**Legislative Counsel's Digest:**

1 Existing law establishes the Nevada Funeral and Cemetery Services Board and  
2 grants the Board authority to issue licenses, permits and certifications to cemeteries,  
3 crematories, funeral establishments, funeral directors, embalmers and persons  
4 engaged in direct cremations or immediate burials. (Chapters 451, 452 and 642 of  
5 NRS)

6 **Sections 4 and 5** of this bill require a person to obtain, and authorize the Board  
7 to issue, a permit for the operation of a direct cremation facility. **Sections 6 and 7**  
8 of this bill require a person to obtain, and authorize the Board to issue, a license to  
9 engage in business as a death care consultant. **Section 8** of this bill requires all  
10 applicants for a license, permit or certificate issued by the Board to submit  
11 fingerprints and written authorization allowing the Board to conduct a criminal  
12 background check on the applicant. **Section 9** of this bill establishes a continuing  
13 education requirement for licensed funeral directors and embalmers.

14 Existing law requires a holder of a license, permit or certificate issued by the  
15 Board to comply with certain federal regulations governing funeral industry  
16 practices (16 C.F.R. Part 453). (NRS 642.019) **Section 14** of this bill adds the  
17 requirement that such a licensee, permittee or certificate holder also complies with  
18 the requirements of the federal Occupational Safety and Health Administration of  
19 the United States Department of Labor.

20 Existing law requires an investigator hired by the Board to investigate an  
21 alleged violation of chapter 451, 452 or 642 of NRS to report his or her findings to  
22 the Attorney General and further requires the Attorney General to take certain  
23 actions after receiving the report. (NRS 642.0677) **Section 20** of this bill modifies  
24 the responsibilities of the Attorney General in this regard.

25 **Section 32** of this bill requires an applicant for a funeral director's license  
26 whose application is submitted on or after January 1, 2016, to demonstrate  
27 completion of 1 year of service as a certified funeral director intern. This  
28 requirement can be waived by the Board if the applicant holds a license as a funeral  
29 director in another state. **Section 43** of this bill establishes certain requirements  
30 relating to the operation of direct cremation facilities. **Section 46** of this bill adds  
31 unethical practices contrary to the public interest to the list of acts constituting  
32 unprofessional conduct of a licensee, permittee or holder of a certificate for which  
33 disciplinary action may be taken by the Board. **Section 47** of this bill requires a  
34 direct cremation facility to indicate in any advertising the limited nature of the  
35 services that such a facility offers. **Section 47** also prohibits any funeral  
36 establishment or direct cremation facility from advertising under any name other  
37 than the name indicated on the operating permit.

38 Existing law provides a listing of certain persons who may order the burial or  
39 cremation of a decedent and provides an order of priority for such persons. (NRS  
40 451.024, 451.650) **Section 54** of this bill adds cremation to NRS 451.024, thereby  
41 consolidating the provisions of NRS 451.024 with NRS 451.650. In addition,  
42 **section 54** provides that a person who is arrested for or charged with the murder or  
43 voluntary manslaughter of a decedent is not authorized to order the burial or  
44 cremation of that decedent. **Sections 54 and 57** of this bill also add certain  
45 provisions relating to the priority of persons authorized to order the burial or  
46 cremation of a decedent.

47 **Section 55** of this bill requires operators of a crematory to ensure that any  
48 person operating crematory equipment has completed a crematory certification  
49 program approved by the Board. **Section 63** of this bill repeals various sections of  
50 chapter 451 and 642 of NRS including a section requiring a license to conduct  
51 direct cremations or immediate burials and the aforementioned NRS 451.650,  
52 which was consolidated with NRS 451.024.
