**Legislative Counsel's Digest:**

Existing law provides that the limited and regulated use of marijuana by a person who suffers from certain chronic or debilitating medical conditions and who obtains a registry identification card through a program governed by the Health Division of the Department of Health and Human Services is exempt from prosecution under the laws of this State. (NRS 453A.300) This bill provides that, to the extent that a person who holds a registry identification card engages in the medical use of marijuana, he or she is exempt from prosecution for a criminal offense involving driving, operating or being in actual physical control of a vehicle or vessel under power or sail with a certain amount of marijuana or marijuana metabolite in his or her blood or urine. Under this bill, such a person would not be exempt from state prosecution if he or she drives, operates or
