EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to public safety; revising provisions governing the admission into evidence of certain affidavits and declarations in certain criminal proceedings; revising provisions governing the administration of certain tests for the presence of alcohol, controlled substances and prohibited substances; providing for the revocation of the license, permit or privilege to drive of a person who fails to submit to certain tests for the presence of alcohol, controlled substances and prohibited substances under certain circumstances; revising provisions concerning operating or being in actual physical control of a vessel; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

- 1 Existing law makes it unlawful for a person to drive, operate or be in actual
- 2 physical control of a vehicle or vessel while under the influence of intoxicating
- 3 liquor or a controlled substance, or both. (NRS 484C.110, 484C.120, 488.410)
- 4 **Sections 9 and 20** of this bill define the term “under the influence” for the purposes
- 5 of existing law relating to driving, operating or being in actual physical control of a
- 6 vehicle or vessel while under the influence of intoxicating liquor or a controlled
- 7 substance, or both.
- 8 Existing law allows the affidavits and declarations of certain persons to be
- 9 admitted as evidence during a criminal proceeding to prove certain facts relating to

10 the testing of the blood, breath or urine of a defendant to determine the presence or
11 concentration of alcohol or certain other substances. In a felony trial, if the
12 defendant objects in writing to the admission of such affidavits or declarations, the
13 court must not admit the affidavit or declaration into evidence and the prosecution
14 may cause the witness to testify at trial concerning the information contained in the
15 affidavit or declaration. A defendant in a misdemeanor trial, however, must also
16 establish that: (1) there is a substantial and bona fide dispute between the
17 prosecution and the defense regarding the facts in the declaration; and (2) it is in the
18 best interests of justice that the witness who signed the affidavit or declaration be
19 cross-examined. (NRS 50.315) The Nevada Supreme Court has held that the
20 additional requirements imposed on a misdemeanor defendant under existing law
21 violate a defendant's constitutional right to confront the witnesses against him or
22 her and are therefore unconstitutional. (*City of Reno v. Howard*, 130 Nev. Adv. Op.
23 12, 318 P.3d 1063 (2014))

24 **Section 1** of this bill eliminates the constitutional defect identified by the
25 Nevada Supreme Court and provides instead that an affidavit or declaration must
26 not be admitted as evidence during a misdemeanor trial to prove certain facts
27 relating to the testing of the blood, breath or urine of a defendant to determine the
28 presence or concentration of alcohol or certain other substances if, not later than 10
29 days before the date set for trial or such shorter time before the date set for trial as
30 authorized by the court, the defendant objects in writing to the admission of the
31 affidavit or declaration and requests an opportunity to cross-examine the witness at
32 trial. Under **section 1**, if the affidavit or declaration is not admitted into evidence,
33 the prosecution may produce the witness to provide testimony at trial concerning
34 the information contained in the affidavit or declaration at trial.

35 Under existing law, a person who drives a vehicle in this State is deemed to
36 have given his or her consent to an evidentiary test of his or her blood, urine, breath
37 or other bodily substance to determine the concentration of alcohol in his or her
38 blood or breath or to determine whether a controlled substance, chemical, poison,
39 organic solvent or another prohibited substance is present. If a person who has thus
40 given his or her "implied consent" to an evidentiary test refuses to submit to the test
41 when directed to do so by a police officer who has reason to believe that the person
42 was driving a vehicle or operating a vessel while under the influence of alcohol or a
43 controlled substance, existing law authorizes the police officer to direct that
44 reasonable force be used to obtain a sample of blood from the person to be tested.
45 (NRS 484C.160) The Nevada Supreme Court has held that the consent implied by a
46 person's decision to drive in this State is not voluntary consent to an evidentiary
47 blood test and, thus, existing laws that allow a police officer to obtain a blood
48 sample from a person without a warrant and without voluntary consent are
49 unconstitutional. (*Byars v. State*, 130 Nev. Adv. Op. No. 85, 336 P.3d 939 (2014))

50 **Sections 12 and 14** of this bill eliminate the constitutional defect identified by
51 the Nevada Supreme Court and provide instead that if a person refuses to submit to
52 an evidentiary blood test at the request of a police officer: (1) the officer may apply
53 for a warrant or other court order directing the use of reasonable force to obtain the
54 blood sample; and (2) the person's driver's license must be revoked for a certain
55 period. **Sections 15 and 16** of this bill make corresponding revisions to provisions
56 of existing law which establish the procedure for effecting such a revocation and
57 provide for an administrative hearing to challenge such a revocation. **Section 25** of
58 this bill makes comparable changes to existing law concerning the evidentiary tests
59 of persons who operate or exercise actual physical control over vessels on the
60 waters of this State. **Section 5** of this bill makes comparable changes to existing
61 law concerning evidentiary tests of persons who have actual physical possession of
62 a firearm.

63 Existing law makes it unlawful for a person to operate or be in actual physical
64 control of a vessel on the waters of this State while under the influence of

65 intoxicating liquor or a controlled substance or while engaging in certain other
66 prohibited conduct if the vessel is "under power or sail." (NRS 488.410) **Section 21**
67 of this bill makes the operation or actual physical control of a vessel by such a
68 person unlawful if the vessel is "under way," that is, if the vessel is adrift, making
69 way or being propelled, and is not aground, made fast to the shore or tied or made
70 fast to a dock or mooring. **Sections 2-4, 6-8, 19, 21-25 and 27-30** of this bill make
71 conforming changes.

2 the concentration of alcohol in his or her breath as a condition of
3 admission to bail or release is not admissible as evidence against the
4 person.

5 6. A person arrested for a violation of NRS 484C.110,
6 484C.120, 484C.130, 484C.430, 488.410, 488.420 or 488.425 who

26 harm or was committed by strangulation;

27 (b) Five thousand dollars, if the person has:

28 (1) No previous convictions of battery that constitute
29 domestic violence pursuant to NRS 33.018, but there is reason to

4 magistrate or a court has otherwise been contacted to set the amount
5 of bail. For the purposes of this subsection, a person shall be
6 deemed to have a previous conviction of battery that constitutes
7 domestic violence pursuant to NRS 33.018 if the person has been

37 by a magistrate or a court, the amount of bail must be:

38 (a) Three thousand dollars, if the person has no previous
39 convictions of violating a temporary or extended order for
40 protection against domestic violence issued pursuant to NRS 33.017
41 to 33.100, inclusive, or of violating a restraining order or injunction

5 conviction of violating a temporary or extended order for protection
6 against domestic violence issued pursuant to NRS 33.017 to 33.100,

8 the nature of a temporary or extended order for protection against
9 domestic violence issued in an action or proceeding brought

26 ↪ The provisions of this subsection do not affect the authority of a
27 magistrate or a court to set the amount of bail when the person
28 personally appears before the magistrate or the court or when a
29 magistrate or a court has otherwise been contacted to set the amount
30 of bail. For the purposes of this subsection, a person shall be

2 offense punishable as a felony, require the surrender to the court of
3 any passport the person possesses.

4 11. Before releasing a person arrested for any crime, the court
5 may impose such reasonable conditions on the person as it deems
6 necessary to protect the health, safety and welfare of the community
7 and to ensure that the person will appear at all times and places
8 ordered by the court, including, without limitation:

9 (a) Requiring the person to remain in this State or a certain
10 county within this State;

11 (b) Prohibiting the person from contacting or attempting to
12 contact a specific person or from causing or attempting to cause
13 another person to contact that person on the person's behalf;

14 (c) Prohibiting the person from entering a certain geographic
15 area; or

16 (d) Prohibiting the person from engaging in specific conduct
17 that may be harmful to the person's own health, safety or welfare, or
18 the health, safety or welfare of another person.

19 ➤ In determining whether a condition is reasonable, the court shall
20 consider the factors listed in NRS 178.4853.

21 12. If a person fails to comply with a condition imposed
22 pursuant to subsection 11, the court may, after providing the person
23 with reasonable notice and an opportunity for a hearing:

24 (a) Deem such conduct a contempt pursuant to NRS 22.010; or

27 condition on a person admitted to bail must include a provision
28 ordering any law enforcement officer to arrest the person if the
29 officer has probable cause to believe that the person has violated a
30 condition of bail.

31 14. Before a person may be admitted to bail, the person must
32 sign a document stating that:

33 (a) The person will appear at all times and places as ordered by
34 the court releasing the person and as ordered by any court before
35 which the charge is subsequently heard;

36 (b) The person will comply with the other conditions which
37 have been imposed by the court and are stated in the document; and

38 (c) If the person fails to appear when so ordered and is taken
39 into custody outside of this State, the person waives all rights
40 relating to extradition proceedings.

41 ➤ The signed document must be filed with the clerk of the court of
42 competent jurisdiction as soon as practicable, but in no event later
43 than the next business day.

44 15. If a person admitted to bail fails to appear as ordered by a
45 court and the jurisdiction incurs any cost in returning the person to

1 the jurisdiction to stand trial, the person who failed to appear is
2 responsible for paying those costs as restitution.

3 16. For the purposes of subsections 8 and 9, an order or
4 injunction is in the nature of a temporary or extended order for
5 protection against domestic violence if it grants relief that might be
6 given in a temporary or extended order issued pursuant to NRS
7 33.017 to 33.100, inclusive.

8 17. As used in this section, "strangulation" has the meaning

20 to have in his or her actual physical possession any firearm. This
21 prohibition does not apply to the actual physical possession of a
22 firearm by a person who was within the person's personal residence
23 and had the firearm in his or her possession solely for self-defense.

24 2. Any evidentiary test to determine whether a person has
25 violated the provisions of subsection 1 must be administered in the
26 same manner as an evidentiary test that is administered pursuant to
27 NRS 484C.160 to 484C.250, inclusive, except that submission to
28 the evidentiary test is required of any person who is ~~directed~~

42 5. As used in this section, the phrase "concentration of alcohol
43 of 0.10 or more in his or her blood or breath" means 0.10 gram or
44 more of alcohol per 100 milliliters of the blood of a person or per
45 210 liters of his or her breath.

42 first test may be used alone as evidence of the concentration of
43 alcohol in the person's breath. If for some other reason a second,
44 third or fourth sample is not obtained, the results of the first test may

1 be used with all other evidence presented to establish the
2 concentration.

22 *controlled substance or a prohibited substance in his or her blood*
23 *or urine* at the time of the test, the license, permit or privilege of the

25 the person is not eligible for a license, permit or privilege for a
26 period of 90 days.

27 ~~2.~~ 3. If a revocation of a person's license, permit or privilege

37 **Sec. 15.** NRS 484C.220 is hereby amended to read as follows:

38 484C.220 1. As agent for the Department, the officer who
39 *requested that a test be given pursuant to NRS 484C.150 or*
40 *484C.160 or who* obtained the result of a test given pursuant to NRS
41 484C.150 or 484C.160 shall immediately serve an order of
42 revocation of the license, permit or privilege to drive on a person
43 who *failed to submit to a test requested by the police officer*
44 *pursuant to NRS 484C.150 or 484C.160 or who* has a concentration
45 of alcohol of 0.08 or more in his or her blood or breath or has a

1 detectable amount of a *controlled substance or* prohibited substance
2 in his or her blood or urine, if that person is present, and shall seize
3 the license or permit to drive of the person. The officer shall then ,
4 *unless the information is expressly set forth in the order of*
5 *revocation*, advise the person of his or her right to administrative
6 and judicial review of the revocation pursuant to NRS 484C.230
7 and, except as otherwise provided in this subsection, that the person
8 has a right to request a temporary license. If the person currently is
9 driving with a temporary license that was issued pursuant to this
10 section or NRS 484C.230, the person is not entitled to request an
11 additional temporary license pursuant to this section or NRS
12 484C.230, and the order of revocation issued by the officer must
13 revoke the temporary license that was previously issued. If the
14 person is entitled to request a temporary license, the officer shall
15 issue the person a temporary license on a form approved by the
16 Department if the person requests one, which is effective for only 7
17 days including the date of issuance. The officer shall immediately
18 transmit the person's license or permit to the Department along with
19 the written certificate required by subsection 2.

20 2. When a police officer has served an order of revocation of a
21 driver's license, permit or privilege on a person pursuant to
22 subsection 1, or later receives the result of an evidentiary test which
23 indicates that a person, not then present, had a concentration of
24 alcohol of 0.08 or more in his or her blood or breath or had a
25 detectable amount of a *controlled substance or a* prohibited
26 substance in his or her blood or urine, the officer shall immediately
27 prepare and transmit to the Department, together with the seized
28 license or permit and a copy of the result of the test, *if any*, a written
29 certificate that the officer had reasonable grounds to believe that the
30 person had been driving or in actual physical control of a vehicle
31 ~~[with]~~ :

32 (a) *With* a concentration of alcohol of 0.08 or more in his or her
33 blood or breath or with a detectable amount of a *controlled*
34 *substance or a* prohibited substance in his or her blood or urine, as
35 determined by a chemical test ~~[]~~ ; or

36 (b) *While under the influence of intoxicating liquor or a*
37 *controlled substance or with a prohibited substance in his or her*
38 *blood or urine and the person refused to submit to a required*
39 *evidentiary test.*

40 ↪ The certificate must also indicate whether the officer served an
41 order of revocation on the person and whether the officer issued the
42 person a temporary license.

43 3. The Department, upon receipt of such a certificate for which
44 an order of revocation has not been served, after examining the
45 certificate and copy of the result of the chemical test, if any, and

1 finding that revocation is proper, shall issue an order revoking the
2 person's license, permit or privilege to drive by mailing the order to
3 the person at the person's last known address. The order must
4 indicate the grounds for the revocation and the period during which
5 the person is not eligible for a license, permit or privilege to drive
6 and state that the person has a right to administrative and judicial
7 review of the revocation and to have a temporary license. The order
8 of revocation becomes effective 5 days after mailing.

9 4. Notice of an order of revocation and notice of the
10 affirmation of a prior order of revocation or the cancellation of a
11 temporary license provided in NRS 484C.230 is sufficient if it is
12 mailed to the person's last known address as shown by any
13 application for a license. The date of mailing may be proved by the
14 certificate of any officer or employee of the Department, specifying
15 the time of mailing the notice. The notice is presumed to have been
16 received upon the expiration of 5 days after it is deposited, postage
17 prepaid, in the United States mail.

18 **Sec. 16.** NRS 484C.230 is hereby amended to read as follows:

19 484C.230 1. At any time while a person is not eligible for a
20 license, permit or privilege to drive following an order of revocation
21 issued pursuant to NRS 484C.220, the person may request in writing
22 a hearing by the Department to review the order of revocation, but
23 the person is only entitled to one hearing. The hearing must be
24 conducted within 15 days after receipt of the request, or as soon
25 thereafter as is practicable, in the county where the requester resides
26 unless the parties agree otherwise. The Director or agent of the
27 Director may issue subpoenas for the attendance of witnesses and
28 the production of relevant books and papers and may require a
29 reexamination of the requester. Unless the person is ineligible for a
30 temporary license pursuant to NRS 484C.220, the Department shall
31 issue an additional temporary license for a period which is sufficient
32 to complete the administrative review.

33 2. The scope of the hearing must be limited to the issue of
34 whether the person ~~is~~ **at** :

35 *(a) Failed to submit to a required test provided for in NRS*
36 *484C.150 or 484C.160; or*

37 *(b) At the time of the test, had a concentration of alcohol of 0.08*
38 *or more in his or her blood or breath or a detectable amount of a*
39 *controlled substance or a prohibited substance in his or her blood*
40 *or urine.*

41 ↪ Upon an affirmative finding on ~~this~~ **either** issue, the
42 Department shall affirm the order of revocation. Otherwise, the
43 order of revocation must be rescinded.

44 3. If, after the hearing, the order of revocation is affirmed, the
45 person whose license, privilege or permit has been revoked is

1 entitled to a review of the same issues in district court in the same
2 manner as provided by chapter 233B of NRS. The court shall notify
3 the Department upon the issuance of a stay, and the Department
4 shall issue an additional temporary license for a period which is
5 sufficient to complete the review.

6 4. If a hearing officer grants a continuance of a hearing at the
7 request of the person whose license was revoked, or a court does so
8 after issuing a stay of the revocation, the officer or court shall notify
9 the Department, and the Department shall cancel the temporary
10 license and notify the holder by mailing the order of cancellation to
11 the person's last known address.

12 **Sec. 17.** NRS 484C.240 is hereby amended to read as follows:

13 484C.240 1. If a person refuses to submit to a required
14 chemical test provided for in NRS 484C.150 or 484C.160, evidence
15 of that refusal is admissible in any criminal or administrative action
16 arising out of acts alleged to have been committed while the person

24 484C.150, a court or hearing officer may not exclude evidence of a
25 required test or failure to submit to such a test if the police officer or
26 other person substantially complied with the provisions of NRS
27 484C.150 to 484C.250, inclusive, and 484C.600 to 484C.640,
28 inclusive.

29 3. If a person submits to a chemical test provided for in NRS
30 484C.150 or 484C.160, full information concerning that test must be
31 made available, upon request of the person, to the person or his or
32 her attorney.

33 4. Evidence of a required test is not admissible in a criminal or
34 administrative proceeding unless it is shown by documentary or
35 other evidence that the law enforcement agency calibrated the
36 breath-testing device and otherwise maintained it as required by the
37 regulations of the Committee on Testing for Intoxication.

34 her breath when the test is administered at the ~~[direction]~~ request
35 of a peace officer after a vessel accident or collision or where an
36 officer stops a vessel, if the officer has reasonable grounds to
37 believe that the person to be tested was:

43 2. If the person fails to submit to the test, the officer shall , if
44 *reasonable grounds otherwise exist*, arrest the person and take him

1 or her to a convenient place for the administration of a reasonably
2 available evidentiary test under NRS 488.460.

3 3. The result of the preliminary test must not be used in any

9 under ~~power or sail~~ way on the waters of this State shall be
10 deemed to have given consent to an evidentiary test of his or her
11 blood, urine, breath or other bodily substance to determine the
12 concentration of alcohol in his or her blood or breath or to determine
13 whether a controlled substance, chemical, poison, organic solvent or
14 another prohibited substance is present, if such a test is administered
15 at the ~~direction~~ request of a peace officer having reasonable
16 grounds to believe that the person to be tested was:

32 4. If the concentration of alcohol of the blood or breath of the
33 person to be tested is in issue:

34 (a) Except as otherwise provided in this section, the person may
35 refuse to submit to a blood test if means are reasonably available to
36 perform a breath test.

37 (b) The person may request a blood test, but if means are

39 requested, and the person is subsequently convicted, the person must
40 pay for the cost of the blood test, including the fees and expenses of
41 witnesses *whose testimony* in court ~~is~~ *is necessary because of the*

8 **Sec. 26.** NRS 488.470 is hereby amended to read as follows:

9 488.470 1. Except as otherwise provided in subsection 2, an
10 evidentiary test of breath to determine the concentration of alcohol
11 in a person's breath may be used to establish that concentration only
12 if two consecutive samples of the person's breath are taken and:

13 (a) The difference between the concentration of alcohol in the
14 person's breath indicated by the two samples is less than or equal
15 to 0.02;

16 (b) If the provisions of paragraph (a) do not apply, a third
17 evidentiary test of breath is administered and the difference between
18 the concentration of alcohol in the person's breath indicated by the
19 third sample and one of the first two samples is less than or equal to
20 0.02; or

21 (c) If the provisions of paragraphs (a) and (b) do not apply, a
22 fourth evidentiary test is administered. Except as otherwise provided
23 in NRS 488.460, the fourth evidentiary test must be a blood test.

24 2. If the person fails to provide the second or third consecutive
25 sample, or to submit to the fourth evidentiary test, the results of the
26 first test may be used alone as evidence of the concentration of
27 alcohol in the person's breath. If for some other reason a second,
28 third or fourth sample is not obtained, the results of the first test may
29 be used with all other evidence presented to establish the
30 concentration.

31 3. If a person refuses or otherwise fails to provide a second or
32 third consecutive sample or submit to a fourth evidentiary test, ~~[a~~
33 ~~peace officer may direct that reasonable force be used to obtain a~~
34 ~~sample or conduct a test pursuant to]~~ *such refusal or failure*
35 *constitutes a failure to submit to a required evidentiary test as*
36 *provided in NRS 488.460.*

37 **Sec. 27.** NRS 488.480 is hereby amended to read as follows:

38 488.480 1. If a person refuses to submit to a required
39 chemical test provided for in NRS 488.450 or 488.460, evidence of
40 that refusal is admissible in any criminal action arising out of acts
41 alleged to have been committed while the person was:

42 (a) Operating or in actual physical control of a vessel under
43 ~~[power or sail]~~ *way* while under the influence of intoxicating liquor
44 or a controlled substance; or

1 (b) Engaging in any other conduct prohibited by NRS 488.410,
2 488.420 or 488.425.

3 2. Except as otherwise provided in subsection 3 of NRS
4 488.450, a court may not exclude evidence of a required test or
5 failure to submit to such a test if the peace officer or other person
6 substantially complied with the provisions of NRS 488.450 to
7 488.500, inclusive.

8 3. If a person submits to a chemical test provided for in NRS
9 488.450 or 488.460, full information concerning that test must be
10 made available, upon request, to the person or the person's attorney.

11 4. Evidence of a required test is not admissible in a criminal
12 proceeding unless it is shown by documentary or other evidence that
13 the device for testing breath was certified pursuant to NRS
14 484C.610 and was calibrated, maintained and operated as provided
15 by the regulations of the Committee on Testing for Intoxication
16 adopted pursuant to NRS 484C.620, 484C.630 or 484C.640.

17 5. If the device for testing breath has been certified by the
18 Committee on Testing for Intoxication to be accurate and reliable
19 pursuant to NRS 484C.610, it is presumed that, as designed and
20 manufactured, the device is accurate and reliable for the purpose of
21 testing a person's breath to determine the concentration of alcohol in
22 the person's breath.

23 6. A court shall take judicial notice of the certification by the
24 Director of a person to operate testing devices of one of the certified
25 types. If a test to determine the amount of alcohol in a person's
26 breath has been performed with a certified type of device by a
27 person who is certified pursuant to NRS 484C.630 or 484C.640, it is
28 presumed that the person operated the device properly.

29 7. This section does not preclude the admission of evidence of
30 a test of a person's breath where the:

31 (a) Information is obtained through the use of a device other
32 than one of a type certified by the Committee on Testing for
33 Intoxication.

34 (b) Test has been performed by a person other than one who is
35 certified by the Director.

36 8. As used in this section, "Director" means the Director of the

43 488.420 or 488.425 must be permitted, upon the person's request
44 and at his or her expense, reasonable opportunity to have a qualified

1 person of his or her own choosing administer a chemical test to
2 determine:

- 3 (a) The concentration of alcohol in his or her blood or breath; or
4 (b) Whether a controlled substance, chemical, poison, organic
5 solvent or another prohibited substance is present in his or her blood
6 or urine.

7 2. The failure or inability to obtain such a test does not
8 preclude the admission of evidence relating to the refusal to submit
9 to a test or relating to a test taken upon the request of a peace
10 officer.

11 3. A test obtained under the provisions of this section
12 may not be substituted for or stand in lieu of the test required by
13 NRS 488.460.

14 **Sec. 29.** NRS 488.500 is hereby amended to read as follows:

15 488.500 1. The results of any blood test administered under
16 the provisions of NRS 488.460 or 488.490 are not admissible in any
17 criminal action arising out of acts alleged to have been committed
18 by a person who was operating or in actual physical control of a
19 vessel under ~~[power or sail]~~ way while under the influence of
20 intoxicating liquor or a controlled substance or *with a prohibited*
21 *substance in his or her blood or urine* or who was engaging in any
22 other conduct prohibited by NRS 488.410, 488.420 or 488.425

28 phlebotomist, technician, technologist or assistant employed in a
29 medical laboratory; or

30 (2) Has special knowledge, skill, experience, training and
31 education in withdrawing blood in a medically acceptable manner,
32 including, without limitation, a person qualified as an expert on that
33 subject in a court of competent jurisdiction or a person who has
34 completed a course of instruction that qualifies him or her to take an
35 examination in phlebotomy that is administered by the American
36 Medical Technologists or the American Society for Clinical
37 Pathology; and

38 (b) The test was performed on whole blood, except if the sample
39 was clotted when it was received by the laboratory, the test may be
40 performed on blood serum or plasma.

41 2. The limitation contained in paragraph (a) of subsection 1
42 does not apply to the taking of a chemical test of the urine, breath or
43 other bodily substance.

44 3. No person listed in paragraph (a) of subsection 1 incurs any
45 civil or criminal liability as a result of the administering of a blood

1 test when requested by a peace officer or the person to be tested to
2 administer the test.

5 like duties, shall in all cases in which a death has occurred as a
6 result of an accident involving a vessel under ~~power or sail~~ way on
7 the waters of this state, whether the person killed is the operator of
8 the vessel or a passenger or other person, cause to be drawn from
9 each decedent, within 8 hours after the accident, a blood sample to
10 be analyzed for the presence and concentration of alcohol.

11 2. The findings of the examinations are a matter of public
12 record and must be reported to the Commission by the coroner or
13 other public officer within 30 days after the death.

14 3. Analyses of blood alcohol are acceptable only if made by
15 laboratories licensed to perform this function.

16 **Sec. 31.** This act becomes effective upon passage and
17 approval.
