AN ACT relating to graffiti; expanding the list of items that are considered graffiti implements which are unlawful to carry in certain places; clarifying that a governmental entity may bring a civil action for damages to public property; authorizing the governing body of a city to adopt ordinances to address covering and removing certain graffiti on residential and nonresidential property that is visible from a public right-of-way; revising provisions governing money in a city’s graffiti reward and abatement fund; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law makes it a crime to place graffiti on or otherwise deface the public
2 or private property, real or personal, of another, without the permission of the
3 owner. (NRS 206.330) **Sections 5 and 16** of this bill revise the definition of
4 “graffiti” to clarify that estrays and livestock are included within the scope of
5 property to which the offense of graffiti applies.

6 Existing law makes it a misdemeanor for a person to carry on his or her person,
7 in certain public places, a graffiti implement with the intent to vandalize, place
8 graffiti on or deface property. (NRS 206.335) **Section 7** of this bill revises the
9 definition of “graffiti implement” to include any item that may be used to etch,
10 mark or deface property.

11 Existing law requires a person who is ordered to pay restitution for placing
12 graffiti on public property to pay the restitution to the governmental entity that has
13 incurred expenses for abating the graffiti. (NRS 206.345) **Section 8** of this bill
14 authorizes the payment of restitution to a governmental entity for future expenses to
15 abate the graffiti. Existing law also authorizes the owner of public or private
16 property that has been damaged by graffiti to bring a civil action against the person

17 who placed the graffiti and recover damages in an amount up to three times the
18 amount of any loss in value to property and up to three times the cost of restoring
19 the property plus attorney’s fees and costs. (NRS 206.345) **Section 8** clarifies that a
20 governmental entity may also bring a civil action to recover such damages from a
21 person who placed graffiti on property if the governmental entity owns or is
22 otherwise responsible for the damaged property.

23 Existing law authorizes a board of county commissioners to provide by
24 ordinance for the covering or removal of certain graffiti on certain types of
25 property. (NRS 244.36935) **Section 14** of this bill authorizes the governing body of a
26 city to similarly provide by ordinance for the covering or removal of certain
27 graffiti on certain types of property.

28 Existing law authorizes a board of county commissioners to provide by
29 ordinance procedures pursuant to which the board may order an owner of
30 nonresidential property to cover or remove certain graffiti on the owner’s property.
31 (NRS 244.3694) **Section 15** of this bill similarly authorizes the governing body of a
32 city to provide by ordinance procedures pursuant to which the governing body may
33 order an owner of nonresidential property to cover or remove certain graffiti on the
34 owner’s property.

35 Existing law requires the governing body of each city to create a fund to pay,
36 upon approval by the governing body of the city, a reward to certain persons who
37 provide information which results in the identification, apprehension and
38 conviction of a person who violated a city ordinance prohibiting graffiti or other
39 defacement of property. (NRS 268.4085) **Section 18** of this bill expands the
40 authorized use of money in the fund: (1) to purchase supplies or pay for other
41 graffiti abatement costs incurred by the city; (2) to be paid for information which
42 results in the identification, apprehension or conviction of a person who is alleged
43 to have violated a city ordinance that prohibits graffiti or defacement of property;
44 and (3) to be paid upon approval of the city manager, the authorized designee of the
45 city manager or, if the city does not have a city manager, the governing body of the
46 city.
