

Assembly Bill No. 31—Committee
on Government Affairs

CHAPTER.....

AN ACT relating to public records; revising provisions governing requests for books and records of certain agencies of the Executive Department of the State Government; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, all public books and records of a governmental entity, the contents of which are not otherwise declared by law to be confidential, are required to be open at all times during office hours for inspection and copying by the public. (NRS 239.010) The Nevada Supreme Court has established a balancing test for a governmental entity to apply to determine whether to disclose a book or record when the law is silent with respect to the confidentiality of the book or record. Under this balancing test, the governmental entity is required to determine whether the private or governmental interest served by withholding the book or record clearly outweighs the right of the public to inspect or copy the book or record. (*Donrey v. Bradshaw*, 106 Nev. 630 (1990); *DR Partners v. Board of County Comm'rs*, 116 Nev. 616 (2000); *Reno Newspapers, Inc. v. Haley*, 126 Nev. Adv. Op. 23, 234 P.3d 922 (2010); *Reno Newspapers, Inc. v. Gibbons*, 127 Nev. Adv. Op. 79, 266 P.3d 623 (2011)) The legislative declaration for the Nevada Public Records Act (chapter 239 of NRS) requires that the Act be construed liberally to foster democratic principles by providing the public with access to inspect and copy public books and records and that any restriction on the disclosure of public books and records be construed narrowly. (NRS 239.001) Existing law imposes the burden of proof on a governmental entity that withholds a record to prove, by a preponderance of the evidence, that the record, or a part thereof, is confidential. (NRS 239.0113)

Section 1 of this bill requires the head of each agency, bureau, board, commission, department, division or any other unit of the Executive Department of State Government except the Nevada System of Higher Education to designate one or more employees to act as records official for the agency, whose duties relate to handling requests for public books or records of the agency. **Section 1** requires the State Library and Archives Administrator, in cooperation with the Attorney General, to prescribe: (1) the form for requesting to inspect a copy of a public book or record of such an agency; (2) the form to be used by such an agency to respond to such a request; and (3) the procedures with which a records official is required to comply in carrying out his or her duties. **Section 1** also requires each such agency to make those forms and procedures available on any website maintained by the agency on the Internet.

Sections 3 and 3.5 of this bill compile all the statutory provisions that prohibit the disclosure of or specifically declare public books and records confidential.

EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets **[omitted material]** is material to be omitted.

Nevada 2011 and unless otherwise declared by law to be confidential, all public books and public records of a governmental entity ~~[, the contents of which are not otherwise declared by law to be confidential]~~ must be open at all times during office hours to inspection by any person, and may be fully copied or an abstract or memorandum may be prepared from those public books and public records. Any such copies, abstracts or memoranda may be used to supply the general public with copies, abstracts or memoranda of the records or may be used in any other way to the advantage of the governmental entity or of the general public. This section does not supersede or in any manner affect the federal laws governing copyrights or enlarge, diminish or affect in any other manner the rights of a person in any written book or record which is copyrighted pursuant to federal law.

2. A governmental entity may not reject a book or record which is copyrighted solely because it is copyrighted.

3. A governmental entity that has legal custody or control of a public book or record shall not deny a request made pursuant to subsection 1 to inspect or copy a public book or record on the basis that the requested public book or record contains information that is confidential if the governmental entity can redact, delete, conceal or separate the confidential information from the information included in the public book or record that is not otherwise confidential.

4. A person may request a copy of a public record in any medium in which the public record is readily available. An officer, employee or agent of a governmental entity who has legal custody or control of a public record shall not refuse to provide a copy of that public record in a readily available medium because the officer, employee or agent has already prepared or would prefer to provide the copy in a different medium.

3. A governmental entity that has legal custody or control of a public book or record shall not deny a request made pursuant to subsection 1 to inspect or copy a public book or record on the basis that the requested public book or record contains information that is confidential if the governmental entity can redact, delete, conceal or separate the confidential information from the information included in the public book or record that is not otherwise confidential.

4. A person may request a copy of a public record in any medium in which the public record is readily available. An officer, employee or agent of a governmental entity who has legal custody or control of a public record shall not refuse to provide a copy of that public record in a readily available medium because the officer, employee or agent has already prepared or would prefer to provide the copy in a different medium.
