25 release or a notice to appear to answer to a charge of violation. The notice must be served personally upon the
26 parolee. The warrant must authorize all officers named in the warrant to return the parolee to the actual custody
27 of the penal institution from which the parolee was released or to any other suitable detention facility designated
28 by the department.

29 (2) Any probation and parole officer may arrest the parolee without a warrant or may deputize any other
30 officer with power to arrest to do so by giving the officer oral authorization and within 12 hours delivering to the

1 place of detention a written statement setting forth that the parolee has, in the judgment of the probation and
 2 parole officer, violated the conditions of the parolee's release. A written statement or oral authorization delivered
 3 with the parolee by the arresting officer to the official in charge of the institution from which the parolee was

 6 parole officer, after making an arrest, shall present to the detaining authorities a similar statement of the
 7 circumstances of violation.

2 responses and position of the parolee and the substance of the documents or evidence given in support of parole
3 revocation. Based on the information given to the hearings officer, the hearings officer shall determine whether
4 there is probable cause and then determine whether to initiate an informal violation intervention hearing or to hold
5 the parolee for the final decision of the board of pardons and parole as provided in 46-23-1025.

6 (4) (a) In lieu of an initial hearing, a probation and parole officer who reasonably believes that a parolee

12 (b) A hearings officer designated by the department IN CONJUNCTION WITH THE BOARD shall conduct the
13 intervention hearing. The hearing may be conducted by interactive videoconference.

14 (c) If the hearings officer determines by a preponderance of the evidence that a parolee has violated a
15 condition of parole, the hearings officer shall consult the department's incentives and interventions grid and
16 determine an appropriate response, including whether to:

25 department's incentives and interventions grid have been exhausted.

26 (5) If the hearings officer recommends a response under subsection (4)(c)(ii), the officer shall notify the
27 parolee of the recommendation and of the parolee's right to instead have the matter referred for a revocation
28 hearing under 46-23-1025.

29 (6) The provisions of Title 46, chapter 9, regarding release on bail of a person charged with a crime are

5 probable cause to believe that the prisoner has violated a condition of parole and directs the probation and parole
6 officer to initiate a petition for revocation, the probation and parole officer shall immediately notify the board and
7 shall submit in writing a report showing in what manner the prisoner has violated the conditions of release and
8 describe the exhaustion of appropriate violation responses according to the department's incentives and
