website. Upon receipt of an organ donor sticker sent by the department of health and  
59 senior services, the applicant shall place the sticker on the back of his or her driver's license or

69 education, screening and treatment program fund shall be used solely for the purposes  
70 established in section 209.015; except that the department of revenue shall retain no more than

71 one percent for its administrative costs. The donation prescribed in this subsection is voluntary  
72 and may be refused by the applicant for the license at the time of issuance or renewal of the  
73 license. The director shall inquire of each applicant at the time the licensee presents the  
74 completed application to the director whether the applicant is interested in making the one dollar  
75 donation prescribed in this subsection.

76 **4. An applicant for registration may make a donation of one dollar to the Missouri**

83 **applicant for registration at the time of issuance or renewal. The director shall inquire of**  
84 **each applicant at the time the applicant presents the completed application to the director**  
85 **whether the applicant is interested in making the one dollar donation prescribed in this**  
86 **subsection.**

90 false or fraudulent information or documentation, or who knowingly conceals a material fact or  
91 otherwise commits a fraud in any such application. The period of denial shall be one year from  
92 the effective date of the denial notice sent by the director. The denial shall become effective ten  
93 days after the date the denial notice is mailed to the person. The notice shall be mailed to the  
94 person at the last known address shown on the person's driving record. The notice shall be  
95 deemed received three days after mailing unless returned by the postal authorities. No such

97 nondriver's license until the period of denial is completed. No individual who is denied the  
98 driving privilege under this section shall be eligible for a limited driving privilege issued under  
99 section 302.309.

100 ~~[5-]~~ **6.** All appeals of denials under this section shall be made as required by section

106 section shall become effective unless it has been promulgated pursuant to chapter 536.

107           ~~[8-]~~ **9.** Notwithstanding any provision of this chapter that requires an applicant to provide  
108 proof of Missouri residency for renewal of a noncommercial driver's license, noncommercial

43 section 302.303. An order of supervision shall not be used in lieu of points more than one time  
44 in any thirty-six-month period. Every court having jurisdiction pursuant to the provisions of this  
45 section shall forward a record of conviction to the Missouri state highway patrol, or at the written  
46 direction of the Missouri state highway patrol, to the department of revenue, in a manner  
47 approved by the director of the department of public safety. The director shall establish  
48 procedures for the record keeping and administration of this section; or

49 (4) For a nonresident, suspend the nonresident's driving privileges in this state in  
50 accordance with section 303.030 and notify the official in charge of the issuance of licenses and  
51 registration certificates in the state in which such nonresident resides in accordance with section  
52 303.080.

53 4. Nothing in sections 303.010 to 303.050, 303.060, 303.140, 303.220, 303.290, 303.330  
54 and 303.370 shall be construed as prohibiting the department of commerce and insurance from  
55 approving or authorizing those exclusions and limitations which are contained in automobile  
56 liability insurance policies and the uninsured motorist provisions of automobile liability  
57 insurance policies.

58 5. If a court enters an order of suspension, the offender may appeal such order directly  
59 pursuant to chapter 512 and the provisions of section 302.311 shall not apply.

60 **6. Any fines owed to the state pursuant to this section may be eligible for payment**  
61 **in installments. The director shall promulgate rules for the application of payment plans,**  
62 **which shall take into account individuals' ability to pay.**

303.041. 1. **Except as otherwise provided in subsection 7 of section 303.425,** if the  
2 director determines [~~that as a result of a verification sample or accident report that the owner of~~  
3 ~~a motor vehicle has not maintained financial responsibility, or if the director determines as a~~  
4 ~~result of an order of supervision]~~ that the **owner or** operator of a motor vehicle has not  
5 maintained the financial responsibility as required in this chapter, the director shall thirty-three  
6 days after mailing notice, suspend the driving privilege of the owner or operator and/or the  
7 registration of the vehicle failing to meet such requirement. The notice of suspension shall be  
8 mailed to the person at the last known address shown on the department's records. The notice  
9 of suspension is deemed received three days after mailing. The notice of suspension shall clearly  
10 specify the reason and statutory grounds for the suspension and the effective date of the  
11 suspension, the right of the person to request a hearing, the procedure for requesting a hearing,  
12 and the date by which that request for a hearing must be made. If the request for a hearing is  
13 received by the department prior to the effective date of the suspension, the effective date of the  
14 suspension will be stayed until a final order is issued following the hearing.

15           2. **Except as otherwise provided by law**, neither the fact that subsequent to the date of  
16 verification or conviction, the owner acquired the required liability insurance policy nor the fact  
17 that the owner terminated ownership of the motor vehicle, shall have any bearing upon the  
18 director's decision to suspend. Until it is terminated, the suspension shall remain in force after  
19 the registration is renewed or a new registration is acquired for the motor vehicle. The  
20 suspension also shall apply to any motor vehicle to which the owner transfers the registration.  
21 Effective January 1, 2000, the department shall not extend any suspension for failure to pay a  
22 delinquent late surrender fee pursuant to this subsection.

**303.420. As used in sections 303.420 to 303.440, unless the context requires  
2 otherwise, the following terms shall mean:**

3           (1) **"Law enforcement agency"**, the department of revenue, the Missouri state  
4 highway patrol, the prosecuting attorney or sheriff's office of any county or city not within  
5 a county, the chiefs of police of any city or municipality, or any other authorized law  
6 enforcement agency recognized by the state;

7           (2) **"Program"**, the motor vehicle financial responsibility enforcement and  
8 compliance incentive program established under section 303.425;

9           (3) **"System" or "verification system"**, the web-based resource established under  
10 section 303.430 for online verification of motor vehicle financial responsibility.

**303.422. 1. There is hereby created in the state treasury the "Motor Vehicle  
2 Financial Responsibility Verification and Enforcement Fund", which shall consist of  
3 moneys collected under sections 303.420 to 303.440. The state treasurer shall be custodian  
4 of the fund. In accordance with sections 30.170 and 30.180, the state treasurer may  
5 approve disbursements. The fund shall be a dedicated fund and moneys in the fund shall  
6 be used solely by the department of revenue for the administration of sections 303.420 to  
7 303.440.**

8           2. **Notwithstanding the provisions of section 33.080 to the contrary, any moneys  
9 remaining in the fund at the end of the biennium shall not revert to the credit of the  
10 general revenue fund.**

11           3. **The state treasurer shall invest moneys in the fund in the same manner as other  
12 funds are invested. Any interest and moneys earned on such investments shall be credited  
13 to the fund.**

**303.425. 1. There is hereby created within the department of revenue the motor  
2 vehicle financial responsibility enforcement and compliance incentive program. The  
3 department of revenue may enter into contractual agreements with third-party vendors  
4 to facilitate the necessary technology and equipment, maintenance thereof, and associated  
5 program management services. The department of revenue or its third-party vendor shall**

6 utilize technology to compare vehicle registration information with the financial  
7 responsibility information accessible through the system. The department of revenue shall  
8 utilize this information to identify motorists who are in violation of the motor vehicle  
9 financial responsibility law. All fees paid to or collected by such third-party vendors may  
10 come from violator diversion fees generated by the pretrial diversion option established  
11 under this section. The department of revenue may offer offenders under this program the  
12 option of pretrial diversion as an alternative to statutory fines or reinstatement fees  
13 prescribed under the motor vehicle financial responsibility law as a method of encouraging  
14 compliance and discouraging recidivism.

15       2. The department of revenue may authorize law enforcement agencies or third-  
16 party vendors to use technology to collect data for the investigation, detection, analysis, and  
17 enforcement of the motor vehicle financial responsibility law.

18       3. The department of revenue may authorize traffic enforcement officers or third-  
19 party vendors to administer the processing and issuance of notices of violation, and the  
20 collection of fees for a violation of the motor vehicle financial responsibility law, under the  
21 program.

22       4. Access to the system shall be restricted to authorized law enforcement agency  
23 users in the program, the department of revenue, and the third-party vendors with which  
24 the department of revenue contracts for purposes of the program, provided that any third-  
25 party vendor with which a contract is executed to provide necessary technology,  
26 equipment, or maintenance for the program shall be authorized as necessary to collaborate  
27 for required updates and maintenance of system software.

28       5. For purposes of the program, any data collected and matched to a corresponding  
29 vehicle insurance record as verified through the system, and any Missouri vehicle  
30 registration database, may be used to identify violations of the motor vehicle financial  
31 responsibility law. Such images and corresponding data shall constitute evidence of the  
32 violations.

33       6. Except as otherwise provided in this section, the department of revenue shall  
34 suspend, in accordance with section 303.041, the registration of any motor vehicle that is  
35 determined under the program to be in violation of the motor vehicle financial  
36 responsibility law.

37       7. The department of revenue shall send to an owner whose vehicle is identified  
38 under the program as being in violation of the motor vehicle financial responsibility law  
39 a notice that the vehicle's registration may be suspended unless the owner, within thirty  
40 days, provides proof of financial responsibility for the vehicle or proof, in a form specified  
41 by the department of revenue, that the owner has a pending criminal charge for a violation

42 of the motor vehicle financial responsibility law. The notice shall include information on  
43 steps an individual may take to obtain proof of financial responsibility and a web address  
44 to a page on the department of revenue's website where information on obtaining proof of  
45 financial responsibility shall be provided. If proof of financial responsibility or a pending  
46 criminal charge is not provided within the time allotted, the department of revenue shall  
47 provide a notice of suspension and suspend the vehicle's registration in accordance with  
48 section 303.041, or shall send a notice of vehicle registration suspension, clearly specifying  
49 the reason and statutory grounds for the suspension and the effective date of the  
50 suspension, the right of the vehicle owner to request a hearing, the procedure for  
51 requesting a hearing, and the date by which that request for a hearing must be made, as  
52 well as informing the owner that the matter will be referred for prosecution if a  
53 satisfactory response is not received in the time allotted, informing the owner that the  
54 minimum penalty for the violation is three hundred dollars and four license points, and  
55 offering the owner participation in a pretrial diversion option to preclude referral for  
56 prosecution and registration suspension under sections 303.420 to 303.440. The notice of  
57 vehicle registration suspension shall give a period of thirty-three days from mailing for the  
58 vehicle owner to respond, and shall be deemed received three days after mailing. If no  
59 request for a hearing or agreement to participate in the diversion option is received by the  
60 department of revenue prior to the date provided on the notice of vehicle registration  
61 suspension, the director shall suspend the vehicle's registration, effective immediately, and  
62 refer the case to the appropriate prosecuting attorney. If an agreement by the vehicle  
63 owner to participate in the diversion option is received by the department of revenue prior  
64 to the effective date provided on the notice of vehicle registration suspension, then upon  
65 payment of a diversion participation fee not to exceed two hundred dollars, agreement to  
66 secure proof of financial responsibility within the time provided on the notice of  
67 suspension, and agreement that such financial responsibility shall be maintained for a  
68 minimum of two years, no points shall be assessed to the vehicle owner's driver's license  
69 under section 302.302 and the department of revenue shall not take further action against  
70 the vehicle owner under sections 303.420 to 303.440, subject to compliance with the terms  
71 of the pretrial diversion option. The department of revenue shall suspend the vehicle  
72 registration of, and shall refer the case to the appropriate prosecuting attorney for  
73 prosecution of, participating vehicle owners who violate the terms of the pretrial diversion  
74 option. If a request for hearing is received by the department of revenue prior to the  
75 effective date provided on the notice of vehicle registration suspension, then for all  
76 purposes other than eligibility for participation in the diversion option, the effective date  
77 of the suspension shall be stayed until a final order is issued following the hearing. The

78 department of revenue shall suspend the registration of vehicles determined under the final  
79 order to have violated the motor vehicle financial responsibility law, and shall refer the  
80 case to the appropriate prosecuting attorney for prosecution. Notices under this subsection  
81 shall be mailed to the vehicle owner at the last known address shown on the department  
82 of revenue's records. The department of revenue or its third-party vendor shall issue  
83 receipts for the collection of diversion participation fees. All such fees received by the  
84 department of revenue or its third-party vendor shall be deposited into the motor vehicle  
85 financial responsibility verification and enforcement fund established in section 303.422.  
86 A vehicle owner whose registration has been suspended under sections 303.420 to 303.440  
87 may obtain reinstatement of the registration upon providing proof of financial  
88 responsibility and payment to the department of revenue of a nonrefundable reinstatement  
89 fee equal to the fee that would be applicable under subsection 2 of section 303.042 if the  
90 registration had been suspended under section 303.041.

91 8. Data collected or retained under the program shall not be used by any entity for  
92 purposes other than enforcement of the motor vehicle financial responsibility law. Data  
93 collected and stored by law enforcement under the program shall be considered evidence  
94 if noncompliance with the motor vehicle financial responsibility law is confirmed. The  
95 evidence, and an affidavit stating that the evidence and system have identified a particular  
96 vehicle as being in violation of the motor vehicle financial responsibility law, shall  
97 constitute probable cause for prosecution and shall be forwarded in accordance with  
98 subsection 7 of this section to the appropriate prosecuting attorney.

99 9. Owners of vehicles identified under the program as being in violation of the  
100 motor vehicle financial responsibility law shall be provided with options for disputing such  
101 claims which do not require appearance at any state or local court of law, or administrative  
102 facility. Any person who presents timely proof that he or she was in compliance with the  
103 motor vehicle financial responsibility law at the time of the alleged violation shall be  
104 entitled to dismissal of the charge with no assessment of fees or fines. Proof provided by  
105 a vehicle owner to the department of revenue that the vehicle was in compliance at the time  
106 of the suspected violation of the motor vehicle financial responsibility law shall be recorded  
107 in the system established by the department of revenue under section 303.430.

108 10. The collection of data or use of any technology pursuant to this section shall be  
109 done in a manner that prohibits any bias towards a specific community, race, gender, or  
110 socioeconomic status of vehicle owner.

111 11. Law enforcement agencies, third-party vendors, or other entities authorized to  
112 operate under the program shall not sell data collected or retained under the program for

113 any purpose or share it for any purpose not expressly authorized in this section. All data  
114 shall be secured and any third-party vendor may be liable for any data security breach.

115 **12. The department of revenue shall not take action under sections 303.420 to**  
116 **303.440 against vehicles registered as fleet vehicles under section 301.032, or against**  
117 **vehicles known to the department of revenue to be insured under a policy of commercial**  
118 **auto coverage, as such term is defined in subdivision (10) of subsection 2 of section 303.430.**

119 **13. Following one year after the implementation of the program, and every year**  
120 **thereafter, the department of revenue shall provide a report to the president pro tempore**  
121 **of the senate, the speaker of the house of representatives, the chairs of the house and senate**  
122 **committees with jurisdictions over insurance or transportation matters, and the chairs of**  
123 **the house budget and senate appropriations committees. The report shall include an**  
124 **evaluation of program operations; information as to the costs of the program incurred by**  
125 **the department of revenue, insurers, and the public; information as to the effectiveness of**  
126 **the program in reducing the number of uninsured motor vehicles; and anonymized**  
127 **demographic information, including the race and zip code of vehicle owners identified**  
128 **under the program as being in violation of the motor vehicle financial responsibility law,**  
129 **and may include any additional information and recommendations for improvement of the**  
130 **program deemed appropriate by the department of revenue. The department of revenue**  
131 **may, by rule, require the state, counties, and municipalities to provide information in order**  
132 **to complete the report.**

**303.430. 1. The department of revenue shall establish and maintain a web-based**  
2 **system for the verification of motor vehicle financial responsibility, shall provide access to**  
3 **insurance reporting data and vehicle registration and financial responsibility data, and**  
4 **shall require motor vehicle insurers to establish functionality for the verification system,**  
5 **as provided in sections 303.420 to 303.440. The verification system, including any**  
6 **exceptions as provided for in sections 303.420 to 303.440 or in the implementation guide**  
7 **developed to support the program, shall supersede any existing verification system, and**  
8 **shall be the sole system used for the purpose of verifying financial responsibility required**  
9 **under this chapter.**

10 **2. The system established pursuant to subsection 1 of this section shall be subject**  
11 **to the following:**

12 **(1) The verification system shall transmit requests to insurers for verification of**  
13 **motor vehicle insurance coverage via web services established by the insurers through the**  
14 **internet in compliance with the specifications and standards of the Insurance Industry**  
15 **Committee on Motor Vehicle Administration, or "ICMVA". Insurance company systems**  
16 **shall respond to each request with a prescribed response upon evaluation of the data**

17 provided in the request. The system shall include appropriate protections to secure its data  
18 against unauthorized access, and the department of revenue shall maintain a historical  
19 record of the system data for a period of no more than twelve months from the date of all  
20 requests and responses. The system shall be used for verification of the financial  
21 responsibility required under this chapter. The system shall be accessible to authorized  
22 personnel of the department of revenue, the courts, law enforcement personnel, and other  
23 entities authorized by the state as permitted by state or federal privacy laws, and it shall  
24 be interfaced, wherever appropriate, with existing state systems. The system shall include  
25 information enabling the department of revenue to submit inquiries to insurers regarding  
26 motor vehicle insurance which are consistent with insurance industry and IICMVA  
27 recommendations, specifications, and standards by using the following data elements for  
28 greater matching accuracy: insurer National Association of Insurance Commissioners, or  
29 "NAIC", company code; vehicle identification number; policy number; verification date;  
30 or as otherwise described in the specifications and standards of the IICMVA. The  
31 department of revenue shall promulgate rules to offer insurers who insure one thousand  
32 or fewer vehicles within this state an alternative method for verifying motor vehicle  
33 insurance coverage in lieu of web services, and to provide for the verification of financial  
34 responsibility when financial responsibility is proven to the department to be maintained  
35 by means other than a policy of motor vehicle insurance. Insurers shall not be required  
36 to verify insurance coverage for vehicles registered in other jurisdictions;

37 (2) The verification system shall respond to each request within a time period  
38 established by the department of revenue. An insurer's system shall respond within the  
39 time period prescribed by the IICMVA's specifications and standards. Insurer systems  
40 shall be permitted reasonable system downtime for maintenance and other work with  
41 advance notice to the department of revenue. Insurers shall not be subject to enforcement  
42 fees or other sanctions under such circumstances, or when systems are not available  
43 because of emergency, outside attack, or other unexpected outages not planned by the  
44 insurer and reasonably outside its control;

45 (3) The system shall assist in identifying violations of the motor vehicle financial  
46 responsibility law in the most effective way possible. Responses to individual insurance  
47 verification requests shall have no bearing on whether insurance coverage is determined  
48 to be in force at the time of a claim. Claims shall be individually investigated to determine  
49 the existence of coverage. Nothing in sections 303.420 to 303.440 shall prohibit the  
50 department of revenue from contracting with a third-party vendor or vendors who have  
51 successfully implemented similar systems in other states to assist in establishing and  
52 maintaining this verification system;

53           **(4) The department of revenue shall consult with representatives of the insurance**  
54 **industry and may consult with third-party vendors to determine the objectives, details, and**  
55 **deadlines related to the system by establishment of an advisory council. The advisory**  
56 **council shall consist of voting members comprised of:**

57           **(a) The director of the department of commerce and insurance, or his or her**  
58 **designee, who shall serve as chair;**

59           **(b) Two representatives of the department of revenue, to be appointed by the**  
60 **director of the department of revenue;**

61           **(c) One representative of the department of commerce and insurance, to be**  
62 **appointed by the director of the department of commerce and insurance;**

63           **(d) Three representatives of insurance companies, to be appointed by the director**  
64 **of the department of commerce and insurance;**

65           **(e) One representative from the Missouri Insurance Coalition;**

66           **(f) One representative chosen by the National Association of Mutual Insurance**  
67 **Companies;**

68           **(g) One representative chosen by the American Property and Casualty Insurance**  
69 **Association;**

70           **(h) One representative chosen by the Missouri Independent Agents Association;**  
71 **and**

72           **(i) Such other representatives as may be appointed by the director of the**  
73 **department of commerce and insurance;**

74           **(5) The department of revenue shall publish for comment, and then issue, a detailed**  
75 **implementation guide for its online verification system;**

76           **(6) The department of revenue and its third-party vendors, if any, shall each**  
77 **maintain a contact person for insurers during the establishment, implementation, and**  
78 **operation of the system;**

79           **(7) If the department of revenue has reason to believe a vehicle owner does not**  
80 **maintain financial responsibility as required under this chapter, it may also request an**  
81 **insurer to verify the existence of such financial responsibility in a form approved by the**  
82 **department of revenue. In addition, insurers shall cooperate with the department of**  
83 **revenue in establishing and maintaining the verification system established under this**  
84 **section, and shall provide motor vehicle insurance policy status information as provided**  
85 **in the rules promulgated by the department of revenue;**

86           **(8) Every property and casualty insurance company licensed to issue motor vehicle**  
87 **insurance or authorized to do business in this state shall comply with sections 303.420 to**

88 303.440, and corresponding rules promulgated by the department of revenue, for the  
89 verification of such insurance for every vehicle insured by that company in this state;

90 (9) Insurers shall maintain a historical record of insurance data for a minimum  
91 period of six months from the date of policy inception or policy change for the purpose of  
92 historical verification inquiries;

93 (10) For the purposes of this section, "commercial auto coverage" shall mean any  
94 coverage provided to an insured, regardless of number of vehicles or entities covered,  
95 under a commercial coverage form and rated from a commercial manual approved by the  
96 department of commerce and insurance. Sections 303.420 to 303.440 shall not apply to  
97 vehicles insured under commercial auto coverage; however, insurers of such vehicles may  
98 participate on a voluntary basis, and vehicle owners may provide proof at or subsequent  
99 to the time of vehicle registration that a vehicle is insured under commercial auto coverage,  
100 which the department of revenue shall record in the system;

101 (11) Insurers shall provide commercial or fleet automobile customers with evidence  
102 reflecting that the vehicle is insured under a commercial or fleet automobile liability policy.  
103 Sufficient evidence shall include an insurance identification card clearly marked with a  
104 suitable identifier such as "commercial auto insurance identification card", "fleet auto  
105 insurance identification card", or other clear identification that the vehicle is insured  
106 under a fleet or commercial policy;

107 (12) Insurers shall be immune from civil and administrative liability for good faith  
108 efforts to comply with the terms of sections 303.420 to 303.440; and

109 (13) Nothing in this section shall prohibit an insurer from using the services of a  
110 third-party vendor for facilitating the verification system required under sections 303.420  
111 to 303.440.

112 3. The department of revenue shall promulgate rules as necessary for the  
113 implementation of sections 303.420 to 303.440. Any rule or portion of a rule, as that term  
114 is defined in section 536.010, that is created under the authority delegated in this section  
115 shall become effective only if it complies with and is subject to all of the provisions of  
116 chapter 536 and, if applicable, section 536.028. This section and chapter 536 are  
117 nonseverable, and if any of the powers vested with the general assembly pursuant to  
118 chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are  
119 subsequently held unconstitutional, then the grant of rulemaking authority and any rule  
120 proposed or adopted after August 28, 2021, shall be invalid and void.

2 303.440. The verification system established under section 303.430 shall be installed  
3 and fully operational by January 1, 2023, following an appropriate testing or pilot period  
of not less than nine months. Until the successful completion of the testing or pilot period

4 **in the judgment of the director of the department of revenue, no enforcement action shall**  
5 **be taken based on the system, including but not limited to action taken under the program**  
6 **established under section 303.425.**

304.022. 1. Upon the immediate approach of an emergency vehicle giving audible signal  
2 by siren or while having at least one lighted lamp exhibiting red light visible under normal  
3 atmospheric conditions from a distance of five hundred feet to the front of such vehicle or a  
4 flashing blue light authorized by section 307.175, the driver of every other vehicle shall yield the  
5 right-of-way and shall immediately drive to a position parallel to, and as far as possible to the  
6 right of, the traveled portion of the highway and thereupon stop and remain in such position until  
7 such emergency vehicle has passed, except when otherwise directed by a police or traffic officer.

8 2. Upon approaching a stationary vehicle displaying lighted red or red and blue lights,  
9 or a stationary vehicle displaying lighted amber or amber and white lights, the driver of every  
10 motor vehicle shall:

11 (1) Proceed with caution and yield the right-of-way, if possible with due regard to safety  
12 and traffic conditions, by making a lane change into a lane not adjacent to that of the stationary  
13 vehicle, if on a roadway having at least four lanes with not less than two lanes proceeding in the  
14 same direction as the approaching vehicle; or

15 (2) Proceed with due caution and reduce the speed of the vehicle, maintaining a safe  
16 speed for road conditions, if changing lanes would be unsafe or impossible.

17 3. The motorman of every streetcar shall immediately stop such car clear of any  
18 intersection and keep it in such position until the emergency vehicle has passed, except as  
19 otherwise directed by a police or traffic officer.

20 4. An "emergency vehicle" is a vehicle of any of the following types:

21 (1) A vehicle operated by the state highway patrol, the state water patrol, the Missouri  
22 capitol police, a conservation agent, or a state park ranger, those vehicles operated by  
23 enforcement personnel of the state highways and transportation commission, police or fire  
24 department, sheriff, constable or deputy sheriff, federal law enforcement officer authorized to  
25 carry firearms and to make arrests for violations of the laws of the United States, traffic officer,  
26 ~~[ø]~~ coroner, **medical examiner, or forensic investigator of the county medical examiner's**  
27 **office**, or by a privately owned emergency vehicle company;

28 (2) A vehicle operated as an ambulance or operated commercially for the purpose of  
29 transporting emergency medical supplies or organs;

30 (3) Any vehicle qualifying as an emergency vehicle pursuant to section 307.175;

31 (4) Any wrecker, or tow truck or a vehicle owned and operated by a public utility or  
32 public service corporation while performing emergency service;

33 (5) Any vehicle transporting equipment designed to extricate human beings from the  
34 wreckage of a motor vehicle;

35 (6) Any vehicle designated to perform emergency functions for a civil defense or  
36 emergency management agency established pursuant to the provisions of chapter 44;

29 state in excess of the sixty-day reciprocity period provided for in section 306.080. The  
30 recordation and payment of registration fee shall be in the manner and pursuant to the procedure  
31 required for the award of a number under subsection 1 of this section. No additional or substitute  
32 number shall be issued unless the number is a duplicate of an existing Missouri number.

40 **of three times the fee specified for the vessel under this section and three times any**  
41 **processing fee applicable to a three-year certificate of number for the vessel. Permanent**  
42 **certificates of number shall not be transferred to any other person or vessel, or displayed**  
43 **on any vessel other than the vessel for which it was issued, and shall continue in force and**  
44 **effect until terminated or discontinued in accordance with the provisions of this chapter.**  
45 Every **other** certificate of number awarded pursuant to this chapter shall continue in force and  
46 effect for a period of three years unless sooner terminated or discontinued in accordance with the  
47 provisions of this chapter. Certificates of number may be renewed by the owner in the same  
48 manner provided for in the initial securing of the same or in accordance with the provisions of  
49 sections 306.010 to 306.030.

50 7. The department of revenue shall fix the days and months of the year on which  
51 certificates of number due to expire during the calendar year shall lapse and no longer be of any  
52 force and effect unless renewed pursuant to this chapter and may stagger such dates in order to  
53 distribute the workload.

54 8. When applying for or renewing a vessel's certificate of number, the owner shall submit  
55 a paid personal property tax receipt for the tax year which immediately precedes the year in  
56 which the application is made or the year in which the renewal is due and which reflects that the  
57 vessel being renewed is listed as personal property and that all personal property taxes, including  
58 delinquent taxes from prior years, have been paid, or a statement certified by the county or  
59 township in which the owner's property was assessed showing that the state and county tangible

65 application is made or the renewal is due and which reflects that the vessel is listed as personal  
66 property and that all personal property taxes, including delinquent taxes from prior years, have  
67 been paid, or a statement certified by the county or township in which the owner's property was  
68 assessed showing that the state and county tangible personal property taxes for such previous tax  
69 year and all delinquent taxes due have been paid by the applicant or that no such taxes were due.

70 10. The fee to accompany each application for a certificate of number is:

71 For vessels under 16 feet in length \$25.00

72 For vessels at least 16 feet in length but less than 26 feet in length \$55.00

73 For vessels at least 26 feet in length but less than 40 feet in length \$100.00

74 For vessels at least 40 feet and over \$150.00

75 11. The certificate of title and certificate of number issued by the director of revenue  
76 shall be manufactured in a manner to prohibit as nearly as possible the ability to alter,  
77 counterfeit, duplicate, or forge such certificate without ready detection.

78 12. For fiscal years ending before July 1, 2019, the first two million dollars collected  
79 annually under the provisions of this section shall be deposited into the state general revenue  
80 fund. All fees collected under the provisions of this section in excess of two million dollars  
81 annually shall be deposited in the water patrol division fund and shall be used exclusively for the  
82 water patrol division.

83 13. Beginning July 1, 2019, the first one million dollars collected annually under the  
84 provisions of this section shall be deposited into the state general revenue fund. All fees  
85 collected under the provisions of this section in excess of one million dollars annually shall be  
86 deposited in the water patrol division fund and shall be used exclusively for the water patrol  
87 division.

88 14. Notwithstanding the provisions of subsection 10 of this section, vessels at least  
89 sixteen feet in length but less than twenty-eight feet in length, that are homemade, constructed  
90 out of wood, and have a beam of five feet or less, shall pay a fee of fifty-five dollars which shall  
91 accompany each application for a certification number.

307.128. 1. A headlamp on a motorcycle may be wired to modulate either the upper  
2 beam or the lower beam from its maximum intensity to a lesser intensity provided that:

3 (1) The rate of modulation shall be two hundred forty plus or minus forty cycles per  
4 minute;

5 (2) The headlamp shall be operated at a maximum power for fifty to seventy percent of  
6 each cycle;

7 (3) The lowest intensity at any test point shall not be less than seventeen percent of the  
8 maximum intensity measured at the same point;

9 (4) The modulator switch shall be wired in the power lead of the beam filament being  
10 modulated and not in the ground side of the circuit;

11 (5) Means shall be provided so that both the lower beam and the upper beam remain  
12 operable in the event of a modulation failure;

13 (6) The system shall include a sensor mounted with the axis of its sensing element  
14 perpendicular to a horizontal plane. Headlamp modulation shall cease whenever the level of  
15 light emitted by a tungsten filament operating at three thousand degrees kelvin is either less than  
16 two hundred seventy lux of direct light for upward pointing sensors or less than sixty lux of  
17 reflected light for downward pointing sensors. The light is measured by a silicon cell type light  
18 meter that is located at the sensor and pointing in the same direction as the sensor. A photo gray  
19 card is placed at ground level to simulate the road surface in testing downward pointing sensors;

20 (7) Means shall be provided so that both the lower and upper beam function at design  
21 voltage when the headlamp control switch is in either the lower or upper beam position when the  
22 modulator is off.

23 2. Each motorcycle headlamp modulator not intended as original equipment, or its  
24 container, shall be labeled with the maximum wattage, and the minimum wattage appropriate  
25 for its use. Additionally, each such modulator shall comply with the provisions of subdivisions  
26 (1) to (7) of subsection 1 of this section when connected to a headlamp of the maximum-rated  
27 power and headlamp of the minimum-rated power, and shall provide means so that the  
28 modulated beam functions at design voltage when the modulator is off. Instructions, with a  
29 diagram, shall be provided for mounting the light sensor including location on the motorcycle,  
30 distance above the road surface, and orientation with respect to the light.

31 3. Notwithstanding any other provision of law, subject to the requirements of subsection  
32 4 of this section, a motorcycle may be equipped with, and an operator of a motorcycle may use,  
33 the following auxiliary lighting:

34 (1) ~~[Amber and white illumination]~~ **Any color illumination;**

35 (2) Standard bulb running lights; or

36 (3) Light-emitting diode pods and strips.

37 4. Lighting under subsection 3 of this section shall be:

38 (1) Nonblinking;

39 (2) Nonflashing;

40 (3) Nonoscillating; and

41 (4) Directed toward the engine and the drive train of the motorcycle to prevent  
42 interference with the driver's operation of the vehicle.

307.175. 1. Motor vehicles and equipment which are operated by any member of an  
2 organized fire department, ambulance association, or rescue squad, whether paid or volunteer,

3 may be operated on streets and highways in this state as an emergency vehicle under the  
4 provisions of section 304.022 while responding to a fire call or ambulance call or at the scene  
5 of a fire call or ambulance call and while using or sounding a warning siren and using or  
6 displaying thereon fixed, flashing or rotating blue lights, but sirens and blue lights shall be used  
7 only in bona fide emergencies.

8       2. (1) Notwithstanding subsection 1 of this section, the following vehicles may use or  
9 display fixed, flashing, or rotating red or red and blue lights:

10       (a) Emergency vehicles, as defined in section 304.022, when responding to an  
11 emergency;

12       (b) Vehicles operated as described in subsection 1 of this section;

13       (c) Vehicles and equipment owned or leased by a contractor or subcontractor performing  
14 work for the department of transportation, except that the red or red and blue lights shall be  
15 displayed on vehicles or equipment described in this paragraph only between dusk and dawn,  
16 when such vehicles or equipment are stationary, such vehicles or equipment are located in a work  
17 zone as defined in section 304.580, highway workers as defined in section 304.580 are present,  
18 and such work zone is designated by a sign or signs. No more than two vehicles or pieces of  
19 equipment in a work zone may display fixed, flashing, or rotating lights under this subdivision;

20       **(d) Vehicles and equipment owned, leased, or operated by a coroner, medical**  
21 **examiner, or forensic investigator of the county medical examiner's office or a similar**  
22 **entity, when responding to a crime scene, motor vehicle accident, workplace accident, or**  
23 **any location at which the services of such professionals have been requested by a law**  
24 **enforcement officer.**

25       (2) The following vehicles and equipment may use or display fixed, flashing, or rotating  
26 amber or amber and white lights:

27       (a) Vehicles and equipment owned or leased by the state highways and transportation  
28 commission and operated by an authorized employee of the department of transportation;

29       (b) Vehicles and equipment owned or leased by a contractor or subcontractor performing  
30 work for the department of transportation, except that the amber or amber and white lights shall  
31 be displayed on vehicles described in this paragraph only when such vehicles or equipment are  
32 located in a work zone as defined in section 304.580, highway workers as defined in section  
33 304.580 are present, and such work zone is designated by a sign or signs;

34       (c) Vehicles and equipment operated by a utility worker performing work for the utility,  
35 except that the amber or amber and white lights shall be displayed on vehicles described in this  
36 paragraph only when such vehicles are stationary, such vehicles or equipment are located in a  
37 work zone as defined in section 304.580, a utility worker is present, and such work zone is  
38 designated by a sign or signs. As used in this paragraph, the term "utility worker" means any

39 employee while in performance of his or her job duties, including any person employed under  
40 contract of a utility that provides gas, heat, electricity, water, steam, telecommunications or cable  
41 services, or sewer services, whether privately, municipally, or cooperatively owned.

42 3. Permits for the operation of such vehicles equipped with sirens or blue lights shall be  
43 in writing and shall be issued and may be revoked by the chief of an organized fire department,  
44 organized ambulance association, rescue squad, or the state highways and transportation  
45 commission and no person shall use or display a siren or blue lights on a motor vehicle, fire,  
46 ambulance, or rescue equipment without a valid permit authorizing the use. A permit to use a  
47 siren or lights as heretofore set out does not relieve the operator of the vehicle so equipped with  
48 complying with all other traffic laws and regulations. Violation of this section constitutes a class  
49 A misdemeanor.

307.380. 1. Every vehicle of the type required to be inspected upon having been  
2 involved in an accident and when so directed by a police officer must be inspected and an official  
3 certificate of inspection and approval, sticker, seal or other device be obtained for such vehicle  
4 before it is again operated on the highways of this state. At the seller's expense every **used**  
5 **motor** vehicle of the type required to be inspected by section 307.350~~[, whether new or used,]~~  
6 shall immediately prior to sale be fully inspected regardless of any current certificate of  
7 inspection and approval, and an appropriate new certificate of inspection and approval, sticker,  
8 seal or other device shall be obtained.

9 2. Nothing contained in the provisions of this section shall be construed to prohibit a  
10 dealer or any other person from selling a vehicle without a certificate of inspection and approval  
11 if the vehicle is sold for junk, salvage, or for rebuilding, or for vehicles sold at public auction or  
12 from dealer to dealer. The purchaser of any vehicle which is purchased for junk, salvage, or for  
13 rebuilding, shall give to the seller an affidavit, on a form prescribed by the superintendent of the  
14 Missouri state highway patrol, stating that the vehicle is being purchased for one of the reasons  
15 stated herein. No vehicle of the type required to be inspected by section 307.350 which is  
16 purchased as junk, salvage, or for rebuilding shall again be registered in this state until the owner  
17 has submitted the vehicle for inspection and obtained an official certificate of inspection and  
18 approval, sticker, seal or other device for such vehicle.

19 3. Notwithstanding the provisions of section 307.390, violation of this section shall be  
20 deemed an infraction.

407.300. 1. Every purchaser or collector of, or dealer in, junk, scrap metal, or any  
2 secondhand property **who obtains items for resale or profit** shall keep a register containing a  
3 written or electronic record for each purchase or ~~[trade-in which]~~ **trade-in of** each type of  
4 material subject to the provisions of this section ~~[is]~~ obtained for value. There shall be a separate  
5 record for each transaction involving any:

- 6 (1) Copper, brass, or bronze;
- 7 (2) Aluminum wire, cable, pipe, tubing, bar, ingot, rod, fitting, or fastener;

407.526. 1. A person commits the crime of odometer fraud in the third degree if, with  
2 the intent to defraud, he operates a motor vehicle less than ~~ten~~ **twenty** years old on any street  
3 or highway knowing that the odometer of the motor vehicle is disconnected or not functioning.

4 2. Odometer fraud in the third degree is a class C misdemeanor.

407.536. 1. Any person transferring ownership of a motor vehicle previously titled in  
2 this or any other state shall do so by assignment of title and shall place the mileage registered on  
3 the odometer at the time of transfer above the signature of the transferor. The signature of the  
4 transferor below the mileage shall constitute an odometer mileage statement. The transferee  
5 shall sign such odometer mileage statement before an application for certificate of ownership  
6 may be made. If the true mileage is known to the transferor to be different from the number of  
7 miles shown on the odometer or the true mileage is unknown, a statement from the transferor  
8 shall accompany the assignment of title which shall contain all facts known by the transferor  
9 concerning the true mileage of the motor vehicle. That statement shall become a part of the  
10 permanent record of the motor vehicle with the Missouri department of revenue. The department  
11 of revenue shall place on all new titles issued after September 28, 1977, a box titled "mileage at  
12 the time of transfer".

13 2. Any person transferring the ownership of a motor vehicle previously untitled in this  
14 or any other state to another person shall give an odometer mileage statement to the transferee.  
15 The statement shall include above the signature of the transferor and transferee the cumulative  
16 mileage registered on the odometer at the time of transfer. If the true mileage is known to the  
17 transferor to be different from the number of miles shown on the odometer or the true mileage  
18 is unknown, a statement from the transferor shall accompany the assignment of title which shall  
19 contain all facts known by the transferor concerning the true mileage of the motor vehicle. That  
20 statement shall become a permanent part of the records of the Missouri department of revenue.

21 3. If, upon receiving an application for registration or for a certificate of ownership of  
22 a motor vehicle, the director of revenue has credible evidence that the odometer reading provided  
23 by a transferor is materially inaccurate, he may place an asterisk on the face of the title document  
24 issued by the Missouri department of revenue, provided that the process required thereby does

25 not interfere with his obligations under subdivision (2) of subsection 3 of section 301.190. The  
26 asterisk shall refer to a statement on the face and at the bottom of the title document which shall  
27 read as follows: "This may not be the true and accurate mileage of this motor vehicle. Consult  
28 the documents on file with the Missouri department of revenue for an explanation of the  
29 inaccuracy.". Nothing in this section shall prevent any person from challenging the  
30 determination by the director of revenue in the circuit courts of the state of Missouri. The burden  
31 of proof shall be on the director of the department of revenue in all such proceedings.

32 4. The mileage disclosed by the odometer mileage statement for a new or used motor  
33 vehicle as described in subsections 1 and 2 of this section shall be placed by the transferor on any  
34 title or document evidencing ownership. Additional statements shall be placed on the title  
35 document as follows:

36 (1) If the transferor states that to the best of his knowledge the mileage disclosed is the  
37 actual mileage of the motor vehicle, an asterisk shall follow the mileage on the face of the title  
38 or document of ownership issued by the Missouri department of revenue. The asterisk shall  
39 reference to a statement on the face and bottom of the title document which shall read as follows:  
40 "Actual Mileage";

41 (2) Where the transferor has submitted an explanation why this mileage is incorrect, an  
42 asterisk shall follow the mileage on the face of the title or document of ownership issued by the  
43 Missouri department of revenue. The asterisk shall reference to a statement on the face and at  
44 the bottom of the title document which shall read as follows: "This is not the true and accurate  
45 mileage of this motor vehicle. Consult the documents on file with the Missouri department of  
46 revenue for an explanation of the inaccuracy.". Further wording shall be included as follows:

47 (a) If the transferor states that the odometer reflects the amount of mileage in excess of  
48 the designed mechanical odometer limit, the above statement on the face of the title document  
49 shall be followed by the words: "Mileage exceeds the mechanical limits";

50 (b) If the transferor states that the odometer reading differs from the mileage and that the  
51 difference is greater than that caused by odometer calibration error and the odometer reading  
52 does not reflect the actual mileage and should not be relied upon, the above statement on the face  
53 of the title document shall be preceded by the words: "Warning Odometer Discrepancy".

54 5. The department of revenue shall notify all motor vehicle ownership transferees of the  
55 civil and criminal penalties involving odometer fraud.

56 6. Any person defacing or obscuring or otherwise falsifying any odometer reading on any  
57 document required by this section shall be guilty of a class E felony.

58 7. The granting or creation of a security interest or lien shall not be considered a change  
59 of ownership for the purpose of this section, and the grantor of such lien or security interest shall  
60 not be required to make an odometer mileage statement. The release of a lien by a mortgage

61 holder shall not be considered a change of ownership of the motor vehicle for the purposes of  
62 this section. The mortgage holder or lienholder shall not be required to make an odometer  
63 disclosure statement or state the current odometer setting at the time of the release of the lien  
64 where there is no change of ownership.

65 8. For the purposes of the mileage disclosure requirements of this section, if a certificate  
66 of ownership is held by a lienholder, if the transferor makes application for a duplicate certificate  
67 of ownership, or as otherwise provided in the federal Motor Vehicle Information and Cost  
68 Savings Act and related federal regulations, the transferor may execute a written power of  
69 attorney authorizing a transfer of ownership. The person granted such power of attorney shall  
70 restate exactly on the assignment of title the actual mileage disclosed at the time of transfer. The  
71 power of attorney shall accompany the certificate of ownership and the original power of  
72 attorney and a copy of the certificate of ownership shall be returned to the issuing state in the  
73 manner prescribed by the director of revenue, unless otherwise provided by federal law, rule or  
74 regulation. The department of revenue may prescribe a secure document for use in executing a  
75 written power of attorney **and may allow electronic signatures on such document**. The  
76 department shall collect a fee for each form issued, not to exceed the cost of procuring the form.
