receive an affirmative vote of all of the members of the board of 96967
county commissioners and shall state the reasons for such 96968
necessity. The board shall deliver a certified copy of the 96969
resolution to the tax commissioner, not later than the sixty-fifth 96970

resolution shall be subject to a referendum as provided in 96984

the board of county commissioners and the tax commissioner of the 96988

declaration by certified mail. If the petition is declared to be 96993
invalid, the effective date of the tax or increased rate of tax 96994
levied by this section shall be the first day of a calendar 96995
quarter following the expiration of sixty-five days from the date 96996

of levying the tax or increasing the rate of tax to the electors 97001
of the county at a special election held on the date specified by 97002
the board of county commissioners in the resolution, provided that 97003
the election occurs not less than ninety days after a certified 97004
copy of such resolution is transmitted to the board of elections 97005
and the election is not held in February or August of any year. 97006

board of county commissioners shall notify the tax commissioner in 97008
writing of the levy question to be submitted to the electors. No 97009
resolution adopted under this division shall go into effect unless 97010
approved by a majority of those voting upon it, and, except as 97011
provided in division (B)(3) of this section, shall become 97012
effective on the first day of a calendar quarter following the 97013
expiration of sixty-five days from the date the tax commissioner 97014

repealing the tax or increase in the rate of the tax to the 97020
electors of the county at the next general election in the county 97021
occurring not less than ninety days after a certified copy of the 97022
resolution is transmitted to the board of elections. Upon 97023

board of county commissioners shall notify the tax commissioner in 97025
writing of the levy question to be submitted to the electors. The 97026
ballot question shall be the same as that prescribed in section 97027

the board of county commissioners and the tax commissioner of the 97029
result of the election immediately after the result has been 97030
declared. If a majority of the qualified electors voting on the 97031
question of repealing the tax or increase in the rate of the tax 97032
vote for repeal of the tax or repeal of the increase, the board of 97033
county commissioners, on the first day of a calendar quarter 97034
following the expiration of sixty-five days after the date the 97035
board and tax commissioner receive notice of the result of the 97036
election, shall, in the case of a repeal of the tax, cease to levy 97037
the tax, or, in the case of a repeal of an increase in the rate of 97038
the tax, cease to levy the increased rate and levy the tax at the 97039
rate at which it was imposed immediately prior to the increase in 97040
rate. 97041

(3) If a vendor makes a sale in this state by printed catalog 97042
and the consumer computed the tax on the sale based on local rates 97043
published in the catalog, any tax levied or repealed or rate 97044
changed under this section shall not apply to such a sale until 97045
the first day of a calendar quarter following the expiration of 97046
one hundred twenty days from the date of notice by the tax 97047
commissioner pursuant to division (H) of this section. 97048

(C) If a resolution is rejected at a referendum or if a 97049
resolution adopted after January 1, 1982, as an emergency measure 97050
is repealed by the electors pursuant to division (B)(2) of this 97051

section or section 5739.022 of the Revised Code, then for one year 97052
after the date of the election at which the resolution was 97053
rejected or repealed the board of county commissioners may not 97054
adopt any resolution authorized by this section as an emergency 97055
measure. 97056

(D) The board of county commissioners, at any time while a 97057
tax levied under this section is in effect, may by resolution 97058
reduce the rate at which the tax is levied to a lower rate 97059
authorized by this section. Any reduction in the rate at which the 97060
tax is levied shall be made effective on the first day of a 97061
calendar quarter next following the sixty-fifth day after a 97062
certified copy of the resolution is delivered to the tax 97063
commissioner. 97064

(E) The tax on every retail sale subject to a tax levied 97065
pursuant to this section shall be in addition to the tax levied by 97066
section 5739.02 of the Revised Code and any tax levied pursuant to 97067
section 5739.023, 5739.024, or 5739.026 of the Revised Code. 97068

A county that levies a tax pursuant to this section shall 97069
levy a tax at the same rate pursuant to section 5741.021 of the 97070
Revised Code. 97071

The additional tax levied by the county shall be collected 97072
pursuant to section 5739.025 of the Revised Code. If the 97073
additional tax or some portion thereof is levied for the purpose 97074
of criminal and administrative justice services, the revenue from 97075
the tax, or the amount or rate apportioned to that purpose, shall 97076
be credited to a special fund created in the county treasury for 97077
receipt of that revenue. 97078

Any tax levied pursuant to this section is subject to the 97079
exemptions provided in section 5739.02 of the Revised Code and in 97080
addition shall not be applicable to sales not within the taxing 97081
power of a county under the Constitution of the United States or 97082

the Ohio Constitution. 97083

(F) For purposes of this section, a copy of a resolution is 97084
"certified" when it contains a written statement attesting that 97085
the copy is a true and exact reproduction of the original 97086
resolution. 97087

(G) If a board of commissioners intends to adopt a resolution 97088
to levy a tax in whole or in part for the purpose of criminal and 97089
administrative justice services, the board shall prepare and make 97090
available at the first public hearing at which the resolution is 97091
considered a statement containing the following information: 97092

which the resolution is adopted, the board's preliminary plan for 97101
expenditures to be made from the county general fund for the 97102
purpose of criminal and administrative justice services, both 97103

and under the assumption that the tax would not be imposed for 97105
that purpose, and for expenditures to be made from the special 97106
fund created under division (E) of this section under the 97107
assumption that the tax will be imposed for that purpose. 97108

The board shall prepare the statement and the preliminary 97109
plan using the best information available to the board at the time 97110
the statement is prepared. Neither the statement nor the 97111
preliminary plan shall be used as a basis to challenge the 97112
validity of the tax in any court of competent jurisdiction, nor 97113

shall the statement or preliminary plan limit the authority of the board to appropriate, pursuant to section 5705.38 of the Revised Code, an amount different from that specified in the preliminary plan.

(D) In lieu of collecting the tax pursuant to the schedules 98169
set forth in divisions (A), (B), and (C) of this section, a vendor 98170

may compute the tax on each sale as follows: 98171

(1) On sales of fifteen cents or less, no tax shall apply. 98172

(2) On sales in excess of fifteen cents, multiply the price 98173
by the aggregate rate of taxes in effect under sections 5739.02 98174
and 5741.02 and sections 5739.021, 5739.023, 5739.026, 5741.021, 98175
5741.022, and 5741.023 of the Revised Code. The computation shall 98176
be carried out to six decimal places. If the result is a 98177
fractional amount of a cent, the calculated tax shall be increased 98178
to the next highest cent and that amount shall be collected by the 98179
vendor. 98180

(E) On and after January 1, 2006, a vendor shall compute the 98181
tax on each sale by multiplying the price by the aggregate rate of 98182
taxes in effect under sections 5739.02 and 5741.02, and sections 98183
5739.021, 5739.023, 5739.024, 5739.026, 5741.021, 5741.022, ~~and~~ 98184
5741.023, and 5741.024 of the Revised Code. The computation shall 98185
be carried out to three decimal places. If the result is a 98186
fractional amount of a cent, the calculated tax shall be rounded 98187
to a whole cent using a method that rounds up to the next cent 98188
whenever the third decimal place is greater than four. A vendor 98189
may elect to compute the tax due on a transaction on an item or an 98190
invoice basis. 98191

(F) In auditing a vendor, the tax commissioner shall consider 98192
the method prescribed by this section that was used by the vendor 98193
in determining and collecting the tax due under this chapter on 98194
taxable transactions. If the vendor correctly collects and remits 98195
the tax due under this chapter in accordance with the schedules in 98196
divisions (A), (B), and (C) of this section or in accordance with 98197
the computation prescribed in division (D) or (E) of this section, 98198
the commissioner shall not assess any additional tax on those 98199
transactions. 98200

(G)(1) With respect to a sale of a fractional ownership 98201

program aircraft used primarily in a fractional aircraft ownership 98202
program, including all accessories attached to such aircraft, the 98203
tax shall be calculated pursuant to divisions (A) to (E) of this 98204
section, provided that the tax commissioner shall modify those 98205
calculations so that the maximum tax on each program aircraft is 98206
eight hundred dollars. In the case of a sale of a fractional 98207
interest that is less than one hundred per cent of the program 98208
aircraft, the tax charged on the transaction shall be eight 98209
hundred dollars multiplied by a fraction, the numerator of which 98210
is the percentage of ownership or possession in the aircraft being 98211
purchased in the transaction, and the denominator of which is one 98212
hundred per cent. 98213

(2) Notwithstanding any other provision of law to the 98214
contrary, the tax calculated under division (G)(1) of this section 98215
and paid with respect to the sale of a fractional ownership 98216
program aircraft used primarily in a fractional aircraft ownership 98217
program shall be credited to the general revenue fund. 98218

Sec. 5739.026. (A) A board of county commissioners may levy a 98219
tax of one-fourth or one-half of one per cent on every retail sale 98220
in the county, except sales of watercraft and outboard motors 98221
required to be titled pursuant to Chapter 1548. of the Revised 98222
Code and sales of motor vehicles, and may increase an existing 98223
rate of one-fourth of one per cent to one-half of one per cent, to 98224
pay the expenses of administering the tax and, except as provided 98225
in division (A)(6) of this section, for any one or more of the 98226
following purposes provided that the aggregate levy for all such 98227
purposes does not exceed one-half of one per cent: 98228

(1) To provide additional revenues for the payment of bonds 98229
or notes issued in anticipation of bonds issued by a convention 98230
facilities authority established by the board of county 98231
commissioners under Chapter 351. of the Revised Code and to 98232

provide additional operating revenues for the convention facilities authority;	98233 98234
(2) To provide additional revenues for a transit authority operating in the county;	98235 98236

(5) To provide additional revenue for the acquisition, construction, equipping, or repair of any specific permanent improvement or any class or group of permanent improvements, which improvement or class or group of improvements shall be enumerated in the resolution required by division (D) of this section, and to pay principal, interest, premium, and other costs associated with the issuance of bonds or notes in anticipation of bonds issued pursuant to Chapter 133. of the Revised Code for the acquisition, construction, equipping, or repair of the specific permanent improvement or class or group of permanent improvements;	98244 98245 98246 98247 98248 98249 98250 98251 98252 98253
(6) To provide revenue for the implementation and operation of a 9-1-1 system in the county. If the tax is levied or the rate increased exclusively for such purpose, the tax shall not be levied or the rate increased for more than five years. At the end of the last year the tax is levied or the rate increased, any balance remaining in the special fund established for such purpose shall remain in that fund and be used exclusively for such purpose until the fund is completely expended, and, notwithstanding section 5705.16 of the Revised Code, the board of county commissioners shall not petition for the transfer of money from	98254 98255 98256 98257 98258 98259 98260 98261 98262 98263

such special fund, and the tax commissioner shall not approve such a petition. 98264
98265

If the tax is levied or the rate increased for such purpose 98266
for more than five years, the board of county commissioners also 98267
shall levy the tax or increase the rate of the tax for one or more 98268
of the purposes described in divisions (A)(1) to (5) of this 98269
section and shall prescribe the method for allocating the revenues 98270
from the tax each year in the manner required by division (C) of 98271
this section. 98272

(7) To provide additional revenue for the operation or 98273
maintenance of a detention facility, as that term is defined under 98274
division (F) of section 2921.01 of the Revised Code; 98275

(8) To provide revenue to finance the construction or 98276
renovation of a sports facility, but only if the tax is levied for 98277
that purpose in the manner prescribed by section 5739.028 of the 98278
Revised Code. 98279

As used in division (A)(8) of this section: 98280

(a) "Sports facility" means a facility intended to house 98281
major league professional athletic teams. 98282

(b) "Constructing" or "construction" includes providing 98283
fixtures, furnishings, and equipment. 98284

(9) To provide additional revenue for the acquisition of 98285
agricultural easements, as defined in section 5301.67 of the 98286

by a lake facilities authority, as provided in Chapter 353. of the 98295
Revised Code. 98296

Pursuant to section 755.171 of the Revised Code, a board of 98297
county commissioners may pledge and contribute revenue from a tax 98298
levied for the purpose of division (A)(5) of this section to the 98299
payment of debt charges on bonds issued under section 755.17 of 98300
the Revised Code. 98301

The rate of tax shall be a multiple of one-fourth of one per 98302
cent, unless a portion of the rate of an existing tax levied under 98303
section 5739.023 of the Revised Code has been reduced, and the 98304
rate of tax levied under this section has been increased, pursuant 98305
to section 5739.028 of the Revised Code, in which case the 98306
aggregate of the rates of tax levied under this section and 98307
section 5739.023 of the Revised Code shall be a multiple of 98308
one-fourth of one per cent. The tax shall be levied and the rate 98309
increased pursuant to a resolution adopted by a majority of the 98310
members of the board. The board shall deliver a certified copy of 98311
the resolution to the tax commissioner, not later than the 98312
sixty-fifth day prior to the date on which the tax is to become 98313
effective, which shall be the first day of a calendar quarter. 98314

Prior to the adoption of any resolution to levy the tax or to 98315
increase the rate of tax exclusively for the purpose set forth in 98316
division (A)(3) of this section, the board of county commissioners 98317
shall conduct two public hearings on the resolution, the second 98318
hearing to be no fewer than three nor more than ten days after the 98319
first. Notice of the date, time, and place of the hearings shall 98320
be given by publication in a newspaper of general circulation in 98321
the county, or as provided in section 7.16 of the Revised Code, 98322
once a week on the same day of the week for two consecutive weeks. 98323
The second publication shall be no fewer than ten nor more than 98324
thirty days prior to the first hearing. Except as provided in 98325

division (E) of this section, the resolution shall be subject to a referendum as provided in sections 305.31 to 305.41 of the Revised Code. If the resolution is adopted as an emergency measure necessary for the immediate preservation of the public peace, health, or safety, it must receive an affirmative vote of all of the members of the board of county commissioners and shall state the reasons for the necessity.

If the tax is for more than one of the purposes set forth in divisions (A)(1) to (7), (9), and (10) of this section, or is exclusively for one of the purposes set forth in division (A)(1), (2), (4), (5), (6), (7), (9), or (10) of this section, the resolution shall not go into effect unless it is approved by a majority of the electors voting on the question of the tax.

(B) The board of county commissioners shall adopt a resolution under section 351.02 of the Revised Code creating the convention facilities authority, or under section 307.283 of the Revised Code creating the community improvements board, before adopting a resolution levying a tax for the purpose of a convention facilities authority under division (A)(1) of this section or for the purpose of a community improvements board under division (A)(4) of this section.

(C)(1) If the tax is to be used for more than one of the purposes set forth in divisions (A)(1) to (7), (9), and (10) of this section, the board of county commissioners shall establish the method that will be used to determine the amount or proportion of the tax revenue received by the county during each year that will be distributed for each of those purposes, including, if applicable, provisions governing the reallocation of a convention facilities authority's allocation if the authority is dissolved while the tax is in effect. The allocation method may provide that different proportions or amounts of the tax shall be distributed among the purposes in different years, but it shall clearly

describe the method that will be used for each year. Except as 98358
otherwise provided in division (C)(2) of this section, the 98359
allocation method established by the board is not subject to 98360
amendment during the life of the tax. 98361

(2) Subsequent to holding a public hearing on the proposed 98362
amendment, the board of county commissioners may amend the 98363
allocation method established under division (C)(1) of this 98364
section for any year, if the amendment is approved by the 98365
governing board of each entity whose allocation for the year would 98366
be reduced by the proposed amendment. In the case of a tax that is 98367
levied for a continuing period of time, the board may not so amend 98368
the allocation method for any year before the sixth year that the 98369
tax is in effect. 98370

(a) If the additional revenues provided to the convention 98371
facilities authority are pledged by the authority for the payment 98372
of convention facilities authority revenue bonds for as long as 98373
such bonds are outstanding, no reduction of the authority's 98374
allocation of the tax shall be made for any year except to the 98375
extent that the reduced authority allocation, when combined with 98376
the authority's other revenues pledged for that purpose, is 98377
sufficient to meet the debt service requirements for that year on 98378
such bonds. 98379

(b) If the additional revenues provided to the county are 98380
pledged by the county for the payment of bonds or notes described 98381
in division (A)(4) or (5) of this section, for as long as such 98382
bonds or notes are outstanding, no reduction of the county's or 98383
the community improvements board's allocation of the tax shall be 98384
made for any year, except to the extent that the reduced county or 98385
community improvements board allocation is sufficient to meet the 98386
debt service requirements for that year on such bonds or notes. 98387

(c) If the additional revenues provided to the transit 98388
authority are pledged by the authority for the payment of revenue 98389

bonds issued under section 306.37 of the Revised Code, for as long 98390
as such bonds are outstanding, no reduction of the authority's 98391
allocation of tax shall be made for any year, except to the extent 98392
that the authority's reduced allocation, when combined with the 98393
authority's other revenues pledged for that purpose, is sufficient 98394
to meet the debt service requirements for that year on such bonds. 98395

(d) If the additional revenues provided to the county are 98396
pledged by the county for the payment of bonds or notes issued 98397
under section 133.60 of the Revised Code, for so long as the bonds 98398
or notes are outstanding, no reduction of the county's allocation 98399
of the tax shall be made for any year, except to the extent that 98400
the reduced county allocation is sufficient to meet the debt 98401
service requirements for that year on the bonds or notes. 98402

(D)(1) The resolution levying the tax or increasing the rate 98403
of tax shall state the rate of the tax or the rate of the 98404
increase; the purpose or purposes for which it is to be levied; 98405
the number of years for which it is to be levied or that it is for 98406
a continuing period of time; the allocation method required by 98407
division (C) of this section; and if required to be submitted to 98408
the electors of the county under division (A) of this section, the 98409
date of the election at which the proposal shall be submitted to 98410
the electors of the county, which shall be not less than ninety 98411
days after the certification of a copy of the resolution to the 98412
board of elections and, if the tax is to be levied exclusively for 98413
the purpose set forth in division (A)(3) of this section, shall 98414
not occur in ~~February~~ or August of any year. Upon certification of 98415
the resolution to the board of elections, the board of county 98416
commissioners shall notify the tax commissioner in writing of the 98417
levy question to be submitted to the electors. If approved by a 98418
majority of the electors, the tax shall become effective on the 98419
first day of a calendar quarter next following the sixty-fifth day 98420
following the date the board of county commissioners and tax 98421

commissioner receive from the board of elections the certification 98422
of the results of the election, except as provided in division (E) 98423
of this section. 98424

(2)(a) A resolution specifying that the tax is to be used 98425
exclusively for the purpose set forth in division (A)(3) of this 98426
section that is not adopted as an emergency measure may direct the 98427
board of elections to submit the question of levying the tax or 98428
increasing the rate of the tax to the electors of the county at a 98429
special election held on the date specified by the board of county 98430
commissioners in the resolution, provided that the election occurs 98431
not less than ninety days after the resolution is certified to the 98432
board of elections and the election is not held in ~~February or~~ 98433
August of any year. Upon certification of the resolution to the 98434
board of elections, the board of county commissioners shall notify 98435
the tax commissioner in writing of the levy question to be 98436
submitted to the electors. No resolution adopted under division 98437
(D)(2)(a) of this section shall go into effect unless approved by 98438
a majority of those voting upon it and, except as provided in 98439
division (E) of this section, not until the first day of a 98440
calendar quarter following the expiration of sixty-five days from 98441
the date the tax commissioner receives notice from the board of 98442
elections of the affirmative vote. 98443

(b) A resolution specifying that the tax is to be used 98444
exclusively for the purpose set forth in division (A)(3) of this 98445
section that is adopted as an emergency measure shall become 98446
effective as provided in division (A) of this section, but may 98447
direct the board of elections to submit the question of repealing 98448
the tax or increase in the rate of the tax to the electors of the 98449
county at the next general election in the county occurring not 98450
less than ninety days after the resolution is certified to the 98451
board of elections. Upon certification of the resolution to the 98452
board of elections, the board of county commissioners shall notify 98453

the tax commissioner in writing of the levy question to be 98454
submitted to the electors. The ballot question shall be the same 98455
as that prescribed in section 5739.022 of the Revised Code. The 98456
board of elections shall notify the board of county commissioners 98457
and the tax commissioner of the result of the election immediately 98458
after the result has been declared. If a majority of the qualified 98459
electors voting on the question of repealing the tax or increase 98460
in the rate of the tax vote for repeal of the tax or repeal of the 98461
increase, the board of county commissioners, on the first day of a 98462
calendar quarter following the expiration of sixty-five days after 98463
the date the board and tax commissioner received notice of the 98464
result of the election, shall, in the case of a repeal of the tax, 98465
cease to levy the tax, or, in the case of a repeal of an increase 98466
in the rate of the tax, cease to levy the increased rate and levy 98467
the tax at the rate at which it was imposed immediately prior to 98468
the increase in rate. 98469

(c) A board of county commissioners, by resolution, may 98470
reduce the rate of a tax levied exclusively for the purpose set 98471
forth in division (A)(3) of this section to a lower rate 98472

such other state, the consumer may take title to and possession of 98540
the watercraft or outboard motor without payment of any sales or 98541

shall be the lesser of the amount of tax that would be due under 98594
this chapter and Chapter 5741. of the Revised Code if the total 98595
combined rate were six per cent, or the amount of tax that would 98596
be due to the state in which the consumer titles or registers the 98597
motor vehicle or to which the consumer removes the vehicle for 98598

provides an exemption under circumstances substantially similar to 98613
those described in division (B)(1) of this section. 98614

(2) The state in which the consumer titles or registers the 98615

Code, the state of residence of the consumer for the purposes of 98658
this section is the state of residence of the corporation's 98659
principal shareholder. 98660

(F) Any provision of this chapter or of Chapter 5741. of the 98661
Revised Code that is not inconsistent with this section applies to 98662
sales described in division (A) of this section. 98663

(G) As used in this section: 98664

(1) For the purposes of this section only, the sale or 98665
purchase of a motor vehicle does not include a lease or rental of 98666
a motor vehicle subject to division (A)(2) or (3) of section 98667
5739.02 or division (A)(2) or (3) of section 5741.02 of the 98668
Revised Code; 98669

(2) "State," except in reference to "this state," means any 98670

state, district, commonwealth, or territory of the United States 98671
and any province of Canada. 98672

Sec. 5739.03. (A) Except as provided in section 5739.05 or 98673
section 5739.051 of the Revised Code, the tax imposed by or 98674
pursuant to section 5739.02, 5739.021, 5739.023, 5739.024, or 98675
5739.026 of the Revised Code shall be paid by the consumer to the 98676
vendor, and each vendor shall collect from the consumer, as a 98677
trustee for the state of Ohio, the full and exact amount of the 98678
tax payable on each taxable sale, in the manner and at the times 98679
provided as follows: 98680

(1) If the price is, at or prior to the provision of the 98681
service or the delivery of possession of the thing sold to the 98682
consumer, paid in currency passed from hand to hand by the 98683
consumer or the consumer's agent to the vendor or the vendor's 98684
agent, the vendor or the vendor's agent shall collect the tax with 98685
and at the same time as the price; 98686

(2) If the price is otherwise paid or to be paid, the vendor 98687
or the vendor's agent shall, at or prior to the provision of the 98688
service or the delivery of possession of the thing sold to the 98689
consumer, charge the tax imposed by or pursuant to section 98690
5739.02, 5739.021, 5739.023, 5739.024, or 5739.026 of the Revised 98691
Code to the account of the consumer, which amount shall be 98692
collected by the vendor from the consumer in addition to the 98693
price. Such sale shall be reported on and the amount of the tax 98694
applicable thereto shall be remitted with the return for the 98695
period in which the sale is made, and the amount of the tax shall 98696
become a legal charge in favor of the vendor and against the 98697
consumer. 98698

(B)(1)(a) If any sale is claimed to be exempt under division 98699
(E) of section 5739.01 of the Revised Code or under section 98700
5739.02 of the Revised Code, with the exception of divisions 98701

(B)(1) to (11) or (28) of section 5739.02 of the Revised Code, the consumer must provide to the vendor, and the vendor must obtain from the consumer, a certificate specifying the reason that the sale is not legally subject to the tax. The certificate shall be in such form, and shall be provided either in a hard copy form or electronic form, as the tax commissioner prescribes.

(b) A vendor that obtains a fully completed exemption certificate from a consumer is relieved of liability for collecting and remitting tax on any sale covered by that certificate. If it is determined the exemption was improperly claimed, the consumer shall be liable for any tax due on that sale under section 5739.02, 5739.021, 5739.023, 5739.024, or 5739.026 or Chapter 5741. of the Revised Code. Relief under this division from liability does not apply to any of the following:

(i) A vendor that fraudulently fails to collect tax;

(ii) A vendor that solicits consumers to participate in the unlawful claim of an exemption;

(iii) A vendor that accepts an exemption certificate from a consumer that claims an exemption based on who purchases or who sells property or a service, when the subject of the transaction sought to be covered by the exemption certificate is actually received by the consumer at a location operated by the vendor in this state, and this state has posted to its web site an exemption certificate form that clearly and affirmatively indicates that the claimed exemption is not available in this state;

(iv) A vendor that accepts an exemption certificate from a consumer who claims a multiple points of use exemption under division (D) of section 5739.033 of the Revised Code, if the item purchased is tangible personal property, other than prewritten computer software.

(2) The vendor shall maintain records, including exemption

certificates, of all sales on which a consumer has claimed an exemption, and provide them to the tax commissioner on request.

(3) The tax commissioner may establish an identification system whereby the commissioner issues an identification number to a consumer that is exempt from payment of the tax. The consumer must present the number to the vendor, if any sale is claimed to be exempt as provided in this section.

(4) If no certificate is provided or obtained within ninety days after the date on which such sale is consummated, it shall be presumed that the tax applies. Failure to have so provided or obtained a certificate shall not preclude a vendor, within one hundred twenty days after the tax commissioner gives written notice of intent to levy an assessment, from either establishing that the sale is not subject to the tax, or obtaining, in good faith, a fully completed exemption certificate.

(5) Certificates need not be obtained nor provided where the identity of the consumer is such that the transaction is never subject to the tax imposed or where the item of tangible personal property sold or the service provided is never subject to the tax imposed, regardless of use, or when the sale is in interstate commerce.

(6) If a transaction is claimed to be exempt under division (B)(13) of section 5739.02 of the Revised Code, the contractor shall obtain certification of the claimed exemption from the contractee. This certification shall be in addition to an exemption certificate provided by the contractor to the vendor. A contractee that provides a certification under this division shall be deemed to be the consumer of all items purchased by the contractor under the claim of exemption, if it is subsequently determined that the exemption is not properly claimed. The certification shall be in such form as the tax commissioner prescribes.

(C) As used in this division, "contractee" means a person who seeks to enter or enters into a contract or agreement with a contractor or vendor for the construction of real property or for the sale and installation onto real property of tangible personal property.

Any contractor or vendor may request from any contractee a certification of what portion of the property to be transferred under such contract or agreement is to be incorporated into the realty and what portion will retain its status as tangible personal property after installation is completed. The contractor or vendor shall request the certification by certified mail delivered to the contractee, return receipt requested. Upon receipt of such request and prior to entering into the contract or agreement, the contractee shall provide to the contractor or vendor a certification sufficiently detailed to enable the contractor or vendor to ascertain the resulting classification of all materials purchased or fabricated by the contractor or vendor and transferred to the contractee. This requirement applies to a contractee regardless of whether the contractee holds a direct payment permit under section 5739.031 of the Revised Code or provides to the contractor or vendor an exemption certificate as provided under this section.

For the purposes of the taxes levied by this chapter and Chapter 5741. of the Revised Code, the contractor or vendor may in good faith rely on the contractee's certification. Notwithstanding division (B) of section 5739.01 of the Revised Code, if the tax commissioner determines that certain property certified by the contractee as tangible personal property pursuant to this division is, in fact, real property, the contractee shall be considered to be the consumer of all materials so incorporated into that real property and shall be liable for the applicable tax, and the contractor or vendor shall be excused from any liability on those

materials. 98797

If a contractee fails to provide such certification upon the 98798
request of the contractor or vendor, the contractor or vendor 98799
shall comply with the provisions of this chapter and Chapter 5741. 98800
of the Revised Code without the certification. If the tax 98801
commissioner determines that such compliance has been performed in 98802
good faith and that certain property treated as tangible personal 98803
property by the contractor or vendor is, in fact, real property, 98804
the contractee shall be considered to be the consumer of all 98805
materials so incorporated into that real property and shall be 98806
liable for the applicable tax, and the construction contractor or 98807
vendor shall be excused from any liability on those materials. 98808

This division does not apply to any contract or agreement 98809
where the tax commissioner determines as a fact that a 98810
certification under this division was made solely on the decision 98811
or advice of the contractor or vendor. 98812

(D) Notwithstanding division (B) of section 5739.01 of the 98813
Revised Code, whenever the total rate of tax imposed under this 98814
chapter is increased after the date after a construction contract 98815
is entered into, the contractee shall reimburse the construction 98816
contractor for any additional tax paid on tangible property 98817
consumed or services received pursuant to the contract. 98818

(E) A vendor who files a petition for reassessment contesting 98819
the assessment of tax on sales for which the vendor obtained no 98820
valid exemption certificates and for which the vendor failed to 98821
establish that the sales were properly not subject to the tax 98822
during the one-hundred-twenty-day period allowed under division 98823
(B) of this section, may present to the tax commissioner 98824
additional evidence to prove that the sales were properly subject 98825
to a claim of exception or exemption. The vendor shall file such 98826
evidence within ninety days of the receipt by the vendor of the 98827
notice of assessment, except that, upon application and for 98828

reasonable cause, the period for submitting such evidence shall be 98829
extended thirty days. 98830

The commissioner shall consider such additional evidence in 98831
reaching the final determination on the assessment and petition 98832
for reassessment. 98833

(F) Whenever a vendor refunds the price, minus any separately 98834
stated delivery charge, of an item of tangible personal property 98835
on which the tax imposed under this chapter has been paid, the 98836
vendor shall also refund the amount of tax paid, minus the amount 98837
of tax attributable to the delivery charge. 98838

Sec. 5739.031. (A) Upon application, the tax commissioner may 98839
issue a direct payment permit that authorizes a consumer to pay 98840
the sales tax levied by or pursuant to section 5739.02, 5739.021, 98841
5739.023, 5739.024, or 5739.026 of the Revised Code or the use tax 98842
levied by or pursuant to section 5741.02, 5741.021, 5741.022, ~~or~~ 98843
5741.023, or 5741.024 of the Revised Code directly to the state 98844
and waives the collection of the tax by the vendor or seller if 98845
payment directly to the state would improve compliance and 98846
increase the efficiency of the administration of the tax. The 98847
commissioner may adopt rules establishing the criteria for the 98848
issuance of such permits. 98849

(B) Each permit holder, on or before the twenty-third day of 98850
each month, shall make and file with the treasurer of state a 98851
return for the preceding month in such form as is prescribed by 98852
the tax commissioner and shall pay the tax shown on the return to 98853
be due. The return shall show the sum of the prices of taxable 98854
merchandise used and taxable services received, the amount of tax 98855
due from the permit holder, and such other information as the 98856
commissioner deems necessary. The commissioner, upon written 98857
request by the permit holder, may extend the time for making and 98858
filing returns and paying the tax. If the commissioner determines 98859

that a permit holder's tax liability is not such as to merit 98860
monthly filing, the commissioner may authorize the permit holder 98861
to file returns and pay the tax at less frequent intervals. The 98862
treasurer of state shall show on the return the date it was filed 98863
and the amount of the payment remitted to the treasurer. 98864
Thereafter, the treasurer immediately shall transmit all returns 98865
filed under this section to the tax commissioner. 98866

Any permit holder required to file a return and pay the tax 98867
under this section whose total payment for any calendar year 98868
equals or exceeds the amount shown in section 5739.032 of the 98869
Revised Code shall make each payment required by this section in 98870
the second ensuing and each succeeding year by electronic funds 98871
transfer as prescribed by, and on or before the dates specified 98872
in, section 5739.032 of the Revised Code, except as otherwise 98873
prescribed by that section. 98874

(C) For purposes of reporting and remitting the tax, the 98875
price of tangible personal property or services purchased by, or 98876
of tangible personal property produced by, the permit holder shall 98877
be determined under division (G) of section 5741.01 of the Revised 98878
Code. Except as otherwise provided in division (E) of section 98879
5739.033 of the Revised Code, the situs of any purchase 98880
transaction made by the permit holder is the location where the 98881
tangible personal property or service is received by the permit 98882
holder. 98883

(D) It shall be the duty of every permit holder required to 98884
make a return and pay its tax under this section to keep and 98885
preserve suitable records of purchases together with invoices of 98886
purchases, bills of lading, asset ledgers, depreciation schedules, 98887
transfer journals, and such other primary and secondary records 98888
and documents in such form as the commissioner requires. All such 98889
records and other documents shall be open during business hours to 98890
the inspection of the tax commissioner, and shall be preserved for 98891

a period of four years, unless the commissioner, in writing, has 98892

maintain records in such manner that the amount involved and 98914
identity of the purchaser may be ascertained. The receipts from 98915
such sales shall not be subject to the tax levied in section 98916
5739.10 of the Revised Code. 98917

to such person. Failure of any such person to notify vendors or 98930
sellers from whom purchases of tangible personal property or 98931
services are made of the cancellation or surrender of a direct 98932
payment permit shall be considered as a refusal to pay the tax by 98933
the person required to issue such notice. 98934

Sec. 5739.033. (A) The amount of tax due pursuant to sections 98935
5739.02, 5739.021, 5739.023, 5739.024, and 5739.026 of the Revised 98936
Code is the sum of the taxes imposed pursuant to those sections at 98937
the sourcing location of the sale as determined under this section 98938
or, if applicable, under division (C) of section 5739.031 or 98939
section 5739.034 of the Revised Code. This section applies only to 98940
a vendor's or seller's obligation to collect and remit sales taxes 98941
under section 5739.02, 5739.021, 5739.023, 5739.024, or 5739.026 98942
of the Revised Code or use taxes under section 5741.02, 5741.021, 98943
5741.022, ~~or 5741.023~~, or 5741.024 of the Revised Code. Division 98944
(A) of this section does not apply in determining the jurisdiction 98945
for which sellers are required to collect the use tax under 98946
section 5741.05 of the Revised Code. This section does not affect 98947
the obligation of a consumer to remit use taxes on the storage, 98948
use, or other consumption of tangible personal property or on the 98949
benefit realized of any service provided, to the jurisdiction of 98950
that storage, use, or consumption, or benefit realized. 98951

(B)(1) Beginning January 1, 2010, retail sales, excluding the 98953
lease or rental, of tangible personal property or digital goods 98954
shall be sourced to the location where the vendor receives an 98955

order for the sale of such property or goods if: 98956

(a) The vendor receives the order in this state and the 98957

goods is determined under division (C)(2), (3), or (4) of this 98960
section; and 98961

(c) The record-keeping system used by the vendor to calculate 98962
the tax imposed captures the location where the order is received 98963
at the time the order is received. 98964

(2) A consumer has no additional liability to this state 98965
under this chapter or Chapter 5741. of the Revised Code for tax, 98966
penalty, or interest on a sale for which the consumer remits tax 98967
to the vendor in the amount invoiced by the vendor if the invoice 98968
amount is calculated at either the rate applicable to the location 98969
where the consumer receives the property or digital good or at the 98970
rate applicable to the location where the order is received by the 98971
vendor. A consumer may rely on a written representation by the 98972
vendor as to the location where the order for the sale was 98973
received by the vendor. If the consumer does not have a written 98974
representation by the vendor as to the location where the order 98975
was received by the vendor, the consumer may use a location 98976
indicated by a business address for the vendor that is available 98977
from records that are maintained in the ordinary course of the 98978
consumer's business to determine the rate applicable to the 98979
location where the order was received. 98980

(3) For the purposes of division (B) of this section, the 98981
location where an order is received by or on behalf of a vendor 98982
means the physical location of the vendor or a third party such as 98983
an established outlet, office location, or automated order receipt 98984
system operated by or on behalf of the vendor, where an order is 98985
initially received by or on behalf of the vendor, and not where 98986

the order may be subsequently accepted, completed, or fulfilled. 98987
An order is received when all necessary information to determine 98988
whether the order can be accepted has been received by or on 98989
behalf of the vendor. The location from which the property or 98990
digital good is shipped shall not be used to determine the 98991
location where the order is received by the vendor. 98992

(4) For the purposes of division (B) of this section, if 98993
services subject to taxation under this chapter or Chapter 5741. 98994
of the Revised Code are sold with tangible personal property or 98995
digital goods pursuant to a single contract or in the same 98996
transaction, the services are billed on the same billing statement 98997
or invoice, and, because of the application of division (B) of 98998
this section, the transaction would be sourced to more than one 98999
jurisdiction, the situs of the transaction shall be the location 99000
where the order is received by or on behalf of the vendor. 99001

(C) Except for sales, other than leases, of titled motor 99002
vehicles, titled watercraft, or titled outboard motors as provided 99003
in section 5741.05 of the Revised Code, or as otherwise provided 99004
in this section and section 5739.034 of the Revised Code, all 99005
sales shall be sourced as follows: 99006

(1) If the consumer or a donee designated by the consumer 99007
receives tangible personal property or a service at a vendor's 99008
place of business, the sale shall be sourced to that place of 99009
business. 99010

(2) When the tangible personal property or service is not 99011
received at a vendor's place of business, the sale shall be 99012
sourced to the location known to the vendor where the consumer or 99013
the donee designated by the consumer receives the tangible 99014
personal property or service, including the location indicated by 99015
instructions for delivery to the consumer or the consumer's donee. 99016

(3) If divisions (C)(1) and (2) of this section do not apply, 99017

the sale shall be sourced to the location indicated by an address 99018
for the consumer that is available from the vendor's business 99019
records that are maintained in the ordinary course of the vendor's 99020
business, when use of that address does not constitute bad faith. 99021

(4) If divisions (C)(1), (2), and (3) of this section do not 99022
apply, the sale shall be sourced to the location indicated by an 99023
address for the consumer obtained during the consummation of the 99024
sale, including the address associated with the consumer's payment 99025
instrument, if no other address is available, when use of that 99026
address does not constitute bad faith. 99027

(5) If divisions (C)(1), (2), (3), and (4) of this section do 99028
not apply, including in the circumstance where the vendor is 99029
without sufficient information to apply any of those divisions, 99030
the sale shall be sourced to the address from which tangible 99031
personal property was shipped, or from which the service was 99032
provided, disregarding any location that merely provided the 99033
electronic transfer of the property sold or service provided. 99034

(6) As used in division (C) of this section, "receive" means 99035
taking possession of tangible personal property or making first 99036
use of a service. "Receive" does not include possession by a 99037
shipping company on behalf of a consumer. 99038

(D)(1)(a) Notwithstanding divisions (C)(1) to (5) of this 99039
section, a business consumer that is not a holder of a direct 99040
payment permit granted under section 5739.031 of the Revised Code, 99041
that purchases a digital good, computer software, except computer 99042
software received in person by a business consumer at a vendor's 99043
place of business, or a service, and that knows at the time of 99044
purchase that such digital good, software, or service will be 99045
concurrently available for use in more than one taxing 99046
jurisdiction shall deliver to the vendor in conjunction with its 99047
purchase an exemption certificate claiming multiple points of use, 99048
or shall meet the requirements of division (D)(2) of this section. 99049

On receipt of the exemption certificate claiming multiple points 99050
of use, the vendor is relieved of its obligation to collect, pay, 99051
or remit the tax due, and the business consumer must pay the tax 99052
directly to the state. 99053

(b) A business consumer that delivers the exemption 99054
certificate claiming multiple points of use to a vendor may use 99055
any reasonable, consistent, and uniform method of apportioning the 99056
tax due on the digital good, computer software, or service that is 99057
supported by the consumer's business records as they existed at 99058
the time of the sale. The business consumer shall report and pay 99059
the appropriate tax to each jurisdiction where concurrent use 99060
occurs. The tax due shall be calculated as if the apportioned 99061
amount of the digital good, computer software, or service had been 99062
delivered to each jurisdiction to which the sale is apportioned 99063
under this division. 99064

(c) The exemption certificate claiming multiple points of use 99065
shall remain in effect for all future sales by the vendor to the 99066
business consumer until it is revoked in writing by the business 99067
consumer, except as to the business consumer's specific 99068
apportionment of a subsequent sale under division (D)(1)(b) of 99069
this section and the facts existing at the time of the sale. 99070

(2) When the vendor knows that a digital good, computer 99071
software, or service sold will be concurrently available for use 99072
by the business consumer in more than one jurisdiction, but the 99073
business consumer does not provide an exemption certificate 99074
claiming multiple points of use as required by division (D)(1) of 99075
this section, the vendor may work with the business consumer to 99076
produce the correct apportionment. Governed by the principles of 99077
division (D)(1)(b) of this section, the vendor and business 99078
consumer may use any reasonable, but consistent and uniform, 99079
method of apportionment that is supported by the vendor's and 99080
business consumer's books and records as they exist at the time 99081

the sale is reported for purposes of the taxes levied under this 99082
chapter. If the business consumer certifies to the accuracy of the 99083
apportionment and the vendor accepts the certification, the vendor 99084
shall collect and remit the tax accordingly. In the absence of bad 99085
faith, the vendor is relieved of any further obligation to collect 99086
tax on any transaction where the vendor has collected tax pursuant 99087
to the information certified by the business consumer. 99088

(3) When the vendor knows that the digital good, computer 99089
software, or service will be concurrently available for use in 99090
more than one jurisdiction, and the business consumer does not 99091
have a direct pay permit and does not provide to the vendor an 99092
exemption certificate claiming multiple points of use as required 99093
in division (D)(1) of this section, or certification pursuant to 99094
division (D)(2) of this section, the vendor shall collect and 99095
remit the tax based on division (C) of this section. 99096

(4) Nothing in this section shall limit a person's obligation 99097
for sales or use tax to any state in which a digital good, 99098
computer software, or service is concurrently available for use, 99099
nor limit a person's ability under local, state, or federal law, 99100
to claim a credit for sales or use taxes legally due and paid to 99101
other jurisdictions. 99102

(E) A person who holds a direct payment permit issued under 99103
section 5739.031 of the Revised Code is not required to deliver an 99104
exemption certificate claiming multiple points of use to a vendor. 99105

section in apportioning the tax due on a digital good, computer 99107
software, or a service for use in business that will be 99108
concurrently available for use in more than one taxing 99109
jurisdiction. 99110

section, the consumer of direct mail that is not a holder of a 99112
direct payment permit shall provide to the vendor in conjunction 99113

with the sale either an exemption certificate claiming direct mail 99114
prescribed by the tax commissioner, or information to show the 99115
jurisdictions to which the direct mail is delivered to recipients. 99116

(2) Upon receipt of such exemption certificate, the vendor is 99117
relieved of all obligations to collect, pay, or remit the 99118
applicable tax and the consumer is obligated to pay that tax on a 99119
direct pay basis. An exemption certificate claiming direct mail 99120
shall remain in effect for all future sales of direct mail by the 99121
vendor to the consumer until it is revoked in writing. 99122

(3) Upon receipt of information from the consumer showing the 99123
jurisdictions to which the direct mail is delivered to recipients, 99124
the vendor shall collect the tax according to the delivery 99125
information provided by the consumer. In the absence of bad faith, 99126
the vendor is relieved of any further obligation to collect tax on 99127
any transaction where the vendor has collected tax pursuant to the 99128
delivery information provided by the consumer. 99129

(4) If the consumer of direct mail does not have a direct 99130
payment permit and does not provide the vendor with either an 99131
exemption certificate claiming direct mail or delivery information 99132
as required by division (F)(1) of this section, the vendor shall 99133
collect the tax according to division (C)(5) of this section. 99134
Nothing in division (F)(4) of this section shall limit a 99135
consumer's obligation to pay sales or use tax to any state to 99136
which the direct mail is delivered. 99137

(5) If a consumer of direct mail provides the vendor with 99138
documentation of direct payment authority, the consumer shall not 99139
be required to provide an exemption certificate claiming direct 99140
mail or delivery information to the vendor. 99141

(G) If the vendor provides lodging to transient guests as 99142
specified in division (B)(2) of section 5739.01 of the Revised 99143

pursuant to those sections at the sourcing location of the sale as 99286
determined under this section. 99287

(C) Except for the telecommunications services described in 99288
division (E) of this section, the sale of telecommunications 99289
service sold on a call-by-call basis shall be sourced to each 99290
level of taxing jurisdiction where the call originates and 99291
terminates in that jurisdiction, or each level of taxing 99292
jurisdiction where the call either originates or terminates and in 99293
which the service address also is located. 99294

(D) Except for the telecommunications services described in 99295
division (E) of this section, a sale of telecommunications 99296
services sold on a basis other than a call-by-call basis shall be 99297

sourced to the customer's place of primary use. 99298

(E) The sale of the following telecommunications services 99299

(2) A sale of post-paid calling service shall be sourced to 99305
the origination point of the telecommunications signal as first 99306

(3) A sale of prepaid calling service or prepaid wireless 99311
calling service shall be sourced under division (C) of section 99312

(4) A sale of a private communication service shall be 99318
sourced as follows: 99319

(a) Service for a separate charge related to a customer 99320

Sec. 5739.04. If modification of a county's jurisdictional 99339
boundaries ~~or~~, a transit authority's territory, or a tourism 99340
development district's territory results in a change in the tax 99341
rate levied under section 5739.021, 5739.023, 5739.024, or 99342
5739.026 of the Revised Code, the tax commissioner, within thirty 99343
days of such change, shall notify any vendor or the vendor's 99344
certified service provider, if the vendor has selected one, of 99345
such change. The rate change shall not apply to sales made by such 99346
vendor until the first day of a calendar quarter following the 99347
expiration of sixty days from the date of notice by the 99348
commissioner. 99349

Sec. 5739.05. (A) The tax commissioner shall enforce and 99350
administer sections 5739.01 to 5739.31 of the Revised Code, which 99351
are hereby declared to be sections which the commissioner is 99352
required to administer within the meaning of sections 5703.17 to 99353
5703.37, 5703.39, 5703.41, and 5703.45 of the Revised Code. The 99354
commissioner may adopt and promulgate, in accordance with sections 99355
119.01 to 119.13 of the Revised Code, such rules as the 99356
commissioner deems necessary to administer sections 5739.01 to 99357
5739.31 of the Revised Code. 99358

(B) Upon application, the commissioner may authorize a vendor 99359
to pay on a predetermined basis the tax levied by or pursuant to 99360
section 5739.02, 5739.021, 5739.023, 5739.024, or 5739.026 of the 99361
Revised Code upon sales of things produced or distributed or 99362
services provided by such vendor, and the commissioner may waive 99363
the collection of the tax from the consumer. The commissioner 99364
shall not grant such authority unless the commissioner finds that 99365
the granting of the authority would improve compliance and 99366
increase the efficiency of the administration of the tax. The 99367
person to whom such authority is granted shall post a notice, if 99368
required by the commissioner, at the location where the product is 99369
offered for sale that the tax is included in the selling price. 99370
The commissioner may adopt rules to administer this division. 99371

(C) Upon application, the commissioner may authorize a vendor 99372
to remit, on the basis of a prearranged agreement under this 99373
division, the tax levied by section 5739.02 or pursuant to section 99374
5739.021, 5739.023, 5739.024, or 5739.026 of the Revised Code. The 99375
proportions and ratios in a prearranged agreement shall be 99376
determined either by a test check conducted by the commissioner 99377
under terms and conditions agreed to by the commissioner and the 99378
vendor or by any other method agreed upon by the vendor and the 99379
commissioner. If the parties are unable to agree to the terms and 99380
conditions of the test check or other method, the application 99381
shall be denied. 99382

If used, the test check shall determine the proportion that 99383
taxable retail sales bear to all of the vendor's retail sales and 99384
the ratio which the tax required to be collected under sections 99385
5739.02, 5739.021, 5739.023, 5739.024, and 5739.026 of the Revised 99386
Code bears to the receipts from the vendor's taxable retail sales. 99387

The vendor's liability for remitting the tax shall be based 99388
solely upon the proportions and ratios established in the 99389
agreement until such time that the vendor or the commissioner 99390

believes that the nature of the vendor's business has so changed 99391
as to make the agreement no longer representative. The 99392
commissioner may give notice to the vendor at any time that the 99393
authorization is revoked or the vendor may notify the commissioner 99394
that the vendor no longer elects to report under the 99395
authorization. Such notice shall be delivered to the other party 99396
personally or by registered mail. The revocation or cancellation 99397
is effective the last day of the month in which the vendor or the 99398
commissioner receives the notice. 99399

Sec. 5739.051. (A) The tax commissioner shall issue a direct 99400
payment permit to a medicaid health insuring corporation that 99401
authorizes the medicaid health insuring corporation to pay all 99402
taxes due on sales described in division (B)(11) of section 99403
5739.01 of the Revised Code directly to the state. Each medicaid 99404
health insuring corporation shall pay pursuant to such direct 99405
payment authority all sales tax levied on such sales by sections 99406
5739.02, 5739.021, 5739.023, 5739.024, and 5739.026 of the Revised 99407
Code and all use tax levied on such sales pursuant to sections 99408
5741.02, 5741.021, 5741.022, ~~and 5741.023~~, and 5741.024 of the 99409
Revised Code, unless division (B)(11)(b) of section 5739.01 of the 99410
Revised Code applies. 99411

(B) Each medicaid health insuring corporation shall, on or 99412
before the twenty-third day of each month, file a return for the 99413
preceding month on a form prescribed by the tax commissioner and 99414
shall pay the tax shown on the return to be due, unless division 99415
(B)(11)(b) of section 5739.01 of the Revised Code applies. The 99416
return shall show the amount of tax due from the medicaid health 99417
care insuring corporation for the period covered by the return and 99418
other such information as the commissioner deems necessary. Upon 99419
written request, the commissioner may extend the time for filing 99420
the return and paying the tax. The commissioner may require each 99421
medicaid health insuring corporation to file returns and remit 99422

payment by electronic means as provided in section 5739.032 of the Revised Code. 99423
99424

Sec. 5739.061. (A) As used in this section, "origin-based sourcing requirements" means the manner in which intrastate sales are to be sourced under division (B)(1) of section 5739.033 of the Revised Code. 99425
99426
99427
99428

(B) On and after July 1, 2009, a vendor that received temporary compensation under section 5739.123 of the Revised Code as that section existed before its repeal by H.B. 429 of the 127th general assembly may apply for compensation to assist the vendor in complying with the origin-based sourcing requirements. The vendor shall file an application in accordance with division (C) of this section. The compensation shall be a one-time payment equal to the actual total costs the vendor incurred in complying with the origin-based sourcing requirements, not to exceed one thousand dollars for vendors that were required to comply with divisions (C) to (I) of section 5739.033 of the Revised Code before the effective date of this section, and six hundred dollars for vendors that irrevocably elected to comply with divisions (C) to (I) of that section before the effective date of this section. In no event shall a vendor receive compensation that exceeds its total cost of complying with the origin-based sourcing requirements. 99429

(C) To be considered for compensation under this section, a vendor shall file an application with the tax commissioner on a form prescribed by the commissioner. The commissioner shall determine the amount of compensation to which the vendor is entitled, and if that amount is equal to or greater than the amount claimed on the application, the commissioner shall certify that amount to the director of budget and management and the treasurer of state for payment from the general revenue fund. 99453

the commissioner determines that the amount of compensation to 99454
which the vendor is entitled is less than the amount claimed on 99455

accordance with section 5703.70 of the Revised Code. 99457

(D) The compensation provided under this section shall not 99458
reduce the amount required to be returned to counties, municipal 99459
corporations, townships, and transit authorities under section 99460
5739.21 of the Revised Code. 99461

Sec. 5739.09. (A)(1) A board of county commissioners may, by 99462
resolution adopted by a majority of the members of the board, levy 99463
an excise tax not to exceed three per cent on transactions by 99464
which lodging by a hotel is or is to be furnished to transient 99465
guests. The board shall establish all regulations necessary to 99466
provide for the administration and allocation of the tax. The 99467
regulations may prescribe the time for payment of the tax, and may 99468
provide for the imposition of a penalty or interest, or both, for 99469
late payments, provided that the penalty does not exceed ten per 99470
cent of the amount of tax due, and the rate at which interest 99471
accrues does not exceed the rate per annum prescribed pursuant to 99472
section 5703.47 of the Revised Code. Except as provided in 99473
divisions (A)(2), (3), (4), (5), (6), ~~and~~ (7), (8), and (9) of 99474
this section, the regulations shall provide, after deducting the 99475
real and actual costs of administering the tax, for the return to 99476
each municipal corporation or township that does not levy an 99477
excise tax on the transactions, a uniform percentage of the tax 99478
collected in the municipal corporation or in the unincorporated 99479
portion of the township from each transaction, not to exceed 99480
thirty-three and one-third per cent. The remainder of the revenue 99481
arising from the tax shall be deposited in a separate fund and 99482
shall be spent solely to make contributions to the convention and 99483
visitors' bureau operating within the county, including a pledge 99484
and contribution of any portion of the remainder pursuant to an 99485

agreement authorized by section 307.678 or 307.695 of the Revised Code, provided that if the board of county commissioners of an eligible county as defined in section 307.678 or 307.695 of the Revised Code adopts a resolution amending a resolution levying a tax under this division to provide that revenue from the tax shall be used by the board as described in either division (D) of section 307.678 or division (H) of section 307.695 of the Revised Code, the remainder of the revenue shall be used as described in the resolution making that amendment. Except as provided in division (A)(2), (3), (4), (5), (6), ~~or (7)~~, or (8) or (H) of this section, on and after May 10, 1994, a board of county commissioners may not levy an excise tax pursuant to this division in any municipal corporation or township located wholly or partly within the county that has in effect an ordinance or resolution levying an excise tax pursuant to division (B) of this section. The board of a county that has levied a tax under division (C) of this section may, by resolution adopted within ninety days after July 15, 1985, by a majority of the members of the board, amend the resolution levying a tax under this division to provide for a portion of that tax to be pledged and contributed in accordance with an agreement entered into under section 307.695 of the Revised Code. or the duration of the period during which the board owns a 99521
project as defined in section 307.695 of the Revised Code, 99522
whichever duration is longest. 99523

The board of county commissioners of an eligible county as 99524
defined in section 307.678 of the Revised Code may, by resolution, 99525
amend a resolution levying a tax under this division to provide 99526
that revenue from the tax, not to exceed five hundred thousand 99527
dollars each year, may be used as described in division (D) of 99528
section 307.678 of the Revised Code. 99529

under division (A)(1) of this section on June 30, 1997, at a rate 99531
of three per cent, and that has pledged revenue from the tax to an 99532
agreement entered into under section 307.695 of the Revised Code 99533
or, in the case of the board of county commissioners of an 99534
eligible county as defined in section 307.695 of the Revised Code, 99535

Revised Code, may, at any time by a resolution adopted by a 99539
majority of the members of the board, amend the resolution levying 99540
a tax under division (A)(1) of this section to provide for an 99541
increase in the rate of that tax up to seven per cent on each 99542
transaction; to provide that revenue from the increase in the rate 99543
shall be used as described in division (H) of section 307.695 of 99544
the Revised Code or be spent solely to make contributions to the 99545
convention and visitors' bureau operating within the county to be 99546
used specifically for promotion, advertising, and marketing of the 99547
region in which the county is located; and to provide that the 99548
rate in excess of the three per cent levied under division (A)(1) 99549
of this section shall remain in effect at the rate at which it is 99550

imposed for the duration of the period during which any agreement 99551
is in effect that was entered into under section 307.695 of the 99552
Revised Code by the board of county commissioners levying a tax 99553
under division (A)(1) of this section, the duration of the period 99554

of section 307.695 of the Revised Code are outstanding, or the 99556
duration of the period during which the board owns a project as 99557
defined in section 307.695 of the Revised Code, whichever duration 99558
is longest. The amendment also shall provide that no portion of 99559
that revenue need be returned to townships or municipal 99560
corporations as would otherwise be required under division (A)(1) 99561
of this section. 99562

(3) A board of county commissioners that levies a tax under 99563
division (A)(1) of this section on March 18, 1999, at a rate of 99564
three per cent may, by resolution adopted not later than 99565
forty-five days after March 18, 1999, amend the resolution levying 99566
the tax to provide for all of the following: 99567

promoting a facility in the county, including paying bonds, or 99575
notes issued in anticipation of bonds, as provided by that 99576
chapter; 99577

(c) That no portion of the revenue arising from the increase 99578
in rate need be returned to municipal corporations or townships as 99579
otherwise required under division (A)(1) of this section; 99580

(d) That the increase in rate shall not be subject to 99581

diminution by initiative or referendum or by law while any bonds, 99582
or notes in anticipation of bonds, issued by the authority under 99583
Chapter 351. of the Revised Code to which the revenue is pledged, 99584
remain outstanding in accordance with their terms, unless 99585
provision is made by law or by the board of county commissioners 99586
for an adequate substitute therefor that is satisfactory to the 99587
trustee if a trust agreement secures the bonds. 99588

Division (A)(3) of this section does not apply to the board 99589
of county commissioners of any county in which a convention center 99590
or facility exists or is being constructed on November 15, 1998, 99591
or of any county in which a convention facilities authority levies 99592
a tax pursuant to section 351.021 of the Revised Code on that 99593

county. 99638

As used in division (A)(4) of this section, "cost" has the 99639
same meaning as in section 351.01 of the Revised Code, and 99640

resolution shall provide that all of the revenue from the increase 99685
in rate, after deducting the real and actual costs of 99686
administering the tax, shall be used to pay the costs of 99687
improving, expanding, equipping, financing, or operating a 99688
convention center by a convention and visitors' bureau in the 99689
county. The increase in rate shall remain in effect for the period 99690
specified in the resolution, not to exceed ten years. The increase 99691
in rate shall be subject to the regulations adopted under division 99692
(A)(1) of this section, except that the resolution may provide 99693
that no portion of the revenue from the increase in the rate shall 99694
be returned to townships or municipal corporations as would 99695
otherwise be required under that division. 99696

(7) Division (A)(7) of this section applies only to a county 99697
with a population greater than sixty-five thousand and less than 99698
seventy thousand according to the most recent federal decennial 99699
census and in which, on December 31, 2006, an excise tax is levied 99700
under division (A)(1) of this section at a rate not less than and 99701
not greater than three per cent, and in which the most recent 99702
increase in the rate of that tax was enacted or took effect in 99703
November 1984. 99704

The board of county commissioners of a county to which this 99705
division applies, by resolution adopted by a majority of the 99706

members of the board, may increase the rate of the tax by not more than one per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests. The increase in rate shall be for the purpose of paying expenses deemed necessary by the convention and visitors' bureau operating in the county to promote travel and tourism. The increase in rate shall remain in effect for the period specified in the resolution, not to exceed twenty years, provided that the increase in rate may not continue beyond the time when the purpose for which the increase is levied ceases to exist. If revenue from the increase in rate is pledged to the payment of debt charges on securities, the increase in rate is not subject to diminution by initiative or referendum or by law for so long as the securities are outstanding, unless provision is made by law or by the board of county commissioners for an adequate substitute for that revenue that is satisfactory to the trustee if a trust agreement secures payment of the debt charges. The increase in rate shall be subject to the regulations adopted under division (A)(1) of this section, except that the resolution may provide that no portion of the revenue from the increase in the rate shall be returned to townships or municipal corporations as would otherwise be required under division (A)(1) of this section. A resolution adopted under division (A)(7) of this section is subject to referendum under sections 305.31 to 305.99 of the Revised Code.

(8)(a) Division (A)(8) of this section applies only to a county satisfying all of the following:

(i) The population of the county is greater than one hundred seventy-five thousand and less than two hundred twenty-five thousand according to the most recent federal decennial census.

(ii) An amusement park with an average yearly attendance in excess of two million guests is located in the county.

(iii) On December 31, 2014, an excise tax was levied in the

county under division (A)(1) of this section at a rate of three 99739
per cent. 99740

(b) The board of county commissioners of a county to which 99741
this division applies, by resolution adopted by a majority of the 99742
members of the board, may increase the rate of the tax by not more 99743
than one per cent on transactions by which lodging by a hotel is 99744
or is to be furnished to transient guests. The increase in rate 99745
shall be for the purpose of paying the costs of constructing and 99746
maintaining county-owned facilities designed to host sporting 99747
events and paying expenses deemed necessary by the convention and 99748
visitors' bureau operating in the county to promote travel and 99749
tourism with reference to the sports facilities. The increase in 99750
rate shall remain in effect for the period specified in the 99751
resolution. The increase in the rate of the tax shall be subject 99752
to referendum as provided under section 305.31 of the Revised 99753
Code. If revenue from the increase in rate is pledged to the 99754
payment of debt charges on securities, the increase in rate is not 99755
subject to diminution by initiative or referendum or by law for so 99756
long as the securities are outstanding, unless provision is made 99757
by law or by the board of county commissioners for an adequate 99758
substitute for that revenue that is satisfactory to the trustee if 99759
a trust agreement secures payment of the debt charges. The 99760
increase in rate shall be subject to the regulations adopted under 99761
division (A)(1) of this section, except that the resolution may 99762
provide that no portion of the revenue from the increase in the 99763
rate shall be returned to townships or municipal corporations as 99764
would otherwise be required under division (A)(1) of this section. 99765

(9) The board of county commissioners of a county with a 99766
population greater than seventy-five thousand and less than 99767
seventy-eight thousand, by resolution adopted by a majority of the 99768
members of the board not later than October 15, 2015, may increase 99769
the rate of the tax by not more than one per cent on transactions 99770

by which lodging by a hotel is or is to be furnished to transient 99771
guests. The increase in rate shall be for the purposes described 99772
in section 307.679 of the Revised Code or for the promotion of 99773
travel and tourism in the county, including travel and tourism to 99774
sports facilities. The increase in rate shall remain in effect for 99775
the period specified in the resolution and as necessary to fulfill 99776
the county's obligations under a cooperative agreement entered 99777
into under section 307.679 of the Revised Code. If the resolution 99778
is adopted by the board before the effective date of the enactment 99779
of this division but after that enactment becomes law, the 99780
increase in rate shall become effective beginning on the effective 99781
date of the enactment of this division. If revenue from the 99782
increase in rate is pledged to the payment of debt charges on 99783
securities, or to substitute for other revenues pledged to the 99784
payment of such debt, the increase in rate is not subject to 99785
diminution by initiative or referendum or by law for so long as 99786
the securities are outstanding, unless provision is made by law or 99787
by the board of county commissioners for an adequate substitute 99788
for that revenue that is satisfactory to the trustee if a trust 99789
agreement secures payment of the debt charges. The increase in 99790
rate shall be subject to the regulations adopted under division 99791
(A)(1) of this section, except that no portion of the revenue from 99792
the increase in the rate shall be returned to townships or 99793
municipal corporations as would otherwise be required under 99794
division (A)(1) of this section. 99795

(B)(1) The legislative authority of a municipal corporation 99796
or the board of trustees of a township that is not wholly or 99797
partly located in a county that has in effect a resolution levying 99798
an excise tax pursuant to division (A)(1) of this section may, by 99799
ordinance or resolution, levy an excise tax not to exceed three 99800
per cent on transactions by which lodging by a hotel is or is to 99801
be furnished to transient guests. The legislative authority of the 99802
municipal corporation or the board of trustees of the township 99803

shall deposit at least fifty per cent of the revenue from the tax 99804
levied pursuant to this division into a separate fund, which shall 99805
be spent solely to make contributions to convention and visitors' 99806
bureaus operating within the county in which the municipal 99807
corporation or township is wholly or partly located, and the 99808
balance of that revenue shall be deposited in the general fund. 99809
The municipal corporation or township shall establish all 99810
regulations necessary to provide for the administration and 99811
allocation of the tax. The regulations may prescribe the time for 99812
payment of the tax, and may provide for the imposition of a 99813
penalty or interest, or both, for late payments, provided that the 99814
penalty does not exceed ten per cent of the amount of tax due, and 99815
the rate at which interest accrues does not exceed the rate per 99816
annum prescribed pursuant to section 5703.47 of the Revised Code. 99817
The levy of a tax under this division is in addition to any tax 99818
imposed on the same transaction by a municipal corporation or a 99819
township as authorized by division (A) of section 5739.08 of the 99820
Revised Code. 99821

(2)(a) The legislative authority of the most populous 99822
municipal corporation located wholly or partly in a county in 99823
which the board of county commissioners has levied a tax under 99824
division (A)(4) of this section may amend, on or before September 99825
30, 2002, that municipal corporation's ordinance or resolution 99826
that levies an excise tax on transactions by which lodging by a 99827
hotel is or is to be furnished to transient guests, to provide for 99828
all of the following: 99829

(i) That the rate of the tax shall be increased by not more 99830
than an additional one per cent on each transaction; 99831

(ii) That all of the revenue from the increase in rate shall 99832
be pledged and contributed to a convention facilities authority 99833
established by the board of county commissioners under Chapter 99834
351. of the Revised Code on or before May 15, 2002, and be used to 99835

pay costs of constructing, expanding, maintaining, operating, or 99836
promoting a convention center in the county, including paying 99837
bonds, or notes issued in anticipation of bonds, as provided by 99838
that chapter; 99839

(iii) That the increase in rate shall not be subject to 99840
diminution by initiative or referendum or by law while any bonds, 99841
or notes in anticipation of bonds, issued by the authority under 99842
Chapter 351. of the Revised Code to which the revenue is pledged, 99843
remain outstanding in accordance with their terms, unless 99844
provision is made by law, by the board of county commissioners, or 99845
by the legislative authority, for an adequate substitute therefor 99846
that is satisfactory to the trustee if a trust agreement secures 99847
the bonds. 99848

(b) The legislative authority of a municipal corporation 99849
that, pursuant to division (B)(2)(a) of this section, has amended 99850
its ordinance or resolution to increase the rate of the tax 99851
authorized by division (B)(1) of this section may further amend 99852
the ordinance or resolution to provide that the revenue referred 99853
to in division (B)(2)(a)(ii) of this section shall be pledged and 99854
contributed both to a convention facilities authority to pay the 99855
costs of constructing, expanding, maintaining, or operating one or 99856
more convention centers in the county, including paying bonds, or 99857
notes issued in anticipation of bonds, as provided in Chapter 351. 99858
of the Revised Code, and to a convention and visitors' bureau to 99859
pay the costs of promoting one or more convention centers in the 99860
county. 99861

As used in division (B)(2) of this section, "cost" has the 99862
same meaning as in section 351.01 of the Revised Code, and 99863
"convention center" has the same meaning as in section 307.695 of 99864
the Revised Code. 99865

(C) For the purposes described in section 307.695 of the 99866
Revised Code and to cover the costs of administering the tax, a 99867

board of county commissioners of a county where a tax imposed 99868
under division (A)(1) of this section is in effect may, by 99869
resolution adopted within ninety days after July 15, 1985, by a 99870
majority of the members of the board, levy an additional excise 99871
tax not to exceed three per cent on transactions by which lodging 99872
by a hotel is or is to be furnished to transient guests. The tax 99873
authorized by this division shall be in addition to any tax that 99874
is levied pursuant to division (A) of this section, but it shall 99875
not apply to transactions subject to a tax levied by a municipal 99876
corporation or township pursuant to the authorization granted by 99877
division (A) of section 5739.08 of the Revised Code. The board 99878
shall establish all regulations necessary to provide for the 99879
administration and allocation of the tax. The regulations may 99880
prescribe the time for payment of the tax, and may provide for the 99881
imposition of a penalty or interest, or both, for late payments, 99882
provided that the penalty does not exceed ten per cent of the 99883
amount of tax due, and the rate at which interest accrues does not 99884
exceed the rate per annum prescribed pursuant to section 5703.47 99885
of the Revised Code. All revenues arising from the tax shall be 99886
expended in accordance with section 307.695 of the Revised Code. 99887
The board of county commissioners of an eligible county as defined 99888
in section 307.695 of the Revised Code may, by resolution adopted 99889
by a majority of the members of the board, amend the resolution 99890
levying a tax under this division to provide that the revenue from 99891
the tax shall be used by the board as described in division (H) of 99892
section 307.695 of the Revised Code. A tax imposed under this 99893
division shall remain in effect at the rate at which it is imposed 99894
for the duration of the period during which any agreement entered 99895
into by the board under section 307.695 of the Revised Code is in 99896
effect, the duration of the period during which any securities 99897
issued by the board under division (I) of section 307.695 of the 99898
Revised Code are outstanding, or the duration of the period during 99899
which the board owns a project as defined in section 307.695 of 99900

the Revised Code, whichever duration is longest. 99901

(D) For the purpose of providing contributions under division 99902
(B)(1) of section 307.671 of the Revised Code to enable the 99903
acquisition, construction, and equipping of a port authority 99904
educational and cultural facility in the county and, to the extent 99905
provided for in the cooperative agreement authorized by that 99906
section, for the purpose of paying debt service charges on bonds, 99907
or notes in anticipation of bonds, described in division (B)(1)(b) 99908
of that section, a board of county commissioners, by resolution 99909
adopted within ninety days after December 22, 1992, by a majority 99910
of the members of the board, may levy an additional excise tax not 99911
to exceed one and one-half per cent on transactions by which 99912
lodging by a hotel is or is to be furnished to transient guests. 99913
The excise tax authorized by this division shall be in addition to 99914
any tax that is levied pursuant to divisions (A), (B), and (C) of 99915
this section, to any excise tax levied pursuant to section 5739.08 99916
of the Revised Code, and to any excise tax levied pursuant to 99917
section 351.021 of the Revised Code. The board of county 99918
commissioners shall establish all regulations necessary to provide 99919
for the administration and allocation of the tax that are not 99920
inconsistent with this section or section 307.671 of the Revised 99921
Code. The regulations may prescribe the time for payment of the 99922
tax, and may provide for the imposition of a penalty or interest, 99923
or both, for late payments, provided that the penalty does not 99924
exceed ten per cent of the amount of tax due, and the rate at 99925
which interest accrues does not exceed the rate per annum 99926
prescribed pursuant to section 5703.47 of the Revised Code. All 99927
revenues arising from the tax shall be expended in accordance with 99928
section 307.671 of the Revised Code and division (D) of this 99929
section. The levy of a tax imposed under this division may not 99930
commence prior to the first day of the month next following the 99931
execution of the cooperative agreement authorized by section 99932
307.671 of the Revised Code by all parties to that agreement. The 99933

tax shall remain in effect at the rate at which it is imposed for 99934
the period of time described in division (C) of section 307.671 of 99935
the Revised Code for which the revenue from the tax has been 99936
pledged by the county to the corporation pursuant to that section, 99937
but, to any extent provided for in the cooperative agreement, for 99938
no lesser period than the period of time required for payment of 99939
the debt service charges on bonds, or notes in anticipation of 99940
bonds, described in division (B)(1)(b) of that section. 99941

(E) For the purpose of paying the costs of acquiring, 99942
constructing, equipping, and improving a municipal educational and 99943
cultural facility, including debt service charges on bonds 99944
provided for in division (B) of section 307.672 of the Revised 99945
Code, and for any additional purposes determined by the county in 99946
the resolution levying the tax or amendments to the resolution, 99947
including subsequent amendments providing for paying costs of 99948
acquiring, constructing, renovating, rehabilitating, equipping, 99949
and improving a port authority educational and cultural performing 99950
arts facility, as defined in section 307.674 of the Revised Code, 99951
and including debt service charges on bonds provided for in 99952
division (B) of section 307.674 of the Revised Code, the 99953
legislative authority of a county, by resolution adopted within 99954
ninety days after June 30, 1993, by a majority of the members of 99955
the legislative authority, may levy an additional excise tax not 99956
to exceed one and one-half per cent on transactions by which 99957
lodging by a hotel is or is to be furnished to transient guests. 99958
The excise tax authorized by this division shall be in addition to 99959
any tax that is levied pursuant to divisions (A), (B), (C), and 99960
(D) of this section, to any excise tax levied pursuant to section 99961
5739.08 of the Revised Code, and to any excise tax levied pursuant 99962
to section 351.021 of the Revised Code. The legislative authority 99963
of the county shall establish all regulations necessary to provide 99964
for the administration and allocation of the tax. The regulations 99965
may prescribe the time for payment of the tax, and may provide for 99966

the imposition of a penalty or interest, or both, for late 99967
payments, provided that the penalty does not exceed ten per cent 99968
of the amount of tax due, and the rate at which interest accrues 99969
does not exceed the rate per annum prescribed pursuant to section 99970
5703.47 of the Revised Code. All revenues arising from the tax 99971
shall be expended in accordance with section 307.672 of the 99972
Revised Code and this division. The levy of a tax imposed under 99973
this division shall not commence prior to the first day of the 99974
month next following the execution of the cooperative agreement 99975
authorized by section 307.672 of the Revised Code by all parties 99976
to that agreement. The tax shall remain in effect at the rate at 99977
which it is imposed for the period of time determined by the 99978
legislative authority of the county. That period of time shall not 99979
exceed fifteen years, except that the legislative authority of a 99980
county with a population of less than two hundred fifty thousand 99981
according to the most recent federal decennial census, by 99982
resolution adopted by a majority of its members before the 99983
original tax expires, may extend the duration of the tax for an 99984
additional period of time. The additional period of time by which 99985
a legislative authority extends a tax levied under this division 99986
shall not exceed fifteen years. 99987

(F) The legislative authority of a county that has levied a 99988
tax under division (E) of this section may, by resolution adopted 99989
within one hundred eighty days after January 4, 2001, by a 99990
majority of the members of the legislative authority, amend the 99991
resolution levying a tax under that division to provide for the 99992
use of the proceeds of that tax, to the extent that it is no 99993
longer needed for its original purpose as determined by the 99994
parties to a cooperative agreement amendment pursuant to division 99995
(D) of section 307.672 of the Revised Code, to pay costs of 99996
acquiring, constructing, renovating, rehabilitating, equipping, 99997
and improving a port authority educational and cultural performing 99998
arts facility, including debt service charges on bonds provided 99999

for in division (B) of section 307.674 of the Revised Code, and to 100000
pay all obligations under any guaranty agreements, reimbursement 100001
agreements, or other credit enhancement agreements described in 100002
division (C) of section 307.674 of the Revised Code. The 100003
resolution may also provide for the extension of the tax at the 100004
same rate for the longer of the period of time determined by the 100005
legislative authority of the county, but not to exceed an 100006
additional twenty-five years, or the period of time required to 100007
pay all debt service charges on bonds provided for in division (B) 100008
of section 307.672 of the Revised Code and on port authority 100009
revenue bonds provided for in division (B) of section 307.674 of 100010
the Revised Code. All revenues arising from the amendment and 100011
extension of the tax shall be expended in accordance with section 100012
307.674 of the Revised Code, this division, and division (E) of 100013
this section. 100014

(G) For purposes of a tax levied by a county, township, or 100015
municipal corporation under this section or section 5739.08 of the 100016
Revised Code, a board of county commissioners, board of township 100017
trustees, or the legislative authority of a municipal corporation 100018
may adopt a resolution or ordinance at any time specifying that 100019
"hotel," as otherwise defined in section 5739.01 of the Revised 100020
Code, includes the following: 100021

(1) Establishments in which fewer than five rooms are used 100022
for the accommodation of guests. 100023

(2) Establishments at which rooms are used for the 100024
accommodation of guests regardless of whether each room is 100025
accessible through its own keyed entry or several rooms are 100026
accessible through the same keyed entry; and, in determining the 100027
number of rooms, all rooms are included regardless of the number 100028
of structures in which the rooms are situated or the number of 100029
parcels of land on which the structures are located if the 100030
structures are under the same ownership and the structures are not 100031

identified in advertisements of the accommodations as distinct 100032
establishments. For the purposes of division (G)(2) of this 100033
section, two or more structures are under the same ownership if 100034
they are owned by the same person, or if they are owned by two or 100035
more persons the majority of the ownership interests of which are 100036
owned by the same person. 100037

The resolution or ordinance may apply to a tax imposed 100038
pursuant to this section prior to the adoption of the resolution 100039
or ordinance if the resolution or ordinance so states, but the tax 100040
shall not apply to transactions by which lodging by such an 100041
establishment is provided to transient guests prior to the 100042
adoption of the resolution or ordinance. 100043

(H)(1) As used in this division: 100044

(a) "Convention facilities authority" has the same meaning as 100045
in section 351.01 of the Revised Code. 100046

(b) "Convention center" has the same meaning as in section 100047
307.695 of the Revised Code. 100048

(2) Notwithstanding any contrary provision of division (D) of 100049
this section, the legislative authority of a county with a 100050
population of one million or more according to the most recent 100051
federal decennial census that has levied a tax under division (D) 100052
of this section may, by resolution adopted by a majority of the 100053
members of the legislative authority, provide for the extension of 100054
such levy and may provide that the proceeds of that tax, to the 100055
extent that they are no longer needed for their original purpose 100056
as defined by a cooperative agreement entered into under section 100057
307.671 of the Revised Code, shall be deposited into the county 100058
general revenue fund. The resolution shall provide for the 100059
extension of the tax at a rate not to exceed the rate specified in 100060
division (D) of this section for a period of time determined by 100061
the legislative authority of the county, but not to exceed an 100062

additional forty years. 100063

(3) The legislative authority of a county with a population 100064
of one million or more that has levied a tax under division (A)(1) 100065
of this section may, by resolution adopted by a majority of the 100066
members of the legislative authority, increase the rate of the tax 100067
levied by such county under division (A)(1) of this section to a 100068
rate not to exceed five per cent on transactions by which lodging 100069
by a hotel is or is to be furnished to transient guests. 100070
Notwithstanding any contrary provision of division (A)(1) of this 100071
section, the resolution may provide that all collections resulting 100072
from the rate levied in excess of three per cent, after deducting 100073
the real and actual costs of administering the tax, shall be 100074
deposited in the county general fund. 100075

(4) The legislative authority of a county with a population 100076
of one million or more that has levied a tax under division (A)(1) 100077
of this section may, by resolution adopted on or before August 30, 100078
2004, by a majority of the members of the legislative authority, 100079
provide that all or a portion of the proceeds of the tax levied 100080
under division (A)(1) of this section, after deducting the real 100081
and actual costs of administering the tax and the amounts required 100082
to be returned to townships and municipal corporations with 100083
respect to the first three per cent levied under division (A)(1) 100084
of this section, shall be deposited in the county general fund, 100085
provided that such proceeds shall be used to satisfy any pledges 100086
made in connection with an agreement entered into under section 100087
307.695 of the Revised Code. 100088

(5) No amount collected from a tax levied, extended, or 100089
required to be deposited in the county general fund under division 100090
(H) of this section shall be contributed to a convention 100091
facilities authority, corporation, or other entity created after 100092
July 1, 2003, for the principal purpose of constructing, 100093
improving, expanding, equipping, financing, or operating a 100094

convention center unless the mayor of the municipal corporation in 100095
which the convention center is to be operated by that convention 100096
facilities authority, corporation, or other entity has consented 100097
to the creation of that convention facilities authority, 100098
corporation, or entity. Notwithstanding any contrary provision of 100099
section 351.04 of the Revised Code, if a tax is levied by a county 100100
under division (H) of this section, the board of county 100101
commissioners of that county may determine the manner of 100102
selection, the qualifications, the number, and terms of office of 100103
the members of the board of directors of any convention facilities 100104
authority, corporation, or other entity described in division 100105
(H)(5) of this section. 100106

(6)(a) No amount collected from a tax levied, extended, or 100107
required to be deposited in the county general fund under division 100108
(H) of this section may be used for any purpose other than paying 100109
the direct and indirect costs of constructing, improving, 100110
expanding, equipping, financing, or operating a convention center 100111
and for the real and actual costs of administering the tax, 100112
unless, prior to the adoption of the resolution of the legislative 100113
authority of the county authorizing the levy, extension, increase, 100114
or deposit, the county and the mayor of the most populous 100115
municipal corporation in that county have entered into an 100116
agreement as to the use of such amounts, provided that such 100117
agreement has been approved by a majority of the mayors of the 100118
other municipal corporations in that county. The agreement shall 100119
provide that the amounts to be used for purposes other than paying 100120
the convention center or administrative costs described in 100121
division (H)(6)(a) of this section be used only for the direct and 100122
indirect costs of capital improvements, including the financing of 100123
capital improvements. 100124

(b) If the county in which the tax is levied has an 100125
association of mayors and city managers, the approval of that 100126

association of an agreement described in division (H)(6)(a) of 100127
this section shall be considered to be the approval of the 100128
majority of the mayors of the other municipal corporations for 100129
purposes of that division. 100130

(7) Each year, the auditor of state shall conduct an audit of 100131
the uses of any amounts collected from taxes levied, extended, or 100132
deposited under division (H) of this section and shall prepare a 100133
report of the auditor of state's findings. The auditor of state 100134
shall submit the report to the legislative authority of the county 100135
that has levied, extended, or deposited the tax, the speaker of 100136
the house of representatives, the president of the senate, and the 100137
leaders of the minority parties of the house of representatives 100138
and the senate. 100139

(I)(1) As used in this division: 100140

(a) "Convention facilities authority" has the same meaning as 100141
in section 351.01 of the Revised Code. 100142

(b) "Convention center" has the same meaning as in section 100143
307.695 of the Revised Code. 100144

(2) Notwithstanding any contrary provision of division (D) of 100145
this section, the legislative authority of a county with a 100146
population of one million two hundred thousand or more according 100147
to the most recent federal decennial census or the most recent 100148
annual population estimate published or released by the United 100149
States census bureau at the time the resolution is adopted placing 100150
the levy on the ballot, that has levied a tax under division (D) 100151
of this section may, by resolution adopted by a majority of the 100152
members of the legislative authority, provide for the extension of 100153
such levy and may provide that the proceeds of that tax, to the 100154
extent that the proceeds are no longer needed for their original 100155
purpose as defined by a cooperative agreement entered into under 100156
section 307.671 of the Revised Code and after deducting the real 100157

and actual costs of administering the tax, shall be used for 100158
paying the direct and indirect costs of constructing, improving, 100159
expanding, equipping, financing, or operating a convention center. 100160
The resolution shall provide for the extension of the tax at a 100161
rate not to exceed the rate specified in division (D) of this 100162
section for a period of time determined by the legislative 100163
authority of the county, but not to exceed an additional forty 100164
years. 100165

(3) The legislative authority of a county with a population 100166
of one million two hundred thousand or more that has levied a tax 100167
under division (A)(1) of this section may, by resolution adopted 100168
by a majority of the members of the legislative authority, 100169
increase the rate of the tax levied by such county under division 100170
(A)(1) of this section to a rate not to exceed five per cent on 100171
transactions by which lodging by a hotel is or is to be furnished 100172
to transient guests. Notwithstanding any contrary provision of 100173
division (A)(1) of this section, the resolution shall provide that 100174
all collections resulting from the rate levied in excess of three 100175
per cent, after deducting the real and actual costs of 100176
administering the tax, shall be used for paying the direct and 100177
indirect costs of constructing, improving, expanding, equipping, 100178
financing, or operating a convention center. 100179

(4) The legislative authority of a county with a population 100180
of one million two hundred thousand or more that has levied a tax 100181
under division (A)(1) of this section may, by resolution adopted 100182
on or before July 1, 2008, by a majority of the members of the 100183
legislative authority, provide that all or a portion of the 100184
proceeds of the tax levied under division (A)(1) of this section, 100185
after deducting the real and actual costs of administering the tax 100186
and the amounts required to be returned to townships and municipal 100187
corporations with respect to the first three per cent levied under 100188
division (A)(1) of this section, shall be used to satisfy any 100189

pledges made in connection with an agreement entered into under 100190
section 307.695 of the Revised Code or shall otherwise be used for 100191
paying the direct and indirect costs of constructing, improving, 100192
expanding, equipping, financing, or operating a convention center. 100193

(5) Any amount collected from a tax levied or extended under 100194
division (I) of this section may be contributed to a convention 100195
facilities authority created before July 1, 2005, but no amount 100196
collected from a tax levied or extended under division (I) of this 100197
section may be contributed to a convention facilities authority, 100198
corporation, or other entity created after July 1, 2005, unless 100199
the mayor of the municipal corporation in which the convention 100200
center is to be operated by that convention facilities authority, 100201
corporation, or other entity has consented to the creation of that 100202
convention facilities authority, corporation, or entity. 100203

(J)(1) Except as provided in division (J)(2) of this section, 100204
money collected by a county and distributed under this section to 100205
a convention and visitors' bureau in existence as of June 30, 100206
2013, the effective date of H.B. 59 of the 130th general assembly, 100207
except for any such money pledged, as of that effective date, to 100208
the payment of debt service charges on bonds, notes, securities, 100209
or lease agreements, shall be used solely for tourism sales, 100210
marketing and promotion, and their associated costs, including, 100211
but not limited to, operational and administrative costs of the 100212
bureau, sales and marketing, and maintenance of the physical 100213
bureau structure. 100214

(2) A convention and visitors' bureau that has entered into 100215
an agreement under section 307.678 of the Revised Code may use 100216
revenue it receives from a tax levied under division (A)(1) of 100217
this section as described in division (D) of section 307.678 of 100218
the Revised Code. 100219

(K) The board of county commissioners of a county with a 100220
population between one hundred three thousand and one hundred 100221

seven thousand according to the most recent federal decennial 100222
census, by resolution adopted by a majority of the members of the 100223
board within six months after September 15, 2014, the effective 100224
date of H.B. 483 of the 130th general assembly, may levy a tax not 100225
to exceed three per cent on transactions by which a hotel is or is 100226
to be furnished to transient guests. The purpose of the tax shall 100227
be to pay the costs of expanding, maintaining, or operating a 100228
soldiers' memorial and the costs of administering the tax. All 100229
revenue arising from the tax shall be credited to one or more 100230
special funds in the county treasury and shall be spent solely for 100231
the purposes of paying those costs. The board of county 100232
commissioners shall adopt all rules necessary to provide for the 100233
administration of the tax subject to the same limitations on 100234
imposing penalty or interest under division (A)(1) of this 100235
section. 100236

As used in this division "soldiers' memorial" means a 100237
memorial constructed and funded under Chapter 345. of the Revised 100238
Code. 100239

(L) A board of county commissioners of an eligible county, by 100240
resolution adopted by a majority of the members of the board, may 100241
levy an excise tax at the rate of up to three per cent on 100242
transactions by which lodging by a hotel is or is to be furnished 100243
to transient guests for the purpose of paying the costs of 100244
permanent improvements at sites at which one or more agricultural 100245
societies conduct fairs or exhibits, paying the costs of 100246
maintaining or operating such permanent improvements, and paying 100247
the costs of administering the tax. A resolution adopted under 100248
this division shall direct the board of elections to submit the 100249
question of the proposed lodging tax to the electors of the county 100250
at a special election held on the date specified by the board in 100251
the resolution, provided that the election occurs not less than 100252
ninety days after a certified copy of the resolution is 100253

transmitted to the board of elections. A resolution submitted to 100254
the electors under this division shall not go into effect unless 100255
it is approved by a majority of those voting upon it. The 100256
resolution takes effect on the date the board of county 100257
commissioners receives notification from the board of elections of 100258
an affirmative vote. 100259

The tax shall remain in effect for the period specified in 100260
the resolution, not to exceed five years. All revenue arising from 100261
the tax shall be credited to one or more special funds in the 100262
county treasury and shall be spent solely for the purposes of 100263
paying the costs of such permanent improvements and maintaining or 100264
operating the improvements. Revenue allocated for the use of a 100265
county agricultural society may be credited to the county 100266
agricultural society fund created in section 1711.16 of the 100267
Revised Code upon appropriation by the board. If revenue is 100268
credited to that fund, it shall be expended only as provided in 100269
that section. 100270

The board of county commissioners shall adopt all rules 100271
necessary to provide for the administration of the tax. The rules 100272
may prescribe the time for payment of the tax, and may provide for 100273
the imposition or penalty or interest, or both, for late payments, 100274
provided that the penalty does not exceed ten per cent of the 100275
amount of tax due, and the rate at which interest accrues does not 100276
exceed the rate per annum prescribed in section 5703.47 of the 100277
Revised Code. 100278

As used in this division, "eligible county" means a county in 100279
which a county agricultural society or independent agricultural 100280
society is organized under section 1711.01 or 1711.02 of the 100281

attendees. 100285

(M) As used in this division, "eligible county" means a county in which a tax is levied under division (A) of this section at a rate of three per cent and whose territory includes a part of Lake Erie the shoreline of which represents at least fifty per cent of the linear length of the county's border with other counties of this state. 100286

The resolution levying the tax shall specify the purpose of the tax, the rate of the tax, which shall not exceed two per cent, and the number of years the tax will be levied or that it will be levied for a continuing period of time. The tax shall be administered pursuant to the regulations adopted by the board under division (A) of this section, except that all the proceeds of the tax levied under this division shall be pledged to the payment of the costs, including debt charges, of lakeshore improvements undertaken by a port authority pursuant to the agreement under section 4582.56 of the Revised Code. Sec. 5739.10. (A) In addition to the tax levied by section 5739.02 of the Revised Code and any tax levied pursuant to section 5739.021, 5739.023, 5739.024, or 5739.026 of the Revised Code, and to secure the same objectives specified in those sections, there 100313
100314
100315
100316

is hereby levied upon the privilege of engaging in the business of 100317
making retail sales, an excise tax equal to the tax levied by 100318
section 5739.02 of the Revised Code, or, in the case of retail 100319
sales subject to a tax levied pursuant to section 5739.021, 100320
5739.023, 5739.024, or 5739.026 of the Revised Code, a percentage 100321
equal to the aggregate rate of such taxes and the tax levied by 100322
section 5739.02 of the Revised Code of the receipts derived from 100323
all retail sales, except those to which the excise tax imposed by 100324
section 5739.02 of the Revised Code is made inapplicable by 100325
division (B) of that section. 100326

(B) For the purpose of this section, no vendor shall be 100327
required to maintain records of sales of food for human 100328
consumption off the premises where sold, and no assessment shall 100329
be made against any vendor for sales of food for human consumption 100330
off the premises where sold, solely because the vendor has no 100331
records of, or has inadequate records of, such sales; provided 100332
that where a vendor does not have adequate records of receipts 100333
from the vendor's sales of food for human consumption on the 100334
premises where sold, the tax commissioner may refuse to accept the 100335
vendor's return and, upon the basis of test checks of the vendor's 100336
business for a representative period, and other information 100337
relating to the sales made by such vendor, determine the 100338
proportion that taxable retail sales bear to all of the vendor's 100339
retail sales. The tax imposed by this section shall be determined 100340
by deducting from the sum representing five and three-fourths per 100341
cent, as applicable under division (A) of this section, or, in the 100342
case of retail sales subject to a tax levied pursuant to section 100343
5739.021, 5739.023, 5739.024, or 5739.026 of the Revised Code, a 100344
percentage equal to the aggregate rate of such taxes and the tax 100345
levied by section 5739.02 of the Revised Code of the receipts from 100346
such retail sales, the amount of tax paid to the state or to a 100347
clerk of a court of common pleas. The section does not affect any 100348
duty of the vendor under sections 5739.01 to 5739.19 and 5739.26 100349

to 5739.31 of the Revised Code, nor the liability of any consumer 100350
to pay any tax imposed by or pursuant to section 5739.02, 100351
5739.021, 5739.023, 5739.024, or 5739.026 of the Revised Code. 100352

Sec. 5739.12. (A)(1) Each person who has or is required to 100353
have a vendor's license, on or before the twenty-third day of each 100354
month, shall make and file a return for the preceding month in the 100355
form prescribed by the tax commissioner, and shall pay the tax 100356
shown on the return to be due. The return shall be filed 100357
electronically using the Ohio business gateway, as defined in 100358
section 718.01 of the Revised Code, the Ohio telefile system, or 100359
any other electronic means prescribed by the commissioner. Payment 100360
of the tax shown on the return to be due shall be made 100361
electronically in a manner approved by the commissioner. The 100362
commissioner may require a vendor that operates from multiple 100363
locations or has multiple vendor's licenses to report all tax 100364
liabilities on one consolidated return. The return shall show the 100365
amount of tax due from the vendor to the state for the period 100366
covered by the return and such other information as the 100367
commissioner deems necessary for the proper administration of this 100368
chapter. The commissioner may extend the time for making and 100369
filing returns and paying the tax, and may require that the return 100370
for the last month of any annual or semiannual period, as 100371
determined by the commissioner, be a reconciliation return 100372
detailing the vendor's sales activity for the preceding annual or 100373
semiannual period. The reconciliation return shall be filed by the 100374
last day of the month following the last month of the annual or 100375
semiannual period. The commissioner may remit all or any part of 100376
amounts or penalties that may become due under this chapter and 100377
may adopt rules relating thereto. Such return shall be filed 100378
electronically as directed by the tax commissioner, and payment of 100379
the amount of tax shown to be due thereon, after deduction of any 100380
discount provided for under this section, shall be made 100381

electronically in a manner approved by the tax commissioner. 100382

(2) Any person required to file returns and make payments 100383
electronically under division (A)(1) of this section may apply to 100384
the tax commissioner on a form prescribed by the commissioner to 100385
be excused from that requirement. For good cause shown, the 100386
commissioner may excuse the person from that requirement and may 100387
permit the person to file the returns and make the payments 100388
required by this section by nonelectronic means. 100389

(B)(1) If the return is filed and the amount of tax shown 100390
thereon to be due is paid on or before the date such return is 100391
required to be filed, the vendor shall be entitled to a discount 100392
of three-fourths of one per cent of the amount shown to be due on 100393
the return. 100394

(2) A vendor that has selected a certified service provider 100395
as its agent shall not be entitled to the discount if the 100396
certified service provider receives a monetary allowance pursuant 100397
to section 5739.06 of the Revised Code for performing the vendor's 100398
sales and use tax functions in this state. Amounts paid to the 100399
clerk of courts pursuant to section 4505.06 of the Revised Code 100400
shall be subject to the applicable discount. The discount shall be 100401
in consideration for prompt payment to the clerk of courts and for 100402
other services performed by the vendor in the collection of the 100403
tax. 100404

(C)(1) Upon application to the tax commissioner, a vendor who 100405
is required to file monthly returns may be relieved of the 100406
requirement to report and pay the actual tax due, provided that 100407
the vendor agrees to remit to the commissioner payment of not less 100408
than an amount determined by the commissioner to be the average 100409
monthly tax liability of the vendor, based upon a review of the 100410
returns or other information pertaining to such vendor for a 100411
period of not less than six months nor more than two years 100412
immediately preceding the filing of the application. Vendors who 100413

agree to the above conditions shall make and file an annual or 100414
semiannual reconciliation return, as prescribed by the 100415
commissioner. The reconciliation return shall be filed 100416
electronically as directed by the tax commissioner, and payment of 100417
the amount of tax shown to be due thereon, after deduction of any 100418
discount provided in this section, shall be made electronically in 100419
a manner approved by the commissioner. Failure of a vendor to 100420
comply with any of the above conditions may result in immediate 100421
reinstatement of the requirement of reporting and paying the 100422
actual tax liability on each monthly return, and the commissioner 100423
may at the commissioner's discretion deny the vendor the right to 100424
report and pay based upon the average monthly liability for a 100425
period not to exceed two years. The amount ascertained by the 100426
commissioner to be the average monthly tax liability of a vendor 100427
may be adjusted, based upon a review of the returns or other 100428
information pertaining to the vendor for a period of not less than 100429
six months nor more than two years preceding such adjustment. 100430

(2) The commissioner may authorize vendors whose tax 100431
liability is not such as to merit monthly returns, as ascertained 100432
by the commissioner upon the basis of administrative costs to the 100433
state, to make and file returns at less frequent intervals. When 100434
returns are filed at less frequent intervals in accordance with 100435
such authorization, the vendor shall be allowed the discount 100436
provided in this section in consideration for prompt payment with 100437
the return, provided the return is filed and payment is made of 100438
the amount of tax shown to be due thereon, at the time specified 100439
by the commissioner, but a vendor that has selected a certified 100440
service provider as its agent shall not be entitled to the 100441
discount. 100442

(D) Any vendor who fails to file a return or to pay the full 100443
amount of the tax shown on the return to be due in the manner 100444
prescribed under this section and the rules of the commissioner 100445

may, for each such return, be required to forfeit and pay into the state treasury an additional charge not exceeding fifty dollars or ten per cent of the tax required to be paid for the reporting period, whichever is greater, as revenue arising from the tax imposed by this chapter, and such sum may be collected by assessment in the manner provided in section 5739.13 of the Revised Code. The commissioner may remit all or a portion of the additional charge and may adopt rules relating to the imposition and remission of the additional charge.

(E) If the amount required to be collected by a vendor from consumers is in excess of the applicable percentage of the vendor's receipts from sales that are taxable under section 5739.02 of the Revised Code, or in the case of sales subject to a tax levied pursuant to section 5739.021, 5739.023, 5739.024, or 5739.026 of the Revised Code, in excess of the percentage equal to the aggregate rate of such taxes and the tax levied by section 5739.02 of the Revised Code, such excess shall be remitted along with the remittance of the amount of tax due under section 5739.10 of the Revised Code.

(F) The commissioner, if the commissioner deems it necessary in order to insure the payment of the tax imposed by this chapter, may require returns and payments to be made for other than monthly periods.

(G) Any vendor required to file a return and pay the tax under this section whose total payment for a year equals or exceeds the amount shown in division (A) of section 5739.122 of the Revised Code is subject to the accelerated tax payment requirements in divisions (B) and (C) of that section. For a vendor that operates from multiple locations or has multiple vendor's licenses, in determining whether the vendor's total payment equals or exceeds the amount shown in division (A) of that section, the vendor's total payment amount shall be the amount of

the vendor's total tax liability for the previous calendar year 100478
for all of the vendor's locations or licenses. 100479

Sec. 5739.13. (A) If any vendor collects the tax imposed by 100480
or pursuant to section 5739.02, 5739.021, 5739.023, 5739.024, or 100481
5739.026 of the Revised Code, and fails to remit the tax to the 100482
state as prescribed, or on the sale of a motor vehicle, 100483
watercraft, or outboard motor required to be titled, fails to 100484
remit payment ~~to a clerk of a court of common pleas~~ as provided in 100485
section 1548.06 or 4505.06 of the Revised Code, the vendor shall 100486
be personally liable for any tax collected and not remitted. The 100487
tax commissioner may make an assessment against such vendor based 100488
upon any information in the commissioner's possession. 100489

If any vendor fails to collect the tax or any consumer fails 100490
to pay the tax imposed by or pursuant to section 5739.02, 100491
5739.021, 5739.023, 5739.024, or 5739.026 of the Revised Code, on 100492
any transaction subject to the tax, the vendor or consumer shall 100493
be personally liable for the amount of the tax applicable to the 100494
transaction. The commissioner may make an assessment against 100495
either the vendor or consumer, as the facts may require, based 100496
upon any information in the commissioner's possession. 100497

An assessment against a vendor when the tax imposed by or 100498
pursuant to section 5739.02, 5739.021, 5739.023, 5739.024, or 100499
5739.026 of the Revised Code has not been collected or paid, shall 100500
not discharge the purchaser's or consumer's liability to reimburse 100501
the vendor for the tax applicable to such transaction. 100502

An assessment issued against either, pursuant to this 100503
section, shall not be considered an election of remedies, nor a 100504
bar to an assessment against the other for the tax applicable to 100505
the same transaction, provided that no assessment shall be issued 100506
against any person for the tax due on a particular transaction if 100507
the tax on that transaction actually has been paid by another. 100508

The commissioner may make an assessment against any vendor 100509
who fails to file a return or remit the proper amount of tax 100510
required by this chapter, or against any consumer who fails to pay 100511
the proper amount of tax required by this chapter. When 100512
information in the possession of the commissioner indicates that 100513
the amount required to be collected or paid under this chapter is 100514
greater than the amount remitted by the vendor or paid by the 100515
consumer, the commissioner may audit a sample of the vendor's 100516
sales or the consumer's purchases for a representative period, to 100517
ascertain the per cent of exempt or taxable transactions or the 100518
effective tax rate and may issue an assessment based on the audit. 100519
The commissioner shall make a good faith effort to reach agreement 100520
with the vendor or consumer in selecting a representative sample. 100521

The commissioner may make an assessment, based on any 100522
information in the commissioner's possession, against any person 100523
who fails to file a return or remit the proper amount of tax 100524
required by section 5739.102 of the Revised Code. 100525

The commissioner may issue an assessment on any transaction 100526
for which any tax imposed under this chapter or Chapter 5741. of 100527
the Revised Code was due and unpaid on the date the vendor or 100528
consumer was informed by an agent of the tax commissioner of an 100529
investigation or audit. If the vendor or consumer remits any 100530
payment of the tax for the period covered by the assessment after 100531
the vendor or consumer was informed of the investigation or audit, 100532
the payment shall be credited against the amount of the 100533
assessment. 100534

The commissioner shall give the party assessed written notice 100535
of the assessment in the manner provided in section 5703.37 of the 100536
Revised Code. With the notice, the commissioner shall provide 100537
instructions on how to petition for reassessment and request a 100538
hearing on the petition. 100539

(B) Unless the party assessed files with the commissioner 100540

within sixty days after service of the notice of assessment, 100541
either personally or by certified mail, a written petition for 100542
reassessment, signed by the party assessed or that party's 100543
authorized agent having knowledge of the facts, the assessment 100544
becomes final and the amount of the assessment is due from the 100545
party assessed and payable to the treasurer of state and remitted 100546
to the tax commissioner. The petition shall indicate the 100547
objections of the party assessed, but additional objections may be 100548
raised in writing if received by the commissioner prior to the 100549
date shown on the final determination. If the petition has been 100550
properly filed, the commissioner shall proceed under section 100551
5703.60 of the Revised Code. 100552

(C) After an assessment becomes final, if any portion of the 100553
assessment remains unpaid, including accrued interest, a certified 100554
copy of the commissioner's entry making the assessment final may 100555
be filed in the office of the clerk of the court of common pleas 100556
in the county in which the place of business of the party assessed 100557
is located or the county in which the party assessed resides. If 100558
the party assessed maintains no place of business in this state 100559
and is not a resident of this state, the certified copy of the 100560
entry may be filed in the office of the clerk of the court of 100561
common pleas of Franklin county. 100562

Immediately upon the filing of the entry, the clerk shall 100563
enter a judgment for the state against the party assessed in the 100564
amount shown on the entry. The judgment may be filed by the clerk 100565
in a loose-leaf book entitled "~~special judgments for state,~~ 100566
~~county, and transit authority~~ and local retail sales tax" or, if 100567
appropriate, "special judgments for resort area excise tax," and 100568
shall have the same effect as other judgments. Execution shall 100569
issue upon the judgment upon the request of the tax commissioner, 100570
and all laws applicable to sales on execution shall apply to sales 100571
made under the judgment except as otherwise provided in this 100572

chapter. 100573

If the assessment is not paid in its entirety within sixty 100574
days after the date the assessment was issued, the portion of the 100575
assessment consisting of tax due shall bear interest at the rate 100576
per annum prescribed by section 5703.47 of the Revised Code from 100577
the day the tax commissioner issues the assessment until the 100578
assessment is paid or until it is certified to the attorney 100579
general for collection under section 131.02 of the Revised Code, 100580
whichever comes first. If the unpaid portion of the assessment is 100581
certified to the attorney general for collection, the entire 100582
unpaid portion of the assessment shall bear interest at the rate 100583
per annum prescribed by section 5703.47 of the Revised Code from 100584
the date of certification until the date it is paid in its 100585
entirety. Interest shall be paid in the same manner as the tax and 100586
may be collected by issuing an assessment under this section. 100587

(D) All money collected by the tax commissioner under this 100588
section shall be paid to the treasurer of state, and when paid 100589
shall be considered as revenue arising from the taxes imposed by 100590
or pursuant to sections 5739.01 to 5739.31 of the Revised Code. 100591

Sec. 5739.16. (A) Except as otherwise provided in this 100592
section, no assessment shall be made or issued against a vendor or 100593
consumer for any tax imposed by or pursuant to section 5739.02, 100594
5739.021, 5739.023, 5739.024, 5739.026, or 5739.10 of the Revised 100595
Code more than four years after the return date for the period in 100596
which the sale or purchase was made, or more than four years after 100597
the return for such period is filed, whichever is later. A 100598
consumer who provides a fully completed exemption certificate 100599
pursuant to division (B) of section 5739.03 of the Revised Code 100600
may be assessed any tax imposed by or pursuant to section 5739.02, 100601
5739.021, 5739.023, 5739.024, or 5739.026 of the Revised Code that 100602
results from denial of the claimed exemption within the later of a 100603

period otherwise allowed by this section or one year after the 100604
date the certificate was provided. This division does not bar an 100605
assessment: 100606

(1) When the tax commissioner has substantial evidence of 100607
amounts of taxes collected by a vendor from consumers on retail 100608
sales, which were not returned to the state; 100609

(2) When the vendor assessed failed to file a return as 100610
required by section 5739.12 of the Revised Code; 100611

(3) When the vendor or consumer and the commissioner waive in 100612
writing the time limitation. 100613

(B) No assessment shall be made or issued against a vendor or 100614
consumer for any tax imposed by or pursuant to section 5739.02, 100615
5739.021, 5739.023, 5739.024, 5739.026, or 5739.10 of the Revised 100616
Code for any period during which there was in full force and 100617
effect a rule of the tax commissioner under or by virtue of which 100618
the collection or payment of any such tax was not required. This 100619
division does not bar an assessment when the tax commissioner has 100620
substantial evidence of amounts of taxes collected by a vendor 100621
from consumers on retail sales which were not returned to the 100622
state. 100623

(C) No assessment shall be made or issued against a person 100624
for any tax imposed pursuant to section 5739.101 of the Revised 100625
Code more than four years after the return date for the period in 100626
which the tax is imposed on the person's gross receipts, or more 100627
than four years after the return for such period is filed, 100628
whichever is later. This division does not bar an assessment when 100629
the person assessed failed to file a return as required under 100630
section 5739.102 of the Revised Code, or when the person and the 100631
commissioner waive in writing the time limitation. 100632

Sec. 5739.17. (A) No person shall engage in making retail 100633

sales subject to a tax imposed by or pursuant to section 5739.02, 100634
5739.021, 5739.023, 5739.024, or 5739.026 of the Revised Code as a 100635
business without having a license therefor, except as otherwise 100636
provided in divisions (A)(1), (2), and (3) of this section. 100637

(1) In the dissolution of a partnership by death, the 100638
surviving partner may operate under the license of the partnership 100639
for a period of sixty days. 100640

(2) The heirs or legal representatives of deceased persons, 100641
and receivers and trustees in bankruptcy, appointed by any 100642
competent authority, may operate under the license of the person 100643
so succeeded in possession. 100644

(3) Two or more persons who are not partners may operate a 100645
single place of business under one license. In such case neither 100646
the retirement of any such person from business at that place of 100647
business, nor the entrance of any person, under an existing 100648
arrangement, shall affect the license or require the issuance of a 100649
new license, unless the person retiring from the business is the 100650
individual named on the vendor's license. 100651

Except as otherwise provided in this section, each applicant 100652
for a license shall make out and deliver to the county auditor of 100653
each county in which the applicant desires to engage in business, 100654
upon a blank to be furnished by such auditor for that purpose, a 100655
statement showing the name of the applicant, each place of 100656
business in the county where the applicant will make retail sales, 100657
the nature of the business, and any other information the tax 100658
commissioner reasonably prescribes in the form of a statement 100659
prescribed by the commissioner. 100660

At the time of making the application, the applicant shall 100661
pay into the county treasury a license fee in the sum of 100662
twenty-five dollars for each fixed place of business in the county 100663
that will be the situs of retail sales. Upon receipt of the 100664

application and exhibition of the county treasurer's receipt, 100665
showing the payment of the license fee, the county auditor shall 100666
issue to the applicant a license for each fixed place of business 100667
designated in the application, authorizing the applicant to engage 100668
in business at that location. 100669

(B) If a vendor's identity changes, the vendor shall apply 100670
for a new license. If a vendor wishes to move an existing fixed 100671
place of business to a new location within the same county, the 100672
vendor shall obtain a new vendor's license or submit a request to 100673
the commissioner to transfer the existing vendor's license to the 100674
new location. When the new location has been verified as being 100675
within the same county, the commissioner shall authorize the 100676
transfer and notify the county auditor of the change of location. 100677
If a vendor wishes to move an existing fixed place of business to 100678
another county, the vendor's license shall not transfer and the 100679
vendor shall obtain a new vendor's license from the county in 100680
which the business is to be located. The form of the license shall 100681
be prescribed by the commissioner. The fees collected shall be 100682
credited to the general fund of the county. If a vendor fails to 100683
notify the commissioner of a change of location of its fixed place 100684
of business or that its business has closed, the commissioner may 100685
cancel the vendor's license if ordinary mail sent to the location 100686
shown on the license is returned because of an undeliverable 100687
address. 100688

(C) The commissioner may establish or participate in a 100689
registration system whereby any vendor may obtain a vendor's 100690
license by submitting to the commissioner a vendor's license 100691
application and a license fee of twenty-five dollars for each 100692
fixed place of business at which the vendor intends to make retail 100693
sales. Under this registration system, the commissioner shall 100694
issue a vendor's license to the applicant on behalf of the county 100695
auditor of the county in which the applicant desires to engage in 100696

business, and shall forward a copy of the application and license fee to that county. All such license fees received by the commissioner for the issuance of vendor's licenses shall be deposited into the vendor's license application fund, which is hereby created in the state treasury. The commissioner shall certify to the director of budget and management within ten business days after the close of a month the license fees to be transmitted to each county from the vendor's license application fund for vendor's license applications received by the commissioner during that month. License fees transmitted to a county for which payment was not received by the commissioner may be netted against a future distribution to that county, including distributions made pursuant to section 5739.21 of the Revised Code.

A vendor that makes retail sales subject to tax under Chapter 5739. of the Revised Code pursuant to a permit issued by the division of liquor control shall obtain a vendor's license in the identical name and for the identical address as shown on the permit.

Except as otherwise provided in this section, if a vendor has no fixed place of business and sells from a vehicle, each vehicle intended to be used within a county constitutes a place of business for the purpose of this section.

(D) As used in this section, "transient vendor" means any person who makes sales of tangible personal property from vending machines located on land owned by others, who leases titled motor vehicles, titled watercraft, or titled outboard motors, who effectuates leases that are taxed according to division (A)(2) of section 5739.02 of the Revised Code, or who, in the usual course of the person's business, transports inventory, stock of goods, or similar tangible personal property to a temporary place of business or temporary exhibition, show, fair, flea market, or

similar event in a county in which the person has no fixed place 100729
of business, for the purpose of making retail sales of such 100730
property. A "temporary place of business" means any public or 100731
quasi-public place including, but not limited to, a hotel, rooming 100732
house, storeroom, building, part of a building, tent, vacant lot, 100733
railroad car, or motor vehicle that is temporarily occupied for 100734
the purpose of making retail sales of goods to the public. A place 100735
of business is not temporary if the same person conducted business 100736
at the place continuously for more than six months or occupied the 100737
premises as the person's permanent residence for more than six 100738
months, or if the person intends it to be a fixed place of 100739
business. 100740

Any transient vendor, in lieu of obtaining a vendor's license 100741
under division (A) of this section for counties in which the 100742
transient vendor has no fixed place of business, may apply to the 100743
tax commissioner, on a form prescribed by the commissioner, for a 100744
transient vendor's license. The transient vendor's license 100745
authorizes the transient vendor to make retail sales in any county 100746
in which the transient vendor does not maintain a fixed place of 100747
business. Any holder of a transient vendor's license shall not be 100748
required to obtain a separate vendor's license from the county 100749
auditor in that county. Upon the commissioner's determination that 100750
an applicant is a transient vendor, the applicant shall pay a 100751
license fee in the amount of twenty-five dollars, at which time 100752
the tax commissioner shall issue the license. The tax commissioner 100753
may require a vendor to be licensed as a transient vendor if, in 100754
the opinion of the commissioner, such licensing is necessary for 100755
the efficient administration of the tax. 100756

Any holder of a valid transient vendor's license may make 100757
retail sales at a temporary place of business or temporary 100758
exhibition, show, fair, flea market, or similar event, held 100759
anywhere in the state without complying with any provision of 100760

section 311.37 of the Revised Code. Any holder of a valid vendor's license may make retail sales as a transient vendor at a temporary place of business or temporary exhibition, show, fair, flea market, or similar event held in any county in which the vendor maintains a fixed place of business for which the vendor holds a vendor's license without obtaining a transient vendor's license.

(E) Any vendor who is issued a license pursuant to this section shall display the license or a copy of it prominently, in plain view, at every place of business of the vendor.

(F) No owner, organizer, or promoter who operates a fair, flea market, show, exhibition, convention, or similar event at which transient vendors are present shall fail to keep a comprehensive record of all such vendors, listing the vendor's name, permanent address, vendor's license number, and the type of goods sold. Such records shall be kept for four years and shall be open to inspection by the commissioner.

(G) The commissioner may issue additional types of licenses if required to efficiently administer the tax imposed by this chapter.

Sec. 5739.21. (A) One hundred per cent of all money deposited into the state treasury under sections 5739.01 to 5739.31 of the Revised Code that is not required to be distributed as provided in section 5739.102 of the Revised Code or division (B) of this section shall be credited to the general revenue fund.

(B)(1) In any case where any county, municipal corporation, township, or transit authority has levied a tax or taxes pursuant to section 5739.021, 5739.023, 5739.024, or 5739.026 of the Revised Code, the tax commissioner shall, within forty-five days after the end of each month, determine and certify to the director of budget and management the amount of the proceeds of such tax or taxes received during that month from billings and assessments, or

associated with tax returns or reports filed during that month, to 100792
be returned to the ~~county or transit authority~~ subdivision levying 100793
the tax or taxes. The amount to be returned to each ~~county and~~ 100794
~~transit authority~~ subdivision shall be a fraction of the aggregate 100795
amount of money collected with respect to each area in which one 100796
or more of such taxes are concurrently in effect with the tax 100797
levied by section 5739.02 of the Revised Code, adjusted as 100798
required under section 5739.54 of the Revised Code. The numerator 100799
of the fraction is the rate of the tax levied by the ~~county or~~ 100800
~~transit authority~~ subdivision and the denominator of the fraction 100801
is the aggregate rate of such taxes applicable to such area. The 100802
amount to be returned to each ~~county or transit authority~~ 100803
subdivision shall be reduced by the amount of any refunds of 100804
~~county or transit authority~~ such tax paid pursuant to section 100805
5739.07 of the Revised Code during the same month, or transfers 100806
made pursuant to division (B)(2) of section 5703.052 of the 100807
Revised Code. 100808

(2) On a periodic basis, using the best information 100809
available, the tax commissioner shall distribute any amount of 100810
such a ~~county or transit authority~~ tax that cannot be distributed 100811
under division (B)(1) of this section. Through audit or other 100812
means, the commissioner shall attempt to obtain the information 100813
necessary to make the distribution as provided under that division 100814
and, on receipt of that information, shall make adjustments to 100815
distributions previously made under this division. 100816

(3) Beginning July 1, 2008, eight and thirty-three 100817
one-hundredths of one per cent of the revenue collected from the 100818
tax due under division (A) of section 5739.029 of the Revised Code 100819
shall be distributed to the county where the sale of the motor 100820
vehicle is sitused under section 5739.035 of the Revised Code. The 100821
amount to be so distributed to the county shall be apportioned on 100822
the basis of the rates of taxes the county levies pursuant to 100823

sections 5739.021 and 5739.026 of the Revised Code, as applicable, 100824
and shall be credited to the funds of the county as provided in 100825
divisions (A) and (B) of section 5739.211 of the Revised Code. 100826

(C) The aggregate amount to be returned to any ~~county or~~ 100827
~~transit authority~~ subdivision shall be reduced by one per cent, 100828
which shall be certified directly to the credit of the local sales 100829
tax administrative fund, which is hereby created in the state 100830
treasury. For the purpose of determining the amount to be returned 100831
to a county and transit authority in which the rate of tax imposed 100832
by the transit authority has been reduced under section 5739.028 100833
of the Revised Code, the tax commissioner shall use the respective 100834
rates of tax imposed by the county or transit authority that 100835
results from the change in the rates authorized under that 100836
section. 100837

(D) The director of budget and management shall transfer, 100838
from the same funds and in the same proportions specified in 100839
division (A) of this section, to the permissive tax distribution 100840
fund created by division (B)(1) of section 4301.423 of the Revised 100841
Code and to the local sales tax administrative fund, the amounts 100842
certified by the tax commissioner. The tax commissioner shall 100843
then, on or before the twentieth day of the month in which such 100844
certification is made, provide for payment of such respective 100845
amounts to the county treasurer and to the fiscal officer of the 100846
municipal corporation, township, or transit authority levying the 100847
tax or taxes. The amount transferred to the local sales tax 100848
administrative fund is for use by the tax commissioner in 100849
defraying costs incurred in administering such taxes levied by a 100850
county, municipal corporation, township, or transit authority. 100851

Sec. 5739.211. (A) The moneys received by a county levying an 100852
additional sales tax pursuant to section 5739.021 of the Revised 100853
Code shall be deposited in the county general fund to be expended 100854

The legislative authority shall establish all regulations 101012

or both, for late remittances, provided that the penalty does not 101016
exceed ten per cent of the amount of fee due, and the rate at 101017
which interest accrues does not exceed the rate per annum 101018
prescribed pursuant to section 5703.47 of the Revised Code. The 101019

Sec. 5739.52. (A) For the purpose of fostering and developing 101038
tourism within a tourism development district and paying the costs 101039
of administering the tax, the legislative authority of a township 101040

may, by resolution, levy a tax upon all of the following: 101041

5739.024 of the Revised Code is not in effect. 101083

(2) "Base revenue" means one of the following: 101084

(a) If the tax commissioner receives certification from the 101085
legislative authority of a county under division (D)(2) of this 101086
section, the revenue collected from the taxes imposed under 101087
sections 5739.021 and 5739.026 of the Revised Code during the 101088
three-month period ending on the last day of the immediately 101089
preceding calendar quarter from sales made in a qualifying tourism 101090
development district; 101091

(b) If the tax commissioner receives certification from the 101092
legislative authority of a transit authority under division (D)(3) 101093
of this section, the revenue collected from the tax imposed under 101094
section 5739.023 of the Revised Code during the three-month period 101095
ending on the last day of the immediately preceding calendar 101096
quarter from sales made in the district; 101097

(c) If the tax commissioner receives certification from the 101098
legislative authorities of a county and transit authority under 101099

5739.026 of the Revised Code during the three-month period ending 101102
on the last day of the immediately preceding calendar quarter from 101103
sales made in the district. 101104

(B) For every qualifying tourism development district on the 101105
basis of which the tax commissioner receives a certification under 101106
division (D)(2) or (3) of this section, the commissioner shall 101107
certify to the director of budget and management, on or before the 101108
twentieth day of March, June, September, and December of each year 101109
the difference, if greater than zero, between (1) the applicable 101110
base revenue minus (2) one-fourth of revenue collected from the 101111
same taxes on the basis of which such revenue is calculated from 101112
sales made in the qualifying tourism development district during 101113
the calendar year preceding the year in which the district is 101114
designated or enlarged under section 5739.50 of the Revised Code. 101115

On or before the last day of March, June, September, and 101116
December of each year, the director of budget and management shall 101117
pay from the general revenue fund to the municipal corporation or 101118
township that created the qualifying tourism development district 101119
the amount certified by the commissioner. The legislative 101120
authority of a municipal corporation or township receiving such 101121
revenue shall create a special fund in the subdivision's treasury 101122
to which all such revenue shall be deposited. A municipal 101123

(C) The director of budget and management, after making a 101127
payment from the general revenue fund under division (B) of this 101128
section, shall reduce by the amount of that payment the next 101129

of the Revised Code to any county or county transit authority that 101131
makes a certification to the commissioner under division (D)(2) or 101132

(3) of this section. If both a county and a transit authority make those certifications, the director shall reduce that payment in proportion to the base revenue attributable to taxes levied by each subdivision under section 5739.021, 5739.023, or 5739.026 of the Revised Code.

(D)(1) Before a township or municipal corporation may receive money under division (B) of this section, the legislative authority of the municipal corporation or township must obtain the approval of the legislative authority of the county or transit authority. To obtain such approval, the legislative authority of the municipal corporation or township shall adopt and certify an ordinance or resolution to the legislative authority of the county and, if applicable, the transit authority in which a qualifying tourism development district is located. The resolution shall specify the municipal corporation's or township's intent to obtain revenue under division (B) of this section.

(2) The legislative authority of a county, within thirty days after receiving a certification under division (D)(1) of this section, may adopt and certify a resolution to the tax commissioner approving of the municipal corporation's or township's intent to obtain revenue under division (B) of this section.

(3) The legislative authority of a transit authority, within thirty days after receiving a certification under division (D)(1) of this section, may adopt and certify a resolution to the tax commissioner approving of the municipal corporation's or township's intent to obtain revenue under division (B) of this section.

seller at the time the lease or rental is consummated and shall be 101560
calculated by the seller on the basis of the total amount to be 101561
paid by the lessee or renter under the lease or rental agreement. 101562

been paid to this state; provided, that the consumer shall be 101582
relieved from further liability for the tax if the tax has been 101583
paid to a seller in accordance with section 5741.04 of the Revised 101584
Code or prepaid by the seller in accordance with section 5741.06 101585
of the Revised Code. 101586

shall not exempt from the application of the tax imposed by this 101603
section the storage, use, or consumption of tangible personal 101604
property that was purchased in interstate commerce, but that has 101605
come to rest in this state, provided that fuel to be used or 101606
transported in carrying on interstate commerce that is stopped 101607
within this state pending transfer from one conveyance to another 101608
is exempt from the excise tax imposed by this section and section 101609

division (E) of section 5739.01 of the Revised Code or under 101675
section 5739.02 of the Revised Code, with the exception of 101676
divisions (B)(1) to (11) or (28) of section 5739.02 of the Revised 101677
Code, the consumer shall provide to the seller, and the seller 101678
shall obtain from the consumer, a certificate specifying the 101679
reason that the transaction is not subject to the tax. The 101680
certificate shall be in such form, and shall be provided either in 101681
a hard copy form or electronic form, as the tax commissioner 101682

not apply to any of the following: 101690

(3) If no certificate is provided or obtained within ninety days after the date on which the transaction is consummated, it shall be presumed that the tax applies. Failure to have so provided or obtained a certificate shall not preclude a seller, within one hundred twenty days after the tax commissioner gives written notice of intent to levy an assessment, from either establishing that the transaction is not subject to the tax, or obtaining, in good faith, a fully completed exemption certificate.	101710 101711 101712 101713 101714 101715 101716 101717

contractor under the claim of exemption, if it is subsequently 101725

certification shall be in such form as the tax commissioner 101727

tax during the one-hundred-twenty-day period allowed under 101733
division (E) of this section, may present to the tax commissioner 101734
additional evidence to prove that the transactions were exempt. 101735
The seller shall file such evidence within ninety days of the 101736
receipt by the seller of the notice of assessment, except that, 101737
upon application and for reasonable cause, the tax commissioner 101738

from the date that cigarettes on which taxes have been paid have 102394
been sold in interstate or foreign commerce or have become 102395
unsalable. 102396

On the filing of the application, the commissioner shall 102397
determine the amount of refund to which the applicant is entitled, 102398
payable from receipts of the state tax, and, if applicable, 102399
payable from receipts of a county tax. If the amount is less than 102400

director of budget and management and treasurer of state for 102402

the Revised Code. 102406

If a refund is granted for payment of an illegal or erroneous 102407
assessment issued by the department, the refund shall include 102408

interest on the amount of the refund from the date of the 102409
overpayment. The interest shall be computed at the rate per annum 102410

Sec. 5743.32. To provide revenue for the general revenue fund 102412

by section 5743.02 of the Revised Code has been paid. 102417

The money received into the state treasury from the excise 102418
tax levied by this section shall be credited to the general 102419
revenue fund. 102420

Sec. 5743.51. (A) To provide revenue for the general revenue 102421
fund of the state, an excise tax on tobacco products is hereby 102422
levied at one of the following rates: 102423

(1) For tobacco products other than little cigars, ~~seventeen~~ 102424
twenty-two and one-half per cent of the wholesale price of the 102425
tobacco product received by a distributor or sold by a 102426
manufacturer to a retail dealer located in this state. 102427

(2) For invoices dated October 1, 2013, or later, 102428
thirty-seven per cent of the wholesale price of little cigars 102429

dealer located in this state. 102431

Each distributor who brings tobacco products, or causes 102432
tobacco products to be brought, into this state for distribution 102433
within this state, or any out-of-state distributor who sells 102434
tobacco products to wholesale or retail dealers located in this 102435
state for resale by those wholesale or retail dealers is liable 102436
for the tax imposed by this section. Only one sale of the same 102437
article shall be used in computing the amount of the tax due. 102438

(B) The treasurer of state shall place to the credit of the tax refund fund created by section 5703.052 of the Revised Code, out of the receipts from the tax levied by this section, amounts equal to the refunds certified by the tax commissioner pursuant to section 5743.53 of the Revised Code. The balance of the taxes collected under this section shall be paid into the general revenue fund.

(C) The commissioner may adopt rules as are necessary to assist in the enforcement and administration of sections 5743.51 to 5743.66 of the Revised Code, including rules providing for the remission of penalties imposed.

(D) A manufacturer is not liable for payment of the tax imposed by this section for sales of tobacco products to a retail dealer that has filed a signed statement with the manufacturer in which the retail dealer agrees to pay and be liable for the tax, as long as the manufacturer has provided a copy of the statement to the tax commissioner.

Sec. 5743.62. (A) To provide revenue for the general revenue fund of the state, an excise tax is hereby levied on the seller of tobacco products in this state at one of the following rates:

(1) For tobacco products other than little cigars, ~~seventeen~~ twenty-two and one-half per cent of the wholesale price of the tobacco product whenever the tobacco product is delivered to a consumer in this state for the storage, use, or other consumption of such tobacco products.

(2) For little cigars, thirty-seven per cent of the wholesale price of the little cigars whenever the little cigars are delivered to a consumer in this state for the storage, use, or other consumption of the little cigars.

The tax imposed by this section applies only to sellers

having nexus in this state, as defined in section 5741.01 of the Revised Code. 102469
102470

(B) A seller of tobacco products who has nexus in this state 102471
as defined in section 5741.01 of the Revised Code shall register 102472
with the tax commissioner and supply any information concerning 102473
the seller's contacts with this state as may be required by the 102474
tax commissioner. A seller who does not have nexus in this state 102475
may voluntarily register with the tax commissioner. A seller who 102476
voluntarily registers with the tax commissioner is entitled to the 102477
same benefits and is subject to the same duties and requirements 102478
as a seller required to be registered with the tax commissioner 102479
under this division. 102480

(C) Each seller of tobacco products subject to the tax levied 102481
by this section, on or before the last day of each month, shall 102482
file with the tax commissioner a return for the preceding month 102483
showing any information the tax commissioner finds necessary for 102484
the proper administration of sections 5743.51 to 5743.66 of the 102485
Revised Code, together with remittance of the tax due, payable to 102486
the treasurer of state. The return and payment of the tax required 102487
by this section shall be filed in such a manner that it is 102488
received by the tax commissioner on or before the last day of the 102489
month following the reporting period. If the return is filed and 102490
the amount of the tax shown on the return to be due is paid on or 102491
before the date the return is required to be filed, the seller is 102492
entitled to a discount equal to two and five-tenths per cent of 102493
the amount shown on the return to be due. 102494

(D) The tax commissioner shall immediately forward to the 102495
treasurer of state all money received from the tax levied by this 102496
section, and the treasurer shall credit the amount to the general 102497
revenue fund. 102498

(E) Each seller of tobacco products subject to the tax levied 102499
by this section shall mark on the invoices of tobacco products 102500

sold that the tax levied by that section has been paid and shall 102501
indicate the seller's account number as assigned by the tax 102502
commissioner. 102503

Sec. 5743.63. (A) To provide revenue for the general revenue 102504
fund of the state, an excise tax is hereby levied on the storage, 102505
use, or other consumption of tobacco products at one of the 102506
following rates: 102507

(1) For tobacco products other than little cigars, ~~seventeen~~ 102508
twenty-two and one-half per cent of the wholesale price of the 102509
tobacco product. 102510

(2) For little cigars, ~~thirty-seven~~ forty-nine per cent of 102511
the wholesale price of the little cigars. 102512

The tax levied under division (A) of this section is imposed 102513
only if the tax has not been paid by the seller as provided in 102514
section 5743.62 of the Revised Code, or by the distributor as 102515
provided in section 5743.51 of the Revised Code. 102516

(B) Each person subject to the tax levied by this section, on 102517
or before the last day of each month, shall file with the tax 102518
commissioner a return for the preceding month showing any 102519
information the tax commissioner finds necessary for the proper 102520
administration of sections 5743.51 to 5743.66 of the Revised Code, 102521
together with remittance of the tax due, payable to the treasurer 102522
of state. The return and payment of the tax required by this 102523
section shall be filed in such a manner that it is received by the 102524
tax commissioner on or before the last day of the month following 102525
the reporting period. 102526

(C) The tax commissioner shall immediately forward to the 102527
treasurer of state all money received from the tax levied by this 102528
section, and the treasurer shall credit the amount to the general 102529
revenue fund. 102530

Sec. 5747.01. Except as otherwise expressly provided or 102531
clearly appearing from the context, any term used in this chapter 102532
that is not otherwise defined in this section has the same meaning 102533
as when used in a comparable context in the laws of the United 102534
States relating to federal income taxes or if not used in a 102535
comparable context in those laws, has the same meaning as in 102536
section 5733.40 of the Revised Code. Any reference in this chapter 102537
to the Internal Revenue Code includes other laws of the United 102538
States relating to federal income taxes. 102539

As used in this chapter: 102540

(A) "Adjusted gross income" or "Ohio adjusted gross income" 102541
means federal adjusted gross income, as defined and used in the 102542
Internal Revenue Code, adjusted as provided in this section: 102543

(1) Add interest or dividends on obligations or securities of 102544
any state or of any political subdivision or authority of any 102545
state, other than this state and its subdivisions and authorities. 102546

(2) Add interest or dividends on obligations of any 102547
authority, commission, instrumentality, territory, or possession 102548
of the United States to the extent that the interest or dividends 102549
are exempt from federal income taxes but not from state income 102550
taxes. 102551

(3) Deduct interest or dividends on obligations of the United 102552
States and its territories and possessions or of any authority, 102553
commission, or instrumentality of the United States to the extent 102554
that the interest or dividends are included in federal adjusted 102555
gross income but exempt from state income taxes under the laws of 102556
the United States. 102557

(4) Deduct disability and survivor's benefits to the extent 102558
included in federal adjusted gross income. 102559

(5) Deduct benefits under Title II of the Social Security Act 102560

and tier 1 railroad retirement benefits to the extent included in 102561
federal adjusted gross income under section 86 of the Internal 102562
Revenue Code. 102563

(6) In the case of a taxpayer who is a beneficiary of a trust 102564
that makes an accumulation distribution as defined in section 665 102565
of the Internal Revenue Code, add, for the beneficiary's taxable 102566
years beginning before 2002, the portion, if any, of such 102567
distribution that does not exceed the undistributed net income of 102568
the trust for the three taxable years preceding the taxable year 102569
in which the distribution is made to the extent that the portion 102570
was not included in the trust's taxable income for any of the 102571
trust's taxable years beginning in 2002 or thereafter. 102572

"Undistributed net income of a trust" means the taxable income of 102573
the trust increased by (a)(i) the additions to adjusted gross 102574
income required under division (A) of this section and (ii) the 102575
personal exemptions allowed to the trust pursuant to section 102576
642(b) of the Internal Revenue Code, and decreased by (b)(i) the 102577
deductions to adjusted gross income required under division (A) of 102578
this section, (ii) the amount of federal income taxes attributable 102579
to such income, and (iii) the amount of taxable income that has 102580
been included in the adjusted gross income of a beneficiary by 102581
reason of a prior accumulation distribution. Any undistributed net 102582
income included in the adjusted gross income of a beneficiary 102583
shall reduce the undistributed net income of the trust commencing 102584
with the earliest years of the accumulation period. 102585

(7) Deduct the amount of wages and salaries, if any, not 102586
otherwise allowable as a deduction but that would have been 102587
allowable as a deduction in computing federal adjusted gross 102588
income for the taxable year, had the targeted jobs credit allowed 102589
and determined under sections 38, 51, and 52 of the Internal 102590
Revenue Code not been in effect. 102591

(8) Deduct any interest or interest equivalent on public 102592

obligations and purchase obligations to the extent that the 102593
interest or interest equivalent is included in federal adjusted 102594
gross income. 102595

(9) Add any loss or deduct any gain resulting from the sale, 102596
exchange, or other disposition of public obligations to the extent 102597
that the loss has been deducted or the gain has been included in 102598
computing federal adjusted gross income. 102599

(10) Deduct or add amounts, as provided under section 5747.70 102600
of the Revised Code, related to contributions to variable college 102601
savings program accounts made or tuition units purchased pursuant 102602
to Chapter 3334. of the Revised Code. 102603

(11)(a) Deduct, to the extent not otherwise allowable as a 102604
deduction or exclusion in computing federal or Ohio adjusted gross 102605
income for the taxable year, the amount the taxpayer paid during 102606
the taxable year for medical care insurance and qualified 102607
long-term care insurance for the taxpayer, the taxpayer's spouse, 102608
and dependents. No deduction for medical care insurance under 102609
division (A)(11) of this section shall be allowed either to any 102610
taxpayer who is eligible to participate in any subsidized health 102611
plan maintained by any employer of the taxpayer or of the 102612
taxpayer's spouse, or to any taxpayer who is entitled to, or on 102613
application would be entitled to, benefits under part A of Title 102614
XVIII of the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C. 102615
301, as amended. For the purposes of division (A)(11)(a) of this 102616
section, "subsidized health plan" means a health plan for which 102617
the employer pays any portion of the plan's cost. The deduction 102618
allowed under division (A)(11)(a) of this section shall be the net 102619
of any related premium refunds, related premium reimbursements, or 102620
related insurance premium dividends received during the taxable 102621
year. 102622

(b) Deduct, to the extent not otherwise deducted or excluded 102623
in computing federal or Ohio adjusted gross income during the 102624

taxable year, the amount the taxpayer paid during the taxable 102625
year, not compensated for by any insurance or otherwise, for 102626
medical care of the taxpayer, the taxpayer's spouse, and 102627
dependents, to the extent the expenses exceed seven and one-half 102628
per cent of the taxpayer's federal adjusted gross income. 102629

(c) Deduct, to the extent not otherwise deducted or excluded 102630
in computing federal or Ohio adjusted gross income, any amount 102631
included in federal adjusted gross income under section 105 or not 102632
excluded under section 106 of the Internal Revenue Code solely 102633
because it relates to an accident and health plan for a person who 102634
otherwise would be a "qualifying relative" and thus a "dependent" 102635
under section 152 of the Internal Revenue Code but for the fact 102636
that the person fails to meet the income and support limitations 102637
under section 152(d)(1)(B) and (C) of the Internal Revenue Code. 102638

(d) For purposes of division (A)(11) of this section, 102639
"medical care" has the meaning given in section 213 of the 102640
Internal Revenue Code, subject to the special rules, limitations, 102641
and exclusions set forth therein, and "qualified long-term care" 102642
has the same meaning given in section 7702B(c) of the Internal 102643
Revenue Code. Solely for purposes of divisions (A)(11)(a) and (c) 102644
of this section, "dependent" includes a person who otherwise would 102645
be a "qualifying relative" and thus a "dependent" under section 102646
152 of the Internal Revenue Code but for the fact that the person 102647
fails to meet the income and support limitations under section 102648
152(d)(1)(B) and (C) of the Internal Revenue Code. 102649

(12)(a) Deduct any amount included in federal adjusted gross 102650
income solely because the amount represents a reimbursement or 102651
refund of expenses that in any year the taxpayer had deducted as 102652
an itemized deduction pursuant to section 63 of the Internal 102653
Revenue Code and applicable United States department of the 102654
treasury regulations. The deduction otherwise allowed under 102655
division (A)(12)(a) of this section shall be reduced to the extent 102656

the reimbursement is attributable to an amount the taxpayer 102657
deducted under this section in any taxable year. 102658

(b) Add any amount not otherwise included in Ohio adjusted 102659
gross income for any taxable year to the extent that the amount is 102660
attributable to the recovery during the taxable year of any amount 102661
deducted or excluded in computing federal or Ohio adjusted gross 102662
income in any taxable year. 102663

(13) Deduct any portion of the deduction described in section 102664
1341(a)(2) of the Internal Revenue Code, for repaying previously 102665
reported income received under a claim of right, that meets both 102666
of the following requirements: 102667

(a) It is allowable for repayment of an item that was 102668
included in the taxpayer's adjusted gross income for a prior 102669
taxable year and did not qualify for a credit under division (A) 102670
or (B) of section 5747.05 of the Revised Code for that year; 102671

(b) It does not otherwise reduce the taxpayer's adjusted 102672
gross income for the current or any other taxable year. 102673

(14) Deduct an amount equal to the deposits made to, and net 102674
investment earnings of, a medical savings account during the 102675
taxable year, in accordance with section 3924.66 of the Revised 102676
Code. The deduction allowed by division (A)(14) of this section 102677
does not apply to medical savings account deposits and earnings 102678
otherwise deducted or excluded for the current or any other 102679
taxable year from the taxpayer's federal adjusted gross income. 102680

(15)(a) Add an amount equal to the funds withdrawn from a 102681
medical savings account during the taxable year, and the net 102682
investment earnings on those funds, when the funds withdrawn were 102683
used for any purpose other than to reimburse an account holder 102684
for, or to pay, eligible medical expenses, in accordance with 102685
section 3924.66 of the Revised Code; 102686

(b) Add the amounts distributed from a medical savings 102687

account under division (A)(2) of section 3924.68 of the Revised Code during the taxable year. 102688
102689

(16) Add any amount claimed as a credit under section 5747.059 or 5747.65 of the Revised Code to the extent that such amount satisfies either of the following: 102690
102691
102692

(a) The amount was deducted or excluded from the computation of the taxpayer's federal adjusted gross income as required to be reported for the taxpayer's taxable year under the Internal Revenue Code; 102693
102694
102695
102696

(b) The amount resulted in a reduction of the taxpayer's federal adjusted gross income as required to be reported for any of the taxpayer's taxable years under the Internal Revenue Code. 102697
102698
102699

(17) Deduct the amount contributed by the taxpayer to an individual development account program established by a county department of job and family services pursuant to sections 329.11 to 329.14 of the Revised Code for the purpose of matching funds deposited by program participants. On request of the tax commissioner, the taxpayer shall provide any information that, in the tax commissioner's opinion, is necessary to establish the amount deducted under division (A)(17) of this section. 102700
102701
102702
102703
102704
102705
102706
102707

(18) Beginning in taxable year 2001 but not for any taxable year beginning after December 31, 2005, if the taxpayer is married and files a joint return and the combined federal adjusted gross income of the taxpayer and the taxpayer's spouse for the taxable year does not exceed one hundred thousand dollars, or if the taxpayer is single and has a federal adjusted gross income for the taxable year not exceeding fifty thousand dollars, deduct amounts paid during the taxable year for qualified tuition and fees paid to an eligible institution for the taxpayer, the taxpayer's spouse, or any dependent of the taxpayer, who is a resident of this state and is enrolled in or attending a program that 102708
102709
102710
102711
102712
102713
102714
102715
102716
102717
102718

culminates in a degree or diploma at an eligible institution. The 102719
deduction may be claimed only to the extent that qualified tuition 102720
and fees are not otherwise deducted or excluded for any taxable 102721
year from federal or Ohio adjusted gross income. The deduction may 102722
not be claimed for educational expenses for which the taxpayer 102723
claims a credit under section 5747.27 of the Revised Code. 102724

(19) Add any reimbursement received during the taxable year 102725
of any amount the taxpayer deducted under division (A)(18) of this 102726
section in any previous taxable year to the extent the amount is 102727
not otherwise included in Ohio adjusted gross income. 102728

(20)(a)(i) Subject to divisions (A)(20)(a)(iii), (iv), and 102729
(v) of this section, add five-sixths of the amount of depreciation 102730
expense allowed by subsection (k) of section 168 of the Internal 102731
Revenue Code, including the taxpayer's proportionate or 102732
distributive share of the amount of depreciation expense allowed 102733
by that subsection to a pass-through entity in which the taxpayer 102734
has a direct or indirect ownership interest. 102735

(ii) Subject to divisions (A)(20)(a)(iii), (iv), and (v) of 102736
this section, add five-sixths of the amount of qualifying section 102737
179 depreciation expense, including the taxpayer's proportionate 102738
or distributive share of the amount of qualifying section 179 102739
depreciation expense allowed to any pass-through entity in which 102740
the taxpayer has a direct or indirect ownership interest. 102741

(iii) Subject to division (A)(20)(a)(v) of this section, for 102742
taxable years beginning in 2012 or thereafter, if the increase in 102743
income taxes withheld by the taxpayer is equal to or greater than 102744
ten per cent of income taxes withheld by the taxpayer during the 102745
taxpayer's immediately preceding taxable year, "two-thirds" shall 102746
be substituted for "five-sixths" for the purpose of divisions 102747
(A)(20)(a)(i) and (ii) of this section. 102748

(iv) Subject to division (A)(20)(a)(v) of this section, for 102749

taxable years beginning in 2012 or thereafter, a taxpayer is not 102750
required to add an amount under division (A)(20) of this section 102751
if the increase in income taxes withheld by the taxpayer and by 102752
any pass-through entity in which the taxpayer has a direct or 102753
indirect ownership interest is equal to or greater than the sum of 102754
(I) the amount of qualifying section 179 depreciation expense and 102755
(II) the amount of depreciation expense allowed to the taxpayer by 102756
subsection (k) of section 168 of the Internal Revenue Code, and 102757
including the taxpayer's proportionate or distributive shares of 102758
such amounts allowed to any such pass-through entities. 102759

(v) If a taxpayer directly or indirectly incurs a net 102760
operating loss for the taxable year for federal income tax 102761
purposes, to the extent such loss resulted from depreciation 102762
expense allowed by subsection (k) of section 168 of the Internal 102763
Revenue Code and by qualifying section 179 depreciation expense, 102764
"the entire" shall be substituted for "five-sixths of the" for the 102765
purpose of divisions (A)(20)(a)(i) and (ii) of this section. 102766

The tax commissioner, under procedures established by the 102767
commissioner, may waive the add-backs related to a pass-through 102768
entity if the taxpayer owns, directly or indirectly, less than 102769
five per cent of the pass-through entity. 102770

(b) Nothing in division (A)(20) of this section shall be 102771
construed to adjust or modify the adjusted basis of any asset. 102772

(c) To the extent the add-back required under division 102773
(A)(20)(a) of this section is attributable to property generating 102774
nonbusiness income or loss allocated under section 5747.20 of the 102775
Revised Code, the add-back shall be situated to the same location 102776
as the nonbusiness income or loss generated by the property for 102777
the purpose of determining the credit under division (A) of 102778

federal taxable income for the taxable year or to income of the S 103197
portion of an electing small business trust for the taxable year; 103198

(7) Add any loss or deduct any gain resulting from sale, 103199
exchange, or other disposition of public obligations to the extent 103200
that such loss has been deducted or such gain has been included in 103201
computing either federal taxable income or income of the S portion 103202
of an electing small business trust for the taxable year; 103203

(8) Except in the case of the final return of an estate, add 103204
any amount deducted by the taxpayer on both its Ohio estate tax 103205
return pursuant to section 5731.14 of the Revised Code, and on its 103206
federal income tax return in determining federal taxable income; 103207

(9)(a) Deduct any amount included in federal taxable income 103208
solely because the amount represents a reimbursement or refund of 103209
expenses that in a previous year the decedent had deducted as an 103210
itemized deduction pursuant to section 63 of the Internal Revenue 103211
Code and applicable treasury regulations. The deduction otherwise 103212
allowed under division (S)(9)(a) of this section shall be reduced 103213
to the extent the reimbursement is attributable to an amount the 103214
taxpayer or decedent deducted under this section in any taxable 103215
year. 103216

(b) Add any amount not otherwise included in Ohio taxable income for any taxable year to the extent that the amount is attributable to the recovery during the taxable year of any amount deducted or excluded in computing federal or Ohio taxable income in any taxable year, but only to the extent such amount has not been distributed to beneficiaries for the taxable year.

(10) Deduct any portion of the deduction described in section 1341(a)(2) of the Internal Revenue Code, for repaying previously reported income received under a claim of right, that meets both of the following requirements:

(a) It is allowable for repayment of an item that was included in the taxpayer's taxable income or the decedent's adjusted gross income for a prior taxable year and did not qualify for a credit under division (A) or (B) of section 5747.05 of the Revised Code for that year.

(b) It does not otherwise reduce the taxpayer's taxable income or the decedent's adjusted gross income for the current or any other taxable year.

(11) Add any amount claimed as a credit under section 5747.059 or 5747.65 of the Revised Code to the extent that the amount satisfies either of the following:

(a) The amount was deducted or excluded from the computation of the taxpayer's federal taxable income as required to be reported for the taxpayer's taxable year under the Internal Revenue Code;

(b) The amount resulted in a reduction in the taxpayer's federal taxable income as required to be reported for any of the taxpayer's taxable years under the Internal Revenue Code.

(12) Deduct any amount, net of related expenses deducted in computing federal taxable income, that a trust is required to report as farm income on its federal income tax return, but only

if the assets of the trust include at least ten acres of land 103248
satisfying the definition of "land devoted exclusively to 103249
agricultural use" under section 5713.30 of the Revised Code, 103250
regardless of whether the land is valued for tax purposes as such 103251
land under sections 5713.30 to 5713.38 of the Revised Code. If the 103252
trust is a pass-through entity investor, section 5747.231 of the 103253
Revised Code applies in ascertaining if the trust is eligible to 103254
claim the deduction provided by division (S)(12) of this section 103255
in connection with the pass-through entity's farm income. 103256

Except for farm income attributable to the S portion of an 103257
electing small business trust, the deduction provided by division 103258
(S)(12) of this section is allowed only to the extent that the 103259
trust has not distributed such farm income. Division (S)(12) of 103260
this section applies only to taxable years of a trust beginning in 103261
2002 or thereafter. 103262

(13) Add the net amount of income described in section 641(c) 103263
of the Internal Revenue Code to the extent that amount is not 103264
included in federal taxable income. 103265

(14) Add or deduct the amount the taxpayer would be required 103266
to add or deduct under division (A)(20) or (21) of this section if 103267
the taxpayer's Ohio taxable income were computed in the same 103268
manner as an individual's Ohio adjusted gross income is computed 103269
under this section. In the case of a trust, division (S)(14) of 103270
this section applies only to any of the trust's taxable years 103271
beginning in 2002 or thereafter. 103272

(T) "School district income" and "school district income tax" 103273
have the same meanings as in section 5748.01 of the Revised Code. 103274

(U) As used in divisions (A)(8), (A)(9), (S)(6), and (S)(7) 103275
of this section, "public obligations," "purchase obligations," and 103276
"interest or interest equivalent" have the same meanings as in 103277
section 5709.76 of the Revised Code. 103278

(V) "Limited liability company" means any limited liability company formed under Chapter 1705. of the Revised Code or under the laws of any other state.

(W) "Pass-through entity investor" means any person who, during any portion of a taxable year of a pass-through entity, is a partner, member, shareholder, or equity investor in that pass-through entity.

(X) "Banking day" has the same meaning as in section 1304.01 of the Revised Code.

(Y) "Month" means a calendar month.

(Z) "Quarter" means the first three months, the second three months, the third three months, or the last three months of the taxpayer's taxable year.

(AA)(1) "Eligible institution" means a state university or state institution of higher education as defined in section 3345.011 of the Revised Code, or a private, nonprofit college, university, or other post-secondary institution located in this state that possesses a certificate of authorization issued by the ~~Ohio board of regents~~ chancellor of higher education pursuant to Chapter 1713. of the Revised Code or a certificate of registration issued by the state board of career colleges and schools under Chapter 3332. of the Revised Code.

(2) "Qualified tuition and fees" means tuition and fees imposed by an eligible institution as a condition of enrollment or attendance, not exceeding two thousand five hundred dollars in each of the individual's first two years of post-secondary education. If the individual is a part-time student, "qualified tuition and fees" includes tuition and fees paid for the academic equivalent of the first two years of post-secondary education during a maximum of five taxable years, not exceeding a total of five thousand dollars. "Qualified tuition and fees" does not

include:	103310
(a) Expenses for any course or activity involving sports, games, or hobbies unless the course or activity is part of the individual's degree or diploma program;	103311 103312 103313
(b) The cost of books, room and board, student activity fees, athletic fees, insurance expenses, or other expenses unrelated to the individual's academic course of instruction;	103314 103315 103316
(c) Tuition, fees, or other expenses paid or reimbursed through an employer, scholarship, grant in aid, or other educational benefit program.	103317 103318 103319
(BB)(1) "Modified business income" means the business income included in a trust's Ohio taxable income after such taxable income is first reduced by the qualifying trust amount, if any.	103320 103321 103322
(2) "Qualifying trust amount" of a trust means capital gains and losses from the sale, exchange, or other disposition of equity or ownership interests in, or debt obligations of, a qualifying investee to the extent included in the trust's Ohio taxable income, but only if the following requirements are satisfied:	103323 103324 103325 103326 103327
(a) The book value of the qualifying investee's physical assets in this state and everywhere, as of the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the gain or loss, is available to the trust.	103328 103329 103330 103331 103332
(b) The requirements of section 5747.011 of the Revised Code are satisfied for the trust's taxable year in which the trust recognizes the gain or loss.	103333 103334 103335
Any gain or loss that is not a qualifying trust amount is modified business income, qualifying investment income, or modified nonbusiness income, as the case may be.	103336 103337 103338
(3) "Modified nonbusiness income" means a trust's Ohio	103339

taxable income other than modified business income, other than the 103340
qualifying trust amount, and other than qualifying investment 103341
income, as defined in section 5747.012 of the Revised Code, to the 103342
extent such qualifying investment income is not otherwise part of 103343
modified business income. 103344

(4) "Modified Ohio taxable income" applies only to trusts, 103345
and means the sum of the amounts described in divisions (BB)(4)(a) 103346
to (c) of this section: 103347

(a) The fraction, calculated under section 5747.013, and 103348
applying section 5747.231 of the Revised Code, multiplied by the 103349
sum of the following amounts: 103350

(i) The trust's modified business income; 103351

(ii) The trust's qualifying investment income, as defined in 103352
section 5747.012 of the Revised Code, but only to the extent the 103353
qualifying investment income does not otherwise constitute 103354
modified business income and does not otherwise constitute a 103355
qualifying trust amount. 103356

(b) The qualifying trust amount multiplied by a fraction, the 103357
numerator of which is the sum of the book value of the qualifying 103358
investee's physical assets in this state on the last day of the 103359
qualifying investee's fiscal or calendar year ending immediately 103360
prior to the day on which the trust recognizes the qualifying 103361
trust amount, and the denominator of which is the sum of the book 103362
value of the qualifying investee's total physical assets 103363
everywhere on the last day of the qualifying investee's fiscal or 103364
calendar year ending immediately prior to the day on which the 103365
trust recognizes the qualifying trust amount. If, for a taxable 103366
year, the trust recognizes a qualifying trust amount with respect 103367
to more than one qualifying investee, the amount described in 103368
division (BB)(4)(b) of this section shall equal the sum of the 103369
products so computed for each such qualifying investee. 103370

(c)(i) With respect to a trust or portion of a trust that is a resident as ascertained in accordance with division (I)(3)(d) of this section, its modified nonbusiness income.

(ii) With respect to a trust or portion of a trust that is not a resident as ascertained in accordance with division (I)(3)(d) of this section, the amount of its modified nonbusiness income satisfying the descriptions in divisions (B)(2) to (5) of section 5747.20 of the Revised Code, except as otherwise provided in division (BB)(4)(c)(ii) of this section. With respect to a trust or portion of a trust that is not a resident as ascertained in accordance with division (I)(3)(d) of this section, the trust's portion of modified nonbusiness income recognized from the sale, exchange, or other disposition of a debt interest in or equity interest in a section 5747.212 entity, as defined in section 5747.212 of the Revised Code, without regard to division (A) of that section, shall not be allocated to this state in accordance with section 5747.20 of the Revised Code but shall be apportioned to this state in accordance with division (B) of section 5747.212 of the Revised Code without regard to division (A) of that section.

If the allocation and apportionment of a trust's income under divisions (BB)(4)(a) and (c) of this section do not fairly represent the modified Ohio taxable income of the trust in this state, the alternative methods described in division (C) of section 5747.21 of the Revised Code may be applied in the manner and to the same extent provided in that section.

(5)(a) Except as set forth in division (BB)(5)(b) of this section, "qualifying investee" means a person in which a trust has an equity or ownership interest, or a person or unit of government the debt obligations of either of which are owned by a trust. For the purposes of division (BB)(2)(a) of this section and for the purpose of computing the fraction described in division (BB)(4)(b)

of this section, all of the following apply: 103403

(i) If the qualifying investee is a member of a qualifying 103404
controlled group on the last day of the qualifying investee's 103405
fiscal or calendar year ending immediately prior to the date on 103406
which the trust recognizes the gain or loss, then "qualifying 103407
investee" includes all persons in the qualifying controlled group 103408
on such last day. 103409

(ii) If the qualifying investee, or if the qualifying 103410
investee and any members of the qualifying controlled group of 103411
which the qualifying investee is a member on the last day of the 103412
qualifying investee's fiscal or calendar year ending immediately 103413
prior to the date on which the trust recognizes the gain or loss, 103414
separately or cumulatively own, directly or indirectly, on the 103415
last day of the qualifying investee's fiscal or calendar year 103416
ending immediately prior to the date on which the trust recognizes 103417
the qualifying trust amount, more than fifty per cent of the 103418
equity of a pass-through entity, then the qualifying investee and 103419
the other members are deemed to own the proportionate share of the 103420
pass-through entity's physical assets which the pass-through 103421
entity directly or indirectly owns on the last day of the 103422
pass-through entity's calendar or fiscal year ending within or 103423
with the last day of the qualifying investee's fiscal or calendar 103424
year ending immediately prior to the date on which the trust 103425
recognizes the qualifying trust amount. 103426

(iii) For the purposes of division (BB)(5)(a)(iii) of this 103427
section, "upper level pass-through entity" means a pass-through 103428
entity directly or indirectly owning any equity of another 103429
pass-through entity, and "lower level pass-through entity" means 103430
that other pass-through entity. 103431

An upper level pass-through entity, whether or not it is also 103432
a qualifying investee, is deemed to own, on the last day of the 103433
upper level pass-through entity's calendar or fiscal year, the 103434

proportionate share of the lower level pass-through entity's 103435
physical assets that the lower level pass-through entity directly 103436
or indirectly owns on the last day of the lower level pass-through 103437
entity's calendar or fiscal year ending within or with the last 103438
day of the upper level pass-through entity's fiscal or calendar 103439
year. If the upper level pass-through entity directly and 103440
indirectly owns less than fifty per cent of the equity of the 103441
lower level pass-through entity on each day of the upper level 103442
pass-through entity's calendar or fiscal year in which or with 103443
which ends the calendar or fiscal year of the lower level 103444
pass-through entity and if, based upon clear and convincing 103445
evidence, complete information about the location and cost of the 103446
physical assets of the lower pass-through entity is not available 103447
to the upper level pass-through entity, then solely for purposes 103448
of ascertaining if a gain or loss constitutes a qualifying trust 103449
amount, the upper level pass-through entity shall be deemed as 103450
owning no equity of the lower level pass-through entity for each 103451
day during the upper level pass-through entity's calendar or 103452
fiscal year in which or with which ends the lower level 103453
pass-through entity's calendar or fiscal year. Nothing in division 103454
(BB)(5)(a)(iii) of this section shall be construed to provide for 103455
any deduction or exclusion in computing any trust's Ohio taxable 103456
income. 103457

(b) With respect to a trust that is not a resident for the 103458
taxable year and with respect to a part of a trust that is not a 103459
resident for the taxable year, "qualifying investee" for that 103460
taxable year does not include a C corporation if both of the 103461
following apply: 103462

(i) During the taxable year the trust or part of the trust 103463
recognizes a gain or loss from the sale, exchange, or other 103464
disposition of equity or ownership interests in, or debt 103465
obligations of, the C corporation. 103466

(ii) Such gain or loss constitutes nonbusiness income.	103467
(6) "Available" means information is such that a person is able to learn of the information by the due date plus extensions, if any, for filing the return for the taxable year in which the trust recognizes the gain or loss.	103468 103469 103470 103471
(CC) "Qualifying controlled group" has the same meaning as in section 5733.04 of the Revised Code.	103472 103473
(DD) "Related member" has the same meaning as in section 5733.042 of the Revised Code.	103474 103475
(EE)(1) For the purposes of division (EE) of this section:	103476
(a) "Qualifying person" means any person other than a qualifying corporation.	103477 103478
(b) "Qualifying corporation" means any person classified for federal income tax purposes as an association taxable as a corporation, except either of the following:	103479 103480 103481
(i) A corporation that has made an election under subchapter S, chapter one, subtitle A, of the Internal Revenue Code for its taxable year ending within, or on the last day of, the investor's taxable year;	103482 103483 103484 103485
(ii) A subsidiary that is wholly owned by any corporation that has made an election under subchapter S, chapter one, subtitle A of the Internal Revenue Code for its taxable year ending within, or on the last day of, the investor's taxable year.	103486 103487 103488 103489
(2) For the purposes of this chapter, unless expressly stated otherwise, no qualifying person indirectly owns any asset directly or indirectly owned by any qualifying corporation.	103490 103491 103492
(FF) For purposes of this chapter and Chapter 5751. of the Revised Code:	103493 103494
(1) "Trust" does not include a qualified pre-income tax trust.	103495 103496

(2) A "qualified pre-income tax trust" is any pre-income tax trust that makes a qualifying pre-income tax trust election as described in division (FF)(3) of this section.

(3) A "qualifying pre-income tax trust election" is an election by a pre-income tax trust to subject to the tax imposed by section 5751.02 of the Revised Code the pre-income tax trust and all pass-through entities of which the trust owns or controls, directly, indirectly, or constructively through related interests, five per cent or more of the ownership or equity interests. The trustee shall notify the tax commissioner in writing of the election on or before April 15, 2006. The election, if timely made, shall be effective on and after January 1, 2006, and shall apply for all tax periods and tax years until revoked by the trustee of the trust.

(4) A "pre-income tax trust" is a trust that satisfies all of the following requirements:

(a) The document or instrument creating the trust was executed by the grantor before January 1, 1972;

(b) The trust became irrevocable upon the creation of the trust; and

(c) The grantor was domiciled in this state at the time the trust was created.

(GG) "Uniformed services" has the same meaning as in 10 U.S.C. 101.

under division (A)(4) of this section. 103707

Except as otherwise provided in this division, in August of 103708
each year, the tax commissioner shall make a new adjustment to the 103709
income amounts prescribed in ~~this~~ division (A)(3) of this section 103710
by multiplying the percentage increase in the gross domestic 103711
product deflator computed that year under section 5747.025 of the 103712
Revised Code by each of the income amounts resulting from the 103713
adjustment under this division in the preceding year, adding the 103714
resulting product to the corresponding income amount resulting 103715
from the adjustment in the preceding year, and rounding the 103716
resulting sum to the nearest multiple of fifty dollars. The tax 103717
commissioner also shall recompute each of the tax dollar amounts 103718
to the extent necessary to reflect the new adjustment of the 103719
income amounts. The rates of taxation shall not be adjusted. 103720

The adjusted amounts apply to taxable years beginning in the 103721
calendar year in which the adjustments are made and to taxable 103722
years beginning in each ensuing calendar year until a calendar 103723
year in which a new adjustment is made pursuant to this division. 103724
The tax commissioner shall not make a new adjustment in any year 103725
in which the amount resulting from the adjustment would be less 103726
than the amount resulting from the adjustment in the preceding 103727
year. The commissioner shall not make a new adjustment for taxable 103728
years beginning in 2013, 2014, or 2015. 103729

(B) If the director of budget and management makes a 103730
certification to the tax commissioner under division (B) of 103731
section 131.44 of the Revised Code, the amount of tax as 103732
determined under ~~division (A)~~ divisions (A)(1) to (3) of this 103733
section shall be reduced by the percentage prescribed in that 103734
certification for taxable years beginning in the calendar year in 103735
which that certification is made. 103736

(C) The levy of this tax on income does not prevent a 103737
municipal corporation, a joint economic development zone created 103738

under section 715.691, or a joint economic development district 103739
created under section 715.70 or 715.71 or sections 715.72 to 103740
715.81 of the Revised Code from levying a tax on income. 103741

(D) This division applies only to taxable years of a trust 103742
beginning in 2002 or thereafter. 103743

(1) The tax imposed by this section on a trust shall be 103744
computed by multiplying the Ohio modified taxable income of the 103745
trust by the rates prescribed by division (A) of this section. 103746

(2) A resident trust may claim a credit against the tax 103747
computed under division (D) of this section equal to the lesser of 103748
(1) the tax paid to another state or the District of Columbia on 103749
the resident trust's modified nonbusiness income, other than the 103750
portion of the resident trust's nonbusiness income that is 103751
qualifying investment income as defined in section 5747.012 of the 103752
Revised Code, or (2) the effective tax rate, based on modified 103753
Ohio taxable income, multiplied by the resident trust's modified 103754
nonbusiness income other than the portion of the resident trust's 103755
nonbusiness income that is qualifying investment income. The 103756
credit applies before any other applicable credits. 103757

(3) The credits enumerated in divisions (A)(1) to (13) of 103758
section 5747.98 of the Revised Code do not apply to a trust 103759
subject to division (D) of this section. Any credits enumerated in 103760
other divisions of section 5747.98 of the Revised Code apply to a 103761
trust subject to division (D) of this section. To the extent that 103762
the trust distributes income for the taxable year for which a 103763
credit is available to the trust, the credit shall be shared by 103764
the trust and its beneficiaries. The tax commissioner and the 103765
trust shall be guided by applicable regulations of the United 103766
States treasury regarding the sharing of credits. 103767

(E) For the purposes of this section, "trust" means any trust 103768
described in Subchapter J of Chapter 1 of the Internal Revenue 103769

Code, excluding trusts that are not irrevocable as defined in 103770
division (I)(3)(b) of section 5747.01 of the Revised Code and that 103771
have no modified Ohio taxable income for the taxable year, 103772
charitable remainder trusts, qualified funeral trusts and preneed 103773
funeral contract trusts established pursuant to sections 4717.31 103774
to 4717.38 of the Revised Code that are not qualified funeral 103775
trusts, endowment and perpetual care trusts, qualified settlement 103776
trusts and funds, designated settlement trusts and funds, and 103777
trusts exempted from taxation under section 501(a) of the Internal 103778
Revenue Code. 103779

(F) For the purposes of this section: 103780

(1) "Modified Ohio adjusted gross income" means adjusted 103781
gross income less Ohio business income, to the extent not 103782
otherwise deducted or excluded in computing federal or Ohio 103783
adjusted gross income for the taxable year. 103784

(2) "Ohio business income" means business income reduced by 103785
deductions from business income and apportioned or allocated to 103786
this state under sections 5747.21 and 5747.22 of the Revised Code. 103787

(3) "Modified Ohio business income" means Ohio business 103788
income reduced by one hundred twenty-five thousand dollars for 103789
each spouse if spouses file separate returns under section 5747.08 103790
of the Revised Code or two hundred fifty thousand dollars for all 103791
other individuals, provided that "modified Ohio business income" 103792
shall not be less than zero. 103793

Sec. 5747.05. As used in this section, "income tax" includes 103794
both a tax on net income and a tax measured by net income. 103795

The following credits shall be allowed against the income tax 103796
imposed by section 5747.02 of the Revised Code on individuals and 103797
estates: 103798

(A)(1) The amount of tax otherwise due under section 5747.02 103799

of the Revised Code on such portion of the adjusted gross income 103800
of any nonresident taxpayer that is not allocable or apportionable 103801
to this state pursuant to sections 5747.20 to 5747.23 of the 103802
Revised Code; 103803

(2) The credit provided under this division shall not exceed 103804
the portion of the total tax due under section 5747.02 of the 103805
Revised Code that the amount of the nonresident taxpayer's 103806
adjusted gross income not allocated to this state pursuant to 103807
sections 5747.20 to 5747.23 of the Revised Code bears to the total 103808
adjusted gross income of the nonresident taxpayer derived from all 103809
sources everywhere. 103810

(3) The tax commissioner may enter into an agreement with the 103811
taxing authorities of any state or of the District of Columbia 103812
that imposes an income tax to provide that compensation paid in 103813
this state to a nonresident taxpayer shall not be subject to the 103814
tax levied in section 5747.02 of the Revised Code so long as 103815
compensation paid in such other state or in the District of 103816
Columbia to a resident taxpayer shall likewise not be subject to 103817
the income tax of such other state or of the District of Columbia. 103818

(B) The lesser of division (B)(1) or (2) of this section: 103819

(1) The amount of tax otherwise due under section 5747.02 of 103820
the Revised Code on such portion of the adjusted gross income of a 103821
resident taxpayer that in another state or in the District of 103822
Columbia is subjected to an income tax. The credit provided under 103823
division (B)(1) of this section shall not exceed the portion of 103824
the total tax due under section 5747.02 of the Revised Code that 103825
the amount of the resident taxpayer's adjusted gross income 103826
subjected to an income tax in the other state or in the District 103827
of Columbia bears to the total adjusted gross income of the 103828
resident taxpayer derived from all sources everywhere. 103829

(2) The amount of income tax liability to another state or 103830

the District of Columbia on the portion of the adjusted gross 103831
income of a resident taxpayer that in another state or in the 103832
District of Columbia is subjected to an income tax. The credit 103833
provided under division (B)(2) of this section shall not exceed 103834
the amount of tax otherwise due under section 5747.02 of the 103835
Revised Code. 103836

(3) If the credit provided under division (B) of this section 103837
is affected by a change in either the portion of adjusted gross 103838
income of a resident taxpayer subjected to an income tax in 103839
another state or the District of Columbia or the amount of income 103840
tax liability that has been paid to another state or the District 103841
of Columbia, the taxpayer shall report the change to the tax 103842
commissioner within sixty days of the change in such form as the 103843
commissioner requires. 103844

(a) In the case of an underpayment, the report shall be 103845
accompanied by payment of any additional tax due as a result of 103846
the reduction in credit together with interest on the additional 103847
tax and is a return subject to assessment under section 5747.13 of 103848
the Revised Code solely for the purpose of assessing any 103849
additional tax due under this division, together with any 103850
applicable penalty and interest. It shall not reopen the 103851
computation of the taxpayer's tax liability under this chapter 103852
from a previously filed return no longer subject to assessment 103853
except to the extent that such liability is affected by an 103854
adjustment to the credit allowed by division (B) of this section. 103855

(b) In the case of an overpayment, an application for refund 103856
may be filed under this division within the sixty-day period 103857
prescribed for filing the report even if it is beyond the period 103858
prescribed in section 5747.11 of the Revised Code if it otherwise 103859
conforms to the requirements of such section. An application filed 103860
under this division shall only claim refund of overpayments 103861
resulting from an adjustment to the credit allowed by division (B) 103862

of this section unless it is also filed within the time prescribed 103863
in section 5747.11 of the Revised Code. It shall not reopen the 103864
computation of the taxpayer's tax liability except to the extent 103865
that such liability is affected by an adjustment to the credit 103866
allowed by division (B) of this section. 103867

(4) No credit shall be allowed under division (B) of this 103868
section ~~for~~: 103869

(a) For income tax paid or accrued to another state or to the 103870
District of Columbia if the taxpayer, when computing federal 103871
adjusted gross income, has directly or indirectly deducted, or was 103872
required to directly or indirectly deduct, the amount of that 103873
income tax; 103874

(b) For compensation that is not subject to the income tax of 103875
another state or the District of Columbia as the result of an 103876
agreement entered into by the tax commissioner under division 103877

pass-through entity on behalf of the investor under division (I) 104204

of this section, and making the payment of taxes imposed under 104205
section 5747.02 of the Revised Code. Nothing in division (D) of 104206

Unless the tax commissioner provides otherwise, this election, once made, is binding and irrevocable for the taxable year for which the election is made. Nothing in this division shall be construed to provide for any deduction or credit that would not be allowable if a nonresident pass-through entity investor were to file an annual return.	104243
(4) If a pass-through entity makes the election provided for under division (D) of this section, the pass-through entity shall be liable for any additional taxes, interest, interest penalty, or penalties imposed by this chapter if the tax commissioner finds that the single return does not reflect the correct tax due by the pass-through entity investors covered by that return. Nothing in this division shall be construed to limit or alter the liability, if any, imposed on pass-through entity investors for unpaid or underpaid taxes, interest, interest penalty, or penalties as a result of the pass-through entity's making the election provided for under division (D) of this section. (E) If a husband and wife file a joint federal income tax return for a taxable year, they shall file a joint return under this section for that taxable year, and their liabilities are joint and several, but, if the federal income tax liability of either spouse is determined on a separate federal income tax return, they shall file separate returns under this section.

If either spouse is not required to file a federal income tax return and either or both are required to file a return pursuant to this chapter, they may elect to file separate or joint returns, and, pursuant to that election, their liabilities are separate or joint and several. If a husband and wife file separate returns pursuant to this chapter, each must claim the taxpayer's own exemption, but not both, as authorized under section 5747.02 of the Revised Code on the taxpayer's own return.

(F) Each return or notice required to be filed under this section shall contain the signature of the taxpayer or the taxpayer's duly authorized agent and of the person who prepared the return for the taxpayer, and shall include the taxpayer's social security number. Each return shall be verified by a declaration under the penalties of perjury. The tax commissioner shall prescribe the form that the signature and declaration shall take.

(G) Each return or notice required to be filed under this section shall be made and filed as required by section 5747.04 of the Revised Code, on or before the fifteenth day of April of each

year, on forms that the tax commissioner shall prescribe, together 104298
with remittance made payable to the treasurer of state in the 104299
combined amount of the state and all school district income taxes 104300
shown to be due on the form. 104301

Upon good cause shown, the commissioner may extend the period 104302
for filing any notice or return required to be filed under this 104303
section and may adopt rules relating to extensions. If the 104304
extension results in an extension of time for the payment of any 104305
state or school district income tax liability with respect to 104306
which the return is filed, the taxpayer shall pay at the time the 104307
tax liability is paid an amount of interest computed at the rate 104308
per annum prescribed by section 5703.47 of the Revised Code on 104309
that liability from the time that payment is due without extension 104310
to the time of actual payment. Except as provided in section 104311
5747.132 of the Revised Code, in addition to all other interest 104312
charges and penalties, all taxes imposed under this chapter or 104313
Chapter 5748. of the Revised Code and remaining unpaid after they 104314
become due, except combined amounts due of one dollar or less, 104315
bear interest at the rate per annum prescribed by section 5703.47 104316
of the Revised Code until paid or until the day an assessment is 104317
issued under section 5747.13 of the Revised Code, whichever occurs 104318
first. 104319

If the commissioner considers it necessary in order to ensure 104320
the payment of the tax imposed by section 5747.02 of the Revised 104321
Code or any tax imposed under Chapter 5748. of the Revised Code, 104322
the commissioner may require returns and payments to be made 104323
otherwise than as provided in this section. 104324

To the extent that any provision in this division conflicts 104325
with any provision in section 5747.026 of the Revised Code, the 104326
provision in that section prevails. 104327

(H) The amounts withheld by an employer pursuant to section 104328
5747.06 of the Revised Code, a casino operator pursuant to section 104329

5747.063 of the Revised Code, or a lottery sales agent pursuant to 104330
section 5747.064 of the Revised Code shall be allowed to the 104331
recipient of the compensation casino winnings, or lottery prize 104332
award as credits against payment of the appropriate taxes imposed 104333
on the recipient by section 5747.02 and under Chapter 5748. of the 104334
Revised Code. 104335

(I) If a pass-through entity elects to file a single return 104336
under division (D) of this section and if any investor is required 104337
to file the annual return and make the payment of taxes required 104338
by this chapter on account of the investor's other income that is 104339
not included in a single return filed by a pass-through entity or 104340
any other investor elects to file the annual return, the investor 104341
is entitled to a refundable credit equal to the investor's 104342
proportionate share of the tax paid by the pass-through entity on 104343
behalf of the investor. The investor shall claim the credit for 104344
the investor's taxable year in which or with which ends the 104345
taxable year of the pass-through entity. Nothing in this chapter 104346
shall be construed to allow any credit provided in this chapter to 104347
be claimed more than once. For the purpose of computing any 104348
interest, penalty, or interest penalty, the investor shall be 104349
deemed to have paid the refundable credit provided by this 104350
division on the day that the pass-through entity paid the 104351
estimated tax or the tax giving rise to the credit. 104352

(J) The tax commissioner shall ensure that each return 104353
required to be filed under this section includes a box that the 104354
taxpayer may check to authorize a paid tax preparer who prepared 104355
the return to communicate with the department of taxation about 104356
matters pertaining to the return. The return or instructions 104357
accompanying the return shall indicate that by checking the box 104358
the taxpayer authorizes the department of taxation to contact the 104359
preparer concerning questions that arise during the processing of 104360
the return and authorizes the preparer only to provide the 104361

department with information that is missing from the return, to 104362
contact the department for information about the processing of the 104363
return or the status of the taxpayer's refund or payments, and to 104364
respond to notices about mathematical errors, offsets, or return 104365
preparation that the taxpayer has received from the department and 104366
has shown to the preparer. 104367

(K) The tax commissioner shall permit individual taxpayers to 104368
instruct the department of taxation to cause any refund of 104369
overpaid taxes to be deposited directly into a checking account, 104370
savings account, or an individual retirement account or individual 104371
retirement annuity, or preexisting college savings plan or program 104372
account offered by the Ohio tuition trust authority under Chapter 104373
3334. of the Revised Code, as designated by the taxpayer, when the 104374
taxpayer files the annual return required by this section 104375
electronically. 104376

(L) The tax commissioner may adopt rules to administer this 104377
section. 104378

Sec. 5747.113. (A) Any taxpayer claiming a refund under 104379
section 5747.11 of the Revised Code who wishes to contribute any 104380

and endangered wildlife fund created in section 1531.26 of the 104383

designate on the taxpayer's income tax return the amount that the 104391
taxpayer wishes to contribute to the fund or funds. A designated 104392

contribution is irrevocable upon the filing of the return and 104393
shall be made in the full amount designated if the refund found 104394
due the taxpayer upon the initial processing of the taxpayer's 104395
return, after any deductions including those required by section 104396
5747.12 of the Revised Code, is greater than or equal to the 104397
designated contribution. If the refund due as initially determined 104398
is less than the designated contribution, the contribution shall 104399
be made in the full amount of the refund. The tax commissioner 104400
shall subtract the amount of the contribution from the amount of 104401
the refund initially found due the taxpayer and shall certify the 104402
difference to the director of budget and management and treasurer 104403
of state for payment to the taxpayer in accordance with section 104404

(B) The tax commissioner shall provide a space on the income 104408

wishes to make a donation in accordance with this section. The tax 104410

income tax return form a description of the purposes for which the 104412
natural areas and preserves fund, the nongame and endangered 104413
wildlife fund, the military injury relief fund, the Ohio 104414
historical society income tax contribution fund, ~~and~~ the breast 104415
and cervical cancer project income tax contribution fund, and the 104416
wishes for sick children income tax contribution fund were created 104417
and the use of moneys from the income tax refund contribution 104418
system established in this section. No person shall designate on 104419

(D) No later than the thirtieth day of September each year, 104435
the tax commissioner shall determine the total amount contributed 104436
to each fund under this section during the preceding eight months, 104437
any adjustments to prior months, and the cost to the department of 104438
taxation of administering the income tax refund contribution 104439
system during that eight-month period. The commissioner shall make 104440
an additional determination no later than the thirty-first day of 104441
January of each year of the total amount contributed to each fund 104442
under this section during the preceding four calendar months, any 104443
adjustments to prior years made during that four-month period, and 104444

created, provided that the moneys that the department receives to 104452
pay the cost of administering the income tax refund contribution 104453
system in any year shall not exceed two and one-half per cent of 104454
the total amount contributed under that system during that year. 104455

(E) If the total amount contributed to a fund under this 104456
section in each of two consecutive calendar years is less than one 104457

hundred fifty thousand dollars, no person may designate a 104458
contribution to that fund for any taxable year ending after the 104459
last day of that two-year period. In such a case, the tax 104460
commissioner shall remove the space dedicated to the fund on the 104461
income tax return and the description of the fund in the 104462
instructions accompanying the income tax return. 104463

(F) The general assembly may authorize taxpayer refund 104464
contributions to no more than six funds under the income tax 104465

section 1.60 of the Revised Code. 104479

(G)(1) The director of natural resources, in January of every 104480

(2) The director of ~~job and family~~ veterans services, the 104490
director of the Ohio historical society, and the director of 104491

treasurer shall begin providing for payment from a county 104663
undivided local government fund to the formerly delinquent 104664
subdivision under section 5747.51 or 5747.53 of the Revised Code. 104665

(b) A county treasurer receiving notice under division 104666
(B)(2)(a)(ii) of this section shall provide for payments to the 104667
formerly delinquent subdivision from a county undivided local 104668
government fund, beginning with the next required payment. 104669

(C)(1) Upon receiving notification of a noncompliant 104670
subdivision under division (C)(1) of section 4511.0915 of the 104671
Revised Code, the tax commissioner shall do both of the following: 104672

(a) If the delinquent subdivision is a municipal corporation, 104673
reduce the amount of each of the next three local government fund 104674

payments the noncompliant subdivision would otherwise receive 104675
under division (C) of section 5747.50 of the Revised Code in an 104676
amount equal to one-third of the gross amount of fines reported by 104677
the noncompliant subdivision on the report filed for the calendar 104678
quarter. 104679

(b) If the reduction described in division (C)(1)(a) of this 104680
section exceeds the amount of money the noncompliant subdivision 104681
would otherwise receive under division (C) of section 5747.50 of 104682
the Revised Code, immediately notify the county auditor and county 104683
treasurer required to provide for payments to the noncompliant 104684
subdivision from a county undivided local government fund that 104685
each of the next three such payments are to be reduced to that 104686
subdivision in an amount equal to one-third of that excess. 104687

(2) A county treasurer receiving notice under division 104688
(C)(1)(b) of this section shall reduce the payments to the 104689
noncompliant subdivision from a county undivided local government 104690
fund as required by the notice. 104691

(D)(1) The tax commissioner shall provide for payment of an 104692
amount equal to amounts withheld from municipal corporations under 104693
divisions (B)(1)(a)(i) and (C)(1)(a) of this section to the 104694
undivided local government fund of the county from which the 104695
municipal corporation receives payments under section 5747.51 or 104696
5747.53 of the Revised Code. The county treasurer shall distribute 104697
that money among subdivisions that are not delinquent or 104698
noncompliant subdivisions and that are entitled to receive 104699
distributions under those sections by increasing each such 104700
subdivision's distribution on a pro rata basis. 104701

(2) A county treasurer shall distribute any amount withheld 104702
from a delinquent or noncompliant subdivision under division 104703
(B)(1)(b) or (C)(2) of this section among other subdivisions that 104704
are not delinquent or noncompliant subdivisions by increasing each 104705
such subdivision's distribution from the county's undivided local 104706

government fund on a pro rata basis. 104707

(E) A county, township, or municipal corporation receiving an 104708
increased distribution under division (B) or (C) of this section 104709
shall use such money for the current operating expenses of the 104710
subdivision. 104711

Sec. 5747.51. (A) On or before the twenty-fifth day of July 104712
of each year, the tax commissioner shall make and certify to the 104713
county auditor of each county an estimate of the amount of the 104714
local government fund to be allocated to the undivided local 104715
government fund of each county for the ensuing calendar year, 104716
adjusting the total as required to account for subdivisions 104717
receiving local government funds under section 5747.502 of the 104718
Revised Code. 104719

(B) At each annual regular session of the county budget 104720
commission convened pursuant to section 5705.27 of the Revised 104721
Code, each auditor shall present to the commission the certificate 104722
of the commissioner, the annual tax budget and estimates, and the 104723
records showing the action of the commission in its last preceding 104724
regular session. The commission, after extending to the 104725
representatives of each subdivision an opportunity to be heard, 104726
under oath administered by any member of the commission, and 104727
considering all the facts and information presented to it by the 104728
auditor, shall determine the amount of the undivided local 104729
government fund needed by and to be apportioned to each 104730
subdivision for current operating expenses, as shown in the tax 104731
budget of the subdivision. This determination shall be made 104732
pursuant to divisions (C) to (I) of this section, unless the 104733
commission has provided for a formula pursuant to section 5747.53 104734
of the Revised Code. The commissioner shall reduce or increase the 104735
amount of funds from the undivided local government fund to a 104736
subdivision required to receive reduced or increased funds under 104737

section 5747.502 of the Revised Code. 104738

Nothing in this section prevents the budget commission, for 104739
the purpose of apportioning the undivided local government fund, 104740
from inquiring into the claimed needs of any subdivision as stated 104741
in its tax budget, or from adjusting claimed needs to reflect 104742
actual needs. For the purposes of this section, "current operating 104743
expenses" means the lawful expenditures of a subdivision, except 104744
those for permanent improvements and except payments for interest, 104745
sinking fund, and retirement of bonds, notes, and certificates of 104746
indebtedness of the subdivision. 104747

(C) The commission shall determine the combined total of the 104748
estimated expenditures, including transfers, from the general fund 104749
and any special funds other than special funds established for 104750
road and bridge; street construction, maintenance, and repair; 104751
state highway improvement; and gas, water, sewer, and electric 104752
public utilities operated by a subdivision, as shown in the 104753
subdivision's tax budget for the ensuing calendar year. 104754

(D) From the combined total of expenditures calculated 104755
pursuant to division (C) of this section, the commission shall 104756
deduct the following expenditures, if included in these funds in 104757
the tax budget: 104758

(1) Expenditures for permanent improvements as defined in 104759
division (E) of section 5705.01 of the Revised Code; 104760

(2) In the case of counties and townships, transfers to the 104761
road and bridge fund, and in the case of municipalities, transfers 104762
to the street construction, maintenance, and repair fund and the 104763
state highway improvement fund; 104764

(3) Expenditures for the payment of debt charges; 104765

(4) Expenditures for the payment of judgments. 104766

(E) In addition to the deductions made pursuant to division 104767

(D) of this section, revenues accruing to the general fund and any special fund considered under division (C) of this section from the following sources shall be deducted from the combined total of expenditures calculated pursuant to division (C) of this section:

(1) Taxes levied within the ten-mill limitation, as defined in section 5705.02 of the Revised Code;

(2) The budget commission allocation of estimated county public library fund revenues to be distributed pursuant to section 5747.48 of the Revised Code;

(3) Estimated unencumbered balances as shown on the tax budget as of the thirty-first day of December of the current year in the general fund, but not any estimated balance in any special fund considered in division (C) of this section;

(4) Revenue, including transfers, shown in the general fund and any special funds other than special funds established for road and bridge; street construction, maintenance, and repair; state highway improvement; and gas, water, sewer, and electric public utilities, from all other sources except those that a subdivision receives from an additional tax or service charge voted by its electorate or receives from special assessment or revenue bond collection. For the purposes of this division, where the charter of a municipal corporation prohibits the levy of an income tax, an income tax levied by the legislative authority of such municipal corporation pursuant to an amendment of the charter of that municipal corporation to authorize such a levy represents an additional tax voted by the electorate of that municipal corporation. For the purposes of this division, any measure adopted by a board of county commissioners pursuant to section 322.02, 324.02, 4504.02, or 5739.021 of the Revised Code, including those measures upheld by the electorate in a referendum conducted pursuant to section 322.021, 324.021, 4504.021, or 5739.022 of the Revised Code, shall not be considered an

additional tax voted by the electorate. 104800

Subject to division (G) of section 5705.29 of the Revised Code, money in a reserve balance account established by a county, township, or municipal corporation under section 5705.13 of the Revised Code shall not be considered an unencumbered balance or revenue under division (E)(3) or (4) of this section. Money in a reserve balance account established by a township under section 5705.132 of the Revised Code shall not be considered an unencumbered balance or revenue under division (E)(3) or (4) of this section.

If a county, township, or municipal corporation has created and maintains a nonexpendable trust fund under section 5705.131 of the Revised Code, the principal of the fund, and any additions to the principal arising from sources other than the reinvestment of investment earnings arising from such a fund, shall not be considered an unencumbered balance or revenue under division (E)(3) or (4) of this section. Only investment earnings arising from investment of the principal or investment of such additions to principal may be considered an unencumbered balance or revenue under those divisions.

(F) The total expenditures calculated pursuant to division (C) of this section, less the deductions authorized in divisions (D) and (E) of this section, shall be known as the "relative need" of the subdivision, for the purposes of this section.

(G) The budget commission shall total the relative need of all participating subdivisions in the county, and shall compute a relative need factor by dividing the total estimate of the undivided local government fund by the total relative need of all participating subdivisions.

(H) The relative need of each subdivision shall be multiplied by the relative need factor to determine the proportionate share

of the subdivision in the undivided local government fund of the 104831
county; provided, that the maximum proportionate share of a county 104832
shall not exceed the following maximum percentages of the total 104833
estimate of the undivided local government fund governed by the 104834
relationship of the percentage of the population of the county 104835
that resides within municipal corporations within the county to 104836
the total population of the county as reported in the reports on 104837
population in Ohio by the department of development as of the 104838
twentieth day of July of the year in which the tax budget is filed 104839
with the budget commission: 104840

Percentage of municipal 104841	Percentage share of the county	
population within the county:	shall not exceed:	
		104842
Less than forty-one per cent	Sixty per cent	104843
Forty-one per cent or more but	Fifty per cent	104844
less than eighty-one per cent		
Eighty-one per cent or more	Thirty per cent	104845

Where the proportionate share of the county exceeds the 104846
limitations established in this division, the budget commission 104847
shall adjust the proportionate shares determined pursuant to this 104848
division so that the proportionate share of the county does not 104849
exceed these limitations, and it shall increase the proportionate 104850
shares of all other subdivisions on a pro rata basis. In counties 104851
having a population of less than one hundred thousand, not less 104852
than ten per cent shall be distributed to the townships therein. 104853

(I) The proportionate share of each subdivision in the 104854
undivided local government fund determined pursuant to division 104855
(H) of this section for any calendar year shall not be less than 104856
the product of the average of the percentages of the undivided 104857
local government fund of the county as apportioned to that 104858
subdivision for the calendar years 1968, 1969, and 1970, 104859
multiplied by the total amount of the undivided local government 104860

fund of the county apportioned pursuant to former section 5735.23 104861
of the Revised Code for the calendar year 1970. For the purposes 104862
of this division, the total apportioned amount for the calendar 104863
year 1970 shall be the amount actually allocated to the county in 104864
1970 from the state collected intangible tax as levied by section 104865
5707.03 of the Revised Code and distributed pursuant to section 104866
5725.24 of the Revised Code, plus the amount received by the 104867
county in the calendar year 1970 pursuant to division (B)(1) of 104868
former section 5739.21 of the Revised Code, and distributed 104869
pursuant to former section 5739.22 of the Revised Code. If the 104870
total amount of the undivided local government fund for any 104871
calendar year is less than the amount of the undivided local 104872
government fund apportioned pursuant to former section 5739.23 of 104873
the Revised Code for the calendar year 1970, the minimum amount 104874
guaranteed to each subdivision for that calendar year pursuant to 104875
this division shall be reduced on a basis proportionate to the 104876
amount by which the amount of the undivided local government fund 104877
for that calendar year is less than the amount of the undivided 104878
local government fund apportioned for the calendar year 1970. 104879

(J) On the basis of such apportionment, the county auditor 104880
shall compute the percentage share of each such subdivision in the 104881
undivided local government fund and shall at the same time certify 104882
to the tax commissioner the percentage share of the county as a 104883
subdivision. No payment shall be made from the undivided local 104884
government fund, except in accordance with such percentage shares. 104885

Within ten days after the budget commission has made its 104886
apportionment, whether conducted pursuant to section 5747.51 or 104887
5747.53 of the Revised Code, the auditor shall publish a list of 104888
the subdivisions and the amount each is to receive from the 104889
undivided local government fund and the percentage share of each 104890
subdivision, in a newspaper or newspapers of countywide 104891
circulation, and send a copy of such allocation to the tax 104892

commissioner. 104893

The county auditor shall also send by certified mail, return 104894
receipt requested, a copy of such allocation to the fiscal officer 104895
of each subdivision entitled to participate in the allocation of 104896
the undivided local government fund of the county. This copy shall 104897
constitute the official notice of the commission action referred 104898
to in section 5705.37 of the Revised Code. 104899

All money received into the treasury of a subdivision from 104900
the undivided local government fund in a county treasury shall be 104901
paid into the general fund and used for the current operating 104902
expenses of the subdivision. 104903

If a municipal corporation maintains a municipal university, 104904
such municipal university, when the board of trustees so requests 104905
the legislative authority of the municipal corporation, shall 104906
participate in the money apportioned to such municipal corporation 104907
from the total local government fund, however created and 104908
constituted, in such amount as requested by the board of trustees, 104909
provided such sum does not exceed nine per cent of the total 104910
amount paid to the municipal corporation. 104911

If any public official fails to maintain the records required 104912
by sections 5747.50 to 5747.55 of the Revised Code or by the rules 104913
issued by the tax commissioner, the auditor of state, or the 104914
treasurer of state pursuant to such sections, or fails to comply 104915
with any law relating to the enforcement of such sections, the 104916
local government fund money allocated to the county may be 104917
withheld until such time as the public official has complied with 104918
such sections or such law or the rules issued pursuant thereto. 104919

Sec. 5747.53. (A) As used in this section: 104920

(1) "City, located wholly or partially in the county, with 104921
the greatest population" means the city, located wholly or 104922

partially in the county, with the greatest population residing in 104923
the county; however, if the county budget commission on or before 104924
January 1, 1998, adopted an alternative method of apportionment 104925
that was approved by the legislative authority of the city, 104926
located partially in the county, with the greatest population but 104927
not the greatest population residing in the county, "city, located 104928
wholly or partially in the county, with the greatest population" 104929
means the city, located wholly or partially in the county, with 104930
the greatest population whether residing in the county or not, if 104931
this alternative meaning is adopted by action of the board of 104932
county commissioners and a majority of the boards of township 104933
trustees and legislative authorities of municipal corporations 104934
located wholly or partially in the county. 104935

(2) "Participating political subdivision" means a municipal 104936
corporation or township that satisfies all of the following: 104937

(a) It is located wholly or partially in the county. 104938

(b) It is not the city, located wholly or partially in the 104939
county, with the greatest population. 104940

(c) Undivided local government fund moneys are apportioned to 104941
it under the county's alternative method or formula of 104942
apportionment in the current calendar year. 104943

(B) In lieu of the method of apportionment of the undivided 104944
local government fund of the county provided by section 5747.51 of 104945
the Revised Code, the county budget commission may provide for the 104946
apportionment of the fund under an alternative method or on a 104947
formula basis as authorized by this section. The commissioner 104948
shall reduce or increase the amount of funds from the undivided 104949
local government fund to a subdivision required to receive reduced 104950
or increased funds under section 5747.502 of the Revised Code. 104951

Except as otherwise provided in division (C) of this section, 104952
the alternative method of apportionment shall have first been 104953

approved by all of the following governmental units: the board of 104954
county commissioners; the legislative authority of the city, 104955
located wholly or partially in the county, with the greatest 104956
population; and a majority of the boards of township trustees and 104957
legislative authorities of municipal corporations, located wholly 104958
or partially in the county, excluding the legislative authority of 104959
the city, located wholly or partially in the county, with the 104960
greatest population. In granting or denying approval for an 104961
alternative method of apportionment, the board of county 104962
commissioners, boards of township trustees, and legislative 104963
authorities of municipal corporations shall act by motion. A 104964
motion to approve shall be passed upon a majority vote of the 104965
members of a board of county commissioners, board of township 104966
trustees, or legislative authority of a municipal corporation, 104967
shall take effect immediately, and need not be published. 104968

Any alternative method of apportionment adopted and approved 104969
under this division may be revised, amended, or repealed in the 104970
same manner as it may be adopted and approved. If an alternative 104971
method of apportionment adopted and approved under this division 104972
is repealed, the undivided local government fund of the county 104973
shall be apportioned among the subdivisions eligible to 104974
participate in the fund, commencing in the ensuing calendar year, 104975
under the apportionment provided in section 5747.52 of the Revised 104976
Code, unless the repeal occurs by operation of division (C) of 104977
this section or a new method for apportionment of the fund is 104978
provided in the action of repeal. 104979

(C) This division applies only in counties in which the city, 104980
located wholly or partially in the county, with the greatest 104981
population has a population of twenty thousand or less and a 104982
population that is less than fifteen per cent of the total 104983
population of the county. In such a county, the legislative 104984
authorities or boards of township trustees of two or more 104985

participating political subdivisions, which together have a 104986
population residing in the county that is a majority of the total 104987
population of the county, each may adopt a resolution to exclude 104988
the approval otherwise required of the legislative authority of 104989
the city, located wholly or partially in the county, with the 104990
greatest population. All of the resolutions to exclude that 104991
approval shall be adopted not later than the first Monday of 104992
August of the year preceding the calendar year in which 104993
distributions are to be made under an alternative method of 104994
apportionment. 104995

A motion granting or denying approval of an alternative 104996
method of apportionment under this division shall be adopted by a 104997
majority vote of the members of the board of county commissioners 104998
and by a majority vote of a majority of the boards of township 104999
trustees and legislative authorities of the municipal corporations 105000
located wholly or partially in the county, other than the city, 105001
located wholly or partially in the county, with the greatest 105002
population, shall take effect immediately, and need not be 105003
published. The alternative method of apportionment under this 105004
division shall be adopted and approved annually, not later than 105005
the first Monday of August of the year preceding the calendar year 105006
in which distributions are to be made under it. A motion granting 105007
approval of an alternative method of apportionment under this 105008
division repeals any existing alternative method of apportionment, 105009
effective with distributions to be made from the fund in the 105010
ensuing calendar year. An alternative method of apportionment 105011
under this division shall not be revised or amended after the 105012
first Monday of August of the year preceding the calendar year in 105013
which distributions are to be made under it. 105014

(D) In determining an alternative method of apportionment 105015
authorized by this section, the county budget commission may 105016
include in the method any factor considered to be appropriate and 105017

reliable, in the sole discretion of the county budget commission. 105018

(E) The limitations set forth in section 5747.51 of the 105019
Revised Code, stating the maximum amount that the county may 105020
receive from the undivided local government fund and the minimum 105021
amount the townships in counties having a population of less than 105022
one hundred thousand may receive from the fund, are applicable to 105023
any alternative method of apportionment authorized under this 105024
section. 105025

(F) On the basis of any alternative method of apportionment 105026
adopted and approved as authorized by this section, as certified 105027
by the auditor to the county treasurer, the county treasurer shall 105028
make distribution of the money in the undivided local government 105029
fund to each subdivision eligible to participate in the fund, and 105030
the auditor, when the amount of those shares is in the custody of 105031
the treasurer in the amounts so computed to be due the respective 105032
subdivisions, shall at the same time certify to the tax 105033
commissioner the percentage share of the county as a subdivision. 105034
All money received into the treasury of a subdivision from the 105035
undivided local government fund in a county treasury shall be paid 105036
into the general fund and used for the current operating expenses 105037
of the subdivision. If a municipal corporation maintains a 105038
municipal university, the university, when the board of trustees 105039
so requests the legislative authority of the municipal 105040
corporation, shall participate in the money apportioned to the 105041
municipal corporation from the total local government fund, 105042
however created and constituted, in the amount requested by the 105043
board of trustees, provided that amount does not exceed nine per 105044
cent of the total amount paid to the municipal corporation. 105045

(G) The actions of the county budget commission taken 105046
pursuant to this section are final and may not be appealed to the 105047
board of tax appeals, except on the issues of abuse of discretion 105048
and failure to comply with the formula. 105049

Sec. 5747.71. There is hereby allowed a nonrefundable credit 105050
against the tax imposed by section 5747.02 of the Revised Code for 105051
a taxpayer who is an "eligible individual" as defined in section 105052
32 of the Internal Revenue Code. The credit shall equal five per 105053
cent of the credit allowed on the taxpayer's federal income tax 105054
return pursuant to section 32 of the Internal Revenue Code for 105055
taxable years beginning in 2013, and ten per cent of the federal 105056
credit allowed for taxable years beginning in or after 2014. If 105057
the Ohio adjusted gross income of the taxpayer, or the taxpayer 105058
and the taxpayer's spouse if the taxpayer and the taxpayer's 105059
spouse file a joint return under section 5747.08 of the Revised 105060
Code, less applicable exemptions under section 5747.025 of the 105061
Revised Code, exceeds twenty thousand dollars, the credit 105062
authorized by this section shall not exceed fifty per cent of the 105063
amount of tax otherwise due under section 5747.02 of the Revised 105064
Code after deducting any other nonrefundable credits that precede 105065
the credit allowed under this section in the order prescribed by 105066
section 5747.98 of the Revised Code except for the joint filing 105067
credit authorized under division ~~(G)~~(E) of section 5747.05 of the 105068
Revised Code. In all other cases, the credit authorized by this 105069
section shall not exceed the amount of tax otherwise due under 105070
section 5747.02 of the Revised Code after deducting any other 105071
nonrefundable credits that precede the credit allowed under this 105072
section in the order prescribed by section 5747.98 of the Revised 105073
Code. 105074

The credit shall be claimed in the order prescribed by 105075
section 5747.98 of the Revised Code. 105076

Sec. 5747.98. (A) To provide a uniform procedure for 105077

qualified distribution center. All refining facilities that are 105470
operated by persons in the same taxpayer group and that are 105471
located in the same or adjacent counties may be treated as one 105472
qualified distribution center. 105473

(IV) "Qualifying year" means the calendar year to which the 105474
qualifying certificate applies. 105475

(V) "Qualifying period" means the period of the first day of 105476
July of the second year preceding the qualifying year through the 105477
thirtieth day of June of the year preceding the qualifying year. 105478

(VI) "Qualifying certificate" means the certificate issued by 105479
the tax commissioner after the operator of a distribution center 105480
files an annual application with the commissioner. The application 105481
and annual fee shall be filed and paid for each qualified 105482
distribution center on or before the first day of September before 105483
the qualifying year or within forty-five days after the 105484
distribution center opens, whichever is later. 105485

The applicant must substantiate to the commissioner's 105486
satisfaction that, for the qualifying period, all persons 105487
operating the distribution center have more than fifty per cent of 105488
the cost of the qualified property shipped to a location such that 105489
it would be situated outside this state under the provisions of 105490
division (E) of section 5751.033 of the Revised Code. The 105491
applicant must also substantiate that the distribution center 105492
cumulatively had costs from its suppliers equal to or exceeding 105493
five hundred million dollars during the qualifying period. (For 105494
purposes of division (F)(2)(z)(i)(VI) of this section, "supplier" 105495
excludes any person that is part of the consolidated elected 105496
taxpayer group, if applicable, of the operator of the qualified 105497
distribution center.) The commissioner may require the applicant 105498
to have an independent certified public accountant certify that 105499
the calculation of the minimum thresholds required for a qualified 105500
distribution center by the operator of a distribution center has 105501
been made in accordance with generally accepted accounting 105502
principles. The commissioner shall issue or deny the issuance of a 105503
certificate within sixty days after the receipt of the 105504
application. A denial is subject to appeal under section 5717.02 105505
of the Revised Code. If the operator files a timely appeal under 105506
section 5717.02 of the Revised Code, the operator shall be granted 105507
a qualifying certificate effective for the remainder of the 105508
qualifying year or until the appeal is finalized, whichever is 105509
earlier. If the operator does not prevail in the appeal, the 105510
operator shall pay the ineligible operator's supplier tax 105511

liability. 105512

(VII) "Ohio delivery percentage" means the proportion of the 105513
total property delivered to a destination inside Ohio from the 105514
qualified distribution center during the qualifying period 105515
compared with total deliveries from such distribution center 105516
everywhere during the qualifying period. 105517

(VIII) "Refining facility" means one or more buildings 105518
located in a county in the Appalachian region of this state as 105519
defined by section 107.21 of the Revised Code and utilized for 105520
refining or smelting gold, silver, platinum, or palladium to a 105521
grade and fineness acceptable for delivery to a registered 105522
commodities exchange. 105523

(IX) "Registered commodities exchange" means a board of 105524
trade, such as New York mercantile exchange, inc. or commodity 105525
exchange, inc., designated as a contract market by the commodity 105526
futures trading commission under the "Commodity Exchange Act," 7 105527
U.S.C. 1 et seq., as amended. 105528

(X) "Ineligible operator's supplier tax liability" means an 105529
amount equal to the tax liability of all suppliers of a 105530
distribution center had the distribution center not been issued a 105531
qualifying certificate for the qualifying year. Ineligible 105532
operator's supplier tax liability shall not include interest or 105533
penalties. The tax commissioner shall determine an ineligible 105534
operator's supplier tax liability based on information that the 105535
commissioner may request from the operator of the distribution 105536
center. An operator shall provide a list of all suppliers of the 105537
distribution center and the corresponding costs of qualified 105538
property for the qualifying year at issue within sixty days of a 105539
request by the commissioner under this division. 105540

(ii)(I) If the distribution center is new and was not open 105541
for the entire qualifying period, the operator of the distribution 105542

center may request that the commissioner grant a qualifying 105543
certificate. If the certificate is granted and it is later 105544
determined that more than fifty per cent of the qualified property 105545
during that year was not shipped to a location such that it would 105546
be sitused outside of this state under the provisions of division 105547
(E) of section 5751.033 of the Revised Code or if it is later 105548
determined that the person that operates the distribution center 105549
had average monthly costs from its suppliers of less than forty 105550
million dollars during that year, then the operator of the 105551
distribution center shall pay the ineligible operator's supplier 105552
tax liability. (For purposes of division (F)(2)(z)(ii) of this 105553
section, "supplier" excludes any person that is part of the 105554
consolidated elected taxpayer group, if applicable, of the 105555
operator of the qualified distribution center.) 105556

(II) The commissioner may grant a qualifying certificate to a 105557
distribution center that does not qualify as a qualified 105558
distribution center for an entire qualifying period if the 105559
operator of the distribution center demonstrates that the business 105560
operations of the distribution center have changed or will change 105561
such that the distribution center will qualify as a qualified 105562
distribution center within thirty-six months after the date the 105563
operator first applies for a certificate. If, at the end of that 105564
thirty-six-month period, the business operations of the 105565
distribution center have not changed such that the distribution 105566
center qualifies as a qualified distribution center, the operator 105567
of the distribution center shall pay the ineligible operator's 105568
supplier tax liability for each year that the distribution center 105569
received a certificate but did not qualify as a qualified 105570
distribution center. For each year the distribution center 105571
receives a certificate under division (F)(2)(z)(ii)(II) of this 105572
section, the distribution center shall pay all applicable fees 105573
required under division (F)(2)(z) of this section and shall submit 105574
an updated business plan showing the progress the distribution 105575

center made toward qualifying as a qualified distribution center 105576
during the preceding year. 105577

(III) An operator may appeal a determination under division 105578
(F)(2)(z)(ii)(I) or (II) of this section that the ineligible 105579
operator is liable for the operator's supplier tax liability as a 105580
result of not qualifying as a qualified distribution center, as 105581
provided in section 5717.02 of the Revised Code. 105582

(iii) When filing an application for a qualifying certificate 105583
under division (F)(2)(z)(i)(VI) of this section, the operator of a 105584
qualified distribution center also shall provide documentation, as 105585
the commissioner requires, for the commissioner to ascertain the 105586
Ohio delivery percentage. The commissioner, upon issuing the 105587
qualifying certificate, also shall certify the Ohio delivery 105588
percentage. The operator of the qualified distribution center may 105589
appeal the commissioner's certification of the Ohio delivery 105590
percentage in the same manner as an appeal is taken from the 105591
denial of a qualifying certificate under division (F)(2)(z)(i)(VI) 105592
of this section. 105593

(iv)(I) In the case where the distribution center is new and 105594
not open for the entire qualifying period, the operator shall make 105595
a good faith estimate of an Ohio delivery percentage for use by 105596
suppliers in their reports of taxable gross receipts for the 105597
remainder of the qualifying period. The operator of the facility 105598
shall disclose to the suppliers that such Ohio delivery percentage 105599
is an estimate and is subject to recalculation. By the due date of 105600
the next application for a qualifying certificate, the operator 105601
shall determine the actual Ohio delivery percentage for the 105602
estimated qualifying period and proceed as provided in division 105603
(F)(2)(z)(iii) of this section with respect to the calculation and 105604
recalculation of the Ohio delivery percentage. The supplier is 105605
required to file, within sixty days after receiving notice from 105606
the operator of the qualified distribution center, amended reports 105607

for the impacted calendar quarter or quarters or calendar year, 105608
whichever the case may be. Any additional tax liability or tax 105609
overpayment shall be subject to interest but shall not be subject 105610
to the imposition of any penalty so long as the amended returns 105611
are timely filed. 105612

(II) The operator of a distribution center that receives a 105613
qualifying certificate under division (F)(2)(z)(ii)(II) of this 105614
section shall make a good faith estimate of the Ohio delivery 105615
percentage that the operator estimates will apply to the 105616
distribution center at the end of the thirty-six-month period 105617
after the operator first applied for a qualifying certificate 105618
under that division. The result of the estimate shall be 105619
multiplied by a factor of one and seventy-five one-hundredths. The 105620
product of that calculation shall be the Ohio delivery percentage 105621
used by suppliers in their reports of taxable gross receipts for 105622
each qualifying year that the distribution center receives a 105623
qualifying certificate under division (F)(2)(z)(ii)(II) of this 105624
section, except that, if the product is less than five per cent, 105625
the Ohio delivery percentage used shall be five per cent and that, 105626
if the product exceeds forty-nine per cent, the Ohio delivery 105627
percentage used shall be forty-nine per cent. 105628

(v) Qualifying certificates and Ohio delivery percentages 105629
issued by the commissioner shall be open to public inspection and 105630
shall be timely published by the commissioner. A supplier relying 105631
in good faith on a certificate issued under this division shall 105632
not be subject to tax on the qualifying distribution center 105633
receipts under division (F)(2)(z) of this section. An operator 105634
receiving a qualifying certificate is liable for the ineligible 105635
operator's supplier tax liability for each year the operator 105636
received a certificate but did not qualify as a qualified 105637
distribution center. 105638

(vi) The annual fee for a qualifying certificate shall be one 105639

hundred thousand dollars for each qualified distribution center. 105640
If a qualifying certificate is not issued, the annual fee is 105641
subject to refund after the exhaustion of all appeals provided for 105642
in division (F)(2)(z)(i)(VI) of this section. The first one 105643
hundred thousand dollars of the annual application fees collected 105644
each calendar year shall be credited to the revenue enhancement 105645
fund. The remainder of the annual application fees collected shall 105646
be distributed in the same manner required under section 5751.20 105647
of the Revised Code. 105648

(vii) The tax commissioner may require that adequate security 105649
be posted by the operator of the distribution center on appeal 105650
when the commissioner disagrees that the applicant has met the 105651
minimum thresholds for a qualified distribution center as set 105652
forth in division (F)(2)(z) of this section. 105653

(cc) Returns and allowances; 105658

period. For the purpose of this division, "bad debts" means any 105661
debts that have become worthless or uncollectible between the 105662
preceding and current quarterly tax payment periods, have been 105663

deduction under section 166 of the Internal Revenue Code and the 105665

as such if the taxpayer kept its accounts on the accrual basis. 105667
"Bad debts" does not include repossessed property, uncollectible 105668
amounts on property that remains in the possession of the taxpayer 105669

to collect any account receivable or for any portion of the debt 105671
recovered; 105672

(ee) Any amount realized from the sale of an account 105673

transaction giving rise to the account receivable were included in 105675
the gross receipts of the taxpayer; 105676

section. "Qualified uranium receipts" does not include any 105685

qualified uranium receipts under division (F)(2)(gg) of this 105698
section. The application shall include such information that the 105699
tax commissioner prescribes. Within sixty days after receiving the 105700

purpose if the commissioner determines that the property qualifies 105702
as a uranium enrichment zone as defined in division (F)(2)(gg) of 105703
this section, or, if the tax commissioner determines that the 105704
property does not qualify, the commissioner shall deny the 105705
application or request additional information from the applicant. 105706
If the tax commissioner denies an application, the commissioner 105707
shall state the reasons for the denial. The applicant may appeal 105708
the denial of an application to the board of tax appeals pursuant 105709
to section 5717.02 of the Revised Code. If the applicant files a 105710
timely appeal, the tax commissioner shall conditionally certify 105711
the applicant's property. The conditional certification shall 105712
expire when all of the applicant's appeals are exhausted. Until 105713
final resolution of the appeal, the applicant shall retain the 105714

tax value loss multiplied by the sum of the tax rates of 106616
fixed-rate qualifying levies. 106617

(3) The furniture and fixtures fixed-rate levy loss is the 106618
furniture and fixture property tax value loss multiplied by the 106619
sum of the tax rates of fixed-rate qualifying levies. 106620

(4) The telephone property fixed-rate levy loss is the 106621
telephone property tax value loss multiplied by the sum of the tax 106622
rates of fixed-rate qualifying levies. 106623

(E) Not later than September 15, 2005, the tax commissioner 106624
shall determine for each school district, joint vocational school 106625
district, and local taxing unit its fixed-sum levy loss. The 106626
fixed-sum levy loss is the amount obtained by subtracting the 106627
amount described in division (E)(2) of this section from the 106628
amount described in division (E)(1) of this section: 106629

(1) The sum of the machinery and equipment property tax value 106630
loss, the inventory property tax value loss, and the furniture and 106631
fixtures property tax value loss, and, for 2008 through 2010, the 106632
telephone property tax value loss of the district or unit 106633
multiplied by the sum of the fixed-sum tax rates of qualifying 106634
levies. For 2006 through 2010, this computation shall include all 106635
qualifying levies remaining in effect for the current tax year and 106636
any school district levies charged and payable under section 106637
5705.194 or 5705.213 of the Revised Code that are qualifying 106638
levies not remaining in effect for the current year. For 2011 106639
through 2017 in the case of school district levies charged and 106640
payable under section 5705.194 or 5705.213 of the Revised Code and 106641
for all years after 2010 in the case of other fixed-sum levies, 106642
this computation shall include only qualifying levies remaining in 106643
effect for the current year. For purposes of this computation, a 106644
qualifying school district levy charged and payable under section 106645
5705.194 or 5705.213 of the Revised Code remains in effect in a 106646
year after 2010 only if, for that year, the board of education 106647
levies a school district levy charged and payable under section 106648
5705.194, 5705.199, 5705.213, or 5705.219 of the Revised Code for 106649
an annual sum at least equal to the annual sum levied by the board 106650
in tax year 2004 less the amount of the payment certified under 106651
this division for 2006. 106652

(2) The total taxable value in tax year 2004 less the sum of the machinery and equipment, inventory, furniture and fixtures, and telephone property tax value losses in each school district, joint vocational school district, and local taxing unit multiplied by one-half of one mill per dollar.

(3) For the calculations in divisions (E)(1) and (2) of this section, the tax value losses are those that would be calculated for tax year 2009 under divisions (C)(1), (2), and (3) of this section and for tax year 2011 under division (C)(4) of this section.

(4) To facilitate the calculation under divisions (D) and (E) of this section, not later than September 1, 2005, any school district, joint vocational school district, or local taxing unit that has a qualifying levy that was approved at an election conducted during 2005 before September 1, 2005, shall certify to the tax commissioner a copy of the county auditor's certificate of estimated property tax millage for such levy as required under division (B) of section 5705.03 of the Revised Code, which is the rate that shall be used in the calculations under such divisions.

If the amount determined under division (E) of this section for any school district, joint vocational school district, or local taxing unit is greater than zero, that amount shall equal the reimbursement to be paid pursuant to division (E) of section 5751.21 or division (A)(3) of section 5751.22 of the Revised Code, and the one-half of one mill that is subtracted under division (E)(2) of this section shall be apportioned among all contributing fixed-sum levies in the proportion that each levy bears to the sum of all fixed-sum levies within each school district, joint vocational school district, or local taxing unit.

(F) If a school district levies a tax under section 5705.219 of the Revised Code, the fixed-rate levy loss for qualifying levies, to the extent repealed under that section, shall equal the

sum of the following amounts in lieu of the amounts computed for 106685
such levies under division (D) of this section: 106686

(1) The sum of the rates of qualifying levies to the extent 106687
so repealed multiplied by the sum of the machinery and equipment, 106688
inventory, and furniture and fixtures tax value losses for 2009 as 106689
determined under that division; 106690

(2) The sum of the rates of qualifying levies to the extent 106691
so repealed multiplied by the telephone property tax value loss 106692
for 2011 as determined under that division. 106693

The fixed-rate levy losses for qualifying levies to the 106694
extent not repealed under section 5705.219 of the Revised Code 106695
shall be as determined under division (D) of this section. The 106696
revised fixed-rate levy losses determined under this division and 106697
division (D) of this section first apply in the year following the 106698
first year the district levies the tax under section 5705.219 of 106699
the Revised Code. 106700

(G) Not later than October 1, 2005, the tax commissioner 106701
shall certify to the department of education for every school 106702
district and joint vocational school district the machinery and 106703
equipment, inventory, furniture and fixtures, and telephone 106704
property tax value losses determined under division (C) of this 106705
section, the machinery and equipment, inventory, furniture and 106706
fixtures, and telephone fixed-rate levy losses determined under 106707
division (D) of this section, and the fixed-sum levy losses 106708
calculated under division (E) of this section. The calculations 106709
under divisions (D) and (E) of this section shall separately 106710
display the levy loss for each levy eligible for reimbursement. 106711

(H) Not later than October 1, 2005, the tax commissioner 106712
shall certify the amount of the fixed-sum levy losses to the 106713
county auditor of each county in which a school district, joint 106714
vocational school district, or local taxing unit with a fixed-sum 106715

levy loss reimbursement has territory. 106716

(I) Not later than the twenty-eighth day of February each 106717
year beginning in 2011 and ending in 2014, the tax commissioner 106718
shall certify to the department of education for each school 106719
district first levying a tax under section 5705.219 of the Revised 106720
Code in the preceding year the revised fixed-rate levy losses 106721
determined under divisions (D) and (F) of this section. 106722

(J)(1) There is hereby created in the state treasury the 106723
commercial activity tax motor fuel receipts fund. 106724

(2)(a) On or before June 15, 2014, the director of the Ohio 106725
public works commission shall certify to the director of budget 106726
and management the amount of debt service paid from the general 106727
revenue fund in fiscal years 2013 and 2014 on bonds issued to 106728
finance or assist in the financing of the cost of local 106729
subdivision public infrastructure capital improvement projects, as 106730
provided for in Sections 2k, 2m, and 2p of Article VIII, Ohio 106731
Constitution, that are attributable to costs for construction, 106732
reconstruction, maintenance, or repair of public highways and 106733
bridges and other statutory highway purposes. That certification 106734
shall allocate the total amount of debt service paid from the 106735
general revenue fund and attributable to those costs in each of 106736
fiscal years 2013 and 2014 according to the applicable section of 106737
the Ohio Constitution under which the bonds were originally 106738
issued. 106739

(b) On or before June 30, 2014, the director of budget and 106740
management shall determine an amount up to but not exceeding the 106741
amount certified under division (J)(2)(a) of this section and 106742
shall reserve that amount from the cash balance in the commercial 106743
activity tax motor fuel receipts fund for transfer to the general 106744
revenue fund at times and in amounts to be determined by the 106745
director. The director shall transfer the cash balance in the 106746
commercial activity tax motor fuel receipts fund in excess of the 106747

amount so reserved to the highway operating fund on or before June 30, 2014. 106748
106749

(3)(a) On or before the fifteenth day of June of each fiscal year beginning with fiscal year 2015, the director of the Ohio public works commission shall certify to the director of budget and management the amount of debt service paid from the general revenue fund in the current fiscal year on bonds issued to finance or assist in the financing of the cost of local subdivision public infrastructure capital improvement projects, as provided for in Sections 2k, 2m, and 2p of Article VIII, Ohio Constitution, that are attributable to costs for construction, reconstruction, maintenance, or repair of public highways and bridges and other statutory highway purposes. That certification shall allocate the total amount of debt service paid from the general revenue fund and attributable to those costs in the current fiscal year according to the applicable section of the Ohio Constitution under which the bonds were originally issued. 106750

Sec. 5751.21. ~~(A)~~ No determinations, computations, 106778

certifications, or payments shall be made under this section after 106779
June 30, 2015. 106780

(A) Not later than the thirtieth day of July of 2007 through 106781
2010, the department of education shall consult with the director 106782
of budget and management and determine the following for each 106783
school district and each joint vocational school district eligible 106784
for payment under division (B) of this section: 106785

(1) The state education aid offset, which, except as provided 106786
in division (A)(1)(c) of this section, is the difference obtained 106787
by subtracting the amount described in division (A)(1)(b) of this 106788
section from the amount described in division (A)(1)(a) of this 106789
section: 106790

(a) The state education aid computed for the school district 106791
or joint vocational school district for the current fiscal year as 106792
of the thirtieth day of July; 106793

(b) The state education aid that would be computed for the 106794
school district or joint vocational school district for the 106795
current fiscal year as of the thirtieth day of July if the 106796
valuation used in the calculation in division (B)(1) of section 106797
3306.13 of the Revised Code as that division existed for fiscal 106798
years 2010 and 2011 included the machinery and equipment, 106799
inventory, furniture and fixtures, and telephone property tax 106800
value losses for the school district or joint vocational school 106801
district for the second preceding tax year, and if taxes charged 106802
and payable associated with the tax value losses are accounted for 106803
in any state education aid computation dependent on taxes charged 106804
and payable. 106805

(c) The state education aid offset for fiscal year 2010 and 106806
fiscal year 2011 equals the greater of the state education aid 106807
offset calculated for that fiscal year under divisions (A)(1)(a) 106808
and (b) of this section and the state education aid offset 106809

calculated for fiscal year 2009. For fiscal ~~year~~ years 2012 and 106810
2013, the state education aid offset equals the state education 106811
aid offset for fiscal year 2011. 106812

(2) For fiscal years 2008 through 2011, the greater of zero 106813
or the difference obtained by subtracting the state education aid 106814
offset determined under division (A)(1) of this section from the 106815
sum of the machinery and equipment fixed-rate levy loss, the 106816
inventory fixed-rate levy loss, furniture and fixtures fixed-rate 106817
levy loss, and telephone property fixed-rate levy loss certified 106818
under divisions (G) and (I) of section 5751.20 of the Revised Code 106819
for all taxing districts in each school district and joint 106820
vocational school district for the second preceding tax year. 106821

By the thirtieth day of July of each such year, the 106822
department of education and the director of budget and management 106823
shall agree upon the amount to be determined under division (A)(1) 106824
of this section. 106825

(B) On or before the thirty-first day of August of 2008, 106826
2009, and 2010, the department of education shall recalculate the 106827
offset described under division (A) of this section for the 106828
previous fiscal year and recalculate the payments made under 106829
division (C) of this section in the preceding fiscal year using 106830
the offset calculated under this division. If the payments 106831
calculated under this division differ from the payments made under 106832
division (C) of this section in the preceding fiscal year, the 106833
difference shall either be paid to a school district or recaptured 106834
from a school district through an adjustment at the same times 106835
during the current fiscal year that the payments under division 106836
(C) of this section are made. In August and October of the current 106837
fiscal year, the amount of each adjustment shall be three-sevenths 106838
of the amount calculated under this division. In May of the 106839
current fiscal year, the adjustment shall be one-seventh of the 106840
amount calculated under this division. 106841

(C) The department of education shall pay from the school district tangible property tax replacement fund to each school district and joint vocational school district all of the following for fixed-rate levy losses certified under divisions (G) and (I) of section 5751.20 of the Revised Code:

(1) On or before May 31, 2006, one-seventh of the total fixed-rate levy loss for tax year 2006;

(2) On or before August 31, 2006, and October 31, 2006, one-half of six-sevenths of the total fixed-rate levy loss for tax year 2006;

(3) On or before May 31, 2007, one-seventh of the total fixed-rate levy loss for tax year 2007;

(4) On or before August 31, 2007, and October 31, 2007, forty-three per cent of the amount determined under division (A)(2) of this section for fiscal year 2008, but not less than zero, plus one-half of six-sevenths of the difference between the total fixed-rate levy loss for tax year 2007 and the total fixed-rate levy loss for tax year 2006.

(5) On or before May 31, 2008, fourteen per cent of the amount determined under division (A)(2) of this section for fiscal year 2008, but not less than zero, plus one-seventh of the difference between the total fixed-rate levy loss for tax year 2008 and the total fixed-rate levy loss for tax year 2006.

(6) On or before August 31, 2008, and October 31, 2008, forty-three per cent of the amount determined under division (A)(2) of this section for fiscal year 2009, but not less than zero, plus one-half of six-sevenths of the difference between the total fixed-rate levy loss in tax year 2008 and the total fixed-rate levy loss in tax year 2007.

(7) On or before May 31, 2009, fourteen per cent of the amount determined under division (A)(2) of this section for fiscal

year 2009, but not less than zero, plus one-seventh of the 106873
difference between the total fixed-rate levy loss for tax year 106874
2009 and the total fixed-rate levy loss for tax year 2007. 106875

(8) On or before August 31, 2009, and October 31, 2009, 106876
forty-three per cent of the amount determined under division 106877
(A)(2) of this section for fiscal year 2010, but not less than 106878
zero, plus one-half of six-sevenths of the difference between the 106879
total fixed-rate levy loss in tax year 2009 and the total 106880
fixed-rate levy loss in tax year 2008. 106881

(9) On or before May 31, 2010, fourteen per cent of the 106882
amount determined under division (A)(2) of this section for fiscal 106883
year 2010, but not less than zero, plus one-seventh of the 106884
difference between the total fixed-rate levy loss in tax year 2010 106885
and the total fixed-rate levy loss in tax year 2008. 106886

(10) On or before August 31, 2010, and October 31, 2010, 106887
forty-three per cent of the amount determined under division 106888
(A)(2) of this section for fiscal year 2011, but not less than 106889
zero, plus one-half of six-sevenths of the difference between the 106890
telephone property fixed-rate levy loss for tax year 2010 and the 106891
telephone property fixed-rate levy loss for tax year 2009. 106892

(11) On or before May 31, 2011, fourteen per cent of the 106893
amount determined under division (A)(2) of this section for fiscal 106894
year 2011, but not less than zero, plus one-seventh of the 106895
difference between the telephone property fixed-rate levy loss for 106896
tax year 2011 and the telephone property fixed-rate levy loss for 106897
tax year 2009. 106898

(12) For fiscal years 2012 and thereafter, the sum of the 106899
amounts in divisions (C)(12)(a) or (b) and (c) of this section 106900
shall be paid on or before the last day of November and the last 106901
day of May: 106902

(a) If the ratio of current expense TPP allocation to total 106903

resources is equal to or less than the threshold per cent, zero; 106904

(b) If the ratio of current expense TPP allocation to total 106905
resources is greater than the threshold per cent, fifty per cent 106906
of the difference of current expense TPP allocation minus the 106907
product of total resources multiplied by the threshold per cent; 106908

(c) Fifty per cent of the product of non-current expense TPP 106909
allocation multiplied by seventy-five per cent for fiscal year 106910
2012 and fifty per cent for fiscal years 2013 and thereafter. 106911

The department of education shall report to each school 106912
district and joint vocational school district the apportionment of 106913
the payments among the school district's or joint vocational 106914
school district's funds based on the certifications under 106915
divisions (G) and (I) of section 5751.20 of the Revised Code. 106916

(D) For taxes levied within the ten-mill limitation for debt 106917
purposes in tax year 2005, payments shall be made equal to one 106918
hundred per cent of the loss computed as if the tax were a 106919
fixed-rate levy, but those payments shall extend from fiscal year 106920
2006 through fiscal year 2018, as long as the qualifying levy 106921
continues to be used for debt purposes. If the purpose of such a 106922
qualifying levy is changed, that levy becomes subject to the 106923
payments determined in division (C) of this section. 106924

(E)(1) Not later than January 1, 2006, for each fixed-sum 106925
levy of each school district or joint vocational school district 106926
and for each year for which a determination is made under division 106927
(E) of section 5751.20 of the Revised Code that a fixed-sum levy 106928
loss is to be reimbursed, the tax commissioner shall certify to 106929
the department of education the fixed-sum levy loss determined 106930
under that division. The certification shall cover a time period 106931
sufficient to include all fixed-sum levies for which the 106932
commissioner made such a determination. On or before the last day 106933
of May of the current year, the department shall pay from the 106934

school district property tax replacement fund to the school 106935
district or joint vocational school district one-third of the 106936
fixed-sum levy loss so certified, plus one-third of the amount 106937
certified under division (I) of section 5751.20 of the Revised 106938
Code, and on or before the last day of November, two-thirds of the 106939
fixed-sum levy loss so certified, plus two-thirds of the amount 106940
certified under division (I) of section 5751.20 of the Revised 106941
Code. Payments under this division of the amounts certified under 106942
division (I) of section 5751.20 of the Revised Code shall continue 106943
until the levy adopted under section 5705.219 of the Revised Code 106944
expires. 106945

(2) Beginning in 2006, by the first day of January of each 106946
year, the tax commissioner shall review the certification 106947
originally made under division (E)(1) of this section. If the 106948
commissioner determines that a debt levy that had been scheduled 106949
to be reimbursed in the current year has expired, a revised 106950
certification for that and all subsequent years shall be made to 106951
the department of education. 106952

(F) Beginning in September 2007 and through June 2013, the 106953
director of budget and management shall transfer from the school 106954
district tangible property tax replacement fund to the general 106955
revenue fund each of the following: 106956

(1) On the first day of September, one-fourth of the amount 106957
determined for that fiscal year under division (A)(1) of this 106958
section; 106959

(2) On the first day of December, one-fourth of the amount 106960
determined for that fiscal year under division (A)(1) of this 106961
section; 106962

(3) On the first day of March, one-fourth of the amount 106963
determined for that fiscal year under division (A)(1) of this 106964
section; 106965

(4) On the first day of June, one-fourth of the amount 106966
determined for that fiscal year under division (A)(1) of this 106967
section. 106968

If, when a transfer is required under division (F)(1), (2), 106969
(3), or (4) of this section, there is not sufficient money in the 106970
school district tangible property tax replacement fund to make the 106971
transfer in the required amount, the director shall transfer the 106972
balance in the fund to the general revenue fund and may make 106973
additional transfers on later dates as determined by the director 106974
in a total amount that does not exceed one-fourth of the amount 106975
determined for the fiscal year. 106976

(G) If the total amount in the school district tangible 106977
property tax replacement fund is insufficient to make all payments 106978
under divisions (C), (D), and (E) of this section at the times the 106979
payments are to be made, the director of budget and management 106980
shall transfer from the general revenue fund to the school 106981
district tangible property tax replacement fund the difference 106982
between the total amount to be paid and the amount in the school 106983
district tangible property tax replacement fund. 106984

(H) On the fifteenth day of June of each year, the director 106985
of budget and management may transfer any balance in the school 106986
district tangible property tax replacement fund to the general 106987
revenue fund. 106988

(I) If all of the territory of a school district or joint 106989
vocational school district is merged with another district, or if 106990
a part of the territory of a school district or joint vocational 106991
school district is transferred to an existing or newly created 106992
district, the department of education, in consultation with the 106993
tax commissioner, shall adjust the payments made under this 106994
section as follows: 106995

(1) For a merger of two or more districts, the fixed-sum levy 106996

losses, total resources, current expense TPP allocation, total TPP allocation, and non-current expense TPP allocation of the successor district shall be the sum of such items for each of the districts involved in the merger.

adjust the payments made under this section to each of the local 107160
taxing units in proportion to the square mileage of the merged or 107161
annexed territory as a percentage of the total square mileage of 107162
the jurisdiction from which the territory originated, or as 107163
otherwise provided by a written agreement between the legislative 107164
authorities of the local taxing units certified to the 107165

for the original deferment if the property owner requests in 107703
writing, no later than six months prior to the expiration of the 107704
original deferment, that the assessment be further deferred and as 107705
long as the property owner's land could qualify for placement in 107706
an agricultural district pursuant to section 929.02 of the Revised 107707
Code. 107708

The board shall regularly review the use and ownership of the 107709

property for which the collection of assessments has been deferred 107710
pursuant to this division, and upon finding that the land could no 107711
longer qualify for placement in an agricultural district pursuant 107712
to section 929.02 of the Revised Code, the board shall immediately 107713
collect, without interest unless payment is late as determined by 107714
the board, the full amount of the assessment deferred and repay 107715
the commission the amount of any money advanced by it in regard to 107716
the assessment. The board shall pay all such amounts to the 107717
commission in one annual payment or during a longer period as 107718
approved by the commission. The board shall pay, from the general 107719
funds of the county, interest annually at the interest rate per 107720
annum equal to that rate of interest published as the 20-bond 107721
index rate in "The Bond Buyer" minus four per cent per annum or at 107722
five per cent per annum, whichever is greater, for any money not 107723
repaid to the commission pursuant to this division within one year 107724
of the date of the disqualification of the property for the 107725
continual deferment that requires such repayment. The interest 107726
rate for any money not repaid to the commission shall be 107727
calculated one year from the date of the disqualification of the 107728
property for the continual deferment that requires such repayment 107729
and annually thereafter. 107730

~~(C)~~(D) The board of county commissioners shall send a notice 107731
by regular or certified mail to all owners of property on which 107732
assessments have been deferred pursuant to division ~~(A)~~(B) of this 107733
section, which lists the expiration of the deferment, not later 107734
than two hundred ten days prior to the expiration of the deferment 107735

~~(D)~~ ~~The~~ (E) Except as provided in this division, the board 107737
shall collect the assessments, without interest unless payment is 107738

maximum time for which deferments were made; ~~provided, that for~~ 107741

and repay the commission the amount of any money advanced by it in regard to such assessments. For a property owner who requests in writing, no later than six months prior to the expiration of the deferment period, that payment of the owner's deferred assessments be in installments, the board of county commissioners upon expiration of the deferment period may by resolution further certify for collection pursuant to section 6103.16 of the Revised Code, such deferred assessments in installments over not more than twenty years, as determined by the board, together with interest thereon each year on the unpaid balance at the same rate borne by bonds of the county ~~which that~~ shall be issued in anticipation thereof as provided in Chapter 133. of the Revised Code, and the proceeds of the bond issue used to repay such deferred assessments to the commission.

Assessments ~~which that~~ have been deferred by attribution as tap-in charges under division ~~(A)~~(B) of this section shall be collected as deferred assessments at that time. As the board collects tap-in charges that are deferred assessments under division (B) of this section, it shall repay the commission the amount thereof that was advanced by it in regard to such assessments. An owner of property for which assessments have been deferred under division ~~(A)~~(B) of this section, in requesting a tap-in may, subject to the approval of the board, designate a part of an entire assessed tract as the part ~~which that~~ the tap-in is to serve, and the board shall collect the deferred assessment on that tract in the proportion that the part bears to the entire tract, on a front foot or other basis approved by the commission, but if in the judgment of the board the tap-in is reasonably intended to serve the entire tract or substantially all of the tract, it shall collect the deferred assessment for the entire tract.

Prior to the expiration of the maximum time of deferment, the

board shall regularly review the use of the property for which the 107774
collection of assessments has been deferred and upon finding, 107775
pursuant to policies and procedures established by the director of 107776
the commission, that the use of the land has changed from the use 107777
at the time of the deferment so that the benefit of the 107778
improvement can then be realized, the board shall immediately 107779
collect the full amount of the assessment for the portion of the 107780
property for which the use has so changed, without interest unless 107781
payment is late as determined by the board, and repay the 107782
commission the amount of any money advanced by it in regard to the 107783
assessment. The board shall pay all such amounts to the commission 107784
in one annual payment or during a longer period as approved by the 107785
director of the commission. The board of county commissioners 107786
shall pay, from the general funds of the county, interest annually 107787
at the interest rate per annum equal to that rate of interest 107788
published as the 20-bond index rate in "The Bond Buyer" minus four 107789
per cent per annum or at five per cent per annum, whichever is 107790
greater, for any money not repaid to the commission pursuant to 107791
this division within one year of the date of the change in the use 107792
of property requiring such repayment, or of the date on which 107793
payment of a tap-in charge is required by law to be made, 107794
whichever date is applicable. The interest rate for any money not 107795
repaid to the commission shall be calculated one year from the 107796
date of the change in the use of property requiring such repayment 107797
or from the date on which payment of a tap-in charge is required 107798
by law to be made, whichever date is applicable, and annually 107799
thereafter. 107800

(G) The director may condition, suspend, or revoke a license 107836
or license renewal issued under this section at any time if the 107837
director finds that the public water system was not or will not be 107838
operated in substantial compliance with this chapter and rules 107839
adopted under it. 107840

(H) The director shall adopt rules in accordance with Chapter 107841
119. of the Revised Code establishing procedures and requirements 107842

(I) Review plans, specifications, or other data relative to 108262
disposal systems or any part thereof in connection with the 108263

issuance of orders, permits, and industrial water pollution 108264
control certificates under this chapter; 108265

(J)(1) Issue, revoke, modify, or deny sludge management 108266
permits and permits for the discharge of sewage, industrial waste, 108267
or other wastes into the waters of the state, and for the 108268
installation or modification of disposal systems or any parts 108269
thereof in compliance with all requirements of the Federal Water 108270
Pollution Control Act and mandatory regulations adopted 108271
thereunder, including regulations adopted under section 405 of the 108272
Federal Water Pollution Control Act, and set terms and conditions 108273
of permits, including schedules of compliance, where necessary. In 108274
issuing permits for sludge management, the director shall not 108275
allow the placement of sewage sludge on frozen ground in conflict 108276
with rules adopted under this chapter. Any person who discharges, 108277
transports, or handles storm water from an animal feeding 108278
facility, as defined in section 903.01 of the Revised Code, or 108279
pollutants from a concentrated animal feeding operation, as both 108280
terms are defined in that section, is not required to obtain a 108281
permit under division (J)(1) of this section for the installation 108282
or modification of a disposal system involving pollutants or storm 108283
water or any parts of such a system on and after the date on which 108284
the director of agriculture has finalized the program required 108285
under division (A)(1) of section 903.02 of the Revised Code. In 108286
addition, any person who discharges, transports, or handles storm 108287
water from an animal feeding facility, as defined in section 108288
903.01 of the Revised Code, or pollutants from a concentrated 108289
animal feeding operation, as both terms are defined in that 108290
section, is not required to obtain a permit under division (J)(1) 108291
of this section for the discharge of storm water from an animal 108292
feeding facility or pollutants from a concentrated animal feeding 108293
operation on and after the date on which the United States 108294
environmental protection agency approves the NPDES program 108295
submitted by the director of agriculture under section 903.08 of 108296

the Revised Code. 108297

Any permit terms and conditions set by the director shall be 108298
designed to achieve and maintain full compliance with the national 108299
effluent limitations, national standards of performance for new 108300
sources, and national toxic and pretreatment effluent standards 108301
set under that act, and any other mandatory requirements of that 108302
act that are imposed by regulation of the administrator of the 108303
United States environmental protection agency. If an applicant for 108304
a sludge management permit also applies for a related permit for 108305
the discharge of sewage, industrial waste, or other wastes into 108306
the waters of the state, the director may combine the two permits 108307
and issue one permit to the applicant. 108308

A sludge management permit is not required for an entity that 108309
treats or transports sewage sludge or for a sanitary landfill when 108310
all of the following apply: 108311

(a) The entity or sanitary landfill does not generate the 108312
sewage sludge. 108313

(b) Prior to receipt at the sanitary landfill, the entity has 108314
ensured that the sewage sludge meets the requirements established 108315
in rules adopted by the director under section 3734.02 of the 108316
Revised Code concerning disposal of municipal solid waste in a 108317
sanitary landfill. 108318

(c) Disposal of the sewage sludge occurs at a sanitary 108319
landfill that complies with rules adopted by the director under 108320
section 3734.02 of the Revised Code. 108321

As used in division (J)(1) of this section, "sanitary 108322
landfill" means a sanitary landfill facility, as defined in rules 108323
adopted under section 3734.02 of the Revised Code, that is 108324
licensed as a solid waste facility under section 3734.05 of the 108325
Revised Code. 108326

(2) An application for a permit or renewal thereof shall be 108327

denied if any of the following applies: 108328

(a) The secretary of the army determines in writing that 108329
anchorage or navigation would be substantially impaired thereby; 108330

(b) The director determines that the proposed discharge or 108331
source would conflict with an areawide waste treatment management 108332
plan adopted in accordance with section 208 of the Federal Water 108333
Pollution Control Act; 108334

(c) The administrator of the United States environmental 108335
protection agency objects in writing to the issuance or renewal of 108336
the permit in accordance with section 402 (d) of the Federal Water 108337
Pollution Control Act; 108338

(d) The application is for the discharge of any radiological, 108339
chemical, or biological warfare agent or high-level radioactive 108340
waste into the waters of the United States. 108341

(3) To achieve and maintain applicable standards of quality 108342
for the waters of the state adopted pursuant to section 6111.041 108343
of the Revised Code, the director shall impose, where necessary 108344
and appropriate, as conditions of each permit, water quality 108345
related effluent limitations in accordance with sections 301, 302, 108346
306, 307, and 405 of the Federal Water Pollution Control Act and, 108347
to the extent consistent with that act, shall give consideration 108348
to, and base the determination on, evidence relating to the 108349
technical feasibility and economic reasonableness of removing the 108350
polluting properties from those wastes and to evidence relating to 108351
conditions calculated to result from that action and their 108352
relation to benefits to the people of the state and to 108353
accomplishment of the purposes of this chapter. 108354

(4) Where a discharge having a thermal component from a 108355
source that is constructed or modified on or after October 18, 108356
1972, meets national or state effluent limitations or more 108357
stringent permit conditions designed to achieve and maintain 108358

compliance with applicable standards of quality for the waters of 108359
the state, which limitations or conditions will ensure protection 108360
and propagation of a balanced, indigenous population of shellfish, 108361
fish, and wildlife in or on the body of water into which the 108362
discharge is made, taking into account the interaction of the 108363
thermal component with sewage, industrial waste, or other wastes, 108364
the director shall not impose any more stringent limitation on the 108365
thermal component of the discharge, as a condition of a permit or 108366
renewal thereof for the discharge, during a ten-year period 108367
beginning on the date of completion of the construction or 108368
modification of the source, or during the period of depreciation 108369
or amortization of the source for the purpose of section 167 or 108370
169 of the Internal Revenue Code of 1954, whichever period ends 108371
first. 108372

(5) The director shall specify in permits for the discharge 108373
of sewage, industrial waste, and other wastes, the net volume, net 108374
weight, duration, frequency, and, where necessary, concentration 108375
of the sewage, industrial waste, and other wastes that may be 108376
discharged into the waters of the state. The director shall 108377
specify in those permits and in sludge management permits that the 108378
permit is conditioned upon payment of applicable fees as required 108379
by section 3745.11 of the Revised Code and upon the right of the 108380
director's authorized representatives to enter upon the premises 108381
of the person to whom the permit has been issued for the purpose 108382
of determining compliance with this chapter, rules adopted 108383
thereunder, or the terms and conditions of a permit, order, or 108384
other determination. The director shall issue or deny an 108385
application for a sludge management permit or a permit for a new 108386
discharge, for the installation or modification of a disposal 108387
system, or for the renewal of a permit, within one hundred eighty 108388
days of the date on which a complete application with all plans, 108389
specifications, construction schedules, and other pertinent 108390
information required by the director is received. 108391

(6) The director may condition permits upon the installation 108392
of discharge or water quality monitoring equipment or devices and 108393
the filing of periodic reports on the amounts and contents of 108394
discharges and the quality of receiving waters that the director 108395
prescribes. The director shall condition each permit for a 108396
government-owned disposal system or any other "treatment works" as 108397
defined in the Federal Water Pollution Control Act upon the 108398
reporting of new introductions of industrial waste or other wastes 108399
and substantial changes in volume or character thereof being 108400
introduced into those systems or works from "industrial users" as 108401
defined in section 502 of that act, as necessary to comply with 108402
section 402(b)(8) of that act; upon the identification of the 108403
character and volume of pollutants subject to pretreatment 108404
standards being introduced into the system or works; and upon the 108405
existence of a program to ensure compliance with pretreatment 108406
standards by "industrial users" of the system or works. In 108407
requiring monitoring devices and reports, the director, to the 108408
extent consistent with the Federal Water Pollution Control Act, 108409
shall give consideration to technical feasibility and economic 108410
reasonableness and shall allow reasonable time for compliance. 108411

(7) A permit may be issued for a period not to exceed five 108412
years and may be renewed upon application for renewal. In renewing 108413
a permit, the director shall consider the compliance history of 108414
the permit holder and may deny the renewal if the director 108415
determines that the permit holder has not complied with the terms 108416
and conditions of the existing permit. A permit may be modified, 108417
suspended, or revoked for cause, including, but not limited to, 108418
violation of any condition of the permit, obtaining a permit by 108419
misrepresentation or failure to disclose fully all relevant facts 108420
of the permitted discharge or of the sludge use, storage, 108421
treatment, or disposal practice, or changes in any condition that 108422
requires either a temporary or permanent reduction or elimination 108423
of the permitted activity. No application shall be denied or 108424

permit revoked or modified without a written order stating the findings upon which the denial, revocation, or modification is based. A copy of the order shall be sent to the applicant or permit holder by certified mail.

(K) Institute or cause to be instituted in any court of competent jurisdiction proceedings to compel compliance with this chapter or with the orders of the director issued under this chapter, or to ensure compliance with sections 204(b), 307, 308, and 405 of the Federal Water Pollution Control Act;

(L) Issue, deny, revoke, or modify industrial water pollution control certificates;

(M) Certify to the government of the United States or any agency thereof that an industrial water pollution control facility is in conformity with the state program or requirements for the control of water pollution whenever the certification may be required for a taxpayer under the Internal Revenue Code of the United States, as amended;

(N) Issue, modify, and revoke orders requiring any "industrial user" of any publicly owned "treatment works" as defined in sections 212(2) and 502(18) of the Federal Water Pollution Control Act to comply with pretreatment standards; establish and maintain records; make reports; install, use, and maintain monitoring equipment or methods, including, where appropriate, biological monitoring methods; sample discharges in accordance with methods, at locations, at intervals, and in a manner that the director determines; and provide other information that is necessary to ascertain whether or not there is compliance with toxic and pretreatment effluent standards. In issuing, modifying, and revoking those orders, the director, to the extent consistent with the Federal Water Pollution Control Act, shall give consideration to technical feasibility and economic reasonableness and shall allow reasonable time for compliance.

(O) Exercise all incidental powers necessary to carry out the purposes of this chapter;	108457 108458
(P) Certify or deny certification to any applicant for a federal license or permit to conduct any activity that may result in any discharge into the waters of the state that the discharge will comply with the Federal Water Pollution Control Act;	108459 108460 108461 108462
(Q) Administer and enforce the publicly owned treatment works pretreatment program in accordance with the Federal Water Pollution Control Act. In the administration of that program, the director may do any of the following:	108463 108464 108465 108466
(1) Apply and enforce pretreatment standards;	108467
(2) Approve and deny requests for approval of publicly owned treatment works pretreatment programs, oversee those programs, and implement, in whole or in part, those programs under any of the following conditions:	108468 108469 108470 108471
(a) The director has denied a request for approval of the publicly owned treatment works pretreatment program;	108472 108473
(b) The director has revoked the publicly owned treatment works pretreatment program;	108474 108475
(c) There is no pretreatment program currently being implemented by the publicly owned treatment works;	108476 108477
(d) The publicly owned treatment works has requested the director to implement, in whole or in part, the pretreatment program.	108478 108479 108480
(3) Require that a publicly owned treatment works pretreatment program be incorporated in a permit issued to a publicly owned treatment works as required by the Federal Water Pollution Control Act, require compliance by publicly owned treatment works with those programs, and require compliance by industrial users with pretreatment standards;	108481 108482 108483 108484 108485 108486

(4) Approve and deny requests for authority to modify categorical pretreatment standards to reflect removal of pollutants achieved by publicly owned treatment works; (108487-108489)

(5) Deny and recommend approval of requests for fundamentally different factors variances submitted by industrial users; (108490-108491)

(6) Make determinations on categorization of industrial users; (108492-108493)

(7) Adopt, amend, or rescind rules and issue, modify, or revoke orders necessary for the administration and enforcement of the publicly owned treatment works pretreatment program. (108494-108496)

Any approval of a publicly owned treatment works pretreatment program may contain any terms and conditions, including schedules of compliance, that are necessary to achieve compliance with this chapter. (108497-108500)

(R) Except as otherwise provided in this division, adopt rules in accordance with Chapter 119. of the Revised Code establishing procedures, methods, and equipment and other requirements for equipment to prevent and contain discharges of oil and hazardous substances into the waters of the state. The rules shall be consistent with and equivalent in scope, content, and coverage to section 311(j)(1)(c) of the Federal Water Pollution Control Act and regulations adopted under it. The director shall not adopt rules under this division relating to discharges of oil from oil production facilities and oil drilling and workover facilities as those terms are defined in that act and regulations adopted under it. (108501-108512)

(S)(1) Administer and enforce a program for the regulation of sludge management in this state. In administering the program, the director, in addition to exercising the authority provided in any other applicable sections of this chapter, may do any of the following: (108513-108517)

(a) Develop plans and programs for the disposal and utilization of sludge and sludge materials; 108518
108519

(b) Encourage, participate in, or conduct studies, investigations, research, and demonstrations relating to the disposal and use of sludge and sludge materials and the impact of sludge and sludge materials on land located in the state and on the air and waters of the state; 108520
108521
108522
108523
108524

(c) Collect and disseminate information relating to the disposal and use of sludge and sludge materials and the impact of sludge and sludge materials on land located in the state and on the air and waters of the state; 108525
108526
108527
108528

(d) Issue, modify, or revoke orders to prevent, control, or abate the use and disposal of sludge and sludge materials or the effects of the use of sludge and sludge materials on land located in the state and on the air and waters of the state; 108529
108530
108531
108532

(e) Adopt and enforce, modify, or rescind rules necessary for the implementation of division (S) of this section. The rules reasonably shall protect public health and the environment, encourage the beneficial reuse of sludge and sludge materials, and minimize the creation of nuisance odors. 108533
108534
108535
108536
108537

The director may specify in sludge management permits the net volume, net weight, quality, and pollutant concentration of the sludge or sludge materials that may be used, stored, treated, or disposed of, and the manner and frequency of the use, storage, treatment, or disposal, to protect public health and the environment from adverse effects relating to those activities. The director shall impose other terms and conditions to protect public health and the environment, minimize the creation of nuisance odors, and achieve compliance with this chapter and rules adopted under it and, in doing so, shall consider whether the terms and conditions are consistent with the goal of encouraging the 108538
108539
108540
108541
108542
108543
108544

108548

beneficial reuse of sludge and sludge materials. 108549

The director may condition permits on the implementation of 108550
treatment, storage, disposal, distribution, or application 108551
management methods and the filing of periodic reports on the 108552
amounts, composition, and quality of sludge and sludge materials 108553
that are disposed of, used, treated, or stored. 108554

An approval of a treatment works sludge disposal program may 108555
contain any terms and conditions, including schedules of 108556
compliance, necessary to achieve compliance with this chapter and 108557
rules adopted under it. 108558

(2) As a part of the program established under division 108559
(S)(1) of this section, the director has exclusive authority to 108560
regulate sewage sludge management in this state. For purposes of 108561
division (S)(2) of this section, that program shall be consistent 108562
with section 405 of the Federal Water Pollution Control Act and 108563
regulations adopted under it and with this section, except that 108564
the director may adopt rules under division (S) of this section 108565
that establish requirements that are more stringent than section 108566
405 of the Federal Water Pollution Control Act and regulations 108567
adopted under it with regard to monitoring sewage sludge and 108568
sewage sludge materials and establishing acceptable sewage sludge 108569
management practices and pollutant levels in sewage sludge and 108570
sewage sludge materials. 108571

This chapter authorizes the state to participate in any 108572
national sludge management program and the national pollutant 108573
discharge elimination system, to administer and enforce the 108574
publicly owned treatment works pretreatment program, and to issue 108575
permits for the discharge of dredged or fill materials, in 108576
accordance with the Federal Water Pollution Control Act. This 108577
chapter shall be administered, consistent with the laws of this 108578
state and federal law, in the same manner that the Federal Water 108579
Pollution Control Act is required to be administered. 108580

(T) Develop technical guidance and offer technical assistance, upon request, for the purpose of minimizing wind or water erosion of soil, and assist in compliance with permits for storm water management issued under this chapter and rules adopted under it.

This section does not apply to residual farm products and manure disposal systems and related management and conservation practices subject to rules adopted pursuant to division (E)(1) of section ~~1511.02~~ 939.02 of the Revised Code. For purposes of this exclusion, "residual farm products" and "manure" have the same meanings as in section ~~1511.01~~ 939.01 of the Revised Code. However, until the date on which the United States environmental protection agency approves the NPDES program submitted by the director of agriculture under section 903.08 of the Revised Code, this exclusion does not apply to animal waste treatment works having a controlled direct discharge to the waters of the state or any concentrated animal feeding operation, as defined in 40 C.F.R. 122.23(b)(2). On and after the date on which the United States environmental protection agency approves the NPDES program submitted by the director of agriculture under section 903.08 of the Revised Code, this section does not apply to storm water from an animal feeding facility, as defined in section 903.01 of the Revised Code, or to pollutants discharged from a concentrated animal feeding operation, as both terms are defined in that section. Neither of these exclusions applies to the discharge of animal waste into a publicly owned treatment works.

Not later than December 1, 2016, a publicly owned treatment works with a design flow of one million gallons per day or more, or designated as a major discharger by the director, shall be required to begin monthly monitoring of total and dissolved reactive phosphorus pursuant to a new NPDES permit, an NPDES permit renewal, or a director-initiated modification. The director

shall include in each applicable new NPDES permit, NPDES permit 108613
renewal, or director-initiated modification a requirement that 108614
such monitoring be conducted. A director-initiated modification 108615
for that purpose shall be considered and processed as a minor 108616
modification pursuant to ~~O.A.C.~~ Ohio Administrative Code 108617
3745-33-04. In addition, not later than December 1, 2017, a 108618
publicly owned treatment works with a design flow of one million 108619
gallons per day or more that, on ~~the effective date of this~~ 108620
~~amendment~~ July 3, 2015, is not subject to a phosphorus limit shall 108621
complete and submit to the director a study that evaluates the 108622
technical and financial capability of the existing treatment 108623
facility to reduce the final effluent discharge of phosphorus to 108624
one milligram per liter using possible source reduction measures, 108625
operational procedures, and unit process configurations. 108626

Sec. 6111.04. (A) Both of the following apply except as 108627
otherwise provided in division (A) or (F) of this section: 108628

(1) No person shall cause pollution or place or cause to be 108629
placed any sewage, sludge, sludge materials, industrial waste, or 108630
other wastes in a location where they cause pollution of any 108631
waters of the state. 108632

(2) Such an action prohibited under division (A)(1) of this 108633
section is hereby declared to be a public nuisance. 108634

Divisions (A)(1) and (2) of this section do not apply if the 108635
person causing pollution or placing or causing to be placed wastes 108636
in a location in which they cause pollution of any waters of the 108637
state holds a valid, unexpired permit, or renewal of a permit, 108638
governing the causing or placement as provided in sections 6111.01 108639
to 6111.08 of the Revised Code or if the person's application for 108640
renewal of such a permit is pending. 108641

(B) If the director of environmental protection administers a 108642
sludge management program pursuant to division (S) of section 108643

6111.03 of the Revised Code, both of the following apply except as 108644
otherwise provided in division (B) or (F) of this section: 108645

(1) No person, in the course of sludge management, shall 108646
place on land located in the state or release into the air of the 108647
state any sludge or sludge materials. 108648

(2) An action prohibited under division (B)(1) of this 108649
section is hereby declared to be a public nuisance. 108650

Divisions (B)(1) and (2) of this section do not apply if the 108651
person placing or releasing the sludge or sludge materials holds a 108652
valid, unexpired permit, or renewal of a permit, governing the 108653
placement or release as provided in sections 6111.01 to 6111.08 of 108654
the Revised Code or if the person's application for renewal of 108655
such a permit is pending. 108656

(C) No person to whom a permit has been issued shall place or 108657
discharge, or cause to be placed or discharged, in any waters of 108658
the state any sewage, sludge, sludge materials, industrial waste, 108659
or other wastes in excess of the permissive discharges specified 108660
under an existing permit without first receiving a permit from the 108661
director to do so. 108662

(D) No person to whom a sludge management permit has been 108663
issued shall place on the land or release into the air of the 108664
state any sludge or sludge materials in excess of the permissive 108665
amounts specified under the existing sludge management permit 108666
without first receiving a modification of the existing sludge 108667
management permit or a new sludge management permit to do so from 108668
the director. 108669

(E) The director may require the submission of plans, 108670
specifications, and other information that the director considers 108671
relevant in connection with the issuance of permits. 108672

(F) This section does not apply to any of the following: 108673

(1) Waters used in washing sand, gravel, other aggregates, or mineral products when the washing and the ultimate disposal of the water used in the washing, including any sewage, industrial waste, or other wastes contained in the waters, are entirely confined to the land under the control of the person engaged in the recovery and processing of the sand, gravel, other aggregates, or mineral products and do not result in the pollution of waters of the state;

(2) Water, gas, or other material injected into a well to facilitate, or that is incidental to, the production of oil, gas, artificial brine, or water derived in association with oil or gas production and disposed of in a well, in compliance with a permit issued under Chapter 1509. of the Revised Code, or sewage, industrial waste, or other wastes injected into a well in compliance with an injection well operating permit. Division (F)(2) of this section does not authorize, without a permit, any discharge that is prohibited by, or for which a permit is required by, regulation of the United States environmental protection agency.

(3) Application of any materials to land for agricultural purposes or runoff of the materials from that application or pollution by residual farm products, manure, or soil sediment, including attached substances, resulting from farming, silvicultural, or earthmoving activities regulated by Chapter 307. or ~~1511. 939.~~ 939. of the Revised Code. Division (F)(3) of this section does not authorize, without a permit, any discharge that is prohibited by, or for which a permit is required by, the Federal Water Pollution Control Act or regulations adopted under it. As used in division (F)(3) of this section, "residual farm products" and "manure" have the same meanings as in section ~~1511.01~~ 939.01 of the Revised Code.

(4) The excrement of domestic and farm animals defecated on

land or runoff therefrom into any waters of the state. Division 108706
(F)(4) of this section does not authorize, without a permit, any 108707
discharge that is prohibited by, or for which a permit is required 108708
by, the Federal Water Pollution Control Act or regulations adopted 108709
under it. 108710

(5) On and after the date on which the United States 108711
environmental protection agency approves the NPDES program 108712
submitted by the director of agriculture under section 903.08 of 108713
the Revised Code, any discharge that is within the scope of the 108714
approved NPDES program submitted by the director of agriculture; 108715

(6) The discharge of sewage, industrial waste, or other 108716
wastes into a sewerage system tributary to a treatment works. 108717
Division (F)(6) of this section does not authorize any discharge 108718
into a publicly owned treatment works in violation of a 108719
pretreatment program applicable to the publicly owned treatment 108720
works. 108721

(7) A household sewage treatment system or a small flow 108722
on-site sewage treatment system, as applicable, as defined in 108723
section 3718.01 of the Revised Code that is installed in 108724
compliance with Chapter 3718. of the Revised Code and rules 108725
adopted under it. Division (F)(7) of this section does not 108726
authorize, without a permit, any discharge that is prohibited by, 108727
or for which a permit is required by, regulation of the United 108728
States environmental protection agency. 108729

(8) Exceptional quality sludge generated outside of this 108730
state and contained in bags or other containers not greater than 108731
one hundred pounds in capacity. As used in division (F)(8) of this 108732
section, "exceptional quality sludge" has the same meaning as in 108733
division (Y) of section 3745.11 of the Revised Code. 108734

(G) The holder of a permit issued under section 402 (a) of 108735
the Federal Water Pollution Control Act need not obtain a permit 108736

for a discharge authorized by the permit until its expiration 108737
date. Except as otherwise provided in this division, the director 108738
of environmental protection shall administer and enforce those 108739
permits within this state and may modify their terms and 108740
conditions in accordance with division (J) of section 6111.03 of 108741
the Revised Code. On and after the date on which the United States 108742
environmental protection agency approves the NPDES program 108743
submitted by the director of agriculture under section 903.08 of 108744
the Revised Code, the director of agriculture shall administer and 108745
enforce those permits within this state that are issued for any 108746
discharge that is within the scope of the approved NPDES program 108747
submitted by the director of agriculture. 108748

Sec. 6111.044. Upon receipt of an application for an 108749
injection well drilling permit, an injection well operating 108750
permit, a renewal of an injection well operating permit, or a 108751
modification of an injection well drilling permit, operating 108752
permit, or renewal of an operating permit, the director of 108753
environmental protection shall determine whether the application 108754
is complete and demonstrates that the activities for which the 108755
permit, renewal permit, or modification is requested will comply 108756
with the Federal Water Pollution Control Act and regulations 108757
adopted under it; the "Safe Drinking Water Act," 88 Stat. 1661 108758
(1974), 42 U.S.C.A. 300(f), as amended, and regulations adopted 108759
under it; and this chapter and the rules adopted under it. If the 108760
application demonstrates that the proposed activities will not 108761
comply or will pose an unreasonable risk of inducing seismic 108762
activity, inducing geologic fracturing, or contamination of an 108763
underground source of drinking water, the director shall deny the 108764
application. If the application does not make the required 108765
demonstrations, the director shall return it to the applicant with 108766
an indication of those matters about which a required 108767
demonstration was not made. If the director determines that the 108768

application makes the required demonstrations, the director shall 108769
transmit copies of the application and all of the accompanying 108770
maps, data, samples, and information to the chief of the division 108771
of oil and gas resources management, the chief of the division of 108772
geological survey, the chief of the division of ~~soil and~~ water 108773
resources, and, if the well is or is to be located in a coal 108774
bearing township designated under section 1561.06 of the Revised 108775
Code, the chief of the division of mineral resources management in 108776
the department of natural resources. 108777

The chief of the division of geological survey shall comment 108778
upon the application if the chief determines that the proposed 108779
well or injection will present an unreasonable risk of loss or 108780
damage to valuable mineral resources. If the chief submits 108781
comments on the application, those comments shall be accompanied 108782
by an evaluation of the geological factors upon which the comments 108783
are based, including fractures, faults, earthquake potential, and 108784
the porosity and permeability of the injection zone and confining 108785
zone, and by the documentation supporting the evaluation. The 108786
director shall take into consideration the chief's comments, and 108787
the accompanying evaluation of geologic factors and supporting 108788
documentation, when considering the application. The director 108789
shall provide written notice to the chief of the director's 108790
decision on the application and, if the chief's comments are not 108791
included in the permit, renewal permit, or modification, of the 108792
director's rationale for not including them. 108793

The chief of the division of oil and gas resources management 108794
shall comment upon the application if the chief determines that 108795
the proposed well or injection will present an unreasonable risk 108796
that waste or contamination of recoverable oil or gas in the earth 108797
will occur. If the chief submits comments on the application, 108798
those comments shall be accompanied by an evaluation of the oil or 108799
gas reserves that, in the best professional judgment of the chief, 108800

are recoverable and will be adversely affected by the proposed well or injection, and by the documentation supporting the evaluation. The director shall take into consideration the chief's comments, and the accompanying evaluation and supporting documentation, when considering the application. The director shall provide written notice to the chief of the director's decision on the application and, if the chief's comments are not included in the permit, renewal permit, or modification, of the director's rationale for not including them.

The chief of the division of ~~soil and~~ water resources shall assist the director in determining whether all underground sources of drinking water in the area of review of the proposed well or injection have been identified and correctly delineated in the application. If the application fails to identify or correctly delineate an underground source of drinking water, the chief shall provide written notice of that fact to the director.

The chief of the division of mineral resources management shall review the application as follows:

If the application concerns the drilling or conversion of a well or the injection into a well that is not or is not to be located within five thousand feet of the excavation and workings of a mine, the chief of the division of mineral resources management shall note upon the application that it has been examined by the division of mineral resources management, retain a copy of the application and map, and immediately return a copy of the application to the director.

If the application concerns the drilling or conversion of a well or the injection into a well that is or is to be located within five thousand feet, but more than five hundred feet from the surface excavations and workings of a mine, the chief of the division of mineral resources management immediately shall notify the owner or lessee of the mine that the application has been

filed and send to the owner or lessee a copy of the map 108833
accompanying the application setting forth the location of the 108834
well. The chief of the division of mineral resources management 108835
shall note on the application that the notice has been sent to the 108836
owner or lessee of the mine, retain a copy of the application and 108837
map, and immediately return a copy of the application to the 108838
director with the chief's notation on it. 108839

If the application concerns the drilling or conversion of a 108840
well or the injection into a well that is or is to be located 108841
within five thousand feet of the underground excavations and 108842
workings of a mine or within five hundred feet of the surface 108843
excavations and workings of a mine, the chief of the division of 108844
mineral resources management immediately shall notify the owner or 108845
lessee of the mine that the application has been filed and send to 108846
the owner or lessee a copy of the map accompanying the application 108847
setting forth the location of the well. If the owner or lessee 108848
objects to the application, the owner or lessee shall notify the 108849
chief of the division of mineral resources management of the 108850
objection, giving the reasons, within six days after the receipt 108851
of the notice. If the chief of the division of mineral resources 108852
management receives no objections from the owner or lessee of the 108853
mine within ten days after the receipt of the notice by the owner 108854
or lessee, or if in the opinion of the chief of the division of 108855
mineral resources management the objections offered by the owner 108856
or lessee are not sufficiently well founded, the chief shall 108857
retain a copy of the application and map and return a copy of the 108858
application to the director with any applicable notes concerning 108859
it. 108860

If the chief of the division of mineral resources management 108861
receives an objection from the owner or lessee of the mine as to 108862
the application, within ten days after receipt of the notice by 108863
the owner or lessee, and if in the opinion of the chief the 108864

objection is well founded, the chief shall disapprove the 108865
application and immediately return it to the director together 108866
with the chief's reasons for the disapproval. The director 108867
promptly shall notify the applicant for the permit, renewal 108868
permit, or modification of the disapproval. The applicant may 108869
appeal the disapproval of the application by the chief of the 108870
division of mineral resources management to the reclamation 108871
commission created under section 1513.05 of the Revised Code, and 108872
the commission shall hear the appeal in accordance with section 108873
1513.13 of the Revised Code. The appeal shall be filed within 108874
thirty days from the date the applicant receives notice of the 108875
disapproval. No comments concerning or disapproval of an 108876
application shall be delayed by the chief of the division of 108877
mineral resources management for more than fifteen days from the 108878
date of sending of notice to the mine owner or lessee as required 108879
by this section. 108880

The director shall not approve an application for an 108881
injection well drilling permit, an injection well operating 108882
permit, a renewal of an injection well operating permit, or a 108883
modification of an injection well drilling permit, operating 108884
permit, or renewal of an operating permit for a well that is or is 108885
to be located within three hundred feet of any opening of any mine 108886
used as a means of ingress, egress, or ventilation for persons 108887
employed in the mine, nor within one hundred feet of any building 108888
or flammable structure connected with the mine and actually used 108889
as a part of the operating equipment of the mine, unless the chief 108890
of the division of mineral resources management determines that 108891
life or property will not be endangered by drilling and operating 108892
the well in that location. 108893

Upon review by the chief of the division of oil and gas 108894
resources management, the chief of the division of geological 108895
survey, and the chief of the division of ~~soil and~~ water resources, 108896

and if the chief of the division of mineral resources management 108897
has not disapproved the application, the director shall issue a 108898
permit, renewal permit, or modification with any terms and 108899
conditions that may be necessary to comply with the Federal Water 108900
Pollution Control Act and regulations adopted under it; the "Safe 108901
Drinking Water Act," 88 Stat. 1661 (1974), 42 U.S.C.A. 300(f) as 108902
amended, and regulations adopted under it; and this chapter and 108903
the rules adopted under it. The director shall not issue a permit, 108904
renewal permit, or modification to an applicant if the applicant 108905
or persons associated with the applicant have engaged in or are 108906
engaging in a substantial violation of this chapter that is 108907
endangering or may endanger human health or the environment or if, 108908
in the case of an applicant for an injection well drilling permit, 108909
the applicant, at the time of applying for the permit, did not 108910
hold an injection well operating permit or renewal of an injection 108911
well drilling permit and failed to demonstrate sufficient 108912
expertise and competency to operate the well in compliance with 108913
the applicable provisions of this chapter. 108914

If the director receives a disapproval from the chief of the 108915
division of mineral resources management regarding an application 108916
for an injection well drilling or operating permit, renewal 108917
permit, or modification, if required, the director shall issue an 108918
order denying the application. 108919

The director need not issue a proposed action under section 108920
3745.07 of the Revised Code or hold an adjudication hearing under 108921
that section and Chapter 119. of the Revised Code before issuing 108922
or denying a permit, renewal permit, or modification of a permit 108923
or renewal permit. Before issuing or renewing a permit to drill or 108924
operate a class I injection well or a modification of it, the 108925
director shall propose the permit, renewal permit, or modification 108926
in draft form and shall hold a public hearing to receive public 108927
comment on the draft permit, renewal permit, or modification. At 108928

least fifteen days before the public hearing on a draft permit, 108929
renewal permit, or modification, the director shall publish notice 108930
of the date, time, and location of the public hearing in at least 108931
one newspaper of general circulation serving the area where the 108932
well is or is to be located. The proposing of such a draft permit, 108933
renewal permit, or modification does not constitute the issuance 108934
of a proposed action under section 3745.07 of the Revised Code, 108935
and the holding of the public hearing on such a draft permit, 108936
renewal permit, or modification does not constitute the holding of 108937
an adjudication hearing under that section and Chapter 119. of the 108938
Revised Code. Appeals of orders other than orders of the chief of 108939
the division of mineral resources management shall be taken under 108940
sections 3745.04 to 3745.08 of the Revised Code. 108941

The director may order that an injection well drilling permit 108942
or an injection well operating permit or renewal permit be 108943
suspended and that activities under it cease after determining 108944
that those activities are occurring in violation of law, rule, 108945
order, or term or condition of the permit. Upon service of a copy 108946
of the order upon the permit holder or the permit holder's 108947
authorized agent or assignee, the permit and activities under it 108948
shall be suspended immediately without prior hearing and shall 108949
remain suspended until the violation is corrected and the order of 108950
suspension is lifted. If a violation is the second within a 108951
one-year period, the director, after a hearing, may revoke the 108952
permit. 108953

The director may order that an injection well drilling permit 108954
or an injection well operating permit or renewal permit be 108955
suspended and that activities under it cease if the director has 108956
reasonable cause to believe that the permit would not have been 108957
issued if the information available at the time of suspension had 108958
been available at the time a determination was made by one of the 108959
agencies acting under authority of this section. Upon service of a 108960

copy of the order upon the permit holder or the permit holder's 108961
authorized agent or assignee, the permit and activities under it 108962
shall be suspended immediately without prior hearing, but a permit 108963
may not be suspended for that reason without prior hearing unless 108964
immediate suspension is necessary to prevent waste or 108965
contamination of oil or gas, comply with the Federal Water 108966
Pollution Control Act and regulations adopted under it; the "Safe 108967
Drinking Water Act," 88 Stat. 1661 (1974), 42 U.S.C.A. 300(f), as 108968
amended, and regulations adopted under it; and this chapter and 108969
the rules adopted under it, or prevent damage to valuable mineral 108970
resources, prevent contamination of an underground source of 108971
drinking water, or prevent danger to human life or health. If 108972
after a hearing the director determines that the permit would not 108973
have been issued if the information available at the time of the 108974
hearing had been available at the time a determination was made by 108975
one of the agencies acting under authority of this section, the 108976
director shall revoke the permit. 108977

When a permit has been revoked, the permit holder or other 108978
person responsible for it immediately shall plug the well in the 108979
manner required by the director. 108980

The director may issue orders to prevent or require cessation 108981
of violations of this section, section 6111.043, 6111.045, 108982
6111.046, or 6111.047 of the Revised Code, rules adopted under any 108983
of those sections, and terms or conditions of permits issued under 108984
any of them. The orders may require the elimination of conditions 108985
caused by the violation. 108986

Sec. 6111.05. (A) The director of environmental protection, 108987
on the director's own initiative, may investigate or make 108988
inquiries into any alleged act of pollution or failure to comply 108989
with this chapter or any order, any rule, the terms and conditions 108990
of a permit, or any other determination pursuant thereto. However, 108991

upon written complaint by any person, the director shall conduct 108992
any investigations and make any inquiries that are required. 108993

The director or the director's duly authorized representative 108994
may enter at reasonable times upon any private or public property 108995
to inspect and investigate conditions relating to pollution of any 108996
air of the state or land located in the state related to the use, 108997
storage, treatment, or disposal of sludge or sludge materials or 108998
pollution of any waters of the state, inspect any monitoring 108999
equipment, inspect the drilling, conversion, or operation of any 109000
injection well, and sample any discharges, including discharges by 109001
"industrial users" into a publicly owned "treatment works" as 109002
those terms are defined in sections 212 and 502 of the Federal 109003
Water Pollution Control Act, and may apply to the court of common 109004
pleas having jurisdiction for a warrant permitting the entrance 109005
and inspection. 109006

(B) Any authorized representative of the director at 109007
reasonable times may examine any records or memoranda pertaining 109008
to sludge management, the operation of disposal systems, the 109009
drilling, conversion, or operation of injection wells, or 109010
discharges by "industrial users" into publicly owned "treatment 109011
works" as defined in sections 212 and 501 of the Federal Water 109012
Pollution Control Act. The director may require the maintenance of 109013
records relating to sludge management, discharges, or the 109014
operation of disposal systems or injection wells. The director may 109015
make copies of the records. Any authorized representative of a 109016
publicly owned "treatment works" may enter at reasonable times 109017
upon the premises of any "industrial user" that discharges into 109018
the works to inspect any monitoring equipment or method of the 109019
user, to sample any discharges of the user into the works, or to 109020
inspect any records or memoranda pertaining to discharges by the 109021
user into the works, in order to ascertain compliance by the user 109022
with applicable pretreatment standards. The representative may 109023

make copies of the records. Any 109024

(C) If an emergency requires the director or the director's 109025
authorized representative to respond to protect public health or 109026
safety or the environment, the director or the director's 109027
authorized representative may request any person that is 109028
responsible for causing or allowing a spill, release, or discharge 109029
of a pollutant or contaminant into or on the environment or any 109030
person having knowledge of the components or chemical identity of 109031
the pollutant or contaminant spilled, released, or discharged to 109032
disclose records, reports, or information necessary to respond to 109033
or investigate the spill, release, or discharge. Upon receiving 109034
the request, the person shall submit the records, reports, or 109035
information without undue delay. If the person disclosing the 109036
records, reports, or information designates any portion of the 109037
records, reports, or information as containing trade secret 109038
information, the person shall submit both a complete and a 109039
redacted version of the records, reports, or information. The 109040
person shall mark the redacted version "public version" and redact 109041
any trade secret information. 109042

(D) Any records, reports, or information obtained under this 109043
chapter shall be available for public inspection, except that: 109044

~~(A) Upon a showing satisfactory to the director by any person~~ 109045
~~that the (1) Any records, reports, or information, or any~~ 109046
~~particular part thereof designated as a trade secret by the person~~ 109047
~~submitting the records, reports, or information, other than data~~ 109048
~~concerning the amounts or contents of discharges or the quality of~~ 109049
~~the receiving waters, to which the director has access under this~~ 109050
~~chapter, if made public would divulge information entitled to~~ 109051
~~protection as trade secrets of the person, the director shall~~ 109052
~~consider the record, report, or information or particular portion~~ 109053
~~thereof confidential. Prior to divulging any alleged trade secret~~ 109054
~~information pursuant to this division, the director shall give ten~~ 109055

days' written notice to the person claiming trade secrecy shall be 109056
considered by the director to be a trade secret and managed by the 109057
director as confidential. The director or the director's 109058
authorized representative shall not disclose any complete records, 109059
reports, or information or any part of a record, report, or 109060
information that has been designated as containing trade secret 109061
information in accordance with this section. However, during an 109062
emergency that requires the director or the director's authorized 109063
representative to respond to protect public health or safety or 109064
the environment or during an investigation of such an emergency, 109065
the director or the director's authorized representative may share 109066
any of the complete records, reports, or information or any such 109067
part with the owner or operator of a public or private water 109068
system that needs the records, reports, or information or any such 109069
part for any of the following purposes: 109070

(a) Assessing exposure or potential exposure of persons or 109071
aquatic organisms to any component of or chemical in a pollutant 109072
or contaminant spilled, released, or discharged; 109073

(b) Conducting or assessing sampling to determine exposure 109074
levels of various population groups or aquatic organisms to any 109075
component of or chemical in a pollutant or contaminant spilled, 109076
released, or discharged; 109077

(c) Testing for any component of or chemical in a pollutant 109078
or contaminant spilled, released, or discharged. 109079

(B) Prior to sharing any complete records, reports, or 109080
information or any part of a record, report, or information that 109081
has been designated as containing trade secret information in 109082
accordance with this section, the director or the director's 109083
authorized representative shall label and identify, to the extent 109084
practicable, any of those records, reports, or information or any 109085
such part designated as a trade secret. If the director or the 109086
director's authorized representative shares any such records, 109087

reports, or information or any such part, the director shall 109088
notify the person that designated the trade secret information in 109089
accordance with division (C) of this section of that sharing as 109090
soon as practicable. Nothing in this section precludes a person 109091
that designated trade secret information in accordance with 109092
division (C) of this section from requesting a confidentiality 109093
agreement with a recipient of the records, reports, or information 109094
or any such part. 109095

During an emergency action taken to protect public health or 109096
safety or the environment, the owner or operator of a public or 109097
private water system may share complete records, reports, or 109098
information or any part of a record, report, or information 109099
received under this division that has been designated as 109100
containing trade secret information in accordance with this 109101
section with an agent, consultant, or representative of the owner 109102
or operator. The owner or operator of a public or private water 109103
system, including an agent, consultant, or representative of the 109104
owner or operator, that receives the records, reports, or 109105
information or any such part shall maintain the confidentiality of 109106
the records, reports, or information or any such part and may use 109107
the information only for the purposes specified in this division. 109108

The sharing of complete records, reports, or information or 109109
any part of a record, report, or information that has been 109110
designated as containing trade secret information in accordance 109111
with this section does not change the status of the records, 109112
reports, or information or any such part as being designated a 109113
trade secret pursuant to this section. In addition, the sharing 109114
does not subject the records, reports, or information or any such 109115
part to public disclosure. 109116

The director or the director's authorized representative may 109117
disclose to a person that seeks to obtain records, reports, or 109118
information or any part of a record, report, or information that 109119

has been designated as containing trade secret information in accordance with this section the identity of the person that has designated those records, reports, or information or any such part as containing trade secret information. The person to whom the director or the director's authorized representative discloses that identity may contact the person that designated the trade secret information.

(2) The record, report, or information may be disclosed to other officers, employees, or authorized representatives of the state, another state, or the United States when necessary to sustain an action brought pursuant to this chapter or during an adjudication hearing or when otherwise necessary to fulfill any requirement of the Federal Water Pollution Control Act.

(E) No person to whom a permit has been issued shall refuse entry to any authorized representative of the director or willfully hinder or thwart the representative in the exercise of any authority granted by this section.

(F) The director or the director's authorized representative, or, where necessary to monitor compliance with pretreatment standards, the authorized representative of a publicly owned "treatment works," may apply for, and any judge of a court of common pleas may issue, a warrant necessary to achieve the purposes of this chapter.

(G) As used in this section:

(1) "Private water system" has the same meaning as in section 3701.344 of the Revised Code.

(2) "Public water system" has the same meaning as in section 6109.01 of the Revised Code.

(3) "Trade secret" has the same meaning as in section 1333.61 of the Revised Code.

Sec. 6111.12. (A) The director of environmental protection 109150
shall establish an antidegradation policy applicable to surface 109151
waters of the state pursuant to applicable federal laws and 109152
regulations. The purpose of the policy shall be to maintain levels 109153
of water quality that are currently better than prescribed by 109154
applicable standards except in situations when a need to allow a 109155
lower level of water quality is demonstrated based on technical, 109156
social, and economic criteria. Not later than March 31, 1994, the 109157
director shall revise the existing antidegradation policy 109158
established in rules adopted under section 6111.041 of the Revised 109159
Code and revise any necessary implementation procedures to conform 109160
them to the following principles and any mandatory regulations 109161
adopted under the Federal Water Pollution Control Act: 109162

(1) The use of existing effluent quality as a method of 109163
calculating antidegradation-based limits shall be imposed only to 109164
the extent that the use is explicitly required by federal law or 109165
regulation as the only means available to implement 109166
antidegradation. 109167

(2) No degradation shall be allowed in waters for any 109168
pollutant that currently does not meet applicable standards. For 109169
all remaining waters, there shall be provisions requiring federal 109170
antidegradation requirements to be met and provisions ensuring 109171
that waters of exceptional recreational or ecological value are 109172
maintained as high quality resources for future generations. There 109173
shall be at least two categories of surface waters identified in 109174
the state for that purpose and for the purpose of establishing 109175
priorities for the administrative and technical resources expended 109176
on antidegradation reviews. 109177

(3) Whenever current ambient water quality is determined to 109178
be of a higher quality than prescribed in the standards, on a 109179
pollutant-by-pollutant basis, and the water body lacks exceptional 109180

recreational or ecological value, the director may allocate to 109181
existing sources eighty per cent of the pollutant assimilative 109182
capacity as determined by appropriate total maximum daily load 109183
procedures without further antidegradation review. The permittee 109184
for any existing source may receive an effluent limitation based 109185
on not more than one hundred per cent of the mass or concentration 109186
levels necessary to meet applicable water quality in the receiving 109187
water body as determined by appropriate total maximum daily load 109188
procedures, provided that there has been a satisfactory 109189
demonstration of the need to allow lower water quality based on 109190
technical, social, and economic criteria and the action is 109191
preceded by a public notice. Sources other than existing sources 109192
that result in ten per cent or greater change, that is, 109193
degradation, of ambient chemical water quality shall require a 109194
demonstration of technical, social, and economic need and shall be 109195
the subject of a public notice. 109196

(4) Degradation of waters identified as possessing 109197
exceptional recreational or ecological value shall be determined 109198
through an analysis of the expected perceptible change in ambient 109199
concentrations of pollutant or alternatively through an analysis 109200
of the expected change in the biological condition of the water 109201
body. Either determination shall constitute a lowering of water 109202
quality and shall require an antidegradation review. The director 109203
shall establish, by rules adopted in accordance with Chapter 119. 109204
of the Revised Code, a definition of perceptible change that shall 109205
be applicable to those waters identified in rule as possessing 109206
exceptional recreational or ecological value. Antidegradation 109207
reviews shall be required for any activity resulting in a 109208
perceptible change in ambient chemical or biological quality on 109209
waters identified as possessing exceptional recreational or 109210
ecological value. Allowances shall be made for existing sources to 109211
retain their current permit limits with no requirement to 109212
demonstrate technical, social, and economic need. 109213

(5) The director shall establish reasonable protocols for completing technical, social, and economic need demonstrations based on existing federal guidance and on input from the department of development, the regulated community, and the general public.

(B) Effluent limitations established by the director for any existing source in any permit issued under division (J) of section 6111.03 of the Revised Code prior to July 1, 1993, shall continue in effect unless the permit is modified by the director. A discharger seeking modification of antidegradation-based limitations that were based on existing quality of discharge when the permit was issued shall apply to the director for modification of the permit, consistent with rules adopted under division (A) of this section, not later than one hundred eighty days after July 1, 1993. If the permittee has filed such a timely application for modification, the director shall not pursue administrative or judicial enforcement actions for violations of antidegradation-based limitations based on the existing quality of effluent that occur after July 1, 1993.

(C) A historically channelized watercourse provides technical, social, and economic benefits. Therefore, with regard to a historically channelized watercourse, the director shall not require further antidegradation review during the review of an application for and the issuance or denial of a permit under this chapter or a water quality certification under section 401 of the Federal Water Pollution Control Act if the director finds, after public notice and opportunity for comment, and a public hearing if significant public interest is shown, that all of the following apply:

(1) Work is necessary to restore or maintain a drainage or other improvement provided by a historically channelized watercourse.

- (2) The work is performed pursuant to section ~~1515.08~~ 940.06 109246
of the Revised Code or a petition filed under section 6131.04 or 109247
6133.02 of the Revised Code. 109248
- (3) Without the work, flooding threatens public health and 109249
safety or may result in significant damage to public or private 109250
property. 109251
- (4) The work will not result in the loss of designated or 109252
existing beneficial uses as those uses are described in rules 109253
adopted under section 6111.041 of the Revised Code. 109254
- (5) The work will not harm or interfere with the protection 109255
of federal or state designated endangered or threatened species. 109256
- (6) The historically channelized watercourse is not 109257
designated as coldwater habitat, exceptional warmwater habitat, or 109258
a state resource water in rules adopted under section 6111.041 of 109259
the Revised Code. 109260
- (7) If information is available concerning resident fishery 109261
or macroinvertebrate communities, or both, in the historically 109262
channelized watercourse, the historically channelized watercourse 109263
does not support a particularly diverse or unique warmwater 109264
habitat as that term is defined in rules adopted under section 109265
6111.041 of the Revised Code. 109266
- (8) Plans for the work have been submitted to the applicable 109267
soil and water conservation district organized under Chapter ~~1515-~~ 109268
940. of the Revised Code. 109269
- (9) A storm water runoff plan has been developed for the 109270
watershed prior to or during planning and design of the work and 109271
the work is consistent with the plan. 109272
- (D) As used in this section: 109273
- (1) "Existing sources" means any treatment works that were 109274
built and operational under the terms of an NPDES permit prior to 109275

July 1, 1993, but does not include expansions or upgrades of 109276
existing treatment works authorized in rules adopted under section 109277
6111.03 of the Revised Code after that date. 109278

(2) "Appropriate total maximum daily load procedures" means 109279
the procedures, policies, and guidelines used by the director 109280
prior to July 1, 1993, or subsequent revisions to those procedures 109281
established in rules adopted in accordance with Chapter 119. of 109282
the Revised Code. 109283

(3) "Antidegradation review" means the consideration by the 109284
director of the technical, social, and economic need demonstration 109285
completed by any person requesting to lower water quality as 109286
provided in this section, including the public notice of the 109287
application and, at the discretion of the director, a public 109288
hearing on it. 109289

Sec. 6111.30. (A) Applications for a section 401 water 109290
quality certification required under division (P) of section 109291
6111.03 of the Revised Code shall be submitted on forms provided 109292
by the director of environmental protection and shall include all 109293
information required on those forms as well as all of the 109294
following: 109295

<u>term</u> ;	109310
(5) Applicable fees;	109311
(6) Site photographs;	109312
(7) Adequate documentation confirming that the applicant has	109313

and endangered species, including the presence or absence of	109316
critical habitat;	109317
(8) Descriptions, schematics, and appropriate economic	109318

(B) Not later than fifteen business days after the receipt of	109328
an application for a section 401 water quality certification, the	109329
director shall review the application to determine if it is	109330
complete and shall notify the applicant in writing as to whether	109331
the application is complete. If the director fails to notify the	109332
applicant within fifteen business days regarding the completeness	109333
of the application, the application is considered complete. If the	109334
director determines that the application is not complete, the	109335

director shall include with the written notification an itemized 109336
list of the information or materials that are necessary to 109337
complete the application. If the applicant fails to provide the 109338
information or materials within sixty days after the director's 109339
receipt of the application, the director may return the incomplete 109340
application to the applicant and take no further action on the 109341
application. If the application is returned to the applicant 109342
because it is incomplete, the director shall return the review fee 109343
levied under division (A)(1), (2), or (3) of section 3745.114 of 109344
the Revised Code to the applicant, but shall retain the 109345

an application is complete under division (B) of this section, the 109348
applicant shall publish public notice of the director's receipt of 109349
the complete application in a newspaper of general circulation in 109350
the county in which the project that is the subject of the 109351
application is located. The public notice shall be in a form 109352
acceptable to the director. The applicant shall promptly provide 109353
the director with proof of publication. The applicant may choose, 109354
subject to review by and approval of the director, to include in 109355
the public notice an advertisement for an antidegradation public 109356
hearing on the application pursuant to section 6111.12 of the 109357
Revised Code. There shall be a public comment period of thirty 109358
days following the publication of the public notice. 109359

(D) If the director determines that there is significant 109360
public interest in a public hearing as evidenced by the public 109361
comments received concerning the application and by other requests 109362
for a public hearing on the application, the director or the 109363
director's representative shall conduct a public hearing 109364
concerning the application. Notice of the public hearing shall be 109365
published by the applicant, subject to review and approval by the 109366
director, at least thirty days prior to the date of the hearing in 109367

a newspaper of general circulation in the county in which the project that is the subject of the application is to take place. If a public hearing is requested concerning an application, the director shall accept comments concerning the application until five business days after the public hearing. A public hearing conducted under this division shall take place not later than one hundred days after the application is determined to be complete.

(E) The director shall forward all public comments concerning an application submitted under this section that are received through the public involvement process required by rules adopted under this chapter to the applicant not later than five business days after receipt of the comments by the director.

(F) The applicant shall respond in writing to written comments or to deficiencies identified by the director during the course of reviewing the application not later than fifteen days after receiving or being notified of them.

(G) The director shall issue or deny a section 401 water quality certification not later than one hundred eighty days after the complete application for the certification is received. The director shall provide an applicant for a section 401 water quality certification with an opportunity to review the certification prior to its issuance.

(H) The director shall maintain an accessible database that includes environmentally beneficial water restoration and protection projects that may serve as potential mitigation projects for projects in the state for which a section 401 water quality certification is required. A project's inclusion in the database does not constitute an approval of the project.

(I) Mitigation required by a section 401 water quality certification may be accomplished by any of the following:

(1) Purchasing credits at a mitigation bank approved in

accordance with 33 C.F.R. 332.8; 109399

3745-1-54 of the Administrative Code, mitigation projects shall be 109404
approved in accordance with the hierarchy specified in 33 C.F.R. 109405
332.3 unless the director determines that the size or quality of 109406
the impacted resource necessitates reasonably identifiable, 109407
available, and practicable mitigation conducted by the applicant. 109408
The director shall adopt rules in accordance with Chapter 119. of 109409
the Revised Code consistent with the mitigation hierarchy 109410
specified in 33 C.F.R. 332.3. 109411

(J) The director may establish a program and adopt rules in 109412
accordance with Chapter 119. of the Revised Code for the purpose 109413
of certifying water quality professionals to assess streams to 109414
determine existing aquatic life use and to categorize wetlands in 109415
support of applications for section 401 water quality 109416
certification under divisions (A)(2) and (3) of this section and 109417
isolated wetland permits under sections 6111.022 to 6111.024 of 109418
the Revised Code. The director shall use information submitted by 109419
certified water quality professionals in the review of those 109420
applications. 109421

Rules adopted under this division shall do all of the 109422
following: 109423

(1) Provide for the certification of water quality 109424
professionals to conduct activities in support of applications for 109425
section 401 water quality certification and isolated wetland 109426

<u>incurred by the environmental protection agency for reviewing</u>	109454
<u>applications for water quality professional certification and for</u>	109455
<u>issuing those certifications;</u>	109456
<u>(3) Authorize the director to suspend or revoke the</u>	109457

hospitalization, housing, or employment of persons. 109500

In granting an approval, the director may stipulate 109501
modifications, conditions, and rules that the public health and 109502
prevention of pollution may require. Any action taken by the 109503
director shall be a matter of public record and shall be entered 109504
in the director's journal. Each period of thirty days that a 109505
violation of this section continues, after a conviction for the 109506
violation, constitutes a separate offense. 109507

meanings as in section ~~1511.01~~ 939.01 of the Revised Code. 109521

(4) Sewerage or treatment works for the on-lot disposal or treatment of sewage from a small flow on-site sewage treatment system, as defined in section 3718.01 of the Revised Code, if the board of health of a city or general health district has notified the director of health and the director of environmental protection under section 3718.021 of the Revised Code that the board has chosen to regulate the system, provided that the board remains in compliance with the rules adopted under division (A)(13) of section 3718.02 of the Revised Code.

The exclusions established in divisions (B)(2) and (3) of this section do not apply to the construction or installation of disposal systems, as defined in section 6111.01 of the Revised Code, that are located at an animal feeding facility and that store, treat, or discharge wastewaters that do not include storm water or manure or that discharge to a publicly owned treatment works.

Sec. 6111.99. shall be fined not more than ~~one hundred~~ ten thousand dollars. 109560
Each day of violation is a separate offense. 109561

(F) If a person is convicted of or pleads guilty to a 109562
violation of any section of this chapter, in addition to the 109563
financial sanctions authorized by this chapter or section 2929.18 109564
or 2929.28 or any other section of the Revised Code, the court 109565
imposing the sentence on the person may order the person to 109566

actual costs that it incurred in responding to the violation, 109568
including the cost of restoring affected aquatic resources or 109569
otherwise compensating for adverse impact to aquatic resources 109570
directly caused by the violation, but not including the costs of 109571
prosecution. 109572

shall be made in the manner and form prescribed by the director of 109615
environmental protection and shall be accompanied by plans, 109616
specifications, and other data that the director may require 109617

application in accordance with law and the rules adopted ~~pursuant~~ 109620
~~thereto~~ under section 6111.03 of the Revised Code. 109621

Sec. 6112.06. (A) As used in this section: 109622

(1) "Health district" means a city or general health district 109623
as created by or under authority of Chapter 3709. of the Revised 109624

Administrative Code. 109629

(3) "Property owner" means a person who owns property that is 109630
served by a household sewage treatment system. 109631

(4) "Repair" has the same meaning as in rules adopted under 109632
Chapter 3718. of the Revised Code. 109633

(B) A person that intends to design and install a sewerage 109634
system under section 6112.03 of the Revised Code simultaneously 109635
shall notify by certified mail each property owner and the board 109636
of health of the health district in which the property owner's 109637
parcel of property is located of the person's intention to design 109638
and install a sewerage system if the owner or operator of the 109639
sewerage system has determined that the parcel of property is 109640
reasonably accessible to the sewerage system and the property 109641
owner may be required to connect to it. The notice shall be sent 109642

not later than two hundred seventy days before the person submits 109643
an application for a permit to install for the sewerage system in 109644
accordance with Chapter 6111. of the Revised Code and rules 109645
adopted under it. The notice shall include a statement indicating 109646
that if the property owner chooses to postpone connection to the 109647
sewerage system after receiving the notice, the cost of connecting 109648
to the sewerage system in the future may be higher. 109649

(C) Except as provided in division (E) of this section, a 109650
property owner who receives a notice under division (B) of this 109651
section may elect to postpone connection to the sewerage system 109652
specified in the notice for a period of not more than fifteen 109653
years from the date on which the property owner receives a notice 109654
from the owner or operator of the sewerage system that the 109655
sewerage system is substantially complete in accordance with 109656
division (G) of this section if both of the following apply: 109657

(1) The property owner notifies the owner or operator of the 109658
sewerage system and the board of health of the health district in 109659
which the affected parcel of property is located that the property 109660
owner elects to postpone connection to the specified sewerage 109661
system. The notice shall be in writing and shall be sent by 109662
certified mail not later than sixty days after the property owner 109663
has received a notice under division (B) of this section. Not 109664
later than one hundred eighty days after the board of health 109665
receives the notice, the board shall evaluate the household sewage 109666
treatment system serving the affected parcel of property to 109667
determine if the system operates and is maintained in accordance 109668
with Chapter 3718. of the Revised Code and with rules adopted 109669
under that chapter by the director of health and by the board, if 109670
any. The property owner is responsible for reasonable costs of the 109671
evaluation. 109672

If the property owner is aware that the property will be 109673
vacant at any time during the one-hundred-eighty-day period, the 109674

property owner shall notify the board of health of the dates 109675
during which the property will be vacant. In order for the 109676
required inspection to occur, the property owner shall ensure that 109677
the property is occupied for at least ninety consecutive days 109678
within the one-hundred-eighty-day period and shall notify the 109679
board of health of the dates of occupancy. Failure to so notify 109680
the board or so occupy the property constitutes termination of the 109681
authorization under this section for the property owner to elect 109682
to postpone connection to the sewerage system. 109683

(2) The applicable board of health determines under division 109684
(C)(1) of this section that the household sewage treatment system 109685
operates and is maintained in accordance with Chapter 3718. of the 109686
Revised Code and with rules adopted under that chapter by the 109687
director and by the board, if any. The board shall so notify the 109688
property owner and the owner or operator of the sewerage system. 109689
However, if the board determines that a nuisance exists under 109690
section 3718.011 of the Revised Code, the board shall so notify 109691
the property owner. If the board determines that repairs will 109692
eliminate the nuisance, the person may make those repairs to the 109693
system, but shall do so within sixty days after receiving the 109694
notice. The board shall extend the sixty-day period if weather 109695
conditions prevent the repair from being made. 109696

The property owner shall connect to the sewerage system if 109697
the board of health determines either that repairs will not 109698
eliminate the nuisance or that, after repairs have been made, the 109699
nuisance has not been eliminated. 109700

(D)(1) Division (C) of this section does not apply to a 109701
household sewage treatment system that is either a discharging 109702
system or within an area subject to final findings and orders 109703
issued by the director of environmental protection under Chapter 109704
6111. or 6117. of the Revised Code. The notification required by 109705
division (B) of this section shall be issued to an applicable 109706

property owner regardless of whether the property owner's system 109707
is a discharging system or inside such an area. 109708

(2) For purposes of this section, a discharging system is one 109709
of the following: 109710

(a) A household sewage treatment system for which coverage 109711
under an NPDES permit has been issued or granted under Chapter 109712
6111. of the Revised Code and rules adopted under it; 109713

(b) A household sewage treatment system for which coverage 109714
under an NPDES permit would be required, but that has not been 109715
issued or granted such a permit. 109716

(E) A property owner that has elected to postpone connection 109717
to a sewerage system in accordance with division (C) of this 109718
section shall ensure that the household sewage treatment system 109719
serving the property is maintained and operated in accordance with 109720
Chapter 3718. of the Revised Code and rules adopted under it for 109721
fifteen years from the date on which the property owner receives 109722
notice from the owner or operator of the sewerage system that the 109723
sewerage system is substantially complete in accordance with 109724
division (G) of this section. A property owner that elects to 109725
postpone connection to a sewerage system in accordance with 109726
division (B) of this section subsequently shall abandon the 109727
household sewage treatment system serving the property in 109728
accordance with rules adopted under Chapter 3718. of the Revised 109729
Code and connect to the sewerage system not later than fifteen 109730
years from the date on which the property owner receives notice 109731
that the sewerage system is substantially complete in accordance 109732
with division (G) of this section. However, if at any time during 109733
the fifteen-year period the system is not operating in accordance 109734
with Chapter 3718. of the Revised Code or rules adopted or orders 109735
issued under that chapter, the board of health shall notify the 109736
property owner. If the system cannot be brought into compliance 109737
with the chapter, rules, or orders through a repair made within 109738

sixty days after the property owner receives the notice, the 109739
property owner shall abandon the system and connect to the 109740
sewerage system. The board shall extend the sixty-day period if 109741
weather conditions prevent the repair from being made. 109742

If the property owner transfers ownership of the affected 109743
parcel of property during the fifteen-year period and the parcel 109744
of property has not yet been connected to the sewerage system, the 109745
transferor shall notify the transferee of the requirement to 109746
connect to the sewerage system and of the date by which connection 109747
must occur. The notice shall be a written affidavit. The county 109748
recorder shall index and record a copy of the affidavit in 109749
accordance with section 317.08 of the Revised Code and in the same 109750
manner and receive the same fees as for deeds. The transferee is 109751
subject to the connection requirement established in this 109752
division. 109753

A person that fails to comply with this division is subject 109754
to the same enforcement procedures and penalties as if the person 109755
violated Chapter 3718. of the Revised Code or rules adopted or 109756
orders issued under it. 109757

(F) If a connection tap to a sewerage system is installed at 109758
a parcel of property at the time of construction of the sewerage 109759
system, the property owner, regardless of whether the property 109760
owner has elected to postpone connection to the sewerage system 109761
under this section, shall pay the costs of the installation of the 109762
connection tap in accordance with one of the following: 109763

(1) Pay the total amount at the time of the installation of 109764
the connection tap; 109765

(2) Make incremental payments in accordance with a payment 109766
plan agreed to by the applicable political subdivision that has 109767
acquired or will acquire the sewerage system; 109768

(3) Pay the total amount at any time the parcel of property 109769

is required to connect to the sewerage system under this section. 109770

(G) When a sewerage system has been substantially completed, 109771
the owner or operator of the sewerage system shall send a notice 109772
of the substantial completion to all property owners who elect to 109773
postpone connection to the sewerage system under this section. 109774

Sec. 6117.021. At any time after the formation of a county 109775
sewer district, the board of county commissioners may enter into a 109776
contract, on terms and for the period of time that are mutually 109777
agreed on, with any other public agency under which the public 109778
agency will conduct projects and activities for the purpose of 109779
complying with the requirements of phase II of the storm water 109780
program of the national pollutant discharge elimination system 109781
established in 40 C.F.R. part 122. 109782

Sec. 6117.062. (A)(1) A board of county commissioners may 109783
apply to the Ohio public works commission created by section 109784
164.02 of the Revised Code for an advance of money from the water 109785
and sewer fund created by section 164.13 of the Revised Code in an 109786
amount equal to that portion of the costs of an improvement 109787
authorized under sections 6117.01 to 6117.45 of the Revised Code 109788
that is to be financed by assessments whose collection is deferred 109789
pursuant to division (B) of this section. The application for such 109790
an advance of moneys shall be made in the manner prescribed in 109791
policies and procedures established by the director of the 109792
commission. 109793

(2) As used in this section, "assessments" includes 109794
assessments attributable to tap-in charges under this section and 109795
other tap-in fees, user charges, and any combination of such 109796
assessments, fees, and charges authorized under section 6117.06 of 109797
the Revised Code. 109798

(B) At any time prior to the expiration of the five-day 109799

period provided by section 6117.06 of the Revised Code for the 109800
filing of written objections, any owner of property ~~which~~ that is 109801
classified on the general tax list of the county auditor as 109802
agricultural land and has been assessed for the extension of a 109803
trunk sewer line over or along such property under sections 109804
6117.01 to 6117.45 of the Revised Code may file with the board of 109805
county commissioners a request in writing for deferment of the 109806
collection of the assessment if the trunk sewer line provides 109807
sewer facilities to aid in the establishment of new industrial 109808
plants, the expansion of existing industrial plants, or such other 109809
industrial development, or provides sewer facilities to aid in the 109810
establishment of commercial and residential developments. ~~Such~~ 109811
~~request shall identify~~ The owner of property shall ensure the 109812
request does all of the following: 109813

(1) Identifies the property in connection with which the 109814
request for deferment is made, ~~shall describe its;~~ 109815

(2) Describes the property's present use and present 109816
classification on the general tax list of the county auditor, ~~7~~ 109817
~~shall state its;~~ 109818

(3) States the property's estimated market value, showing 109819
separately the value of the land and the value of the buildings 109820
thereon, ~~7, shall state;~~ 109821

(4) States the reasons, if any, why a portion of the benefit 109822
of the improvement will not be realized until the use of the land 109823
is changed, ~~7, and shall state;~~ 109824

(5) States the amount to be deferred. ~~The~~ 109825

The board shall promptly consider such request and may order 109826
the deferment of the collection of that portion of the assessment 109827
representing a benefit from the improvement which will not be 109828
realized until the use of the land is changed. The board may, upon 109829
request of an owner whose property has been assessed for the 109830

extension of a trunk sewer line over or along such property under 109831
sections 6117.01 to 6117.45 of the Revised Code, defer all or any 109832
part of the assessment on property ~~which~~ that is classified on the 109833
general tax list as agricultural land, by attributing the amount 109834
of such assessment or part thereof as tap-in charges, if the trunk 109835
sewer line provides sewer facilities to aid in the establishment 109836
of new industrial plants, the expansion of existing industrial 109837
plants, or such other industrial development, or provides sewer 109838
facilities to aid in the establishment of commercial and 109839
residential developments. ~~Upon~~ A deferment under this section may 109840
be conditioned on the approval of the advance of money applied for 109841
under division (A) of this section, and a maximum length of the 109842
deferment may be fixed to coincide with the maximum time within 109843
which the advance must be repaid. The decision on the request for 109844
deferment of collection of assessments shall be made pursuant to 109845
standards prescribed in policies and procedures established by the 109846
director of the commission. 109847

Upon determination and approval of final assessments, the 109848
board of county commissioners shall certify all deferred 109849
assessments and a fee equal to two per cent of the amount of the 109850
deferred assessments to the county auditor. For purposes of this 109851
section, "assessment," "deferred assessment," or "assessment 109852
deferred under this section" mean the fee and the deferred 109853
assessment certified to the county auditor. The county auditor 109854
shall record an assessment deferred under this section in the 109855
sewer improvement record. Such record shall be kept until such 109856
time as the assessments are paid in full or certified for 109857
collection in installments as provided in this section. During the 109858
time when the assessment is deferred there shall be a lien on the 109859
property assessed, which lien shall arise at the time of 109860
recordation by the county auditor and which shall be in force 109861
until the assessments are paid in full or certified for collection 109862
in installments. 109863

~~(B)~~(C) The board of county commissioners shall defer the 109864
collection of an assessment, except the amount of such assessment 109865
or part thereof attributable as tap-in charges, ~~which~~ that has 109866
been deferred pursuant to division ~~(A)~~(B) of this section on or 109867
before January 1, 1987, beyond the expiration of the maximum time 109868
for the original deferment if the property owner requests in 109869
writing, no later than six months prior to the expiration of the 109870
original deferment, that the assessment be further deferred and as 109871
long as the property owner's land could qualify for placement in 109872
an agricultural district pursuant to section 929.02 of the Revised 109873
Code. 109874

The board shall regularly review the use and ownership of the 109875
property for which the collection of assessments has been deferred 109876
pursuant to this division, and upon finding that the land could no 109877
longer qualify for placement in an agricultural district pursuant 109878
to section 929.02 of the Revised Code, the board shall immediately 109879
collect, without interest unless payment is late as determined by 109880
the board, the full amount of the assessment deferred and repay 109881
the commission the amount of any money advanced by it in regard to 109882
the assessment. The board shall pay all such amounts to the 109883
commission in one annual payment or during a longer period as 109884
approved by the director of the commission. The board shall pay, 109885
from the general funds of the county, interest annually at the 109886
interest rate per annum equal to that rate of interest published 109887
as the 20-bond index rate in "The Bond Buyer" minus four per cent 109888
per annum or at five per cent per annum, whichever rate is 109889
greater, for any money not repaid to the commission pursuant to 109890
this division within one year of the date of the disqualification 109891
of the property for the continual deferment that requires such 109892
repayment. The interest rate for any money not repaid to the 109893
commission shall be calculated one year from the date of the 109894
disqualification of the property for the continual deferment that 109895
requires such repayment and annually thereafter. 109896

~~(C)~~(D) The board of county commissioners shall send a notice 109897
by regular or certified mail to all owners of property on which 109898
assessments have been deferred pursuant to division ~~(A)~~(B) of this 109899
section, which lists the expiration of the deferment, not later 109900
than two hundred ten days prior to the expiration of the deferment 109901
of those assessments. 109902

~~(D)~~ (E) Except as provided in this division, the board 109903
shall collect assessments, without interest unless payment is late 109904
as determined by the board, which that have been deferred pursuant 109905
to division ~~(A)~~(B) of this section upon expiration of the maximum 109906
time for which deferments were made; ~~provided that for and repay~~ 109907
the commission the amount of any money advanced by it in regard to 109908
such assessments. For a property owner who requests in writing, no 109909
later than six months prior to the expiration of the deferment 109910
period, that payment of the deferred assessments be in 109911
installments, the board of county commissioners upon expiration of 109912
the deferment period may by resolution further certify for 109913
collection pursuant to section 6117.33 of the Revised Code, such 109914
deferred assessments in installments over not more than twenty 109915
years, as determined by the board, together with interest thereon 109916
each year on the unpaid balance at the same rate borne by bonds of 109917
the county ~~which that~~ shall be issued in anticipation thereof as 109918
provided in Chapter 133. of the Revised Code, and the proceeds of 109919
the bond issue used to repay such deferred assessments to the 109920
commission. Prior to the expiration of the maximum time of 109921
deferment, the board shall regularly review the use of the 109922
property for which the collection of assessments has been deferred 109923
and upon finding, pursuant to policies and procedures established 109924
by the director of the commission, that the use of the land has 109925
changed from the use at the time of the deferment so that the 109926
benefit of the improvement can then be realized, the board shall 109927
immediately collect the full amount of the assessment for the 109928
portion of the property for which the use has so changed, without 109929

interest unless payment is late as determined by the board, and 109930
repay the commission the amount of any money advanced by it in 109931
regard to the assessment. The board shall pay all such amounts to 109932
the commission in one annual payment or during a longer period as 109933
approved by the commission. The board shall pay, from the general 109934
funds of the county, interest annually at the interest rate per 109935
annum equal to that rate of interest published as the 20-bond 109936
index rate in "The Bond Buyer" minus four per cent per annum or at 109937
five per cent per annum, whichever is greater, for any money not 109938
repaid to the commission pursuant to this division within one year 109939
of the date of the change in the use of property requiring such 109940
repayment, or of the date on which payment of a tap-in charge is 109941
required by law to be made, whichever date is applicable. The 109942
interest rate for any money not repaid to the commission shall be 109943
calculated one year from the date of the change in the use of 109944
property requiring such repayment or from the date on which 109945
payment of a tap-in charge is required by law to be made, 109946
whichever date is applicable, and annually thereafter. 109947

Sec. 6117.51. If the board of health of the health district 109948
within which a new public sewer construction project is proposed 109949
or located passes a resolution stating that the reason for the 109950
project is to reduce or eliminate an existing health problem or a 109951
hazard of water pollution, the board of county commissioners of 109952
the county, by resolution, may order the owner of any premises 109953
located in a sewer district in the county, the owner's agent, 109954
lessee, or tenant, or any other occupant of the premises to 109955
connect the premises to the sewer for the purpose of discharging 109956
sewage or other waste that the board determines is originating on 109957
the premises, to make use of the connection, and to cease the 109958
discharge of the sewage or other waste into a cesspool, ditch, 109959
private sewer, privy, septic tank, semipublic disposal system as 109960
defined in division (B)(1)(a) of section 3709.085 of the Revised 109961

Code, or other outlet if the board finds that the sewer is 109962
available for use and is accessible to the premises following a 109963
determination and certification to the board by a registered 109964
professional engineer designated by it as to the availability and 109965
accessibility of the sewer. This section does not apply to any of 109966
the following: 109967

(A) Any discharge authorized by a permit issued under 109968
division (J) of section 6111.03 of the Revised Code other than a 109969
discharge to or from a semipublic disposal system as defined in 109970
division (B)(1)(a) of section 3709.085 of the Revised Code; 109971

(B) Wastes resulting from the keeping of animals; 109972

(C) Any premises that are not served by a common sewage 109973
collection system when the foundation wall of the structure from 109974
which sewage or other waste originates is more than two hundred 109975
feet from the nearest boundary of the right-of-way within which 109976
the sewer is located; 109977

(D) Any premises that are served by a common sewage 109978
collection system when both the foundation wall of the structure 109979
from which the sewage or other waste originates and the common 109980
sewage collection system are more than two hundred feet from the 109981
nearest boundary of the right-of-way within which the public sewer 109982
is located; 109983

(E) Any dwelling house located on property that is listed on 109984
the county's agricultural land tax list as being valued for tax 109985
purposes as land devoted exclusively to agricultural use under 109986
section 5713.31 of the Revised Code, when the foundation wall of 109987
the dwelling house is two hundred feet or less from the nearest 109988
boundary of the right-of-way within which the sewer is located, if 109989
both of the following also apply: 109990

(1) The sewer right-of-way for the property on which the 109991
dwelling house is located was obtained by appropriation due to a 109992

public exigency pursuant to division (B) of section 307.08, 109993
6101.181, 6115.211, 6117.39, or 6119.11 of the Revised Code. 109994

(2) The local health department has certified that the 109995
household sewage disposal system is functioning properly. 109996

The board shall not direct an order under this section to a 109997
resident tenant unless it determines that the terms of the tenancy 109998
are such that the owner lacks sufficient rights of access to 109999
permit the owner to comply with the terms of the order. 110000

An Except as provided in section 6117.52 of the Revised Code, 110001
an owner, agent, lessee, tenant, or occupant shall comply with the 110002
order of the board within ninety days after the completion of 110003
service of the order upon that person as provided in this section. 110004
The board, upon written application filed prior to the expiration 110005
of the ninety-day period, may waive compliance with any order 110006
either temporarily or permanently and conditionally or 110007
unconditionally. 110008

The order shall include a statement indicating that if after 110009
receiving the order a person chooses to postpone connection to the 110010
public sewer in accordance with section 6117.52 of the Revised 110011
Code, the cost of connecting to the public sewer in the future may 110012
be higher. 110013

In its resolution, the board shall direct its clerk, or the 110014
clerk's designee, to serve its order upon the owner, agent, 110015
lessee, tenant, or occupant. Service of the order shall be made 110016
personally, by leaving the order at the usual place of residence 110017
with a person of suitable age and discretion then residing 110018
therein, or by certified mail addressed to the owner, agent, 110019
lessee, tenant, or occupant at that person's last known address or 110020
to the address to which tax bills are sent. If it appears by the 110021
return of service or the return of the order forwarded by 110022
certified mail that the owner, agent, lessee, tenant, or occupant 110023

cannot be found, that person shall be served by publication of the order once in a newspaper of general circulation within the county, or if that person refuses service, that person shall be served by ordinary mail addressed to that person's last known address or to the address to which tax bills are sent. The return of the person serving the order or a certified copy of the return, or a returned receipt for the order forwarded by certified mail accepted by the addressee or anyone purporting to act for the addressee, is prima-facie evidence of the service of the order under this section. The return of the person attempting to serve the order, or the return to the sender of the order forwarded by certified mail with an indication on the return of the refusal of the addressee to accept delivery, is prima-facie evidence of the refusal of service.

No owner, agent, lessee, tenant, or occupant shall violate an order issued under this section. Upon request of the board, the prosecuting attorney shall prosecute in a court of competent jurisdiction any owner, agent, lessee, tenant, or occupant who violates an order issued under this section. Each day that a violation continues after conviction for the violation of an order issued under this section and the final determination thereof is a separate offense. The court, for good cause shown, may grant a reasonable additional period of time for compliance after conviction.

Any owner, agent, lessee, tenant, or occupant violating an order issued under this section also may be enjoined from continuing in violation. Upon request of the board, the prosecuting attorney shall bring an action in a court of competent jurisdiction for an injunction against the owner, agent, lessee, tenant, or occupant violating an order.

The Ohio water development authority created under section 6121.02 of the Revised Code, in addition to its other powers, has

the same power and shall be governed by the same procedures in a 110056
waste water facilities service area, or in any area adjacent to a 110057
public sewer operated by the authority, as a board of county 110058
commissioners in a county sewer district under this section, 110059
except that the authority shall act by order, and the attorney 110060
general, upon request of the authority, shall prosecute any person 110061
who violates an order of the authority issued under this section. 110062

Sec. 6117.52. (A) As used in this section: 110063

(1) "Household sewage treatment system" has the same meaning 110064
as in section 3718.01 of the Revised Code and includes a household 110065
sewage disposal system as defined in rule 3701-29-01 of the 110066
Administrative Code. 110067

(2) "Property owner" means a person who owns property that is 110068
served by a household sewage treatment system. 110069

(3) "Repair" has the same meaning as in rules adopted under 110070
Chapter 3718. of the Revised Code. 110071

(B) Except as provided in division (D) of this section, a 110072
property owner who receives an order issued under section 6117.51 110073
of the Revised Code may elect to postpone connection to the public 110074
sewer specified in the order for a period of not more than fifteen 110075
years from the date on which the property owner receives a notice 110076
from the board of county commissioners that the public sewer is 110077
substantially complete in accordance with division (F) of this 110078
section if both of the following apply: 110079

(1) The property owner notifies the board of county 110080
commissioners and the board of health of the health district in 110081
which the property owner's parcel of property is located that the 110082
property owner elects to postpone connection to the specified 110083
public sewer. The notice shall be in writing and shall be sent by 110084
certified mail not later than sixty days after the property owner 110085

has received an order issued under section 6117.51 of the Revised Code. Not later than one hundred eighty days after the board of health receives the notice, the board shall evaluate the household sewage treatment system serving the affected parcel of property to determine if the system operates and is maintained in accordance with Chapter 3718. of the Revised Code and with rules adopted under that chapter by the director of health and by the board, if any. The property owner is responsible for reasonable costs of the evaluation. 110086

In order for the required inspection to occur, the property owner shall ensure that the property is occupied for at least ninety consecutive days within the one-hundred-eighty-day period and shall notify the board of health of the dates of occupancy. Failure to so notify the board or so occupy the property constitutes termination of the authorization under this section for the property owner to elect to postpone connection to the public sewer. 110095

(2) The applicable board of health determines under division (B)(1) of this section that the household sewage treatment system operates and is maintained in accordance with Chapter 3718. of the Revised Code and with rules adopted under that chapter by the director and by the board, if any. The board shall so notify the property owner and the board of county commissioners. However, if the board of health determines that a nuisance exists under section 3718.011 of the Revised Code, the board shall so notify the property owner. If the board determines that repairs will eliminate the nuisance, the property owner may make those repairs to the system, but shall do so within sixty days after receiving the notice. The board shall extend the sixty-day period if weather 110106

conditions prevent the repair from being made. 110118

The property owner shall connect to the public sewer if the 110119
board of health determines either that repairs will not eliminate 110120
the nuisance or that, after repairs have been made, the nuisance 110121
has not been eliminated. 110122

(C)(1) Division (B) of this section does not apply to a 110123
household sewage treatment system that is either a discharging 110124
system or within an area subject to final findings and orders 110125
issued by the director of environmental protection under this 110126
chapter or Chapter 6111. of the Revised Code. 110127

(2) For purposes of this section, a discharging system is one 110128
of the following: 110129

(a) A household sewage treatment system for which coverage 110130
under an NPDES permit has been issued or granted under Chapter 110131
6111. of the Revised Code and rules adopted under it; 110132

(b) A household sewage treatment system for which coverage 110133
under an NPDES permit would be required, but that has not been 110134
issued or granted such a permit. 110135

(D) A property owner that has elected to postpone connection 110136
to a public sewer in accordance with division (B) of this section 110137
shall ensure that the household sewage treatment system serving 110138
the property is maintained and operated in accordance with Chapter 110139
3718. of the Revised Code and rules adopted under it for fifteen 110140
years from the date on which the property owner receives notice 110141
from the board of county commissioners that the public sewer is 110142
substantially complete in accordance with division (F) of this 110143
section. A property owner that elects to postpone connection to a 110144
public sewer in accordance with division (B) of this section 110145
subsequently shall abandon the household sewage treatment system 110146
serving the property in accordance with rules adopted under 110147
Chapter 3718. of the Revised Code and connect to the public sewer 110148

not later than fifteen years from the date on which the property 110149
owner receives notice that the public sewer is substantially 110150
complete in accordance with division (F) of this section. However, 110151
if at any time during the fifteen-year period the system is not 110152
operating in accordance with Chapter 3718. of the Revised Code or 110153
rules adopted or orders issued under that chapter, the board of 110154
health shall so notify the property owner. If the system cannot be 110155
brought into compliance with the chapter, rules, or orders through 110156
a repair made within sixty days after the property owner receives 110157
the notice, the property owner shall abandon the system and 110158
connect to the public sewer. The board shall extend the sixty-day 110159
period if weather conditions prevent the repair from being made. 110160

If the property owner transfers ownership of the affected 110161
parcel of property during the fifteen-year period and the parcel 110162
of property has not yet been connected to the public sewer, the 110163
transferor shall notify the transferee of the requirement to 110164
connect to the public sewer and of the date by which connection 110165
must occur. The notice shall be a written affidavit. The county 110166
recorder shall index and record a copy of the affidavit in 110167
accordance with section 317.08 of the Revised Code and in the same 110168
manner and receive the same fees as for deeds. The transferee is 110169
subject to the connection requirement established in this 110170
division. 110171

A person that fails to comply with this division is subject 110172
to the same enforcement procedures and penalties as if the person 110173
violated Chapter 3718. of the Revised Code or rules adopted or 110174
orders issued under it. 110175

(E) If a connection tap to a public sewer is installed at a 110176
parcel of property at the time of construction of the public 110177
sewer, the property owner, regardless of whether the owner has 110178
elected to postpone connection to the public sewer under this 110179
section, shall pay the costs of the installation of the connection 110180

tap in accordance with one of the following: 110181

(1) Pay the total amount at the time of the installation of 110182
the connection tap; 110183

(2) Make incremental payments in accordance with a payment 110184
plan agreed to by the board of county commissioners; 110185

(3) Pay the total amount at any time the parcel of property 110186
is required to connect to the public sewer under this section. 110187

(F) When a public sewer has been substantially completed, the 110188
applicable board of county commissioners shall send a notice of 110189
the substantial completion to all property owners who elect to 110190
postpone connection to the public sewer under this section. 110191

Sec. 6117.521. (A)(1) A board of county commissioners may 110192
apply to the Ohio public works commission created by section 110193
164.02 of the Revised Code for an advance of money from the water 110194
and sewer fund created by section 164.13 of the Revised Code in an 110195
amount equal to that portion of the costs of an improvement 110196
authorized under this chapter that is to be financed by 110197
assessments whose collection is deferred because an owner of a 110198
parcel of property has elected to postpone connection to a public 110199
sewer and is authorized to do so in accordance with section 110200
6117.52 of the Revised Code. The application for such an advance 110201
of money shall be made in the manner prescribed in policies and 110202
procedures established by the director of the commission. 110203

(2) As used in this section, "assessments" includes 110204
assessments attributable to tap-in charges under section 6117.062 110205
of the Revised Code and other tap-in charges or fees, user 110206
charges, and any combination of such assessments, fees, and 110207
charges authorized under section 6117.06 of the Revised Code. 110208

(B) The county auditor shall record an assessment deferred as 110209
described in division (A) of this section in the sewer improvement 110210

record. The record shall be kept until such time as the 110211
assessments are paid in full. During the time when an assessment 110212
is deferred, there shall be a lien on the property assessed, which 110213
shall arise at the time of recording by the county auditor and 110214
shall be in force until the assessments are paid in full. 110215

(C) The board of county commissioners regularly shall review 110216
whether property for which the collection of assessments has been 110217
deferred as described in division (A) of this section is connected 110218
to a public sewer. Upon finding that the owner of a parcel of 110219
property is required to connect to a public sewer for any reason, 110220
the board immediately shall collect, without interest unless 110221
payment is late as determined by the board, the full amount of the 110222
deferred assessment and, upon its collection, repay the commission 110223
the amount of any money advanced by it in regard to the parcel of 110224
property. The board shall pay all such amounts to the commission 110225
in one annual payment or during a longer period as approved by the 110226
director of the commission. The board shall pay, from the general 110227
funds of the county, interest annually at the interest rate per 110228
annum equal to that rate of interest published as the 20-bond 110229
index rate in "The Bond Buyer" minus four per cent per annum or at 110230
five per cent per annum, whichever rate is greater, for any money 110231
not repaid to the commission pursuant to this division within one 110232
year of the date of the disqualification of the property for the 110233
deferment that requires such repayment. The interest rate for any 110234
money not repaid to the commission shall be calculated one year 110235
from the date of the disqualification of the property for the 110236
deferment that requires such repayment and annually thereafter. 110237

(D) Unless an owner of a parcel of property is required to 110238
connect to a public sewer because either the applicable board of 110239
health determines that a nuisance exists under section 3718.011 of 110240
the Revised Code or the owner voluntarily elects to connect to the 110241
public sewer before the end of the fifteen-year period established 110242

in division (D) of section 6117.52 of the Revised Code, the board 110243
of county commissioners, not later than two hundred ten days prior 110244
to the expiration of the deferment of assessments on that 110245
property, shall send a notice by regular or certified mail to the 110246
owner of the property that specifies the expiration date of the 110247
deferment. 110248

Sec. 6117.522. A public entity with authority to levy special 110249
assessments, tap-in charges or fees, user charges, or a 110250
combination thereof on real property shall not collect an 110251
assessment, tap-in charge or fee, user charge, or a combination 110252
thereof for purposes of sewer service on real property concerning 110253
which the owner of the property is not required to connect to a 110254
public sewer in accordance with section 6117.52 of the Revised 110255
Code until the property owner is required to connect to the public 110256
sewer under that section. 110257

Sec. 6119.60. (A) As used in this section: 110258

(1) "Health district" means a city or general health district 110259
as created by or under authority of Chapter 3709. of the Revised 110260
Code. 110261

(2) "Household sewage treatment system" has the same meaning 110262
as in section 3718.01 of the Revised Code and includes a household 110263
sewage disposal system as defined in rule 3701-29-01 of the 110264
Administrative Code. 110265

(3) "Property owner" means a person who owns property that is 110266
served by a household sewage treatment system. 110267

(4) "Repair" has the same meaning as in rules adopted under 110268
Chapter 3718. of the Revised Code. 110269

(B) The board of trustees of a regional water and sewer 110270
district that orders the preparation of design plans for a 110271
sewerage system under this chapter simultaneously shall notify by 110272

certified mail each property owner and the board of health of the 110273
health district in which the property owner's parcel of property 110274
is located of the intention of the board of trustees to install 110275
the sewerage system if the board of trustees has determined that 110276
the parcel of property is reasonably accessible to the sewerage 110277
system and the property owner may be required to connect to it. 110278
The notice shall include a statement indicating that if the 110279
property owner chooses to postpone connection to the sewerage 110280
system after receiving the notice, the cost of connecting to the 110281
sewerage system in the future may be higher. 110282

(C) Except as provided in division (E) of this section, a 110283
property owner who receives a notice under division (B) of this 110284
section may elect to postpone connection to the sewerage system 110285
specified in the notice for a period of not more than fifteen 110286
years from the date on which the property owner receives a notice 110287
from the board of trustees of the regional water and sewer 110288
district that the sewerage system is substantially complete in 110289
accordance with division (G) of this section if both of the 110290
following apply: 110291

(1) The property owner notifies the board of trustees of the 110292
regional water and sewer district and the board of health of the 110293
health district in which the affected parcel of property is 110294
located that the property owner elects to postpone connection to 110295
the specified sewerage system. The notice shall be in writing and 110296
shall be sent by certified mail not later than sixty days after 110297
the property owner has received a notice under division (B) of 110298
this section. Not later than one hundred eighty days after the 110299
board of health receives the notice, the board shall evaluate the 110300
household sewage treatment system serving the affected parcel of 110301
property to determine if the system operates and is maintained in 110302
accordance with Chapter 3718. of the Revised Code and with rules 110303
adopted under that chapter by the director of health and by the 110304

board, if any. The property owner is responsible for reasonable costs of the evaluation. 110305
110306

If the property owner is aware that the property will be vacant at any time during the one-hundred-eighty-day period, the property owner shall notify the board of health of the dates during which the property will be vacant. In order for the required inspection to occur, the property owner shall ensure that the property is occupied for at least ninety consecutive days within the one-hundred-eighty-day period and shall notify the board of health of the dates of occupancy. Failure to so notify the board or so occupy the property constitutes termination of the authorization under this section for the property owner to elect to postpone connection to the sewerage system. 110307

(2) The applicable board of health determines under division (C)(1) of this section that the household sewage treatment system operates and is maintained in accordance with Chapter 3718. of the Revised Code and with rules adopted under that chapter by the director and by the board, if any. The board shall so notify the property owner and the board of trustees of the regional water and sewer district. However, if the board of health determines that a nuisance exists under section 3718.011 of the Revised Code, the board shall so notify the property owner. If the board determines that repairs will eliminate the nuisance, the person may make those repairs to the system, but shall do so within sixty days after receiving the notice. The board shall extend the sixty-day period if weather conditions prevent the repair from being made. 110318

The property owner shall connect to the sewerage system if the board of health determines either that repairs will not eliminate the nuisance or that, after repairs have been made, the nuisance has not been eliminated. 110331
110332
110333
110334

(D)(1) Division (C) of this section does not apply to a household sewage treatment system that is either a discharging 110335
110336

system or within an area subject to final findings and orders 110337
issued by the director of environmental protection under Chapter 110338
6111. or 6117. of the Revised Code. The notification required by 110339
division (B) of this section shall be issued to an applicable 110340
property owner regardless of whether the property owner's system 110341
is a discharging system or inside such an area. 110342

(2) For purposes of this section, a discharging system is one 110343
of the following: 110344

(a) A household sewage treatment system for which coverage 110345
under an NPDES permit has been issued or granted under Chapter 110346
6111. of the Revised Code and rules adopted under it; 110347

(b) A household sewage treatment system for which coverage 110348
under an NPDES permit would be required, but that has not been 110349
issued or granted such a permit. 110350

(E) A property owner that has elected to postpone connection 110351
to a sewerage system in accordance with division (C) of this 110352
section shall ensure that the household sewage treatment system 110353
serving the property is maintained and operated in accordance with 110354
Chapter 3718. of the Revised Code and rules adopted under it for 110355
fifteen years from the date on which the property owner receives 110356
notice from the board of trustees of the regional water and sewer 110357
district that the sewerage system is substantially complete in 110358
accordance with division (G) of this section. A property owner 110359
that elects to postpone connection to a sewerage system in 110360
accordance with division (C) of this section subsequently shall 110361
abandon the household sewage treatment system serving the property 110362
in accordance with rules adopted under Chapter 3718. of the 110363
Revised Code and connect to the sewerage system not later than 110364
fifteen years from the date on which the property owner receives 110365
notice that the sewerage system is substantially complete in 110366
accordance with division (G) of this section. However, if at any 110367
time during the fifteen-year period the system is not operating in 110368

accordance with Chapter 3718. of the Revised Code or rules adopted 110369
or orders issued under that chapter, the board of health shall so 110370
notify the property owner. If the system cannot be brought into 110371
compliance with the chapter, rules, or orders through a repair 110372
made within sixty days after the property owner receives the 110373
notice, the property owner shall abandon the system and connect to 110374
the sewerage system. The board shall extend the sixty-day period 110375
if weather conditions prevent the repair from being made. 110376

If the property owner transfers ownership of the affected 110377
parcel of property during the fifteen-year period and the parcel 110378
of property has not yet been connected to the sewerage system, the 110379
transferor shall notify the transferee of the requirement to 110380
connect to the sewerage system and of the date by which connection 110381
must occur. The notice shall be a written affidavit. The county 110382
recorder shall index and record a copy of the affidavit in 110383
accordance with section 317.08 of the Revised Code and in the same 110384
manner and receive the same fees as for deeds. The transferee is 110385
subject to the connection requirement established in this 110386
division. 110387

A person that fails to comply with this division is subject 110388
to the same enforcement procedures and penalties as if the person 110389
violated Chapter 3718. of the Revised Code or rules adopted or 110390
orders issued under it. 110391

(F) If a connection tap to a sewerage system is installed at 110392
a parcel of property at the time of construction of the sewerage 110393
system, the property owner, regardless of whether the owner has 110394
elected to postpone connection to the sewerage system under this 110395
section, shall pay the costs of the installation of the connection 110396
tap in accordance with one of the following: 110397

(1) Pay the total amount at the time of the installation of 110398
the connection tap; 110399

(2) Make incremental payments in accordance with a payment plan agreed to by the board of trustees of the regional water and sewer district; 110400
110401
110402

(3) Pay the total amount at any time the parcel of property is required to connect to the sewerage system under this section. 110403
110404

(G) When a sewerage system has been substantially completed, the board of trustees of the applicable regional water and sewer district shall send a notice of the substantial completion to all property owners who elect to postpone connection to the sewerage system under this section. 110405
110406
110407
110408
110409

Sec. 6119.601. (A)(1) The board of trustees of a regional water and sewer district may apply to the Ohio public works commission created by section 164.02 of the Revised Code for an advance of money from the water and sewer fund created by section 164.13 of the Revised Code in an amount equal to that portion of the costs of an improvement authorized under this chapter that is to be financed by assessments whose collection is deferred because an owner of a parcel of property has elected to postpone connection to a sewerage system and is authorized to do so in accordance with section 6119.60 of the Revised Code. The application for such an advance of money shall be made in the manner prescribed in policies and procedures established by the director of the commission. 110410
110411
110412
110413
110414
110415
110416
110417
110418
110419
110420
110421
110422

(2) As used in this section, "assessments" includes rentals or other charges and any combination of such rentals or charges authorized under section 6119.06 or 6119.09 of the Revised Code. 110423
110424
110425

(B) The county auditor shall record an assessment deferred as described in division (A) of this section in the sewer improvement record. The record shall be kept until such time as the assessments are paid in full. During the time when an assessment is deferred, there shall be a lien on the property assessed, which 110426
110427
110428
110429
110430

shall arise at the time of recording by the county auditor and 110431
shall be in force until the assessments are paid in full. 110432

(C) The board of trustees of a regional water and sewer 110433
district regularly shall review whether property for which the 110434
collection of assessments has been deferred as described in 110435
division (A) of this section is connected to a sewerage system. 110436
Upon finding that the owner of a parcel of property is required to 110437
connect to a sewerage system for any reason, the board immediately 110438
shall collect, without interest unless payment is late as 110439
determined by the board, the full amount of the deferred 110440
assessment and, upon its collection, repay the commission the 110441
amount of any money advanced by it in regard to the parcel of 110442
property. The board shall pay all such amounts to the commission 110443
in one annual payment or during a longer period as approved by the 110444
director of the commission. The board shall pay interest annually 110445
at the interest rate per annum equal to that rate of interest 110446
published as the 20-bond index rate in "The Bond Buyer" minus four 110447
per cent per annum or at five per cent per annum, whichever rate 110448
is greater, for any money not repaid to the commission pursuant to 110449
this division within one year of the date of the disqualification 110450
of the property for the deferment that requires such repayment. 110451
The interest rate for any money not repaid to the commission shall 110452
be calculated one year from the date of the disqualification of 110453
the property for the deferment that requires such repayment and 110454
annually thereafter. 110455

(D) Unless an owner of a parcel of property is required to 110456
connect to a sewerage system because either the applicable board 110457
of health determines that a nuisance exists under section 3718.011 110458
of the Revised Code or the owner voluntarily elects to connect to 110459
the sewerage system before the end of the fifteen-year period 110460
established in division (E) of section 6119.60 of the Revised 110461
Code, the board of trustees of a regional water and sewer 110462

district, not later than two hundred ten days prior to the 110463
expiration of the deferment of assessments on that property, shall 110464
send a notice by regular or certified mail to the owner of the 110465
property that specifies the expiration date of the deferment. 110466

Sec. 6119.602. A public entity with authority to levy special 110467
assessments, rentals, charges, or a combination thereof on real 110468
property shall not collect an assessment, rental, charge, or 110469
combination thereof for purposes of sewer service on real property 110470
concerning which the owner of the property is not required to 110471
connect to a sewerage system in accordance with section 6119.60 of 110472
the Revised Code until the property owner is required to connect 110473
to the sewerage system under that section. 110474

Sec. 6131.23. The assessments estimated in accordance with 110475
section 6131.14 of the Revised Code shall be payable in not less 110476
than two semiannual installments. At the time of the final 110477
hearing, in the order approving the levying of the assessments, 110478
the board of county commissioners shall determine how long a 110479
period of time, in semiannual installments, as taxes are paid, 110480
shall be given the owners of land benefited to pay the assessments 110481
that are made for an improvement and whether or not bonds or notes 110482
shall be issued and sold in anticipation of such payments. If 110483
bonds or notes are to be issued, the interest shall be added to 110484
the assessments. If the estimated cost of the improvement does not 110485
exceed five hundred dollars, not more than two semiannual 110486
installments, as taxes are paid, shall be given to owners of lands 110487
benefited to pay the assessments that are made for the 110488
improvement. If the estimated cost of the improvement exceeds five 110489
hundred dollars, the board may determine the number of 110490
installments in which the assessments are to be paid. If any such 110491
assessment is twenty-five dollars or less, or whenever the unpaid 110492
balance of any such assessment is twenty-five dollars or less, the 110493

same shall be paid in full, and not in installments, at the time 110494
the first or next installment would otherwise become due. 110495

When assessments are payable in installments and county 110496
general funds are used to pay for the improvement, the assessment 110497
shall not exceed thirty semiannual installments, as computed by 110498
the county auditor pursuant to section 6131.49 of the Revised 110499
Code, and shall be payable upon completion of the contract. 110500

When assessments are made payable in installments and bonds 110501
or notes have been sold to pay for the improvement, interest shall 110502
be added to the installments of assessments at the same rate as is 110503
drawn by the bonds or notes issued to pay for the improvements. 110504
Any owner may pay the estimated assessments on the owner's land in 110505
cash within thirty days after the final hearing without paying any 110506
interest thereon. If the legislative authority of a political 110507
subdivision chooses to pay the assessments on all parcels within 110508
the subdivision, both public and private, in one installment, it 110509
shall pass a resolution so stating and shall send the resolution, 110510
or a copy thereof, to the board of county commissioners before 110511
making the payment. The legislative authority shall pay all 110512
subsequent maintenance assessments levied under section 6137.03 of 110513
the Revised Code if it chooses to pay the construction assessments 110514
on all parcels within the subdivision. 110515

Bonds may be sold for any repayment period that the board of 110516
county commissioners may determine proper, not to exceed thirty 110517
semiannual installments, except that for bonds sold by a board of 110518
county commissioners for soil and water conservation district 110519
improvements pursuant to section ~~1515.24~~ 940.33 of the Revised 110520
Code, the repayment period shall not exceed thirty semiannual 110521
installments. 110522

Sec. 6301.16. (A) Beginning January 1, 2016, each participant 110523
in an adult training or education program funded under the 110524

"Workforce Innovation and Opportunity Act," 29 U.S.C. 3101, shall 110525
create an account with OhioMeansJobs at the time of enrollment in 110526
the program. 110527

(B) Division (A) of this section does not apply to any 110528
individual who is legally prohibited from using a computer, has a 110529
physical or visual impairment that makes the individual unable to 110530
use a computer, or has a limited ability to read, write, speak, or 110531
understand a language in which OhioMeansJobs is available. 110532

FIRE DEPARTMENT GRANTS 113071

Of the foregoing appropriation item 800639, Fire Department 113072
Grants, up to \$5,200,000 in fiscal year 2016 and \$5,200,000 in 113073
fiscal year 2017 shall be used to make annual grants to the 113074
following eligible recipients: volunteer fire departments, fire 113075
departments that serve one or more small municipalities or small 113076
townships, joint fire districts comprised of fire departments that 113077
primarily serve small municipalities or small townships, local 113078
units of government responsible for such fire departments, and 113079
local units of government responsible for the provision of fire 113080
protection services for small municipalities or small townships. 113081
For the purposes of these grants, a private fire company, as that 113082
phrase is defined in section 9.60 of the Revised Code, that is 113083
providing fire protection services under a contract to a political 113084
subdivision of the state, is an additional eligible recipient for 113085
a training grant. 113086

Eligible recipients that consist of small municipalities or 113087
small townships that all intend to contract with the same fire 113088
department or private fire company for fire protection services 113089
may jointly apply and be considered for a grant. If a joint 113090
applicant is awarded a grant, the State Fire Marshal shall, if 113091
feasible, proportionately award the grant and any equipment 113092
purchased with grant funds to each of the joint applicants based 113093
upon each applicant's contribution to and demonstrated need for 113094
fire protection services. 113095

If the grant awarded to joint applicants is an equipment 113096
grant and the equipment to be purchased cannot be readily 113097
distributed or possessed by multiple recipients, each of the joint 113098
applicants shall be awarded by the State Fire Marshal an ownership 113099
interest in the equipment so purchased in proportion to each 113100
applicant's contribution to and demonstrated need for fire 113101
protection services. The joint applicants shall then mutually 113102

agree on how the equipment is to be maintained, operated, stored, 113103
or disposed of. If, for any reason, the joint applicants cannot 113104
agree as to how jointly owned equipment is to be maintained, 113105
operated, stored, or disposed of or any of the joint applicants no 113106
longer maintain a contract with the same fire protection service 113107
provider as the other applicants, then the joint applicants shall, 113108
with the assistance of the State Fire Marshal, mutually agree as 113109
to how the jointly owned equipment is to be maintained, operated, 113110
stored, disposed of, or owned. If the joint applicants cannot 113111
agree how the grant equipment is to be maintained, operated, 113112
stored, disposed of, or owned, the State Fire Marshal may, in its 113113
discretion, require all of the equipment acquired by the joint 113114
applicants with grant funds to be returned to the State Fire 113115
Marshal. The State Fire Marshal may then award the returned 113116
equipment to any eligible recipients. For this paragraph only, an 113117
"equipment grant" also includes a MARCS Grant. 113118

Except as otherwise provided in this section, the grants 113119
shall be used by recipients to purchase firefighting or rescue 113120
equipment or gear or similar items, to provide full or partial 113121
reimbursement for the documented costs of firefighter training, 113122
or, at the discretion of the State Fire Marshal, to cover fire 113123
department costs for providing fire protection services in that 113124
grant recipient's jurisdiction. 113125

Of the foregoing appropriation item 800639, Fire Department 113126
Grants, up to \$500,000 per fiscal year may be used to pay for the 113127
State Fire Marshal's costs of providing firefighter I 113128
certification classes or other firefighter classes approved by the 113129
Department of Public Safety in accordance with section 4765.55 of 113130
the Revised Code at no cost to selected students attending the 113131
Ohio Fire Academy or other class providers approved by the State 113132
Fire Marshal. The State Fire Marshal may establish the 113133
qualifications and selection processes for students to attend such 113134

classes by written policy, and such students shall be considered 113135
eligible recipients of fire department grants for the purposes of 113136
this portion of the grant program. 113137

For purposes of this section, a MARCS Grant is a grant for 113138
systems, equipment, or services that are a part of, integrated 113139
into, or otherwise interoperable with the Multi-Agency Radio 113140
Communication System (MARCS) operated by the state. 113141

Of the foregoing appropriation item 800639, Fire Department 113142
Grants, up to \$3,000,000 in each fiscal year may be used for MARCS 113143
Grants. MARCS Grants may be used for the payment of user access 113144
fees by the eligible recipient to access MARCS. 113145

MARCS Grant awards may be up to \$50,000 in each fiscal year 113146
per eligible recipient. Each eligible recipient may only apply, as 113147
a separate entity or as a part of a joint application, for one 113148
MARCS Grant per fiscal year. The State Fire Marshal may give a 113149
preference in the awarding of MARCS Grants to grants that will 113150
enhance the overall interoperability and effectiveness of 113151
emergency communication networks in the geographic region that 113152
includes and that is adjacent to the applicant. Eligible 113153
recipients that are or were awarded fire department grants that 113154
are not MARCS Grants may also apply for and receive MARCS Grants 113155
in accordance with criteria for the awarding of grant funds 113156
established by the State Fire Marshal. 113157

Grant awards for firefighting or rescue equipment or gear or 113158
for fire department costs of providing fire protection services 113159
shall be up to \$15,000 per fiscal year, or up to \$25,000 per 113160
fiscal year if an eligible entity serves a jurisdiction in which 113161
the Governor declared a natural disaster during the preceding or 113162
current fiscal year in which the grant was awarded. In addition to 113163
any grant funds awarded for rescue equipment or gear, or for fire 113164
department costs associated with the provision of fire protection 113165
services, an eligible entity may receive a grant for up to \$15,000 113166

per fiscal year for full or partial reimbursement of the 113167
documented costs of firefighter training. For each fiscal year, 113168
the State Fire Marshal shall determine the total amounts to be 113169
allocated for each eligible purpose. 113170

The grant program shall be administered by the State Fire 113171
Marshal in accordance with rules the State Fire Marshal adopts as 113172
part of the state fire code adopted pursuant to section 3737.82 of 113173
the Revised Code that are necessary for the administration and 113174
operation of the grant program. The rules may further define the 113175
entities eligible to receive grants and establish criteria for the 113176
awarding and expenditure of grant funds, including methods the 113177
State Fire Marshal may use to verify the proper use of grant funds 113178
or to obtain reimbursement for or the return of equipment for 113179
improperly used grant funds. To the extent consistent with this 113180
section and until such time as the rules are updated, the existing 113181
rules in the state fire code adopted pursuant to section 3737.82 113182
of the Revised Code for fire department grants under this section 113183
apply to MARCS Grants. Any amounts in appropriation item 800639, 113184
Fire Department Grants, in excess of the amount allocated for 113185
these grants may be used for the administration of the grant 113186
program. 113187

purpose of division (A)(1)(b) of that section, an inflation 114309

adjustment of 1.014 shall be used. 114310

(d) In place of the efficiency incentive otherwise calculated 114311
under division (B)(2) of section 5124.21 of the Revised Code, the 114312
ICF/IID's efficiency incentive for indirect care costs shall be 114313
the following: 114314

(i) In the case of an ICF/IID in peer group 1, \$3.69; 114315

under division (D)(1) of section 5124.21 of the Revised Code for 114324
the purpose of division (B)(1) of that section only, an inflation 114325
adjustment of 1.014 shall be used. 114326

excluding the franchise permit fee, from calendar year 2015 shall 114330
be multiplied by 1.014. 114331

(h) After all of the modifications specified in divisions 114332
(C)(2)(a) to (g) of this section have been made, the ICF/IID's 114333
total per Medicaid day rate shall be increased by the direct 114334
support personnel payment determined in accordance with division 114335
(D) of this section. 114336

(3) The fiscal year 2017 initial total per Medicaid day rate 114337
for a new ICF/IID to which this section applies shall be the 114338
ICF/IID's initial total per Medicaid day rate determined for the 114339

ICF/IID in accordance with section 5124.151 of the Revised Code 114340
for fiscal year 2017 with the following modifications: 114341

(a) In place of the amount determined under division 114342
(B)(2)(a) of section 5124.151 of the Revised Code, if there are no 114343

ICF/IID's initial per Medicaid day rate for direct care costs 114345
shall be determined as follows: 114346

(i) Determine the median of the costs per case-mix units of 114347
each peer group; 114348

(ii) Multiply the median determined under division 114349
(C)(3)(a)(i) of this section by the median annual average case-mix 114350
score for the new ICF/IID's peer group for calendar year 2015; 114351

(iii) Multiply the product determined under division 114352
(C)(3)(a)(ii) of this section by 1.014. 114353

(b) In place of the amount determined under division (B)(3) 114354
of section 5124.151 of the Revised Code, the new ICF/IID's initial 114355
per Medicaid day rate for indirect care costs shall be the 114356
following: 114357

(i) If the new ICF/IID is in peer group 1, \$68.98; 114358

(ii) If the new ICF/IID is in peer group 2, \$59.60. 114359

(c) In place of the amount determined under division (B)(4) 114360
of section 5124.151 of the Revised Code, the new ICF/IID's initial 114361
per Medicaid day rate for other protected costs shall be 115 per 114362
cent of the median rate for ICFs/IID determined under section 114363
5124.23 of the Revised Code with the modification made under 114364
division (C)(2)(g) of this section. 114365

(d) After all of the modifications specified in divisions 114366
(C)(3)(a) to (c) of this section have been made, the new ICF/IID's 114367
initial total per Medicaid day rate shall be increased by the 114368
median direct support personnel payment determined under division 114369

(D) of this section for all ICFs/IID to which this section 114370
applies. 114371

(D) An ICF/IID's direct support personnel payment for the 114372
purpose of division (C)(2)(h) of this section shall be a 114373
percentage, as determined by the Department, of the ICF/IID's per 114374
diem, desk-reviewed, actual, allowable direct care costs. In 114375
determining the percentage, the Department shall, to the greatest 114376
extent possible, do both of the following: 114377

(1) Avoid rate reductions under division (F) of this section; 114378

(2) Use the same percentage for all ICFs/IID to which this 114379
section applies. 114380

(E) A new ICF/IID's initial total modified per Medicaid day 114381
rate for fiscal year 2017 as determined under division (C)(3) of 114382
this section shall be adjusted at the applicable time specified in 114383
division (D) of section 5124.151 of the Revised Code. If the 114384
adjustment affects the ICF/IID's rate for ICF/IID services 114385
provided during fiscal year 2017, the modifications specified in 114386
division (C)(2) of this section apply to the adjustment. 114387

(F)(1) If the mean total per Medicaid day rate for all 114388
ICFs/IID to which this section applies, weighted by May 2016 114389
Medicaid days and determined under division (C) of this section as 114390
of July 1, 2016, is other than the amount determined under 114391
division (F)(2) of this section, the Department shall adjust, for 114392
fiscal year 2017, the total per Medicaid day rate for each ICF/IID 114393
to which this section applies by a percentage that is equal to the 114394
percentage by which the mean total per Medicaid day rate is 114395
greater or less than the amount determined under division (F)(2) 114396
of this section. 114397

(2) The amount to be used for the purpose of division (F)(1) 114398
of this section shall be not less than \$288.27. The department, in 114399
its sole discretion, may use a larger amount for the purpose of 114400

that division. In determining whether to use a larger amount, the department may consider any of the following:

(a) The reduction in the total Medicaid-certified capacity of all ICFs/IID that occurs in fiscal year 2016, and the reduction that is projected to occur in fiscal year 2017, as a result of either of the following:

(i) A downsizing pursuant to a plan approved by the Department under section 5123.042 of the Revised Code;

(ii) A conversion of beds to providing home and community-based services under the Individual Options waiver pursuant to section 5124.60 or 5124.61 of the Revised Code.

(b) The increase in Medicaid payments made for ICF/IID services provided during fiscal year 2016, and the increase that is projected to occur in fiscal year 2017, as a result of the modifications to the payment rates made under section 5124.101 of the Revised Code;

(c) The total reduction in the number of ICF/IID beds that occurs pursuant to section 5124.67 of the Revised Code;

(d) Other factors the Department determines to be relevant.

(G) If the United States Centers for Medicare and Medicaid Services requires that the franchise permit fee be reduced or eliminated, the Department shall reduce the amount it pays ICF/IID providers under this section as necessary to reflect the loss to the state of the revenue and federal financial participation generated from the franchise permit fee.

(H) Of the foregoing appropriation items 653407, Medicaid Services, 653606, ICF/IID and Waiver Match, and 653653, ICF/IID, portions shall be used to pay the Medicaid payment rates determined in accordance with this section for ICF/IID services provided during fiscal year 2017.

message regarding Am. Sub. H.B. 1 of the 128th General Assembly 114628
transmitted to the Clerk of the House of Representatives on July 114629
17, 2009. The actual veto removed the section from the title and 114630
enacting clause of H.B. 1 and an earmark related to the section. 114631
However, the actual veto inadvertently showed only division (C) of 114632
the section, rather than the entire section, as being vetoed. 114633

Section 259.250. SYSTEM TRANSFORMATION SUPPORTS 114634

established priorities. Division (B) of section 127.16 of the 114646
Revised Code shall not apply to a purchase made under this 114647
section. 114648

Not later than July 31, 2015, the Department of Developmental 114654
Disabilities shall issue a request for proposals for an entity, 114655
pursuant to a contract with the Department, to develop a plan to 114656
transform the formula used to determine Medicaid payment rates for 114657
ICF/IID services. Any such contract the Department enters into 114658
shall require all of the following: 114659

(A) That the plan do all of the following: 114660

(1) Include quality incentive measures; 114661

(2) Have payments be based on health outcomes; 114662

(3) Promote ICF/IID services that are provided in the most 114663
integrated setting appropriate to the needs of each Medicaid 114664
recipient receiving the services; 114665

(4) Recommend specific changes to the resident assessment 114666
instrument specified in rules authorized by section 5124.191 of 114667

(B) That the entity developing the plan consider the 114670
recommendations of both of the following: 114671

(1) The ICF/IID Medicaid Rate Workgroup that was created to 114672
assist with the study required by Section 309.30.80 of Am. Sub. 114673
H.B. 153 of the 129th General Assembly and retained pursuant to 114674
Section 259.230 of Am. Sub. H.B. 59 of the 130th General Assembly; 114675

(2) The ICF/IID Quality Incentive Workgroup created pursuant 114676
to the section of this act titled "ICF/IID QUALITY INCENTIVE 114677
WORKGROUP." 114678

implementation of the transformation on July 1, 2017. 114680

Section 259.270. ICF/IID QUALITY INCENTIVE WORKGROUP 114681

(A) As used in this section, "ICF/IID" and "ICF/IID services" 114682
have the same meanings as in section 5124.01 of the Revised Code. 114683

Awards under divisions (D) and (E) of this section shall be distributed on a per-pupil basis, and in accordance with division (I) of this section. The Department may adjust the per-pupil amount so that the per-pupil amount multiplied by the number of eligible children enrolled and receiving services on the first day of December or the business day closest to that date equals the amount allocated under this section.

(F) Costs for developing and administering an early childhood education program may not exceed fifteen per cent of the total approved costs of the program.

All providers shall maintain such fiscal control and accounting procedures as may be necessary to ensure the disbursement of, and accounting for, these funds. The control of funds provided in this program, and title to property obtained, shall be under the authority of the approved provider for purposes provided in the program unless, as described in division (K) of this section, the program waives its right for funding or a program's funding is eliminated or reduced due to its inability to meet financial or early learning program standards. The approved provider shall administer and use such property and funds for the purposes specified.

(G) The Department may examine a provider's financial and program records. If the financial practices of the program are not in accordance with standard accounting principles or do not meet financial standards outlined under division (F) of this section, or if the program fails to substantially meet the early learning program standards, meet a quality rating level in the tiered quality rating and improvement system developed under section 5104.30 of the Revised Code as prescribed by the Department, or exhibits below average performance as measured against the standards, the early childhood education program shall propose and implement a corrective action plan that has been approved by the

Department. The approved corrective action plan shall be signed by 114988
the chief executive officer and the executive of the official 114989
governing body of the provider. The corrective action plan shall 114990
include a schedule for monitoring by the Department. Such 114991
monitoring may include monthly reports, inspections, a timeline 114992
for correction of deficiencies, and technical assistance to be 114993
provided by the Department or obtained by the early childhood 114994
education program. The Department may withhold funding pending 114995
corrective action. If an early childhood education program fails 114996
to satisfactorily complete a corrective action plan, the 114997
Department may deny expansion funding to the program or withdraw 114998
all or part of the funding to the program and establish a new 114999
eligible provider through a selection process established by the 115000
Department. 115001

(H)(1) If the early childhood education program is licensed 115002
by the Department of Education and is not highly rated, as 115003
determined by the Director of Job and Family Services, under the 115004
tiered quality rating and improvement system described in section 115005
5104.30 of the Revised Code, the program shall do all of the 115006
following: 115007

(a) Meet teacher qualification requirements prescribed by 115008
section 3301.311 of the Revised Code; 115009

(b) Align curriculum to the early learning content standards 115010
developed by the Department; 115011

(c) Meet any child or program assessment requirements 115012
prescribed by the Department; 115013

(d) Require teachers, except teachers enrolled and working to 115014
obtain a degree pursuant to section 3301.311 of the Revised Code, 115015
to attend a minimum of twenty hours every two years of 115016
professional development as prescribed by the Department; 115017

(e) Document and report child progress as prescribed by the 115018

Department; 115019

(f) Meet and report compliance with the early learning 115020
program standards as prescribed by the Department; 115021

(g) Participate in the tiered quality rating and improvement 115022
system developed under section 5104.30 of the Revised Code. 115023
Effective July 1, 2016, all programs shall be rated through the 115024
system. 115025

(2) If the program is highly rated, as determined by the 115026
Director of Job and Family Services, under the tiered quality 115027
rating and improvement system developed under section 5104.30 of 115028
the Revised Code, the program shall comply with the requirements 115029
of that system. 115030

(I) Per-pupil funding for programs subject to this section 115031
shall be sufficient to provide eligible children with services for 115032
a standard early childhood schedule which shall be defined in this 115033
section as a minimum of twelve and one-half hours per school week 115034
as defined in section 3313.62 of the Revised Code for the minimum 115035
school year as defined in sections 3313.48, 3313.481, and 3313.482 115036
of the Revised Code. Nothing in this section shall be construed to 115037
prohibit program providers from utilizing other funds to serve 115038
eligible children in programs that exceed the twelve and one-half 115039
hours per week or that exceed the minimum school year. For any 115040
provider for which a standard early childhood education schedule 115041
creates a hardship or for which the provider shows evidence that 115042
the provider is working in collaboration with a preschool special 115043
education program, the provider may submit a waiver to the 115044
Department requesting an alternate schedule. If the Department 115045
approves a waiver for an alternate schedule that provides services 115046
for less time than the standard early childhood education 115047
schedule, the Department may reduce the provider's annual 115048
allocation proportionately. Under no circumstances shall an annual 115049
allocation be increased because of the approval of an alternate 115050

schedule. 115051

(J) For fiscal year 2016, each provider shall develop a 115052
sliding fee scale based on family incomes and shall charge 115053
families who earn more than two hundred per cent of the federal 115054
poverty guidelines, as defined in division (A)(3) of section 115055
5101.46 of the Revised Code, for the early childhood education 115056
program. 115057

The Department shall conduct an annual survey of each 115058
provider to determine whether the provider charges families 115059
tuition or fees, the amount families are charged relative to 115060
family income levels, and the number of families and students 115061
charged tuition and fees for the early childhood program. 115062

(K) If an early childhood education program voluntarily 115063
waives its right for funding, or has its funding eliminated for 115064
not meeting financial standards or the early learning program 115065
standards, the provider shall transfer control of title to 115066
property, equipment, and remaining supplies obtained through the 115067
program to providers designated by the Department and return any 115068
unexpended funds to the Department along with any reports 115069
prescribed by the Department. The funding made available from a 115070
program that waives its right for funding or has its funding 115071
eliminated or reduced may be used by the Department for new grant 115072
awards or expansion grants. The Department may award new grants or 115073
expansion grants to eligible providers who apply. The eligible 115074
providers who apply must do so in accordance with the selection 115075
process established by the Department. 115076

(L) Eligible expenditures for the Early Childhood Education 115077
Program shall be claimed each fiscal year to help meet the state's 115078
TANF maintenance of effort requirement. The Superintendent of 115079
Public Instruction and the Director of Job and Family Services 115080
shall enter into an interagency agreement to carry out the 115081
requirements under this division, which shall include developing 115082

reporting guidelines for these expenditures. 115083

(M)(1) For fiscal year 2017, the Department of Education and 115084
the Department of Job and Family Services shall establish the 115085
following in common between early childhood education programs and 115086
publicly funded child care: 115087

(a) An application; 115088

(b) Program eligibility; 115089

(c) Funding; 115090

(d) An attendance policy; 115091

(e) An attendance tracking system. 115092

(2) Beginning July 1, 2016, in accordance with section 115093
5104.34 of the Revised Code, eligible families may receive 115094
publicly funded child care beyond the standard early childhood 115095
schedule defined in division (I) of this section. 115096

(3) All providers, agencies, and school districts 115097
participating in the early childhood education program or 115098
providing care to eligible families beyond the standard early 115099
childhood schedule shall follow the common policies established 115100
under this division. 115101

Section 263.30. INFORMATION TECHNOLOGY DEVELOPMENT AND 115102
SUPPORT 115103

The foregoing appropriation item 200420, Information 115104
Technology Development and Support, shall be used to support the 115105
development and implementation of information technology solutions 115106
designed to improve the performance and services of the Department 115107
of Education. Funds may be used for personnel, maintenance, and 115108
equipment costs related to the development and implementation of 115109
these technical system projects. Implementation of these systems 115110
shall allow the Department to provide greater levels of assistance 115111

to school districts and to provide more timely information to the public, including school districts, administrators, and legislators. Funds may also be used to support data-driven decision-making and differentiated instruction, as well as to communicate academic content standards and curriculum models to schools through web-based applications.

Section 263.40. ALTERNATIVE EDUCATION PROGRAMS

Of the foregoing appropriation item 200421, Alternative Education Programs, up to \$1,250,000 in each fiscal year shall be used to make payments under sections 3314.38, 3317.23, 3317.24, and 3345.86 of the Revised Code, as amended by this act.

Of the foregoing appropriation item 200421, Alternative Education Programs, \$400,000 in each fiscal year shall be used to support Jobs for Ohio's Graduates.

The remainder of appropriation item 200421, Alternative Education Programs, shall be used for the renewal of successful implementation grants and for competitive matching grants to school districts for alternative educational programs for existing and new at-risk and delinquent youth. Programs shall be focused on youth in one or more of the following categories: those who have been expelled or suspended, those who have dropped out of school or who are at risk of dropping out of school, those who are habitually truant or disruptive, or those on probation or on parole from a Department of Youth Services facility. Grants shall be awarded only to programs in which the grant will not serve as the program's primary source of funding. These grants shall be administered by the Department of Education.

The Department of Education may waive compliance with any minimum education standard established under section 3301.07 of the Revised Code for any alternative school that receives a grant under this section on the grounds that the waiver will enable the

program to more effectively educate students enrolled in the 115143
alternative school. 115144

Of the foregoing appropriation item 200421, Alternative 115145
Education Programs, a portion may be used for program 115146
administration, monitoring, technical assistance, support, 115147
research, and evaluation. 115148

Section 263.50. SCHOOL MANAGEMENT ASSISTANCE 115149

Auditor of State in consultation with the Department of Education 115152
for expenses incurred in the Auditor of State's role relating to 115153
fiscal caution, fiscal watch, and fiscal emergency activities as 115154
defined in Chapter 3316. of the Revised Code, unless an amount 115155
less than \$1,000,000 is needed and mutually agreed to by the 115156
Department and the Auditor of State. This set-aside may also be 115157
used by the Auditor of State to conduct performance audits of 115158
other school districts with priority given to districts in fiscal 115159
distress. Districts in fiscal distress shall be determined by the 115160
Auditor of State and shall include districts that the Auditor of 115161
State, in consultation with the Department of Education, 115162
determines are employing fiscal practices or experiencing 115163
budgetary conditions that could produce a state of fiscal watch or 115164
fiscal emergency. 115165

The remainder of appropriation item 200422, School Management 115166
Assistance, shall be used by the Department of Education to 115167
provide fiscal technical assistance and inservice education for 115168
school district management personnel and to administer, monitor, 115169

this appropriation shall administer the development of reports, 115177
analyses, and briefings to inform education policymakers of 115178
current trends in education practice, efficient and effective use 115179
of resources, and evaluation of programs to improve education 115180
results. A portion of these funds shall be used to maintain a 115181
longitudinal database to support the assessment of the impact of 115182
policies and programs on Ohio's education and workforce 115183
development systems. The research efforts supported by this 115184
appropriation item shall be used to supply information and 115185
analysis of data to and in consultation with the General Assembly 115186
and other state policymakers, including the Office of Budget and 115187

the Legislative Service Commission. 115189

The Department of Education may use funding from this 115190
appropriation item to purchase or contract for the development of 115191
software systems or contract for policy studies that will assist 115192
in the provision and analysis of policy-related information. 115193
Funding from this appropriation item also may be used to monitor 115194
and enhance quality assurance for research-based policy analysis 115195

the Internet. In each fiscal year the Department of Education 115219
shall use these funds to assist information technology centers or 115220

pursuant to the student's individualized education program, minus 117008

A school district paying tuition under this division shall 117011
not include the child for whom tuition is paid in the district's 117012

3317.03 of the Revised Code. 117014

(D) In each of fiscal years 2016 and 2017, the Department of 117015
Education shall reimburse, from appropriations made for the 117016
purpose, a school district, educational service center, or 117017
residential treatment facility, whichever is providing the 117018
service, that has demonstrated that it is in compliance with the 117019
funding criteria for each served child for whom a school district 117020
must pay tuition under division (C) of this section. The amount of 117021
the reimbursement shall be the amount appropriated for this 117022
purpose divided by the full-time equivalent number of children for 117023
whom reimbursement is to be made. 117024

(E) Funds provided to a school district, educational service 117025
center, or residential treatment facility under this section shall 117026

sources for which the school district, service center, or 117028

(F) The Department of Education shall track the utilization 117030

health issues and countable incomes not exceeding one hundred 119608
fifty per cent of the federal poverty line. A Medicaid recipient 119609
is not required to undergo a level of care determination to be 119610
eligible for the state plan home and community-based services. 119611

The Medicaid Director may adopt rules under section 5164.02 119612

Revised Code section or provision of a Revised Code section that 119616
is cited in the Ohio Administrative Code as the statute that 119617
authorizes the adoption of a rule. 119618

The Medicaid Director is not required to amend any rule for 119619
the sole purpose of updating the citation in the Ohio 119620
Administrative Code to the rule's authorizing statute to reflect 119621
that this act renumbers the authorizing statute or relocates it to 119622
another Revised Code section. Such citations shall be updated as 119623
the Director amends the rules for other purposes. 119624

Section 327.210. NON-EMERGENCY MEDICAL TRANSPORTATION 119625

In order to ensure access to a non-emergency medical 119626
transportation brokerage program established pursuant to section 119627

the Director of Budget and Management shall adjust, using the 119635
federal reimbursement rate, the federal share appropriations of 119636

General Revenue Fund appropriation line 651525, Medicaid/Health Care Services, within the Department of Medicaid, and the Medicaid Program Support Fund (3F01) appropriation line 655624, Medicaid Program Support, within the Department of Job and Family Services. The Director of Medicaid shall transmit to the Medicaid Program Support Fund (3F01) the federal funds which the Department of Medicaid, as the state's sole point of contact with the federal government for Medicaid reimbursements, has drawn for this transaction.

Section 327.220. PUBLIC ASSISTANCE ELIGIBILITY DETERMINATION SYSTEM IMPLEMENTATION

Upon the request of the Medicaid Director, the Director of Budget and Management may transfer up to \$7,200,000 of state share appropriations in each fiscal year between General Revenue Fund appropriation item 651525, Medicaid/Health Care Services, within the Department of Medicaid, and 655522, Medicaid Program Support - Local, within the Department of Job and Family Services. If such a transfer occurs, the Director of Budget and Management shall adjust, using the federal reimbursement rate, the federal share appropriations of General Revenue Fund appropriation item 651525, Medicaid/Health Care Services, within the Department of Medicaid, and the Medicaid Program Support Fund (Fund 3F01) appropriation item 655624, Medicaid Program Support, within the Department of Job and Family Services. The Director of Medicaid shall transmit to the Medicaid Program Support Fund (3F01) the federal funds which the Department of Medicaid, as the state's sole point of contact with the federal government for Medicaid reimbursements, has drawn for this transaction.

Any increase in funding shall be provided to county departments of job and family services and shall only be used for costs related to transitioning to a new public assistance

eligibility determination system. These funds shall not be used 119668
for existing and ongoing operating expenses. The Medicaid Director 119669
shall establish criteria for distributing these funds and for 119670
county departments of job and family services to submit allowable 119671
expenses. 119672

County departments of job and family services shall comply 119673
with new roles, processes, and responsibilities related to the new 119674
eligibility determination system. County departments of job and 119675
family services shall report to the Ohio Department of Job and 119676
Family Services and the Ohio Department of Medicaid, on a schedule 119677
determined by the Medicaid Director, how the funds were used. 119678

Section 327.230. ABOLISHMENT OF THE HOME AND COMMUNITY-BASED 119679

119728

(c) Pursuant to rules adopted under section 5164.02 of the Revised Code, it is exempt from the all patient refined diagnosis related groups (APR-DRG) and prospective payment methodology the Department of Medicaid uses to determine Medicaid payment rates for inpatient services provided by other types of hospitals not also excluded from the methodology. 119729
119730
119731
119732
119733
119734

(2) "Nursing facility," "nursing facility services," "nursing home," and "provider" have the same meanings as in section 5165.01 of the Revised Code. 119735
119736
119737

(B) Not later than thirty days after the effective date of this section, the Department of Medicaid shall submit to the United States Secretary of Health and Human Services a request for a Medicaid Waiver to operate, beginning January 1, 2016, a two-year demonstration project under which Medicaid recipients receive nursing facility services in participating nursing facilities in lieu of hospital inpatient services in freestanding long-term care hospitals. 119738
119739

119741
119742
119743

constructed, licensed as a nursing home, and certified as a 119759
nursing facility on or after January 1, 2010. 119760

the demonstration project, the Department shall select one nursing 119762
facility located in Cuyahoga county, one located in Franklin 119763

meet to be admitted to the nursing facility under the 119771
demonstration project. The provider shall give the criteria to 119772
each hospital that is located within fifty miles of the nursing 119773
facility and routinely refers Medicaid patients to freestanding 119774
long-term care hospitals. A hospital that receives the criteria 119775
shall consider the criteria when determining where to refer a 119776
Medicaid recipient who needs the types of services freestanding 119777
long-term care hospitals provide. 119778

(2) A Medicaid recipient may refuse a referral to a 119779

that the recipient meets the nursing facility's criteria before 119784
admitting the recipient. 119785

(D) CALCULATION OF STATE SHARE OF INSTRUCTION FORMULA 121590
ENTITLEMENTS AND ADJUSTMENTS FOR UNIVERSITIES 121591

(1) Of the foregoing appropriation item 235501, State Share 121592
of Instruction, 50 per cent of the appropriation for universities, 121593
as established in division (A)(2) of the section of this act 121594
entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2016 AND 121595
2017," in each fiscal year shall be reserved for support of 121596
associate, baccalaureate, master's, and professional level degree 121597
attainment. 121598

The degree attainment funding shall be allocated to 121599
universities in proportion to each campus's share of the total 121600
statewide degrees granted, weighted by the cost of the degree 121601
programs. The degree cost calculations shall include the model 121602
cost weights for the science, technology, engineering, 121603
mathematics, and medicine models as established in division (C) of 121604

this section. 121605

For degrees including credits earned at multiple 121606
institutions, degree attainment funding shall be allocated to 121607
universities in proportion to each campus's share of the cost of 121608
earned credits for the degree. Each institution shall receive its 121609
prorated share of degree funding for credits earned at that 121610
institution. Cost of credits not earned at a university main or 121611
regional campus shall be credited to the degree-granting 121612
institution for the first degree earned by a student at each 121613
degree level. The cost credited to the degree-granting institution 121614
shall not be eligible for at-risk weights and shall be limited to 121615
12.5 per cent of the degree costs. However, the 12.5 per cent 121616
limitation shall not apply if the student transferred 12 or fewer 121617
credits into the degree granting institution. 121618

In calculating the subsidy entitlements for degree attainment 121619
for universities, the Chancellor of Higher Education shall use the 121620
following count of degrees and degree costs: 121621

(a) The subsidy eligible undergraduate degrees shall be 121622
defined as follows: 121623

(i) The subsidy eligible degrees conferred to students 121624
identified as residents of the state of Ohio in any term of their 121625
studies, as reported through the Higher Education Information 121626
(HEI) system student enrollment file, shall be weighted by a 121627
factor of 1. 121628

(ii) The subsidy eligible degrees conferred to students 121629
identified as out-of-state residents during all terms of their 121630
studies, as reported through the Higher Education Information 121631
(HEI) system student enrollment file, who remain in the state of 121632
Ohio at least one year after graduation, as calculated based on 121633
the three-year average in-state residency rate for out-of-state 121634
graduates at each institution, shall be weighted by a factor of 50 121635

per cent. 121636

(iii) Subsidy eligible associate degrees are defined as those 121637
earned by students attending any state-supported university main 121638
or regional campus. 121639

(b) In calculating each campus's count of degrees, the 121640
Chancellor of Higher Education shall use the three-year average 121641
associate, baccalaureate, master's, and professional degrees 121642
awarded for the three-year period ending in the prior year. 121643

(i) If a student is awarded an associate degree and, 121644
subsequently, is awarded a baccalaureate degree, the amount funded 121645
for the baccalaureate degree shall be limited to either the 121646
difference in cost between the cost of the baccalaureate degree 121647
and the cost of the associate degree paid previously, or if the 121648
associate degree has a higher cost than the baccalaureate degree, 121649
the cost of the credits earned by the student after the associate 121650
degree was awarded. 121651

(ii) If a student earns an associate degree then, 121652
subsequently, earns a baccalaureate degree, the associate degree 121653
granting institution shall only receive the prorated share of the 121654
baccalaureate degree funding for the credits earned at that 121655
institution after the associate degree is awarded. 121656

(iii) If a student earns more than one degree at the same 121657
institution at the same degree level in the same fiscal year, the 121658
funding for the highest cost degree shall be prorated among 121659
institutions based on where the credits were earned and additional 121660
degrees shall be funded at 25 per cent of the cost of the degrees. 121661

(c) Associate degrees and baccalaureate degrees earned by a 121662
student defined as at-risk based on academic underpreparation, 121663
age, minority status, or financial status, shall be defined as 121664
degrees earned by an at-risk student and shall be weighted by the 121665
following: 121666

A student-specific degree completion weight, where the weight is calculated based on the at-risk factors of the individual student, determined by calculating the difference between the percentage of students with each risk factor who earned a degree and the percentage of non-at-risk students who earned a degree.

(2) Of the foregoing appropriation item 235501, State Share of Instruction, up to 11.78 per cent of the appropriation for universities, as established in division (A)(2) of the section of this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2016 and 2017," in each fiscal year shall be reserved for support of doctoral programs to implement the funding recommendations made by representatives of the universities. The amount so reserved shall be referred to as the doctoral set-aside.

In fiscal year 2016, NEOMED shall receive \$150,000 and in fiscal year 2017 NEOMED shall receive \$200,000 of the doctoral set-aside funding allocation with the remaining doctoral set-aside allocated to universities as follows:

(a) 47.50 per cent of the remaining doctoral set-aside in fiscal year 2016 and 40 per cent of the remaining doctoral set-aside in fiscal year 2017 shall be allocated to universities in proportion to their share of the statewide total of each state institution's three-year average Doctoral I equivalent FTEs as calculated on an institutional basis using historical FTEs for the period fiscal year 1994 through fiscal year 1998 with annualized FTEs for fiscal years 1994 through 1997 and all-term FTEs for fiscal year 1998 as adjusted to reflect the effects of doctoral review and subsequent changes in Doctoral I equivalent enrollments. For the purposes of this calculation, Doctoral I equivalent FTEs shall equal the sum of Doctoral I FTEs plus 1.5 times the sum of Doctoral II FTEs.

(b) 35 per cent of the doctoral set-aside in fiscal year 2016 and 40 per cent of the doctoral set-aside in fiscal year 2017

shall be allocated to universities in proportion to each campus's 121699
share of the total statewide doctoral degrees, weighted by the 121700
cost of the doctoral discipline. In calculating each campus's 121701
doctoral degrees the Chancellor of Higher Education shall use the 121702
three-year average doctoral degrees awarded for the three-year 121703
period ending in the prior year. 121704

(c) 17.5 per cent of the doctoral set-aside in fiscal year 121705
2016 and 20 per cent of the doctoral set-aside in fiscal year 2017 121706
shall be allocated to universities in proportion to their share of 121707
research grant activity. Funding for this component shall be 121708
allocated to eligible universities in proportion to their share of 121709
research grant activity published by the National Science 121710
Foundation. Grant awards from the Department of Health and Human 121711
Services shall be weighted at 50 per cent. 121712

(3) Of the foregoing appropriation item 235501, State Share 121713
of Instruction, 6.41 per cent of the appropriation for 121714
universities, as established in division (A)(2) of the section of 121715
this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 121716
2016 AND 2017," in each fiscal year shall be reserved for support 121717
of Medical II FTEs. The amount so reserved shall be referred to as 121718
the medical II set-aside. 121719

The medical II set-aside shall be allocated to universities 121720
in proportion to their share of the statewide total of each state 121721
institution's three-year average Medical II FTEs as calculated in 121722
division (A) of this section. 121723

In calculating the core subsidy entitlements for Medical II 121724
models only, students repeating terms may be no more than five per 121725
cent of current year enrollment. 121726

(4) Of the foregoing appropriation item 235501, State Share 121727
of Instruction, 1.48 per cent of the appropriation for 121728
universities, as established in division (A)(2) of the section of 121729

this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 121730
2016 AND 2017," in each fiscal year shall be reserved for support 121731
of Medical I FTEs. The amount so reserved shall be referred to as 121732
the medical I set-aside. 121733

The medical I set-aside shall be allocated to universities in 121734
proportion to their share of the statewide total of each state 121735
institution's three-year average Medical I FTEs as calculated in 121736
division (A) of this section. 121737

(5) In calculating the course completion funding for 121738
universities, the Chancellor of Higher Education shall use the 121739
following count of FTE students: 121740

(a) The subsidy eligible enrollments by model shall equal 121741
only those FTE students who successfully complete the course as 121742
defined and reported through the Higher Education Information 121743
(HEI) system course enrollment file; 121744

(b) Those undergraduate FTE students with successful course 121745
completions, identified in division (D)(5)(a) of this section, 121746
that had an expected family contribution less than 2190 or were 121747
determined to have been academically underprepared shall be 121748
defined as at-risk students and shall have their eligible 121749
completions weighted by the following: 121750

(i) Campus-specific course completion indexes, where the 121751
indexes are calculated based upon the number of at-risk students 121752
enrolled during the 2012 - 2014 academic years; and 121753

(ii) A statewide average at-risk course completion weight 121754
determined for each subsidy model. The statewide average at-risk 121755
course completion weight shall be determined by calculating the 121756
difference between the percentage of traditional students who 121757
complete a course and the percentage of at-risk students who 121758
complete the same course. 121759

(c) The course completion earnings shall be determined by 121760

multiplying the amounts listed above in divisions (B) and (C) of 121761
this section by the subsidy-eligible FTEs for the three-year 121762
period ending in the prior year for all models except Medical I, 121763
Medical II, Doctoral I, and Doctoral II. 121764

(d) For universities, the Chancellor of Higher Education 121765
shall compute the course completion earnings by dividing the 121766
appropriation for universities, established in division (A)(2) of 121767
the section of this act entitled "STATE SHARE OF INSTRUCTION FOR 121768
FISCAL YEARS 2016 AND 2017," and adjusted pursuant to division (B) 121769
of that section, less the degree attainment funding as calculated 121770
in division (D)(1) of this section, less the doctoral set-aside, 121771
less the medical I set-aside, and less the medical II set-aside, 121772
by the sum of all campuses' instructional costs as calculated in 121773
division (D)(5) of this section. 121774

(6) In addition to the Access Challenge funding as described 121775
in divisions (B)(1) and (B)(2) of the section of this act entitled 121776
"STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2016 AND 2017," 121777
doctoral set-aside, medical I set-aside, medical II set-aside, and 121778
the degree attainment allocation determined in division (D)(1) of 121779
this section and the course completion earnings calculated in 121780
division (D)(5) of this section, an allocation based on a 121781
facility-based plant operations and maintenance (POM) subsidy 121782
shall be made. 121783

(a) In fiscal year 2016, for each eligible university, the 121784
amount of the POM allocation shall be two-thirds of the POM 121785
distributed in fiscal year 2015 based on what each campus received 121786
in the fiscal year 2009 POM allocation. 121787

(b) In fiscal year 2017, for each eligible university, the 121788
amount of the POM allocation shall be one-third of the POM 121789
distributed in fiscal year 2015 based on what each campus received 121790
in the fiscal year 2009 POM allocation. 121791

(c) Any POM allocations required by this division shall be 121792
funded by proportionately reducing formula earnings, including the 121793
POM allocations, for all universities. 121794

(d) POM allocations shall expire on June 30, 2017. 121795

(E) CALCULATION OF STATE SHARE OF INSTRUCTION FORMULA 121796
ENTITLEMENTS AND ADJUSTMENTS FOR COMMUNITY COLLEGES 121797

(1) Of the foregoing appropriation item 235501, State Share 121798
of Instruction, 50 per cent of the appropriation for 121799
state-supported community colleges, state community colleges, and 121800
technical colleges as established in division (A)(1) of the 121801
section of the act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL 121802
YEARS 2016 AND 2017," in each fiscal year shall be reserved for 121803
course completion FTEs as aggregated by the subsidy models defined 121804
in division (B) of this section. 121805

The course completion funding shall be allocated to campuses 121806
in proportion to each campus's share of the total sector's course 121807
completions, weighted by the instructional cost of the subsidy 121808
models. 121809

To calculate the subsidy entitlements for course completions 121810
at community colleges, state community colleges, and technical 121811
colleges, the Chancellor of Higher Education shall use the 121812
following calculations: 121813

(a) In calculating each campus's count of FTE course 121814
completions, the Chancellor of Higher Education shall use a 121815
three-year average for course completions for the three year 121816
period ending in the prior year. 121817

(b) The subsidy eligible enrollments by model shall equal 121818
only those FTE students who successfully complete the course as 121819
defined and reported through the Higher Education Information 121820
(HEI) system course enrollment file. 121821

(c) Those students with successful course completions, that 121822
are or have been Pell eligible at any time while enrolled at a 121823
state institution of higher education, meet the definition of 121824
minority status, are enrolled at a given institution after age 24, 121825
or are academically underprepared shall be defined as access 121826
students and shall have their eligible course completions weighted 121827
by a statewide access weight. The weight given to any student that 121828
meets any access factor shall be 15 per cent for all course 121829
completions. 121830

(d) The model costs as used in the calculation shall be 121831
augmented by the model weights for science, technology, 121832
engineering, mathematics, and medicine models as established in 121833
division (C) of this section. 121834

(2) Of the foregoing appropriation item 235501, State Share 121835
of Instruction, 25 per cent of the appropriation for 121836
state-supported community colleges, state community colleges, and 121837
technical colleges as established in division (A)(1) of the 121838
section of this act entitled "STATE SHARE OF INSTRUCTION FOR 121839
FISCAL YEARS 2016 AND 2017," in each fiscal year shall be reserved 121840
for colleges in proportion to their share of college student 121841
success factors as recommended in formal communication from 121842
community college presidents to the Chancellor of Higher Education 121843
dated December 31, 2013, using a three year average. 121844

(3) Of the foregoing appropriation item 235501, State Share 121845
of Instruction, 25 per cent of the appropriation for 121846
state-supported community colleges, state community colleges, and 121847
technical colleges shall be reserved for completion milestones as 121848
identified in formal communication from community college 121849
presidents to the Chancellor of Higher Education dated December 121850
31, 2013. 121851

Completion milestones shall include associate degrees, 121852
certificates over 30 credit hours approved by the Department of 121853

Higher Education, and students transferring to any four-year 121854
institution with at least 12 credit hours earned at that community 121855
college, state community college, or technical college. 121856

The completion milestone funding shall be allocated to 121857
colleges in proportion to each institution's share of the sector's 121858
total completion milestones, weighted by the instructional cost of 121859
the associate degree, certificate, or transfer models. Costs for 121860
certificates over 30 hours shall be weighted one-half of the 121861
associate degree model costs and transfers with at least 12 credit 121862
hours shall be weighted one-fourth of the average cost for all 121863
associate degree model costs. 121864

(4) To calculate the subsidy entitlements for completions at 121865
community colleges, state community colleges, and technical 121866
colleges, the Chancellor of Higher Education shall use the 121867
following calculations: 121868

(a) In calculating each campus's count of completions, the 121869
Chancellor of Higher Education shall use a three-year average for 121870
completion metrics. 121871

(b) The subsidy eligible completions by model shall equal 121872
only those students who successfully complete an associate degree 121873
or certificate over 30 credit hours, or transfer to any four-year 121874
institution with at least 12 credit hours as defined and reported 121875
in the Higher Education Information (HEI) system. 121876

(c) Those students with successful completions for associate 121877
degrees, certificates over 30 credit hours, or transfer to any 121878
four-year institution with at least 12 credit hours, identified in 121879
division (E)(3) of this section, that are or have been Pell 121880
eligible at any time while enrolled at a state institution of 121881
higher education, meet the definition of minority status, first 121882
enrolled at a given institution after age 24, or are academically 121883
underprepared, shall be defined as access students and shall have 121884

their eligible completions weighted by a statewide access weight. 121885
The weight shall be 25 per cent for students with one access 121886
factor, 66 per cent for students with two access factors, 150 per 121887
cent for students with three access factors, and 200 per cent for 121888
students with four access factors. 121889

(d) For those students who complete more than one completion 121890
metric, funding for each additional associate degree or 121891
certificate over 30 credit hours approved by the Department of 121892
Higher Education shall be funded at 50 per cent of the model costs 121893
as defined in division (3) of this section. 121894

(F) CAPITAL COMPONENT DEDUCTION 121895

After all other adjustments have been made, state share of 121896
instruction earnings shall be reduced for each campus by the 121897
amount, if any, by which debt service charged in Am. H.B. 748 of 121898
the 121st General Assembly, Am. Sub. H.B. 850 of the 122nd General 121899
Assembly, Am. Sub. H.B. 640 of the 123rd General Assembly, H.B. 121900
675 of the 124th General Assembly, Am. Sub. H.B. 16 of the 126th 121901
General Assembly, Am. Sub. H.B. 699 of the 126th General Assembly, 121902
Am. Sub. H.B. 496 of the 127th General Assembly, and Am. Sub. H.B. 121903
562 of the 127th General Assembly for that campus exceeds that 121904
campus's capital component earnings. The sum of the amounts 121905
deducted shall be transferred to appropriation item 235552, 121906
Capital Component, in each fiscal year. 121907

(G) EXCEPTIONAL CIRCUMSTANCES 121908

Adjustments may be made to the state share of instruction 121909
payments and other subsidies distributed by the Chancellor of 121910
Higher Education to state colleges and universities for 121911
exceptional circumstances. No adjustments for exceptional 121912
circumstances may be made without the recommendation of the 121913
Chancellor and the approval of the Controlling Board. 121914

(H) APPROPRIATION REDUCTIONS TO THE STATE SHARE OF 121915

INSTRUCTION	121916
The standard provisions of the state share of instruction calculation as described in the preceding sections of temporary law shall apply to any reductions made to appropriation item 235501, State Share of Instruction, before the Chancellor of Higher Education has formally approved the final allocation of the state share of instruction funds for any fiscal year.	121917 121918 121919 121920 121921 121922
Any reductions made to appropriation item 235501, State Share of Instruction, after the Chancellor of Higher Education has formally approved the final allocation of the state share of instruction funds for any fiscal year, shall be uniformly applied to each campus in proportion to its share of the final allocation.	121923 121924 121925 121926 121927
(I) DISTRIBUTION OF STATE SHARE OF INSTRUCTION	121928
The state share of instruction payments to the institutions shall be in substantially equal monthly amounts during the fiscal year, unless otherwise determined by the Director of Budget and Management pursuant to section 126.09 of the Revised Code. Payments during the first six months of the fiscal year shall be based upon the state share of instruction appropriation estimates made for the various institutions of higher education and payments during the last six months of the fiscal year shall be based on the final data from the Chancellor of Higher Education.	121929 121930 121931 121932 121933 121934 121935 121936 121937

Section 369.170. RESTRICTION ON FEE INCREASES 121976

In fiscal years 2016 and 2017, the boards of trustees of 121977
state institutions of higher education shall restrain increases in 121978
in-state undergraduate instructional and general fees. For the 121979
2015-2016 and 2016-2017 academic years, each state institution of 121980
higher education shall not increase its in-state undergraduate 121981
instructional and general fees over what the institution charged 121982
for the 2014-2015 academic year. 121983

These limitations shall not apply to increases required to 121984
comply with institutional covenants related to their obligations 121985
or to meet unfunded legal mandates or legally binding obligations 121986
incurred or commitments made prior to the effective date of this 121987
section with respect to which the institution had identified such 121988
fee increases as the source of funds. Any increase required by 121989
such covenants and any such mandates, obligations, or commitments 121990
shall be reported by the Chancellor of Higher Education to the 121991
Controlling Board. These limitations may also be modified by the 121992
Chancellor of Higher Education, with the approval of the 121993
Controlling Board, to respond to exceptional circumstances as 121994
identified by the Chancellor of Higher Education. 121995

These limitations shall not apply to institutions 121996
participating in an undergraduate tuition guarantee program 121997
pursuant to section 3345.48 of the Revised Code. 121998

Section 369.180. HIGHER EDUCATION - BOARD OF TRUSTEES 121999

(A) Funds appropriated for instructional subsidies at 122000
colleges and universities may be used to provide such branch or 122001
other off-campus undergraduate courses of study and such master's 122002
degree courses of study as may be approved by the Chancellor of 122003
Higher Education. 122004

(B) In providing instructional and other services to 122005

students, boards of trustees of state institutions of higher 122006
education shall supplement state subsidies with income from 122007
charges to students. Except as otherwise provided in this act, 122008
each board shall establish the fees to be charged to all students, 122009
including an instructional fee for educational and associated 122010
operational support of the institution and a general fee for 122011
noninstructional services, including locally financed student 122012
services facilities used for the benefit of enrolled students. The 122013
instructional fee and the general fee shall encompass all charges 122014
for services assessed uniformly to all enrolled students. Each 122015
board may also establish special purpose fees, service charges, 122016
and fines as required; such special purpose fees and service 122017
charges shall be for services or benefits furnished individual 122018
students or specific categories of students and shall not be 122019
applied uniformly to all enrolled students. A tuition surcharge 122020
shall be paid by all students who are not residents of Ohio. 122021

The board of trustees of a state institution of higher 122022
education shall not authorize a waiver or nonpayment of 122023
instructional fees or general fees for any particular student or 122024
any class of students other than waivers specifically authorized 122025
by law or approved by the Chancellor. This prohibition is not 122026
intended to limit the authority of boards of trustees to provide 122027
for payments to students for services rendered the institution, 122028
nor to prohibit the budgeting of income for staff benefits or for 122029
student assistance in the form of payment of such instructional 122030
and general fees. 122031

Each state institution of higher education in its statement 122032
of charges to students shall separately identify the instructional 122033
fee, the general fee, the tuition charge, and the tuition 122034
surcharge. Fee charges to students for instruction shall not be 122035
considered to be a price of service but shall be considered to be 122036
an integral part of the state government financing program in 122037

support of higher educational opportunity for students. 122038

(C) The boards of trustees of state institutions of higher 122039
education shall ensure that faculty members devote a proper and 122040
judicious part of their work week to the actual instruction of 122041
students. Total class credit hours of production per academic term 122042
per full-time faculty member is expected to meet the standards set 122043
forth in the budget data submitted by the Chancellor of Higher 122044
Education. 122045

(D) The authority of government vested by law in the boards 122046
of trustees of state institutions of higher education shall in 122047
fact be exercised by those boards. Boards of trustees may consult 122048
extensively with appropriate student and faculty groups. 122049
Administrative decisions about the utilization of available 122050
resources, about organizational structure, about disciplinary 122051
procedure, about the operation and staffing of all auxiliary 122052
facilities, and about administrative personnel shall be the 122053
exclusive prerogative of boards of trustees. Any delegation of 122054
authority by a board of trustees in other areas of responsibility 122055
shall be accompanied by appropriate standards of guidance 122056
concerning expected objectives in the exercise of such delegated 122057
authority and shall be accompanied by periodic review of the 122058
exercise of this delegated authority to the end that the public 122059
interest, in contrast to any institutional or special interest, 122060
shall be served. 122061

miles. The Tax Commissioner shall transfer these amounts, and 123041
shall separately identify to each county treasurer the amount to 123042

be divided equally among townships in the county and the amount to 123043
be divided among the townships based on road miles. Each 123044
appropriate county officer shall transfer cash from the county 123045
undivided local government fund to townships in the county based 123046

transfer cash from the county undivided local government fund to 123061
qualifying villages in the county based on this division of funds. 123062

centralized financial services, centralized payroll processing, 123715
and related reports and services; centralized human resources 123716

Section 503.20. SATISFACTION OF JUDGMENTS AND SETTLEMENTS 123728

Except as otherwise provided in this section, an 123730

purpose of satisfying judgments, settlements, or administrative 123732

by or on behalf of the state, or for payments under lease 123737
agreements relating to, or debt service on, bonds, notes, or other 123738
obligations of the state. Notwithstanding any other statute to the 123739
contrary, this authorization includes appropriations from funds 123740
into which proceeds of direct obligations of the state are 123741
deposited only to the extent that the judgment, settlement, or 123742
administrative award is for, or represents, capital costs for 123743
which the appropriation may otherwise be used and is consistent 123744
with the purpose for which any related obligations were issued or 123745
entered into. Nothing contained in this section is intended to 123746
subject the state to suit in any forum in which it is not 123747
otherwise subject to suit, and is not intended to waive or 123748
compromise any defense or right available to the state in any suit 123749
against it. 123750

Section 503.30. CAPITAL PROJECT SETTLEMENTS 123751

This section specifies an additional and supplemental 123752
procedure to provide for payments of judgments and settlements if 123753
the Director of Budget and Management determines, pursuant to 123754
division (C)(4) of section 2743.19 of the Revised Code, that 123755
sufficient unencumbered moneys do not exist in the fund to support 123756
a particular appropriation to pay the amount of a final judgment 123757
rendered against the state or a state agency, including the 123758
settlement of a claim approved by a court, in an action upon and 123759
arising out of a contractual obligation for the construction or 123760
improvement of a capital facility if the costs under the contract 123761
were payable in whole or in part from a state capital projects 123762
appropriation. In such a case, the Director may either proceed 123763
pursuant to division (C)(4) of section 2743.19 of the Revised Code 123764
or apply to the Controlling Board to increase an appropriation or 123765
create an appropriation out of any unencumbered moneys in the 123766
state treasury to the credit of the capital projects fund from 123767

which the initial state appropriation was made. The amount of an 123768
increase in appropriation or new appropriation approved by the 123769
Controlling Board is hereby appropriated from the applicable 123770
capital projects fund and made available for the payment of the 123771
judgment or settlement. 123772

If the Director does not make the application authorized by 123773
this section or the Controlling Board disapproves the application, 123774
and the Director does not make application under division (C)(4) 123775
of section 2743.19 of the Revised Code, the Director shall for the 123776
purpose of making that payment make a request to the General 123777
Assembly as provided for in division (C)(5) of that section. 123778

Section 503.40. RE-ISSUANCE OF VOIDED WARRANTS 123779

In order to provide funds for the reissuance of voided 123780

it was originally appropriated or reappropriated for the following 123792

(3) For an encumbrance for reclamation of land or oil and gas wells, for a period ending when the encumbered appropriation is expended or for a period of two years, whichever is less;

(4) For an encumbrance for any other expense, for such period as the Director approves, provided such period does not exceed two years.

(B) Any operating appropriations for which unexpended balances are reappropriated beyond a five-month period from the end of the fiscal year by division (A)(2) of this section shall be reported to the Controlling Board by the Director of Budget and Management by the thirty-first day of December of each year. The report on each such item shall include the item, the cost of the item, and the name of the vendor. The report shall be updated on a quarterly basis for encumbrances remaining open.

(C) Upon the expiration of the reappropriation period set out in division (A) of this section, a reappropriation made by this section lapses, and the Director of Budget and Management shall cancel the encumbrance of the unexpended reappropriation not later than the end of the weekend following the expiration of the reappropriation period.

(D) Notwithstanding division (C) of this section, with the approval of the Director of Budget and Management, an unexpended

was originally appropriated or reappropriated for the applicable 123834
period specified in division (A)(3) or (4) of this section and 123835
shall remain available only for the purpose of discharging the 123836
encumbrance. 123837

(E) The Director of Budget and Management may correct 123838
accounting errors committed by the staff of the Office of Budget 123839
and Management, such as reestablishing encumbrances or 123840

or state institution of higher education, as defined in section 123846
3345.011 of the Revised Code, such as reestablishing prior year 123847
nonoperating encumbrances canceled or modified in error. The 123848
reestablished encumbrance amounts are hereby appropriated. 123849

(G) If the Controlling Board approved a purchase, that 123850
approval remains in effect so long as the appropriation used to 123851
make that purchase remains encumbered. 123852

Section 503.60. RE-ESTABLISHING ENCUMBRANCES THAT USE 123853

126183
126184

Section 745.10. (A) There is hereby created the Deputy Registrar Funding Study Committee. The Committee shall consist of six members, three of whom are appointed by the President of the Senate and three of whom are appointed by the Speaker of the House of Representatives. The President and Speaker, respectively, shall appoint the members not later than thirty days after the effective date of this section. 126185
126186
126187
126188
126189
126190
126191

(B) The Committee shall select a chairperson and vice-chairperson from among its members. The Committee first shall meet within one month after the effective date of this section at the call of the President of the Senate. Thereafter, the Committee shall meet at the call of its chairperson as necessary to carry out its duties. Members of the Committee are not entitled to 126192

cease to exist. 126210

Section 747.10. The intent of the General Assembly, when 126211
enacting Am. Sub. H.B. 394 of the 130th General Assembly, was to 126212
amend section 4731.22 of the Revised Code. The inclusion of the 126213
section in H.B. 394's first repeal clause (Section 2) as an 126214
outright repeal was a typographical error. The General Assembly's 126215
intent that section 4731.22 of the Revised Code be amended, rather 126216
than repealed outright, is demonstrated in H.B. 394's title, the 126217
first amending clause (Section 1), and the portion of the first 126218
repeal clause (Section 2) that listed the section among other 126219
Revised Code sections that were being repealed only to the extent 126220
that their existing versions were being replaced by amended 126221
versions. This intent is further demonstrated by H.B. 394's 126222
amendment of a future version of section 4731.22 of the Revised 126223
Code, effective April 1, 2015 (Sections 3 and 4). 126224

Section 747.20. The two hours of study in prepackaged soft 126225
contact lens dispensing required by division (A)(1) of section 126226
4725.411 of the Revised Code shall satisfy the requirements of 126227
division (A)(1)(a)(ii) of section 4725.51 of the Revised Code. 126228

Section 747.30. The members of the State Board of Cosmetology 126229
prior to the effective date of this act shall be appointed to the 126230
State Board of Barbers and Cosmetology. The members shall complete 126231
their terms as appointed under the prior State Board of 126232
Cosmetology. 126233

Section 747.40. Upon the effective date of this section, the 126234
State Barber Board and the State Board of Cosmetology are 126235
abolished and all of their functions, and assets and liabilities, 126236
are transferred to the State Board of Barbers and Cosmetology. The 126237
State Board of Barbers and Cosmetology is thereupon and thereafter 126238
successor to, assumes the obligations of, and otherwise 126239
constitutes the continuation of the State Barber Board and the 126240
State Board of Cosmetology. 126241

Any business commenced but not completed by the State Barber 126242
Board or the State Board of Cosmetology on the effective date of 126243
this section shall be completed by the State Board of Barbers and 126244
Cosmetology in the same manner, and with the same effect, as if 126245
completed by the State Barber Board or the State Board of 126246
Cosmetology. No validation, cure, right, privilege, remedy, 126247
obligation, or liability is lost or impaired by reason of the 126248
transfer required by this section and shall be administered by the 126249
State Board of Barbers and Cosmetology. All of the State Barber 126250
Board and the State Board of Cosmetology's rules, orders, and 126251
determinations continue in effect as rules, orders, and 126252
determinations of the State Board of Barbers and Cosmetology, 126253
until modified or rescinded by the State Board of Barbers and 126254
Cosmetology. If necessary to ensure the integrity of the numbering 126255
of the Administrative Code, the Director of the Legislative 126256
Service Commission shall renumber the State Barber Board and the 126257
State Board of Cosmetology's rules to reflect their transfer to 126258
the State Board of Barbers and Cosmetology. 126259

The Director of Budget and Management shall determine the amount of the unexpended balances in the appropriation accounts that pertain to the State Barber Board or the State Board of Cosmetology and shall recommend to the Controlling Board their transfer to the appropriation accounts that pertain to the State Board of Barbers and Cosmetology. The State Barber Board and the State Board of Cosmetology shall provide full and timely information to the Controlling Board to facilitate this transfer.

Wherever either the State Barber Board or the State Board of Cosmetology is referred to in any law, contract, or other document, the reference shall be deemed to refer to the State Board of Barbers and Cosmetology.

No action or proceeding pending on the effective date of this act is affected by the transfer, and shall be prosecuted or defended in the name of the State Board of Barbers and Cosmetology. In all such actions and proceedings, the State Board of Barbers and Cosmetology, upon application to the court, shall be substituted as a party.

Section 747.50. Upon the taking effect of this section, the Ohio Landscape Architects Board is abolished and all of its functions, and assets and liabilities, are transferred to the Architects Board. The Architects Board is thereupon and thereafter successor to, assumes the obligations of, and otherwise constitutes the continuation of the Ohio Landscape Architects Board.

Any business commenced but not completed by the Ohio Landscape Architects Board on the effective date of this section shall be completed by the Architects Board in the same manner, and with the same effect, as if completed by the Ohio Landscape Architects Board. No validation, cure, right, privilege, remedy, obligation, or liability is lost or impaired by reason of the

transfer required by this act and shall be administered by the Architects Board. All of the Ohio Landscape Architects Board rules, orders, and determinations continue in effect as rules, orders, and determinations of the Architects Board, until modified or rescinded by the Architects Board. If necessary to ensure the integrity of the numbering of the Administrative Code, the Director of the Legislative Service Commission shall renumber the Ohio Landscape Architects Board rules to reflect their transfer to the Architects Board.

Wherever the Ohio Landscape Architects Board is referred to in any law, contract, or other document, the reference shall be deemed to refer to the Architects Board.

No action or proceeding pending on the effective date of this section is affected by the transfer, and shall be prosecuted or defended in the name of the Architects Board. In all such actions and proceedings, the Architects Board upon application to the court shall be substituted as a party.

Section 749.10. (A) Not later than ninety days after the effective date of this section, the Public Utilities Commission shall establish a collaborative process with all of the following, to address the internet-protocol-network transition:

- (1) Incumbent local exchange carriers;
- (2) Any competitive local exchange carriers that provide basic local exchange service and are affected by the transition;
- (3) The Office of the Ohio Consumers' Counsel;
- (4) A representative of cable operators, as defined in section 1332.21 of the Revised Code;
- (5) At the invitation of the Commission, other interested parties and members of the General Assembly.

(B) The collaborative process shall focus on the

internet-protocol-network transition processes underway at the 126321
Federal Communications Commission and the issues of universal 126322
connectivity, consumer protection, public safety, reliability, 126323
expanded availability of advanced services, affordability, and 126324
competition. The collaborative process shall ensure that public 126325
education concerning the transition is thorough. 126326

(C) The collaborative process shall include a review of the 126327
number and characteristics of basic-local-exchange-service 126328
customers in Ohio, an evaluation of what alternatives are 126329
available to them, including both wireline and wireless 126330
alternatives, and the prospect for the availability of 126331
alternatives where none currently exist. The collaborative process 126332
shall embark on an education campaign plan for those customers' 126333
eventual transition to advanced services. If the collaborative 126334
process identifies residential basic-local-exchange-service 126335
customers who will be unable to obtain voice service upon the 126336
withdrawal or abandonment of basic local exchange service, the 126337
Public Utilities Commission may find those customers to be 126338
eligible for the process under division (B) of section 4927.10 of 126339
the Revised Code, regardless of whether they have filed petitions 126340
under that division. 126341

(D) The collaborative process shall, pursuant to the rules of 126342
the Public Utilities Commission, respect the confidentiality of 126343
any data shared with those involved in the process. 126344
