18 NEW SECTION. Section 1. Definitions. For the purposes of [this act], the following definitions apply:

- 19 (1) "Chief information officer" has the meaning provided in 2-17-506.
- 20 (2) "Information technology" has the meaning provided in 2-17-506.
- 21 (3) "Information technology capital project" means a group of interrelated information technology
22 activities that are planned and executed in a structured sequence to create a unique product or service.
- 23 (4) "LRITP" means the long-range information technology program account in the capital projects fund
24 type.

25
26 NEW SECTION. Section 2. Appropriations and authorizations. (1) All business application systems
27 funded under this section must have a plan approved by the chief information officer for the design, definition,
28 creation, storage, and security of the data associated with the application system. The security aspects of the plan
29 must address but are not limited to authentication and granting of system privileges, safeguards against
30 unauthorized access to or disclosure of sensitive information, and, consistent with state records retention policies,

1 plans for the removal of sensitive data from the system when it is no longer needed. It is the intent of this
 2 subsection that specific consideration be given to the potential sharing of data with other state agencies in the
 3 design, definition, creation, storage, and security of the data.

4 (2) Funds may not be released for a project until the chief information officer and the budget director
 5 approve the plans described in subsection (1).
