Legislative Counsel's Digest:

Section 1 of this bill establishes additional, nonexclusive procedures by which a corporate act that is not in compliance with applicable law or the articles of incorporation or bylaws of the corporation may be ratified or validated by the directors and stockholders of the corporation.

Under existing law, a trust company organized for the purpose of conducting a banking business may not be organized as a corporation. (NRS 78.020) **Section 2** of this bill provides that a trust company may be formed as a corporation under chapter 78 of NRS but that the trust company may not transact business in this State as a trust company until it complies with existing law governing trust companies.

Existing law requires a corporation to keep, among other documents, a stock ledger or duplicate thereof, revised annually, at its registered office. (NRS 78.105) **Section 3** of this bill specifies a timeline for revising the stock ledger by requiring the stock ledger to be revised not later than 60 days after the date by which the corporation is required to file its annual list.

Section 4 of this bill revises provisions relating to the officers of a corporation to clarify that vice presidents, assistant secretaries and assistant treasurers are not officers of a corporation unless those persons are designated as officers.

Existing law authorizes a corporation to have more than one class or series of stock if the articles of incorporation prescribe the classes and series, the number of shares of each class or series and the voting powers, designations, preferences, limitations, restrictions and relative rights of each class or series, or if the articles of incorporation authorize the board of directors to prescribe those matters. (NRS 78.195) **Section 6** of this bill specifically states that all shares of the same class or series must have the same voting powers, designations, preferences, limitations, restrictions and relative rights. **Section 6** also specifically states that the voting powers, designations, preferences, limitations, restrictions and relative rights for the

shares of a class or series of stock may be made dependent upon certain facts or events.

Existing law provides that if more than one class or series of stock is authorized, the articles of incorporation or the resolution of the board of directors authorizing the class or series must describe the voting powers, designations, preferences, limitations, restrictions, relative rights and distinguishing designation of the class or series. **Section 6** provides that these matters must be set forth in the certificate of designation filed with the Secretary of State, and **sections 7, 8 and 12** of this bill make conforming changes to refer to the certificate of designation rather than the resolution of the board of directors approving the certificate of designation. **Section 7** further specifies that when a filed certificate of designation, or amendment thereto, becomes effective, the certificate or amendment has the effect of amending articles of incorporation.

Existing law provides that in certain circumstances, a corporation may change the numbers of shares of a class or series of stock by a resolution adopted by the board of directors, without obtaining the approval of the stockholders. Such a change is not effective until a certificate is filed in the Office of the Secretary of State setting forth certain information concerning the shares of stock of the corporation. (NRS 78.207, 78.209) **Section 9** of this bill specifies that when a filed certificate changing the number of shares of a class or series of stock becomes effective, the certificate has the effect of amending articles of incorporation. (NRS 78.209)

Existing law authorizes a board of directors of a corporation to authorize shares of stock to be issued for consideration of various forms. (NRS 78.211) **Section 10** of this bill provides that the nature and amount of that consideration may be made dependent upon a formula approved by the board or upon certain other facts or events. **Section 10** also provides that issued shares of stock are outstanding shares unless the shares are treasury shares.

Existing law provides that stockholders may participate in a meeting of stockholders through electronic communications, videoconferencing, teleconferencing or other technology under certain circumstances. (NRS 78.320) **Section 11** of this bill revises this provision to provide that if authorized by the articles of incorporation or bylaws, a meeting of stockholders may be held solely through the use of such technology.

Existing law sets forth certain restrictions on combinations and other transactions between certain corporations and interested stockholders. (NRS 78.411-78.444) **Section 14** of this bill provides that those provisions do not apply to a combination of a resident domestic corporation with an interested stockholder of that corporation after the expiration of 4 years after the person first became an interested stockholder. **Section 15** of this bill authorizes a resident domestic corporation to engage in a combination with any interested stockholder less than 2 years after the person first became an interested stockholder if the combination meets the requirements of the articles of incorporation of the resident domestic corporation as well as certain requirements set forth in existing law. **Sections 16-19** of this bill clarify the language of certain provisions governing combinations and other transactions between certain corporations and interested stockholders.

Sections 20-31 of this bill change references to a certificate of incorporation to refer to articles of incorporation.

Existing law provides that a limited liability company or a limited partnership is considered legally organized at the time of the filing of organizational documents with the Secretary of State or upon some later date and time as specified in those documents. (NRS 86.201, 87A.235, 88.350) **Sections 32, 34 and 35** of this bill

revise these provisions to provide that those business entities are considered legally organized at the time of the filing with the Secretary of State.

Under existing law, the surviving entity in certain mergers between a parent entity and a subsidiary entity may be either the parent or the subsidiary. (NRS 92A.180) **Section 36** of this bill requires the surviving entity in the merger, rather than the parent entity, to mail a copy or summary of the plan of merger to each owner of the subsidiary who does not waive the mailing requirement in writing.

Existing law establishes the effect of a merger between business entities, including, without limitation, the effect of the merger on the liabilities of the surviving entity and the constituent entities. (NRS 92A.250) **Section 37** of this bill revises this provision to provide that an owner of a constituent entity remains liable for the obligations of the constituent entity that existed at the time of the merger to the extent the owner was liable before the merger.

Section 38 of this bill provides that the certificate evidencing a notarial act must be signed in the same manner as the signature that is on file with the Secretary of State only if the notarial officer is a notary public with such a signature on file with the Secretary of State.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 78 of NRS is hereby amended by adding thereto a new section to read as follows:

1. Except to the extent expressly prohibited in the articles of incorporation or an amendment thereto, in each case filed and effective on or after October 1, 2015, any corporate act not in compliance, or purportedly not in compliance, with this title or the articles of incorporation or bylaws in effect at the time of such corporate act may be ratified or validated in accordance with this section. This section does not apply to circumvent or contravene the provisions of NRS 78.378 to 78.3793, inclusive, or NRS 78.411 to 78.444, inclusive. Except as otherwise determined by the district court pursuant to its authority under subsection 5, a ratification or validation of a corporate act in accordance with this section is conclusive in the absence of actual fraud in the transaction. Ratification or validation under this section must not be the exclusive means by which a corporate act may be ratified or validated. This section shall not be construed to limit the authority of the board of directors, the stockholders or the corporation to effect any lawful means of ratification or validation of a corporate act or correction of a record, including, without limitation, the authority of:

(a) The board of directors to act, or to consent to an action before or after the action, pursuant to NRS 78.315;

(b) The stockholders to act, or to consent to an action before or after the action, pursuant to NRS 78.320; or

(c) The corporation to correct a record filed in the Office of the Secretary of State pursuant to NRS 78.0295.

2. Any ratification or validation of a corporate act pursuant to this section must be approved by the board of directors and, as applicable, the stockholders in accordance with this title and the articles of incorporation and bylaws in effect at the time of such ratification or validation, unless a higher approval standard was or would have been applicable to the original taking or purported taking of the corporate act, in which case such ratification or validation must be approved in accordance with such higher approval standard. The voting power of any shares issued or purportedly issued pursuant to the corporate act being ratified or validated must be disregarded for all purposes of the stockholder approval of such corporate act as required by this subsection, including for purposes of determining a quorum at a meeting of stockholders.

3. Notice of any ratification or validation of a corporate act pursuant to this section must be given not later than 10 days after the approval of such ratification or validation pursuant to subsection 2, to each stockholder of record at the time of such ratification or validation, whether or not action by the stockholders is required for such ratification or validation.

4. If a corporate act ratified or validated pursuant to this section would have required any filing with the Secretary of State pursuant to the provisions of this title, or if such ratification or validation would cause any such filing to be inaccurate or incomplete in any material respect, the corporation shall make, amend or correct each such filing in accordance with this title, including this subsection. Any such filing, amendment or correction:

(a) Must be accompanied by a certificate of validation indicating that the filing, amendment or correction is being made in connection with a ratification or validation of a corporate act in accordance with this section and specifying the effective date and time of the filing, amendment or correction, which may be before the date and time of filing; and

(b) Must otherwise be filed with the Secretary of State in accordance with the requirements of this title.

5. The district court has plenary and exclusive jurisdiction in equity, upon application of any person adversely affected, to administer and provide equitable relief under this section,

including, without limitation, the authority to confirm, nullify, modify or compel any ratification or validation taken or proposed to be taken pursuant to this section, including any filing, amendment or correction pursuant to subsection 4. The provisions of this section shall not be construed to prescribe or circumscribe which facts and circumstances the court may consider or which remedies the court may grant in exercising its jurisdiction under this section. Any action, application or petition relating to a ratification or validation taken or proposed to be taken pursuant to this section must be filed in the district court:

(a) Not later than 180 days after the notice required by subsection 3 is given; and

(b) In the county where the principal office of the corporation is located or, if the principal office is not located in this State, in the county in which the corporation's registered office is located.

6. Unless otherwise determined by the district court pursuant to its authority under subsection 5, a ratification or validation of a corporate act in accordance with this section relates back to the date of the corporate act.

7. As used in this section:

(a) "Corporate act" means:

(1) Any act or purported act of the board of directors;

(2) Any act or purported act of the stockholders; or

(3) Any other act or transaction taken or purportedly taken by or on behalf of the corporation, including, without limitation, any issuance or purported issuance of stock or other securities of the corporation.

(b) "Higher approval standard" means any provision set forth in the articles of incorporation or bylaws in effect at the time of the original taking or purported taking of a corporate act:

(1) Requiring action of the directors or stockholders, at a meeting or by written consent, to be taken by a proportion greater than otherwise would have been required pursuant to this chapter if the articles of incorporation and bylaws were silent as to the required proportion;

(2) Requiring a greater proportion of the directors or stockholders to constitute a quorum for the transaction of business at a meeting than otherwise would have been required pursuant to this chapter if the articles of incorporation and bylaws were silent as to the required proportion;

(3) Requiring, prohibiting or prescribing conditions on action of the directors or stockholders at a meeting or by written consent;

(4) Requiring separate action of the holders of shares of any class or series of the corporation's stock, unless no shares of such class or series are outstanding at the time of the ratification or validation of the corporate act pursuant to this section;

(5) Requiring separate action of the holders of securities of the corporation other than stock, unless such securities are not outstanding at the time of the ratification or validation of the corporate act pursuant to this section; or

(6) Requiring separate action of any specified person or persons.

Sec. 2. NRS 78.020 is hereby amended to read as follows:

78.020 1. ~~Insurance~~ *Trust companies, insurance companies, mutual fire insurance companies, surety companies, express companies and railroad companies may be formed under this chapter, but such a corporation may not:*

2. No ~~trust company,~~ savings and loan association, thrift company or corporation organized for the purpose of conducting a banking business may be organized under this chapter.

Sec. 3. NRS 78.105 is hereby amended to read as follows:

78.105 1. A corporation shall keep a copy of the following records at its registered office:

(a) A copy certified by the Secretary of State of its articles of incorporation, and all amendments thereto;

(b) A copy certified by an officer of the corporation of its bylaws and all amendments thereto; and

(c) A stock ledger or a duplicate stock ledger, revised annually ~~to~~ *not later than 60 days after the date by which an annual list is required to be filed pursuant to NRS 78.150*, containing the names, alphabetically arranged, of all persons who are stockholders *of record* of the corporation, showing their places of residence, if known, and the number of shares held by them respectively. In lieu of the stock ledger or duplicate stock ledger, the corporation may keep a statement setting out the name of the custodian of the stock ledger or duplicate stock ledger, and the present and complete mailing or street address where the stock ledger or duplicate stock ledger specified in this section is kept.

2. A stock ledger, duplicate stock ledger or statement setting out the name of the custodian of the stock ledger or duplicate stock ledger described in paragraph (c) of subsection 1 must be maintained by the registered agent of the corporation for 3 years following the resignation or termination of the registered agent or the dissolution of the corporation by the Secretary of State.

3. Any person who has been a stockholder of record of a corporation for at least 6 months immediately preceding the demand, or any person holding, or thereunto authorized in writing by the holders of, at least 5 percent of all of its outstanding shares, upon at least 5 days' written demand is entitled to inspect in person or by agent or attorney, during usual business hours, the records required by subsection 1 and make copies therefrom. Holders of voting trust certificates representing shares of the corporation must be regarded as stockholders for the purpose of this subsection. Every corporation that neglects or refuses to keep the records required by subsection 1 open for inspection, as required in this subsection, shall forfeit to the State the sum of \$25 for every day of such neglect or refusal.

4. If any corporation willfully neglects or refuses to make any proper entry in the stock ledger or duplicate copy thereof, or neglects or refuses to permit an inspection of the records required by subsection 1 upon demand by a person entitled to inspect them, or refuses to permit copies to be made therefrom, as provided in subsection 3, the corporation is liable to the person injured for all damages resulting to the person therefrom.

5. When the corporation keeps a statement in the manner provided for in paragraph (c) of subsection 1, the information contained thereon must be given to any stockholder of the corporation demanding the information, when the demand is made during business hours. Every corporation that neglects or refuses to keep a statement available, as in this subsection required, shall forfeit to the State the sum of \$25 for every day of such neglect or refusal.

6. In every instance where an attorney or other agent of the stockholder seeks the right of inspection, the demand must be accompanied by a power of attorney signed by the stockholder authorizing the attorney or other agent to inspect on behalf of the stockholder.

7. The right to copy records under subsection 3 includes, if reasonable, the right to make copies by photographic, xerographic or other means.

8. The corporation may impose a reasonable charge to recover the costs of labor and materials and the cost of copies of any records provided to the stockholder.

Sec. 4. NRS 78.130 is hereby amended to read as follows:

78.130 1. Every corporation must have a president, a secretary and a treasurer, or the equivalent thereof.

3. All officers must be natural persons and must be chosen in such manner, hold their offices for such terms and have such powers and duties as may be prescribed by the bylaws or determined by the board of directors. Any natural person may hold two or more offices.

4. An officer holds office after the expiration of his or her term until a successor is chosen or until the officer's resignation or removal before the expiration of his or her term. A failure to elect officers does not require the corporation to be dissolved. Any vacancy occurring in an office of the corporation by death, resignation, removal or otherwise, must be filled as the bylaws provide, or in the absence of such a provision, by the board of directors.

Sec. 5. NRS 78.140 is hereby amended to read as follows:

78.140 1. A contract or other transaction is not void or voidable solely because:

(a) The contract or transaction is between a corporation and:

(2) Another corporation, firm or association in which one or more of its directors or officers are directors or officers or are financially interested;

(b) A common or interested director or officer:

(1) Is present at the meeting of the board of directors or a committee thereof which authorizes or approves the contract or transaction; or

(2) Joins in the signing of a written consent which authorizes or approves the contract or transaction pursuant to subsection 2 of NRS 78.315; or

(c) The vote or votes of a common or interested director are counted for the purpose of authorizing or approving the contract or transaction,

2. The circumstances in which a contract or other transaction is not void or voidable pursuant to subsection 1 are:

(a) The fact of the common directorship, office or financial interest is known to the board of directors or committee, and the ~~{board}~~ *directors* or *members of the* committee ~~{authorizes, approves or ratifies}~~ , *other than any common or interested directors or members of the committee, approve or ratify* the contract or transaction in good faith . ~~{by a vote sufficient for the purpose without counting the vote or votes of the common or interested director or directors.}~~

(b) The fact of the common directorship, office or financial interest is known to the stockholders, and ~~{they}~~ *stockholders holding a majority of the voting power* approve or ratify the contract or transaction in good faith . ~~{by a majority vote of stockholders holding a majority of the voting power.}~~ The votes of the common or interested directors or officers must be counted in any such vote of stockholders.

(d) The contract or transaction is fair as to the corporation at the time it is authorized or approved.

3. Common or interested directors *or common or interested members of the committee* may be counted in determining the presence of a quorum at a meeting of the board of directors or a committee thereof which authorizes, approves or ratifies a contract or transaction, and if the votes of the common or interested directors *or common or interested members of the committee* are not counted at the meeting, then a majority of the disinterested directors *or disinterested members of the committee* may authorize, approve or ratify a contract or transaction.

4. The fact that the vote or votes of the common or interested director or directors , *or common or interested member or members of the committee,* are not counted for purposes of subsection 2 does not prohibit any authorization, approval or ratification of a contract or transaction to be given by written consent pursuant to subsection 2 of NRS 78.315, regardless of whether the common or interested director signs such written consent or abstains in writing from providing consent.

5. Unless otherwise provided in the articles of incorporation or the bylaws, the board of directors, without regard to personal interest, may establish the compensation of directors for services in any capacity. If the board of directors establishes the compensation of directors pursuant to this subsection, such compensation is

presumed to be fair to the corporation unless proven unfair by a preponderance of the evidence.

Sec. 6. NRS 78.195 is hereby amended to read as follows:

78.195 1. If a corporation desires to have more than one class or series of stock, the articles of incorporation must prescribe, or vest authority in the board of directors to prescribe, the classes, series and the number of each class or series of stock and the voting powers, designations, preferences, limitations, restrictions and relative rights of each class or series of stock. If more than one class or series of stock is authorized, the articles of incorporation or the resolution of the board of directors ~~passed~~ **adopted** pursuant to a provision of the articles must prescribe a distinguishing designation for each class and series. The voting powers, designations, preferences, limitations, restrictions, relative rights and distinguishing designation of each class or series of stock must be described in the articles of incorporation or the resolution of the board of directors **and the certificate of designation filed pursuant to subsection 1 of NRS 78.1955** before the issuance of shares of that class or series.

2. All shares of a **class or** series must have voting powers, designations, preferences, limitations, restrictions and relative rights identical with those of other shares of the same **class or** series and, except to the extent otherwise provided in the description of the series, with those of other series of the same class.

3. Unless otherwise provided in the articles of incorporation, no stock issued as fully paid up may ever be assessed and the articles of incorporation must not be amended in this particular.

4. ~~Any rate, condition or time for payment of distributions on any~~ **The voting powers, designations, preferences, limitations, restrictions and relative rights for the shares of a** class or series of stock may be made dependent upon any fact or event which may be ascertained outside the articles of incorporation ~~for the resolution providing for the distributions adopted by the board of directors~~ if the manner in which a fact or event may operate upon the ~~rate, condition or time of payment for the distributions~~ **voting powers, designations, preferences, limitations, restrictions and relative rights** is stated in the articles of incorporation . ~~for the resolution.~~ As used in this subsection, "fact or event" includes, without limitation, the existence of a fact or occurrence of an event, including, without limitation, a determination or action by a person, the corporation itself or any government, governmental agency or political subdivision of a government.

5. The provisions of this section do not restrict the directors of a corporation from taking action to protect the interests of the corporation and its stockholders, including, but not limited to, adopting or signing plans, arrangements or instruments that grant or deny rights, privileges, power or authority to a holder or holders of a specified number of shares or percentage of share ownership or voting power.

Sec. 7. NRS 78.1955 is hereby amended to read as follows:

78.1955 1. If the voting powers, designations, preferences, limitations, restrictions and relative rights of any class or series of stock have been established by a resolution of the board of directors pursuant to a provision in the articles of incorporation, a certificate of designation setting forth the resolution and stating the number of shares for each designation must be signed by an officer of the corporation and filed with the Secretary of State. A certificate of designation signed and filed pursuant to this section must become effective before the issuance of any shares of the class or series.

2. Unless otherwise provided in the articles of incorporation or the certificate of designation being amended, if no shares of a class or series of stock established by ~~a resolution of the board of directors~~ *a certificate of designation filed pursuant to subsection 1* have been issued, the designation of the class or series, the number of the class or series and the voting powers, designations, preferences, limitations, restrictions and relative rights of the class or series may be amended by a resolution of the board of directors pursuant to a certificate of amendment filed in the manner provided in subsection 4.

3. Unless otherwise provided in the articles of incorporation or the certificate of designation, the proposed amendment adopted by the board of directors must be approved by the vote of stockholders holding shares in the corporation entitling them to exercise a majority of the voting power, or such greater proportion of the voting power as may be required by the articles of incorporation or the certificate of designation, of:

- (a) The class or series of stock being amended; and
- (b) Each class and each series of stock which, before amendment, is senior to the class or series being amended as to the payment of distributions upon dissolution of the corporation, regardless of any limitations or restrictions on the voting power of that class or series.

4. A certificate of amendment to a certificate of designation must be signed by an officer of the corporation and filed with the Secretary of State and must:

(a) Set forth the original designation and the new designation, if the designation of the class or series is being amended;

If a certificate filed pursuant to subsection 1 or 4 specifies a later effective date but does not specify an effective time, the certificate is effective at 12:01 a.m. in the Pacific time zone on the specified later date.

6. If shares of a class or series of stock established by a certificate of designation are not outstanding, the corporation may file a certificate which states that no shares of the class or series are outstanding and which contains the resolution of the board of directors authorizing the withdrawal of the certificate of designation establishing the class or series of stock. The certificate must identify the date and certificate of designation being withdrawn and must be signed by an officer of the corporation and filed with the Secretary of State. Upon filing the certificate and payment of the fee required pursuant to NRS 78.765, all matters contained in the certificate of designation regarding the class or series of stock are eliminated from the articles of incorporation.

7. *When any certificate of designation, or any amendment thereto, filed pursuant to this section becomes effective, it shall have the effect of amending the articles of incorporation, but NRS 78.380, 78.385 and 78.390 do not apply to ~~certificates~~ a certificate*

(d) The provisions, if any, for the issuance of fractional shares, or for the payment of money or the issuance of scrip to stockholders otherwise entitled to a fraction of a share and the percentage of outstanding shares affected thereby; and

(e) That any required approval of the stockholders has been obtained.

↳ The provisions in the articles of incorporation of the corporation regarding the authorized number and par value, if any, of the changed class or, if applicable, the changed series of shares shall be deemed amended as provided in the certificate at the effective date and time of the change.

2. Unless an increase or decrease of the number of authorized shares pursuant to NRS 78.207 is accomplished by an action that

otherwise requires an amendment to the articles of incorporation of the corporation, such an amendment is not required by that section.

3. A certificate filed pursuant to subsection 1 is effective at the time of the filing of the certificate with the Secretary of State or upon a later date and time as specified in the certificate, which date must not be more than 90 days after the date on which the certificate is filed. If a certificate filed pursuant to subsection 1 specifies a later effective date but does not specify an effective time, the certificate is effective at 12:01 a.m. in the Pacific time zone on the specified later date.

4. If a certificate filed pursuant to subsection 1 specifies a later effective date, the board of directors may terminate the effectiveness of the certificate by resolution ~~[-A]~~ *and a* certificate of termination must:

(c) State that the effectiveness of the certificate has been terminated;

(d) Be signed by an officer of the corporation; and

(e) Be accompanied by the fee required pursuant to NRS 78.765.

5. When any certificate filed pursuant to subsection 1 becomes effective, it shall have the effect of amending the articles of incorporation, but NRS 78.380, 78.385 and 78.390 do not apply to a certificate of change filed pursuant to this section.

Sec. 10. NRS 78.211 is hereby amended to read as follows:

78.211 1. The board of directors may authorize shares to be issued for consideration consisting of any tangible or intangible property or benefit to the corporation, including, but not limited to, cash, promissory notes, services performed, contracts for services to be performed or other securities of the corporation. *The nature and amount of such consideration may be made dependent upon a formula approved by the board of directors or upon any fact or event which may be ascertained outside the articles of incorporation or the resolution providing for the issuance of the shares adopted by the board of directors if the manner in which a fact or event may operate upon the nature and amount of the consideration is stated in the articles of incorporation or the resolution.* The judgment of the board of directors as to the consideration received for the shares issued is conclusive in the absence of actual fraud in the transaction.

2. When the corporation receives the consideration for which the board of directors authorized the issuance of shares, the shares

issued therefor are fully paid. *Shares that are issued are outstanding shares unless such shares are treasury shares.*

3. The corporation may place in escrow shares issued for a contract for future services or benefits or a promissory note, or make any other arrangements to restrict the transfer of the shares. The corporation may credit distributions made for the shares against their purchase price, until the services are performed, the benefits are received or the promissory note is paid. If the services are not performed, the benefits are not received or the promissory note is not paid, the shares escrowed or restricted and the distributions credited may be cancelled in whole or in part.

4. For the purposes of this section, "benefit to the corporation" includes, without limitation, the authorization of the issuance of shares to up to 100 persons without consideration for the sole purpose of qualifying the corporation as a real estate investment trust pursuant to 26 U.S.C. §§ 856 et seq., as amended, or any successor provision, and any regulations adopted pursuant thereto.

Sec. 11. NRS 78.320 is hereby amended to read as follows:

78.320 1. Unless this chapter, the articles of incorporation or the bylaws provide for different proportions:

(a) A majority of the voting power, which includes the voting power that is present in person or by proxy, regardless of whether the proxy has authority to vote on all matters, constitutes a quorum for the transaction of business; and

(b) Action by the stockholders on a matter other than the election of directors is approved if the number of votes cast in favor of the action exceeds the number of votes cast in opposition to the action.

2. Unless otherwise provided in the articles of incorporation or the bylaws, any action required or permitted to be taken at a meeting of the stockholders may be taken without a meeting if, before or after the action, a written consent thereto is signed by stockholders holding at least a majority of the voting power, except that if a different proportion of voting power is required for such an action at a meeting, then that proportion of written consents is required.

3. In no instance where action is authorized by written consent need a meeting of stockholders be called or notice given.

4. Unless otherwise restricted by the articles of incorporation or bylaws, stockholders may participate in a meeting of stockholders through electronic communications, videoconferencing, teleconferencing or other available technology if the corporation has implemented reasonable measures to:

(a) Verify the identity of each person participating through such means as a stockholder; and

(b) Provide the stockholders a reasonable opportunity to participate in the meeting and to vote on matters submitted to the stockholders, including an opportunity to communicate, and to read or hear the proceedings of the meetings in a substantially concurrent manner with such proceedings.

5. *If authorized in the articles of incorporation or bylaws, a meeting of stockholders may be held solely by remote communication pursuant to subsection 4.*

6. Participation in a meeting pursuant to subsection 4 constitutes presence in person at the meeting.

~~6-~~ 7. Unless this chapter, the articles of incorporation or the bylaws provide for different proportions, if voting by a class or series of stockholders is permitted or required:

(a) A majority of the voting power of the class or series that is present in person or by proxy, regardless of whether the proxy has authority to vote on all matters, constitutes a quorum for the transaction of business; and

(b) An act by the stockholders of each class or series is approved if a majority of the voting power of a quorum of the class or series votes for the action.

Sec. 12. NRS 78.350 is hereby amended to read as follows:

78.350 1. Unless otherwise provided in the articles of incorporation, or in the ~~resolution providing for the issuance of~~ *certificate of designation establishing the class or series of* stock, ~~adopted by the board of directors pursuant to authority expressly vested in it by the provisions of the articles of incorporation,~~ every stockholder of record of a corporation is entitled at each meeting of stockholders thereof to one vote for each share of stock standing in his or her name on the records of the corporation. If the articles of incorporation, or the ~~resolution providing for the issuance of~~ *certificate of designation establishing the class or series of* stock ~~adopted by the board of directors pursuant to authority expressly vested in it by the articles of incorporation,~~ provides for more or less than one vote per share for any class or series of shares on any matter, every reference in this chapter to a majority or other proportion of stock shall be deemed to refer to a majority or other proportion of the voting power of all of the shares or those classes or series of shares, as may be required by the articles of incorporation, or in the ~~resolution providing for the issuance of~~ *certificate of designation establishing the class or series of* stock ~~adopted by the board of directors pursuant to authority expressly vested in it by the~~

~~provisions of the articles of incorporation,]~~ or the provisions of this chapter.

2. Unless a period of more than 60 days or a period of less than 10 days is prescribed or fixed in the articles of incorporation, the directors may prescribe a period not exceeding 60 days before any meeting of the stockholders during which no transfer of stock on the books of the corporation may be made, or may fix, in advance, a record date not more than 60 or less than 10 days before the date of any such meeting as the date as of which stockholders entitled to notice of and to vote at such meetings must be determined. Only stockholders of record on that date are entitled to notice or to vote at such a meeting. If a record date is not fixed, the record date is at the close of business on the day before the day on which the first notice is given or, if notice is waived, at the close of business on the day before the meeting is held. A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders applies to an adjournment *or postponement* of the meeting unless the board of directors fixes a new record date for the adjourned *or postponed* meeting. The board of directors must fix a new record date if the meeting is adjourned *or postponed* to a date more than 60 days later than the *meeting* date set for the original meeting.

3. The board of directors may adopt a resolution prescribing a date upon which the stockholders of record entitled to give written consent pursuant to NRS 78.320 must be determined. The date prescribed by the board of directors may not precede or be more than 10 days after the date the resolution is adopted by the board of directors. If the board of directors does not adopt a resolution prescribing a date upon which the stockholders of record entitled to give written consent pursuant to NRS 78.320 must be determined and:

(a) No prior action by the board of directors is required by this chapter or chapter 92A of NRS before the matter is submitted for consideration by the stockholders, the date is the first date on which any stockholder delivers to the corporation such consent signed by the stockholder.

(b) Prior action by the board of directors is required by this chapter or chapter 92A of NRS before the matter is submitted for consideration by the stockholders, the date is at the close of business on the day the board of directors adopts the resolution.

4. The provisions of this section do not restrict the directors from taking action to protect the interests of the corporation and its stockholders, including, but not limited to, adopting or signing plans, arrangements or instruments that grant or deny rights,

privileges, power or authority to a holder or holders of a specified number of shares or percentage of share ownership or voting power.

Sec. 13. NRS 78.370 is hereby amended to read as follows:

78.370 1. If under the provisions of this chapter stockholders are required or authorized to take any action at a meeting, the notice of the meeting must be in writing.

2. Except in the case of the annual meeting, the notice must state the purpose or purposes for which the meeting is called. In all instances, the notice must state the time when, and the place, which may be within or without this State, where the meeting is to be held, and the means of electronic communications, if any, by which stockholders and proxies shall be deemed to be present in person and vote.

3. A copy of the notice must be delivered personally, mailed postage prepaid or delivered as provided in NRS 75.150 to each stockholder of record entitled to vote at the meeting not less than 10 nor more than 60 days before the meeting. If mailed, it must be directed to the stockholder at his or her address as it appears upon the records of the corporation. Personal delivery of any such notice to any officer of a corporation or association, to any member of a limited-liability company managed by its members, to any manager of a limited-liability company managed by managers, to any general partner of a partnership or to any trustee of a trust constitutes delivery of the notice to the corporation, association, limited-liability company, partnership or trust.

4. The articles of incorporation or the bylaws may require that the notice be also published in one or more newspapers.

5. Notice delivered or mailed to a stockholder in accordance with the provisions of this section and NRS 75.150 and the provisions, if any, of the articles of incorporation or the bylaws is sufficient, and in the event of the transfer of the stockholder's stock after such delivery or mailing and before the holding of the meeting it is not necessary to deliver or mail notice of the meeting to the transferee.

6. Unless otherwise provided in the articles of incorporation or the bylaws, if notice is required to be delivered, under any provision of this chapter or the articles of incorporation or bylaws of any corporation, to any stockholder to whom:

(a) Notice of two consecutive annual meetings, and all notices of meetings or of the taking of action by written consent without a meeting to the stockholder during the period between those two consecutive annual meetings; or

(b) All, and at least two, payments sent by first-class mail of dividends or interest on securities during a 12-month period, ↪ have been mailed addressed to the stockholder at his or her address as shown on the records of the corporation and have been returned undeliverable, the delivery of further notices to the stockholder is not required. Any action or meeting taken or held without notice to such a stockholder has the same effect as if the notice had been delivered. If any such stockholder delivers to the corporation a written notice setting forth his or her current address, the requirement that notice be delivered to the stockholder is reinstated. If the action taken by the corporation is such as to require the filing of a certificate under any of the other sections of this chapter, the certificate need not state that notice was not delivered to persons to whom notice was not required to be delivered pursuant to this subsection. The delivery of further notices to a stockholder is still required for any notice returned as undeliverable if the notice was delivered by electronic transmission.

7. Unless the articles of incorporation or bylaws otherwise require, and except as otherwise provided in this subsection, if a stockholders' meeting is adjourned to another date, time or place, notice need not be delivered of the date, time or place of the adjourned meeting if they are announced at the meeting at which the adjournment is taken. If a new record date is fixed for ~~the~~ *an* adjourned *or postponed* meeting, notice of the adjourned *or postponed* meeting must be delivered to each stockholder of record as of the new record date.

Sec. 14. NRS 78.433 is hereby amended to read as follows:

78.433 1. NRS 78.411 to 78.444, inclusive, do not apply to any combination of a resident domestic corporation:

(b) Whose articles of incorporation have been amended to provide that the resident domestic corporation is subject to NRS 78.411 to 78.444, inclusive, and which was not a publicly traded corporation on the effective date of the amendment, if the combination is with a person who first became an interested stockholder before the effective date of the amendment.

3. The provisions of NRS 78.411 to 78.444, inclusive, do not restrict the directors of a resident domestic corporation from taking action to protect the interests of the corporation and its stockholders, including, without limitation, adopting or signing plans, arrangements or instruments that grant or deny rights, privileges, power or authority to a holder or holders of a specified number of shares or percentage of share ownership or voting power.

Sec. 15. NRS 78.438 is hereby amended to read as follows:

2. If a proposal in good faith regarding a combination is made in writing to the board of directors of the resident domestic corporation, the board of directors shall respond, in writing, within 30 days or such shorter period, if any, as may be required by the Securities Exchange Act, setting forth its reasons for its decision regarding the proposal.

3. If a proposal in good faith to enter into a transaction by which the person will become an interested stockholder is made in writing to the board of directors of the resident domestic corporation, the board of directors, unless it responds affirmatively in writing within 30 days or such shorter period, if any, as may be required by the Securities Exchange Act, is considered to have disapproved the transaction.
