9 exempt from the requirement to obtain workers' compensation coverage under 39-71-401(2)(r) with respect to  
10 a company that primarily performs agricultural work at a fixed business location or under 39-71-401(2)(d) and is

4 \$900 a month and not more than 1 1/2 times the state's average weekly wage.

5 (5) (a) If the employer is a quasi-public or a private corporation or a manager-managed limited liability

15 based on the amount of elected wages, subject to the minimum and maximum limitations of this subsection (5)(d).  
16 For premium ratemaking and for the determination of the weekly wage for weekly compensation benefits, the  
17 electing employer may elect an amount of not less than \$200 a week and not more than 1 1/2 times the state's  
18 average weekly wage.

19 (6) Except as provided in Title 39, chapter 8, an employee or worker in this state whose services are  
20 furnished by a person, association, contractor, firm, limited liability company, limited liability partnership, or  
21 corporation, other than a temporary service contractor, to an employer, as defined in 39-71-117, is presumed to

23 39-71-117(3).

24 (7) A student currently enrolled in an elementary, secondary, or postsecondary educational institution  
25 who is participating in work-based learning activities and who is paid wages by the educational institution or  
26 business partner is the employee of the entity that pays the student's wages for all purposes under this chapter.  
27 A student who is not paid wages by the business partner or the educational institution is a volunteer and is subject  
28 to the provisions of this chapter.

29 (8) For purposes of this section, an "employee or worker in this state" means:

2 (b) a nonresident of Montana whose principal employment duties are conducted within this state on a  
3 regular basis for an employer;

4 (c) a nonresident employee of an employer from another state engaged in the construction industry, as  
5 defined in 39-71-116, within this state; or

8 (i) nonresident employees are hired in Montana;

9 (ii) nonresident employees' wages are paid in Montana;

10 (iii) nonresident employees are supervised in Montana; and

11 (iv) business records are maintained in Montana.

12 (9) An insurer may require coverage for all nonresident employees of a Montana employer who do not  
13 meet the requirements of subsection (8)(b) or (8)(d) as a condition of approving the election under subsection  
14 (8)(d).

15 (10) (a) With the approval of the insurer, an ambulance service not otherwise covered by subsection  
16 (1)(g) or a paid or volunteer nontransporting medical unit, as defined in 50-6-302, in service to a town, city, or  
17 county may elect to include as an employee within the provisions of this chapter a volunteer emergency medical  
18 technician who serves public safety through the ambulance service not otherwise covered by subsection (1)(g)  
19 or the paid or volunteer nontransporting medical unit.

20 (b) In the event of an election under subsection (10)(a), the employer shall report payroll for all volunteer  
21 emergency medical technicians for premium and weekly benefit purposes based on the number of volunteer  
22 hours of each emergency medical technician, but no more than 60 hours, times the state's average weekly wage  
23 divided by 40 hours.

24 (c) An ambulance service not otherwise covered by subsection (1)(g) or a paid or volunteer  
25 nontransporting medical unit, as defined in 50-6-302, may make a separate election to provide benefits as  
26 described in this subsection (10) to a member who is either a self-employed sole proprietor or partner who has  
27 elected not to be covered under this chapter, but who is covered as a volunteer emergency medical technician  
28 pursuant to subsection (10)(a). When injured in the course and scope of employment as a volunteer emergency  
29 medical technician, a member may instead of the benefits described in subsection (10)(b) be eligible for benefits  
30 at an assumed wage of the minimum wage established under Title 39, chapter 3, part 4, for 2,080 hours a year.

1 If the separate election is made as provided in this subsection (10), payroll information for those self-employed  
2 sole proprietors or partners must be reported and premiums must be assessed on the assumed weekly wage.

3 (d) A volunteer emergency medical technician who receives workers' compensation coverage under this  
4 section may not receive disability benefits under Title 19, chapter 17, if the individual is also eligible as a volunteer  
5 firefighter.

6 (e) (i) The term "volunteer emergency medical technician" means a person who has received a certificate  
7 issued by the board of medical examiners as provided in Title 50, chapter 6, part 2, and who serves the public

12 (f) The term "volunteer hours" means the time spent by a volunteer emergency medical technician in the
