

Assembly Bill No. 93—Assemblymen Benitez-Thompson,
Thompson; Elliot Anderson, Araujo, Bustamante Adams,
Joiner, Kirkpatrick and Spiegel

CHAPTER.....

AN ACT relating to public health; requiring or encouraging certain licensed or certified professionals to receive suicide prevention and awareness training in order to renew a license or certificate; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires psychiatrists, physicians, advanced practice registered nurses, psychologists, clinical professional counselors, marriage and family therapists, social workers, alcohol and drug abuse counselors, problem gambling counselors and other persons licensed or certified to practice in various related fields to complete certain continuing education as a condition to the renewal of their licenses or certificates. (NRS 630.253, 632.343, 633.471, 641.220, 641A.260, 641B.280, 641C.450, 641C.500) **Sections 1, 2, 3, 4, 5, 5.3 and 5.7** of this bill require certain of those professionals to receive instruction on suicide prevention and awareness as a condition to the renewal of their licenses or certificates beginning on July 1, 2016. Those requirements, however, are temporary and are eliminated or expire by limitation on June 30, 2026.

Sections 1, 1.5 and 2 of this bill require the professional licensing boards for certain physicians and advanced practice registered nurses to encourage their licensees to receive certain training concerning suicide prevention, detection and intervention as part of their continuing education.

Sections 1 and 2 revise provisions concerning compliance with continuing education by physicians to require that they submit evidence of such compliance.

Sections 1, 1.5, 2, 3, 4, 5, 5.3 and 5.7 require certain professional licensing boards to establish their continuing education requirements by regulation.

EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

- Section 1.** NRS 630.253 is hereby amended to read as follows:
630.253 1. The Board shall, as a prerequisite for the:
- (a) Renewal of a license as a physician assistant; or
 - (b) Biennial registration of the holder of a license to practice medicine,
- ↪ require each holder to ~~comply~~ *submit evidence of compliance* with the requirements for continuing education *as set forth in regulations* adopted by the Board.
2. These requirements:

(a) May provide for the completion of one or more courses of instruction relating to risk management in the performance of medical services.

(b) Must provide for the completion of a course of instruction, within 2 years after initial licensure, relating to the medical consequences of an act of terrorism that involves the use of a weapon of mass destruction. The course must provide at least 4 hours of instruction that includes instruction in the following subjects:

(1) An overview of acts of terrorism and weapons of mass destruction;

(2) Personal protective equipment required for acts of terrorism;

(3) Common symptoms and methods of treatment associated with exposure to, or injuries caused by, chemical, biological, radioactive and nuclear agents;

(4) Syndromic surveillance and reporting procedures for acts of terrorism that involve biological agents; and

(5) An overview of the information available on, and the use of, the Health Alert Network.

(c) Must provide for the completion by a holder of a license to practice medicine who is a psychiatrist of a course of instruction that provides at least 2 hours of instruction on clinically-based suicide prevention and awareness.

↳ The Board may thereafter determine whether to include in a program of continuing education additional courses of instruction relating to the medical consequences of an act of terrorism that involves the use of a weapon of mass destruction.

3. The Board shall encourage each holder of a license who treats or cares for persons who are more than 60 years of age to receive, as a portion of their continuing education, education in geriatrics and gerontology, including such topics as:

(a) The skills and knowledge that the licensee needs to address aging issues;

(b) Approaches to providing health care to older persons, including both didactic and clinical approaches;

(c) The biological, behavioral, social and emotional aspects of the aging process; and

(d) The importance of maintenance of function and independence for older persons.

4. The Board shall encourage each holder of a license to practice medicine to receive, as a portion of his or her continuing education, training concerning methods for educating patients about

how to effectively manage medications, including, without limitation, the ability of the patient to request to have the symptom or purpose for which a drug is prescribed included on the label attached to the container of the drug.

5. *The Board shall encourage each holder of a license to practice medicine, other than a psychiatrist, to receive as a portion of his or her continuing education training concerning suicide, including, without limitation, such topics as:*

(a) *The skills and knowledge that the licensee needs to detect behaviors that may lead to suicide, including, without limitation, post-traumatic stress disorder;*

(b) *Approaches to engaging other professionals in suicide intervention; and*

(c) *The detection of suicidal thoughts and ideations and the prevention of suicide.*

6. A holder of a license to practice medicine may substitute not more than 2 hours of continuing education credits in *the detection of suicidal thoughts and ideations, and the intervention and prevention of suicide*, pain management or addiction care for the purposes of satisfying an equivalent requirement for continuing education in ethics.
