28 **Section 1.** Section 2-7-503, MCA, is amended to read:
29 **"2-7-503. Financial reports and audits of local government entities.** (1) The governing body or
30 managing or executive officer of a local government entity, other than a school district or associated cooperative,

1 shall ensure that a financial report is made every year. A school district or associated cooperative shall comply
2 with the provisions of 20-9-213. The financial report must cover the preceding fiscal year, be in a form prescribed
3 by the department, and be completed and submitted to the department for review within 6 months of the end of
4 the reporting period.

5 (2) The department shall prescribe a uniform reporting system for all local government entities subject
6 to financial reporting requirements, other than school districts. The superintendent of public instruction shall
7 prescribe the reporting requirements for school districts.

8 (3) (a) The governing body or managing or executive officer of each local government entity receiving
9 revenue or financial assistance in the period covered by the financial report in excess of ~~the threshold dollar~~
10 ~~amount established by the director of the office of management and budget pursuant to 31 U.S.C. 7502(a)(3)~~

12 least every 2 years. The audit must cover the entity's preceding 2 fiscal years. The audit must commence within
13 9 months from the close of the last fiscal year of the audit period. The audit must be completed and submitted
14 to the department for review within 1 year from the close of the last fiscal year covered by the audit.

15 (b) The governing body or managing or executive officer of a local government entity that does not meet

22 state or federal law or regulation. If an audit conducted pursuant to this part provides a state agency with the
23 information that it requires to carry out its responsibilities under state or federal law or regulation, the state agency
24 shall rely upon and use that information to plan and conduct its own audits or reviews in order to avoid a
25 duplication of effort.

26 (5) In addition to the audits required by this section, the department may at any time conduct or contract
