Any automatic teller machine owned by a nonfinancial institution third party shall be sponsored by an establishing financial institution. Neither such automatic teller machines nor the transactions conducted thereat shall be construed as the establishment of a branch or as branch banking.

(2) Any financial institution may become a user financial institution by agreeing to pay the establishing financial institution the automatic teller machine usage fee. Such agreement shall be implied by the use of such automatic teller machines.

(3)(a)(i) All automatic teller machines shall be made available on a nondiscriminating basis for use by Nebraska customers of a user financial institution and (ii) all Nebraska automatic teller machine transactions initiated by Nebraska customers of a user financial institution shall be made on a nondiscriminating basis.

(c) The director, upon notice and after a hearing, may terminate or suspend the use of any automatic teller machine if he or she determines that the automatic teller machine is not made available on a nondiscriminating basis or that Nebraska automatic teller machine transactions initiated at such automatic teller machine are not made on a nondiscriminating basis.

(d) A switch (i) shall provide to all financial institutions that have a main office or approved branch located in the State of Nebraska and that conform to the operating rules and technical standards established by the switch an equal opportunity to participate in the switch for the use of and access thereto; (ii) shall be capable of operating to accept and route Nebraska automatic teller machine transactions, whether receiving data from an automatic teller machine, an establishing financial institution, or a data processing center; and (iii) shall be capable of being directly or indirectly connected to every data processing center for any automatic teller machine.

(e) The director, upon notice and after a hearing, may terminate or suspend the operation of any switch with respect to all Nebraska automatic teller machine transactions if he or she determines that the switch is not being operated in the manner required under subdivision (3)(d) of this section.

(f) Subject to the requirement for a financial institution to comply with this subsection, no user financial institution or establishing financial institution shall be required to become a member of any particular switch.

(4) Any consumer initiating an electronic funds transfer at an automatic teller machine for which an automatic teller machine surcharge will be imposed shall receive notice in accordance with the provisions of 15 U.S.C. 1693b(d)(3) (A) and (B), as such section existed on January 1, 2021 ~~2020~~. Such notice shall

appear on the screen of the automatic teller machine or appear on a paper notice issued from such machine after the transaction is initiated and before the consumer is irrevocably committed to completing the transaction.

(6) A seller of goods and services or any other third party on whose premises one or more point-of-sale terminals are established shall not be, solely by virtue of such establishment, a financial institution and shall not be subject to the laws governing, or other requirements imposed on, financial institutions, except for the requirement that it faithfully perform its obligations in connection with any transaction originated at any point-of-sale terminal on its premises.

(7) Nothing in this section shall be construed to prohibit nonbank employees from assisting in transactions originated at automatic teller machines or point-of-sale terminals, and such assistance shall not be deemed to be engaging in the business of banking.

(8)(a) Annually by September 1, any entity operating as a switch in Nebraska shall file a notice with the department setting forth its name, address, and contact information for an officer authorized to answer inquiries related to its operations in Nebraska.

(b) Any entity intending to operate in Nebraska as a switch shall file a notice with the department setting forth its name, address, and contact information for an officer authorized to answer inquiries related to its operations in Nebraska. Such notice shall be filed at least thirty days prior to the date on which the switch commences operations, and thereafter annually by September 1.

(9) Nothing in this section prohibits ordinary clearinghouse transactions between financial institutions.

(10) Nothing in this section shall prevent any financial institution which has a main chartered office or an approved branch located in the State of Nebraska from participating in a national automatic teller machine program to allow its customers to use automatic teller machines located outside of the State of Nebraska which are established by out-of-state financial institutions or foreign financial institutions or to allow customers of out-of-state financial institutions or foreign financial institutions to use its automatic teller machines. Such participation and any automatic teller machine usage fees charged or received pursuant to the national automatic teller machine program or usage fees charged for the use of its automatic teller machines by customers of out-of-state financial institutions or foreign financial institutions shall not be considered for purposes of determining (a) if an automatic teller machine has been made available or Nebraska automatic teller machine transactions have been made on a nondiscriminating basis for use by Nebraska customers of a user financial institution or (b) if a switch complies with subdivision (3)(d) of this section.

(11) An agreement to operate or share an automatic teller machine may not prohibit, limit, or restrict the right of the operator or owner of the automatic teller machine to charge a customer conducting a transaction using an account from a foreign financial institution an access fee or surcharge not otherwise prohibited under state or federal law.

(12) Switch fees shall not be subject to this section or be regulated by the department.

(13) Nothing in this section shall prevent a group of two or more credit unions, each of which has a main chartered office or an approved branch located in the State of Nebraska, from participating in a credit union service organization organized on or before January 1, 2015, for the purpose of owning automatic teller machines, provided that all participating credit unions have an ownership interest in the credit union service organization and that the credit union service organization has an ownership interest in each of the participating credit unions' automatic teller machines. Such participation and any automatic teller machine usage fees associated with Nebraska automatic teller machine transactions initiated by customers of participating credit unions at such automatic teller machines shall not be considered for purposes of determining if such automatic teller machines have been made available on a nondiscriminating basis or if Nebraska automatic teller machine transactions initiated at such automatic teller machines have been made on a nondiscriminating basis, provided that all Nebraska automatic teller machine transactions initiated by customers of participating credit unions result in the same automatic teller machine usage fees for essentially the same service routed over the same switch.

(14) Nebraska automatic teller machine usage fees and any agreements relating to Nebraska automatic teller machine usage fees shall comply with subsection (3) of this section.

(f) Essentially the same service means the same Nebraska automatic teller machine transaction offered by an establishing financial institution irrespective of the user financial institution, the Nebraska customer of which initiates the Nebraska automatic teller machine transaction. If losses have at any time been sustained equal to or exceeding the retained net income undivided profits on hand, no dividends shall be made without the written permission of the director. No dividend shall be made by any bank in an amount greater than the retained net income net profits on hand without the written permission of the director.

(2) As used in this section, retained net income net profits on hand means the sum of the bank's net income, as reported in its most recent report of condition and income, less any dividends declared during such year, for the current and two prior calendar years.
