AN ACT relating to firearms; authorizing the possession of a firearm in a motor vehicle that is on the property of certain educational entities or child care facilities in certain circumstances; authorizing a person who holds a permit to carry a concealed firearm to do so on certain property of a public airport and on the property of the Nevada System of Higher Education under certain circumstances; revising the provisions governing the carrying of a concealed firearm in a public building; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Existing law generally makes it a gross misdemeanor to carry or possess certain
2 weapons while on the property of the Nevada System of Higher Education, a
3 private or public school or a child care facility, or while in a vehicle of a private or
4 public school or a child care facility except in certain circumstances. (NRS
5 202.265) **Section 3** of this bill adds an exception so that a person who holds a
6 permit to carry a concealed firearm is not prohibited from possessing a firearm
7 capable of being concealed upon the person on the property of the Nevada System
8 of Higher Education, a private or public school or a child care facility, if the firearm
9 remains out of public view and if the firearm is: (1) inside a motor vehicle that is

10 occupied or, if the motor vehicle is unoccupied, the motor vehicle is locked; or (2)
11 stored in a locked container that is affixed securely to the motor vehicle.

12 Existing law prohibits a person from carrying a concealed firearm while on the
13 property of the Nevada System of Higher Education, a private or public school or a
14 child care facility, unless the person holds a permit to carry a concealed firearm and
15 has written permission from the president of a branch or facility of the System, the
16 principal of the school or the person designated by the child care facility to give
17 permission to carry or possess a weapon to carry the concealed firearm. Existing
18 law also prohibits a person from carrying a concealed firearm: (1) while on the
19 premises of a public building that is located on the property of a public airport; and
20 (2) while on the premises of a public building that has a metal detector at each
21 public entrance or a sign posted at each public entrance indicating that no firearms
22 are allowed in the building. (NRS 202.265, 202.3673) **Sections 3 and 4** of this bill
23 authorize a person who holds such a permit to carry a concealed firearm while on
24 the property of the System. **Section 4** also revises provisions governing the carrying
25 of a concealed firearm to prohibit the carrying by a permittee of a concealed
26 firearm only in a secure area of a public airport. Finally, **section 4** provides that the
27 carrying of a concealed firearm in a public building is prohibited if the building has
28 both a metal detector and a sign at each public entrance indicating that no firearms
29 are allowed in the building.
