11 inhabitants, are hereby authorized to form extension districts made up of cooperating**

12 counties for the purpose of funding extension programming. An extension district may be
13 a single-council district or a consolidated district. A single-council district shall be formed
14 upon a majority vote of the full council. A consolidated district shall be formed upon a
15 majority vote of each participating council.

16 3. In a single-council district, the council shall serve as the district's governing
17 body. In addition to any other powers and duties granted to the council under sections
18 262.550 to 262.620, the council shall also have the powers and duties provided under
19 subsection 5 of this section.

20 4. In a consolidated district, the governing body of the district shall consist of at

22 The term of office shall be two years. Representatives may be reappointed. The governing
23 body shall elect officers, who shall serve as officers for two years, and establish a regular
24 meeting schedule which shall not be less than once every three months.

25 5. The governing body of a district shall have the following powers and duties:

33 are used solely for extension programming in the district;

34 (4) Approve payments from the special fund in which the tax revenue is deposited;
35 and

36 (5) Work cooperatively with each participating council to plan and facilitate the
37 programs, equipment, and activities in the district.

38 6. The governing body of a district may submit a question to the voters of the
39 district to institute a property tax levy in the county or counties that compose the district.
40 Questions may be submitted to the voters of the district at any general municipal election.
41 Any such proposed tax shall not exceed thirty cents per one hundred dollars of assessed
42 valuation. The costs of submitting the question to the voters at the general municipal
43 election shall be paid as provided in section 115.063. Such question shall be submitted in
44 substantially the following form:

45 "Shall the Extension District in County (insert name of county) be authorized
46 to levy an annual tax of (insert amount not to exceed thirty) cents per one hundred

47 dollars of assessed valuation for the purpose of funding the University of Missouri
48 Extension District programs, equipment, and services in the district?"

49

50 In a single-council district, if a majority of the voters in the county approve the question,
51 then the district shall impose the tax. If a majority of the voters in a single-council district
52 do not approve the question, then no tax shall be imposed. In a consolidated district, if a
53 majority of voters in each county in the district approve the question, then the district shall
54 impose the tax. If a majority of the voters in a consolidated district do not approve the
55 question, then no tax shall be imposed in any county of the district. In a consolidated
56 district, if a majority of voters in a county do not approve the question, the council in the
57 county that did not approve the question may withdraw from the district. Upon such
58 withdrawal, the district shall be made up of the remaining counties and the tax shall be
59 imposed in those counties. However, if the county that did not approve the question does
60 not withdraw from the district, the tax shall not be imposed. Revenues collected from the
61 imposition of a tax authorized under this section shall be deposited into a special fund
62 dedicated only for use by the local district for programming purposes.

63 7. The county commission of any county in which the tax authorized under this
64 section is levied and collected:

65 (1) Shall be exempt from the funding requirements under section 262.597 if revenue
66 derived from the tax authorized under this section is in excess of an amount equal to two
67 hundred percent of the average funding received under section 262.597 for the immediately
68 preceding three years; or

69 (2) May reduce the current year's funding amount under section 262.597 by thirty-
70 three percent of the amount of tax revenues derived from the tax authorized under this
71 section which exceed the average amount of funding received under section 262.597 for the
72 immediately preceding three years.

73 8. Any county that collects tax revenues authorized under this section shall transfer
74 all attributable revenue plus monthly interest for deposit into the district's special fund.

76 investment fiduciaries as provided in section 105.688.

77 9. In any county in which a single-council district is established, and for which a
78 tax has not been levied, the district may be dissolved in the same manner in which it was
79 formed.

80 10. A county may withdraw from a consolidated district at any time by the filing
81 of a petition with the circuit court having jurisdiction over the district. The petition shall
82 be signed by not fewer than ten percent of those who voted in the most recent presidential

83 election in the county seeking to withdraw that is part of a consolidated district stating that
84 further operation of the district is contrary to the best interest of the inhabitants of the
85 county in which the district is located and that the county seeks to withdraw from the
86 district. The circuit court shall hear evidence on the petition. If the court finds that it is
87 in the best interest of the inhabitants of the county in which the district is located for the
88 county to withdraw from the district, the court shall make an order reciting the same and
89 submit the question to the voters. The costs of submitting the question to the voters at the
90 general municipal election shall be paid as provided in section 115.063. The question shall
91 be submitted in substantially the following format:

92 "Shall the County of (insert name of county) being part of (insert name
93 of district) Extension District withdraw from the district?"

94

95 The question shall be submitted at the next general municipal election date. The election
96 returns shall be certified to the court. If the court finds that two-thirds of the voters voting
97 on the question voted in favor of withdrawing from the district, the court shall issue an
98 order withdrawing the county from the district, which shall contain a proviso that the
99 district shall remain intact for the sole purposes of paying all outstanding and lawful
100 obligations and disposing of the district's property. No additional costs or obligations for
101 the withdrawing county shall be created except as necessary. The withdrawal shall occur
102 on the first day of the following January after the vote. If the court finds that two-thirds
103 of the voters voting on the question shall not have voted favorably on the question to
104 withdraw from the district, the court shall issue an order dismissing the petition and the
105 district shall continue to operate.

106 11. The governing body of any district may seek voter approval to increase its
107 current tax rate authorized under this section, provided such increase shall not cause the
108 total tax to exceed thirty cents per one hundred dollars of assessed valuation. To propose
109 such an increase, the governing body shall submit the question to the voters at the general
110 municipal election in the county in which the district is located. The costs of submitting
111 the question to the voters at the general municipal election shall be paid as provided in
112 section 115.063. The question shall be submitted in substantially the following form:

113 "Shall the Extension District in (insert name of county or counties) be
114 authorized to increase the tax rate from (insert current amount of tax) cents to
115 (insert proposed amount of tax not to exceed thirty) cents per one hundred dollars of
116 assessed valuation for the purpose of funding the University of Missouri Extension District
117 programs, equipment, and services in the district?"

118

119 **In a single-council district, if a majority of the voters in the county approve the question,**
120 **then the district shall impose the tax. If a majority of the voters in a single-council district**
121 **do not approve the question, then the tax shall not be imposed. In a consolidated district,**
122 **if a majority of voters in the district approve the question, then the district shall impose the**
123 **new tax rate. If a majority of the voters in a consolidated district do not approve the**
124 **question, then the tax shall not be imposed in any county of the district. Revenues collected**
125 **from the imposition of the tax authorized under this section shall be deposited into the**
126 **special fund dedicated only for use by the district.**

262.750. Notwithstanding any other provision of law, the right to conduct and
2 **participate in rodeos in this state shall be guaranteed and no law, ordinance, or rule shall**
3 **be enacted to prohibit the conducting of or participation in rodeos in this state; except that,**
4 **nothing in this section shall be construed to override the protections under chapter 267 or**
5 **prohibit any reasonable restrictions regarding time, place, and manner consistent with**
6 **other similar events. Promoters of rodeos shall have the authority to establish fees and set**
7 **rules for their specific events, including but not limited to qualifications and procedures**
8 **for participation.**

262.795. Any law to the contrary notwithstanding, a child, as defined in subdivision
2 **(1) of section 294.011, may perform agricultural work, as defined in subdivision (1) of**

7 **work that would otherwise be prohibited by subdivisions (1), (2), (3), (7), and (12) of section**
8 **294.040; but no such child shall be permitted to engage in any other activities prohibited**
9 **by section 294.040. The term "parent", as used in this section, shall have the same**
10 **meaning as in subdivision (8) of section 294.011. Children engaged in work permitted by**
11 **this section may do so without obtaining a work certificate as required by section 294.024.**
12 **Children engaged in work permitted by this section are not subject to the limitations set**
13 **out in section 294.030 and subsection 4 of section 294.045.**

267.655. In addition to the remedies provided for in sections 267.560 to 267.660 by law,
2 **the following civil penalties may be imposed:**

3 **(1) If the director determines, after inquiry and opportunity for a hearing, that any**
4 **individual is in violation of any provision of sections 267.560 to 267.660, or any regulations**

 85 such bridge. The governing body of any city or county may grant authority by act or ordinance
 86 to the state highways and transportation commission to enact the limitations established in this

105 8. Notwithstanding the provision of this section to the contrary, the maximum gross
106 vehicle limit and axle weight limit for any vehicle or combination of vehicles equipped with an

109 amended. In no case shall the additional weight increase allowed by this subsection be greater
110 than four hundred pounds. Upon request by an appropriate law enforcement officer, the vehicle
111 operator shall provide proof that the idle reduction technology is fully functional at all times and
