CHAPTER.....

AN ACT relating to public safety; requiring a court to transmit within 5 business days certain records of adjudication concerning a person’s mental health to the Central Repository for Nevada Records of Criminal History for certain purposes relating to the purchase or possession of a firearm; authorizing the inclusion, correction and removal of the information in such records in each appropriate database of the National Crime Information Center; requiring each agency of criminal justice to submit information relating to records of criminal history within 60 days after the date of the conviction; requiring certain persons to request a background check before transferring a firearm to another person under certain circumstances; prohibiting certain persons from having possession, custody or control of a firearm; prohibiting certain persons from selling a firearm under certain circumstances; revising the functions of the Division of Mental Health and Developmental Services of the Department of Health and Human Services; requiring a mental health professional to notify certain persons when a patient makes certain explicit threats of imminent serious physical harm or death; providing penalties; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

Existing law requires a court to transmit to the Central Repository for Nevada Records of Criminal History a record of any court order, judgment, plea or verdict concerning the involuntary admission of a person to a mental health facility, the appointment of a guardian for a person with a mental defect, a finding that a person is incompetent to stand trial, a verdict acquitting a defendant by reason of insanity or a plea or finding of guilty but mentally ill, along with a statement that the record is being transmitted for inclusion in all appropriate databases of the National Instant Criminal Background Check System. (NRS 159.0593, 174.035, 175.533, 175.539, 178.425, 433A.310) **Sections 1-4, 7 and 11** of this bill require such records to be transmitted to the Central Repository within 5 business days.

Existing law requires the inclusion, correction and removal of information in records of criminal history in each appropriate database of the National Instant Criminal Background Check System. (NRS 179A.163, 179A.165, 179A.167, 433A.310) **Sections 4.5, 4.6, 4.7 and 11** of this bill also authorize or require, as appropriate, the inclusion, correction and removal of such information in each appropriate database of the National Crime Information Center. **Section 4.1** of this bill defines “National Crime Information Center” to mean the computerized information system created and maintained by the Federal Bureau of Investigation pursuant to 28 U.S.C. § 534.

Existing law requires each agency of criminal justice to submit information relating to records of criminal history within the period prescribed by the Director of the Department of Public Safety. (NRS 179A.075) **Section 4.3** of this bill requires the submission of such information within 60 days after the date of the conviction.

Existing law authorizes a private person who wishes to transfer a firearm to another person to request the Central Repository to perform a background check on the person who wishes to acquire the firearm. (NRS 202.254) **Section 8** of this bill requires, with certain exceptions which are set forth in **section 7.8** of this bill, that a private person who wishes to transfer a firearm to another person request that a federally licensed firearms dealer submit a request for a background check to the National Instant Criminal Background Check System. Under **section 8**, the private person who wishes to transfer the firearm and the private person who wishes to acquire the firearm must appear jointly at the place of business of a licensed dealer and, upon receipt of a request, the licensed dealer must contact the National Instant Criminal Background Check System to initiate a background check on the person who wishes to acquire the firearm. **Section 8** requires the licensed dealer to comply with all requirements of state and federal law concerning the transfer of a firearm as though the licensed dealer were selling the firearm from his or her own inventory, except that the background check must be obtained from the National Instant Criminal Background Check System and not the Central Repository. The licensed dealer is required to inform the parties of the response from the National Instant Criminal Background Check System and the consequences of the response. If the response is that the transfer would violate state or federal law, the licensed dealer is required to so inform the parties and the transfer must not take place. In addition, **section 8** limits any fee that a licensed dealer may charge for the background check to not more than \$30.

**Section 7.9** of this bill establishes criminal penalties for a private person who transfers a firearm in violation of **section 8** or **section 7.85** of this bill. **Section 8** further makes it a misdemeanor for a licensed dealer to request a background check for any purpose other than the purpose set forth in that section or to disseminate information obtained from a background check to a person other than a person authorized to receive that information. **Section 8** also makes it a category E felony for a person to make a materially false statement or furnish or exhibit any false identification to deceive a licensed dealer in connection with the transfer or attempted transfer of a firearm by a private person.

**Section 7.85** requires a private person who wishes to transfer a firearm to another private person who holds a permit to carry a concealed firearm to appear jointly at the place of business of a licensed dealer and demonstrate to the licensed dealer the firearm that is the subject of the transfer and the permit to carry a concealed firearm of the person who wishes to acquire the firearm. A background check is not required, but the licensed dealer is required to maintain a record of the transaction.

Existing law prohibits a person who has been adjudicated as mentally ill, has been committed to any mental health facility or is illegally or unlawfully in the United States from possessing or having custody or control of a firearm. (NRS 202.360) **Section 9** of this bill also prohibits a person who has entered a plea of guilty but mentally ill, has been found guilty but mentally ill or has been acquitted by reason of insanity from possessing or having custody or control of a firearm.

Existing law prohibits a person from selling or otherwise disposing of any firearm or ammunition to another person if he or she has actual knowledge that the other person: (1) is under indictment for, or has been convicted of, a felony; (2) is a fugitive from justice; (3) has been adjudicated as mentally ill or has been

committed to a mental health facility; or (4) is illegally or unlawfully in the United States. (NRS 202.362) **Section 10** of this bill prohibits a person from selling or otherwise disposing of any firearm or ammunition to another person if he or she has reasonable cause to believe that the other person meets any of those listed conditions or if the other person is otherwise prohibited from possessing a firearm.

Existing law provides that a patient has a privilege to refuse to disclose and to prevent any other person from disclosing confidential communications between the patient and the patient's psychologist or doctor. (NRS 49.209, 49.225) **Sections 5 and 6** of this bill provide exceptions to the privilege for certain determinations which are now required pursuant to this bill.

Existing law: (1) designates the Division of Mental Health and Developmental Services of the Department of Health and Human Services as the official state agency for developing and administering outpatient mental health services; and (2) requires the Division to perform certain functions relating to mental health. (NRS 436.123) **Section 12** of this bill requires the Division to assist and consult with local governments and all law enforcement agencies in this State in providing community mental health services.

Existing law imposes various requirements and duties on certain health care professionals. (Chapter 629 of NRS) **Section 13** of this bill provides that if a patient of a mental health professional makes an explicit threat of imminent serious physical harm or death to a person, and the mental health professional believes the patient has the intent and ability to carry out the threat, the mental health professional must notify the threatened person and the appropriate law enforcement agency. A mental health professional who exercises reasonable care in determining whether or not to provide notice of such a threat is not subject to civil or criminal liability or disciplinary action by a professional licensing board for disclosing confidential or privileged information or for any damages caused by the actions of a patient.
