AN ACT relating to public safety; prohibiting a person from using, carrying or possessing a firearm under certain circumstances related to the commission of certain drug offenses; prescribing the unit of prosecution for certain crimes involving dangerous weapons; authorizing a juvenile justice agency, the juvenile court and an agency which provides child welfare services to release certain information and records for the purpose of conducting a background check relating to the sale or transfer of a firearm; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Federal law provides that using or carrying a firearm during and in relation to a drug trafficking crime or possessing a firearm in furtherance of the commission of a drug trafficking crime is a separate criminal offense from the underlying drug trafficking crime. (18 U.S.C. § 924(c)) **Section 2** of this bill enacts provisions based on this federal law which prohibit a person from: (1) using or carrying a firearm during and in relation to the commission of certain drug offenses; and (2) possessing a firearm in furtherance of the commission of certain drug offenses. **Section 2** provides that a person who violates this prohibition is guilty of a category B felony.

Existing law prohibits a person who has been convicted of a felony from owning or possessing “any firearm,” unless the person has received a pardon. (NRS 202.360) The Nevada Supreme Court has held that the State may only charge a defendant with one count of being a felon in possession of a firearm for each such incident, regardless of the number of firearms that the defendant possessed at one time, in one place. (*State v. Fourth Jud. Dist. Court*, 137 Nev. 37 (2021)) **Section 3** of this bill clarifies the Legislature’s intent with regard to certain prohibitions

17 against the ownership, possession, manufacture or sale of certain dangerous
18 weapons or metal-penetrating bullets by certain persons. Specifically, **section 3**
19 provides that, for purposes of prosecuting a violation of any such prohibition, each
20 dangerous weapon or bullet owned, possessed, manufactured or sold by a person
21 constitutes a separate violation. **Section 4** of this bill makes a conforming change to
22 indicate the proper placement of **section 3** in the Nevada Revised Statutes.

23 The Brady Handgun Violence Prevention Act requires that a background check
24 be conducted on any person wishing to purchase or redeem a firearm to determine
25 whether the person is prohibited from purchasing or possessing a firearm pursuant
26 to federal or state law. (Pub. L. No. 103-159, 107 Stat. 1536) Among other
27 requirements, the Bipartisan Safer Communities Act requires any background
28 check conducted on a prospective buyer who is less than 21 years of age to include
29 a review of certain information and records to determine whether the person is
30 disqualified from purchasing or possessing a firearm under federal or state law.
31 (Pub. L. No. 117-159, 136 Stat. 1313) **Sections 5-8** of this bill authorize a juvenile
32 justice agency, the juvenile court and an agency which provides child welfare
33 services to release certain information and records for the purpose of performing a
34 background check to determine whether a person is eligible to purchase or possess
35 a firearm under federal or state law.
