AN ACT relating to taxation; revising provisions governing the sales and use taxes imposed on the delivery or transfer of a firearm from outside this State under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing federal law prohibits a person from transporting into or receiving in
2 the state of his or her residence a firearm purchased or otherwise obtained by that
3 person from outside that state, unless the person is licensed by the Bureau of
4 Alcohol, Tobacco, Firearms and Explosives of the United States Department of
5 Justice. Thus, for a resident of this State to purchase a firearm from another state,
6 the firearm must be transferred or delivered to a person in this State who is a
7 federally licensed firearms dealer who then transfers or delivers the firearm to the
8 purchaser after conducting the background check required by federal law. (18
9 U.S.C. § 922(a)(3), (b)(3), (t))

10 Existing law imposes a sales tax on the gross receipts of a retailer from the sale
11 of tangible personal property sold at retail in this State. (NRS 372.105, 374.110)
12 Existing law also imposes a use tax on the storage, use or other consumption in this
13 State of tangible personal property purchased from a retailer for storage, use or
14 other consumption in this State. (NRS 372.185, 374.190) Under existing law, if an
15 agent of an owner or former owner of tangible personal property delivers the
16 property to a final consumer in this State pursuant to a retail sale made by an out-
17 of-state retailer, the delivery is a retail sale in this State by the agent making the
18 delivery. (NRS 372.050) Under these circumstances, the delivery of the property by
19 the agent is considered a retail sale by the agent and the agent is required to impose,
20 collect and remit the sales tax to the Department of Taxation. (NRS 372.110,
21 374.115)

22 This bill provides that, in administering the sales and use taxes, the Department
23 is prohibited from considering the delivery or transfer of a firearm from outside the
24 State by a person in this State who is a federally licensed firearms dealer to be a

25 sale made by the federally licensed firearms dealer if: (1) the delivery or transfer is
26 made to facilitate the transfer of the firearm from outside the State in compliance
27 with federal law; and (2) the sale involves the payment of the sales price for the
28 firearm to a person other than the federally licensed firearms dealer. Because this
29 bill provides that the delivery or transfer is prohibited from being considered a sale
30 by the federally licensed firearms dealer, the federally licensed firearms dealer is
31 not required to impose, collect and remit the sales tax or collect and remit the use
32 tax on the delivery or transfer of the firearm. However, under this bill, the
33 purchaser of the firearm is required to remit the use tax if the purchase of the
34 firearm constitutes a retail sale by a retailer in another state.
