continuing training of investigators as required under sections 3065
4730.26 and 4731.05 of the Revised Code. The board shall pay the 3066
entire cost of training that investigators receive at the academy. 3067

million in population. 3115

(B) The reasonable and necessary expenses incurred by the 3116

delivered to that box, processes the checks and other payments 3134
received in such mail and deposits them into the treasurer of 3135
state's account, and provides the treasurer of state daily receipt 3136
information with respect to such payments. The contract shall not 3137
be entered into unless: 3138

(A) There is attached to the contract a certification by the 3139
auditor of state that the financial institution and the treasurer 3140
of state have given assurances satisfactory to the auditor of 3141
state that the records of the financial institution which relate 3142
to tax and fee payments covered by the contract, and only such 3143
records, shall be subject to audit by the auditor of state to the 3144
same extent as if the services which the financial institution has 3145
agreed to perform were being performed by the treasurer of state; 3146

(B) The contract is awarded in accordance with ~~section 125.07~~ 3147
Chapter 125. of the Revised Code; 3148

(C) The treasurer of state's surety bond includes within its 3149
coverage any loss that may occur as the result of the contract; 3150

(D) The contract does not conflict with the requirements for 3151
accounting and financial reporting for public offices prescribed 3152
by the auditor of state. 3153

Sec. 117.54. There is in the state treasury the auditor of 3154
state investigation and forfeiture trust fund. The fund shall 3155
consist of moneys received under sections 2981.13 and 2981.14 and 3156
division (B)(3) of section 2923.32 of the Revised Code, and the 3157
auditor of state shall use those moneys in accordance with those 3158
sections. Interest earned on moneys in the fund shall be credited 3159
to the fund. 3160

Sec. 118.023. (A) Upon determining that one or more of the 3161
conditions described in section 118.022 of the Revised Code are 3162
present, the auditor of state shall issue a written declaration of 3163
the existence of a fiscal watch to the municipal corporation, 3164
county, or township and the county budget commission. The fiscal 3165
watch shall be in effect until the auditor of state determines 3166
that none of the conditions are any longer present and cancels the 3167
watch, or until the auditor of state determines that a state of 3168
fiscal emergency exists. The auditor of state, or a designee, 3169
shall provide such technical and support services to the municipal 3170
corporation, county, or township after a fiscal watch has been 3171
declared to exist as the auditor of state considers necessary. 3172

(B) Within ~~one hundred twenty~~ ninety days after the day a 3173
written declaration of the existence of a fiscal watch is issued 3174
under division (A) of this section, the mayor of the municipal 3175
corporation, the board of county commissioners of the county, or 3176
the board of township trustees of the township for which a fiscal 3177
watch was declared shall submit to the auditor of state a 3178
financial recovery plan that shall identify actions to be taken to 3179
eliminate all of the conditions described in section 118.022 of 3180
the Revised Code, and shall include a schedule detailing the 3181

approximate dates for beginning and completing the actions and a 3182
five-year forecast reflecting the effects of the actions. The 3183
financial recovery plan also shall evaluate the feasibility of 3184
entering into shared services agreements with other political 3185
subdivisions for the joint exercise of any power, performance of 3186
any function, or rendering of any service, if so authorized by 3187
statute. The financial recovery plan is subject to review and 3188
approval by the auditor of state. The auditor of state may extend 3189
the amount of time by which a financial recovery plan is required 3190
to be filed, for good cause shown. 3191

~~(C) If a feasible financial recovery plan for a municipal 3192
corporation, county, or township for which a fiscal watch was 3193
declared is not submitted within the time period prescribed by 3194
division (B) of this section, or within any extension of time 3195
thereof, the~~ The auditor of state shall declare that a fiscal 3196
emergency condition exists under section 118.04 of the Revised 3197
Code in the municipal corporation, county, or township if either 3198
of the following applies: 3199

(1) A feasible financial recovery plan for a municipal 3200
corporation, county, or township for which a fiscal watch was 3201
declared is not submitted within the time period prescribed by 3202
division (B) of this section, or within any extension of time 3203
thereof; or 3204

(2) The auditor of state finds that a municipal corporation, 3205
county, or township for which a fiscal watch has been declared has 3206
not made reasonable proposals or otherwise taken action to 3207
discontinue or correct the fiscal practices or budgetary 3208
conditions that prompted the declaration of fiscal watch, and the 3209
auditor determines a fiscal emergency declaration is necessary to 3210
prevent further decline. 3211

Sec. 118.04. (A) The existence of a fiscal emergency 3212

condition constitutes a fiscal emergency. The existence of fiscal 3213
emergency conditions shall be determined by the auditor of state. 3214
Such determination, for purposes of this chapter, may be made only 3215
upon the filing with the auditor of state of a written request for 3216
such a determination by the governor, by the county budget 3217
commission, by the mayor of the municipal corporation, or by the 3218
presiding officer of the legislative authority of the municipal 3219
corporation when authorized by a majority of the members of such 3220
legislative authority, by the board of county commissioners, or by 3221
the board of township trustees, or upon initiation by the auditor 3222
of state. The request may designate in general or specific terms, 3223
but without thereby limiting the determination thereto, the 3224
condition or conditions to be examined to determine whether they 3225
constitute fiscal emergency conditions. Promptly upon receipt of 3226
such written request, or upon initiation by the auditor of state, 3227
the auditor of state shall transmit copies of such request or a 3228
written notice of such initiation to the mayor and the presiding 3229
officer of the legislative authority of the municipal corporation 3230
or to the board of county commissioners or the board of township 3231
trustees by personal service or certified mail. Such 3232
determinations shall be set forth in written reports and 3233
supplemental reports, which shall be filed with the mayor, fiscal 3234
officer, and presiding officer of the legislative authority of the 3235
municipal corporation, or with the board of county commissioners 3236
or the board of township trustees, and with the treasurer of 3237
state, secretary of state, governor, director of budget and 3238
management, and county budget commission, within thirty days after 3239
the request. The auditor of state shall so file an initial report 3240
immediately upon determining the existence of any fiscal emergency 3241
condition. 3242

(B) In making such determination, the auditor of state may 3243
rely on reports or other information filed or otherwise made 3244
available by the municipal corporation, county, or township, 3245

accountants' reports, or other sources and data the auditor of 3246
state considers reliable for such purpose. As to the status of 3247
funds or accounts, a determination that the amounts stated in 3248
section 118.03 of the Revised Code are exceeded may be made 3249
without need for determination of the specific amount of the 3250
excess. The auditor of state may engage the services of 3251
independent certified or registered public accountants, including 3252
public accountants engaged or previously engaged by the municipal 3253
corporation, county, or township, to conduct audits or make 3254
reports or render such opinions as the auditor of state considers 3255
desirable with respect to any aspect of the determinations to be 3256
made by the auditor of state. 3257

(C) A determination by the auditor of state under this 3258
section that a fiscal emergency condition does not exist is final 3259
and conclusive and not appealable. A determination by the auditor 3260
of state under this section that a fiscal emergency exists is 3261
final, except that the mayor of any municipal corporation affected 3262
by a determination of the existence of a fiscal emergency 3263
condition under this section, when authorized by a majority of the 3264
members of the legislative authority, or the board of county 3265
commissioners or board of township trustees, may appeal the 3266
determination of the existence of a fiscal emergency condition to 3267
the court of appeals having territorial jurisdiction over the 3268
municipal corporation, county, or township. The appeal shall be 3269
heard expeditiously by the court of appeals and for good cause 3270
shown shall take precedence over all other civil matters except 3271
earlier matters of the same character. Notice of such appeal must 3272
be filed with the auditor of state and such court within thirty 3273
days after certification by the auditor of state to the mayor and 3274
presiding officer of the legislative authority of the municipal 3275
corporation or to the board of county commissioners or board of 3276
township trustees as provided for in division (A) of this section. 3277
In such appeal, determinations of the auditor of state shall be 3278

presumed to be valid and the municipal corporation, county, or township shall have the burden of proving, by clear and convincing evidence, that each of the determinations made by the auditor of state as to the existence of a fiscal emergency condition under section 118.03 of the Revised Code was in error. If the municipal corporation, county, or township fails, upon presentation of its case, to prove by clear and convincing evidence that each such determination by the auditor of state was in error, the court shall dismiss the appeal. The municipal corporation, county, or township and the auditor of state may introduce any evidence relevant to the existence or nonexistence of such fiscal emergency conditions at the times indicated in the applicable provisions of divisions (A) and (B) of section 118.03 of the Revised Code. The pendency of any such appeal shall not affect or impede the operations of this chapter; no restraining order, temporary injunction, or other similar restraint upon actions consistent with this chapter shall be imposed by the court or any court pending determination of such appeal; and all things may be done under this chapter that may be done regardless of the pendency of any such appeal. Any action taken or contract executed pursuant to this chapter during the pendency of such appeal is valid and enforceable among all parties, notwithstanding the decision in such appeal. If the court of appeals reverses the determination of the existence of a fiscal emergency condition by the auditor of state, the determination no longer has any effect, and any procedures undertaken as a result of the determination shall be terminated.

(D) All expenses incurred by the auditor of state relating to a determination or termination of a fiscal emergency under this section, a fiscal watch under section 118.021 of the Revised Code, or a fiscal caution under section 118.025 of the Revised Code, including providing technical and support services, or for conducting a performance audit under section 118.041 of the

Revised Code, shall be reimbursed from an appropriation for that 3312
purpose. If necessary, the controlling board may provide 3313
sufficient funds for these purposes. 3314

Sec. 118.041. The auditor of state, on the auditor of state's 3315
initiative, may conduct a performance audit of a municipal 3316
corporation, county, or township that is under a fiscal caution, a 3317
fiscal watch, or a fiscal emergency. 3318

Sec. 119.04. (A)(1) Any rule adopted by any agency shall be 3319
effective on the tenth day after the day on which the rule in 3320
final form and in compliance with division (A)(2) of this section 3321
is filed as follows: 3322

(a) The rule shall be filed in electronic form with both the 3323
secretary of state and the director of the legislative service 3324
commission; 3325

(b) The rule shall be filed in electronic form with the joint 3326
committee on agency rule review. Division (A)(1)(b) of this 3327
section does not apply to any rule to which division (C) of 3328
section 119.03 of the Revised Code does not apply. 3329

If an agency in adopting a rule designates an effective date 3330
that is later than the effective date provided for by this 3331
division, the rule if filed as required by this division shall 3332
become effective on the later date designated by the agency. 3333

An agency that adopts or amends a rule that is subject to 3334
section 106.03 of the Revised Code shall assign a review date to 3335
the rule that is not later than five years after its effective 3336
date. If a review date assigned to a rule exceeds the five-year 3337
maximum, the review date for the rule is five years after its 3338
effective date. A rule with a review date is subject to review 3339
under section 106.03 of the Revised Code. ~~This paragraph does not~~ 3340
~~apply to the department of taxation.~~ 3341

(2) The agency shall file the rule in compliance with the following standards and procedures:

(a) The rule shall be numbered in accordance with the numbering system devised by the director for the Ohio administrative code.

(b) The rule shall be prepared and submitted in compliance with the rules of the legislative service commission.

(c) The rule shall clearly state the date on which it is to be effective and the date on which it will expire, if known.

(d) Each rule that amends or rescinds another rule shall clearly refer to the rule that is amended or rescinded. Each amendment shall fully restate the rule as amended.

If the director of the legislative service commission or the director's designee gives an agency notice pursuant to section 103.05 of the Revised Code that a rule filed by the agency is not in compliance with the rules of the commission, the agency shall within thirty days after receipt of the notice conform the rule to the rules of the commission as directed in the notice.

(3) As used in this section, "rule" includes an amendment or rescission of a rule.

(B) The secretary of state and the director shall preserve the rules filed under division (A)(1)(a) of this section in an accessible manner. Each such rule shall be a public record open to public inspection and may be transmitted to any law publishing company that wishes to reproduce it.

Sec. 119.06. No adjudication order of an agency shall be valid unless the agency is specifically authorized by law to make such order.

No adjudication order shall be valid unless an opportunity for a hearing is afforded in accordance with sections 119.01 to

119.13 of the Revised Code. Such opportunity for a hearing shall 3372
be given before making the adjudication order except in those 3373
situations where this section provides otherwise. 3374

The following adjudication orders shall be effective without 3375
a hearing: 3376

(A) Orders revoking a license in cases where an agency is 3377
required by statute to revoke a license pursuant to the judgment 3378
of a court; 3379

(B) Orders suspending a license where a statute specifically 3380
permits the suspension of a license without a hearing; 3381

(C) Orders or decisions of an authority within an agency if 3382
the rules of the agency or the statutes pertaining to such agency 3383
specifically give a right of appeal to a higher authority within 3384
such agency, to another agency, or to the board of tax appeals, 3385
and also give the appellant a right to a hearing on such appeal. 3386

When a statute permits the suspension of a license without a 3387
prior hearing, any agency issuing an order pursuant to such 3388
statute shall afford the person to whom the order is issued a 3389
hearing upon request. 3390

Whenever an agency claims that a person is required by 3391
statute to obtain a license, it shall afford a hearing upon the 3392
request of a person who claims that the law does not impose such a 3393
requirement. 3394

Every agency shall afford a hearing upon the request of any 3395
person who has been refused admission to an examination where such 3396
examination is a prerequisite to the issuance of a license unless 3397
a hearing was held prior to such refusal. 3398

Unless a hearing was held prior to the refusal to issue the 3399
license, every agency shall afford a hearing upon the request of a 3400
person whose application for a license has been rejected and to 3401

whom the agency has refused to issue a license, whether it is a 3402
renewal or a new license, except that the following are not 3403
required to afford a hearing to a person to whom a new license has 3404
been refused because the person failed a licensing examination: 3405
the state medical board, state chiropractic board, architects 3406
board, ~~Ohio landscape architects board~~, and any section of the 3407
Ohio occupational therapy, physical therapy, and athletic trainers 3408
board. 3409

When periodic registration of licenses is required by law, 3410
the agency shall afford a hearing upon the request of any licensee 3411
whose registration has been denied, unless a hearing was held 3412
prior to such denial. 3413

When periodic registration of licenses or renewal of licenses 3414
is required by law, a licensee who has filed an application for 3415
registration or renewal within the time and in the manner provided 3416
by statute or rule of the agency shall not be required to 3417
discontinue a licensed business or profession merely because of 3418
the failure of the agency to act on the licensee's application. 3419
Action of an agency rejecting any such application shall not be 3420
effective prior to fifteen days after notice of the rejection is 3421
mailed to the licensee. 3422

Sec. 119.12. Any party adversely affected by any order of an 3423
agency issued pursuant to an adjudication denying an applicant 3424
admission to an examination, or denying the issuance or renewal of 3425
a license or registration of a licensee, or revoking or suspending 3426
a license, or allowing the payment of a forfeiture under section 3427
4301.252 of the Revised Code may appeal from the order of the 3428
agency to the court of common pleas of the county in which the 3429
place of business of the licensee is located or the county in 3430
which the licensee is a resident, except that appeals from 3431
decisions of the liquor control commission, the Ohio casino 3432

control commission, the state medical board, the state 3433
chiropractic board, and the board of nursing shall be to the court 3434
of common pleas of Franklin county. If any party appealing from 3435
the order is not a resident of and has no place of business in 3436
this state, the party may appeal to the court of common pleas of 3437
Franklin county. 3438

Any party adversely affected by any order of an agency issued 3439
pursuant to any other adjudication may appeal to the court of 3440
common pleas of Franklin county, except that appeals from orders 3441
of the fire marshal issued under Chapter 3737. of the Revised Code 3442
may be to the court of common pleas of the county in which the 3443
building of the aggrieved person is located and except that 3444
appeals under division (B) of section 124.34 of the Revised Code 3445
from a decision of the state personnel board of review or a 3446
municipal or civil service township civil service commission shall 3447
be taken to the court of common pleas of the county in which the 3448
appointing authority is located or, in the case of an appeal by 3449
the department of rehabilitation and correction, to the court of 3450
common pleas of Franklin county. 3451

This section does not apply to appeals from the department of 3452
taxation. 3453

Any party desiring to appeal shall file a notice of appeal 3454
with the agency setting forth the order appealed from and stating 3455
that the agency's order is not supported by reliable, probative, 3456
and substantial evidence and is not in accordance with law. The 3457
notice of appeal may, but need not, set forth the specific grounds 3458
of the party's appeal beyond the statement that the agency's order 3459
is not supported by reliable, probative, and substantial evidence 3460
and is not in accordance with law. The notice of appeal shall also 3461
be filed by the appellant with the court. In filing a notice of 3462
appeal with the agency or court, the notice that is filed may be 3463
either the original notice or a copy of the original notice. 3464

Unless otherwise provided by law relating to a particular agency, 3465
notices of appeal shall be filed within fifteen days after the 3466
mailing of the notice of the agency's order as provided in this 3467
section. For purposes of this paragraph, an order includes a 3468
determination appealed pursuant to division (C) of section 119.092 3469
of the Revised Code. The amendments made to this paragraph by Sub. 3470
H.B. 215 of the 128th general assembly are procedural, and this 3471
paragraph as amended by those amendments shall be applied 3472
retrospectively to all appeals pursuant to this paragraph filed 3473
before ~~the effective date of those amendments~~ September 13, 2010, 3474
but not earlier than May 7, 2009, which was the date the supreme 3475
court of Ohio released its opinion and judgment in *Medcorp, Inc.* 3476
v. Ohio Dep't. of Job and Family Servs. (2009), 121 Ohio St.3d 3477
622. 3478

The filing of a notice of appeal shall not automatically 3479
operate as a suspension of the order of an agency. If it appears 3480
to the court that an unusual hardship to the appellant will result 3481
from the execution of the agency's order pending determination of 3482
the appeal, the court may grant a suspension and fix its terms. If 3483
an appeal is taken from the judgment of the court and the court 3484
has previously granted a suspension of the agency's order as 3485
provided in this section, the suspension of the agency's order 3486
shall not be vacated and shall be given full force and effect 3487
until the matter is finally adjudicated. No renewal of a license 3488
or permit shall be denied by reason of the suspended order during 3489
the period of the appeal from the decision of the court of common 3490
pleas. In the case of an appeal from the Ohio casino control 3491
commission, the state medical board, or the state chiropractic 3492
board, the court may grant a suspension and fix its terms if it 3493
appears to the court that an unusual hardship to the appellant 3494
will result from the execution of the agency's order pending 3495
determination of the appeal and the health, safety, and welfare of 3496
the public will not be threatened by suspension of the order. This 3497

provision shall not be construed to limit the factors the court 3498
may consider in determining whether to suspend an order of any 3499
other agency pending determination of an appeal. 3500

The final order of adjudication may apply to any renewal of a 3501
license or permit which has been granted during the period of the 3502
appeal. 3503

Notwithstanding any other provision of this section, any 3504
order issued by a court of common pleas or a court of appeals 3505
suspending the effect of an order of the liquor control commission 3506
issued pursuant to Chapter 4301. or 4303. of the Revised Code that 3507
suspends, revokes, or cancels a permit issued under Chapter 4303. 3508
of the Revised Code or that allows the payment of a forfeiture 3509
under section 4301.252 of the Revised Code shall terminate not 3510
more than six months after the date of the filing of the record of 3511
the liquor control commission with the clerk of the court of 3512
common pleas and shall not be extended. The court of common pleas, 3513
or the court of appeals on appeal, shall render a judgment in that 3514
matter within six months after the date of the filing of the 3515
record of the liquor control commission with the clerk of the 3516
court of common pleas. A court of appeals shall not issue an order 3517
suspending the effect of an order of the liquor control commission 3518
that extends beyond six months after the date on which the record 3519
of the liquor control commission is filed with a court of common 3520
pleas. 3521

Notwithstanding any other provision of this section, any 3522
order issued by a court of common pleas or a court of appeals 3523
suspending the effect of an order of the Ohio casino control 3524
commission issued under Chapter 3772. of the Revised Code that 3525
limits, conditions, restricts, suspends, revokes, denies, not 3526
renews, fines, or otherwise penalizes an applicant, licensee, or 3527
person excluded or ejected from a casino facility in accordance 3528
with section 3772.031 of the Revised Code shall terminate not more 3529

than six months after the date of the filing of the record of the 3530
Ohio casino control commission with the clerk of the court of 3531
common pleas and shall not be extended. The court of common pleas, 3532
or the court of appeals on appeal, shall render a judgment in that 3533
matter within six months after the date of the filing of the 3534
record of the Ohio casino control commission with the clerk of the 3535
court of common pleas. A court of appeals shall not issue an order 3536
suspending the effect of an order of the Ohio casino control 3537
commission that extends beyond six months after the date on which 3538
the record of the Ohio casino control commission is filed with the 3539
clerk of a court of common pleas. 3540

Notwithstanding any other provision of this section, any 3541
order issued by a court of common pleas suspending the effect of 3542
an order of the state medical board or state chiropractic board 3543
that limits, revokes, suspends, places on probation, or refuses to 3544
register or reinstate a certificate issued by the board or 3545
reprimands the holder of the certificate shall terminate not more 3546
than fifteen months after the date of the filing of a notice of 3547
appeal in the court of common pleas, or upon the rendering of a 3548
final decision or order in the appeal by the court of common 3549
pleas, whichever occurs first. 3550

Within thirty days after receipt of a notice of appeal from 3551
an order in any case in which a hearing is required by sections 3552
119.01 to 119.13 of the Revised Code, the agency shall prepare and 3553
certify to the court a complete record of the proceedings in the 3554
case. Failure of the agency to comply within the time allowed, 3555
upon motion, shall cause the court to enter a finding in favor of 3556
the party adversely affected. Additional time, however, may be 3557
granted by the court, not to exceed thirty days, when it is shown 3558
that the agency has made substantial effort to comply. The record 3559
shall be prepared and transcribed, and the expense of it shall be 3560
taxed as a part of the costs on the appeal. The appellant shall 3561

provide security for costs satisfactory to the court of common 3562
pleas. Upon demand by any interested party, the agency shall 3563
furnish at the cost of the party requesting it a copy of the 3564
stenographic report of testimony offered and evidence submitted at 3565
any hearing and a copy of the complete record. 3566

Notwithstanding any other provision of this section, any 3567
party desiring to appeal an order or decision of the state 3568
personnel board of review shall, at the time of filing a notice of 3569
appeal with the board, provide a security deposit in an amount and 3570
manner prescribed in rules that the board shall adopt in 3571
accordance with this chapter. In addition, the board is not 3572
required to prepare or transcribe the record of any of its 3573
proceedings unless the appellant has provided the deposit 3574
described above. The failure of the board to prepare or transcribe 3575
a record for an appellant who has not provided a security deposit 3576
shall not cause a court to enter a finding adverse to the board. 3577

Unless otherwise provided by law, in the hearing of the 3578
appeal, the court is confined to the record as certified to it by 3579
the agency. Unless otherwise provided by law, the court may grant 3580
a request for the admission of additional evidence when satisfied 3581
that the additional evidence is newly discovered and could not 3582
with reasonable diligence have been ascertained prior to the 3583
hearing before the agency. 3584

The court shall conduct a hearing on the appeal and shall 3585
give preference to all proceedings under sections 119.01 to 119.13 3586
of the Revised Code, over all other civil cases, irrespective of 3587
the position of the proceedings on the calendar of the court. An 3588
appeal from an order of the state medical board issued pursuant to 3589
division (G) of either section 4730.25 or 4731.22 of the Revised 3590
Code, ~~or~~ the state chiropractic board issued pursuant to section 3591
4734.37 of the Revised Code, ~~or~~ the liquor control commission 3592
issued pursuant to Chapter 4301. or 4303. of the Revised Code, or 3593

the Ohio casino control commission issued pursuant to Chapter 3594
3772. of the Revised Code shall be set down for hearing at the 3595
earliest possible time and takes precedence over all other 3596
actions. The hearing in the court of common pleas shall proceed as 3597
in the trial of a civil action, and the court shall determine the 3598
rights of the parties in accordance with the laws applicable to a 3599
civil action. At the hearing, counsel may be heard on oral 3600
argument, briefs may be submitted, and evidence may be introduced 3601
if the court has granted a request for the presentation of 3602
additional evidence. 3603

The court may affirm the order of the agency complained of in 3604
the appeal if it finds, upon consideration of the entire record 3605
and any additional evidence the court has admitted, that the order 3606
is supported by reliable, probative, and substantial evidence and 3607
is in accordance with law. In the absence of this finding, it may 3608
reverse, vacate, or modify the order or make such other ruling as 3609
is supported by reliable, probative, and substantial evidence and 3610
is in accordance with law. The court shall award compensation for 3611
fees in accordance with section 2335.39 of the Revised Code to a 3612
prevailing party, other than an agency, in an appeal filed 3613
pursuant to this section. 3614

The judgment of the court shall be final and conclusive 3615
unless reversed, vacated, or modified on appeal. These appeals may 3616
be taken either by the party or the agency, shall proceed as in 3617
the case of appeals in civil actions, and shall be pursuant to the 3618
Rules of Appellate Procedure and, to the extent not in conflict 3619
with those rules, Chapter 2505. of the Revised Code. An appeal by 3620
the agency shall be taken on questions of law relating to the 3621
constitutionality, construction, or interpretation of statutes and 3622
rules of the agency, and, in the appeal, the court may also review 3623
and determine the correctness of the judgment of the court of 3624
common pleas that the order of the agency is not supported by any 3625

reliable, probative, and substantial evidence in the entire 3626
record. 3627

The court shall certify its judgment to the agency or take 3628
any other action necessary to give its judgment effect. 3629

Sec. 120.33. (A) In lieu of using a county public defender or 3630
joint county public defender to represent indigent persons in the 3631
proceedings set forth in division (A) of section 120.16 of the 3632
Revised Code, the board of county commissioners of any county may 3633
adopt a resolution to pay counsel who are either personally 3634
selected by the indigent person or appointed by the court. The 3635
resolution shall include those provisions the board of county 3636
commissioners considers necessary to provide effective 3637
representation of indigent persons in any proceeding for which 3638
counsel is provided under this section. The resolution shall 3639
include provisions for contracts with any municipal corporation 3640
under which the municipal corporation shall reimburse the county 3641
for counsel appointed to represent indigent persons charged with 3642
violations of the ordinances of the municipal corporation. 3643

(1) In a county that adopts a resolution to pay counsel, an 3644
indigent person shall have the right to do either of the 3645
following: 3646

(a) To select the person's own personal counsel to represent 3647
the person in any proceeding included within the provisions of the 3648
resolution; 3649

(b) To request the court to appoint counsel to represent the 3650
person in such a proceeding. 3651

(2) The court having jurisdiction over the proceeding in a 3652
county that adopts a resolution to pay counsel shall, after 3653
determining that the person is indigent and entitled to legal 3654
representation under this section, do either of the following: 3655

name of the lawyer selected by the indigent person as counsel of 3657
record; 3658

(b) Appoint counsel for the indigent person if the person has 3659
requested the court to appoint counsel and, by signed journal 3660
entry recorded on its dockets, enter the name of the lawyer 3661
appointed for the indigent person as counsel of record. 3662

(3) The board of county commissioners shall establish a 3663
schedule of fees by case or on an hourly basis to be paid to 3664
counsel for legal services provided pursuant to a resolution 3665
adopted under this section. Prior to establishing the schedule, 3666
the board of county commissioners shall request the bar 3667
association or associations of the county to submit a proposed 3668
schedule for cases other than capital cases. The schedule 3669
submitted shall be subject to the review, amendment, and approval 3670
of the board of county commissioners, except with respect to 3671
capital cases. With respect to capital cases, the schedule shall 3672
provide for fees by case or on an hourly basis to be paid to 3673
counsel in the amount or at the rate set by the supreme court 3674
pursuant to division (D) of this section, and the board of county 3675
commissioners shall approve that amount or rate. 3676

(4)(a) Counsel selected by the indigent person or appointed 3677
by the court at the request of an indigent person in a county that 3678
adopts a resolution to pay counsel, except for counsel appointed 3679
to represent a person charged with any violation of an ordinance 3680
of a municipal corporation that has not contracted with the county 3681
commissioners for the payment of appointed counsel, shall be paid 3682
by the county and shall receive the compensation and expenses the 3683
court approves. With respect to capital cases, the court shall 3684
approve compensation and expenses in accordance with the amount or 3685
at the rate set by the supreme court pursuant to division (D) of 3686
this section. Each request for payment shall be accompanied by a 3687

financial disclosure form and an affidavit of indigency that are 3688
completed by the indigent person on forms prescribed by the state 3689
public defender. Compensation and expenses shall not exceed the 3690
amounts fixed by the board of county commissioners in the schedule 3691
adopted pursuant to division (A)(3) of this section. No court 3692
shall approve compensation and expenses that exceed the amount 3693
fixed pursuant to division (A)(3) of this section. 3694

(b) The fees and expenses approved by the court shall not be 3695
taxed as part of the costs and shall be paid by the county. 3696
However, if the person represented has, or may reasonably be 3697
expected to have, the means to meet some part of the cost of the 3698
services rendered to the person, the person shall pay the county 3699
an amount that the person reasonably can be expected to pay. 3700
Pursuant to section 120.04 of the Revised Code, the county shall 3701
pay to the state public defender a percentage of the payment 3702
received from the person in an amount proportionate to the 3703
percentage of the costs of the person's case that were paid to the 3704
county by the state public defender pursuant to this section. The 3705
money paid to the state public defender shall be credited to the 3706
client payment fund created pursuant to division (B)(5) of section 3707
120.04 of the Revised Code. 3708

(c) The county auditor shall draw a warrant on the county 3709
treasurer for the payment of counsel in the amount fixed by the 3710
court, plus the expenses the court fixes and certifies to the 3711
auditor. The county auditor shall report periodically, but not 3712
less than annually, to the board of county commissioners and to 3713
the state public defender the amounts paid out pursuant to the 3714
approval of the court. The board of county commissioners, after 3715
review and approval of the auditor's report, or the county 3716
auditor, with permission from and notice to the board of county 3717
commissioners, may then certify it to the state public defender 3718
for reimbursement. The state public defender may pay a requested 3719

reimbursement only if the request for reimbursement is accompanied 3720
by a financial disclosure form and an affidavit of indigency 3721
completed by the indigent person on forms prescribed by the state 3722
public defender or if the court certifies by electronic signature 3723
as prescribed by the state public defender that a financial 3724
disclosure form and affidavit of indigency have been completed by 3725
the indigent person and are available for inspection. If a request 3726
for the reimbursement of the cost of counsel in any case is not 3727
received by the state public defender within ninety days after the 3728
end of the calendar month in which the case is finally disposed of 3729
by the court, unless the county has requested and the state public 3730
defender has granted an extension of the ninety-day limit, the 3731
state public defender shall not pay the requested reimbursement. 3732
The state public defender shall also review the report and, in 3733
accordance with the standards, guidelines, and maximums 3734
established pursuant to divisions (B)(7) and (8) of section 120.04 3735
of the Revised Code, prepare a voucher for fifty per cent of the 3736
total cost of each county appointed counsel system in the period 3737
of time covered by the certified report and a voucher for fifty 3738
per cent of the costs and expenses that are reimbursable under 3739
section 120.35 of the Revised Code, if any, or, if the amount of 3740
money appropriated by the general assembly to reimburse counties 3741
for the operation of county public defender offices, joint county 3742
public defender offices, and county appointed counsel systems is 3743
not sufficient to pay fifty per cent of the total cost of all of 3744
the offices and systems other than costs and expenses that are 3745
reimbursable under section 120.35 of the Revised Code, for the 3746
lesser amount required by section 120.34 of the Revised Code. 3747

(d) If the board of county commissioners establishes a 3748
schedule of fees on an hourly basis under division (A)(3) of this 3749
section that exceeds fifty dollars per hour, the county shall 3750
receive a supplemental amount that constitutes five per cent of 3751
the total reimbursement the county received from the state public 3752

defender for appointed counsel. 3753

(5) If any county appointed counsel system fails to maintain 3754
the standards for the conduct of the system established by the 3755
rules of the Ohio public defender commission pursuant to divisions 3756
(B) and (C) of section 120.03 or the standards established by the 3757
state public defender pursuant to division (B)(7) of section 3758
120.04 of the Revised Code, the Ohio public defender commission 3759
shall notify the board of county commissioners of the county that 3760
the county appointed counsel system has failed to comply with its 3761
rules or the standards of the state public defender. Unless the 3762
board of county commissioners corrects the conduct of its 3763
appointed counsel system to comply with the rules and standards 3764
within ninety days after the date of the notice, the state public 3765
defender may deny all or part of the county's reimbursement from 3766
the state provided for in division (A)(4) of this section. 3767

(B) In lieu of using a county public defender or joint county 3768
public defender to represent indigent persons in the proceedings 3769
set forth in division (A) of section 120.16 of the Revised Code, 3770
and in lieu of adopting the resolution and following the procedure 3771
described in division (A) of this section, the board of county 3772
commissioners of any county may contract with the state public 3773
defender for the state public defender's legal representation of 3774
indigent persons. A contract entered into pursuant to this 3775
division may provide for payment for the services provided on a 3776
per case, hourly, or fixed contract basis. 3777

(C) If a court appoints an attorney pursuant to this section 3778
to represent a petitioner in a postconviction relief proceeding 3779
under section 2953.21 of the Revised Code, the petitioner has 3780
received a sentence of death, and the proceeding relates to that 3781
sentence, the attorney who represents the petitioner in the 3782
proceeding pursuant to the appointment shall be certified under 3783
Rule 20 of the Rules of Superintendence for the Courts of Ohio to 3784

represent indigent defendants charged with or convicted of an 3785
offense for which the death penalty can be or has been imposed. 3786

(D) The supreme court shall set an amount by case, or a rate 3787
on an hourly basis, to be paid under this section to counsel in a 3788
capital case. 3789

(2) Specific business strategy; 3974

(3) Production techniques and trade secrets; 3975

(4) Financial projections; 3976

(5) Personal financial statements of the applicant or members 3977
of the applicant's immediate family, including, but not limited 3978
to, tax records or other similar information not open to public 3979
inspection. 3980

The vote by the authority or board to accept or reject the 3981
application, as well as all proceedings of the authority or board 3982
not subject to this division, shall be open to the public and 3983
governed by this section. 3984

(F) Every public body, by rule, shall establish a reasonable 3985
method whereby any person may determine the time and place of all 3986
regularly scheduled meetings and the time, place, and purpose of 3987
all special meetings. A public body shall not hold a special 3988
meeting unless it gives at least twenty-four hours' advance notice 3989
to the news media that have requested notification, except in the 3990

event of an emergency requiring immediate official action. In the 3991
event of an emergency, the member or members calling the meeting 3992
shall notify the news media that have requested notification 3993
immediately of the time, place, and purpose of the meeting. 3994

The rule shall provide that any person, upon request and 3995
payment of a reasonable fee, may obtain reasonable advance 3996
notification of all meetings at which any specific type of public 3997
business is to be discussed. Provisions for advance notification 3998
may include, but are not limited to, mailing the agenda of 3999
meetings to all subscribers on a mailing list or mailing notices 4000
in self-addressed, stamped envelopes provided by the person. 4001

(G) Except as provided in divisions (G)(8) and (J) of this 4002
section, the members of a public body may hold an executive 4003
session only after a majority of a quorum of the public body 4004
determines, by a roll call vote, to hold an executive session and 4005
only at a regular or special meeting for the sole purpose of the 4006
consideration of any of the following matters: 4007

(1) To consider the appointment, employment, dismissal, 4008
discipline, promotion, demotion, or compensation of a public 4009
employee or official, or the investigation of charges or 4010
complaints against a public employee, official, licensee, or 4011
regulated individual, unless the public employee, official, 4012
licensee, or regulated individual requests a public hearing. 4013
Except as otherwise provided by law, no public body shall hold an 4014
executive session for the discipline of an elected official for 4015
conduct related to the performance of the elected official's 4016
official duties or for the elected official's removal from office. 4017
If a public body holds an executive session pursuant to division 4018
(G)(1) of this section, the motion and vote to hold that executive 4019
session shall state which one or more of the approved purposes 4020
listed in division (G)(1) of this section are the purposes for 4021
which the executive session is to be held, but need not include 4022

the name of any person to be considered at the meeting. 4023

(2) To consider the purchase of property for public purposes, 4024
or for the sale of property at competitive bidding, if premature 4025
disclosure of information would give an unfair competitive or 4026
bargaining advantage to a person whose personal, private interest 4027
is adverse to the general public interest. No member of a public 4028
body shall use division (G)(2) of this section as a subterfuge for 4029
providing covert information to prospective buyers or sellers. A 4030
purchase or sale of public property is void if the seller or buyer 4031
of the public property has received covert information from a 4032
member of a public body that has not been disclosed to the general 4033
public in sufficient time for other prospective buyers and sellers 4034
to prepare and submit offers. 4035

If the minutes of the public body show that all meetings and 4036
deliberations of the public body have been conducted in compliance 4037
with this section, any instrument executed by the public body 4038
purporting to convey, lease, or otherwise dispose of any right, 4039
title, or interest in any public property shall be conclusively 4040
presumed to have been executed in compliance with this section 4041
insofar as title or other interest of any bona fide purchasers, 4042
lessees, or transferees of the property is concerned. 4043

(3) Conferences with an attorney for the public body 4044
concerning disputes involving the public body that are the subject 4045
of pending or imminent court action; 4046

(4) Preparing for, conducting, or reviewing negotiations or 4047
bargaining sessions with public employees concerning their 4048
compensation or other terms and conditions of their employment; 4049

(5) Matters required to be kept confidential by federal law 4050
or regulations or state statutes; 4051

(6) Details relative to the security arrangements and 4052
emergency response protocols for a public body or a public office, 4053

if disclosure of the matters discussed could reasonably be 4054
expected to jeopardize the security of the public body or public 4055
office; 4056

(7) In the case of a county hospital operated pursuant to 4057
Chapter 339. of the Revised Code, a joint township hospital 4058
operated pursuant to Chapter 513. of the Revised Code, or a 4059
municipal hospital operated pursuant to Chapter 749. of the 4060
Revised Code, to consider trade secrets, as defined in section 4061
1333.61 of the Revised Code; 4062

(8) To consider confidential information related to the 4063
marketing plans, specific business strategy, production 4064
techniques, trade secrets, or personal financial statements of an 4065
applicant for economic development assistance, or to negotiations 4066
with other political subdivisions respecting requests for economic 4067
development assistance, provided that both of the following 4068
conditions apply: 4069

~~(1)~~(a) The information is directly related to a request for 4070
economic development assistance that is to be provided or 4071
administered under any provision of Chapter 715., 725., 1724., or 4072
1728. or sections 701.07, 3735.67 to 3735.70, 5709.40 to 5709.43, 4073
5709.61 to 5709.69, 5709.73 to 5709.75, or 5709.77 to 5709.81 of 4074
the Revised Code, or that involves public infrastructure 4075
improvements or the extension of utility services that are 4076
directly related to an economic development project. 4077

~~(2)~~(b) A unanimous quorum of the public body determines, by a 4078
roll call vote, that the executive session is necessary to protect 4079
the interests of the applicant or the possible investment or 4080
expenditure of public funds to be made in connection with the 4081
economic development project. 4082

If a public body holds an executive session to consider any 4083
of the matters listed in divisions (G)(2) to (8) of this section, 4084

the motion and vote to hold that executive session shall state 4085
which one or more of the approved matters listed in those 4086
divisions are to be considered at the executive session. 4087

A public body specified in division (B)(1)(c) of this section 4088
shall not hold an executive session when meeting for the purposes 4089
specified in that division. 4090

(H) A resolution, rule, or formal action of any kind is 4091
invalid unless adopted in an open meeting of the public body. A 4092
resolution, rule, or formal action adopted in an open meeting that 4093
results from deliberations in a meeting not open to the public is 4094
invalid unless the deliberations were for a purpose specifically 4095
authorized in division (G) or (J) of this section and conducted at 4096
an executive session held in compliance with this section. A 4097
resolution, rule, or formal action adopted in an open meeting is 4098
invalid if the public body that adopted the resolution, rule, or 4099
formal action violated division (F) of this section. 4100

(I)(1) Any person may bring an action to enforce this 4101
section. An action under division (I)(1) of this section shall be 4102
brought within two years after the date of the alleged violation 4103
or threatened violation. Upon proof of a violation or threatened 4104
violation of this section in an action brought by any person, the 4105
court of common pleas shall issue an injunction to compel the 4106
members of the public body to comply with its provisions. 4107

(2)(a) If the court of common pleas issues an injunction 4108
pursuant to division (I)(1) of this section, the court shall order 4109
the public body that it enjoins to pay a civil forfeiture of five 4110
hundred dollars to the party that sought the injunction and shall 4111
award to that party all court costs and, subject to reduction as 4112
described in division (I)(2) of this section, reasonable 4113
attorney's fees. The court, in its discretion, may reduce an award 4114
of attorney's fees to the party that sought the injunction or not 4115
award attorney's fees to that party if the court determines both 4116

of the following: 4117

(i) That, based on the ordinary application of statutory law 4118
and case law as it existed at the time of violation or threatened 4119
violation that was the basis of the injunction, a well-informed 4120
public body reasonably would believe that the public body was not 4121
violating or threatening to violate this section; 4122

(ii) That a well-informed public body reasonably would 4123
believe that the conduct or threatened conduct that was the basis 4124
of the injunction would serve the public policy that underlies the 4125
authority that is asserted as permitting that conduct or 4126
threatened conduct. 4127

(b) If the court of common pleas does not issue an injunction 4128
pursuant to division (I)(1) of this section and the court 4129
determines at that time that the bringing of the action was 4130
frivolous conduct, as defined in division (A) of section 2323.51 4131
of the Revised Code, the court shall award to the public body all 4132
court costs and reasonable attorney's fees, as determined by the 4133
court. 4134

(3) Irreparable harm and prejudice to the party that sought 4135
the injunction shall be conclusively and irrebuttably presumed 4136
upon proof of a violation or threatened violation of this section. 4137

(4) A member of a public body who knowingly violates an 4138
injunction issued pursuant to division (I)(1) of this section may 4139
be removed from office by an action brought in the court of common 4140
pleas for that purpose by the prosecuting attorney or the attorney 4141
general. 4142

(J)(1) Pursuant to division (C) of section 5901.09 of the 4143
Revised Code, a veterans service commission shall hold an 4144
executive session for one or more of the following purposes unless 4145
an applicant requests a public hearing: 4146

sections 5901.01 to 5901.15 of the Revised Code;	4148

(c) Reviewing matters relating to an applicant's request for financial assistance under sections 5901.01 to 5901.15 of the Revised Code.	4151 4152 4153
(2) A veterans service commission shall not exclude an applicant for, recipient of, or former recipient of financial assistance under sections 5901.01 to 5901.15 of the Revised Code, and shall not exclude representatives selected by the applicant, recipient, or former recipient, from a meeting that the commission conducts as an executive session that pertains to the applicant's, recipient's, or former recipient's application for financial assistance.	4154 4155 4156 4157 4158 4159 4160 4161
(3) A veterans service commission shall vote on the grant or denial of financial assistance under sections 5901.01 to 5901.15 of the Revised Code only in an open meeting of the commission. The minutes of the meeting shall indicate the name, address, and occupation of the applicant, whether the assistance was granted or denied, the amount of the assistance if assistance is granted, and the votes for and against the granting of assistance.	4162 4163 4164 4165 4166 4167 4168

(4) A residential facility subject to licensure under section 4178

(B) Not later than ninety days after March 18, 1999, the 4180
members of the Ohio family and children first cabinet council, 4181
other than the director of budget and management, shall enter into 4182
an agreement to establish an office to perform the duties 4183
prescribed by division (C) of this section. The agreement shall 4184
specify one of the departments represented on the council as the 4185
department responsible for housing and supervising the office. The 4186
agreement shall include the recommendation of the council for 4187
funding the office. 4188

(C) The office established pursuant to the agreement entered 4189
into under this section shall review rules governing the 4190
certification and licensure of substitute care providers and 4191
determine which of the rules can be made substantively identical 4192
or more similar in order to minimize the number of differing 4193
certification and licensure standards and simplify the 4194
certification or licensure process for substitute care providers 4195
seeking certification or licensure from two or more of the 4196
departments represented on the council. The office shall provide 4197
county family and children first councils, substitute care 4198
providers, and persons interested in substitute care providers the 4199
opportunity to help the office with the review and determination. 4200
The office shall report its findings to the council. Each of the 4201
departments represented on the council that has adopted rules 4202
governing the certification or licensure of substitute care 4203
providers shall review the report and amend the rules as that 4204
department considers appropriate, except that no rule shall be 4205
amended so as to make it inconsistent with substitute care 4206
provider certification or licensure procedures and standards 4207
established by federal or state law. A department shall give 4208
priority to amendments that will not increase the department's 4209

administrative costs. In amending a rule, a department shall 4210
comply with Chapter 119. or section 111.15 of the Revised Code, as 4211
required by the Revised Code section governing the adoption of the 4212
particular rule. 4213

the council shall select a coordinator to oversee the office 4215
established pursuant to the agreement entered into under this 4216
section. The coordinator shall be in the classified service. In 4217
addition to overseeing the office, the coordinator shall perform 4218
any other duties the council assigns to the coordinator. The 4219

the duties of the office under division (C) of this section. 4221

the commission on the progress of those activities. The executive 4253

submit separate applications for separate tax credit agreements 4462

in the computation of ~~income tax revenue~~ Ohio employee payroll and 4464
one of which shall include all other employees in the computation 4465

benefit the people of this state by increasing opportunities for 4474
employment and strengthening the economy of this state; 4475

(c) Receiving the tax credit is a major factor in the 4476
taxpayer's decision to go forward with the project. 4477

(2)(a) A taxpayer that chooses to begin the project prior to 4478
receiving the determination of the authority may, upon submitting 4479
the taxpayer's application to the authority, request that the 4480
chief investment officer of the nonprofit corporation formed under 4481
section 187.01 of the Revised Code and the director review the 4482
taxpayer's application and recommend to the authority that the 4483
taxpayer's application be considered. As soon as possible after 4484
receiving such a request, the chief investment officer and the 4485
director shall review the taxpayer's application and, if they 4486
determine that the application warrants consideration by the 4487
authority, make that recommendation to the authority not later 4488
than six months after the application is received by the 4489
authority. 4490

(b) The authority shall consider any taxpayer's application 4491
for which it receives a recommendation under division (C)(2)(a) of 4492
this section. If the authority determines that the taxpayer does 4493
not meet all of the criteria set forth in division (C)(1) of this 4494
section, the authority and the development services agency shall 4495
proceed in accordance with rules adopted by the director pursuant 4496
to division (I) of this section. 4497

(D) An agreement under this section shall include all of the 4498
following: 4499

(1) A detailed description of the project that is the subject 4500
of the agreement; 4501

(2)(a) The term of the tax credit, which, except as provided 4502

years, and the first taxable year, or first calendar year that 4504
includes a tax period, for which the credit may be claimed; 4505

(b) If the tax credit is computed on the basis of home-based 4506
employees, the term of the credit shall expire on or before the 4507
last day of the taxable or calendar year ending before the 4508
beginning of the seventh year after September 6, 2012, the 4509
effective date of H.B. 327 of the 129th general assembly. 4510

(3) A requirement that the taxpayer shall maintain operations 4511
at the project location for at least the greater of seven years or 4512
the term of the credit plus three years; 4513

(4) The percentage, as determined by the tax credit 4514
authority, of excess ~~income tax revenue~~ payroll that will be 4515
allowed as the amount of the credit for each taxable year or for 4516

section; 4526

(7) A requirement that the director of development services 4527
annually review the information reported under division (D)(6) of 4528
this section and verify compliance with the agreement; if the 4529
taxpayer is in compliance, a requirement that the director issue a 4530
certificate to the taxpayer stating that the information has been 4531
verified and identifying the amount of the credit that may be 4532
claimed for the taxable or calendar year; 4533

(8) A provision providing that the taxpayer may not relocate 4534
a substantial number of employment positions from elsewhere in 4535
this state to the project location unless the director of 4536
development services determines that the legislative authority of 4537
the county, township, or municipal corporation from which the 4538
employment positions would be relocated has been notified by the 4539
taxpayer of the relocation. 4540

For purposes of this section, the movement of an employment 4541
position from one political subdivision to another political 4542
subdivision shall be considered a relocation of an employment 4543
position unless the employment position in the first political 4544
subdivision is replaced. 4545

(9) If the tax credit is computed on the basis of home-based 4546
employees, that the tax credit may not be claimed by the taxpayer 4547
until the taxable year or tax period in which the taxpayer employs 4548
at least two hundred employees more than the number of employees 4549
the taxpayer employed on June 30, 2011. 4550

(E) If a taxpayer fails to meet or comply with any condition 4551

or requirement set forth in a tax credit agreement, the tax credit 4552
authority may amend the agreement to reduce the percentage or term 4553
of the tax credit. The reduction of the percentage or term may 4554
take effect in the current taxable or calendar year. 4555

(F) Projects that consist solely of point-of-final-purchase 4556
retail facilities are not eligible for a tax credit under this 4557
section. If a project consists of both point-of-final-purchase 4558
retail facilities and nonretail facilities, only the portion of 4559
the project consisting of the nonretail facilities is eligible for 4560
a tax credit and only the excess ~~income tax revenue~~ payroll from 4561
the nonretail facilities shall be considered when computing the 4562
amount of the tax credit. If a warehouse facility is part of a 4563
point-of-final-purchase retail facility and supplies only that 4564
facility, the warehouse facility is not eligible for a tax credit. 4565
Catalog distribution centers are not considered 4566
point-of-final-purchase retail facilities for the purposes of this 4567
division, and are eligible for tax credits under this section. 4568

(G) Financial statements and other information submitted to 4569
the development services agency or the tax credit authority by an 4570
applicant or recipient of a tax credit under this section, and any 4571
information taken for any purpose from such statements or 4572
information, are not public records subject to section 149.43 of 4573
the Revised Code. However, the chairperson of the authority may 4574
make use of the statements and other information for purposes of 4575
issuing public reports or in connection with court proceedings 4576
concerning tax credit agreements under this section. Upon the 4577
request of the tax commissioner or, if the applicant or recipient 4578
is an insurance company, upon the request of the superintendent of 4579
insurance, the chairperson of the authority shall provide to the 4580
commissioner or superintendent any statement or information 4581
submitted by an applicant or recipient of a tax credit in 4582
connection with the credit. The commissioner or superintendent 4583

shall preserve the confidentiality of the statement or 4584
information. 4585

(H) A taxpayer claiming a credit under this section shall 4586
submit to the tax commissioner or, if the taxpayer is an insurance 4587
company, to the superintendent of insurance, a copy of the 4588
director of development services' certificate of verification 4589
under division (D)(7) of this section with the taxpayer's tax 4590
report or return for the taxable year or for the calendar year 4591
that includes the tax period. Failure to submit a copy of the 4592
certificate with the report or return does not invalidate a claim 4593
for a credit if the taxpayer submits a copy of the certificate to 4594
the commissioner or superintendent within ~~sixty~~ thirty days after 4595
the commissioner or superintendent requests it. 4596

(I) The director of development services, after consultation 4597
with the tax commissioner and the superintendent of insurance and 4598
in accordance with Chapter 119. of the Revised Code, shall adopt 4599
rules necessary to implement this section, including rules that 4600
establish a procedure to be followed by the tax credit authority 4601
and the development services agency in the event the authority 4602
considers a taxpayer's application for which it receives a 4603
recommendation under division (C)(2)(a) of this section but does 4604
not approve it. The rules may provide for recipients of tax 4605
credits under this section to be charged fees to cover 4606
administrative costs of the tax credit program. The fees collected 4607
shall be credited to the business assistance fund created in 4608
section 122.174 of the Revised Code. At the time the director 4609
gives public notice under division (A) of section 119.03 of the 4610
Revised Code of the adoption of the rules, the director shall 4611
submit copies of the proposed rules to the chairpersons of the 4612
standing committees on economic development in the senate and the 4613
house of representatives. 4614

(J) For the purposes of this section, a taxpayer may include 4615

a partnership, a corporation that has made an election under 4616
subchapter S of chapter one of subtitle A of the Internal Revenue 4617
Code, or any other business entity through which income flows as a 4618
distributive share to its owners. A partnership, S-corporation, or 4619
other such business entity may elect to pass the credit received 4620
under this section through to the persons to whom the income or 4621
profit of the partnership, S-corporation, or other entity is 4622
distributed. The election shall be made on the annual report 4623
required under division (D)(6) of this section. The election 4624
applies to and is irrevocable for the credit for which the report 4625
is submitted. If the election is made, the credit shall be 4626
apportioned among those persons in the same proportions as those 4627
in which the income or profit is distributed. 4628

(K)(1) If the director of development services determines 4629
that a taxpayer who has received a credit under this section is 4630
not complying with the ~~requirement under division (D)(3) of this~~ 4631
~~section~~ requirements of the agreement, the director shall notify 4632
the tax credit authority of the noncompliance. After receiving 4633
such a notice, and after giving the taxpayer an opportunity to 4634
explain the noncompliance, the tax credit authority may require 4635
the taxpayer to refund to this state a portion of the credit in 4636
accordance with the following: 4637

~~(1)~~(a) If the taxpayer fails to comply with the requirement 4638
under division (D)(3) of this section, an amount determined in 4639
accordance with the following: 4640

(i) If the taxpayer maintained operations at the project 4641
location for a period less than or equal to the term of the 4642
credit, an amount not exceeding one hundred per cent of the sum of 4643
any credits allowed and received under this section; 4644

~~(2)~~(ii) If the taxpayer maintained operations at the project 4645
location for a period longer than the term of the credit, but less 4646
than the greater of seven years or the term of the credit plus 4647

three years, an amount not exceeding seventy-five per cent of the 4648
sum of any credits allowed and received under this section. 4649

(b) If, on the metric evaluation date, the taxpayer fails to 4650
substantially meet the job creation, payroll, or investment 4651
requirements included in the agreement, an amount determined at 4652
the discretion of the authority; 4653

(c) If the taxpayer fails to substantially maintain the 4654
number of new full-time equivalent employees or amount of payroll 4655
required under the agreement at any time during the term of the 4656
agreement after the metric evaluation date, an amount determined 4657
at the discretion of the authority. 4658

(2) If a taxpayer files for bankruptcy and fails as described 4659
in division (K)(1)(a), (b), or (c) of this section, the director 4660
may immediately commence an action to recoup an amount not 4661
exceeding one hundred per cent of the sum of any credits received 4662
by the taxpayer under this section. 4663

(3) In determining the portion of the tax credit to be 4664
refunded to this state, the tax credit authority shall consider 4665
the effect of market conditions on the taxpayer's project and 4666
whether the taxpayer continues to maintain other operations in 4667
this state. After making the determination, the authority shall 4668
certify the amount to be refunded to the tax commissioner or 4669
superintendent of insurance, as appropriate. If the amount is 4670
certified to the commissioner, the commissioner shall make an 4671
assessment for that amount against the taxpayer under Chapter 4672
5726., 5733., 5736., 5747., or 5751. of the Revised Code. If the 4673
amount is certified to the superintendent, the superintendent 4674
shall make an assessment for that amount against the taxpayer 4675
under Chapter 5725. or 5729. of the Revised Code. The time 4676
limitations on assessments under those chapters do not apply to an 4677
assessment under this division, but the commissioner or 4678
superintendent, as appropriate, shall make the assessment within 4679

one year after the date the authority certifies to the 4680
commissioner or superintendent the amount to be refunded. 4681

(L) On or before the first day of August each year, the 4682
director of development services shall submit a report to the 4683
governor, the president of the senate, and the speaker of the 4684
house of representatives on the tax credit program under this 4685
section. The report shall include information on the number of 4686
agreements that were entered into under this section during the 4687
preceding calendar year, a description of the project that is the 4688
subject of each such agreement, and an update on the status of 4689
projects under agreements entered into before the preceding 4690
calendar year. 4691

(M) There is hereby created the tax credit authority, which 4692
consists of the director of development services and four other 4693
members appointed as follows: the governor, the president of the 4694
senate, and the speaker of the house of representatives each shall 4695
appoint one member who shall be a specialist in economic 4696
development; the governor also shall appoint a member who is a 4697
specialist in taxation. ~~Of the initial appointees, the members~~ 4698
~~appointed by the governor shall serve a term of two years; the~~ 4699
~~members appointed by the president of the senate and the speaker~~ 4700
~~of the house of representatives shall serve a term of four years.~~ 4701

until the end of the term for which the member was appointed. 4705
Vacancies shall be filled in the same manner provided for original 4706
appointments. Any member appointed to fill a vacancy occurring 4707
prior to the expiration of the term for which the member's 4708
predecessor was appointed shall hold office for the remainder of 4709
that term. Members may be reappointed to the authority. Members of 4710
the authority shall receive their necessary and actual expenses 4711

while engaged in the business of the authority. The director of 4712
development services shall serve as chairperson of the authority, 4713
and the members annually shall elect a vice-chairperson from among 4714
themselves. Three members of the authority constitute a quorum to 4715
transact and vote on the business of the authority. The majority 4716
vote of the membership of the authority is necessary to approve 4717
any such business, including the election of the vice-chairperson. 4718

The director of development services may appoint a 4719
professional employee of the development services agency to serve 4720
as the director's substitute at a meeting of the authority. The 4721
director shall make the appointment in writing. In the absence of 4722
the director from a meeting of the authority, the appointed 4723
substitute shall serve as chairperson. In the absence of both the 4724
director and the director's substitute from a meeting, the 4725
vice-chairperson shall serve as chairperson. 4726

against the taxes imposed under sections 5725.18 and 5729.03 of 4728
the Revised Code, "taxable year" means the period covered by the 4729
taxpayer's annual statement to the superintendent of insurance. 4730

(O) On or before the first day of March of each of the five 4731

agreement with the tax credit authority under this section on the 4733
basis of home-based employees shall report the number of 4734
home-based employees and other employees employed by the taxpayer 4735
in this state to the development services agency. 4736

(P) On or before the first day of January of 2019, the 4737
director of development services shall submit a report to the 4738
governor, the president of the senate, and the speaker of the 4739
house of representatives on the effect of agreements entered into 4740
under this section in which the taxpayer included home-based 4741
employees in the computation of income tax revenue, as that term 4742
was defined in this section prior to the amendment of this section 4743

by H.B. 64 of the 131st general assembly. The report shall include 4744
information on the number of such agreements that were entered 4745
into in the preceding six years, a description of the projects 4746
that were the subjects of such agreements, and an analysis of 4747
nationwide home-based employment trends, including the number of 4748
home-based jobs created from July 1, 2011, through June 30, 2017, 4749

agreement entered into under this section for a tax credit 4753
computed on the basis of home-based employees to contain a 4754
provision that the taxpayer makes available health care benefits 4755
and tuition reimbursement to all employees. 4756

(R) Original agreements approved by the tax credit authority 4757
under this section in 2014 or 2015 before the effective date of 4758
this division may be revised at the request of the taxpayer to 4759
conform with the amendments to this section and sections 4760
5733.0610, 5736.50, 5747.058, and 5751.50 of the Revised Code by 4761
H.B. 64 of the 131st general assembly, upon mutual agreement of 4762
the taxpayer and the development services agency, and approval by 4763
the tax credit authority. 4764

annual report required under division (D)(6) of this section. 4770

(c) "Income tax revenue" has the same meaning as under this 4771
section as it existed before the effective date of the amendment 4772
of this section by H.B. 64 of the 131st general assembly. 4773

(2) In calendar year 2016 and thereafter, the tax credit 4774

authority shall annually determine a withholding adjustment factor 4775
to be used in the computation of income tax revenue for eligible 4776
agreements. The withholding adjustment factor shall be a numerical 4777
percentage that equals the percentage that employer income tax 4778
withholding rates have been increased or decreased as a result of 4779
changes in the income tax rates prescribed by section 5747.02 of 4780
the Revised Code by amendment of that section taking effect on or 4781
after June 29, 2013. 4782

(3) Except as provided in division (S)(4) of this section, 4783
for reporting periods ending in 2015 and thereafter for taxpayers 4784
subject to eligible agreements, the tax credit authority shall 4785
adjust the income tax revenue reported on the taxpayer's annual 4786
report by multiplying the withholding adjustment factor by the 4787
taxpayer's income tax revenue and doing one of the following: 4788

(a) If the income tax rates prescribed by section 5747.02 of 4789
the Revised Code have decreased by amendment of that section 4790
taking effect on or after June 29, 2013, add the product to the 4791
taxpayer's income tax revenue. 4792

(b) If the income tax rates prescribed by section 5747.02 of 4793
the Revised Code have increased by amendment of that section 4794
taking effect on or after June 29, 2013, subtract the product from 4795
the taxpayer's income tax revenue. 4796

all of the following apply for the reporting period with respect 4798
to the eligible agreement: (a) The taxpayer has achieved one 4799

the agreement. 4801

(b) If applicable, the taxpayer has achieved one hundred per 4802
cent of the new payroll commitment identified in the agreement. 4803

(c) If applicable, the taxpayer has achieved one hundred per 4804
cent of the investment commitment identified in the agreement. 4805

(5) Failure by a taxpayer to have achieved any of the applicable commitments described in divisions (S)(4)(a) to (c) of this section in a reporting period does not disqualify the taxpayer for the adjustment under division (S) of this section for an ensuing reporting period.

continues to maintain other operations in this state. After making 5150
the determination, the authority shall certify the amount to be 5151
refunded to the tax commissioner or the superintendent of 5152
insurance. If the taxpayer, or any related member or members who 5153
claimed the tax credit under division (N) of this section, is not 5154

(c) If applicable, the taxpayer has achieved one hundred per cent of the investment commitment identified in the agreement.

under section 5747.06 of the Revised Code of at least one million 5354
five hundred thousand dollars to employees employed at the project 5355
site for each year of the agreement beginning on or after the 5356

for the delivery, installation, or repair of the computer data 5371
center equipment subject to the exemption under this section. 5372

(C) A taxpayer that proposes a capital improvement project 5373
for an eligible computer data center in this state may apply to 5374
the tax credit authority to enter into an agreement under this 5375
section authorizing a complete or partial exemption from the taxes 5376
imposed under Chapters 5739. and 5741. of the Revised Code on 5377
computer data center equipment purchased by the applicant or any 5378
other taxpayer that operates a computer data center business at 5379
the project site and used or to be used at the eligible computer 5380

authority shall forward copies of the application to the director 5383
of budget and management, ~~and~~ the tax commissioner, ~~and the~~
~~director of development services~~, each of whom shall review the 5384
application to determine the economic impact that the proposed 5385

summary of their determinations ~~and recommendations~~. The authority
shall also forward a copy of the application to the director of
development services who shall review the application to determine

(D) Upon review and consideration of such determinations and 5396

recommendations, the tax credit authority may enter into an 5397
agreement with the applicant and any other taxpayer that operates 5398
a computer data center business at the project site for a complete 5399
or partial exemption from the taxes imposed under Chapters 5739. 5400
and 5741. of the Revised Code on computer data center equipment 5401
used or to be used at an eligible computer data center if the 5402
authority determines all of the following: 5403

(1) The capital investment project for the eligible computer 5404
data center will increase payroll and the amount of income taxes 5405
to be withheld from employee compensation pursuant to section 5406
5747.06 of the Revised Code. 5407

(2) The applicant is economically sound and has the ability 5408

(4) Receiving the exemption is a major factor in the 5413
applicant's decision to begin, continue with, or complete the 5414
capital investment project. 5415

(E) An agreement entered into under this section shall 5416
include all of the following: 5417

(1) A detailed description of the capital investment project 5418
that is the subject of the agreement, including the amount of the 5419
investment, the period over which the investment has been or is 5420
being made, the annual compensation to be paid by each taxpayer 5421
subject to the agreement to its employees at the project site, and 5422
the anticipated amount of income taxes to be withheld from 5423
employee compensation pursuant to section 5747.06 of the Revised 5424
Code. 5425

(2) The percentage of the exemption from the taxes imposed 5426
under Chapters 5739. and 5741. of the Revised Code for the 5427

equipment will be exempted, and the first date on which the 5430
exemption applies. 5431

(3) A requirement that the computer data center remain an 5432
eligible computer data center during the term of the agreement and 5433
that the applicant maintain operations at the eligible computer 5434
data center during that term. An applicant does not violate the 5435
requirement described in division (E)(3) of this section if the 5436
applicant ceases operations at the eligible computer data center 5437
during the term of the agreement but resumes those operations 5438
within eighteen months after the date of cessation. The agreement 5439
shall provide that, in such a case, the applicant and any other 5440
taxpayer that operates a computer data center business at the 5441
project site shall not claim the tax exemption authorized in the 5442
agreement for any purchase of computer data center equipment made 5443
during the period in which the applicant did not maintain 5444
operations at the eligible computer data center. 5445

(4) A requirement that, for each year of the term of the 5446
agreement beginning on or after the first day of the twenty-fifth 5447
month after the date the agreement was entered into, one or more 5448
taxpayers operating a computer data center business at the project 5449
site will, in the aggregate, pay annual compensation that is 5450
subject to the withholding obligation imposed under section 5451
5747.06 of the Revised Code of at least one million five hundred 5452
thousand dollars to employees at the eligible computer data 5453
center. 5454

(5) A requirement that each taxpayer subject to the agreement 5455
annually report to the director of development services 5456
employment, tax withholding, capital investment, and other 5457
information required by the director to perform the director's 5458
duties under this section. 5459

(6) A requirement that the director of development services 5460
annually review the annual reports of each taxpayer subject to the 5461
agreement to verify the information reported under division (E)(5) 5462
of this section and compliance with the agreement. Upon 5463
verification, the director shall issue a certificate to each such 5464
taxpayer stating that the information has been verified and that 5465
the taxpayer remains eligible for the exemption specified in the 5466
agreement. 5467

(7) A provision providing that the taxpayers subject to the 5468
agreement may not relocate a substantial number of employment 5469
positions from elsewhere in this state to the project site unless 5470
the director of development services determines that the 5471
appropriate taxpayer notified the legislative authority of the 5472
county, township, or municipal corporation from which the 5473
employment positions would be relocated. For purposes of this 5474
paragraph, the movement of an employment position from one 5475
political subdivision to another political subdivision shall be 5476
considered a relocation of an employment position unless the 5477
movement is confined to the project site. The transfer of an 5478
employment position from one political subdivision to another 5479
political subdivision shall not be considered a relocation of an 5480
employment position if the employment position in the first 5481
political subdivision is replaced by another employment position. 5482

(8) A waiver by each taxpayer subject to the agreement of any 5483
limitations periods relating to assessments or adjustments 5484
resulting from the taxpayer's failure to comply with the 5485
agreement. 5486

(F) The term of an agreement under this section shall be 5487
determined by the tax credit authority, and the amount of the 5488
exemption shall not exceed one hundred per cent of such taxes that 5489
would otherwise be owed in respect to the exempted computer data 5490
center equipment. 5491

(G) If any taxpayer subject to an agreement under this 5492
section fails to meet or comply with any condition or requirement 5493
set forth in the agreement, the tax credit authority may amend the 5494
agreement to reduce the percentage of the exemption or term during 5495
which the exemption applies to the computer data center equipment 5496
used or to be used by the noncompliant taxpayer at an eligible 5497
computer data center. The reduction of the percentage or term may 5498
take effect in the current calendar year. 5499

(H) Financial statements and other information submitted to 5500
the department of development services or the tax credit authority 5501
by an applicant for or recipient of an exemption under this 5502
section, and any information taken for any purpose from such 5503
statements or information, are not public records subject to 5504
section 149.43 of the Revised Code. However, the chairperson of 5505
the authority may make use of the statements and other information 5506
for purposes of issuing public reports or in connection with court 5507
proceedings concerning tax exemption agreements under this 5508
section. Upon the request of the tax commissioner, the chairperson 5509
of the authority shall provide to the tax commissioner any 5510
statement or other information submitted by an applicant for or 5511
recipient of an exemption under this section. The tax commissioner 5512
shall preserve the confidentiality of the statement or other 5513
information. 5514

(I) The tax commissioner shall issue a direct payment permit 5515
under section 5739.031 of the Revised Code to each taxpayer 5516
subject to an agreement under this section. Such direct payment 5517
permit shall authorize the taxpayer to pay any sales and use taxes 5518
due on purchases of computer data center equipment used or to be 5519
used in an eligible computer data center and to pay any sales and 5520
use taxes due on purchases of tangible personal property or 5521
taxable services other than computer data center equipment used or 5522
to be used in an eligible computer data center directly to the tax 5523

commissioner. Each such taxpayer shall pay pursuant to such direct 5524
payment permit all sales tax levied on such purchases under 5525
sections 5739.02, 5739.021, 5739.023, 5739.024, and 5739.026 of 5526
the Revised Code and all use tax levied on such purchases under 5527
sections 5741.02, 5741.021, 5741.022, ~~and 5741.023,~~ and 5741.024 5528
of the Revised Code, consistent with the terms of the agreement 5529
entered into under this section. 5530

During the term of an agreement under this section each 5531
taxpayer subject to the agreement shall submit to the tax 5532
commissioner a return that shows the amount of computer data 5533
center equipment purchased for use at the eligible computer data 5534
center, the amount of tangible personal property and taxable 5535
services other than computer data center equipment purchased for 5536
use at the eligible computer data center, the amount of tax under 5537
Chapter 5739. or 5741. of the Revised Code that would be due in 5538
the absence of the agreement under this section, the exemption 5539
percentage for computer data center equipment specified in the 5540
agreement, and the amount of tax due under Chapter 5739. or 5741. 5541
of the Revised Code as a result of the agreement under this 5542
section. Each such taxpayer shall pay the tax shown on the return 5543
to be due in the manner and at the times as may be further 5544
prescribed by the tax commissioner. Each such taxpayer shall 5545
include a copy of the director of development services' 5546
certificate of verification issued under division (E)(6) of this 5547
section. Failure to submit a copy of the certificate with the 5548
return does not invalidate the claim for exemption if the taxpayer 5549
submits a copy of the certificate to the tax commissioner within 5550
sixty days after the tax commissioner requests it. 5551

(J) If the director of development services determines that 5552
one or more taxpayers received an exemption from taxes due on the 5553
purchase of computer data center equipment purchased for use at a 5554
computer data center that no longer complies with the requirement 5555

under division (E)(3) of this section, the director shall notify 5556
the tax credit authority and, if applicable, the taxpayer that 5557
applied to enter the agreement for the exemption under division 5558
(C) of this section of the noncompliance. After receiving such a 5559
notice, and after giving each taxpayer subject to the agreement an 5560
opportunity to explain the noncompliance, the authority may 5561
terminate the agreement and require each such taxpayer to pay to 5562
the state all or a portion of the taxes that would have been owed 5563
in regards to the exempt equipment in previous years, all as 5564
determined under rules adopted pursuant to division (K) of this 5565
section. In determining the portion of the taxes that would have 5566
been owed on the previously exempted equipment to be paid to this 5567
state by a taxpayer, the authority shall consider the effect of 5568
market conditions on the eligible computer data center, whether 5569
the taxpayer continues to maintain other operations in this state, 5570
and, with respect to agreements involving multiple taxpayers, the 5571
taxpayer's level of responsibility for the noncompliance. After 5572
making the determination, the authority shall certify to the tax 5573
commissioner the amount to be paid by each taxpayer subject to the 5574
agreement. The tax commissioner shall make an assessment for that 5575
amount against each such taxpayer under Chapter 5739. or 5741. of 5576
the Revised Code. The time limitations on assessments under those 5577
chapters do not apply to an assessment under this division, but 5578
the tax commissioner shall make the assessment within one year 5579
after the date the authority certifies to the tax commissioner the 5580
amount to be paid by the taxpayer. 5581

(K) The director of development services, after consultation 5582
with the tax commissioner and in accordance with Chapter 119. of 5583
the Revised Code, shall adopt rules necessary to implement this 5584
section. The rules may provide for recipients of tax exemptions 5585
under this section to be charged fees to cover administrative 5586
costs incurred in the administration of this section. The fees 5587
collected shall be credited to the business assistance fund 5588

created in section 122.174 of the Revised Code. At the time the 5589
director gives public notice under division (A) of section 119.03 5590
of the Revised Code of the adoption of the rules, the director 5591
shall submit copies of the proposed rules to the chairpersons of 5592
the standing committees on economic development in the senate and 5593
the house of representatives. 5594

(L) On or before the first day of August of each year, the 5595
director of development services shall submit a report to the 5596
governor, the president of the senate, and the speaker of the 5597
house of representatives on the tax exemption authorized under 5598
this section. The report shall include information on the number 5599
of agreements that were entered into under this section during the 5600
preceding calendar year, a description of the eligible computer 5601
data center that is the subject of each such agreement, and an 5602
update on the status of eligible computer data centers under 5603
agreements entered into before the preceding calendar year. 5604

(M) A taxpayer may be made a party to an existing agreement 5605
entered into under this section by the tax credit authority and 5606
another taxpayer or group of taxpayers. In such a case, the 5607
taxpayer shall be entitled to all benefits and bound by all 5608
obligations contained in the agreement and all requirements 5609
described in this section. When an agreement includes multiple 5610
taxpayers, each taxpayer shall be entitled to a direct payment 5611
permit as authorized in division (I) of this section. 5612

Sec. 122.177. (A) As used in this section: 5613

(1) "Business" means a sole proprietorship, a corporation for 5614
profit, or a pass-through entity as defined in section 5733.04 of 5615
the Revised Code. 5616

(2) "Career exploration internship" means a paid employment 5617
relationship between a student intern and a business in which the 5618
student intern acquires education, instruction, and experience 5619

relevant to the student intern's career aspirations. 5620

(3) "Student intern" means an individual who, at the time the 5621
business applies for a grant under division (B) of this section, 5622
meets both of the following criteria: 5623

(a) The individual is entitled to attend school in this 5624
state. 5625

(b) The individual is either between sixteen and eighteen 5626
years of age or is enrolled in grade eleven or twelve. 5627

(B) There is hereby created in the development services 5628
agency the career exploration internship program to award grants 5629
to businesses that employ a student intern in a career exploration 5630
internship. To qualify for a grant under the program, the career 5631
exploration internship shall be at least twenty weeks in duration 5632
and include at least two hundred hours of paid work and 5633
instruction in this state. To obtain a grant, the business shall 5634
apply to the development services agency before the starting date 5635
of the career exploration internship. The application shall 5636
include all of the following: 5637

(1) A brief description of the career exploration internship; 5638

(2) A signed statement by the student intern briefly 5639
describing the student intern's career aspirations and how the 5640
student intern believes this career exploration internship may 5641
help achieve those aspirations; 5642

(3) A signed statement by a principal or guidance counselor 5643
at the student intern's school or, in the case of a home schooled 5644

(C)(1) The development services agency shall review and make 5653
a determination with respect to each application submitted under 5654
division (B) of this section in the order in which the application 5655
is received. The agency shall not approve any application under 5656
this section that is received by the agency ~~more than three years~~ 5657
~~after the effective date of H.B. 107 of the 130th general assembly~~ 5658
later than June 25, 2017, or that was submitted by a business that 5659
does not have substantial operations in this state. The agency may 5660
not otherwise deny an application unless the application is 5661
incomplete, the proposed employment relationship does not qualify 5662
as a career exploration internship for which a grant may be 5663
awarded under this section, the business is ineligible to receive 5664
a grant under division (D)(1) of this section, or the agency 5665
determines that approving the application would cause the amount 5666
that could be awarded to exceed the amount of money in the career 5667
exploration internship fund. 5668

(2) The agency shall send written notice of its determination 5669
to the applicant within thirty days after receiving the 5670
application. If the agency determines that the application shall 5671
not be approved, the notice shall include the reasons for such 5672
determination. 5673

(3) The agency's determination is final and may not be 5674
appealed for any reason. A business may submit a new or amended 5675
application under division (B) of this section at any time before 5676
or after receiving notice under division (C)(2) of this section. 5677

(D)(1) In any calendar year, the development services agency 5678
shall not award grants under this section to any business that has 5679
received grants for three career exploration internships in that 5680

calendar year. The agency shall not award a grant to a business unless the agency receives a report from the business within thirty days after the end of the career exploration internship or thirteen months after the approval of the application, whichever comes first, that includes all of the following:

(a) The date the student intern began the internship;

(b) The date the internship ended or a statement that the student will continue to be employed by the business;

(e) A signed statement by the student intern briefly describing the duties performed during the internship and the skills and experiences gained throughout the internship;

(f) Any other information required by the agency.

(2) If the agency receives the report and determines that it contains all of the information and the statement required by division (D)(1) of this section and that the career exploration internship described in the report complies with all the provisions of this section, the agency shall award a grant to the business. The amount of the grant shall equal the lesser of the following:

(a) Fifty per cent of the wages paid by the business to the student intern for the first twelve months following the date the application was approved;

(b) Five thousand dollars.

(E) The student intern and the principal, guidance counselor, or other qualified individual who signed the statement described in division (B)(3) of this section shall meet at least once in the

thirty days following the end of the career exploration internship 5711
or in the thirteenth month following the start of the career 5712
exploration internship, whichever comes first. The purpose of the 5713
meeting is to discuss the student intern's experiences during the 5714
career exploration internship, consider the practical applications 5715
of these experiences to the student intern's career aspirations, 5716
and to establish or confirm goals for the student intern. If 5717
practicable, the meeting shall be in person. Otherwise, the 5718
meeting may be conducted over the telephone. 5719

(F) A business that receives a grant under this section may 5720
submit a new application under division (B) of this section for 5721
another career exploration internship with the same student 5722
intern. Such an application does not have to include the 5723
statements otherwise required by divisions (B)(2) and (3) of this 5724
section. 5725

(G) Annually, ~~before on the seventh first~~ day of ~~January~~ 5726
~~August~~ until the ~~January of the third year that follows the year~~ 5727
~~that includes the effective date of H.B. 107 of the 130th general~~ 5728
~~assembly~~ August 2017, the development services agency shall 5729
compile a report indicating the number of career exploration 5730
internships approved by the agency under this section, the 5731
statements issued by the student interns under divisions (B)(2) 5732
and (D)(1)(e) of this section, the number of student interns that 5733
continued employment with the business after the termination of 5734
the career exploration internship, and the total amount of grants 5735
awarded under this section. The report shall not disclose any 5736
student interns' personally identifiable information. The agency 5737
shall provide copies of the report to the governor, the speaker 5738
and minority leader of the house of representatives, and the 5739
president and minority leader of the senate. 5740

(H) The development services agency may adopt rules necessary 5741
to administer this section in accordance with Chapter 119. of the 5742

Revised Code. 5743

(I) The career exploration internship fund is hereby created 5744
in the state treasury. The fund shall consist of a portion of the 5745
proceeds from the upfront license fees paid for the casino 5746
facilities authorized under Section 6(C) of Article XV, Ohio 5747
Constitution. Money in the fund shall be used by the development 5748
services agency to provide grants under this section. 5749

Sec. 122.64. (A) There is hereby established in the 5750
development services agency a business services division. The 5751
division shall be supervised by a deputy director appointed by the 5752
director of development services. 5753

The division is responsible for the administration of the 5754
state economic development financing programs established pursuant 5755
to sections 122.17 and 122.18, sections 122.39 and 122.41 to 5756

project; 6661

(4) Identify the facility to be constructed, renovated, 6662
remodeled, or improved; 6663

~~(4)~~(5) Specify that the project scope meets the intent and 6664
purpose of the project appropriation and that the project can be 6665
completed and ready ~~for full occupancy~~ to support culture without 6666
exceeding appropriated funds; 6667

~~(5)~~(6) Specify that the cultural organization shall hold the 6668
Ohio facilities construction commission harmless from all 6669
liability for the operation and maintenance costs of the facility; 6670

~~(6)~~(7) Specify that the agreement or any actions taken under 6671
it are not subject to ~~Chapters~~ Chapter 123., 153., or 4115. of the 6672
Revised Code, except for sections 123.20, 123.201, 123.21, 123.28, 6673
and 123.281 of the Revised Code; and 6674

~~(7)~~(8) Provide that amendments to the agreement shall require 6675
the approval of the Ohio facilities construction commission. 6676

(D) For an Ohio sports facility that is financed in part by 6677
obligations issued under Chapter 154. of the Revised Code, 6678
construction services shall be provided on behalf of the state by 6679
or at the direction of the governmental agency or nonprofit 6680
corporation that will own or be responsible for the management of 6681
the facility. Any construction services to be provided by a 6682
governmental agency or nonprofit corporation shall be specified in 6683
a cooperative use agreement between the Ohio facilities 6684
construction commission and the governmental agency or nonprofit 6685
corporation. The agreement and any actions taken under it are not 6686
subject to Chapter 123. or 153. of the Revised Code, except for 6687
sections 123.20, 123.201, 123.21, 123.28, 123.281, and 153.011 of 6688
the Revised Code, and are subject to Chapter 4115. of the Revised 6689
Code. 6690

(E) State funds shall not be used to pay or reimburse more 6691

than fifteen per cent of the initial estimated construction cost 6692
of an Ohio sports facility, excluding any site acquisition cost, 6693
and no state funds, including any state bond proceeds, shall be 6694
spent on any Ohio sports facility under this chapter unless, with 6695
respect to that facility, all of the following apply: 6696

(1) The Ohio facilities construction commission has received 6697
a financial and development plan satisfactory to it, and provision 6698
has been made, by agreement or otherwise, satisfactory to the 6699
commission, for a contribution amounting to not less than 6700
eighty-five per cent of the total estimated construction cost of 6701
the facility, excluding any site acquisition cost, from sources 6702
other than the state. 6703

(2) The general assembly has specifically authorized the 6704
spending of money on, or made an appropriation for, the 6705
construction of the facility, or for rental payments relating to 6706
state financing of all or a portion of the costs of constructing 6707
the facility. Authorization to spend money, or an appropriation, 6708
for planning or determining the feasibility of or need for the 6709
facility does not constitute authorization to spend money on, or 6710
an appropriation for, costs of constructing the facility. 6711

(3) If state bond proceeds are being used for the Ohio sports 6712
facility, the state or a governmental agency owns or has 6713
sufficient property interests in the facility or in the site of 6714
the facility or in the portion or portions of the facility 6715
financed from proceeds of state bonds, which may include, but is 6716
not limited to, the right to use or to require the use of the 6717
facility for the presentation of sport and athletic events to the 6718
public at the facility. 6719

~~(E)~~(F) In addition to the requirements of division ~~(D)~~(E) of 6720
this section, no state funds, including any state bond proceeds, 6721
shall be spent on any Ohio sports facility that is a motorsports 6722
complex, unless, with respect to that facility, both of the 6723

following apply: 6724

(1) Motorsports events shall be presented at the facility 6725
pursuant to a lease entered into with the owner of the facility. 6726
The term of the lease shall be for a period of not less than the 6727
greater of the useful life of the portion of the facility financed 6728
from proceeds of state bonds as determined using the guidelines 6729
for maximum maturities as provided under divisions (B) and (C) of 6730
section 133.20 of the Revised Code, or the period of time 6731
remaining to the date of payment or provision for payment of 6732
outstanding state bonds allocable to costs of the facility, all as 6733
determined by the director of budget and management and certified 6734
by the executive director of the Ohio facilities construction 6735
commission and to the treasurer of state. 6736

(2) Any motorsports organization that commits to using the 6737
facility for an established period of time shall give the 6738
political subdivision in which the facility is located not less 6739
than six months' advance notice if the organization intends to 6740
cease utilizing the facility prior to the expiration of that 6741
established period. Such a motorsports organization shall be 6742
liable to the state for any state funds used on the construction 6743
costs of the facility. 6744

~~(F)~~(G) In addition to the requirements of division ~~(D)~~(E) of 6745
this section, no state bond proceeds shall be spent on any Ohio 6746
sports facility that is a tennis facility, unless the owner or 6747
manager of the facility provides contractual commitments from a 6748
national or international professional tennis organization in a 6749
form acceptable to the Ohio facilities construction commission 6750
that assures that one or more sanctioned professional tennis 6751
events will be presented at the facility during each year that the 6752
bonds remain outstanding. 6753

Sec. 124.14. (A)(1) The director of administrative services 6754

shall establish, and may modify or rescind, ~~by rule,~~ a job 6755
classification plan for all positions, offices, and employments in 6756
the service of the state. The director shall group jobs within a 6757
classification so that the positions are similar enough in duties 6758
and responsibilities to be described by the same title, to have 6759
the same pay assigned with equity, and to have the same 6760
qualifications for selection applied. The director shall, ~~by rule,~~ 6761
assign a classification title to each classification within the 6762
classification plan. However, the director shall consider in 6763
establishing classifications, including classifications with 6764
parenthetical titles, and assigning pay ranges such factors as 6765
duties performed only on one shift, special skills in short supply 6766
in the labor market, recruitment problems, separation rates, 6767
comparative salary rates, the amount of training required, and 6768
other conditions affecting employment. The director shall describe 6769
the duties and responsibilities of the class, establish the 6770
qualifications for being employed in each position in the class, 6771
and file with the secretary of state a copy of specifications for 6772
all of the classifications. The director shall file new, 6773
additional, or revised specifications with the secretary of state 6774
before they are used. 6775

The director shall, ~~by rule,~~ assign each classification, 6776
either on a statewide basis or in particular counties or state 6777
institutions, to a pay range established under section 124.15 or 6778
section 124.152 of the Revised Code. The director may assign a 6779
classification to a pay range on a temporary basis for a period of 6780
six months. The director may establish, ~~by rule adopted under~~ 6781
~~Chapter 119. of the Revised Code,~~ experimental classification 6782
plans for some or all employees paid directly by warrant of the 6783
director of budget and management. ~~The rule~~ Any such experimental 6784
classification plan shall include specifications for each 6785
classification within the plan and shall specifically address 6786
compensation ranges, and methods for advancing within the ranges, 6787

for the classifications, which may be assigned to pay ranges other 6788
than the pay ranges established under section 124.15 or 124.152 of 6789
the Revised Code. 6790

(2) The director of administrative services may reassign to a 6791
proper classification those positions that have been assigned to 6792
an improper classification. If the compensation of an employee in 6793
such a reassigned position exceeds the maximum rate of pay for the 6794
employee's new classification, the employee shall be placed in pay 6795
step X and shall not receive an increase in compensation until the 6796
maximum rate of pay for that classification exceeds the employee's 6797
compensation. 6798

(3) The director may reassign an exempt employee, as defined 6799
in section 124.152 of the Revised Code, to a bargaining unit 6800
classification if the director determines that the bargaining unit 6801
classification is the proper classification for that employee. 6802
Notwithstanding Chapter 4117. of the Revised Code or instruments 6803
and contracts negotiated under it, these placements are at the 6804
director's discretion. 6805

(4) The director shall, ~~by rule,~~ assign related 6806
classifications, which form a career progression, to a 6807
classification series. The director shall, ~~by rule,~~ assign each 6808
classification in the classification plan a five-digit number, the 6809
first four digits of which shall denote the classification series 6810
to which the classification is assigned. When a career progression 6811
encompasses more than ten classifications, the director shall, ~~by~~ 6812
~~rule,~~ identify the additional classifications belonging to a 6813
classification series. The additional classifications shall be 6814
part of the classification series, notwithstanding the fact that 6815
the first four digits of the number assigned to the additional 6816
classifications do not correspond to the first four digits of the 6817
numbers assigned to other classifications in the classification 6818
series. 6819

(B) Division (A) of this section and sections 124.15 and 6820
124.152 of the Revised Code do not apply to the following persons, 6821
positions, offices, and employments: 6822

(1) Elected officials; 6823

(2) Legislative employees, employees of the legislative 6824
service commission, employees in the office of the governor, 6825
employees who are in the unclassified civil service and exempt 6826
from collective bargaining coverage in the office of the secretary 6827
of state, auditor of state, treasurer of state, and attorney 6828
general, and employees of the supreme court; 6829

(3) Any position for which the authority to determine 6830
compensation is given by law to another individual or entity; 6831

(4) Employees of the bureau of workers' compensation whose 6832
compensation the administrator of workers' compensation 6833
establishes under division (B) of section 4121.121 of the Revised 6834
Code. 6835

(C) The director may employ a consulting agency to aid and 6836
assist the director in carrying out this section. 6837

(D)(1) When the director proposes to modify a classification 6838
or the assignment of classes to appropriate pay ranges, the 6839
director shall ~~send written notice of the proposed rule to~~ notify 6840
the appointing authorities of the affected employees ~~thirty days~~ 6841
~~before a hearing on implementing the proposed rule modification.~~ 6842
The director's notice shall include the effective date of the 6843
modification. The appointing authorities shall notify the affected 6844
employees regarding the proposed rule modification. ~~The director~~ 6845
~~also shall send those appointing authorities notice of any final~~ 6846
~~rule that is adopted within ten days after adoption.~~ 6847

(2) When the director proposes to reclassify any employee in 6848
the service of the state so that the employee is adversely 6849
affected, the director shall give to the employee affected and to 6850

the employee's appointing authority a written notice setting forth 6851
the proposed new classification, pay range, and salary. Upon the 6852
request of any classified employee in the service of the state who 6853
is not serving in a probationary period, the director shall 6854
perform a job audit to review the classification of the employee's 6855
position to determine whether the position is properly classified. 6856
The director shall give to the employee affected and to the 6857
employee's appointing authority a written notice of the director's 6858
determination whether or not to reclassify the position or to 6859
reassign the employee to another classification. An employee or 6860
appointing authority desiring a hearing shall file a written 6861
request for the hearing with the state personnel board of review 6862
within thirty days after receiving the notice. The board shall set 6863
the matter for a hearing and notify the employee and appointing 6864
authority of the time and place of the hearing. The employee, the 6865
appointing authority, or any authorized representative of the 6866
employee who wishes to submit facts for the consideration of the 6867
board shall be afforded reasonable opportunity to do so. After the 6868
hearing, the board shall consider anew the reclassification and 6869
may order the reclassification of the employee and require the 6870
director to assign the employee to such appropriate classification 6871
as the facts and evidence warrant. As provided in division (A)(1) 6872
of section 124.03 of the Revised Code, the board may determine the 6873
most appropriate classification for the position of any employee 6874
coming before the board, with or without a job audit. The board 6875
shall disallow any reclassification or reassignment classification 6876
of any employee when it finds that changes have been made in the 6877
duties and responsibilities of any particular employee for 6878
political, religious, or other unjust reasons. 6879

(E)(1) Employees of each county department of job and family 6880
services shall be paid a salary or wage established by the board 6881
of county commissioners. The provisions of section 124.18 of the 6882
Revised Code concerning the standard work week apply to employees 6883

of county departments of job and family services. A board of 6884
county commissioners may do either of the following: 6885

(a) Notwithstanding any other section of the Revised Code, 6886
supplement the sick leave, vacation leave, personal leave, and 6887
other benefits of any employee of the county department of job and 6888
family services of that county, if the employee is eligible for 6889
the supplement under a written policy providing for the 6890
supplement; 6891

(b) Notwithstanding any other section of the Revised Code, 6892
establish alternative schedules of sick leave, vacation leave, 6893
personal leave, or other benefits for employees not inconsistent 6894
with the provisions of a collective bargaining agreement covering 6895
the affected employees. 6896

(2) Division (E)(1) of this section does not apply to 6897
employees for whom the state employment relations board 6898
establishes appropriate bargaining units pursuant to section 6899
4117.06 of the Revised Code, except in either of the following 6900
situations: 6901

(a) The employees for whom the state employment relations 6902
board establishes appropriate bargaining units elect no 6903
representative in a board-conducted representation election. 6904

(b) After the state employment relations board establishes 6905
appropriate bargaining units for such employees, all employee 6906
organizations withdraw from a representation election. 6907

(F)(1) Notwithstanding any contrary provision of sections 6908
124.01 to 124.64 of the Revised Code, the board of trustees of 6909
each state university or college, as defined in section 3345.12 of 6910
the Revised Code, shall carry out all matters of governance 6911
involving the officers and employees of the university or college, 6912
including, but not limited to, the powers, duties, and functions 6913
of the department of administrative services and the director of 6914

administrative services specified in this chapter. Officers and 6915
employees of a state university or college shall have the right of 6916
appeal to the state personnel board of review as provided in this 6917
chapter. 6918

(2) Each board of trustees shall adopt rules under section 6919
111.15 of the Revised Code to carry out the matters of governance 6920
described in division (F)(1) of this section. Until the board of 6921
trustees adopts those rules, a state university or college shall 6922
continue to operate pursuant to the applicable rules adopted by 6923
the director of administrative services under this chapter. 6924

(G)(1) Each board of county commissioners may, by a 6925
resolution adopted by a majority of its members, establish a 6926
county personnel department to exercise the powers, duties, and 6927
functions specified in division (G) of this section. As used in 6928
division (G) of this section, "county personnel department" means 6929
a county personnel department established by a board of county 6930
commissioners under division (G)(1) of this section. 6931

(2)(a) Each board of county commissioners, by a resolution 6932
adopted by a majority of its members, may designate the county 6933
personnel department of the county to exercise the powers, duties, 6934
and functions specified in sections 124.01 to 124.64 and Chapter 6935
325. of the Revised Code with regard to employees in the service 6936
of the county, except for the powers and duties of the state 6937
personnel board of review, which powers and duties shall not be 6938
construed as having been modified or diminished in any manner by 6939
division (G)(2) of this section, with respect to the employees for 6940
whom the board of county commissioners is the appointing authority 6941
or co-appointing authority. 6942

(b) Nothing in division (G)(2) of this section shall be 6943
construed to limit the right of any employee who possesses the 6944
right of appeal to the state personnel board of review to continue 6945
to possess that right of appeal. 6946

(c) Any board of county commissioners that has established a county personnel department may contract with the department of administrative services, in accordance with division (H) of this section, another political subdivision, or an appropriate public or private entity to provide competitive testing services or other appropriate services.

(3) After the county personnel department of a county has been established as described in division (G)(2) of this section, any elected official, board, agency, or other appointing authority of that county, upon written notification to the county personnel department, may elect to use the services and facilities of the county personnel department. Upon receipt of the notification by the county personnel department, the county personnel department shall exercise the powers, duties, and functions as described in division (G)(2) of this section with respect to the employees of that elected official, board, agency, or other appointing authority.

(4) Each board of county commissioners, by a resolution adopted by a majority of its members, may disband the county personnel department.

(5) Any elected official, board, agency, or appointing authority of a county may end its involvement with a county personnel department upon actual receipt by the department of a certified copy of the notification that contains the decision to no longer participate.

(6) A county personnel department, in carrying out its duties, shall adhere to merit system principles with regard to employees of county departments of job and family services, child support enforcement agencies, and public child welfare agencies so that there is no threatened loss of federal funding for these agencies, and the county is financially liable to the state for any loss of federal funds due to the action or inaction of the

county personnel department. 6979

(H) County agencies may contract with the department of 6980
administrative services for any human resources services, 6981
including, but not limited to, establishment and modification of 6982
job classification plans, competitive testing services, and 6983
periodic audits and reviews of the county's uniform application of 6984
the powers, duties, and functions specified in sections 124.01 to 6985
124.64 and Chapter 325. of the Revised Code with regard to 6986
employees in the service of the county. Nothing in this division 6987
modifies the powers and duties of the state personnel board of 6988
review with respect to employees in the service of the county. 6989
Nothing in this division limits the right of any employee who 6990
possesses the right of appeal to the state personnel board of 6991
review to continue to possess that right of appeal. 6992

(I) The director of administrative services shall establish 6993
the rate and method of compensation for all employees who are paid 6994
directly by warrant of the director of budget and management and 6995
who are serving in positions that the director of administrative 6996
services has determined impracticable to include in the state job 6997
classification plan. This division does not apply to elected 6998
officials, legislative employees, employees of the legislative 6999
service commission, employees who are in the unclassified civil 7000
service and exempt from collective bargaining coverage in the 7001
office of the secretary of state, auditor of state, treasurer of 7002
state, and attorney general, employees of the courts, employees of 7003
the bureau of workers' compensation whose compensation the 7004
administrator of workers' compensation establishes under division 7005
(B) of section 4121.121 of the Revised Code, or employees of an 7006
appointing authority authorized by law to fix the compensation of 7007
those employees. 7008

(J) The director of administrative services shall set the 7009
rate of compensation for all intermittent, seasonal, temporary, 7010

emergency, and casual employees in the service of the state who 7011
 are not considered public employees under section 4117.01 of the 7012
 Revised Code. Those employees are not entitled to receive employee 7013
 benefits. This rate of compensation shall be equitable in terms of 7014
 the rate of employees serving in the same or similar 7015
 classifications. This division does not apply to elected 7016
 officials, legislative employees, employees of the legislative 7017
 service commission, employees who are in the unclassified civil 7018
 service and exempt from collective bargaining coverage in the 7019
 office of the secretary of state, auditor of state, treasurer of 7020
 state, and attorney general, employees of the courts, employees of 7021
 the bureau of workers' compensation whose compensation the 7022
 administrator establishes under division (B) of section 4121.121 7023
 of the Revised Code, or employees of an appointing authority 7024
 authorized by law to fix the compensation of those employees. 7025

Sec. 124.15. (A) Board and commission members appointed prior 7026
 to July 1, 1991, shall be paid a salary or wage in accordance with 7027
 the following schedules of rates: 7028

(B) The pay schedule of all employees shall be on a biweekly basis, with amounts computed on an hourly basis. 7136
7137

(C) Part-time employees shall be compensated on an hourly basis for time worked, at the rates shown in division (A) of this 7138
7139

section or in section 124.152 of the Revised Code. 7140

(D) The salary and wage rates in division (A) of this section 7141
or in section 124.152 of the Revised Code represent base rates of 7142
compensation and may be augmented by the provisions of section 7143
124.181 of the Revised Code. In those cases where lodging, meals, 7144
laundry, or other personal services are furnished an employee in 7145
the service of the state, the actual costs or fair market value of 7146
the personal services shall be paid by the employee in such 7147
amounts and manner as determined by the director of administrative 7148
services and approved by the director of budget and management, 7149
and those personal services shall not be considered as a part of 7150
the employee's compensation. An appointing authority that appoints 7151
employees in the service of the state, with the approval of the 7152
director of administrative services and the director of budget and 7153
management, may establish payments to employees for uniforms, 7154
tools, equipment, and other requirements of the department and 7155
payments for the maintenance of them. 7156

The director of administrative services may review collective 7157
bargaining agreements entered into under Chapter 4117. of the 7158
Revised Code that cover employees in the service of the state and 7159
determine whether certain benefits or payments provided to the 7160
employees covered by those agreements should also be provided to 7161
employees in the service of the state who are exempt from 7162
collective bargaining coverage and are paid in accordance with 7163
section 124.152 of the Revised Code or are listed in division 7164
(B)(2) or (4) of section 124.14 of the Revised Code. On completing 7165
the review, the director of administrative services, with the 7166
approval of the director of budget and management, may provide to 7167
some or all of these employees any payment or benefit, except for 7168
salary, contained in such a collective bargaining agreement even 7169
if it is similar to a payment or benefit already provided by law 7170
to some or all of these employees. Any payment or benefit so 7171

provided shall not exceed the highest level for that payment or 7172
benefit specified in such a collective bargaining agreement. The 7173
director of administrative services shall not provide, and the 7174
director of budget and management shall not approve, any payment 7175
or benefit to such an employee under this division unless the 7176
payment or benefit is provided pursuant to a collective bargaining 7177
agreement to a state employee who is in a position with similar 7178
duties as, is supervised by, or is employed by the same appointing 7179
authority as, the employee to whom the benefit or payment is to be 7180
provided. 7181

As used in this division, "payment or benefit already 7182
provided by law" includes, but is not limited to, bereavement, 7183
personal, vacation, administrative, and sick leave, disability 7184
benefits, holiday pay, and pay supplements provided under the 7185
Revised Code, but does not include wages or salary. 7186

(E) New employees paid in accordance with schedule B of 7187
division (A) of this section or schedule E-1 of section 124.152 of 7188
the Revised Code shall be employed at the minimum rate established 7189
for the range unless otherwise provided. Employees with 7190
qualifications that are beyond the minimum normally required for 7191
the position and that are determined by the director to be 7192
exceptional may be employed in, or may be transferred or promoted 7193
to, a position at an advanced step of the range. Further, in time 7194
of a serious labor market condition when it is relatively 7195
impossible to recruit employees at the minimum rate for a 7196
particular classification, the entrance rate may be set at an 7197
advanced step in the range by the director of administrative 7198
services. This rate may be limited to geographical regions of the 7199
state. Appointments made to an advanced step under the provision 7200
regarding exceptional qualifications shall not affect the step 7201
assignment of employees already serving. However, anytime the 7202
hiring rate of an entire classification is advanced to a higher 7203

step, all incumbents of that classification being paid at a step 7204
lower than that being used for hiring, shall be advanced beginning 7205
at the start of the first pay period thereafter to the new hiring 7206
rate, and any time accrued at the lower step will be used to 7207
calculate advancement to a succeeding step. If the hiring rate of 7208
a classification is increased for only a geographical region of 7209
the state, only incumbents who work in that geographical region 7210
shall be advanced to a higher step. When an employee in the 7211
unclassified service changes from one state position to another or 7212
is appointed to a position in the classified service, or if an 7213
employee in the classified service is appointed to a position in 7214
the unclassified service, the employee's salary or wage in the new 7215
position shall be determined in the same manner as if the employee 7216
were an employee in the classified service. When an employee in 7217
the unclassified service who is not eligible for step increases is 7218
appointed to a classification in the classified service under 7219
which step increases are provided, future step increases shall be 7220
based on the date on which the employee last received a pay 7221
increase. If the employee has not received an increase during the 7222
previous year, the date of the appointment to the classified 7223
service shall be used to determine the employee's annual step 7224
advancement eligibility date. In reassigning any employee to a 7225
classification resulting in a pay range increase or to a new pay 7226
range as a result of a promotion, an increase pay range 7227
adjustment, or other classification change resulting in a pay 7228
range increase, the director shall assign such employee to the 7229
step in the new pay range that will provide an increase of 7230
approximately four per cent if the new pay range can accommodate 7231
the increase. When an employee is being assigned to a 7232
classification or new pay range as the result of a class plan 7233
change, if the employee has completed a probationary period, the 7234
employee shall be placed in a step no lower than step two of the 7235
new pay range. If the employee has not completed a probationary 7236

period, the employee may be placed in step one of the new pay 7237
range. Such new salary or wage shall become effective on such date 7238
as the director determines. 7239

(F) If employment conditions and the urgency of the work 7240
require such action, the director of administrative services may, 7241
upon the application of a department head, authorize payment at 7242
any rate established within the range for the class of work, for 7243
work of a casual or intermittent nature or on a project basis. 7244
Payment at such rates shall not be made to the same individual for 7245
more than three calendar months in any one calendar year. Any such 7246
action shall be subject to the approval of the director of budget 7247
and management as to the availability of funds. This section and 7248
sections 124.14 and 124.152 of the Revised Code do not repeal any 7249
authority of any department or public official to contract with or 7250
fix the compensation of professional persons who may be employed 7251
temporarily for work of a casual nature or for work on a project 7252
basis. 7253

(G)(1) Except as provided in divisions (G)(2) and (3) of this 7254
section, each state employee paid in accordance with schedule B of 7255
this section or schedule E-1 of section 124.152 of the Revised 7256
Code shall be eligible for advancement to succeeding steps in the 7257
range for the employee's class or grade according to the schedule 7258
established in this division. Beginning on the first day of the 7259
pay period within which the employee completes the prescribed 7260
probationary period in the employee's classification with the 7261
state, each employee shall receive an automatic salary adjustment 7262
equivalent to the next higher step within the pay range for the 7263
employee's class or grade. 7264

Except as provided in divisions (G)(2) and (3) of this 7265
section, each employee paid in accordance with schedule E-1 of 7266
section 124.152 of the Revised Code shall be eligible to advance 7267
to the next higher step until the employee reaches the top step in 7268

the range for the employee's class or grade, if the employee has 7269
maintained satisfactory performance in accordance with criteria 7270
established by the employee's appointing authority. Those step 7271
advancements shall not occur more frequently than once in any 7272
twelve-month period. 7273

When an employee is promoted, the step entry date shall be 7274
set to account for a probationary period. When an employee is 7275
reassigned to a higher pay range, the step entry date shall be set 7276
to allow an employee who is not at the highest step of the range 7277
to receive a step advancement one year from the reassignment date. 7278
Step advancement shall not be affected by demotion. A promoted 7279
employee shall advance to the next higher step of the pay range on 7280
the first day of the pay period in which the required probationary 7281
period is completed. Step advancement shall become effective at 7282
the beginning of the pay period within which the employee attains 7283
the necessary length of service. Time spent on authorized leave of 7284
absence shall be counted for this purpose. 7285

If determined to be in the best interest of the state 7286
service, the director of administrative services may, either 7287
statewide or in selected agencies, adjust the dates on which 7288
annual step advancements are received by employees paid in 7289
accordance with schedule E-1 of section 124.152 of the Revised 7290
Code. 7291

(2)(a) There shall be a moratorium on annual step 7292
advancements under division (G)(1) of this section beginning June 7293
21, 2009, through June 20, 2011. Step advancements shall resume 7294
with the pay period beginning June 21, 2011. Upon the resumption 7295
of step advancements, there shall be no retroactive step 7296
advancements for the period the moratorium was in effect. The 7297
moratorium shall not affect an employee's performance evaluation 7298
schedule. 7299

An employee who begins a probationary period before June 21, 7300

2009, shall advance to the next step in the employee's pay range 7301
at the end of probation, and then become subject to the 7302
moratorium. An employee who is hired, promoted, or reassigned to a 7303
higher pay range between June 21, 2009, through June 20, 2011, 7304
shall not advance to the next step in the employee's pay range 7305
until the next anniversary of the employee's date of hire, 7306
promotion, or reassignment that occurs on or after June 21, 2011. 7307

(b) The moratorium under division (G)(2)(a) of this section 7308
shall apply to the employees of the secretary of state, the 7309
auditor of state, the treasurer of state, and the attorney 7310
general, who are subject to this section unless the secretary of 7311
state, the auditor of state, the treasurer of state, or the 7312
attorney general decides to exempt the office's employees from the 7313
moratorium and so notifies the director of administrative services 7314
in writing on or before July 1, 2009. 7315

(3) Employees in intermittent positions shall be employed at 7316
the minimum rate established for the pay range for their 7317
classification and are not eligible for step advancements. 7318

(H) Employees in appointive managerial or professional 7319
positions paid in accordance with schedule C of this section or 7320
schedule E-2 of section 124.152 of the Revised Code may be 7321
appointed at any rate within the appropriate pay range. This rate 7322
of pay may be adjusted higher or lower within the respective pay 7323
range at any time the appointing authority so desires as long as 7324
the adjustment is based on the employee's ability to successfully 7325
administer those duties assigned to the employee. Salary 7326
adjustments shall not be made more frequently than once in any 7327
six-month period under this provision to incumbents holding the 7328
same position and classification. 7329

(I) When an employee is assigned to duty outside this state, 7330
the employee may be compensated, upon request of the department 7331
head and with the approval of the director of administrative 7332

services, at a rate not to exceed fifty per cent in excess of the 7333
employee's current base rate for the period of time spent on that 7334
duty. 7335

(J) Unless compensation for members of a board or commission 7336
is otherwise specifically provided by law, the director of 7337
administrative services shall establish the rate and method of 7338
payment for members of boards and commissions pursuant to the pay 7339
schedules listed in section 124.152 of the Revised Code. 7340

(K) Regular full-time employees in positions assigned to 7341
classes within the instruction and education administration series 7342
under the ~~rules~~ job classification plans of the director of 7343
administrative services, except certificated employees on the 7344
instructional staff of the state school for the blind or the state 7345
school for the deaf, whose positions are scheduled to work on the 7346
basis of an academic year rather than a full calendar year, shall 7347
be paid according to the pay range assigned by ~~such rules~~ the 7348
applicable job classification plan, but only during those pay 7349
periods included in the academic year of the school where the 7350
employee is located. 7351

(1) Part-time or substitute teachers or those whose period of 7352
employment is other than the full academic year shall be 7353
compensated for the actual time worked at the rate established by 7354
this section. 7355

(2) Employees governed by this division are exempt from 7356
sections 124.13 and 124.19 of the Revised Code. 7357

(3) Length of service for the purpose of determining 7358
eligibility for step advancements as provided by division (G) of 7359
this section and for the purpose of determining eligibility for 7360
longevity pay supplements as provided by division (E) of section 7361
124.181 of the Revised Code shall be computed on the basis of one 7362
full year of service for the completion of each academic year. 7363

(L) The superintendent of the state school for the deaf and 7364
the superintendent of the state school for the blind shall, 7365
subject to the approval of the superintendent of public 7366
instruction, carry out both of the following: 7367

(1) Annually, between the first day of April and the last day 7368
of June, establish for the ensuing fiscal year a schedule of 7369
hourly rates for the compensation of each certificated employee on 7370
the instructional staff of that superintendent's respective school 7371
constructed as follows: 7372

(a) Determine for each level of training, experience, and 7373
other professional qualification for which an hourly rate is set 7374
forth in the current schedule, the per cent that rate is of the 7375
rate set forth in such schedule for a teacher with a bachelor's 7376
degree and no experience. If there is more than one such rate for 7377
such a teacher, the lowest rate shall be used to make the 7378
computation. 7379

(b) Determine which six city, local, and exempted village 7380
school districts with territory in Franklin county have in effect 7381
on, or have adopted by, the first day of April for the school year 7382
that begins on the ensuing first day of July, teacher salary 7383
schedules with the highest minimum salaries for a teacher with a 7384
bachelor's degree and no experience; 7385

(c) Divide the sum of such six highest minimum salaries by 7386
ten thousand five hundred sixty; 7387

(d) Multiply each per cent determined in division (L)(1)(a) 7388
of this section by the quotient obtained in division (L)(1)(c) of 7389
this section; 7390

(e) One hundred five per cent of each product thus obtained 7391
shall be the hourly rate for the corresponding level of training, 7392
experience, or other professional qualification in the schedule 7393
for the ensuing fiscal year. 7394

(2) Annually, assign each certificated employee on the instructional staff of the superintendent's respective school to an hourly rate on the schedule that is commensurate with the employee's training, experience, and other professional qualifications.

If an employee is employed on the basis of an academic year, the employee's annual salary shall be calculated by multiplying the employee's assigned hourly rate times one thousand seven hundred sixty. If an employee is not employed on the basis of an academic year, the employee's annual salary shall be calculated in accordance with the following formula:

(a) Multiply the number of days the employee is required to work pursuant to the employee's contract by eight;

(b) Multiply the product of division (L)(2)(a) of this section by the employee's assigned hourly rate.

Each employee shall be paid an annual salary in biweekly installments. The amount of each installment shall be calculated by dividing the employee's annual salary by the number of biweekly installments to be paid during the year.

Sections 124.13 and 124.19 of the Revised Code do not apply to an employee who is paid under this division.

As used in this division, "academic year" means the number of days in each school year that the schools are required to be open for instruction with pupils in attendance. Upon completing an academic year, an employee paid under this division shall be deemed to have completed one year of service. An employee paid under this division is eligible to receive a pay supplement under division (L)(1), (2), or (3) of section 124.181 of the Revised Code for which the employee qualifies, but is not eligible to receive a pay supplement under division (L)(4) or (5) of that section. An employee paid under this division is eligible to

receive a pay supplement under division (L)(6) of section 124.181 7426
of the Revised Code for which the employee qualifies, except that 7427
the supplement is not limited to a maximum of five per cent of the 7428
employee's regular base salary in a calendar year. 7429

(M) Division (A) of this section does not apply to "exempt 7430
employees," as defined in section 124.152 of the Revised Code, who 7431
are paid under that section. 7432

Notwithstanding any other provisions of this chapter, when an 7433
employee transfers between bargaining units or transfers out of or 7434
into a bargaining unit, the director of administrative services 7435
shall establish the employee's compensation and adjust the maximum 7436
leave accrual schedule as the director deems equitable. 7437

Sec. 124.181. (A) Except as provided in divisions (M) and (P) 7438
of this section, any employee paid in accordance with schedule B 7439
of section 124.15 or schedule E-1 or schedule E-1 for step seven 7440
only of section 124.152 of the Revised Code is eligible for the 7441
pay supplements provided in this section upon application by the 7442
appointing authority substantiating the employee's qualifications 7443
for the supplement and with the approval of the director of 7444
administrative services except as provided in division (E) of this 7445
section. 7446

(B)(1) Except as provided in section 124.183 of the Revised 7447
Code, in computing any of the pay supplements provided in this 7448
section for an employee paid in accordance with schedule B of 7449
section 124.15 of the Revised Code, the classification salary base 7450
shall be the minimum hourly rate of the pay range, provided in 7451
that section, in which the employee is assigned at the time of 7452
computation. 7453

(2) Except as provided in section 124.183 of the Revised 7454
Code, in computing any of the pay supplements provided in this 7455
section for an employee paid in accordance with schedule E-1 of 7456

section 124.152 of the Revised Code, the classification salary 7457
base shall be the minimum hourly rate of the pay range, provided 7458
in that section, in which the employee is assigned at the time of 7459
computation. 7460

(3) Except as provided in section 124.183 of the Revised 7461
Code, in computing any of the pay supplements provided in this 7462
section for an employee paid in accordance with schedule E-1 for 7463
step seven only of section 124.152 of the Revised Code, the 7464
classification salary base shall be the minimum hourly rate in the 7465
corresponding pay range, provided in schedule E-1 of that section, 7466
to which the employee is assigned at the time of the computation. 7467

(C) The effective date of any pay supplement, except as 7468
provided in section 124.183 of the Revised Code or unless 7469
otherwise provided in this section, shall be determined by the 7470
director. 7471

(D) The director shall, by rule, establish standards 7472
regarding the administration of this section. 7473

(E)(1) Except as otherwise provided in this division, 7474
beginning on the first day of the pay period within which the 7475
employee completes five years of total service with the state 7476
government or any of its political subdivisions, each employee in 7477
positions paid in accordance with schedule B of section 124.15 of 7478
the Revised Code or in accordance with schedule E-1 or schedule 7479
E-1 for step seven only of section 124.152 of the Revised Code 7480
shall receive an automatic salary adjustment equivalent to two and 7481
one-half per cent of the classification salary base, to the 7482
nearest whole cent. Each employee shall receive thereafter an 7483

board of elections under this division are exempt from any 8022

which equals approximately fifteen per cent of the estimated total 8295
value of all such purchases to be made in the current fiscal year. 8296
The director shall set aside the purchases selected for 8297
competition only by minority business enterprises, as defined in 8298

division (E)(1) of section 122.71 of the Revised Code. The 8299

procedures. The contracting agency shall from time to time set 8325
aside such additional purchases for which only minority business 8326
enterprises may compete, as are necessary to replace those 8327
purchases previously set aside for which no minority business 8328
enterprises bid and to ensure that, in any fiscal year, the 8329
aggregate amount of contracts awarded to minority business 8330

enterprises will equal approximately fifteen per cent of the total amount of contracts awarded by the agency.

(D) The provisions of this section shall not preclude any minority business enterprise from competing for any other state purchases that are not specifically set aside for minority business enterprises.

(E) No funds of any state agency shall be expended in any fiscal year for any purchase for which competitive selection is required, until the director of the department of administrative services certifies to the equal employment opportunity coordinator, the clerk of the senate, and the clerk of the house of representatives of the general assembly that approximately fifteen per cent of the aggregate amount of the projected expenditure for such purchases in the fiscal year has been set aside as provided for in this section.

(F) Any person who intentionally misrepresents self as owning, controlling, operating, or participating in a minority business enterprise for the purpose of obtaining contracts, subcontracts, or any other benefits under this section shall be guilty of theft by deception as provided for in section 2913.02 of the Revised Code.

public safety answering point or a subdivision may use any 9250
remaining balance of disbursements it received under that 9251
division, as it existed prior to the amendments to it by H. B. 64 9252
of the 131st general assembly, to pay any of its costs of 9253
providing countywide wireless 9-1-1, including the personnel costs 9254
of one or more public safety answering points providing that 9255
service. 9256

(D) The costs described in divisions (A), (B), (C), and (E) 9257
of this section may include any such costs payable pursuant to an 9258
agreement under division (J) of section 128.03 of the Revised 9259
Code. 9260

(E)(1) No disbursement to a countywide 9-1-1 system for costs 9261
of a public safety answering point shall be made from the wireless 9262
9-1-1 government assistance fund or the next generation 9-1-1 fund 9263
unless the public safety answering point meets the standards set 9264
by rule of the steering committee under section 128.021 of the 9265
Revised Code. 9266

(2) The steering committee shall monitor compliance with the 9267
standards and shall notify the tax commissioner to suspend 9268
disbursements to a countywide 9-1-1 system that fails to meet the 9269
standards. Upon receipt of this notification, the commissioner 9270
shall suspend disbursements until the commissioner is notified of 9271
compliance with the standards. 9272

(F) The auditor of state may audit and review each county's 9273
expenditures of funds received from the wireless 9-1-1 government 9274
assistance fund to verify that the funds were used in accordance 9275

with the requirements of this chapter. 9276

Sec. 131.025. The attorney general shall enter into an 9277
agreement with the United States secretary of the treasury to 9278

Sec. 131.09. In addition to the undertakings or security 9286
provided for in sections 135.01 to 135.40 of the Revised Code, the 9287
treasurer of a subdivision or county may accept first mortgages, 9288
upon unencumbered real estate located in this state, provided the 9289
amount owing on such mortgages at the time tendered as security is 9290
double the excess of the amount of public moneys to be at the time 9291
so deposited, over and above any portion of such moneys as is then 9292
insured by the federal deposit insurance corporation, federal 9293
savings and loan insurance corporation, or any other agency or 9294
instrumentality of the federal government. The amount owing on 9295
each mortgage at the time tendered as security shall not exceed 9296
eighty per cent of the then value of the real estate. Upon the 9297
deposit of such security, the treasurer shall require the 9298
financial institution to submit an affidavit stating that no 9299
payment on a mortgage has been more than two months past due at 9300
any time during the two-year period preceding the date the public 9301
moneys are deposited. At such time, the treasurer shall also 9302
require an institution to submit an affidavit stating that any 9303
structures on the mortgaged real estate are insured by an 9304
authorized company in an amount not less than the amount owing on 9305

each mortgage at the time tendered as security, that coverage has 9306
been obtained in favor of the institution by the named authorized 9307
company, and that the institution has obtained a mortgage 9308
impairment policy which assures that such insurance will continue 9309
for the period that the public moneys are deposited with the 9310
institution. The value of such real estate shall be determined 9311
separately for land and structures thereon by valuation made under 9312
oath by two resident freeholders of this state who are conversant 9313
with the real estate values of the county in which the real estate 9314
is located or made and certified under oath by an appraiser as 9315
being in conformity with the appraisal requirements imposed on an 9316
institution by any agency or instrumentality of the federal 9317
government. If such determination has been made earlier than a 9318
period of three months prior to the time of the deposit of public 9319
moneys, such determination shall be updated to reflect the value 9320
of the real estate within such three-month period. There shall be 9321
deposited with the mortgage the opinion of an attorney licensed to 9322
practice in this state, which opinion shall certify that the 9323
mortgage is a first lien upon the premises mortgaged, or the title 9324
shall be guaranteed by a company operating under sections 1735.01 9325
to 1735.04 of the Revised Code or insured by a company operating 9326
under Chapter 3953. of the Revised Code. 9327

If any mortgage tendered as security is paid in full or if 9328
the mortgagor becomes past due for six months to the financial 9329
institution while it acts as a public depository and that mortgage 9330
has been assigned as security for such public moneys, the 9331
financial institution shall replace such mortgage with another in 9332
compliance with this section. Default by the financial institution 9333
as a public depository under this section is to be carried out in 9334
accordance with division ~~(C)~~(F) of section 135.18 of the Revised 9335
Code. 9336

Sec. 131.15. (A) Any depositor enumerated in section 131.11 9337

of the Revised Code shall make ample provisions for the safekeeping of hypothecated securities. The interest thereon, when paid, shall be turned over to the bank or trust company if it is not in default. The depositor may make provisions for the exchange and release of securities and the substitution of other securities or of an undertaking therefor except in those cases where the public depository has deposited eligible securities with a trustee for safekeeping.

(B) When the public depository has deposited eligible securities described in division ~~(B)~~(D)(1) of section 135.18 of the Revised Code with a trustee for safekeeping, the public depository may at any time substitute or exchange eligible securities described in division ~~(B)~~(D)(1) of section 135.18 of the Revised Code having a current market value equal to or greater than the current market value of the securities then on deposit and for which they are to be substituted or exchanged, without specific authorization from the depositor of any substitution or exchange.

(C) When the public depository has deposited eligible securities described in division ~~(B)~~(D)(2) to (9) of section 135.18 of the Revised Code with a trustee for safekeeping, the public depository may at any time substitute or exchange eligible securities having a current market value equal to or greater than the current market value of the securities then on deposit and for which they are to be substituted or exchanged without specific authorization of any depositor of any such substitution or exchange only if:

(1) The depositor has authorized the public depository to make such substitutions or exchanges on a continuing basis during a specified period without prior approval of each substitution or exchange. Such authorization may be effected by the depositor sending to the trustee a written notice stating that substitution

may be effected on a continuing basis during a specified period 9370
that shall not extend beyond the end of the period of designation 9371
during which the notice is given. "Period of designation" as used 9372
in this section means the period under section 135.12 of the 9373
Revised Code for the award of inactive funds of the subdivision of 9374
which the depositor is an officer or employee. The trustee may 9375
rely upon such notice and upon the period of authorization stated 9376
therein and upon the period of designation stated therein. 9377

(2) No continuing authorization for substitution has been 9378
given by the depositor, the public depository notifies the 9379
depositor and the trustee of an intended substitution or exchange, 9380
and the depositor fails to object to the trustee as to the 9381
eligibility or market value of the securities being substituted 9382
within ten calendar days after the date appearing on the notice of 9383
proposed substitution. The notice to the depositor and to the 9384
trustee shall be given in writing and delivered personally or by 9385
certified mail with a return receipt requested. The trustee may 9386
assume in any case that the notice has been delivered to the 9387
depositor. In order for objections of the depositor to be 9388
effective, receipt of the objections must be acknowledged in 9389
writing by the trustee. 9390

(3) The depositor gives written authorization for a 9391
substitution or exchange of specific securities. 9392

(D) The public depository shall notify the depositor of any 9393
substitution or exchange under division (C)(1) or (2) of this 9394
section. If the depository designates a trustee qualified under 9395
section 135.18 of the Revised Code to act as such for the 9396
safekeeping of securities, the depositor shall accept the written 9397
receipt of the designated trustee, describing the securities that 9398
have been deposited with the trustee by the public depository, as 9399
and for a hypothecation of such securities and issue to the 9400
depository the depositor's written acknowledgment to that effect, 9401

keeping a copy thereof in the depositor's office. Thereupon, all 9402
such securities pledged and deposited with the trustee are deemed 9403
hypothecated and deposited with the depositor, for all the 9404
purposes of sections 131.13 to 131.16 of the Revised Code. The 9405
trustee shall hold the securities for the account of the depositor 9406
and the depository as their respective rights to and interests in 9407
such securities under said sections appear and are asserted by 9408
written notice to or demand upon the trustee. 9409

Notwithstanding the fact that a public depository is required 9410
to pledge eligible securities in certain amounts to secure 9411
deposits of public moneys, a trustee shall have no duty or 9412
obligation to determine the eligibility, market value, or face 9413
value of any securities deposited with the trustee by a public 9414
depository. This applies in all situations including, without 9415
limitation, a substitution or exchange of securities. 9416

Sec. 131.34. (A) No moneys shall be transferred between funds 9417
or between state agencies on an intrastate transfer voucher, or by 9418
any other procedure, unless such a transfer is a payment for goods 9419
or services or a service subscription or unless such a transfer is 9420
required or authorized by law. 9421

(B)(1) Any state agency that has provided goods or services 9422
or a service subscription to another state agency may, ~~if the~~ 9423
~~providing agency does not receive payment from the receiving~~ 9424
~~agency within thirty days after delivering the goods or services~~ 9425
~~and submitting an invoice requesting payment for them,~~ certify to 9426

that the service subscription has been initiated; 9429

(b) The amount that is due for ~~them~~ the goods and services or 9430
the service subscription. 9431

(2) A providing agency may make such certification only if it 9432
does not receive payment from the receiving agency within thirty 9433
days after: 9434

(a) Delivering the goods or services or initiating the 9435
service subscription; 9436

(b) Submitting an invoice requesting payment for the goods 9437
and services or the service subscription. 9438

(C) If the director determines that all or part of the 9439
certified amount should have been paid by the receiving agency and 9440
that the receiving agency has an unobligated balance in an 9441
appropriation for the payment, ~~he~~ the director may transfer the 9442
amount that should have been paid from the appropriate fund of the 9443
receiving agency to the appropriate fund of the providing agency 9444
on an intrastate transfer voucher. 9445

(D) For the purposes of this section, "service subscription" 9446
means an ongoing service provided to a state agency by another 9447
state agency for which an estimated payment is made in advance and 9448
final payment due is determined based on actual use. 9449

into any fund of the state from which transfers may be made under 9451
division (D) of section 127.14 of the Revised Code: 9452

(1) No state agency may make expenditures of any federal 9453
funds, whether such funds are advanced prior to expenditure or as 9454

specific appropriations of the general assembly, are authorized by 9456
the controlling board pursuant to division (A)(5) of this section, 9457
or are authorized by an executive order issued in accordance with 9458

been approved by the director of budget and management. All 9460
federal funds received by a state agency shall be reported to the 9461

director within fifteen days of the receipt of such funds or the 9462
notification of award, whichever occurs first. The director shall 9463
prescribe the forms and procedures to be used when reporting the 9464
receipt of federal funds. 9465

(2) If the federal funds received are greater than the amount 9466
of such funds appropriated by the general assembly for a specific 9467
purpose, the total appropriation of federal and state funds for 9468
such purpose shall remain at the amount designated by the general 9469
assembly, except that the expenditure of federal funds received in 9470
excess of such specific appropriation may be authorized by the 9471
controlling board, subject to division (D) of this section. 9472

(3) To the extent that the expenditure of excess federal 9473
funds is authorized, the controlling board may transfer a like 9474
amount of general revenue fund appropriation authority from the 9475
affected agency to the emergency purposes appropriation of the 9476
controlling board, if such action is permitted under federal 9477
regulations. 9478

additional funds may be authorized by the controlling board, but 9483
such authorization shall not extend beyond the end of the biennium 9484
in which such funds are created. 9485

(5) Controlling board authorization for a state agency to 9486
make an expenditure of federal funds constitutes authority for the 9487
agency to participate in the federal program providing the funds, 9488
and the agency is not required to obtain an executive order under 9489
section 107.17 of the Revised Code to participate in the federal 9490
program. 9491

waterways safety fund, the wildlife fund, and any fund of the 9493
state from which transfers may be made under division (D) of 9494
section 127.14 of the Revised Code: 9495

(1) No state agency may make expenditures of any such funds 9496
unless the expenditures are made pursuant to specific 9497
appropriations of the general assembly. 9498

(2) If the receipts received into any fund are greater than 9499
the amount appropriated, the appropriation for that fund shall 9500
remain at the amount designated by the general assembly or, 9501
subject to division (D) of this section, as increased and approved 9502
by the controlling board. 9503

(3) Additional funds may be created by the controlling board 9504

in which such funds are created. 9510

(C) The controlling board shall not authorize more than ten 9511
per cent of additional spending from the occupational licensing 9512
and regulatory fund, created in section 4743.05 of the Revised 9513
Code, in excess of any appropriation made by the general assembly 9514
to a licensing agency except an appropriation for costs related to 9515
the examination or reexamination of applicants for a license. As 9516
used in this division, "licensing agency" and "license" have the 9517
same meanings as in section 4745.01 of the Revised Code. 9518

(D) The amount of any expenditure authorized under division 9519
(A)(2) or (4) or (B)(2) or (3) of this section for a specific or 9520

bonds, as to debt charges, are not debts or obligations of the 10526
state and are not general obligation debts of any political 10527
subdivision of the state, but, unless paid from other sources, are 10528
payable from the tourism development district revenue pledged for 10529
their payment. The utilization and pledge of the tourism 10530
development district revenue and proceeds of tourism development 10531
district revenue supported bonds, renewal anticipation notes, or 10532

registration privileges, be payable in such medium of payment and 10550
at such place or places, and be subject to such terms of 10551
redemption, as the taxing authority may authorize or provide. The 10552
tourism development district revenue supported bonds may be sold 10553
at public or private sale, and at, or at not less than, the price 10554
or prices as the taxing authority determines. If any officer whose 10555
signature or a facsimile of whose signature appears on any tourism 10556
development district revenue supported bonds or coupons ceases to 10557
be such officer before delivery of the tourism development 10558
district revenue supported bonds or anticipation notes, the 10559
signature or facsimile shall nevertheless be sufficient for all 10560
purposes as if that officer had remained in office until delivery 10561
of the tourism development district revenue supported bonds. 10562

any provisions for registration. Neither the members of the board 10568
of the taxing authority nor any person executing the tourism 10569
development district revenue supported bonds shall be liable 10570
personally on the tourism development district revenue supported 10571
bonds or be subject to any personal liability or accountability by 10572
reason of their issuance. 10573

are not limited to, Afro-Americans, Puerto Ricans, 11012

(2) In enacting this division, the general assembly finds 11014
that: 11015

(a) Certain commercial banks are owned or controlled by 11016
minority Americans; 11017

(b) Minority banks are an important source of banking services in their communities; 11018
11019

(c) Minority banks have been unsuccessful in competing under Chapter 135. of the Revised Code for the award of federal funds; 11020
11021

(d) This division contains safeguards for the protection of the general public and the banking industry, since it provides the governing board of the state or political subdivision with permissive authority in the award of deposits; limits the authority of the governing board to the award of federal funds; and subjects minority banks to certain limitations of Chapter 135. of the Revised Code, including the requirement that, as in the case of every financial institution subject to Chapter 135. of the Revised Code, a minority bank pledge certain securities for repayment of the deposits. 11022

Sec. 135.14. (A) As used in this section: 11046

(1) "Treasurer" does not include the treasurer of state, and 11047

"governing board" does not include the state board of deposit. 11048

(2) "Other obligations" includes notes whether or not issued 11049
in anticipation of the issuance of bonds. 11050

(B) The treasurer or governing board may invest or deposit 11051
any part or all of the interim moneys. The following 11052
classifications of obligations shall be eligible for such 11053
investment or deposit: 11054

(1) United States treasury bills, notes, bonds, or any other 11055
obligation or security issued by the United States treasury or any 11056
other obligation guaranteed as to principal and interest by the 11057
United States. 11058

Nothing in the classification of eligible obligations set 11059
forth in division (B)(1) of this section or in the classifications 11060
of eligible obligations set forth in divisions (B)(2) to (7) of 11061
this section shall be construed to authorize any investment in 11062
stripped principal or interest obligations of such eligible 11063
obligations. 11064

(2) Bonds, notes, debentures, or any other obligations or 11065
securities issued by any federal government agency or 11066
instrumentality, including but not limited to, the federal 11067
national mortgage association, federal home loan bank, federal 11068
farm credit bank, federal home loan mortgage corporation, and 11069
government national mortgage association. All federal agency 11070
securities shall be direct issuances of federal government 11071
agencies or instrumentalities. 11072

(3) Interim deposits in the eligible institutions applying 11073
for interim moneys as provided in section 135.08 of the Revised 11074
Code. The award of interim deposits shall be made in accordance 11075
with section 135.09 of the Revised Code and the treasurer or the 11076
governing board shall determine the periods for which such interim 11077
deposits are to be made and shall award such interim deposits for 11078

such periods, provided that any eligible institution receiving an 11079
interim deposit award may, upon notification that the award has 11080
been made, decline to accept the interim deposit in which event 11081
the award shall be made as though the institution had not applied 11082
for such interim deposit. 11083

(4) Bonds and other obligations of this state, or the 11084
political subdivisions of this state, provided that, with respect 11085
to bonds or other obligations of political subdivisions, all of 11086
the following apply: 11087

(a) The bonds or other obligations are payable from general 11088
revenues of the political subdivision and backed by the full faith 11089
and credit of the political subdivision. 11090

(b) The bonds or other obligations are rated at the time of 11091
purchase in the three highest classifications established by at 11092
least one nationally recognized standard rating service and 11093
purchased through a registered securities broker or dealer. 11094

(c) The aggregate value of the bonds or other obligations 11095
does not exceed twenty per cent of interim moneys available for 11096
investment at the time of purchase. 11097

(d) The treasurer or governing board is not the sole 11098
purchaser of the bonds or other obligations at original issuance. 11099

No investment shall be made under division (B)(4) of this 11100
section unless the treasurer or governing board has completed 11101
additional training for making the investments authorized by 11102
division (B)(4) of this section. The type and amount of additional 11103
training shall be approved by the treasurer of state and may be 11104
conducted by or provided under the supervision of the treasurer of 11105
state. 11106

(5) No-load money market mutual funds consisting exclusively 11107
of obligations described in division (B)(1) or (2) of this section 11108
and repurchase agreements secured by such obligations, provided 11109

that investments in securities described in this division are made 11110
only through eligible institutions mentioned in section 135.03 of 11111
the Revised Code; 11112

(6) The Ohio subdivision's fund as provided in section 135.45 11113
of the Revised Code; 11114

(7) Up to forty per cent of interim moneys available for 11115
investment in either of the following: 11116

(a) Commercial paper notes issued by an entity that is 11117
defined in division (D) of section 1705.01 of the Revised Code and 11118
that has assets exceeding five hundred million dollars, to which 11119
notes all of the following apply: 11120

(i) The notes are rated at the time of purchase in the 11121
highest classification established by at least two nationally 11122
recognized standard rating services. 11123

(ii) The aggregate value of the notes does not exceed ten per 11124
cent of the aggregate value of the outstanding commercial paper of 11125
the issuing corporation. 11126

(iii) The notes mature not later than two hundred seventy 11127
days after purchase. 11128

(iv) The investment in commercial paper notes of a single 11129
issuer shall not exceed in the aggregate five per cent of interim 11130
moneys available for investment at the time of purchase. 11131

(b) Bankers acceptances of banks that are insured by the 11132
federal deposit insurance corporation and that mature not later 11133
than one hundred eighty days after purchase. 11134

No investment shall be made pursuant to division (B)(7) of 11135
this section unless the treasurer or governing board has completed 11136
additional training for making the investments authorized by 11137
division (B)(7) of this section. The type and amount of additional 11138
training shall be approved by the treasurer of state and may be 11139

conducted by or provided under the supervision of the treasurer of 11140
state. 11141

(C) Nothing in the classifications of eligible obligations 11142
set forth in divisions (B)(1) to (7) of this section shall be 11143
construed to authorize any investment in a derivative, and no 11144
treasurer or governing board shall invest in a derivative. For 11145
purposes of this division, "derivative" means a financial 11146
instrument or contract or obligation whose value or return is 11147
based upon or linked to another asset or index, or both, separate 11148
from the financial instrument, contract, or obligation itself. Any 11149
security, obligation, trust account, or other instrument that is 11150
created from an issue of the United States treasury or is created 11151
from an obligation of a federal agency or instrumentality or is 11152
created from both is considered a derivative instrument. An 11153
eligible investment described in this section with a variable 11154
interest rate payment, based upon a single interest payment or 11155
single index comprised of other eligible investments provided for 11156
in division (B)(1) or (2) of this section, is not a derivative, 11157
provided that such variable rate investment has a maximum maturity 11158
of two years. 11159

(D) Except as provided in division (E) of this section, any 11160
investment made pursuant to this section must mature within five 11161
years from the date of settlement, unless the investment is 11162
matched to a specific obligation or debt of the subdivision. 11163

(E) The treasurer or governing board may also enter into a 11164
written repurchase agreement with any eligible institution 11165
mentioned in section 135.03 of the Revised Code or any eligible 11166
dealer pursuant to division (M) of this section, under the terms 11167
of which agreement the treasurer or governing board purchases, and 11168
such institution or dealer agrees unconditionally to repurchase 11169
any of the securities listed in divisions ~~(B)~~(D)(1) to (5), except 11170
letters of credit described in division ~~(B)~~(D)(2), of section 11171

135.18 of the Revised Code. The market value of securities subject 11172
to an overnight written repurchase agreement must exceed the 11173
principal value of the overnight written repurchase agreement by 11174
at least two per cent. A written repurchase agreement shall not 11175
exceed thirty days and the market value of securities subject to a 11176
written repurchase agreement must exceed the principal value of 11177
the written repurchase agreement by at least two per cent and be 11178
marked to market daily. All securities purchased pursuant to this 11179
division shall be delivered into the custody of the treasurer or 11180
governing board or an agent designated by the treasurer or 11181
governing board. A written repurchase agreement with an eligible 11182
securities dealer shall be transacted on a delivery versus payment 11183
basis. The agreement shall contain the requirement that for each 11184
transaction pursuant to the agreement the participating 11185
institution or dealer shall provide all of the following 11186
information: 11187

(1) The par value of the securities; 11188

(2) The type, rate, and maturity date of the securities; 11189

(3) A numerical identifier generally accepted in the 11190
securities industry that designates the securities. 11191

No treasurer or governing board shall enter into a written 11192
repurchase agreement under the terms of which the treasurer or 11193
governing board agrees to sell securities owned by the subdivision 11194
to a purchaser and agrees with that purchaser to unconditionally 11195
repurchase those securities. 11196

(F) No treasurer or governing board shall make an investment 11197
under this section, unless the treasurer or governing board, at 11198
the time of making the investment, reasonably expects that the 11199
investment can be held until its maturity. 11200

(G) No treasurer or governing board shall pay interim moneys 11201
into a fund established by another subdivision, treasurer, 11202

governing board, or investing authority, if that fund was 11203
established for the purpose of investing the public moneys of 11204
other subdivisions. This division does not apply to the payment of 11205
public moneys into either of the following: 11206

(1) The Ohio subdivision's fund pursuant to division (B)(6) 11207
of this section; 11208

(2) A fund created solely for the purpose of acquiring, 11209
constructing, owning, leasing, or operating municipal utilities 11210
pursuant to the authority provided under section 715.02 of the 11211
Revised Code or Section 4 of Article XVIII, Ohio Constitution. 11212

For purposes of division (G) of this section, "subdivision" 11213
includes a county. 11214

(H) The use of leverage, in which the treasurer or governing 11215
board uses its current investment assets as collateral for the 11216
purpose of purchasing other assets, is prohibited. The issuance of 11217
taxable notes for the purpose of arbitrage is prohibited. 11218
Contracting to sell securities that have not yet been acquired by 11219
the treasurer or governing board, for the purpose of purchasing 11220
such securities on the speculation that bond prices will decline, 11221
is prohibited. 11222

(I) Whenever, during a period of designation, the treasurer 11223
classifies public moneys as interim moneys, the treasurer shall 11224
notify the governing board of such action. The notification shall 11225
be given within thirty days after such classification and in the 11226
event the governing board does not concur in such classification 11227
or in the investments or deposits made under this section, the 11228
governing board may order the treasurer to sell or liquidate any 11229
of such investments or deposits, and any such order shall 11230
specifically describe the investments or deposits and fix the date 11231
upon which they are to be sold or liquidated. Investments or 11232
deposits so ordered to be sold or liquidated shall be sold or 11233

liquidated for cash by the treasurer on the date fixed in such 11234
order at the then current market price. Neither the treasurer nor 11235
the members of the board shall be held accountable for any loss 11236
occasioned by sales or liquidations of investments or deposits at 11237
prices lower than their cost. Any loss or expense incurred in 11238
making such sales or liquidations is payable as other expenses of 11239
the treasurer's office. 11240

(J) If any investments or deposits purchased under the 11241
authority of this section are issuable to a designated payee or to 11242
the order of a designated payee, the name of the treasurer and the 11243
title of the treasurer's office shall be so designated. If any 11244
such securities are registrable either as to principal or 11245
interest, or both, then such securities shall be registered in the 11246
name of the treasurer as such. 11247

(K) The treasurer is responsible for the safekeeping of all 11248
documents evidencing a deposit or investment acquired by the 11249
treasurer under this section. Any securities may be deposited for 11250
safekeeping with a qualified trustee as provided in section 135.18 11251
of the Revised Code, except the delivery of securities acquired 11252
under any repurchase agreement under this section shall be made to 11253
a qualified trustee, provided, however, that the qualified trustee 11254
shall be required to report to the treasurer, governing board, 11255
auditor of state, or an authorized outside auditor at any time 11256
upon request as to the identity, market value, and location of the 11257
document evidencing each security, and that if the participating 11258
institution is a designated depository of the subdivision for the 11259
current period of designation, the securities that are the subject 11260
of the repurchase agreement may be delivered to the treasurer or 11261
held in trust by the participating institution on behalf of the 11262
subdivision. Interest earned on any investments or deposits 11263
authorized by this section shall be collected by the treasurer and 11264
credited by the treasurer to the proper fund of the subdivision. 11265

Upon the expiration of the term of office of a treasurer or 11266
in the event of a vacancy in the office of treasurer by reason of 11267
death, resignation, removal from office, or otherwise, the 11268
treasurer or the treasurer's legal representative shall transfer 11269
and deliver to the treasurer's successor all documents evidencing 11270
a deposit or investment held by the treasurer. For the investments 11271
and deposits so transferred and delivered, such treasurer shall be 11272
credited with and the treasurer's successor shall be charged with 11273
the amount of money held in such investments and deposits. 11274

(L) Whenever investments or deposits acquired under this 11275
section mature and become due and payable, the treasurer shall 11276
present them for payment according to their tenor, and shall 11277
collect the moneys payable thereon. The moneys so collected shall 11278
be treated as public moneys subject to sections 135.01 to 135.21 11279
of the Revised Code. 11280

(M)(1) All investments, except for investments in securities 11281
described in divisions (B)(5) and (6) of this section and for 11282
investments by a municipal corporation in the issues of such 11283
municipal corporation, shall be made only through a member of the 11284
financial industry regulatory authority (FINRA), through a bank, 11285
savings bank, or savings and loan association regulated by the 11286
superintendent of financial institutions, or through an 11287
institution regulated by the comptroller of the currency, federal 11288
deposit insurance corporation, or board of governors of the 11289
federal reserve system. 11290

(2) Payment for investments shall be made only upon the 11291
delivery of securities representing such investments to the 11292
treasurer, governing board, or qualified trustee. If the 11293
securities transferred are not represented by a certificate, 11294
payment shall be made only upon receipt of confirmation of 11295
transfer from the custodian by the treasurer, governing board, or 11296
qualified trustee. 11297

(N) In making investments authorized by this section, a 11298
treasurer or governing board may retain the services of an 11299
investment advisor, provided the advisor is licensed by the 11300
division of securities under section 1707.141 of the Revised Code 11301
or is registered with the securities and exchange commission, and 11302
possesses experience in public funds investment management, 11303
specifically in the area of state and local government investment 11304
portfolios, or the advisor is an eligible institution mentioned in 11305
section 135.03 of the Revised Code. 11306

(O)(1) Except as otherwise provided in divisions (O)(2) and 11307
(3) of this section, no treasurer or governing board shall make an 11308
investment or deposit under this section, unless there is on file 11309
with the auditor of state a written investment policy approved by 11310
the treasurer or governing board. The policy shall require that 11311
all entities conducting investment business with the treasurer or 11312
governing board shall sign the investment policy of that 11313
subdivision. All brokers, dealers, and financial institutions, 11314
described in division (M)(1) of this section, initiating 11315
transactions with the treasurer or governing board by giving 11316
advice or making investment recommendations shall sign the 11317
treasurer's or governing board's investment policy thereby 11318
acknowledging their agreement to abide by the policy's contents. 11319
All brokers, dealers, and financial institutions, described in 11320
division (M)(1) of this section, executing transactions initiated 11321
by the treasurer or governing board, having read the policy's 11322
contents, shall sign the investment policy thereby acknowledging 11323
their comprehension and receipt. 11324

(2) If a written investment policy described in division 11325
(O)(1) of this section is not filed on behalf of the subdivision 11326
with the auditor of state, the treasurer or governing board of 11327
that subdivision shall invest the subdivision's interim moneys 11328
only in interim deposits pursuant to division (B)(3) of this 11329

section or interim deposits pursuant to section 135.145 of the Revised Code and approved by the treasurer of state, no-load money market mutual funds pursuant to division (B)(5) of this section, or the Ohio subdivision's fund pursuant to division (B)(6) of this section.

(3) Divisions (O)(1) and (2) of this section do not apply to a treasurer or governing board of a subdivision whose average annual portfolio of investments held pursuant to this section is one hundred thousand dollars or less, provided that the treasurer or governing board certifies, on a form prescribed by the auditor of state, that the treasurer or governing board will comply and is in compliance with the provisions of sections 135.01 to 135.21 of the Revised Code.

(P) A treasurer or governing board may enter into a written investment or deposit agreement that includes a provision under which the parties agree to submit to nonbinding arbitration to settle any controversy that may arise out of the agreement, including any controversy pertaining to losses of public moneys resulting from investment or deposit. The arbitration provision shall be set forth entirely in the agreement, and the agreement shall include a conspicuous notice to the parties that any party to the arbitration may apply to the court of common pleas of the county in which the arbitration was held for an order to vacate, modify, or correct the award. Any such party may also apply to the court for an order to change venue to a court of common pleas located more than one hundred miles from the county in which the treasurer or governing board is located.

For purposes of this division, "investment or deposit agreement" means any agreement between a treasurer or governing board and a person, under which agreement the person agrees to invest, deposit, or otherwise manage a subdivision's interim moneys on behalf of the treasurer or governing board, or agrees to

provide investment advice to the treasurer or governing board. 11362

(Q) An investment made by the treasurer or governing board 11363
pursuant to this section prior to September 27, 1996, that was a 11364
legal investment under the law as it existed before September 27, 11365
1996, may be held until maturity. 11366

Sec. 135.143. (A) The treasurer of state may invest or 11367
execute transactions for any part or all of the interim funds of 11368
the state in the following classifications of obligations: 11369

(1) United States treasury bills, notes, bonds, or any other 11370
obligations or securities issued by the United States treasury or 11371
any other obligation guaranteed as to principal and interest by 11372
the United States; 11373

(2) Bonds, notes, debentures, or any other obligations or 11374
securities issued by any federal government agency or 11375
instrumentality; 11376

(3)(a) Bonds, notes, and other obligations of the state of 11377

water development authority, and the Ohio turnpike infrastructure 11381
commission; 11382

(b) Bonds, notes, and other obligations of any state or 11383
political subdivision thereof rated in the three highest 11384
categories by at least one nationally recognized standard rating 11385
service and purchased through a registered securities broker or 11386
dealer, provided the treasurer of state is not the sole purchaser 11387
of the bonds, notes, or other obligations at original issuance. 11388

(4)(a) Written repurchase agreements with any eligible Ohio 11389
financial institution that is a member of the federal reserve 11390
system or federal home loan bank, or any registered United States 11391

government securities dealer, under the terms of which agreement 11392
the treasurer of state purchases and the eligible financial 11393
institution or dealer agrees unconditionally to repurchase any of 11394
the securities that are listed in division (A)(1), (2), or (6) of 11395
this section. The market value of securities subject to these 11396
transactions must exceed the principal value of the repurchase 11397
agreement by an amount specified by the treasurer of state, and 11398
the securities must be delivered into the custody of the treasurer 11399
of state or the qualified trustee or agent designated by the 11400
treasurer of state. The agreement shall contain the requirement 11401

listed in division (A)(1), (2), or (6) of this section, regardless 11410
of maturity or time of redemption of the securities, under the 11411
same terms and conditions for repurchase, provided that the 11412
securities have been fully paid for and are owned by the treasurer 11413
of state at the time of the sale. 11414

(5) Securities lending agreements with any eligible financial 11415
institution that is a member of the federal reserve system or 11416

institution or dealer agrees to simultaneously exchange similar 11420
securities or cash, equal value for equal value. 11421

Securities and cash received as collateral for a securities 11422

lending agreement are not interim funds of the state. The 11423
investment of cash collateral received pursuant to a securities 11424
lending agreement may be invested only in such instruments 11425
specified by the treasurer of state in accordance with a written 11426
investment policy. 11427

(6) Various forms of commercial paper issued by any entity 11428
that is organized under the laws of the United States or a state, 11429
which notes are rated in the two highest categories by two 11430
nationally recognized standard rating services, provided that the 11431
total amount invested under this section in any commercial paper 11432

average portfolio, as determined and calculated by the treasurer 11434
of state; 11435

(7) Bankers acceptances, maturing in two hundred seventy days 11436

acknowledged in writing by the trustee. 11874

(3) The ~~treasurer~~ public depositor gives written 11875
authorization for a substitution or exchange of specific 11876

~~(H)~~(I) The public depository shall notify any ~~governing~~ 11878

or exchange under division ~~(G)~~(H)(1) or (2) of this section. ~~Upon~~ 11880
~~request from the treasurer, the trustee shall furnish a statement~~ 11881
~~of the securities pledged against such public deposits.~~ 11882

~~(I)~~(J) Any federal reserve bank or branch thereof located in 11883
this state or federal home loan bank, without compliance with 11884
Chapter 1111. of the Revised Code and without becoming subject to 11885
any other law of this state relative to the exercise by 11886
corporations of trust powers generally, is qualified to act as 11887
trustee for the safekeeping of securities, under this section. Any 11888
institution mentioned in section 135.03 or 135.32 of the Revised 11889
Code that holds a certificate of qualification issued by the 11890
superintendent of financial institutions or any institution 11891

complying with sections 1111.04, 1111.05, and 1111.06 of the 11892
Revised Code, is qualified to act as trustee for the safekeeping 11893
of securities under this section, other than those belonging to 11894
itself, ~~under this section. Upon application to the superintendent~~ 11895
~~in writing by an institution, the superintendent shall investigate~~ 11896

~~securities other than those belonging to itself or to an affiliate~~ 11907
~~as defined in section 1101.01 of the Revised Code.~~ 11908

Notwithstanding the fact that a public depository is required 11909
to pledge eligible securities in certain amounts to secure 11910
deposits of public moneys, a trustee has no duty or obligation to 11911
determine the eligibility, market value, or face value of any 11912
securities deposited with the trustee by a public depository. This 11913
applies in all situations including, without limitation, a 11914
substitution or exchange of securities. 11915

Any charges or compensation of a designated trustee for 11916
acting as such under this section shall be paid by the public 11917
depository and in no event shall be chargeable to the state or the 11918
subdivision or to ~~the treasurer or to~~ any officer of the state or 11919
subdivision. The charges or compensation shall not be a lien or 11920
charge upon the securities deposited for safekeeping prior or 11921
superior to the rights to and interests in the securities of the 11922
~~state or the subdivision or of the treasurer~~ public depositor. The 11923

treasurer and the treasurer's bonders or surety shall be relieved 11924
from any liability to the ~~state or the subdivision~~ public 11925
depositor or to the public depository for the loss or destruction 11926
of any securities deposited with a qualified trustee pursuant to 11927
this section. 11928

Sec. 135.181. (A) As used in this section: 11929

(1) "Public depository" means that term as defined in section 11930
135.01 of the Revised Code, but also means an institution which 11931
receives or holds any public deposits as defined in section 135.31 11932
of the Revised Code. 11933

(2) "Public deposits," "public moneys," and "treasurer" mean 11934
those terms as defined in section 135.01 of the Revised Code, but 11935
also have the same meanings as are set forth in section 135.31 of 11936
the Revised Code. 11937

(3) "Subdivision" means that term as defined in section 11938
135.01 of the Revised Code, but also includes a county. 11939

(B) ~~In~~ Prior to the creation of the Ohio pooled collateral 11940
program under section 135.182 of the Revised Code, in lieu of the 11941
pledging requirements prescribed in sections 135.18 and 135.37 of 11942
the Revised Code, an institution designated as a public depository 11943
at its option may pledge a single pool of eligible securities to 11944
secure the repayment of all public moneys deposited in the 11945
institution and not otherwise secured pursuant to law, provided 11946
that at all times the total market value of the securities so 11947
pledged is at least equal to one hundred five per cent of the 11948
total amount of all public deposits to be secured by the pooled 11949
securities that are not covered by any federal deposit insurance. 11950
Each institution shall carry in its accounting records at all 11951
times a general ledger or other appropriate account of the total 11952
amount of all public deposits to be secured by the pool, as 11953
determined at the opening of business each day, and the total 11954

market value of securities pledged to secure such deposits. 11955

(C) The securities described in division (B) of section 11956
135.18 of the Revised Code shall be eligible as collateral for the 11957
purposes of division (B) of this section, provided no such 11958
securities pledged as collateral are at any time in default as to 11959
either principal or interest. 11960

(D) The state and each subdivision shall have an undivided 11961
security interest in the pool of securities pledged by a public 11962
depository pursuant to division (B) of this section in the 11963
proportion that the total amount of the state's or subdivision's 11964
public moneys secured by the pool bears to the total amount of 11965
public deposits so secured. 11966

(E) An institution designated as a public depository shall 11967
designate a qualified trustee and deposit with the trustee for 11968
safekeeping the eligible securities pledged pursuant to division 11969
(B) of this section. The institution shall give written notice of 11970
the qualified trustee to any treasurer or treasurers depositing 11971
public moneys for which such securities are pledged. The treasurer 11972
shall accept the written receipt of the trustee describing the 11973
pool of securities so deposited by the depository, a copy of which 11974
also shall be delivered to the depository. 11975

(F) Any federal reserve bank or branch thereof located in 11976
this state or federal home loan bank, without compliance with 11977
Chapter 1111. of the Revised Code and without becoming subject to 11978
any other law of this state relative to the exercise by 11979
corporations of trust powers generally, is qualified to act as 11980
trustee for the safekeeping of securities, under this section. Any 11981
institution mentioned in section 135.03 or 135.32 of the Revised 11982
Code which holds a certificate of qualification issued by the 11983
superintendent of financial institutions or any institution 11984
complying with sections 1111.04, 1111.05, and 1111.06 of the 11985
Revised Code is qualified to act as trustee for the safekeeping of 11986

securities under this section, other than those belonging to 11987
itself or to an affiliate as defined in division (A) of section 11988
1101.01 of the Revised Code. Upon application to the 11989
superintendent in writing by an institution, the superintendent 11990
shall investigate the applicant and ascertain whether or not it 11991
has been authorized to execute and accept trusts in this state and 11992
has safe and adequate vaults and efficient supervision thereof for 11993
the storage and safekeeping of securities. If the superintendent 11994
finds that the applicant has been so authorized and has such 11995
vaults and supervision thereof, the superintendent shall approve 11996
the application and issue a certificate to that effect, the 11997
original or any certified copy of which shall be conclusive 11998
evidence that the institution named therein is qualified to act as 11999
trustee for the purposes of this section with respect to 12000
securities other than those belonging to itself or to an 12001
affiliate. 12002

(G) The public depository at any time may substitute, 12003
exchange, or release eligible securities deposited with a 12004
qualified trustee pursuant to this section, provided that such 12005
substitution, exchange, or release does not reduce the total 12006
market value of the securities to an amount that is less than one 12007
hundred five per cent of the total amount of public deposits as 12008
determined pursuant to division (B) of this section. 12009

(H) Notwithstanding the fact that a public depository is 12010
required to pledge eligible securities in certain amounts to 12011
secure deposits of public moneys, a trustee has no duty or 12012
obligation to determine the eligibility, market value, or face 12013
value of any securities deposited with the trustee by a public 12014
depository. This applies in all situations including, but not 12015
limited to, a substitution or exchange of securities, but 12016
excluding those situations effectuated by division (I) of this 12017
section in which the trustee is required to determine face and 12018

market value. 12019

(I) If the public depository fails to pay over any part of 12020
the public deposits made therein as provided by law and secured 12021
pursuant to division (B) of this section, the treasurer shall give 12022
written notice of this failure to the qualified trustee holding 12023
the pool of securities pledged against public moneys deposited in 12024
the depository, and at the same time shall send a copy of this 12025
notice to the depository. Upon receipt of this notice, the trustee 12026
shall transfer to the treasurer for public sale, the pooled 12027
securities that are necessary to produce an amount equal to the 12028
deposits made by the treasurer and not paid over, less the portion 12029
of the deposits covered by any federal deposit insurance, plus any 12030
accrued interest due on the deposits; however, the amount shall 12031
not exceed the state's or subdivision's proportional security 12032
interest in the market value of the pool as of the date of the 12033
depository's failure to pay over the deposits, as that interest 12034
and value are determined by the trustee. The treasurer shall sell 12035
at public sale any of the bonds or other securities so 12036
transferred. Thirty days' notice of the sale shall be given in a 12037
newspaper of general circulation at Columbus, in the case of the 12038
treasurer of state, and at the county seat of the county in which 12039
the office of the treasurer is located, in the case of any other 12040
treasurer. When a sale of bonds or other securities has been so 12041
made and upon payment to the treasurer of the purchase money, the 12042
treasurer shall transfer such bonds or securities whereupon the 12043
absolute ownership of such bonds or securities shall pass to the 12044
purchasers. Any surplus after deducting the amount due the state 12045
or subdivision and expenses of sale shall be paid to the public 12046
depository. 12047

(J) Any charges or compensation of a designated trustee for 12048
acting as such under this section shall be paid by the public 12049
depository and in no event shall be chargeable to the state or 12050

subdivision or to the treasurer or to any officer of the state or 12051
subdivision. The charges or compensation shall not be a lien or 12052
charge upon the securities deposited for safekeeping prior or 12053
superior to the rights to and interests in the securities of the 12054
state or subdivision or of the treasurer. The treasurer and the 12055
treasurer's bonders or surety shall be relieved from any liability 12056
to the state or subdivision or to the public depository for the 12057
loss or destruction of any securities deposited with a qualified 12058
trustee pursuant to this section. 12059

(K) In lieu of placing its unqualified endorsement on each 12060
security, a public depository pledging securities pursuant to 12061
division (B) of this section that are not negotiable without its 12062
endorsement or assignment may furnish to the qualified trustee 12063
holding the securities an appropriate resolution and irrevocable 12064
power of attorney authorizing the trustee to assign the 12065
securities. The resolution and power of attorney shall conform to 12066
terms and conditions the trustee prescribes. 12067

(L) Upon request of a treasurer no more often than four times 12068
per year, a public depository shall report the amount of public 12069
moneys deposited by the treasurer and secured pursuant to division 12070
(B) of this section, and the total market value of the pool of 12071
securities pledged to secure public moneys held by the depository, 12072
including those deposited by the treasurer. Upon request of a 12073
treasurer no more often than four times per year, a qualified 12074
trustee shall report the total market value of the pool of 12075
securities deposited with it by the depository and shall provide 12076
an itemized list of the securities in the pool. These reports 12077
shall be made as of the date the treasurer specifies. 12078

Sec. 135.182. (A) As used in this section: 12079

(1) "Public depository" means that term as defined in section 12080
135.01 of the Revised Code, but also means an institution that 12081

receives or holds any public deposits as defined in section 135.31 12082
of the Revised Code. 12083

(2) "Public depositor" means that term as defined in section 12084
135.01 of the Revised Code, but also includes a county and any 12085
municipal corporation that has adopted a charter under Article 12086
XVIII, Ohio Constitution. 12087

(3) "Public deposits," "public moneys," and "treasurer" mean 12088
those terms as defined in section 135.01 of the Revised Code, but 12089
also have the same meanings as are set forth in section 135.31 of 12090
the Revised Code. 12091

(B) Not later than July 1, 2017, the treasurer of state shall 12092
create the Ohio pooled collateral program. Under this program, 12093
each institution designated as a public depository that selects 12094
the pledging method prescribed in division (A)(2) of section 12095
135.18 or division (A)(2) of section 135.37 of the Revised Code 12096
shall pledge to the treasurer of state a single pool of eligible 12097
securities for the benefit of all public depositors at the public 12098
depository to secure the repayment of all uninsured public 12099
deposits at the public depository, provided that at all times the 12100
total market value of the securities so pledged is at least equal 12101
to one hundred two per cent of the total amount of all uninsured 12102
public deposits, or in an amount determined by rules adopted by 12103
the treasurer of state. The rules shall set forth the criteria for 12104
determining the aggregate market value of the pool of eligible 12105
securities pledged by a public depository pursuant to this 12106
division. Such criteria shall include, but is not limited to, 12107
prudent capital and liquidity management by the public depository 12108
and the safety and soundness of the public depository as 12109
determined by a third-party rating organization. The treasurer of 12110
state shall monitor the eligibility, market value, and face value 12111
of the pooled securities pledged by the public depository. Each 12112
public depository shall carry in its accounting records at all 12113

times a general ledger or other appropriate account of the total 12114
amount of all public deposits to be secured by the pool, as 12115
determined at the opening of business each day, and the total 12116
market value of securities pledged to secure such deposits, and 12117
report such information to the treasurer of state in a manner and 12118
frequency as determined by the treasurer of state pursuant to 12119
rules adopted by the treasurer of state. 12120

(C) The public depository shall designate a qualified trustee 12121
approved by the treasurer of state and place with such trustee for 12122
safekeeping the eligible securities pledged pursuant to division 12123
(B) of this section. The trustee shall hold the eligible 12124
securities in an account indicating the treasurer of state's 12125
security interest in the eligible securities. The treasurer of 12126
state shall give written notice of the trustee to all public 12127
depositories for which such securities are pledged. The trustee 12128
shall report to the treasurer of state information relating to the 12129
securities pledged to secure such public deposits in a manner and 12130
frequency as determined by the treasurer of state. 12131

(D) In order for a public depository to receive public moneys 12132
under this section, the public depository and the treasurer of 12133
state shall first execute an agreement that sets forth the entire 12134
arrangement among the parties and that meets the requirements 12135
described in 12 U.S.C. 1823(e). In addition, the agreement shall 12136
authorize the treasurer of state to obtain control of the 12137
collateral pursuant to division (D) of section 1308.24 of the 12138
Revised Code. 12139

(E) The securities or other obligations described in division 12140
(D) of section 135.18 of the Revised Code shall be eligible as 12141
collateral for the purposes of division (B) of this section, 12142
provided no such securities or obligations pledged as collateral 12143
are at any time in default as to either principal or interest. 12144

(F) Any federal reserve bank or branch thereof located in 12145

this state or federal home loan bank, without compliance with 12146
Chapter 1111. of the Revised Code and without becoming subject to 12147
any other law of this state relative to the exercise by 12148
corporations of trust powers generally, is qualified to act as 12149
trustee for the safekeeping of securities, under this section. Any 12150
institution mentioned in section 135.03 or 135.32 of the Revised 12151
Code that holds a certificate of qualification issued by the 12152
superintendent of financial institutions or any institution 12153
complying with sections 1111.04, 1111.05, and 1111.06 of the 12154
Revised Code is qualified to act as trustee for the safekeeping of 12155
securities under this section, other than those belonging to 12156
itself or to an affiliate as defined in section 1101.01 of the 12157
Revised Code. 12158

(G) The public depository may substitute, exchange, or 12159
release eligible securities deposited with the qualified trustee 12160
pursuant to this section, provided that such substitution, 12161
exchange, or release is effectuated pursuant to written 12162
authorization from the treasurer of state, and such action does 12163
not reduce the total market value of the securities to an amount 12164
that is less than the amount established pursuant to division (B) 12165
of this section. 12166

(H) Notwithstanding the fact that a public depository is 12167
required to pledge eligible securities in certain amounts to 12168
secure public deposits, a qualified trustee has no duty or 12169
obligation to determine the eligibility, market value, or face 12170
value of any securities deposited with the trustee by a public 12171
depository. This applies in all situations including, but not 12172
limited to, a substitution or exchange of securities, but 12173
excluding those situations effectuated by division (I) of this 12174
section in which the trustee is required to determine face and 12175
market value. 12176

(I) The qualified trustee shall enter into a custodial 12177

agreement with the treasurer of state and public depository in 12178
which the trustee agrees to comply with entitlement orders 12179
originated by the treasurer of state without further consent by 12180
the public depository or, in the case of a federal reserve bank, 12181
establishing the treasurer of state's control of the eligible 12182
securities pledged pursuant to division (B) of this section. If 12183
the public depository fails to pay over any part of the public 12184
deposits made therein as provided by law and secured pursuant to 12185
division (B) of this section, the treasurer of state shall give 12186
written notice of this failure to the qualified trustee holding 12187
the pool of securities pledged against the public deposits, and at 12188
the same time shall send a copy of this notice to the public 12189
depository. Upon receipt of this notice, the trustee shall 12190
transfer to the treasurer of state for sale, the pooled securities 12191
that are necessary to produce an amount equal to the public 12192
deposits made by the public depositor and not paid over, less the 12193
portion of the deposits covered by any federal deposit insurance, 12194
plus any accrued interest due on the deposits. The treasurer of 12195
state shall sell any of the bonds or other securities so 12196
transferred. When a sale of bonds or other securities has been so 12197
made and upon payment to the public depositor of the purchase 12198
money, the treasurer of state shall transfer such bonds or 12199
securities whereupon the absolute ownership of such bonds or 12200
securities shall pass to the purchasers. Any surplus after 12201
deducting the amount due to the public depositor and expenses of 12202
sale shall be paid to the public depository. 12203

(J) Any charges or compensation of a qualified trustee for 12204
acting as such under this section shall be paid by the public 12205
depository and in no event shall be chargeable to the public 12206
depositor or to any officer of the public depositor. The charges 12207
or compensation shall not be a lien or charge upon the securities 12208
deposited for safekeeping prior or superior to the rights to and 12209
interests in the securities of the public depositor. The treasurer 12210

and the treasurer's bonders or surety shall be relieved from any 12211
liability to the public depositor or to the public depository for 12212
the loss or destruction of any securities deposited with a 12213
qualified trustee pursuant to this section. 12214

invest any part or all of the county's inactive moneys and shall 12216

director of development services of the matters described in 13611
divisions (C)(1), (2), and (3) of this section only; issuance of a 13612
certificate does not represent a verification or certification by 13613
the director of the amount of qualified rehabilitation 13614
expenditures for which a tax credit may be claimed under section 13615
5725.151, 5725.34, 5726.52, 5729.17, 5733.47, or 5747.76 of the 13616

manner requested by the tax commissioner, the name of the 13623
applicant, the amount of qualified rehabilitation expenditures 13624
shown on the certificate, and any other information required by 13625

detailed analysis of the effectiveness of issuing tax credits for 13647
rehabilitating historic buildings. The report shall be prepared 13648
with the assistance of an economic research organization jointly 13649
chosen by the director and commissioner. 13650

informing the requester of the manner in which records are 13997
maintained by the public office and accessed in the ordinary 13998
course of the public office's or person's duties. 13999

(3) If a request is ultimately denied, in part or in whole, 14000
the public office or the person responsible for the requested 14001
public record shall provide the requester with an explanation, 14002
including legal authority, setting forth why the request was 14003
denied. If the initial request was provided in writing, the 14004

explanation also shall be provided to the requester in writing. 14005
The explanation shall not preclude the public office or the person 14006
responsible for the requested public record from relying upon 14007
additional reasons or legal authority in defending an action 14008
commenced under division (C) of this section. 14009

(4) Unless specifically required or authorized by state or 14010
federal law or in accordance with division (B) of this section, no 14011
public office or person responsible for public records may limit 14012
or condition the availability of public records by requiring 14013
disclosure of the requester's identity or the intended use of the 14014
requested public record. Any requirement that the requester 14015
disclose the requestor's identity or the intended use of the 14016
requested public record constitutes a denial of the request. 14017

(5) A public office or person responsible for public records 14018
may ask a requester to make the request in writing, may ask for 14019
the requester's identity, and may inquire about the intended use 14020
of the information requested, but may do so only after disclosing 14021
to the requester that a written request is not mandatory and that 14022
the requester may decline to reveal the requester's identity or 14023
the intended use and when a written request or disclosure of the 14024
identity or intended use would benefit the requester by enhancing 14025
the ability of the public office or person responsible for public 14026
records to identify, locate, or deliver the public records sought 14027
by the requester. 14028

(6) If any person chooses to obtain a copy of a public record 14029
in accordance with division (B) of this section, the public office 14030
or person responsible for the public record may require that 14031
person to pay in advance the cost involved in providing the copy 14032
of the public record in accordance with the choice made by the 14033
person seeking the copy under this division. The public office or 14034
the person responsible for the public record shall permit that 14035
person to choose to have the public record duplicated upon paper, 14036

upon the same medium upon which the public office or person 14037
responsible for the public record keeps it, or upon any other 14038
medium upon which the public office or person responsible for the 14039
public record determines that it reasonably can be duplicated as 14040
an integral part of the normal operations of the public office or 14041
person responsible for the public record. When the person seeking 14042
the copy makes a choice under this division, the public office or 14043
person responsible for the public record shall provide a copy of 14044
it in accordance with the choice made by the person seeking the 14045
copy. Nothing in this section requires a public office or person 14046
responsible for the public record to allow the person seeking a 14047
copy of the public record to make the copies of the public record. 14048

(7) Upon a request made in accordance with division (B) of 14049
this section and subject to division (B)(6) of this section, a 14050
public office or person responsible for public records shall 14051
transmit a copy of a public record to any person by United States 14052
mail or by any other means of delivery or transmission within a 14053
reasonable period of time after receiving the request for the 14054
copy. The public office or person responsible for the public 14055
record may require the person making the request to pay in advance 14056
the cost of postage if the copy is transmitted by United States 14057
mail or the cost of delivery if the copy is transmitted other than 14058
by United States mail, and to pay in advance the costs incurred 14059
for other supplies used in the mailing, delivery, or transmission. 14060

Any public office may adopt a policy and procedures that it 14061
will follow in transmitting, within a reasonable period of time 14062
after receiving a request, copies of public records by United 14063
States mail or by any other means of delivery or transmission 14064
pursuant to this division. A public office that adopts a policy 14065
and procedures under this division shall comply with them in 14066
performing its duties under this division. 14067

In any policy and procedures adopted under this division, a 14068

public office may limit the number of records requested by a 14069
person that the office will transmit by United States mail to ten 14070
per month, unless the person certifies to the office in writing 14071
that the person does not intend to use or forward the requested 14072
records, or the information contained in them, for commercial 14073
purposes. For purposes of this division, "commercial" shall be 14074
narrowly construed and does not include reporting or gathering 14075
news, reporting or gathering information to assist citizen 14076
oversight or understanding of the operation or activities of 14077
government, or nonprofit educational research. 14078

(8) A public office or person responsible for public records 14079
is not required to permit a person who is incarcerated pursuant to 14080
a criminal conviction or a juvenile adjudication to inspect or to 14081
obtain a copy of any public record concerning a criminal 14082
investigation or prosecution or concerning what would be a 14083
criminal investigation or prosecution if the subject of the 14084
investigation or prosecution were an adult, unless the request to 14085
inspect or to obtain a copy of the record is for the purpose of 14086
acquiring information that is subject to release as a public 14087
record under this section and the judge who imposed the sentence 14088
or made the adjudication with respect to the person, or the 14089
judge's successor in office, finds that the information sought in 14090
the public record is necessary to support what appears to be a 14091
justiciable claim of the person. 14092

(9)(a) Upon written request made and signed by a journalist 14093
on or after December 16, 1999, a public office, or person 14094
responsible for public records, having custody of the records of 14095
the agency employing a specified peace officer, parole officer, 14096
probation officer, bailiff, prosecuting attorney, assistant 14097
prosecuting attorney, correctional employee, community-based 14098

the address of the actual personal residence of the peace officer, 14102

correctional employee's, community-based correctional facility 14110
employee's, youth services employee's, firefighter's, EMT's, or 14111
investigator of the bureau of criminal identification and 14112
investigation's spouse, former spouse, or child is employed by a 14113
public office, the name and address of the employer of the peace 14114
officer's, parole officer's, probation officer's, bailiff's, 14115
prosecuting attorney's, assistant prosecuting attorney's, 14116
correctional employee's, community-based correctional facility 14117
employee's, youth services employee's, firefighter's, EMT's, or 14118
investigator of the bureau of criminal identification and 14119
investigation's spouse, former spouse, or child. The request shall 14120
include the journalist's name and title and the name and address 14121
of the journalist's employer and shall state that disclosure of 14122
the information sought would be in the public interest. 14123

(b) Division (B)(9)(a) of this section also applies to 14124
journalist requests for customer information maintained by a 14125
municipally owned or operated public utility, other than social 14126
security numbers and any private financial information such as 14127
credit reports, payment methods, credit card numbers, and bank 14128
account information. 14129

(c) As used in division (B)(9) of this section, "journalist" 14130
means a person engaged in, connected with, or employed by any news 14131
medium, including a newspaper, magazine, press association, news 14132

agency, or wire service, a radio or television station, or a 14133
similar medium, for the purpose of gathering, processing, 14134
transmitting, compiling, editing, or disseminating information for 14135
the general public. 14136

(C)(1) If a person allegedly is aggrieved by the failure of a 14137
public office or the person responsible for public records to 14138
promptly prepare a public record and to make it available to the 14139
person for inspection in accordance with division (B) of this 14140
section or by any other failure of a public office or the person 14141
responsible for public records to comply with an obligation in 14142
accordance with division (B) of this section, the person allegedly 14143
aggrieved may commence a mandamus action to obtain a judgment that 14144
orders the public office or the person responsible for the public 14145
record to comply with division (B) of this section, that awards 14146
court costs and reasonable attorney's fees to the person that 14147
instituted the mandamus action, and, if applicable, that includes 14148
an order fixing statutory damages under division (C)(1) of this 14149
section. The mandamus action may be commenced in the court of 14150
common pleas of the county in which division (B) of this section 14151
allegedly was not complied with, in the supreme court pursuant to 14152
its original jurisdiction under Section 2 of Article IV, Ohio 14153
Constitution, or in the court of appeals for the appellate 14154
district in which division (B) of this section allegedly was not 14155
complied with pursuant to its original jurisdiction under Section 14156
3 of Article IV, Ohio Constitution. 14157

If a requestor transmits a written request by hand delivery 14158
or certified mail to inspect or receive copies of any public 14159
record in a manner that fairly describes the public record or 14160
class of public records to the public office or person responsible 14161
for the requested public records, except as otherwise provided in 14162
this section, the requestor shall be entitled to recover the 14163
amount of statutory damages set forth in this division if a court 14164

determines that the public office or the person responsible for public records failed to comply with an obligation in accordance with division (B) of this section. 14165
14166
14167

The amount of statutory damages shall be fixed at one hundred dollars for each business day during which the public office or person responsible for the requested public records failed to comply with an obligation in accordance with division (B) of this section, beginning with the day on which the requester files a mandamus action to recover statutory damages, up to a maximum of one thousand dollars. The award of statutory damages shall not be construed as a penalty, but as compensation for injury arising from lost use of the requested information. The existence of this injury shall be conclusively presumed. The award of statutory damages shall be in addition to all other remedies authorized by this section. 14168
14169
14170
14171
14172
14173
14174
14175
14176
14177
14178
14179

The court may reduce an award of statutory damages or not award statutory damages if the court determines both of the following: 14180
14181
14182

(a) That, based on the ordinary application of statutory law and case law as it existed at the time of the conduct or threatened conduct of the public office or person responsible for the requested public records that allegedly constitutes a failure to comply with an obligation in accordance with division (B) of this section and that was the basis of the mandamus action, a well-informed public office or person responsible for the requested public records reasonably would believe that the conduct or threatened conduct of the public office or person responsible for the requested public records did not constitute a failure to comply with an obligation in accordance with division (B) of this section; 14183
14184
14185
14186
14187
14188
14189
14190
14191
14192
14193
14194

(b) That a well-informed public office or person responsible for the requested public records reasonably would believe that the 14195
14196

conduct or threatened conduct of the public office or person 14197
responsible for the requested public records would serve the 14198
public policy that underlies the authority that is asserted as 14199
permitting that conduct or threatened conduct. 14200

(2)(a) If the court issues a writ of mandamus that orders the 14201
public office or the person responsible for the public record to 14202
comply with division (B) of this section and determines that the 14203
circumstances described in division (C)(1) of this section exist, 14204
the court shall determine and award to the relator all court 14205
costs. 14206

(b) If the court renders a judgment that orders the public 14207
office or the person responsible for the public record to comply 14208
with division (B) of this section, the court may award reasonable 14209
attorney's fees subject to reduction as described in division 14210
(C)(2)(c) of this section. The court shall award reasonable 14211
attorney's fees, subject to reduction as described in division 14212
(C)(2)(c) of this section when either of the following applies: 14213

(i) The public office or the person responsible for the 14214
public records failed to respond affirmatively or negatively to 14215
the public records request in accordance with the time allowed 14216
under division (B) of this section. 14217

(ii) The public office or the person responsible for the 14218
public records promised to permit the relator to inspect or 14219
receive copies of the public records requested within a specified 14220
period of time but failed to fulfill that promise within that 14221
specified period of time. 14222

(c) Court costs and reasonable attorney's fees awarded under 14223
this section shall be construed as remedial and not punitive. 14224
Reasonable attorney's fees shall include reasonable fees incurred 14225
to produce proof of the reasonableness and amount of the fees and 14226
to otherwise litigate entitlement to the fees. The court may 14227

reduce an award of attorney's fees to the relator or not award 14228
attorney's fees to the relator if the court determines both of the 14229
following: 14230

(i) That, based on the ordinary application of statutory law 14231
and case law as it existed at the time of the conduct or 14232
threatened conduct of the public office or person responsible for 14233
the requested public records that allegedly constitutes a failure 14234
to comply with an obligation in accordance with division (B) of 14235
this section and that was the basis of the mandamus action, a 14236
well-informed public office or person responsible for the 14237
requested public records reasonably would believe that the conduct 14238
or threatened conduct of the public office or person responsible 14239
for the requested public records did not constitute a failure to 14240
comply with an obligation in accordance with division (B) of this 14241
section; 14242

(ii) That a well-informed public office or person responsible 14243
for the requested public records reasonably would believe that the 14244
conduct or threatened conduct of the public office or person 14245
responsible for the requested public records as described in 14246
division (C)(2)(c)(i) of this section would serve the public 14247
policy that underlies the authority that is asserted as permitting 14248
that conduct or threatened conduct. 14249

(D) Chapter 1347. of the Revised Code does not limit the 14250
provisions of this section. 14251

(E)(1) To ensure that all employees of public offices are 14252
appropriately educated about a public office's obligations under 14253
division (B) of this section, all elected officials or their 14254
appropriate designees shall attend training approved by the 14255
attorney general as provided in section 109.43 of the Revised 14256
Code. In addition, all public offices shall adopt a public records 14257
policy in compliance with this section for responding to public 14258
records requests. In adopting a public records policy under this 14259

division, a public office may obtain guidance from the model 14260
public records policy developed and provided to the public office 14261
by the attorney general under section 109.43 of the Revised Code. 14262
Except as otherwise provided in this section, the policy may not 14263
limit the number of public records that the public office will 14264
make available to a single person, may not limit the number of 14265
public records that it will make available during a fixed period 14266
of time, and may not establish a fixed period of time before it 14267
will respond to a request for inspection or copying of public 14268
records, unless that period is less than eight hours. 14269

(2) The public office shall distribute the public records 14270
policy adopted by the public office under division (E)(1) of this 14271
section to the employee of the public office who is the records 14272
custodian or records manager or otherwise has custody of the 14273
records of that office. The public office shall require that 14274
employee to acknowledge receipt of the copy of the public records 14275
policy. The public office shall create a poster that describes its 14276
public records policy and shall post the poster in a conspicuous 14277
place in the public office and in all locations where the public 14278
office has branch offices. The public office may post its public 14279
records policy on the internet web site of the public office if 14280
the public office maintains an internet web site. A public office 14281
that has established a manual or handbook of its general policies 14282
and procedures for all employees of the public office shall 14283
include the public records policy of the public office in the 14284
manual or handbook. 14285

(F)(1) The bureau of motor vehicles may adopt rules pursuant 14286
to Chapter 119. of the Revised Code to reasonably limit the number 14287
of bulk commercial special extraction requests made by a person 14288
for the same records or for updated records during a calendar 14289
year. The rules may include provisions for charges to be made for 14290
bulk commercial special extraction requests for the actual cost of 14291

the bureau, plus special extraction costs, plus ten per cent. The 14292
bureau may charge for expenses for redacting information, the 14293

class of records, or database by a person who intends to use or 14305
forward the copies for surveys, marketing, solicitation, or resale 14306
for commercial purposes. "Bulk commercial special extraction 14307
request" does not include a request by a person who gives 14308

financial burden on open lands over or along which the lines for 14638
such facilities are extended. 14639

(2) The director also may advance money from the fund to 14640

limitation, quality control activities necessary for initial 14699
production), perfecting, and marketing of such products and 14700

the county auditor, but not less than twenty days prior to the 16548
last date on which the first one-half taxes may be paid without 16549
penalty as prescribed in section 323.12 or 323.17 of the Revised 16550

to be prepared and mailed or delivered to such owner a tax bill 16577
for the taxes allocated to the owner's part, together with the 16578
penalties, interest, and other charges. 16579

excuse failure or delay to pay any taxes shown on such bill or, 16581
except as provided in division (B)(1) of section 5715.39 of the 16582
Revised Code, avoid any penalty, interest, or charge for such 16583

149.43 of the Revised Code. 17411

Sec. 343.01. (A) In order to comply with division (B) of 17412
section 3734.52 of the Revised Code, the board of county 17413
commissioners of each county shall do one of the following: 17414

(1) Establish, by resolution, and maintain a county solid 17415
waste management district under this chapter that consists of all 17416
the incorporated and unincorporated territory within the county 17417
except as otherwise provided in division (A) of this section; 17418

(2) With the boards of county commissioners of one or more 17419
other counties establish, by agreement, and maintain a joint solid 17420
waste management district under this chapter that consists of all 17421
the incorporated and unincorporated territory within the counties 17422
forming the joint district except as otherwise provided in 17423

division (A) of this section. 17424

If a municipal corporation is located in more than one solid 17425
waste management district, the entire municipal corporation shall 17426
be considered to be included in and shall be under the 17427
jurisdiction of the district in which a majority of the population 17428
of the municipal corporation resides. 17429

A county and joint district established to comply with 17430
division (B) of section 3734.52 of the Revised Code shall have a 17431
population of not less than one hundred twenty thousand unless, in 17432
the instance of a county district, the board of county 17433
commissioners has obtained an exemption from that requirement 17434
under division (C)(1) or (2) of that section. Each joint district 17435
established to comply with an order issued under division (D) of 17436
that section shall have a population of at least one hundred 17437
twenty thousand. 17438

(B) The boards of county commissioners of the counties 17439
establishing a joint district constitute, collectively, the board 17440
of directors of the joint district, except that if a county with a 17441
form of legislative authority other than a board of county 17442
commissioners participates, it shall be represented on the board 17443
of directors by three persons appointed by the legislative 17444
authority. 17445

The agreement to establish and maintain a joint district 17446
shall be ratified by resolution of the board of county 17447
commissioners of each participating county. Upon ratification, the 17448
board of directors shall take control of and manage the joint 17449
district subject to this chapter, except that, in the case of a 17450
joint district formed pursuant to division (C), (D), or (E) of 17451
section 343.012 of the Revised Code, the board of directors shall 17452
take control of and manage the district when the formation of the 17453
district becomes final under the applicable division. A majority 17454
of the board of directors constitutes a quorum, and a majority 17455

vote is required for the board to act. 17456

A county participating in a joint district may contribute 17457
lands or rights or interests therein, money, other personal 17458
property or rights or interests therein, or services to the 17459
district. The agreement shall specify any contributions of 17460
participating counties and the rights of the participating 17461
counties in lands or personal property, or rights or interests 17462
therein, contributed to or otherwise acquired by the joint 17463
district. The agreement may be amended or added to by a majority 17464
vote of the board of directors, but no amendment or addition shall 17465
divest a participating county of any right or interest in lands or 17466
personal property without its consent. 17467

The board of directors may appoint and fix the compensation 17468
of employees of, accept gifts, devises, and bequests for, and take 17469
other actions necessary to control and manage the joint district. 17470
Employees of the district shall be considered county employees for 17471
the purposes of Chapter 124. of the Revised Code and other 17472
provisions of state law applicable to employees. Instead of or in 17473
addition to appointing employees of the district, the board of 17474
directors may agree to use employees of one or more of the 17475
participating counties in the service of the joint district and to 17476
share in their compensation in any manner that may be agreed upon. 17477

The board of directors shall do one of the following: 17478

(1) Designate the county auditor, including any other 17479
official acting in a capacity similar to a county auditor under a 17480
county charter, of a county participating in the joint district as 17481
the fiscal officer of the district, and the county treasurer, or 17482
other official acting in a capacity similar to a county treasurer 17483
under a county charter, of that county as the treasurer of the 17484
district. The designated county officials shall perform any 17485
applicable duties for the district as each typically performs for 17486
the county of which the individual is an official, except as 17487

otherwise may be provided in any bylaws or resolutions adopted by 17488
the board of directors. The board of directors may pay to that 17489
county any amount agreed upon by the board of directors and the 17490
board of county commissioners of that county to reimburse that 17491
county for the cost properly allocable to the service of its 17492
officials as fiscal officer and treasurer of the joint district. 17493

(2) Appoint one individual who is neither a county auditor 17494
nor a county treasurer, and who may be an employee of the 17495
district, to serve as both the treasurer of the district and its 17496
fiscal officer. That individual shall act as custodian of the 17497
funds of the board and the district and shall maintain all 17498
accounts of the district. Any reference in this chapter or Chapter 17499
3734. of the Revised Code to a county auditor or county treasurer 17500
serving as fiscal officer of a district or custodian of any funds 17501
of a board or district is deemed to refer to an individual 17502
appointed under division (B)(2) of this section. 17503

The fiscal officer of a district shall establish a general 17504
fund and any other necessary funds for the district. 17505

(C) A board of county commissioners of a county district or 17506
board of directors of a joint district may acquire, by purchase or 17507
lease, construct, improve, enlarge, replace, maintain, and operate 17508
such solid waste collection systems within their respective 17509
districts and such solid waste facilities within or outside their 17510
respective districts as are necessary for the protection of the 17511
public health. A board of county commissioners may acquire within 17512
its county real property or any estate, interest, or right 17513
therein, by appropriation or any other method, for use by a county 17514
or joint district in connection with such facilities. 17515
Appropriation proceedings shall be conducted in accordance with 17516
sections 163.01 to 163.22 of the Revised Code. 17517

(D) The sanitary engineer or sanitary engineering department 17518
of a county maintaining a district and any sanitary engineer or 17519

sanitary engineering department of a county in a joint district, 17520
as determined by the board of directors, in addition to other 17521
duties assigned to that engineer or department, shall assist the 17522
board of county commissioners or directors in the performance of 17523
their duties under this chapter and sections 3734.52 to 3734.575 17524
of the Revised Code and shall be charged with any other duties and 17525
services in relation thereto that the board prescribes. A board 17526
may employ registered professional engineers to assist the 17527
sanitary engineer in those duties and also may employ financial 17528
advisers and any other professional services it considers 17529
necessary to assist it in the construction, financing, and 17530
maintenance of solid waste collection or other solid waste 17531
facilities. Such contracts of employment shall not require the 17532
certificate provided in section 5705.41 of the Revised Code. 17533
Payment for such services may be made from the general fund or any 17534
other fund legally available for that use at times that are agreed 17535
upon or as determined by the board of county commissioners or 17536
directors, and the funds may be reimbursed from the proceeds of 17537
bonds or notes issued to pay the cost of any improvement to which 17538
the services related. 17539

(E)(1) The prosecuting attorney of the county shall serve as 17540
the legal advisor of a county district and shall provide such 17541
services to the board of county commissioners of the district as 17542
are required or authorized to be provided to other county boards 17543
under Chapter 309. of the Revised Code, except that, if the board 17544
considers it to be necessary or appropriate, the board, on its own 17545
initiative, may employ an attorney or other legal counsel on an 17546
annual basis to serve as the legal advisor of the district in 17547
place of the prosecuting attorney. When the prosecuting attorney 17548
is serving as the district's legal advisor and the board considers 17549
it to be necessary or appropriate, the board, on its own 17550
initiative, may employ an attorney or other legal counsel to 17551
represent or advise the board regarding a particular matter in 17552

place of the prosecuting attorney. The employment of an attorney 17553
or other legal counsel on an annual basis or in a particular 17554
matter is not subject to or governed by sections 305.14 and 309.09 17555
of the Revised Code. 17556

Notwithstanding the employment of an attorney or other legal 17557
counsel on an annual basis to serve as the district's legal 17558
advisor, the board may require written opinions or instructions 17559
from the prosecuting attorney under section 309.09 of the Revised 17560
Code in matters connected with its official duties as though the 17561
prosecuting attorney were serving as the legal advisor of the 17562
district. 17563

(2) The board of directors of a joint district may designate 17564
the prosecuting attorney of one of the counties forming the 17565
district to serve as the legal advisor of the district. When so 17566
designated, the prosecuting attorney shall provide such services 17567
to the joint district as are required or authorized to be provided 17568
to county boards under Chapter 309. of the Revised Code. The board 17569
of directors may pay to that county any amount agreed upon by the 17570
board of directors and the board of county commissioners of that 17571
county to reimburse that county for the cost properly allocable to 17572
the services of its prosecuting attorney as the legal advisor of 17573
the joint district. When that prosecuting attorney is so serving 17574
and the board considers it to be necessary or appropriate, the 17575
board, on its own initiative, may employ an attorney or other 17576
legal counsel to represent or advise the board regarding a 17577
particular matter in place of the prosecuting attorney. 17578

Instead of designating the prosecuting attorney of one of the 17579
counties forming the district to be the legal advisor of the 17580
district, the board of directors may employ on an annual basis an 17581
attorney or other legal counsel to serve as the district's legal 17582
advisor. Notwithstanding the employment of an attorney or other 17583
legal counsel as the district's legal advisor, the board of 17584

directors may require written opinions or instructions from the 17585
prosecuting attorney of any of the counties forming the district 17586
in matters connected with the board's official duties, and the 17587
prosecuting attorney shall provide the written opinion or 17588
instructions as though the prosecuting attorney had been 17589
designated to serve as the district's legal advisor under division 17590
(E)(2) of this section. 17591

(F) A board of county commissioners may issue bonds or bond 17592
anticipation notes of the county to pay the cost of preparing 17593
general and detailed plans and other data required for the 17594
construction of solid waste facilities in connection with a county 17595
or joint district. A board of directors of a joint solid waste 17596
management district may issue bonds or bond anticipation notes of 17597
the joint solid waste management district to pay the cost of 17598
preparing general and detailed plans and other data required for 17599
the construction of solid waste facilities in connection with a 17600
joint district. The bonds and notes shall be issued in accordance 17601
with Chapter 133. of the Revised Code, except that the maximum 17602
maturity of bonds issued for that purpose shall not exceed ten 17603
years. Bond anticipation notes may be paid from the proceeds of 17604
bonds issued either to pay the cost of the solid waste facilities 17605
or to pay the cost of the plans and other data. 17606

(G) To the extent authorized by the solid waste management 17607
plan of the district approved under section 3734.521 or 3734.55 of 17608
the Revised Code or subsequent amended plans of the district 17609
approved under section 3734.521 or 3734.56 of the Revised Code, 17610
the board of county commissioners of a county district or board of 17611
directors of a joint district may adopt, publish, and enforce 17612
rules doing any of the following: 17613

(1) Prohibiting or limiting the receipt of solid wastes 17614
generated outside the district or outside a service area 17615
prescribed in the solid waste management plan or amended plan, at 17616

facilities located within the solid waste management district, 17617
consistent with the projections contained in the plan or amended 17618
plan under divisions (A)(6) and (7) of section 3734.53 of the 17619
Revised Code. However, rules adopted by a board under division 17620
(G)(1) of this section may be adopted and enforced with respect to 17621
solid waste disposal facilities in the solid waste management 17622
district that are not owned by a county or the solid waste 17623
management district only if the board submits an application to 17624
the director of environmental protection that demonstrates that 17625
there is insufficient capacity to dispose of all solid wastes that 17626
are generated within the district at the solid waste disposal 17627
facilities located within the district and the director approves 17628
the application. The demonstration in the application shall be 17629
based on projections contained in the plan or amended plan of the 17630
district. The director shall establish the form of the 17631
application. The approval or disapproval of such an application by 17632
the director is an action that is appealable under section 3745.04 17633
of the Revised Code. 17634

In addition, the director of environmental protection may 17635
issue an order modifying a rule adopted under division (G)(1) of 17636
this section to allow the disposal in the district of solid wastes 17637
from another county or joint solid waste management district if 17638
all of the following apply: 17639

(a) The district in which the wastes were generated does not 17640
have sufficient capacity to dispose of solid wastes generated 17641
within it for six months following the date of the director's 17642
order. 17643

(b) No new solid waste facilities will begin operation during 17644
those six months in the district in which the wastes were 17645
generated and, despite good faith efforts to do so, it is 17646
impossible to site new solid waste facilities within the district 17647
because of its high population density. 17648

(c) The district in which the wastes were generated has made 17649
good faith efforts to negotiate with other districts to 17650
incorporate its disposal needs within those districts' solid waste 17651
management plans, including efforts to develop joint facilities 17652
authorized under section 343.02 of the Revised Code, and the 17653
efforts have been unsuccessful+. 17654

(d) The district in which the wastes were generated has 17655
located a facility willing to accept the district's solid wastes 17656
for disposal within the receiving district+. 17657

(e) The district in which the wastes were generated has 17658
demonstrated to the director that the conditions specified in 17659
divisions (G)(1)(a) to (d) of this section have been met+. 17660

(f) The director finds that the issuance of the order will be 17661
consistent with the state solid waste management plan and that 17662
receipt of the out-of-district wastes will not limit the capacity 17663
of the receiving district to dispose of its in-district wastes to 17664
less than eight years. 17665

~~Any~~ 17666

Any order issued under division (G)(1) of this section shall 17667
not become final until thirty days after it has been served by 17668
certified mail upon the county or joint solid waste management 17669
district that will receive the out-of-district wastes. 17670

(2) Governing the maintenance, protection, and use of solid 17671
waste collection or other solid waste facilities located within 17672
its district. The rules adopted under division (G)(2) of this 17673
section shall not establish design standards for solid waste 17674
facilities and shall be consistent with the solid waste provisions 17675
of Chapter 3734. of the Revised Code and the rules adopted under 17676
those provisions. The rules adopted under division (G)(2) of this 17677
section may prohibit any person, municipal corporation, township, 17678
or other political subdivision from constructing, enlarging, or 17679

modifying any solid waste facility until general plans and 17680
specifications for the proposed improvement have been submitted to 17681
and approved by the board of county commissioners or board of 17682
directors as complying with the solid waste management plan or 17683
amended plan of the district. The construction of such a facility 17684
shall be done under the supervision of the county sanitary 17685
engineer or, in the case of a joint district, a county sanitary 17686
engineer designated by the board of directors, and any person, 17687
municipal corporation, township, or other political subdivision 17688
proposing or constructing such improvements shall pay to the 17689
county or joint district all expenses incurred by the board in 17690
connection therewith. The sanitary engineer may enter upon any 17691
public or private property for the purpose of making surveys or 17692
examinations necessary for designing solid waste facilities or for 17693
supervising the construction, enlargement, modification, or 17694
operation of any such facilities. No person, municipal 17695

and processors of financial transaction devices with which the 18180
board of township trustees contracts, and each such office is 18181
subject to the terms of those contracts. 18182

(E) A board of township trustees may establish a surcharge or 18183

clearly post a notice in that office, and shall notify each person 18191
making a payment by such a device, about the surcharge or fee. 18192
Notice to each person making a payment shall be provided 18193

person is liable to the township for payment of a penalty over and 18211
above the amount of the expense due. The board of township 18212
trustees shall determine the amount of the penalty, which may be 18213

the underlying obligation except to the extent that the township 18222
realizes final payment of the underlying obligation in cash or its 18223
equivalent. If final payment is not made by the financial 18224
transaction device issuer or other guarantor of payment in the 18225
transaction, the underlying obligation shall survive and the 18226
township shall retain all remedies for enforcement that would have 18227
applied if the transaction had not occurred. 18228

(I) A township official or employee who accepts a financial 18229
transaction device payment in accordance with this section and any 18230
applicable state or local policies or rules is immune from 18231
personal liability for the final collection of such payments. 18232

Sec. 505.101. The board of township trustees of any township 18233

(C) Any person who receives a township cemetery lot or right 18421

the owner's last known address to inform the owner that the 18434
owner's interest in the lot or right will cease unless the 18435
notification requirements are met. If the owner's address is 18436
unknown and cannot reasonably be obtained, it is sufficient to 18437
publish the notice once in a newspaper of general circulation in 18438
the county. In order to establish reentry, the board shall pass a 18439
resolution stating that the conditions of the sale or of the deed 18440
have not been fulfilled, and that the board reclaims its interest 18441
in the lot or right. 18442

The board may limit the terms of sale or the deed for a 18443
cemetery lot or right by specifying that the owner, a member of 18444
the owner's family, or an owner's descendant must use the lot, 18445
tomb, or columbarium, or at least ~~one burial place within a~~ 18446
portion of the lot, tomb, or columbarium, within a specified time 18447

date for use of the cemetery lot, tomb, or columbarium, the board 18451
shall send a notice to the owner to inform the owner that the 18452
owner's interest in the lot or right will cease on the termination 18453
date unless the owner contracts for renewal by that date. The 18454
board shall send the notice by certified mail to the owner if the 18455
owner is a resident of the township or is a nonresident whose 18456

address is known. If the owner's address is unknown and cannot 18457
reasonably be obtained, it is sufficient to publish the notice 18458
once in a newspaper of general circulation in the county. 18459

The terms of sale and any deed for lots or rights conveyed 18460
with a termination date shall state that the board shall have 18461
right of reentry to the lot or right at the end of the specified 18462
time period if the lot, tomb, or columbarium, is not used within 18463
this time period or renewed for an extended period. In order to 18464
establish reentry, the board shall pass a resolution stating that 18465
the conditions of the sale or of the deed have not been fulfilled, 18466
and that the board reclaims its interest in the lot or right. The 18467
board shall compensate owners of unused lots or rights who do not 18468
renew the terms of sale or the deed by paying the owner eighty per 18469
cent of the purchase price. The board may repurchase any cemetery 18470
lot or right from its owner at any time at a price that is 18471
mutually agreed upon by the board and the owner. 18472

lot for which the terms of sale or deed was executed prior to July 18474
24, 1986, or an entombment, columbarium, or other interment right 18475
for which the terms of sale or deed was executed prior to the 18476
effective date of this section, if the board determines the lot or 18477
right is unused and adopts a resolution creating a procedure for 18478
right of reentry in accordance with this section. The resolution 18479
shall state that the board of township trustees has the right of 18480
reentry to the cemetery lot or right purchased prior to July 24, 18481
1986, or prior to the effective date of this section. Before 18482
reentering a lot or right, the board shall send a notice by 18483
certified mail to the last known owner at the owner's last known 18484
address to inform the owner that the owner's interest in the lot 18485
or right will cease unless the owner or owner's heir responds by a 18486
specified date. If the owner's address is unknown and cannot be 18487
obtained reasonably, it is sufficient to publish the notice once 18488

in a newspaper of general circulation in the county. To establish reentry, the board shall pass a resolution stating that the owner has not responded by the specified date, and that the board reclaims its interest in the lot or right. 18489
18490
18491
18492

At least ninety days prior to the termination date for use of the cemetery lot, tomb, or columbarium, the board shall send a notice to the owner to inform the owner that the owner's interest in the lot or right will cease on the termination date unless the owner or owner's heir contracts for renewal by that date. The board shall send the notice by certified mail to the owner if the owner is a resident of the township or is a nonresident whose address is known. of this section is not an extension of the time to pay any tax due 19650
unless the tax administrator grants an extension of that date. 19651

(3) If the tax commissioner extends for all taxpayers the 19652
date for filing state income tax returns under division (G) of 19653
section 5747.08 of the Revised Code, a taxpayer shall 19654
automatically receive an extension for the filing of a municipal 19655
income tax return. The extended due date of the municipal income 19656
tax return shall be the same as the extended due date of the state 19657

(M) When income tax returns, reports, or other documents require the signature of a tax return preparer, the tax administrator shall accept a facsimile of such a signature in lieu of a manual signature.

(N)(1) As used in this division, "worksite location" has the same meaning as in section 718.011 of the Revised Code.

the municipal corporation if such a registration is required by 19763
the municipal corporation's resolutions, ordinances, or rules." 19764
The person shall sign the affidavit under penalty of perjury. 19765

(c) If a person submits an affidavit described in division 19766

money from the water and sewer fund created by section 164.13 of 21888
the Revised Code in an amount equal to that portion of the costs 21889

(2) The land forming the area is in an agricultural district 22057
or districts established under Chapter 929. of the Revised Code. 22058

(3) The land forming the area is valued and assessed for real property tax purposes in accordance with its current agricultural use value under sections 5713.30 to 5713.38 of the Revised Code. Land forming the area that is a portion of a farm on which is located a dwelling house, a yard, or outbuildings such as a barn or garage shall be deemed to satisfy the criteria established in divisions (B)(1) and (3) of this section.

(4) Each application submitted by the owner or owners of the land forming the area is approved under section 931.03 of the Revised Code by the boards of township trustees of all of the townships in which the land is located.

(5) Each application submitted by the owner or owners of the land forming the area is approved under section 931.03 of the Revised Code by the boards of county commissioners of all of the counties in which the land is located.

(C) Additional contiguous farmland may be enrolled in an existing agricultural security area during a partially elapsed ten-year enrollment period either by a landowner who already has land enrolled in the agricultural security area or by a landowner who does not already have land enrolled in the agricultural security area. To enroll additional contiguous land in an existing agricultural security area under this division, a landowner shall obtain permission from each owner of land that already is enrolled in the agricultural security area, submit an application in accordance with this section, and obtain approval of the application from all appropriate boards of township trustees and boards of county commissioners in accordance with section 931.03 of the Revised Code. Enrollment of the additional land in the existing agricultural security area shall continue until the expiration of the current, partially elapsed ten-year enrollment period and may be renewed in accordance with section 931.06 of the Revised Code.

(D) If an owner of land that is enrolled in an agricultural security area transfers the land to another person during a partially elapsed ten-year enrollment period, the land may remain in the agricultural security area until the expiration of that period, provided that both of the following apply:

(1) The transferee certifies and submits a statement, together with the transferee's first, middle, and last name and a description of the transferred land, to the appropriate boards of township trustees and boards of county commissioners specifying that, in accordance with division (A)(3) of this section, the transferee will not initiate, approve, or finance any new development for nonagricultural purposes on the transferred land during the remainder of the partially elapsed ten-year enrollment period. Upon receipt of the statement, the boards of township trustees and boards of county commissioners shall adopt a resolution acknowledging the receipt.

(2) The transferred land continues to satisfy the criteria established in divisions (B)(2) and (3) of this section during the remainder of the partially elapsed ten-year enrollment period.

Divisions (A), (B), and (C) of section 931.03 of the Revised Code do not apply to the continued inclusion of such transferred land in an agricultural security area. Upon the expiration of the partially elapsed ten-year enrollment period, enrollment in the agricultural security area may be renewed in accordance with section 931.06 of the Revised Code.

section applies to windblown soil. 22317

~~(11) Insofar as the rules relate to urban sediment pollution,~~ 22318

life shall subject the landowner to full repayment to the ~~division~~ 22333
department. 22334

~~(G) Issue orders requiring compliance with any rule adopted~~ 22335
~~under division (E)(1) of this section or with section 1511.022 of~~ 22336

failure to comply with the standards established under division 22341

division (A) of section 1511.022 of the Revised Code prepare a 22345

the ~~division~~ department under this chapter, and as agreed to under 22356
working agreements or contractual arrangements with soil and water 22357

provided by law for the compensation of state employees. All 22360

All such employees of the ~~division~~ department, unless 22361
specifically exempted by law, shall be employed subject to the 22362
classified civil service laws in force at the time of employment. 22363

available information pertaining to the origin, distribution,	22390
extent, use, and conservation of the soil resources of the state;	22391

~~In case~~ If the fair market value of the property to be sold 23484
pursuant to this division is, in the opinion of the supervisors, 23485
in excess of two thousand dollars, notice of the time, place, and 23486
manner of the sale shall also be published in a newspaper of 23487

manner prescribed by this section. 23500

(B) Where the supervisors find, by resolution, that the 23501
district has vehicles, equipment, or machinery ~~which~~ that is not 23502
needed, or is unfit for public use, and the supervisors desire to 23503
sell such vehicles, equipment, or machinery to the person or firm 23504
from which they propose to purchase other vehicles, equipment, or 23505
machinery, the supervisors may offer to sell the vehicles, 23506
equipment, or machinery to such person or firm, and to have such 23507
selling price credited to the person or firm against the purchase 23508

price of other vehicles, equipment, or machinery. 23509

(C) Where the supervisors advertise for bids for the sale of 23510
new vehicles, equipment, or machinery to the district, they may 23511
include in the same advertisement a notice of their willingness to 23512
accept bids for the purchase of district-owned vehicles, 23513
equipment, or machinery ~~which~~ that is obsolete or not needed for 23514
public use, and to have the amount of such bids subtracted from 23515
the selling price of the other vehicles, equipment, or machinery 23516
as a means of determining the lowest responsible bidder. 23517

Sec. ~~1515.093~~ 940.11. The supervisors of a soil and water 23518
conservation district may hold one or more credit cards on behalf 23519
of the district and may authorize any supervisor or employee of 23520
the district to use such a credit card to pay for expenses related 23521
to the purposes of the district. The supervisors shall pay the 23522
debt incurred as a result of the use of such a credit card from 23523
money accepted by the supervisors as authorized under division (E) 23524

the Revised Code. In addition, a supervisor or employee of a 23530
district who makes unauthorized use of such a credit card may be 23531
held personally liable to the district for the unauthorized use. 23532

carrying out the program of the district upon the written order of 23551
the fiscal agent for the district after authorization by a 23552
majority of the supervisors of the district. 23553

Sec. ~~1515.11~~ 940.13. The prosecuting attorney of a county in 23554
which there is a soil and water conservation district shall be the 23555
legal adviser of the district. The prosecuting attorney shall be 23556
the legal counsel of such district in all civil actions brought by 23557
or against it and shall conduct all such actions in ~~his~~ the 23558

Revised Code, or received from an appropriation by a municipal 23577

provided that the Ohio soil and water conservation commission may 23579
approve payment to a district in an amount in excess of eight 23580
thousand dollars in any calendar year upon receipt of a request 23581
and justification from the district. The county auditor shall 23582
credit such payments to the special fund established pursuant to 23583
section ~~1515.10~~ 940.12 of the Revised Code for the ~~local~~ soil and 23584

county commissioners' compensation to the district pursuant to a 23591
contract entered into under section 6117.021 of the Revised Code 23592
in calendar years 2015, 2016, and 2017 shall not exceed the amount 23593
of money paid to the district under that division during calendar 23594

controlling board shall then determine the amount to be advanced 23622
to the county and shall certify its action to the director of 23623

of the Ohio soil and water conservation commission, form a joint 23649

and operation of a work of improvement located or to be located in 23651
such districts. Each district shall have the same number of 23652
supervisors on the joint board, except that where the members on 23653
the joint board would otherwise be an even number, an additional 23654
supervisor shall be designated from the district in which it 23655
appears that the highest amount of taxes or assessment for 23656
benefits for the improvement is to be made. 23657

A joint board may exercise the powers given the supervisors 23658
of a soil and water conservation district under ~~Chapter 1515.~~ of 23659
~~the Revised Code~~ this chapter in connection with the work of 23660
improvement for which it was formed. 23661

Sec. ~~1515.18~~ 940.19. An owner of land that is located in a 23662

soil and water conservation district may file a petition with the 23663
supervisors of the district requesting the construction of a 23664
conservation ~~works~~ work of improvement. Upon the receipt of such a 23665
petition, the supervisors shall make a preliminary determination 23666
to accept or reject the petition. 23667

A petition may be rejected if the supervisors determine that 23668
the information that it contains about the proposed improvement is 23669
insufficient to enable the supervisors to proceed with the 23670
petition under this chapter or if the petition appears to be 23671
frivolous. The supervisors also may reject a petition on the 23672
grounds that the district lacks sufficient staff or other 23673
resources to proceed with the improvement in accordance with this 23674
chapter. If the supervisors reject a petition, they shall notify 23675
the petitioner of the reasons for the rejection. A petition that 23676
was rejected due to insufficient information may be supplemented 23677
with additional information and filed again. 23678

If the supervisors accept a petition for a proposed 23679
improvement, they shall establish a date and time for a view of 23680
the proposed improvement, which date shall be not fewer than 23681
twenty-five nor more than ninety days after the date on which the 23682
petition was filed. The supervisors shall designate a convenient 23683
place near the proposed improvement at which the view shall start. 23684

Upon receipt of a petition, the supervisors also shall 23685
establish a date and time on and at which and designate a location 23686
at which they will hold a hearing on the proposed improvement. The 23687
hearing shall occur not later than ninety days after the date 23688
established for the view. 23689

Sec. ~~1515.181~~ 940.20. As soon as the supervisors of a soil 23690
and water conservation district have established the dates, times, 23691
and locations of the view and the hearing concerning a proposed 23692

improvement, they shall send, at least twenty days prior to the 23693
date established for the view, a written notice of the view and 23694
the hearing to the landowners within the area to be benefited by 23695
the proposed improvement and to the board of county commissioners 23696
and the county engineer. The supervisors shall notify all 23697
landowners that are adjacent to the proposed improvement by 23698
certified mail and shall notify all others by certified mail or 23699
first class mailings. Any such written notice shall have the words 23700
"Legal Notice" printed in plain view on the face of the envelope. 23701
In addition, the supervisors shall invite to the view and the 23702
hearing the staff of the soil and water conservation district and 23703
the staff of the natural resources conservation service in the 23704
United States department of agriculture that is involved with the 23705
district together with any other people that the supervisors 23706
consider to be necessary to the proceedings. 23707

Sec. ~~1515.182~~ 940.21. On the date established for the view of 23708
a proposed improvement, the supervisors of a soil and water 23709
conservation district shall meet at the designated location near 23710
the proposed improvement at the established time. At that time, 23711
they shall hear proof of the need for the proposed improvement 23712
offered by any landowner that is affected by it. 23713

The supervisors shall view the area in which the proposed 23714
improvement is to be constructed. If the proposed improvement is a 23715
ditch, the view shall include the line of the proposed ditch and 23716
each branch, lateral, or spur of the ditch that is mentioned in 23717
the petition. If the area to be viewed is extensive, the 23718
supervisors may conduct the view on more than one day and may 23719
adjourn from day to day, or a longer period, until the view is 23720
completed. 23721

Sec. ~~1515.183~~ 940.22. Upon acceptance of a petition 23722

requesting the construction of an improvement, the supervisors of 23723
a soil and water conservation district shall begin to prepare, as 23724
a guide to the board of county commissioners and the petitioners, 23725
a preliminary report regarding the proposed improvement. The 23726
supervisors shall present the completed preliminary report at the 23727
hearing that is held on the proposed improvement. 23728

The preliminary report shall include a preliminary estimate 23729
of cost, comments on the feasibility of the project, and a 23730
statement of the supervisors' opinion as to whether the benefits 23731
from the project are likely to exceed the estimated cost. The 23732
preliminary report shall identify all factors that are apparent to 23733
the supervisors, both favorable and unfavorable to the proposed 23734
improvement, so that the petitioners may be informed concerning 23735
what is involved with the construction of the improvement. 23736

In addition to reporting on the improvement as petitioned, 23737
the supervisors may submit alternate proposals to accomplish the 23738
intent of the petition. The preliminary report and all alternate 23739
proposals shall be reviewed and receive concurrence from an 23740
engineer who is employed by the ~~division of soil and water~~ 23741
~~resources~~ department of agriculture or by the natural resources 23742
conservation service in the United States department of 23743
agriculture and who is responsible for providing technical 23744
assistance to the district or from any other registered 23745
professional engineer whom the supervisors choose. 23746

Sec. ~~1515.184~~ 940.23. On the date and at the time established 23747
for the hearing on a petition for a proposed improvement, the 23748
supervisors of a soil and water conservation district shall 23749
conduct the hearing. Prior to the hearing, landowners affected by 23750
the proposed improvement may file objections to it with the 23751
supervisors, and at the hearing the supervisors shall hear any 23752
objections so filed. In addition, the supervisors shall present 23753

their preliminary report on the proposed improvement and shall 23754
hear any evidence offered by any landowner for or against 23755
construction of the proposed improvement. If necessary, the 23756
hearing may occur on more than one day and may be adjourned from 23757
day to day or for a longer time that may be reasonable so that all 23758
interested landowners may have an opportunity to be heard in favor 23759
of or in opposition to the proposed improvement. 23760

23761

Sec. ~~1515.185~~ 940.24. If modifications or alternatives to a 23762
proposed improvement are proposed or discussed at the hearing on 23763
the improvement, the supervisors of the soil and water 23764
conservation district may adjourn the hearing for a period of time 23765
that is necessary to conduct a subsequent view of the proposed 23766
improvement in light of the proposed changes. If it appears that a 23767
subsequent view is necessary, the supervisors shall establish a 23768
date, time, and location for it and shall notify, in the same 23769
manner, the same persons that were required to be notified of the 23770
first view. 23771

Sec. ~~1515.19~~ 940.25. At the conclusion of the hearing on a 23772
proposed improvement, the supervisors of a soil and water 23773
conservation district may approve the petition for the improvement 23774
if they are reasonably certain that the cost of the proposed 23775
improvement will be less than the benefits from it and if they 23776
find that the improvement is necessary, that it will be conducive 23777
to the public welfare, that it will improve water management and 23778
development in the county in which the district is located to the 23779
advantage of lands located in it, and that it will aid lands in 23780
the area by promoting the economical, industrial, environmental, 23781
or social development of the area. 23782

Upon approval of the petition, the supervisors shall 23783

establish a date by which the supervisors must complete, in 23784
accordance with sections ~~1515.191~~ 940.26 to ~~1515.193~~ 940.28 of the 23785
Revised Code, plans and specifications for the improvement 23786
together with estimates of damages from and costs for it. The date 23787
established shall allow as much time as is necessary for the 23788
preparation of the plans, specifications, and estimates. The 23789
supervisors may extend the completion date if necessary. Upon 23790
completion of the plans, specifications, and estimates, the 23791
supervisors shall do both of the following: 23792

(A) Determine the area that would be benefited by the 23793
proposed improvement and certify the determination together with 23794
the supervisors' approval of the improvement to the board of 23795
county commissioners of each county containing land included in 23796
the benefited area; 23797

(B) Submit the plans, specifications, and estimates together 23798
with the preliminary report to each such board. 23799

Sec. ~~1515.191~~ 940.26. Upon approval by the supervisors of a 23800
soil and water conservation district of a petition for a proposed 23801
improvement, the supervisors or their designee shall conduct all 23802
necessary surveys for the proposed improvement. In addition, the 23803
supervisors or their designee shall prepare plans for constructing 23804
the improvement and shall prepare maps showing the location of the 23805
land that is proposed to be assessed in accordance with section 23806
~~1515.24~~ 940.33 of the Revised Code for the improvement. 23807

The supervisors or their designee shall prepare 23808
specifications for construction of the improvement and shall 23809
specify dimensions of any temporary easement that is necessary for 23810
construction purposes. In addition, the supervisors or their 23811
designee shall make estimates of the cost of material and any 23812
excavation costs. The construction of the improvement may be 23813
divided into construction areas if that would be expedient. 23814

In the case of an improvement that is a ditch or similar structure for the disposal of water, the specifications for its construction that the supervisors or their designee must prepare shall provide for spreading and leveling of spoil banks and shall provide for erosion and sediment control through the establishment of a sod or seeded strip not fewer than four feet nor more than fifteen feet wide, measured at right angles to the top of the ditch bank on both sides of the ditch, except where suitable vegetative cover exists. The strip or other such controls shall be considered to be part of the permanent improvement. Sod or seeded strips that are established and maintained in excess of four feet shall be compensated for by their removal from the taxable valuation of the property of which they are a part.

The supervisors or their designee shall make note of all fences, floodgates, culverts, bridges, and other structures that will be removed or adjusted in constructing the improvement. The supervisors or their designee also shall make note of any gates that need to be installed in existing fences in order to provide access to the improvement for maintenance purposes. The gates shall be locked when requested by the owner of the fence and shall be considered to be a part of the original improvement and subject to maintenance along with the improvement.

The supervisors shall submit the plans, specifications, and other information prepared in accordance with this section to the board of county commissioners of each county in which the proposed improvement is to be located.

Sec. ~~1515.192~~ 940.27. The supervisors of a soil and water conservation district or their designee shall estimate the value of land or other property that must be taken and the damages to be sustained by any owner as a result of the construction and subsequent maintenance of a proposed improvement. The supervisors

or their designee shall prepare a schedule of damages consisting 23846
of the name and address of each owner that is alleged to be 23847
damaged, the amount of the estimated damages, and an explanation 23848
of the injury upon which the estimate is based. The supervisors' 23849
or their designee's schedule of damages also shall contain the 23850
value of the land or other property that is necessary to be taken 23851
and a complete description of that land or other property. The 23852
supervisors shall include the total of the estimated damages and 23853
valuations as part of the estimate of the total cost of 23854
constructing the improvement and shall submit the schedule of 23855
damages to the board of county commissioners of each county in 23856
which the improvement is to be located. 23857

Sec. ~~1515.193~~ 940.28. The supervisors of a soil and water 23858
conservation district or their designee shall make an estimate of 23859
the cost of the construction of a proposed improvement, which 23860
shall include actual construction costs, any other expenses 23861
incurred in investigations and notifications related to the 23862
project, the value of land or other property that must be taken 23863
and the damages to be sustained by any owner as a result of the 23864
construction and subsequent maintenance of the proposed 23865
improvement, the cost of installing any gates in fences or any 23866
other structures that are necessary to provide access to the 23867
improvement for maintenance purposes, and any other incidental 23868
costs. Upon completion of the estimate of cost, the supervisors 23869
shall submit it to the board of county commissioners of each 23870
county in which the improvement is to be located. 23871

Sec. ~~1515.21~~ 940.29. Upon receipt of a certification under 23872
section ~~1515.19~~ 940.25 of the Revised Code, the board of county 23873
commissioners shall, within sixty days, approve or disapprove 23874
construction of the improvement. If a board disapproves 23875

construction of the improvement, the supervisors may revise the 23876
plan for the improvement and again proceed under section ~~1515.19~~ 23877
940.25 of the Revised Code. If the board of county commissioners 23878
of each county containing any of the territory included in the 23879
project area approves construction of the improvement, the board, 23880
or if there is more than one such county, the joint board formed 23881
under section ~~1515.22~~ 940.31 of the Revised Code, has in addition 23882
to its other powers, the powers of a soil and water conservation 23883
district granted by division (C) of section ~~1515.08~~ 940.06 of the 23884
Revised Code. 23885

When considering whether to approve or disapprove 23886
construction of an improvement, the board shall consider all of 23887
the following factors: 23888

(A) The cost of location and construction; 23889

(B) The compensation for land or other property that must be 23890
taken; 23891

(C) The benefits to the public welfare; 23892

(D) The benefits to land, public corporations, and the state 23893
needing the improvement; 23894

(E) In the case of an improvement involving the drainage of 23895
water, the effect on land below the improvement that may be caused 23896
by constructing the improvement and the sufficiency or 23897
insufficiency of the outlet that receives flow from the 23898
improvement; 23899

(F) Any other proper matter that will assist the board in 23900
approving or disapproving construction of the improvement. 23901

When, in the opinion of the board of county commissioners, it 23902
is necessary for the board to acquire real property or a 23903
right-of-way or other easement for a conservation works of 23904
improvement under this chapter, the board may appropriate the real 23905

property or right-of-way or other easement in accordance with 23906
sections 163.01 to 163.62 of the Revised Code. 23907

If the board approves construction of the improvement, the 23908
county engineer shall file with the county recorder a property 23909
plat showing the general location of the improvement and a 23910
statement describing the dimensions of any permanent easement that 23911
is necessary for maintenance of the improvement. In the case of an 23912
improvement that is an open ditch, provisions that govern the 23913
permanent easement for maintenance of the ditch that are 23914
established in section 6137.12 of the Revised Code shall apply. 23915

A board shall follow sections 307.86 to 307.91 of the Revised 23916
Code, except that the board may designate the board of supervisors 23917
as the contracting agency and it shall follow division (H) of 23918
section ~~1515.08~~ 940.06 of the Revised Code, or except that if the 23919
improvement is being undertaken through the joint efforts and 23920
cooperation of the board of county commissioners or board of 23921
supervisors and another state or federal agency, and if the state 23922
or federal regulations or procedures are in conflict with those 23923
sections with respect to the procedures for the preparing of 23924
contracts, the issuing of bids, the making of awards, and 23925
generally the administering of the contracts, the board of county 23926
commissioners or board of supervisors may adopt the state or 23927
federal regulations or procedures in those areas where conflict 23928
exists and proceed with the improvement in accordance with the 23929
requirements of the state or federal regulations or procedures. 23930

Sec. ~~1515.211~~ 940.30. (A) A board of county commissioners 23931
that approves construction of a proposed improvement or the 23932
board's designee shall prepare a schedule of estimated assessments 23933
on property within the area that is to be benefited by the 23934
improvement. In preparing the schedule, the board or its designee 23935
shall use information concerning the proposed improvement that 23936

must be submitted to the board by the supervisors of a soil and 23937
water conservation district. The information includes plans for 23938
the proposed improvement, including surveys, maps, and 23939
specifications, together with schedules of damages, cost 23940
estimates, and any related reports that the supervisors or their 23941
designee prepared. 23942

The schedule of estimated assessments that must be prepared 23943
shall include the name and address of each owner of land believed 23944
to be benefited by the proposed improvement together with a 23945
description of the land. The names and descriptions shall be 23946
obtained from the tax duplicates of the county. The board or its 23947
designee shall enter in the schedule the amount of each estimated 23948
assessment, which shall be determined using considerations 23949
established in section ~~1515.24~~ 940.33 of the Revised Code. In no 23950
case shall an assessment be less than twenty-five dollars for each 23951
parcel of land, except in the case of a multi-parcel lot, in which 23952
case the board may charge a minimum of twenty-five dollars with 23953
respect to all of the parcels comprising the multi-parcel lot. In 23954
addition, the board may charge an assessment of less than 23955
twenty-five dollars if the board determines that a lower amount is 23956
appropriate, provided that the lower amount includes the cost of 23957
preparing and mailing the notice required under division (D)(1) of 23958
section ~~1515.24~~ 940.33 of the Revised Code. The total of the 23959
estimated assessments, including the total estimated assessments 23960
allocated to public corporations and the state, shall equal the 23961
estimated cost of the proposed improvement. The board shall use 23962
the schedule of estimated assessments for purposes of levying 23963
final assessments under section ~~1515.24~~ 940.33 of the Revised 23964
Code. 23965

(B) As used in this section, "multi-parcel lot" means a site 23966

contiguous parcels of land. 23968

Sec. ~~1515.22~~ 940.31. The boards of county commissioners of 23969
all the counties containing any of the territory included in the 23970
project area, if all such counties have approved construction of 23971
an improvement under section ~~1515.21~~ 940.29 of the Revised Code, 23972
are a joint board of county commissioners for the improvement. 23973

A joint board of county commissioners may do all the things 23974
that a board of county commissioners may do in connection with the 23975
improvement and shall proceed as if it were a board of county 23976
commissioners representing a county that included all the 23977
territory within the project area. 23978

The joint board may agree to apportion any cost of the 23979
improvement, or expenses incurred in connection therewith, not 23980
paid by assessments or taxes levied for the improvement, or funds 23981
other than county funds, among the participating counties. 23982

The joint board shall elect one of its members president and 23983
designate a clerk of one of the boards of county commissioners of 23984
the participating counties as clerk of the joint board. A majority 23985
of the county commissioners constituting the joint board 23986
constitutes a quorum. All decisions of the joint board shall be 23987
made by a majority vote of the county commissioners constituting 23988
the joint board. 23989

soil and water conservation project under section 305.31 of the 23991
Revised Code, a resolution adopted by a joint board of county 23992
commissioners shall be considered to be a resolution adopted by 23993
the board of county commissioners of each county in the project 23994
area. The electors of any county in the project area may file a 23995
petition for referendum under that section against a resolution 23996
adopted by the joint board of county commissioners as if it had 23997
been adopted by the board of county commissioners for that county. 23998
The referendum shall be conducted only in the county in which the 23999

referendum petition was filed. The electors of any county in the 24000
project area in which no referendum petition was filed shall not 24001
be eligible to vote in the referendum, and the outcome of a 24002
referendum shall have effect only in the county in which the 24003
referendum was held. Any county in the project area in which a 24004
referendum is not held remains subject to the provisions of the 24005
resolution adopted by the joint board of county commissioners for 24006
the soil and water conservation district. 24007

Sec. ~~1515.23~~ 940.32. The county auditor and county treasurer 24008

commissioners under section ~~1515.22~~ 940.31 of the Revised Code, to 24010
be designated by the joint board, shall ex officio become the 24011
fiscal agents of all the participating counties. Such auditor 24012

is received by the auditor of such other county. The treasurer of 24019
each county shall proceed to collect the same pursuant to the 24020
orders made in the proceedings of the joint board, and such taxes 24021
or assessments when collected shall be paid to the treasurer for 24022
the joint board. The auditor and treasurer shall receive and 24023
account for such funds in the same manner as they would for taxes 24024
or assessments collected within their county. The treasurer and 24025
auditor with their ~~bondsmen~~ bondspersons are liable on their 24026
official bonds for any misappropriation of such funds. All 24027
warrants for the payment of costs in connection with the 24028
improvement shall be drawn by the auditor designated under this 24029
section, on the treasurer of ~~said~~ the county, payable out of the 24030
fund designated by the joint board to receive moneys for the 24031

improvement. 24032

Sec. ~~1515.24~~ 940.33. (A) Following receipt of a certification 24033
made by the supervisors of a soil and water conservation district 24034
pursuant to section ~~1515.19~~ 940.25 of the Revised Code together 24035
with receipt of all plans, specifications, and estimates submitted 24036
under that section and upon completion of a schedule of estimated 24037
assessments in accordance with section ~~1515.211~~ 940.30 of the 24038
Revised Code, the board of county commissioners may adopt a 24039
resolution levying upon the property within the project area an 24040
assessment at a uniform or varied rate based upon the benefit to 24041
the area certified by the supervisors, as necessary to pay the 24042
cost of construction of the improvement not otherwise funded and 24043
to repay advances made for purposes of the improvement from the 24044
fund created by section ~~1515.15~~ 940.16 of the Revised Code. The 24045
board of county commissioners shall direct the person or authority 24046
preparing assessments to give primary consideration, in 24047
determining a parcel's estimated assessments relating to the 24048
disposal of water, to the potential increase in productivity that 24049
the parcel may experience as a result of the improvement and also 24050
to give consideration to the amount of water disposed of, the 24051
location of the property relative to the project, the value of the 24052
project to the watershed, and benefits. The part of the assessment 24053
that is found to benefit state, county, or township roads or 24054
highways or municipal streets shall be assessed against the state, 24055
county, township, or municipal corporation, respectively, payable 24056

of the assessment shall conform in all matters to Chapter 323. of
the Revised Code.

24065

24066

24067

24068

(C) Any land owned and managed by the department of natural
resources for wildlife, recreation, nature preserve, or forestry
purposes is exempt from assessments if the director of natural
resources determines that the land derives no benefit from the
improvement. In making such a determination, the director shall
consider the purposes for which the land is owned and managed and
any relevant articles of dedication or existing management plans
for the land. If the director determines that the land derives no
benefit from the improvement, the director shall notify the board
of county commissioners, within thirty days after receiving the

property that is necessary for purposes of the improvement, and a 24095
statement that the addressee may file an objection in writing at 24096
the office of the board of county commissioners within thirty days 24097
after the mailing of notice. If the residence of any owner cannot 24098
be ascertained, or if any mailed notice is returned undelivered, 24099
the board shall publish the notice to all such owners in a 24100
newspaper of general circulation within the project area, once 24101
each week for three weeks or as provided in section 7.16 of the 24102
Revised Code. The notice shall include the information contained 24103

objection in writing at the office of the board of county 24105
commissioners within thirty days after the last publication of the 24106
notice. 24107

(2) Upon receipt of objections as provided in this section, 24108
the board shall proceed within thirty days to hold a final hearing 24109
on the objections by fixing a date and giving notice by first 24110
class mail to the objectors at the address provided in filing the 24111

shall give due notice to the objectors in a newspaper of general 24113
circulation in the project area or as provided in section 7.16 of 24114
the Revised Code, stating the time, place, and purpose of the 24115
hearing. Upon hearing the objectors, the board may adopt a 24116
resolution amending and approving the final schedule of 24117
assessments and shall enter it in the journal. 24118

(3) Any owner whose objection is not allowed may appeal 24119
within thirty days to the court of common pleas of the county in 24120
which the property is located. 24121

(4) The board of county commissioners shall make an order 24122
approving the levying of the assessment and shall proceed under 24123
section 6131.23 of the Revised Code after one of the following has 24124
occurred, as applicable: 24125

(a) Final notice is provided by mail or publication. 24126

(b) The imposition of assessments is upheld in the final disposition of an appeal that is filed pursuant to division (D)(3) of this section.

(c) The resolution levying the assessments is approved in a referendum that is held pursuant to section 305.31 of the Revised Code.

(5) The county treasurer shall deposit the proceeds of the assessment in the fund designated by the board and shall report to the county auditor the amount of money from the assessment that is collected by the treasurer. Moneys shall be expended from the fund for purposes of the improvement.

(E) Any moneys collected in excess of the amount needed for construction of the improvement and the subsequent first year's maintenance may be maintained in a fund to be used for maintenance of the improvement. In any year subsequent to a year in which an assessment for construction of an improvement levied under this section has been collected, and upon determination by the board of county commissioners that funds are not otherwise available for maintenance or repair of the improvement, the board shall levy on the property within the project area an assessment for maintenance at a uniform percentage of all construction costs based upon the assessment schedule used in determining the construction assessment. The assessment is not subject to the provisions concerning notice and petition contained in this section. An assessment for maintenance shall not be levied in any year in which the unencumbered balance of funds available for maintenance of the improvement exceeds twenty per cent of the cost of construction of the improvement, except that the board may adjust the level of assessment within the twenty per cent limitation, or suspend temporarily the levying of an assessment, for maintenance purposes as maintenance funds are needed.

For the purpose of levying an assessment for maintenance of

an improvement, a board may use the procedures established in 24159
Chapter 6137. of the Revised Code regarding maintenance of 24160
improvements as defined in section 6131.01 of the Revised Code in 24161
lieu of using the procedures established under this section. 24162

(F) The board of county commissioners may issue bonds and 24163
notes as authorized by section 131.23 or 133.17 of the Revised 24164
Code. 24165

Sec. ~~1515.28~~ 940.34. A board of county commissioners may 24166
declare by resolution that it is necessary to levy a tax upon the 24167
property within the project area in order to pay the costs of the 24168
improvement not otherwise funded. 24169

Such resolution shall specify the rate ~~which~~ that it is 24170
necessary to levy, the purpose thereof, and the number of years 24171
during which such increase shall be in effect, which levy may 24172
include a levy upon the duplicate of the current year. 24173

A copy of the resolution shall be certified to the board of 24174
elections for the county not less than ninety days before the 24175
general election in any year and ~~said~~ the board shall submit the 24176
proposal to the electors within the project area at the succeeding 24177
November election in accordance with section 5705.25 of the 24178
Revised Code. For purposes of that section, the subdivision is the 24179
project area. 24180

If the per cent required for approval of a levy as set forth 24181
in section 5705.26 of the Revised Code vote in favor thereof, the 24182
board of county commissioners may levy a tax within the project 24183
area, outside the ten-mill limitation, during the period and for 24184
the purpose stated in the resolution, or at any less rate or for 24185
any less number of years. 24186

The board may issue bonds and notes in anticipation of the 24187
collection of taxes levied under this section, and notes in 24188

anticipation of the issuance of bonds. 24189

Sec. ~~1515.29~~ 940.35. The board of county commissioners, or, 24190
if a joint board of county commissioners has been created under 24191
section ~~1515.22~~ 940.31 of the Revised Code, the joint board, shall 24192
maintain the works of improvement constructed by the board for a 24193
soil and water conservation district. For that purpose, the board 24194
or joint board may use procedures and requirements established in 24195
sections 6137.08 to 6137.14 of the Revised Code and may contract 24196
with or authorize the supervisors or joint board of supervisors of 24197
a soil and water conservation district to perform maintenance of 24198
such works of improvement. 24199

Sec. 941.14. (A) The owner shall burn the body of an animal 24200
that has died of, or been destroyed because of, a dangerously 24201
infectious or contagious disease, bury it not less than four feet 24202
under the surface of the ground, dissolve it by alkaline 24203
hydrolysis, remove it in a watertight tank to a rendering 24204
establishment, or otherwise dispose of it in accordance with 24205
section 939.04 or 953.26 ~~or 1511.022~~ of the Revised Code within 24206
twenty-four hours after knowledge thereof or after notice in 24207
writing from the department of agriculture. 24208

(B) The owner of premises that contain a dead animal shall 24209
burn the body of the animal, bury it not less than four feet 24210
beneath the surface of the ground, dissolve it by alkaline 24211
hydrolysis, remove it in a watertight tank to a rendering 24212
establishment, or otherwise dispose of it in accordance with 24213
section 939.04 or 953.26 ~~or 1511.022~~ of the Revised Code within a 24214
reasonable time after knowledge thereof or after notice in writing 24215
from the department or from the township trustees of the township 24216
in which the owner's premises are located. 24217

(C) Notwithstanding division (A) or (B) of this section, the 24218

director of agriculture, in written notice sent to the owner of a 24219
dead animal, may require the owner to employ a specific method of 24220
disposition of the body, including burning, burying, rendering, 24221
composting, or alkaline hydrolysis, when that method does not 24222
conflict with any law or rule governing the disposal of infectious 24223
wastes and, in the director's judgment, is necessary for purposes 24224
of animal disease control. No person shall fail to employ the 24225
method of disposition required under this division. 24226

(D) The director, in written notice sent to the owner of a 24227
dead animal, may prohibit the owner from transporting the body of 24228
the dead animal on any street or highway if that prohibition does 24229
not conflict with any law or rule governing the transportation of 24230
infectious wastes and, in the director's judgment, is necessary 24231
for purposes of animal disease control. No person shall fail to 24232
comply with a prohibition issued under this division. 24233

(E) As used in this section, "infectious wastes" has the same 24234
meaning as in section 3734.01 of the Revised Code, and "street" or 24235
"highway" has the same meaning as in section 4511.01 of the 24236
Revised Code. 24237

Sec. 953.22. (A) No person shall engage in the business of 24238
disposing of, picking up, rendering, or collecting raw rendering 24239
material or transporting the material to a composting facility 24240
without a license to do so from the department of agriculture. 24241

(B) This chapter does not apply to any of the following: 24242

(1) A farmer who slaughters the farmer's own animals, raised 24243
by the farmer on the farmer's own farm, processes the farmer's own 24244
meat therefrom, and disposes of the farmer's raw rendering 24245
material only by delivery to a person licensed under section 24246
953.23 of the Revised Code; 24247

(2) A person whose only connection with raw rendering 24248

material is curing hides and skins;	24249
(3) A person whose only connection with raw rendering material is operating a pet cemetery;	24250 24251
(4) A person who is conducting composting, as defined in section 1511.01 <u>939.01</u> of the Revised Code, in accordance with section 1511.022 <u>939.04</u> of the Revised Code;	24252 24253 24254
(5) A person whose only connection with raw rendering material is trapping wild animals in accordance with a nuisance wild animal permit issued by the chief of the division of wildlife in the department of natural resources under rules adopted pursuant to section 1531.08 of the Revised Code;	24255 24256 24257 24258 24259
(6) A county dog warden or animal control officer who transports raw rendering material only for disposal purposes.	24260 24261
Sec. 955.12. Except as provided in section 955.121 of Revised Code, a board of county commissioners shall appoint or employ a county dog warden and deputies in such number, for such periods of time, and at such compensation as the board considers necessary to enforce sections 955.01 to 955.27, 955.29 to 955.38 , and 955.50 to 955.53 of the Revised Code.	24262 24263 24264 24265 24266 24267
The warden and deputies shall give bond in a sum not less than five hundred dollars and not more than two thousand dollars, as set by the board, conditioned for the faithful performance of their duties. The bond or bonds may, in the discretion of the board, be individual or blanket bonds. The bonds shall be filed with the county auditor of their respective counties.	24268 24269 24270 24271 24272 24273
The warden and deputies shall make a record of all dogs owned, kept, and harbored in their respective counties. They shall patrol their respective counties and seize and impound on sight all dogs found running at large and all dogs more than three months of age found not wearing a valid registration tag, except	24274 24275 24276 24277 24278

any dog that wears a valid registration tag and is: on the 24279
premises of its owner, keeper, or harborer, under the reasonable 24280
control of its owner or some other person, hunting with its owner 24281
or its handler at a field trial, kept constantly confined in a dog 24282
kennel registered under this chapter or one licensed under Chapter 24283
956. of the Revised Code, or acquired by, and confined on the 24284
premises of, an institution or organization of the type described 24285
in section 955.16 of the Revised Code. A dog that wears a valid 24286
registration tag may be seized on the premises of its owner, 24287
keeper, or harborer and impounded only in the event of a natural 24288
disaster. 24289

If a dog warden has reason to believe that a dog is being 24290
treated inhumanely on the premises of its owner, keeper, or 24291
harborer, the warden shall apply to the court of common pleas for 24292
the county in which the premises are located for an order to enter 24293
the premises, and if necessary, seize the dog. If the court finds 24294
probable cause to believe that the dog is being treated 24295
inhumanely, it shall issue such an order. 24296

The warden and deputies shall also ~~investigate all claims for~~ 24297
~~damages to animals reported to them under section 955.29 of the~~ 24298
~~Revised Code and assist claimants to fill out the claim form~~ 24299
~~therefor. They shall~~ make weekly reports, in writing, to the board 24300
in their respective counties of all dogs seized, impounded, 24301
redeemed, and destroyed ~~and of all claims for damage to animals~~ 24302
~~inflicted by dogs.~~ 24303

The wardens and deputies shall have the same police powers as 24304
are conferred upon sheriffs and police officers in the performance 24305
of their duties as prescribed by sections 955.01 to 955.27, ~~955.29~~ 24306
~~to 955.38,~~ and 955.50 to 955.53 of the Revised Code. They shall 24307
also have power to summon the assistance of bystanders in 24308
performing their duties and may serve writs and other legal 24309
processes issued by any court in their respective counties with 24310

reference to enforcing those sections. County auditors may 24311
deputize the wardens or deputies to issue dog licenses as provided 24312
in sections 955.01 and 955.14 of the Revised Code. 24313

Whenever any person files an affidavit in a court of 24314
competent jurisdiction that there is a dog running at large that 24315
is not kept constantly confined either in a dog kennel registered 24316
under this chapter or one licensed under Chapter 956. of the 24317
Revised Code or on the premises of an institution or organization 24318
of the type described in section 955.16 of the Revised Code or 24319
that a dog is kept or harbored in the warden's jurisdiction 24320
without being registered as required by law, the court shall 24321
immediately order the warden to seize and impound the dog. 24322
Thereupon the warden shall immediately seize and impound the dog 24323
complained of. The warden shall give immediate notice by certified 24324
mail to the owner, keeper, or harborer of the dog seized and 24325
impounded by the warden, if the owner, keeper, or harborer can be 24326
determined from the current year's registration list maintained by 24327
the warden and the county auditor of the county where the dog is 24328
registered, that the dog has been impounded and that, unless the 24329
dog is redeemed within fourteen days of the date of the notice, it 24330
may thereafter be sold or destroyed according to law. If the 24331
owner, keeper, or harborer cannot be determined from the current 24332
year's registration list maintained by the warden and the county 24333
auditor of the county where the dog is registered, the officer 24334
shall post a notice in the pound or animal shelter both describing 24335
the dog and place where seized and advising the unknown owner 24336
that, unless the dog is redeemed within three days, it may 24337
thereafter be sold or destroyed according to law. 24338

~~As used in this section, "animal" has the same meaning as in 24339
section 955.51 of the Revised Code. 24340~~

Sec. 955.121. (A)(1) In lieu of appointing a county dog 24341

warden and deputies under section 955.12 of the Revised Code, a 24342
board of county commissioners may appoint the county sheriff to 24343
enforce sections 955.01 to 955.27, ~~955.29 to 955.38~~, and 955.50 to 24344
955.53 of the Revised Code. If a board chooses to appoint the 24345
county sheriff as the county dog warden, the board shall enter 24346
into a two-year written agreement with the sheriff for that 24347
purpose at the first meeting in a calendar year following a 24348
general election in which at least one of the members of the board 24349
was elected. 24350

(2) The agreement may authorize both of the following: 24351

(a) The sheriff to appoint sheriff's deputies or persons 24352
other than peace officers as deputy dog wardens; 24353

(b) The transfer of any benefits accrued by employees who are 24354
transferred as a result of the county sheriff's being appointed as 24355
the county dog warden. 24356

(B) Any dog warden and deputy dog wardens appointed under 24357
this section shall comply with both of the following: 24358

(1) Any training requirements applicable to county dog 24359
wardens and deputy dog wardens appointed or employed under section 24360
955.12 of the Revised Code; 24361

(2) The requirements established in that section. 24362

(C) If a county sheriff or a sheriff's deputies are appointed 24363
as a dog warden or deputy dog wardens under this section, 24364
references in this chapter and in Chapters 953., 956., and 959. of 24365
the Revised Code to "dog warden" and "deputy dog warden" shall be 24366
deemed to be replaced, respectively, with references to "sheriff" 24367
and "deputy sheriff." 24368

Sec. 955.14. (A) Notwithstanding section 955.01 of the 24369
Revised Code, a board of county commissioners by resolution may 24370

increase dog and kennel registration fees in the county. The 24371
amount of the fees shall not exceed an amount that the board, in 24372
its discretion, estimates is needed to pay all expenses for the 24373
administration of this chapter ~~and to pay claims allowed for~~ 24374
~~animals injured or destroyed by dogs~~. Such a resolution shall be 24375
adopted not earlier than the first day of February and not later 24376
than the thirty-first day of August of any year and shall specify 24377
the registration period or periods to which the increased fees 24378
apply. An increase in fees adopted under this division shall be in 24379
the ratio of two dollars for each year of registration for a dog 24380
registration fee, twenty dollars for a permanent dog registration 24381
fee, and ten dollars for a kennel registration fee. 24382

~~(B) Not later than the fifteenth day of October of each year,~~ 24383
~~the board of county commissioners shall determine if there is~~ 24384
~~sufficient money in the dog and kennel fund, after paying the~~ 24385
~~expenses of administration incurred or estimated to be incurred~~ 24386
~~for the remainder of the year, to pay the claims allowed for~~ 24387
~~animals injured or destroyed by dogs. If the board determines~~ 24388
~~there is not sufficient money in the dog and kennel fund to pay~~ 24389
~~the claims allowed, the board shall provide by resolution that all~~ 24390
~~claims remaining unpaid shall be paid from the general fund of the~~ 24391
~~county. All money paid out of the general fund for those purposes~~ 24392
~~may be replaced by the board from the dog and kennel fund at any~~ 24393
~~time during the following year notwithstanding section 5705.14 of~~ 24394
~~the Revised Code.~~ 24395

~~(C)~~ Notwithstanding section 955.20 of the Revised Code, if 24396
dog and kennel registration fees in any county are increased above 24397
two dollars for each year of registration and twenty dollars for a 24398
permanent registration for a dog registration fee and ten dollars 24399
for a kennel registration fee under authority of division (A) of 24400
this section, then on or before the first day of March following 24401
each year in which the increased fees are in effect, the county 24402

auditor shall draw on the dog and kennel fund a warrant payable to 24403
the college of veterinary medicine of the Ohio state university in 24404
an amount equal to ten cents for each one-year dog registration, 24405
thirty cents for each three-year dog registration, one dollar for 24406
each permanent dog registration, and ten cents for each kennel 24407
registration fee received during the preceding year. The money 24408
received by the college of veterinary medicine of the Ohio state 24409
university under this division shall be applied for research and 24410
study of the diseases of dogs, particularly those transmittable to 24411
humans, and for research of other diseases of dogs that by their 24412
nature will provide results applicable to the prevention and 24413
treatment of both human and canine illness. 24414

~~(D)~~(C) The Ohio state university college of veterinary 24415
medicine shall be responsible to report annually to the general 24416
assembly the progress of the research and study authorized and 24417
funded by division ~~(C)~~(B) of this section. The report shall 24418
briefly describe the research projects undertaken and assess the 24419
value of each. The report shall account for funds received 24420
pursuant to division ~~(C)~~(B) of this section and for the funds 24421
expended attributable to each research project and for other 24422
necessary expenses in conjunction with the research authorized by 24423
division ~~(C)~~(B) of this section. The report shall be filed with 24424
the general assembly by the first day of May of each year. 24425

~~(E)~~(D) The county auditor may authorize agents to receive 24426
applications for registration of dogs and kennels and to issue 24427
certificates of registration and tags. If authorized agents are 24428
employed in a county, each applicant for a dog or kennel 24429
registration shall pay to the agent an administrative fee of 24430
seventy-five cents in addition to the registration fee. The 24431
administrative fee shall be the compensation of the agent. The 24432
county auditor shall establish rules for reporting and accounting 24433
by the agents. No administrative or similar fee shall be charged 24434

in any county except as authorized by this division or division 24435
~~(F)~~(E) of this section. 24436

~~(F)~~(E) For any county that accepts the payment of dog and 24437
kennel registration fees by financial transaction devices in 24438
accordance with section 955.013 of the Revised Code, in addition 24439
to those registration fees, the county auditor shall collect for 24440
each registration paid by a financial transaction device one of 24441
the following: 24442

(1) An administrative fee of seventy-five cents or another 24443
amount necessary to cover actual costs designated by the county 24444
auditor; 24445

(2) If the board of county commissioners adopts a surcharge 24446
or convenience fee for making payments by a financial transaction 24447
device under division (E) of section 301.28 of the Revised Code, 24448
that surcharge or convenience fee; 24449

(3) If the county auditor contracts with a third party to 24450
provide services to enable registration via the internet as 24451
provided in section 955.013 of the Revised Code, a surcharge or 24452
convenience fee as agreed to between that third party and the 24453
county for those internet registration services. Any additional 24454
expenses incurred by the county auditor that result from a 24455
contract with a third party as provided in this section and 24456
section 955.013 of the Revised Code and that are not covered by a 24457
surcharge or convenience fee shall be paid out of the allowance 24458
provided to the county auditor under section 955.20 of the Revised 24459
Code. 24460

~~(G)~~(F) The county auditor shall post conspicuously the amount 24461
of the administrative fee, surcharge, or convenience fee that is 24462
permissible under this section on the web page where the auditor 24463
accepts payments for registrations made under division (B)(1) of 24464
section 955.013 of the Revised Code. If any person chooses to pay 24465

by financial transaction device, the administrative fee, 24466
surcharge, or convenience fee shall be considered voluntary and is 24467
not refundable. 24468

~~(H) As used in this section, "animal" has the same meaning as 24469
in section 955.51 of the Revised Code. 24470~~

Sec. 955.15. The board of county commissioners shall provide 24471
nets and other suitable devices for the taking of dogs in a humane 24472
manner, provide a suitable place for impounding dogs, make proper 24473
provision for feeding and caring for the same, and provide humane 24474
devices and methods for destroying dogs. In any county in which 24475
there is a society for the prevention of cruelty to children and 24476
animals, having one or more agents and maintaining an animal 24477
shelter suitable for a dog pound and devices for humanely 24478
destroying dogs, the board need not furnish a dog pound, but the 24479
county dog warden shall deliver all dogs seized by ~~him~~ the warden 24480
and ~~his~~ the warden's deputies to such society at its animal 24481

In addition, the owner shall provide, to the best of the owner's knowledge, the proposed estimated rate and volume of the water withdrawal for the production operations. If recycled water will be used in the production operations, the owner shall provide the estimated volume of recycled water to be used. access to sample the water well. The sampling shall be conducted 25781
in accordance with the guidelines established in "Best Management 25782
Practices For Pre-drilling Water Sampling" in effect at the time 25783
that the application is submitted. The division shall furnish 25784
those guidelines upon request and shall make them available on the 25785

the proposed well site warrant a revision, the chief may revise 25787
the distance established in this division for purposes of 25788
pre-drilling water sampling. 25789

(c) For an application for a permit to drill a new horizontal 25790

within an urbanized area, a sworn statement that the applicant has 25806
provided notice by regular mail of the application to the owner of 25807
each parcel of real property that is located within five hundred 25808
feet of the surface location of the well and to the executive 25809
authority of the municipal corporation or the board of township 25810
trustees of the township, as applicable, in which the well is to 25811
be located. In addition, the notice shall contain a statement that 25812

informs an owner of real property who is required to receive the 25813
notice under division (A)(9) of this section that within five days 25814
of receipt of the notice, the owner is required to provide notice 25815
under section 1509.60 of the Revised Code to each residence in an 25816
occupied dwelling that is located on the owner's parcel of real 25817
property. The notice shall contain a statement that an application 25818
has been filed with the division of oil and gas resources 25819
management, identify the name of the applicant and the proposed 25820
well location, include the name and address of the division, and 25821
contain a statement that comments regarding the application may be 25822
sent to the division. The notice may be provided by hand delivery 25823

the restoration requirements of division (A) of section 1509.072 25830
of the Revised Code and any rules adopted by the chief pertaining 25831
to that restoration. 25832

(11)(a) A description by name or number of the county, 25833
township, and municipal corporation roads, streets, and highways 25834
that the applicant anticipates will be used for access to and 25835
egress from the well site; 25836

(b) For an application for a permit for a horizontal well, a 25837
copy of an agreement concerning maintenance and safe use of the 25838
roads, streets, and highways described in division (A)(11)(a) of 25839
this section entered into on reasonable terms with the public 25840
official that has the legal authority to enter into such 25841
maintenance and use agreements for each county, township, and 25842
municipal corporation, as applicable, in which any such road, 25843
street, or highway is located or an affidavit on a form prescribed 25844

by the chief attesting that the owner attempted in good faith to 25845
enter into an agreement under division (A)(11)(b) of this section 25846

or municipal corporation, but that no agreement was executed. 25848

(12) Such other relevant information as the chief prescribes 25849
by rule. 25850

Each application shall be accompanied by a map, on a scale 25851
not smaller than four hundred feet to the inch, prepared by an 25852
Ohio registered surveyor, showing the location of the well and 25853
containing such other data as may be prescribed by the chief. If 25854
the well is or is to be located within the excavations and 25855
workings of a mine, the map also shall include the location of the 25856
mine, the name of the mine, and the name of the person operating 25857
the mine. 25858

(B) The chief shall cause a copy of the weekly circular 25859
prepared by the division to be provided to the county engineer of 25860
each county that contains active or proposed drilling activity. 25861
The weekly circular shall contain, in the manner prescribed by the 25862
chief, the names of all applicants for permits, the location of 25863
each well or proposed well, the information required by division 25864
(A)(11) of this section, and any additional information the chief 25865
prescribes. In addition, the chief promptly shall transfer an 25866
electronic copy or facsimile, or if those methods are not 25867
available to a municipal corporation or township, a copy via 25868
regular mail, of a drilling permit application to the clerk of the 25869
legislative authority of the municipal corporation or to the clerk 25870
of the township in which the well or proposed well is or is to be 25871
located if the legislative authority of the municipal corporation 25872
or the board of township trustees has asked to receive copies of 25873
such applications and the appropriate clerk has provided the chief 25874
an accurate, current electronic mailing address or facsimile 25875
number, as applicable. 25876

(C)(1) Except as provided in division (C)(2) of this section, 25877
the chief shall not issue a permit for at least ten days after the 25878
date of filing of the application for the permit unless, upon 25879
reasonable cause shown, the chief waives that period or a request 25880
for expedited review is filed under this section. However, the 25881
chief shall issue a permit within twenty-one days of the filing of 25882
the application unless the chief denies the application by order. 25883

(2) If the location of a well or proposed well will be or is 25884
within an urbanized area, the chief shall not issue a permit for 25885
at least eighteen days after the date of filing of the application 25886
for the permit unless, upon reasonable cause shown, the chief 25887
waives that period or the chief at the chief's discretion grants a 25888
request for an expedited review. However, the chief shall issue a 25889
permit for a well or proposed well within an urbanized area within 25890
thirty days of the filing of the application unless the chief 25891
denies the application by order. 25892

(D) An applicant may file a request with the chief for 25893
expedited review of a permit application if the well is not or is 25894
not to be located in a gas storage reservoir or reservoir 25895
protective area, as "reservoir protective area" is defined in 25896
section 1571.01 of the Revised Code. If the well is or is to be 25897
located in a coal bearing township, the application shall be 25898
accompanied by the affidavit of the landowner prescribed in 25899
section 1509.08 of the Revised Code. 25900

In addition to a complete application for a permit that meets 25901
the requirements of this section and the permit fee prescribed by 25902
this section, a request for expedited review shall be accompanied 25903
by a separate nonrefundable filing fee of two hundred fifty 25904
dollars. Upon the filing of a request for expedited review, the 25905
chief shall cause the county engineer of the county in which the 25906
well is or is to be located to be notified of the filing of the 25907
permit application and the request for expedited review by 25908

telephone or other means that in the judgment of the chief will 25909
provide timely notice of the application and request. The chief 25910
shall issue a permit within seven days of the filing of the 25911
request unless the chief denies the application by order. 25912
Notwithstanding the provisions of this section governing expedited 25913
review of permit applications, the chief may refuse to accept 25914
requests for expedited review if, in the chief's judgment, the 25915
acceptance of the requests would prevent the issuance, within 25916
twenty-one days of their filing, of permits for which applications 25917
are pending. 25918

(E) A well shall be drilled and operated in accordance with 25919
the plans, sworn statements, and other information submitted in 25920
the approved application. 25921

(F) The chief shall issue an order denying a permit if the 25922
chief finds that there is a substantial risk that the operation 25923
will result in violations of this chapter or rules adopted under 25924
it that will present an imminent danger to public health or safety 25925
or damage to the environment, provided that where the chief finds 25926
that terms or conditions to the permit can reasonably be expected 25927
to prevent such violations, the chief shall issue the permit 25928
subject to those terms or conditions, including, if applicable, 25929
terms and conditions regarding subjects identified in rules 25930
adopted under section 1509.03 of the Revised Code. The issuance of 25931
a permit shall not be considered an order of the chief. 25932

The chief shall post notice of each permit that has been 25933
approved under this section on the division's web site not later 25934
than two business days after the application for a permit has been 25935
approved. 25936

(G) Each application for a permit required by section 1509.05 25937
of the Revised Code, except an application ~~to plug back an~~ 25938
~~existing well that is required by that section and an application~~ 25939
for a well drilled or reopened for purposes of section 1509.22 of 25940

the Revised Code, also shall be accompanied by a nonrefundable fee 25941
as follows: 25942

(1) Five hundred dollars for a permit to conduct activities 25943
in a township with a population of fewer than ten thousand; 25944

(2) Seven hundred fifty dollars for a permit to conduct 25945
activities in a township with a population of ten thousand or 25946
more, but fewer than fifteen thousand; 25947

(3) One thousand dollars for a permit to conduct activities 25948
in either of the following: 25949

(a) A township with a population of fifteen thousand or more; 25950

(b) A municipal corporation regardless of population. 25951

(4) If the application is for a permit that requires 25952
mandatory pooling, an additional five thousand dollars. 25953

For purposes of calculating fee amounts, populations shall be 25954
determined using the most recent federal decennial census. 25955

Each application for the revision or reissuance of a permit 25956
shall be accompanied by a nonrefundable fee of two hundred fifty 25957
dollars. 25958

(H)(1) Prior to the commencement of well pad construction and 25959
prior to the issuance of a permit to drill a proposed horizontal 25960
well or a proposed well that is to be located in an urbanized 25961
area, the division shall conduct a site review to identify and 25962
evaluate any site-specific terms and conditions that may be 25963
attached to the permit. At the site review, a representative of 25964
the division shall consider fencing, screening, and landscaping 25965
requirements, if any, for similar structures in the community in 25966
which the well is proposed to be located. The terms and conditions 25967
that are attached to the permit shall include the establishment of 25968
fencing, screening, and landscaping requirements for the surface 25969
facilities of the proposed well, including a tank battery of the 25970

well. 25971

(2) Prior to the issuance of a permit to drill a proposed 25972
well, the division shall conduct a review to identify and evaluate 25973
any site-specific terms and conditions that may be attached to the 25974
permit if the proposed well will be located in a one-hundred-year 25975
floodplain or within the five-year time of travel associated with 25976
a public drinking water supply. 25977

(I) A permit shall be issued by the chief in accordance with 25978
this chapter. A permit issued under this section for a well that 25979
is or is to be located in an urbanized area shall be valid for 25980
twelve months, and all other permits issued under this section 25981
shall be valid for twenty-four months. 25982

(J) An applicant or a permittee, as applicable, shall submit 25983
to the chief an update of the information that is required under 25984
division (A)(8)(a) of this section if any of that information 25985
changes prior to commencement of production operations. 25986

(K) A permittee or a permittee's authorized representative 25987
shall notify an inspector from the division at least twenty-four 25988
hours, or another time period agreed to by the chief's authorized 25989
representative, prior to the commencement of well pad construction 25990
and of drilling, reopening, converting, well stimulation, or 25991
plugback operations. 25992

Sec. 1509.11. (A)(1) The owner of any well, except a 25993
horizontal well, that is producing or capable of producing oil or 25994
gas shall file with the chief of the division of oil and gas 25995
resources management, on or before the thirty-first day of March, 25996

preceding calendar year in such form as the chief may prescribe. 25998
An owner that has more than one hundred such wells in this state 25999
shall submit electronically the statement of production in a 26000
format that is approved by the chief. ~~The chief shall include on~~ 26001

resources management does not obtain through other reporting 26007
mechanisms. 26008~~

(2) The owner of any horizontal well that is producing or 26009
capable of producing oil or gas shall file with the chief, on the 26010
forty-fifth day following the close of each calendar quarter, a 26011

under this chapter or rules adopted under it or by the terms and 26156
conditions of a permit issued under this chapter; 26157

(7) The response by a fire department as defined in section 26158
742.01 of the Revised Code or a person providing emergency medical 26159
services as defined in section 4765.01 of the Revised Code to the 26160
location of, and for the purpose of responding to, an occurrence 26161
specified in division (A)(1), (2), (3), (4), (5), or (6) of this 26162
section. 26163

(B) If a contractor performs services on behalf of a person 26164
specified in division (A) of this section, the contractor shall 26165
notify that person within thirty minutes after the contractor 26166
becomes aware of any occurrence specified in that division unless 26167
notification within that time is impracticable under the 26168
circumstances. 26169

(C) The chief may adopt rules in accordance with Chapter 119. 26170
of the Revised Code that are necessary for the administration of 26171
this section. 26172

(D) No person shall fail to comply with this section. 26173

(E)(1) Section 1509.33 of the Revised Code applies to this 26174
section. 26175

(2) Section 1509.99 of the Revised Code does not apply to 26176
this section. 26177

Sec. 1509.27. ~~If a tract of land is~~ or tracts are of 26178
insufficient size or shape to meet the requirements for drilling a 26179
proposed well thereon as provided in section 1509.24 or 1509.25 of 26180
the Revised Code, whichever is applicable, and the owner ~~of the~~ 26181
~~tract who also is the owner of the mineral interest~~ has been 26182
unable to form a drilling unit under agreement as provided in 26183
section 1509.26 of the Revised Code, on a just and equitable 26184

basis, ~~such as~~ the owner may make application to the division of 26185
oil and gas resources management for a mandatory pooling order. 26186

The application shall include information as shall be 26187
reasonably required by the chief of the division of oil and gas 26188
resources management and shall be accompanied by an application 26189
for a permit as required by section 1509.05 of the Revised Code. 26190
The chief shall notify all mineral rights owners of ~~land tracts~~ 26191
within the area proposed to be pooled by an order and included 26192
within the drilling unit of the filing of the application and of 26193
their right to a hearing. After the hearing or after the 26194
expiration of thirty days from the date notice of application was 26195
mailed to such owners, the chief, if satisfied that the 26196
application is proper in form and that mandatory pooling is 26197
necessary to protect correlative rights and to provide effective 26198
development, use, and conservation of oil and gas, shall issue a 26199
drilling permit and a mandatory pooling order complying with the 26200
requirements for drilling a well as provided in section 1509.24 or 26201
1509.25 of the Revised Code, whichever is applicable. The 26202
mandatory pooling order shall: 26203

(A) Designate the boundaries of the drilling unit within 26204
which the well shall be drilled; 26205

(B) Designate the proposed production site; 26206

(C) Describe each separately owned tract or part thereof 26207
pooled by the order; 26208

(D) Allocate on a surface acreage basis a pro rata portion of 26209
the production to ~~the owner of~~ each tract pooled by the order. The 26210
pro rata portion shall be in the same proportion that the 26211
percentage of the ~~owner's~~ tract's acreage is to the state minimum 26212
acreage requirements established in rules adopted under this 26213
chapter for a drilling unit unless the applicant demonstrates to 26214
the chief using geological evidence that the geologic structure 26215

containing the oil or gas is larger than the minimum acreage 26216
requirement in which case the pro rata portion shall be in the 26217
same proportion that the percentage of the ~~owner's~~ tract's acreage 26218
is to the geologic structure. 26219

(E) Specify the basis upon which each mineral rights owner of 26220
a tract pooled by the order shall share all reasonable costs and 26221
expenses of drilling and producing if the mineral rights owner 26222
elects to participate in the drilling and operation of the well; 26223

(F) Designate the person to whom the permit shall be issued. 26224

A person shall not submit more than five applications for 26225
mandatory pooling orders per year under this section unless 26226
otherwise approved by the chief. 26227

No surface operations or disturbances to the surface of the 26228
land shall occur on a tract pooled by an order without the written 26229
consent of or a written agreement with the surface rights owner of 26230
the tract that approves the operations or disturbances. 26231

If ~~an~~ a mineral rights owner of a tract pooled by the order 26232
does not elect to participate in the risk and cost of the drilling 26233
and operation of a well, the mineral rights owner shall be 26234
designated as a nonparticipating owner in the drilling and 26235
operation of the well on a limited or carried basis and is subject 26236
to terms and conditions determined by the chief to be just and 26237
reasonable. In addition, if ~~an~~ a mineral rights owner is 26238
designated as a nonparticipating owner, the mineral rights owner 26239
is not liable for actions or conditions associated with the 26240
drilling or operation of the well. If the applicant bears the 26241
costs of drilling, equipping, and operating a well for the benefit 26242
of a nonparticipating owner, as provided for in the pooling order, 26243
then the applicant shall be entitled to the share of production 26244
from the drilling unit accruing to the interest of that 26245
nonparticipating owner, exclusive of the nonparticipating owner's 26246

proportionate share of the royalty interest until there has been 26247
received the share of costs charged to that nonparticipating owner 26248
plus such additional percentage of the share of costs as the chief 26249
shall determine. The total amount receivable hereunder shall in no 26250
event exceed two hundred per cent of the share of costs charged to 26251
that nonparticipating owner. After receipt of that share of costs 26252
by such an applicant, a nonparticipating owner shall receive a 26253
proportionate share of the working interest in the well in 26254
addition to a proportionate share of the royalty interest, if any. 26255

If there is a dispute as to costs of drilling, equipping, or 26256
operating a well, the chief shall determine those costs. 26257

Sec. 1509.33. (A) Whoever violates sections 1509.01 to 26258
1509.31 of the Revised Code, or any rules adopted or orders or 26259
terms or conditions of a permit or registration certificate issued 26260
pursuant to these sections for which no specific penalty is 26261
provided in this section, shall pay a civil penalty of not more 26262
than ~~four~~ ten thousand dollars for each offense. 26263

(B) Whoever violates section 1509.221 of the Revised Code or 26264
any rules adopted or orders or terms or conditions of a permit 26265
issued thereunder shall pay a civil penalty of not more than ~~two~~ 26266
ten thousand ~~five hundred~~ dollars for each violation. 26267

(C) Whoever violates division (D) of section 1509.22 or 26268
division (A)(1) of section 1509.222 of the Revised Code shall pay 26269
a civil penalty of not less than two thousand five hundred dollars 26270
nor more than twenty thousand dollars for each violation. 26271

(D) Whoever violates division (A) of section 1509.22 of the 26272
Revised Code shall pay a civil penalty of not less than two 26273
thousand five hundred dollars nor more than ten thousand dollars 26274
for each violation. 26275

(E) Whoever violates division (A) of section 1509.223 of the 26276

Revised Code shall pay a civil penalty of not more than ten 26277
thousand dollars for each violation. 26278

(F) Whoever violates section 1509.072 of the Revised Code or 26279
any rules adopted or orders issued to administer, implement, or 26280
enforce that section shall pay a civil penalty of not more than 26281
five thousand dollars for each violation. 26282

(G) In addition to any other penalties provided in this 26283
chapter, whoever violates section 1509.05, section 1509.21, 26284
division (B) of section 1509.22, or division (A)(1) of section 26285
1509.222 of the Revised Code or a term or condition of a permit or 26286
an order issued by the chief of the division of oil and gas 26287
resources management under this chapter or knowingly violates 26288
division (A) of section 1509.223 of the Revised Code is liable for 26289
any damage or injury caused by the violation and for the actual 26290
cost of rectifying the violation and conditions caused by the 26291
violation. If two or more persons knowingly violate one or more of 26292
those divisions in connection with the same event, activity, or 26293
transaction, they are jointly and severally liable under this 26294
division. 26295

(H) The attorney general, upon the request of the chief of 26296
the division of oil and gas resources management, shall commence 26297
an action under this section against any person who violates 26298
sections 1509.01 to 1509.31 of the Revised Code, or any rules 26299
adopted or orders or terms or conditions of a permit or 26300
registration certificate issued pursuant to these sections. Any 26301
action under this section is a civil action, governed by the Rules 26302
of Civil Procedure and other rules of practice and procedure 26303
applicable to civil actions. The remedy provided in this division 26304
is cumulative and concurrent with any other remedy provided in 26305
this chapter, and the existence or exercise of one remedy does not 26306
prevent the exercise of any other, except that no person shall be 26307
subject to both a civil penalty under division (A), (B), (C), or 26308

(D) of this section and a ~~criminal penalty under~~ fine established 26309
in section 1509.99 of the Revised Code for the same offense. 26310

(I) For purposes of this section, each day of violation 26311
constitutes a separate offense. 26312

Sec. 1513.07. (A)(1) No operator shall conduct a coal mining 26313
operation without a permit for the operation issued by the chief 26314
of the division of mineral resources management. 26315

(2) All permits issued pursuant to this chapter shall be 26316
issued for a term not to exceed five years, except that, if the 26317
applicant demonstrates that a specified longer term is reasonably 26318
needed to allow the applicant to obtain necessary financing for 26319
equipment and the opening of the operation and if the application 26320
is full and complete for the specified longer term, the chief may 26321
grant a permit for the longer term. A successor in interest to a 26322
permittee who applies for a new permit within thirty days after 26323
succeeding to the interest and who is able to obtain the 26324
performance security of the original permittee may continue coal 26325
mining and reclamation operations according to the approved mining 26326
and reclamation plan of the original permittee until the 26327
successor's application is granted or denied. 26328

(3) A permit shall terminate if the permittee has not 26329
commenced the coal mining operations covered by the permit within 26330
three years after the issuance of the permit, except that the 26331
chief may grant reasonable extensions of the time upon a showing 26332
that the extensions are necessary by reason of litigation 26333
precluding the commencement or threatening substantial economic 26334
loss to the permittee or by reason of conditions beyond the 26335
control and without the fault or negligence of the permittee, and 26336
except that with respect to coal to be mined for use in a 26337
synthetic fuel facility or specified major electric generating 26338
facility, the permittee shall be deemed to have commenced coal 26339

mining operations at the time construction of the synthetic fuel 26340
or generating facility is initiated. 26341

(4)(a) Any permit issued pursuant to this chapter shall carry 26342
with it the right of successive renewal upon expiration with 26343
respect to areas within the boundaries of the permit. The holders 26344
of the permit may apply for renewal and the renewal shall be 26345
issued unless the chief determines by written findings, subsequent 26346
to fulfillment of the public notice requirements of this section 26347
and section 1513.071 of the Revised Code through demonstrations by 26348
opponents of renewal or otherwise, that one or more of the 26349
following circumstances exists: 26350

(i) The terms and conditions of the existing permit are not 26351
being satisfactorily met. 26352

(ii) The present coal mining and reclamation operation is not 26353
in compliance with the environmental protection standards of this 26354
chapter. 26355

(iii) The renewal requested substantially jeopardizes the 26356
operator's continuing responsibilities on existing permit areas. 26357

(iv) The applicant has not provided evidence that the 26358
performance security in effect for the operation will continue in 26359
effect for any renewal requested in the application. 26360

(v) Any additional, revised, or updated information required 26361
by the chief has not been provided. Prior to the approval of any 26362
renewal of a permit, the chief shall provide notice to the 26363
appropriate public authorities as prescribed by rule of the chief. 26364

(b) If an application for renewal of a valid permit includes 26365
a proposal to extend the mining operation beyond the boundaries 26366
authorized in the existing permit, the portion of the application 26367
for renewal of a valid permit that addresses any new land areas 26368
shall be subject to the full standards applicable to new 26369
applications under this chapter. 26370

(c) A permit renewal shall be for a term not to exceed the 26371
period of the original permit established by this chapter. 26372
Application for permit renewal shall be made at least one hundred 26373
twenty days prior to the expiration of the valid permit. 26374

(5) A permit issued pursuant to this chapter does not 26375
eliminate the requirements for obtaining a permit to install or 26376
modify a disposal system or any part thereof or to discharge 26377
sewage, industrial waste, or other wastes into the waters of the 26378
state in accordance with Chapter 6111. of the Revised Code. 26379

requirements. The policy shall provide for personal injury and 26559

property damage protection in an amount adequate to compensate any persons damaged as a result of coal mining and reclamation operations, including the use of explosives, and entitled to compensation under the applicable provisions of state law. The policy shall be maintained in effect during the term of the permit or any renewal, including the length of all reclamation operations. (r) The business telephone number of the applicant;

(s) If the applicant seeks an authorization under division (E)(7) of this section to conduct coal mining and reclamation operations on areas to be covered by the permit that were affected by coal mining operations before August 3, 1977, that have resulted in continuing water pollution from or on the previously mined areas, such additional information pertaining to those previously mined areas as may be required by the chief, including, without limitation, maps, plans, cross sections, data necessary to determine existing water quality from or on those areas with respect to pH, iron, and manganese, and a pollution abatement plan that may improve water quality from or on those areas with respect to pH, iron, and manganese.

(2) Information pertaining to coal seams, test borings, core samplings, or soil samples as required by this section shall be made available by the chief to any person with an interest that is or may be adversely affected, except that information that pertains only to the analysis of the chemical and physical properties of the coal, excluding information regarding mineral or elemental content that is potentially toxic in the environment,

production at all locations of any operator will not exceed three 26594
hundred thousand tons, the following activities, upon the written 26595
request of the operator in connection with a permit application, 26596
shall be performed by a qualified public or private laboratory or 26597
another public or private qualified entity designated by the 26598
chief, and the cost of the activities shall be assumed by the 26599
chief, provided that sufficient moneys for such assistance are 26600

division (B)(3)(a) of this section shall reimburse the chief for 26620
the cost of the services rendered if the chief finds that the 26621

operator's actual and attributed annual production of coal for all 26622
locations exceeds three hundred thousand tons during the twelve 26623
months immediately following the date on which the operator was 26624
issued a coal mining and reclamation permit. 26625

Code. 26639

(C) Each reclamation plan submitted as part of a permit 26640
application shall include, in the detail necessary to demonstrate 26641
that reclamation required by this chapter can be accomplished and 26642

forfeiture of the performance security by the applicant, a 26646
statement of: 26647

(1) The identification of the lands subject to coal mining 26648

(14) Any other requirements the chief prescribes by rule. 26728

(D)(1) Any information required by division (C) of this 26729
section that is not on public file pursuant to this chapter shall 26730
be held in confidence by the chief. 26731

(2) With regard to requests for an exemption from the 26732
requirements of this chapter for coal extraction incidental to the 26733
extraction of other minerals, as described in division (H)(1)(a) 26734
of section 1513.01 of the Revised Code, confidential information 26735
includes and is limited to information concerning trade secrets or 26736
privileged commercial or financial information relating to the 26737
competitive rights of the persons intending to conduct the 26738
extraction of minerals. 26739

(E)(1) Upon the basis of a complete mining application and 26740
reclamation plan or a revision or renewal thereof, as required by 26741
this chapter, and information obtained as a result of public 26742
notification and public hearing, if any, as provided by section 26743
1513.071 of the Revised Code, the chief shall grant, require 26744

modification of, or deny the application for a permit and notify 26745
the applicant in writing in accordance with division (I)(3) of 26746
this section. An application is deemed to be complete as submitted 26747
to the chief unless the chief, within fourteen days of the 26748
submission, identifies deficiencies in the application in writing 26749
and subsequently submits a copy of a written list of deficiencies 26750
to the applicant. An application shall not be considered 26751
incomplete or denied by reason of right of entry documentation, 26752
provided that the applicant documents the applicant's legal right 26753
to enter and mine at least sixty-seven per cent of the total area 26754
for which coal mining operations are proposed. 26755

A decision of the chief denying a permit shall state in 26756
writing the specific reasons for the denial. 26757

The applicant for a permit or revision of a permit has the 26758
burden of establishing that the application is in compliance with 26759
all the requirements of this chapter. Within ten days after the 26760
granting of a permit, the chief shall notify the boards of 26761
township trustees and county commissioners, the mayor, and the 26762
legislative authority in the township, county, and municipal 26763
corporation in which the area of land to be affected is located 26764
that a permit has been issued and shall describe the location of 26765
the land. However, failure of the chief to notify the local 26766
officials shall not affect the status of the permit. 26767

(2) No permit application or application for revision of an 26768
existing permit shall be approved unless the application 26769
affirmatively demonstrates and the chief finds in writing on the 26770
basis of the information set forth in the application or from 26771
information otherwise available, which shall be documented in the 26772
approval and made available to the applicant, all of the 26773
following: 26774

(a) The application is accurate and complete and all the 26775
requirements of this chapter have been complied with. 26776

(b) The applicant has demonstrated that the reclamation required by this chapter can be accomplished under the reclamation plan contained in the application.

(c)(i) Assessment of the probable cumulative impact of all anticipated mining in the general and adjacent area on the hydrologic balance specified in division (B)(1)(k) of this section has been made by the chief, and the proposed operation has been designed to prevent material damage to hydrologic balance outside the permit area.

(ii) There shall be an ongoing process conducted by the chief in cooperation with other state and federal agencies to review all assessments of probable cumulative impact of coal mining in light of post-mining data and any other hydrologic information as it becomes available to determine if the assessments were realistic. The chief shall take appropriate action as indicated in the review process.

(d) The area proposed to be mined is not included within an area designated unsuitable for coal mining pursuant to section 1513.073 of the Revised Code or is not within an area under study for such designation in an administrative proceeding commenced pursuant to division (A)(3)(c) or (B) of section 1513.073 of the Revised Code unless in an area as to which an administrative proceeding has commenced pursuant to division (A)(3)(c) or (B) of section 1513.073 of the Revised Code, the operator making the permit application demonstrates that, prior to January 1, 1977, the operator made substantial legal and financial commitments in relation to the operation for which a permit is sought.

(e) In cases where the private mineral estate has been severed from the private surface estate and surface disturbance will result from the applicant's proposed use of a strip mining method, the applicant has submitted to the chief one of the following:

(i) The written consent of the surface owner to the surface disturbance that will result from the extraction of coal by the applicant's proposed strip mining method; 26809
26810
26811

(ii) A conveyance that expressly grants or reserves the right to extract the coal by strip mining methods that cause surface disturbance; 26812
26813
26814

(iii) If the conveyance does not expressly grant the right to extract coal by strip mining methods that cause surface disturbance, the surface-subsurface legal relationship concerning surface disturbance shall be determined under the law of this state. This chapter does not authorize the chief to adjudicate property rights disputes. 26815
26816
26817
26818
26819
26820

(3)(a) The applicant shall file with the permit application a schedule listing all notices of violations of any law, rule, or regulation of the United States or of any department or agency thereof or of any state pertaining to air or water environmental protection incurred by the applicant in connection with any coal mining operation during the three-year period prior to the date of application. The schedule also shall indicate the final resolution of such a notice of violation. Upon receipt of an application, the chief shall provide a schedule listing all notices of violations of this chapter pertaining to air or water environmental protection incurred by the applicant during the three-year period prior to receipt of the application and the final resolution of all such notices of violation. The chief shall provide this schedule to the applicant for filing by the applicant with the application filed for public review, as required by division (B)(5) of this section. When the schedule or other information available to the chief indicates that any coal mining operation owned or controlled by the applicant is currently in violation of such laws, the permit shall not be issued until the applicant submits proof that the violation has been corrected or is in the 26821
26822
26823
26824
26825
26826

process of being corrected to the satisfaction of the regulatory 26841
authority, department, or agency that has jurisdiction over the 26842
violation and that any civil penalties owed to the state for a 26843
violation and not the subject of an appeal have been paid. No 26844
permit shall be issued to an applicant after a finding by the 26845
chief that the applicant or the operator specified in the 26846
application controls or has controlled mining operations with a 26847
demonstrated pattern of willful violations of this chapter of a 26848
nature and duration to result in irreparable damage to the 26849
environment as to indicate an intent not to comply with or a 26850
disregard of this chapter. 26851

(b) For the purposes of division (E)(3)(a) of this section, 26852
any violation resulting from an unanticipated event or condition 26853
at a surface coal mining operation on lands eligible for remining 26854
under a permit held by the person submitting an application for a 26855
coal mining permit under this section shall not prevent issuance 26856
of that permit. As used in this division, "unanticipated event or 26857
condition" means an event or condition encountered in a remining 26858
operation that was not contemplated by the applicable surface coal 26859
mining and reclamation permit. 26860

(4)(a) In addition to finding the application in compliance 26861
with division (E)(2) of this section, if the area proposed to be 26862
mined contains prime farmland as determined pursuant to division 26863
(B)(1)(p) of this section, the chief, after consultation with the 26864
secretary of the United States department of agriculture and 26865
pursuant to regulations issued by the secretary of the interior 26866
with the concurrence of the secretary of agriculture, may grant a 26867
permit to mine on prime farmland if the chief finds in writing 26868
that the operator has the technological capability to restore the 26869
mined area, within a reasonable time, to equivalent or higher 26870
levels of yield as nonmined prime farmland in the surrounding area 26871
under equivalent levels of management and can meet the soil 26872

reconstruction standards in section 1513.16 of the Revised Code. 26873

(b) Division (E)(4)(a) of this section does not apply to a 26874
permit issued prior to August 3, 1977, or revisions or renewals 26875
thereof. 26876

(5) The chief shall issue an order denying a permit after 26877
finding that the applicant has misrepresented or omitted any 26878
material fact in the application for the permit. 26879

(6) The chief may issue an order denying a permit after 26880
finding that the applicant, any partner, if the applicant is a 26881
partnership, any officer, principal shareholder, or director, if 26882
the applicant is a corporation, or any other person who has a 26883
right to control or in fact controls the management of the 26884
applicant or the selection of officers, directors, or managers of 26885
the applicant has been a sole proprietor or partner, officer, 26886
director, principal shareholder, or person having the right to 26887
control or has in fact controlled the management of or the 26888
selection of officers, directors, or managers of a business entity 26889
that ever has had a coal mining license or permit issued by this 26890
or any other state or the United States suspended or revoked, ever 26891
has forfeited a coal or surface mining bond, performance security, 26892
or similar security deposited in lieu of bond in this or any other 26893
state or with the United States, or ever has substantially or 26894
materially failed to comply with this chapter. 26895

(7) When issuing a permit under this section, the chief may 26896
authorize an applicant to conduct coal mining and reclamation 26897
operations on areas to be covered by the permit that were affected 26898
by coal mining operations before August 3, 1977, that have 26899
resulted in continuing water pollution from or on the previously 26900
mined areas for the purpose of potentially reducing the pollution 26901
loadings of pH, iron, and manganese from discharges from or on the 26902
previously mined areas. Following the chief's authorization to 26903
conduct such operations on those areas, the areas shall be 26904

designated as pollution abatement areas for the purposes of this chapter. 26905
26906

The chief shall not grant an authorization under division (E)(7) of this section to conduct coal mining and reclamation operations on any such previously mined areas unless the applicant demonstrates to the chief's satisfaction that all of the following conditions are met: 26907
26908
26909
26910
26911

(a) The applicant's pollution abatement plan for mining and reclaiming the previously mined areas represents the best available technology economically achievable. 26912
26913
26914

(b) Implementation of the plan will potentially reduce pollutant loadings of pH, iron, and manganese resulting from discharges of surface waters or ground water from or on the previously mined areas within the permit area. 26915
26916
26917
26918

(c) Implementation of the plan will not cause any additional degradation of surface water quality off the permit area with respect to pH, iron, and manganese. 26919
26920
26921

(d) Implementation of the plan will not cause any additional degradation of ground water. 26922
26923

(e) The plan meets the requirements governing mining and reclamation of such previously mined pollution abatement areas established by the chief in rules adopted under section 1513.02 of the Revised Code. 26924
26925
26926
26927

(f) Neither the applicant; any partner, if the applicant is a partnership; any officer, principal shareholder, or director, if the applicant is a corporation; any other person who has a right to control or in fact controls the management of the applicant or the selection of officers, directors, or managers of the applicant; nor any contractor or subcontractor of the applicant, has any of the following: 26928
26929
26930
26931
26932
26933
26934

(i) Responsibility or liability under this chapter or rules adopted under it as an operator for treating the discharges of water pollutants from or on the previously mined areas for which the authorization is sought;

(ii) Any responsibility or liability under this chapter or rules adopted under it for reclaiming the previously mined areas for which the authorization is sought;

(iii) During the eighteen months prior to submitting the permit application requesting an authorization under division (E)(7) of this section, had a coal mining and reclamation permit suspended or revoked under division (D)(3) of section 1513.02 of the Revised Code for violating this chapter or Chapter 6111. of the Revised Code or rules adopted under them with respect to water quality, effluent limitations, or surface or ground water monitoring;

(iv) Ever forfeited a coal or surface mining bond, performance security, or similar security deposited in lieu of a bond in this or any other state or with the United States.

(8) In the case of the issuance of a permit that involves a conflict of results between various methods of calculating potential acidity and neutralization potential for purposes of assessing the potential for acid mine drainage to occur at a mine site, the permit shall include provisions for monitoring and record keeping to identify the creation of unanticipated acid water at the mine site. If the monitoring detects the creation of acid water at the site, the permit shall impose on the permittee additional requirements regarding mining practices and site reclamation to prevent the discharge of acid mine drainage from the mine site. As used in division (E)(8) of this section, "potential acidity" and "neutralization potential" have the same meanings as in section 1513.075 of the Revised Code.

(F)(1) During the term of the permit, the permittee may submit an application for a revision of the permit, together with a revised reclamation plan, to the chief.

(2) An application for a revision of a permit shall not be approved unless the chief finds that reclamation required by this chapter can be accomplished under the revised reclamation plan. The revision shall be approved or disapproved within ninety days after receipt of a complete revision application. The chief shall establish, by rule, criteria for determining the extent to which all permit application information requirements and procedures, including notice and hearings, shall apply to the revision request, except that any revisions that propose significant alterations in the reclamation plan, at a minimum, shall be subject to notice and hearing requirements.

(3) Any extensions to the area covered by the permit except incidental boundary revisions shall be made by application for a permit.

(4) Documents or a notarized statement that form the basis of the applicant's legal right to enter and commence coal mining operations on land that is located within an area covered by the permit and that was legally acquired subsequent to the issuance of the permit for the area shall be submitted with an application for a revision of the permit.

(G) No transfer, assignment, or sale of the rights granted under a permit issued pursuant to this chapter shall be made without the written approval of the chief.

(H) The chief, within a time limit prescribed in the chief's rules, shall review outstanding permits and may require reasonable revision or modification of a permit. A revision or modification shall be based upon a written finding and subject to notice and hearing requirements established by rule of the chief.

(I)(1) If an informal conference has been held pursuant to 26997
section 1513.071 of the Revised Code, the chief shall issue and 26998
furnish the applicant for a permit, persons who participated in 26999
the informal conference, and persons who filed written objections 27000
pursuant to division (B) of section 1513.071 of the Revised Code, 27001
with the written finding of the chief granting or denying the 27002
permit in whole or in part and stating the reasons therefor within 27003
sixty days of the conference, provided that the chief shall comply 27004
with the time frames established in division (I)(3) of this 27005
section. 27006

(2) If there has been no informal conference held pursuant to 27007
section 1513.071 of the Revised Code, the chief shall submit to 27008
the applicant for a permit the written finding of the chief 27009
granting or denying the permit in whole or in part and stating the 27010
reasons therefor within the time frames established in division 27011
(I)(3) of this section. 27012

(3) The chief shall grant or deny a permit not later than two 27013
hundred forty days after the submission of a complete application 27014
for the permit. Any time during which the applicant is making 27015
revisions to an application or providing additional information 27016
requested by the chief regarding an application shall not be 27017
included in the two hundred forty days. If the chief determines 27018
that a permit cannot be granted or denied within the 27019
two-hundred-forty-day time frame, the chief, not later than two 27020
hundred ten days after the submission of a complete application 27021
for the permit, shall provide the applicant with written notice of 27022
the expected delay. 27023

(4) If the application is approved, the permit shall be 27024
issued. However, the permit shall prohibit the commencement of 27025
coal mining operations on any land that is located within an area 27026
covered by the permit if the permittee has not provided to the 27027
chief documents that form the basis of the permittee's legal right 27028

to enter and conduct coal mining operations on that land. If the 27029
application is disapproved, specific reasons therefor shall be set 27030
forth in the notification. Within thirty days after the applicant 27031
is notified of the final decision of the chief on the permit 27032
application, the applicant or any person with an interest that is 27033
or may be adversely affected may appeal the decision to the 27034
reclamation commission pursuant to section 1513.13 of the Revised 27035
Code. 27036

(5) Any applicant or any person with an interest that is or 27037
may be adversely affected who has participated in the 27038
administrative proceedings as an objector and is aggrieved by the 27039
decision of the reclamation commission, or if the commission fails 27040
to act within the time limits specified in this chapter, may 27041
appeal in accordance with section 1513.14 of the Revised Code. 27042

Sec. 1513.16. (A) Any permit issued under this chapter to 27043
conduct coal mining operations shall require that the operations 27044
meet all applicable performance standards of this chapter and such 27045
other requirements as the chief of the division of mineral 27046
resources management shall adopt by rule. General performance 27047
standards shall apply to all coal mining and reclamation 27048
operations and shall require the operator at a minimum to do all 27049
of the following: 27050

(1) Conduct coal mining operations so as to maximize the 27051
utilization and conservation of the solid fuel resource being 27052
recovered so that re-affecting the land in the future through coal 27053
mining can be minimized; 27054

(2) Restore the land affected to a condition capable of 27055
supporting the uses that it was capable of supporting prior to any 27056
mining, or higher or better uses of which there is reasonable 27057
likelihood, so long as the uses do not present any actual or 27058
probable hazard to public health or safety or pose any actual or 27059

probable threat of diminution or pollution of the waters of the state, and the permit applicants' declared proposed land uses following reclamation are not considered to be impractical or unreasonable, to be inconsistent with applicable land use policies and plans, to involve unreasonable delay in implementation, or to violate federal, state, or local law;

(3) Except as provided in division (B) of this section, with respect to all coal mining operations, backfill, compact where advisable to ensure stability or to prevent leaching of toxic materials, and grade in order to restore the approximate original contour of the land with all highwalls, spoil piles, and depressions eliminated unless small depressions are needed in order to retain moisture to assist revegetation or as otherwise authorized pursuant to this chapter, provided that if the operator demonstrates that due to volumetric expansion the amount of overburden and the spoil and waste materials removed in the course of the mining operation are more than sufficient to restore the approximate original contour, the operator shall backfill, grade, and compact the excess overburden and other spoil and waste materials to attain the lowest grade, but not more than the angle of repose, and to cover all acid-forming and other toxic materials in order to achieve an ecologically sound land use compatible with the surrounding region in accordance with the approved mining plan. The overburden or spoil shall be shaped and graded in such a way as to prevent slides, erosion, and water pollution and shall be revegetated in accordance with this chapter.

(4) Stabilize and protect all surface areas, including spoil piles affected by the coal mining and reclamation operation, to control erosion and attendant air and water pollution effectively;

(5) Remove the topsoil from the land in a separate layer, replace it on the backfill area, or, if not utilized immediately, segregate it in a separate pile from the spoil, and when the

topsoil is not replaced on a backfill area within a time short 27092
enough to avoid deterioration of the topsoil, maintain a 27093
successful cover by quick-growing plants or other means thereafter 27094
so that the topsoil is preserved from wind and water erosion, 27095
remains free of any contamination by acid or other toxic material, 27096
and is in a usable condition for sustaining vegetation when 27097
restored during reclamation. If the topsoil is of insufficient 27098
quantity or of poor quality for sustaining vegetation or if other 27099
strata can be shown to be more suitable for vegetation 27100
requirements, the operator shall remove, segregate, and preserve 27101
in a like manner such other strata as are best able to support 27102
vegetation. 27103

(6) Restore the topsoil or the best available subsoil that is 27104
best able to support vegetation; 27105

(7) For all prime farmlands as identified in division 27106
(B)(1)(p) of section 1513.07 of the Revised Code to be mined and 27107
reclaimed, perform soil removal, storage, replacement, and 27108
reconstruction in accordance with specifications established by 27109
the secretary of the United States department of agriculture under 27110
the "Surface Mining Control and Reclamation Act of 1977," 91 Stat. 27111
445, 30 U.S.C.A. 1201. The operator, at a minimum, shall be 27112
required to do all of the following: 27113

(a) Segregate the A horizon of the natural soil, except where 27114
it can be shown that other available soil materials will create a 27115
final soil having a greater productive capacity, and, if not 27116
utilized immediately, stockpile this material separately from the 27117
spoil and provide needed protection from wind and water erosion or 27118
contamination by acid or other toxic material; 27119

(b) Segregate the B horizon of the natural soil, or 27120
underlying C horizons or other strata, or a combination of such 27121
horizons or other strata that are shown to be both texturally and 27122
chemically suitable for plant growth and that can be shown to be 27123

equally or more favorable for plant growth than the B horizon, in 27124
sufficient quantities to create in the regraded final soil a root 27125
zone of comparable depth and quality to that which existed in the 27126
natural soil, and, if not utilized immediately, stockpile this 27127
material separately from the spoil and provide needed protection 27128
from wind and water erosion or contamination by acid or other 27129
toxic material; 27130

(c) Replace and regrade the root zone material described in 27131
division (A)(7)(b) of this section with proper compaction and 27132
uniform depth over the regraded spoil material; 27133

(d) Redistribute and grade in a uniform manner the surface 27134
soil horizon described in division (A)(7)(a) of this section. 27135

(8) Create, if authorized in the approved mining and 27136
reclamation plan and permit, permanent impoundments of water on 27137
mining sites as part of reclamation activities only when it is 27138
adequately demonstrated by the operator that all of the following 27139
conditions will be met: 27140

(a) The size of the impoundment is adequate for its intended 27141
purposes. 27142

(b) The impoundment dam construction will be so designed as 27143
to achieve necessary stability with an adequate margin of safety 27144
compatible with that of structures constructed under the 27145
"Watershed Protection and Flood Prevention Act," 68 Stat. 666 27146
(1954), 16 U.S.C. 1001, as amended. 27147

(c) The quality of impounded water will be suitable on a 27148
permanent basis for its intended use and discharges from the 27149
impoundment will not degrade the water quality below water quality 27150
standards established pursuant to applicable federal and state law 27151
in the receiving stream. 27152

(d) The level of water will be reasonably stable. 27153

(e) Final grading will provide adequate safety and access for proposed water users. 27154
27155

(f) The water impoundments will not result in the diminution of the quality or quantity of water utilized by adjacent or surrounding landowners for agricultural, industrial, recreational, or domestic uses. 27156
27157
27158
27159

(9) Conduct any augering operation associated with strip mining in a manner to maximize recoverability of mineral reserves remaining after the operation and reclamation are complete and seal all auger holes with an impervious and noncombustible material in order to prevent drainage, except where the chief determines that the resulting impoundment of water in such auger holes may create a hazard to the environment or the public health or safety. The chief may prohibit augering if necessary to maximize the utilization, recoverability, or conservation of the solid fuel resources or to protect against adverse water quality impacts. 27160

27164
27165
27166
27167
27168
27169
27170

(10) Minimize the disturbances to the prevailing hydrologic balance at the mine site and in associated offsite areas and to the quality and quantity of water in surface and ground water systems both during and after coal mining operations and during reclamation by doing all of the following: 27171
27172
27173
27174
27175

(a) Avoiding acid or other toxic mine drainage by such measures as, but not limited to: 27176
27177

(i) Preventing or removing water from contact with toxic producing deposits; 27178
27179

(ii) Treating drainage to reduce toxic content that adversely affects downstream water upon being released to water courses in accordance with rules adopted by the chief in accordance with section 1513.02 of the Revised Code; 27180
27181
27182
27183

(iii) Casing, sealing, or otherwise managing boreholes, 27184

shafts, and wells, and keeping acid or other toxic drainage from 27185
entering ground and surface waters. 27186

(b)(i) Conducting coal mining operations so as to prevent, to 27187
the extent possible using the best technology currently available, 27188
additional contributions of suspended solids to streamflow or 27189
runoff outside the permit area, but in no event shall 27190
contributions be in excess of requirements set by applicable state 27191
or federal laws; 27192

(ii) Constructing any siltation structures pursuant to 27193
division (A)(10)(b)(i) of this section prior to commencement of 27194
coal mining operations. The structures shall be certified by 27195
persons approved by the chief to be constructed as designed and as 27196
approved in the reclamation plan. 27197

(c) Cleaning out and removing temporary or large settling 27198
ponds or other siltation structures from drainways after disturbed 27199
areas are revegetated and stabilized, and depositing the silt and 27200
debris at a site and in a manner approved by the chief; 27201

(d) Restoring recharge capacity of the mined area to 27202
approximate premining conditions; 27203

(e) Avoiding channel deepening or enlargement in operations 27204
requiring the discharge of water from mines; 27205

(f) Such other actions as the chief may prescribe. 27206

(11) With respect to surface disposal of mine wastes, 27207
tailings, coal processing wastes, and other wastes in areas other 27208
than the mine working areas or excavations, stabilize all waste 27209
piles in designated areas through construction in compacted 27210
layers, including the use of noncombustible and impervious 27211
materials if necessary, and ensure that the final contour of the 27212
waste pile will be compatible with natural surroundings and that 27213
the site can and will be stabilized and revegetated according to 27214
this chapter; 27215

(12) Refrain from coal mining within five hundred feet of 27216
active and abandoned underground mines in order to prevent 27217
breakthroughs and to protect the health or safety of miners. The 27218
chief shall permit an operator to mine near, through, or partially 27219
through an abandoned underground mine or closer than five hundred 27220
feet to an active underground mine if both of the following 27221
conditions are met: 27222

(a) The nature, timing, and sequencing of the approximate 27223
coincidence of specific strip mine activities with specific 27224
underground mine activities are approved by the chief. 27225

(b) The operations will result in improved resource recovery, 27226
abatement of water pollution, or elimination of hazards to the 27227
health and safety of the public. 27228

(13) Design, locate, construct, operate, maintain, enlarge, 27229
modify, and remove or abandon, in accordance with the standards 27230
and criteria developed pursuant to rules adopted by the chief, all 27231
existing and new coal mine waste piles consisting of mine wastes, 27232
tailings, coal processing wastes, or other liquid and solid 27233
wastes, and used either temporarily or permanently as dams or 27234
embankments; 27235

(14) Ensure that all debris, acid-forming materials, toxic 27236
materials, or materials constituting a fire hazard are treated or 27237
buried and compacted or otherwise disposed of in a manner designed 27238
to prevent contamination of ground or surface waters and that 27239
contingency plans are developed to prevent sustained combustion; 27240

(15) Ensure that all reclamation efforts proceed in an 27241
environmentally sound manner and as contemporaneously as 27242
practicable with the coal mining operations, except that where the 27243
applicant proposes to combine strip mining operations with 27244
underground mining operations to ensure maximum practical recovery 27245
of the mineral resources, the chief may grant a variance for 27246

specific areas within the reclamation plan from the requirement 27247
that reclamation efforts proceed as contemporaneously as 27248
practicable to permit underground mining operations prior to 27249
reclamation if: 27250

(a) The chief finds in writing that: 27251

(i) The applicant has presented, as part of the permit 27252
application, specific, feasible plans for the proposed underground 27253
mining operations. 27254

(ii) The proposed underground mining operations are necessary 27255
or desirable to ensure maximum practical recovery of the mineral 27256
resource and will avoid multiple disturbance of the surface. 27257

(iii) The applicant has satisfactorily demonstrated that the 27258
plan for the underground mining operations conforms to 27259
requirements for underground mining in this state and that permits 27260
necessary for the underground mining operations have been issued 27261
by the appropriate authority. 27262

(iv) The areas proposed for the variance have been shown by 27263
the applicant to be necessary for the implementing of the proposed 27264
underground mining operations. 27265

(v) No substantial adverse environmental damage, either 27266
on-site or off-site, will result from the delay in completion of 27267
reclamation as required by this chapter. 27268

(vi) Provisions for the off-site storage of spoil will comply 27269
with division (A)(21) of this section. 27270

(b) The chief has adopted specific rules to govern the 27271
granting of such variances in accordance with this division and 27272
has imposed such additional requirements as the chief considers 27273
necessary. 27274

(c) Variances granted under this division shall be reviewed 27275
by the chief not more than three years from the date of issuance 27276

of the permit. 27277

(d) Liability under the performance security filed by the 27278
applicant with the chief pursuant to section 1513.08 of the 27279
Revised Code shall be for the duration of the underground mining 27280
operations and until the requirements of this section and section 27281
1513.08 of the Revised Code have been fully complied with. 27282

(16) Ensure that the construction, maintenance, and 27283
postmining conditions of access roads into and across the site of 27284
operations will control or prevent erosion and siltation, 27285
pollution of water, and damage to fish or wildlife or their 27286
habitat, or to public or private property; 27287

(17) Refrain from the construction of roads or other access 27288
ways up a stream bed or drainage channel or in such proximity to 27289
the channel as to seriously alter the normal flow of water; 27290

(18) Establish, on the regraded areas and all other lands 27291
affected, a diverse, effective, and permanent vegetative cover of 27292
the same seasonal variety native to the area of land to be 27293
affected and capable of self-regeneration and plant succession at 27294
least equal in extent of cover to the natural vegetation of the 27295
area, except that introduced species may be used in the 27296
revegetation process where desirable and necessary to achieve the 27297
approved postmining land use plan; 27298

(19)(a) Assume the responsibility for successful 27299
revegetation, as required by division (A)(18) of this section, for 27300
a period of five full years after the last year of augmented 27301
seeding, fertilizing, irrigation, or other work in order to ensure 27302
compliance with that division, except that when the chief approves 27303
a long-term intensive agricultural postmining land use, the 27304
applicable five-year period of responsibility for revegetation 27305
shall commence at the date of initial planting for that long-term 27306
intensive agricultural postmining land use, and except that when 27307

the chief issues a written finding approving a long-term intensive 27308
agricultural postmining land use as part of the mining and 27309
reclamation plan, the chief may grant an exception to division 27310
(A)(18) of this section; 27311

(b) On lands eligible for remining, assume the responsibility 27312
for successful revegetation, as required by division (A)(18) of 27313
this section, for a period of two full years after the last year 27314
of augmented seeding, fertilizing, irrigation, or other work in 27315
order to ensure compliance with that division. 27316

(20) Protect off-site areas from slides or damage occurring 27317
during the coal mining and reclamation operations and not deposit 27318
spoil material or locate any part of the operations or waste 27319
accumulations outside the permit area; 27320

(21) Place all excess spoil material resulting from coal 27321
mining and reclamation operations in such a manner that all of the 27322
following apply: 27323

(a) Spoil is transported and placed in a controlled manner in 27324
position for concurrent compaction and in such a way as to ensure 27325
mass stability and to prevent mass movement. 27326

(b) The areas of disposal are within the permit areas for 27327
which performance security has been provided. All organic matter 27328
shall be removed immediately prior to spoil placement except in 27329
the zoned concept method. 27330

(c) Appropriate surface and internal drainage systems and 27331
diversion ditches are used so as to prevent spoil erosion and mass 27332
movement. 27333

(d) The disposal area does not contain springs, natural 27334
watercourses, or wet weather seeps unless lateral drains are 27335
constructed from the wet areas to the main underdrains in such a 27336
manner that filtration of the water into the spoil pile will be 27337
prevented unless the zoned concept method is used. 27338

(e) If placed on a slope, the spoil is placed upon the most moderate slope among those slopes upon which, in the judgment of the chief, the spoil could be placed in compliance with all the requirements of this chapter and is placed, where possible, upon, or above, a natural terrace, bench, or berm if that placement provides additional stability and prevents mass movement.

(f) Where the toe of the spoil rests on a downslope, a rock toe buttress of sufficient size to prevent mass movement is constructed.

(g) The final configuration is compatible with the natural drainage pattern and surroundings and suitable for intended uses.

(h) Design of the spoil disposal area is certified by a qualified registered professional engineer in conformance with professional standards.

(i) All other provisions of this chapter are met.

(22) Meet such other criteria as are necessary to achieve reclamation in accordance with the purpose of this chapter, taking into consideration the physical, climatological, and other characteristics of the site;

(23) To the extent possible, using the best technology currently available, minimize disturbances and adverse impacts of the operation on fish, wildlife, and related environmental values, and achieve enhancement of such resources where practicable;

(24) Provide for an undisturbed natural barrier beginning at the elevation of the lowest coal seam to be mined and extending from the outslope for such distance as the chief shall determine to be retained in place as a barrier to slides and erosion;

(25) Restore on the permit area streams and wetlands affected by mining operations unless the chief approves restoration off the permit area without a permit required by section 1513.07 or

1513.074 of the Revised Code, instead of restoration on the permit area, of a stream or wetland or a portion of a stream or wetland, provided that the chief first makes all of the following written determinations: 27369
27370
27371
27372

(a) A hydrologic and engineering assessment of the affected lands, submitted by the operator, demonstrates that restoration on the permit area is not possible. 27373
27374
27375

(b) The proposed mitigation plan under which mitigation activities described in division (A)(25)(c) of this section will be conducted is limited to a stream or wetland, or a portion of a stream or wetland, for which restoration on the permit area is not possible. 27376
27377
27378
27379
27380

(c) Mitigation activities off the permit area, including mitigation banking and payment of in-lieu mitigation fees, will be performed pursuant to a permit issued under sections 401 and 404 of the "Federal Water Pollution Control Act" as defined in section 6111.01 of the Revised Code or an isolated wetland permit issued under Chapter 6111. of the Revised Code or pursuant to a no-cost reclamation contract for the restoration of water resources affected by past mining activities pursuant to section 1513.37 of the Revised Code. 27381
27382
27383
27384
27385
27386
27387
27388
27389

(d) The proposed mitigation plan and mitigation activities comply with the standards established in this section. 27390
27391

If the chief approves restoration off the permit area in accordance with this division, the operator shall complete all mitigation construction or other activities required by the mitigation plan. 27392
27393
27394
27395

Performance security for reclamation activities on the permit area shall be released pursuant to division (F) of this section, except that the release of the remaining portion of performance security under division (F)(3)(c) of this section shall not be 27396
27397
27398
27399

approved prior to the construction of required mitigation 27400
activities off the permit area. 27401

(B)(1) The chief may permit mining operations for the 27402
purposes set forth in division (B)(3) of this section. 27403

(2) When an applicant meets the requirements of divisions 27404
(B)(3) and (4) of this section, a permit without regard to the 27405
requirement to restore to approximate original contour known as 27406
mountain top removal set forth in divisions (A)(3) or (C)(2) and 27407
(3) of this section may be granted for the mining of coal where 27408
the mining operation will remove an entire coal seam or seams 27409
running through the upper fraction of a mountain, ridge, or hill, 27410
except as provided in division (B)(4)(a) of this section, by 27411
removing all of the overburden and creating a level plateau or a 27412
gently rolling contour with no highwalls remaining, and capable of 27413
supporting postmining uses in accordance with this division. 27414

(3) In cases where an industrial, commercial, agricultural, 27415
residential, or public facility use, including recreational 27416
facilities, is proposed for the postmining use of the affected 27417
land, the chief may grant a permit for a mining operation of the 27418
nature described in division (B)(2) of this section when all of 27419
the following apply: 27420

(a) After consultation with the appropriate land use planning 27421
agencies, if any, the proposed postmining land use is considered 27422
to constitute an equal or better economic or public use of the 27423
affected land, as compared with premining use. 27424

(b) The applicant presents specific plans for the proposed 27425
postmining land use and appropriate assurances that the use will 27426
be all of the following: 27427

(i) Compatible with adjacent land uses; 27428

(ii) Obtainable according to data regarding expected need and 27429
market; 27430

(iii) Assured of investment in necessary public facilities;	27431
(iv) Supported by commitments from public agencies where appropriate;	27432 27433
(v) Practicable with respect to private financial capability for completion of the proposed use;	27434 27435
(vi) Planned pursuant to a schedule attached to the reclamation plan so as to integrate the mining operation and reclamation with the postmining land use;	27436 27437 27438
(vii) Designed by a registered engineer in conformity with professional standards established to ensure the stability, drainage, and configuration necessary for the intended use of the site.	27439 27440 27441 27442
(c) The proposed use is consistent with adjacent land uses and existing state and local land use plans and programs.	27443 27444
(d) The chief provides the governing body of the unit of general-purpose local government in which the land is located, and any state or federal agency that the chief, in the chief's discretion, determines to have an interest in the proposed use, an opportunity of not more than sixty days to review and comment on the proposed use.	27445 27446 27447 27448 27449 27450
(e) All other requirements of this chapter will be met.	27451
(4) In granting a permit pursuant to this division, the chief shall require that each of the following is met:	27452 27453
(a) The toe of the lowest coal seam and the overburden associated with it are retained in place as a barrier to slides and erosion.	27454 27455 27456
(b) The reclaimed area is stable.	27457
(c) The resulting plateau or rolling contour drains inward from the out slopes except at specified points.	27458 27459

(d) No damage will be done to natural watercourses. 27460

(e) Spoil will be placed on the mountaintop bench as is 27461
necessary to achieve the planned postmining land use, except that 27462
all excess spoil material not retained on the mountaintop bench 27463
shall be placed in accordance with division (A)(21) of this 27464
section. 27465

(f) Stability of the spoil retained on the mountaintop bench 27466
is ensured and the other requirements of this chapter are met. 27467

(5) The chief shall adopt specific rules to govern the 27468
granting of permits in accordance with divisions (B)(1) to (4) of 27469
this section and may impose such additional requirements as the 27470
chief considers necessary. 27471

(6) All permits granted under divisions (B)(1) to (4) of this 27472
section shall be reviewed not more than three years from the date 27473
of issuance of the permit unless the applicant affirmatively 27474
demonstrates that the proposed development is proceeding in 27475
accordance with the terms of the approved schedule and reclamation 27476
plan. 27477

(C) All of the following performance standards apply to 27478
steep-slope coal mining and are in addition to those general 27479
performance standards required by this section, except that this 27480
division does not apply to those situations in which an operator 27481
is mining on flat or gently rolling terrain on which an occasional 27482
steep slope is encountered through which the mining operation is 27483
to proceed, leaving a plain or predominantly flat area, or where 27484
an operator is in compliance with division (B) of this section: 27485

(1) The operator shall ensure that when performing coal 27486
mining on steep slopes, no debris, abandoned or disabled 27487
equipment, spoil material, or waste mineral matter is placed on 27488
the downslope below the bench or mining cut. Spoil material in 27489
excess of that required for the reconstruction of the approximate 27490

original contour under division (A)(3) or (C)(2) of this section 27491
shall be permanently stored pursuant to division (A)(21) of this 27492
section. 27493

(2) The operator shall complete backfilling with spoil 27494
material to cover completely the highwall and return the site to 27495
the approximate original contour, which material will maintain 27496
stability following mining and reclamation. 27497

(3) The operator shall not disturb land above the top of the 27498
highwall unless the chief finds that the disturbance will 27499
facilitate compliance with the environmental protection standards 27500
of this section, except that any such disturbance involving land 27501
above the highwall shall be limited to that amount of land 27502
necessary to facilitate compliance. 27503

(D)(1) The chief may permit variances for the purposes set 27504
forth in division (D)(3) of this section, provided that the 27505
watershed control of the area is improved and that complete 27506
backfilling with spoil material shall be required to cover 27507
completely the highwall, which material will maintain stability 27508
following mining and reclamation. 27509

(2) Where an applicant meets the requirements of divisions 27510
(D)(3) and (4) of this section, a variance from the requirement to 27511
restore to approximate original contour set forth in division 27512
(C)(2) of this section may be granted for the mining of coal when 27513
the owner of the surface knowingly requests in writing, as a part 27514
of the permit application, that such a variance be granted so as 27515
to render the land, after reclamation, suitable for an industrial, 27516
commercial, residential, or public use, including recreational 27517
facilities, in accordance with divisions (D)(3) and (4) of this 27518
section. 27519

(3) A variance pursuant to division (D)(2) of this section 27520
may be granted if: 27521

(a) After consultation with the appropriate land use planning agencies, if any, the potential use of the affected land is considered to constitute an equal or better economic or public use.

(b) The postmining land condition is designed and certified by a registered professional engineer in conformity with professional standards established to ensure the stability, drainage, and configuration necessary for the intended use of the site.

(c) After approval of the appropriate state environmental agencies, the watershed of the affected land is considered to be improved.

(4) In granting a variance pursuant to division (D) of this section, the chief shall require that only such amount of spoil will be placed off the mine bench as is necessary to achieve the planned postmining land use, ensure stability of the spoil retained on the bench, and meet all other requirements of this chapter. All spoil placement off the mine bench shall comply with division (A)(21) of this section.

(5) The chief shall adopt specific rules to govern the granting of variances under division (D) of this section and may impose such additional requirements as the chief considers necessary.

(6) All variances granted under division (D) of this section shall be reviewed not more than three years from the date of issuance of the permit unless the permittee affirmatively demonstrates that the proposed development is proceeding in accordance with the terms of the reclamation plan.

(E) The chief shall establish standards and criteria regulating the design, location, construction, operation, maintenance, enlargement, modification, removal, and abandonment

of new and existing coal mine waste piles referred to in division 27553
(A)(13) of this section and division (A)(5) of section 1513.35 of 27554
the Revised Code. The standards and criteria shall conform to the 27555
standards and criteria used by the chief of the United States army 27556
corps of engineers to ensure that flood control structures are 27557
safe and effectively perform their intended function. In addition 27558
to engineering and other technical specifications, the standards 27559
and criteria developed pursuant to this division shall include 27560
provisions for review and approval of plans and specifications 27561
prior to construction, enlargement, modification, removal, or 27562
abandonment; performance of periodic inspections during 27563
construction; issuance of certificates of approval upon completion 27564
of construction; performance of periodic safety inspections; and 27565
issuance of notices for required remedial or maintenance work. 27566

(F)(1) The permittee may file a request with the chief for 27567
release of a part of a performance security under division (F)(3) 27568
of this section. Within thirty days after any request for 27569
performance security release under this section has been filed 27570
with the chief, the operator shall submit a copy of an 27571
advertisement placed at least once a week for four successive 27572
weeks in a newspaper of general circulation in the locality of the 27573
coal mining operation. The advertisement shall be considered part 27574
of any performance security release application and shall contain 27575
a notification of the precise location of the land affected, the 27576
number of acres, the permit number and the date approved, the 27577
amount of the performance security filed and the portion sought to 27578
be released, the type and appropriate dates of reclamation work 27579
performed, and a description of the results achieved as they 27580
relate to the operator's approved reclamation plan and, if 27581
applicable, the operator's pollution abatement plan. In addition, 27582
as part of any performance security release application, the 27583
applicant shall submit copies of the letters sent to adjoining 27584
property owners, local governmental bodies, planning agencies, and 27585

sewage and water treatment authorities or water companies in the 27586
locality in which the coal mining and reclamation activities took 27587
place, notifying them of the applicant's intention to seek release 27588
from the performance security. 27589

(2) Upon receipt of a copy of the advertisement and request 27590
for release of a performance security under division (F)(3)(c) of 27591
this section, the chief, within thirty days, shall conduct an 27592
inspection and evaluation of the reclamation work involved. The 27593
evaluation shall consider, among other things, the degree of 27594
difficulty to complete any remaining reclamation, whether 27595
pollution of surface and subsurface water is occurring, the 27596
probability of continuation or future occurrence of the pollution, 27597
and the estimated cost of abating the pollution. The chief shall 27598
notify the permittee in writing of the decision to release or not 27599
to release all or part of the performance security within sixty 27600
days after the filing of the request if no public hearing is held 27601
pursuant to division (F)(6) of this section or, if there has been 27602
a public hearing held pursuant to division (F)(6) of this section, 27603
within thirty days thereafter. 27604

(3) The chief may release the performance security if the 27605
reclamation covered by the performance security or portion thereof 27606
has been accomplished as required by this chapter and rules 27607
adopted under it according to the following schedule: 27608

(a) When the operator completes the backfilling, regrading, 27609
and drainage control of an area for which performance security has 27610
been provided in accordance with the approved reclamation plan, 27611
and, if the area covered by the performance security is one for 27612
which an authorization was made under division (E)(7) of section 27613
1513.07 of the Revised Code, the operator has complied with the 27614
approved pollution abatement plan and all additional requirements 27615
established by the chief in rules adopted under section 1513.02 of 27616
the Revised Code governing coal mining and reclamation operations 27617

on pollution abatement areas, the chief shall grant a release of 27618
fifty per cent of the performance security for the applicable 27619
permit area. 27620

(b) After resoiling and revegetation have been established on 27621
the regraded mined lands in accordance with the approved 27622
reclamation plan, the chief shall grant a release in an amount not 27623
exceeding thirty-five per cent of the original performance 27624
security for all or part of the affected area under the permit. 27625
When determining the amount of performance security to be released 27626
after successful revegetation has been established, the chief 27627
shall retain that amount of performance security for the 27628
revegetated area that would be sufficient for a third party to 27629
cover the cost of reestablishing revegetation for the period 27630
specified for operator responsibility in this section for 27631
reestablishing revegetation. No part of the performance security 27632
shall be released under this division so long as the lands to 27633
which the release would be applicable are contributing suspended 27634
solids to streamflow or runoff outside the permit area in excess 27635
of the requirements of this section or until soil productivity for 27636
prime farmlands has returned to equivalent levels of yield as 27637
nonmined land of the same soil type in the surrounding area under 27638
equivalent management practices as determined from the soil survey 27639
performed pursuant to section 1513.07 of the Revised Code. If the 27640
area covered by the performance security is one for which an 27641
authorization was made under division (E)(7) of section 1513.07 of 27642
the Revised Code, no part of the performance security shall be 27643
released under this division until the operator has complied with 27644
the approved pollution abatement plan and all additional 27645
requirements established by the chief in rules adopted under 27646
section 1513.02 of the Revised Code governing coal mining and 27647
reclamation operations on pollution abatement areas. Where a silt 27648
dam is to be retained as a permanent impoundment pursuant to 27649
division (A)(10) of this section, the portion of performance 27650

security may be released under this division so long as provisions 27651
for sound future maintenance by the operator or the landowner have 27652
been made with the chief. 27653

(c) When the operator has completed successfully all coal 27654
mining and reclamation activities, including, if applicable, all 27655
additional requirements established in the pollution abatement 27656
plan approved under division (E)(7) of section 1513.07 of the 27657
Revised Code and all additional requirements established by the 27658
chief in rules adopted under section 1513.02 of the Revised Code 27659
governing coal mining and reclamation operations on pollution 27660
abatement areas, the chief shall release all or any of the 27661
remaining portion of the performance security for all or part of 27662
the affected area under a permit, but not before the expiration of 27663
the period specified for operator responsibility in this section, 27664
except that the chief may adopt rules for a variance to the 27665
operator period of responsibility considering vegetation success 27666
and probability of continued growth and consent of the landowner, 27667
provided that no performance security shall be fully released 27668
until all reclamation requirements of this chapter are fully met. 27669

(4) If the chief disapproves the application for release of 27670
the performance security or portion thereof, the chief shall 27671
notify the permittee, in writing, stating the reasons for 27672
disapproval and recommending corrective actions necessary to 27673
secure the release, and allowing the opportunity for a public 27674
adjudicatory hearing. 27675

(5) When any application for total or partial performance 27676
security release is filed with the chief under this section, the 27677
chief shall notify the municipal corporation in which the coal 27678
mining operation is located by certified mail at least thirty days 27679
prior to the release of all or a portion of the performance 27680
security. 27681

(6) A person with a valid legal interest that might be 27682

adversely affected by release of a performance security under this 27683
section or the responsible officer or head of any federal, state, 27684
or local government agency that has jurisdiction by law or special 27685
expertise with respect to any environmental, social, or economic 27686
impact involved in the operation or is authorized to develop and 27687
enforce environmental standards with respect to such operations 27688
may file written objections to the proposed release from the 27689
performance security with the chief within thirty days after the 27690
last publication of the notice required by division (F)(1) of this 27691
section. If written objections are filed and an informal 27692
conference is requested, the chief shall inform all interested 27693
parties of the time and place of the conference. The date, time, 27694
and location of the informal conference shall be advertised by the 27695
chief in a newspaper of general circulation in the locality of the 27696
coal mining operation proposed for performance security release 27697
for at least once a week for two consecutive weeks. The informal 27698
conference shall be held in the locality of the coal mining 27699
operation proposed for performance security release or in Franklin 27700
county, at the option of the objector, within thirty days after 27701
the request for the conference. An electronic or stenographic 27702
record shall be made of the conference proceeding unless waived by 27703
all parties. The record shall be maintained and shall be 27704
accessible to the parties until final release of the performance 27705
security at issue. In the event all parties requesting the 27706
informal conference stipulate agreement prior to the requested 27707
informal conference and withdraw their request, the informal 27708
conference need not be held. 27709

(7) If an informal conference has been held pursuant to 27710
division (F)(6) of this section, the chief shall issue and furnish 27711
the applicant and persons who participated in the conference with 27712
the written decision regarding the release within sixty days after 27713
the conference. Within thirty days after notification of the final 27714
decision of the chief regarding the performance security release, 27715

the applicant or any person with an interest that is or may be 27716
adversely affected by the decision may appeal the decision to the 27717
reclamation commission pursuant to section 1513.13 of the Revised 27718
Code. 27719

(8)(a) If the chief determines that a permittee is 27720
responsible for mine drainage that requires water treatment after 27721
reclamation is completed under the terms of the permit or that a 27722
permittee must provide an alternative water supply after 27723
reclamation is completed under the terms of the permit, the 27724
permittee shall provide alternative financial security in an 27725
amount determined by the chief prior to the release of the 27726
remaining portion of performance security under division (F)(3)(c) 27727
of this section. The alternative financial security shall be in an 27728
amount that is equal to or greater than the present value of the 27729
estimated cost over time to develop and implement mine drainage 27730
plans and provide water treatment or in an amount that is 27731
necessary to provide and maintain an alternative water supply, as 27732
applicable. The alternative financial security shall include a 27733
contract, trust, or other agreement or mechanism that is 27734
enforceable under law to provide long-term water treatment or a 27735
long-term alternative water supply, or both. The contract, trust, 27736
or other agreement or mechanism included with the alternative 27737
financial security may provide for the funding of the alternative 27738
financial security incrementally over a period of time, not to 27739
exceed five years, with reliance on guarantees or other collateral 27740
provided by the permittee and approved by the chief for the 27741
balance of the alternative financial security required until the 27742
alternative financial security has been fully funded by the 27743
permittee. 27744

(b) The chief shall adopt rules in accordance with Chapter 27745
119. of the Revised Code that are necessary for the administration 27746
of division (F)(8)(a) of this section. 27747

(c) If the chief determines that a permittee must provide alternative financial security under division (F)(8)(a) of this section and the performance security for the permit was provided under division (C)(2) of section 1513.08 of the Revised Code, the permittee may fund the alternative financial security incrementally over a period of time, not to exceed five years, with reliance on the reclamation forfeiture fund created in section 1513.18 of the Revised Code for the balance of the alternative financial security required until the alternative financial security has been fully funded by the permittee. The permittee semiannually shall pay to the division of mineral resources management a fee that is equal to seven and one-half per cent of the average balance of the alternative financial security that is being provided by reliance on the reclamation forfeiture fund over the previous six months. All money received from the fee shall be credited to the reclamation forfeiture fund.

(9) Final release of the performance security in accordance with division (F)(3)(c) of this section terminates the jurisdiction of the chief under this chapter over the reclaimed site of a surface coal mining and reclamation operation or applicable portion of an operation. However, the chief shall reassert jurisdiction over such a site if the release was based on fraud, collusion, or misrepresentation of a material fact and the chief, in writing, demonstrates evidence of the fraud, collusion, or misrepresentation. Any person with an interest that is or may be adversely affected by the chief's determination may appeal the determination to the reclamation commission in accordance with section 1513.13 of the Revised Code.

(G) The chief shall adopt rules governing the criteria for forfeiture of performance security, the method of determining the forfeited amount, and the procedures to be followed in the event of forfeiture. Cash received as the result of such forfeiture is

the property of the state. 27780

Sec. 1514.08. (A) The chief of the division of mineral 27781
resources management may adopt, amend, and rescind rules in 27782
accordance with Chapter 119. of the Revised Code in order to 27783
prescribe procedures for submitting applications for permits, 27784
amendments to permits, and amendments to plans of mining and 27785
reclamation; filing annual reports and final reports; requesting 27786
inspection and approval of reclamation; paying permit and filing 27787
fees; and filing and obtaining the release of performance bonds 27788
deposited with the state. For the purpose of preventing damage to 27789
adjoining property or achieving one or more of the performance 27790
standards established in division (A)(10) of section 1514.02 of 27791
the Revised Code, the chief may establish classes of mining 27792
industries, based upon industrial categories, combinations of 27793
minerals produced, and geological conditions in which surface or 27794
in-stream mining operations occur, and may prescribe different 27795
rules consistent with the performance standards for each class. 27796
For the purpose of apportioning the workload of the division of 27797
mineral resources management among the quarters of the year, the 27798
rules may require that applications for permits and annual reports 27799
be filed in different quarters of the year, depending upon the 27800
county in which the operation is located. 27801

(B) The chief shall adopt rules under this section that do 27802
all of the following: 27803

(1) With respect to in-stream mining, and in consultation 27804
with the chief of the division of ~~soil and~~ water resources, 27805
determine periods of low flow, which are the only time periods 27806
during which in-stream mining is allowed, and develop and 27807
implement any criteria, in addition to the criteria established in 27808
section 1514.02 of the Revised Code, that the chief determines are 27809
necessary for the permitting of in-stream mining; 27810

(2) Establish criteria and procedures for approving or	27811
disapproving the transfer of a surface or in-stream mining permit	27812
under division (F) of section 1514.02 of the Revised Code;	27813
(3) Define when any of the following may be considered to be	27814
"significant" for purposes of section 1514.022 of the Revised	27815
Code:	27816
(a) An amendment to a permit issued under section 1514.02 of	27817
the Revised Code for a surface or in-stream mining operation;	27818
(b) An amendment to the plan of mining and reclamation that	27819
must be filed with an application for either permit under section	27820
1514.02 of the Revised Code;	27821
(c) Changes to that plan of mining and reclamation that are	27822
proposed in a permit renewal application filed under section	27823
1514.021 of the Revised Code.	27824
In defining "significant," the chief shall focus on changes	27825
that increase the likelihood that the mining operation may have a	27826
negative impact on the public.	27827
(4) Establish a framework and procedures under which the	27828
amount of any bond required to be filed under this chapter to	27829
ensure the satisfactory performance of the reclamation measures	27830
required under this chapter may be reduced by subtracting a credit	27831
based on the operator's past compliance with this chapter and	27832
rules adopted and orders issued under it. The rules also shall	27833
apply to cash, an irrevocable letter of credit, or a certificate	27834
of deposit that is on deposit in lieu of a bond. In establishing	27835
the amount of credit that an operator or applicant may receive	27836
based on past compliance, the chief may consider past compliance	27837
with respect to any permit for a surface or in-stream mining	27838
operation that has been issued in this state to the operator or	27839
applicant.	27840
(5) Establish criteria and procedures for granting a variance	27841

from compliance with the prohibitions established in divisions 27842
(E)(3) and (F)(3) of section 1514.10 of the Revised Code. The 27843
criteria shall ensure that an operator may obtain a variance only 27844
if compliance with the applicable prohibition is not necessary to 27845
prevent damage to the watercourse or surrounding areas. 27846

Sec. 1514.13. (A) The chief of the division of mineral 27847
resources management shall use the compilation of data for ground 27848
water modeling submitted under section 1514.02 of the Revised Code 27849
to establish a projected cone of depression for any surface mining 27850
operation that may result in dewatering. The chief shall consult 27851
with the chief of the division of ~~soil and~~ water resources when 27852
projecting a cone of depression. An applicant for a surface mining 27853
permit for such an operation may submit ground water modeling that 27854
shows a projected cone of depression for that operation to the 27855
chief, provided that the modeling complies with rules adopted by 27856
the chief regarding ground water modeling. However, the chief 27857
shall establish the projected cone of depression for the purposes 27858
of this section. 27859

The chief shall adopt, and may amend and rescind, rules in 27860
accordance with Chapter 119. of the Revised Code establishing 27861
requirements and standards governing both of the following: 27862

(1) Ground water modeling for establishing a projected cone 27863
of depression. A ground water model shall be generally accepted in 27864
the scientific community. 27865

(2) Replacement of water supplies. 27866

(B)(1) If an owner of real property who obtains all or part 27867
of the owner's water supply for domestic, agricultural, 27868
industrial, or other legitimate use from ground water has a 27869
diminution, contamination, or interruption of that water supply 27870
and the owner's real property is located within the projected cone 27871
of depression of a surface mining operation established under this 27872

section, the owner may submit a written complaint to the operator 27873
of that operation or to the chief informing the operator or the 27874
chief that there is a diminution, contamination, or interruption 27875
of the owner's water supply. The complaint shall include the 27876
owner's name, address, and telephone number. 27877

If the chief receives a written complaint, the chief 27878
immediately shall send a copy of the complaint to the operator, 27879
and the operator immediately shall respond by sending the chief a 27880
statement that explains how the operator resolved or will resolve 27881
the complaint. If the operator receives a written complaint, the 27882
operator immediately shall send to the chief a copy of the 27883
complaint and include a statement that explains how the operator 27884
resolved or will resolve the complaint. Not later than seventy-two 27885
hours after receipt of the complaint, the operator shall provide 27886
the owner a supply of water that is comparable, in quantity and 27887
quality, to the owner's water supply prior to the diminution, 27888
contamination, or interruption of the owner's water supply. The 27889
operator shall maintain that water supply until the operator 27890
provides a permanent replacement water supply to the owner under 27891
division (B)(3) of this section or until the division of mineral 27892
resources management completes the evaluation under division 27893
(B)(2) of this section, whichever is applicable. 27894

(2) A rebuttable presumption exists that the operation caused 27895
the diminution, contamination, or interruption of the owner's 27896
water supply. However, not later than fourteen days after receipt 27897
of the complaint, the operator may submit to the division 27898
information showing that the operation is not the proximate cause 27899
of the diminution, contamination, or interruption of the owner's 27900
water supply. The division shall evaluate the information 27901
submitted by the operator to determine if the presumption is 27902
rebutted. If the operator fails to rebut the presumption, the 27903
division immediately shall notify the operator that the operator 27904

failed to rebut the presumption. Not later than fourteen days 27905
after receipt of that notice, the operator shall provide the owner 27906
a permanent replacement water supply that is comparable, in 27907
quantity and quality, to the owner's water supply prior to the 27908
diminution, contamination, or interruption of the owner's water 27909
supply. If the operator rebuts the presumption, the division 27910
immediately shall notify the operator that the operator rebutted 27911
the presumption, and, upon receipt of that notice, the operator 27912
may cease providing a supply of water to the owner under division 27913
(B)(1) of this section. 27914

(3) If, within fourteen days after receipt of the complaint, 27915
the operator does not submit to the division information showing 27916
that the operation is not the proximate cause of the diminution, 27917
contamination, or interruption of the owner's water supply, the 27918
operator shall provide the owner, not later than twenty-eight days 27919
after receipt of the complaint, a permanent replacement water 27920
supply that is comparable, in quantity and quality, to the owner's 27921
water supply prior to the diminution, contamination, or 27922
interruption of the owner's water supply. 27923

(4) The division may investigate a complaint under division 27924
(B) of this section. 27925

(C) If an owner of real property who obtains all or part of 27926
the owner's water supply for domestic, agricultural, industrial, 27927
or other legitimate use from ground water has a diminution, 27928
contamination, or interruption of that water supply and the 27929
owner's real property is not located within the projected cone of 27930
depression of a surface mining operation established under this 27931
section, the owner may submit a written complaint to the operator 27932
of that operation or to the chief informing the operator or the 27933
chief that there is a diminution, contamination, or interruption 27934
of the owner's water supply. The complaint shall include the 27935
owner's name, address, and telephone number. 27936

If the operator receives a written complaint, the operator 27937
immediately shall send the chief a copy of the complaint. If the 27938
chief receives a written complaint, the chief immediately shall 27939
send the operator a copy of the complaint. The chief shall 27940
investigate any complaint submitted under this division and, upon 27941
completion of the investigation, immediately shall send the 27942
results of the investigation to the operator and to the owner that 27943
filed the complaint. 27944

An owner that submits a written complaint under this division 27945
may resolve the diminution, contamination, or interruption of the 27946
owner's water supply with the operator of that operation or may 27947
commence a civil action for that purpose. 27948

(D) An operator may request the chief to amend the plan of 27949
mining and reclamation filed with the application under section 27950
1514.02 of the Revised Code when a ground water user may affect 27951
the projected cone of depression established for the operation 27952
under division (A) of this section. The operator shall submit 27953
additional data that reflect the ground water user's impact on the 27954
ground water. The chief shall perform ground water modeling using 27955
the additional data and may establish a revised projected cone of 27956
depression for that operation. 27957

(E) This section shall not be construed as creating, 27958
modifying, or affecting any right, liability, or remedy of surface 27959
riparian owners. 27960

Sec. 1521.03. The chief of the division of ~~soil and~~ water 27961
resources shall do all of the following: 27962

(A) Assist in an advisory capacity any properly constituted 27963
watershed district, conservancy district, or soil and water 27964
conservation district or any county, municipal corporation, or 27965
other government agency of the state in the planning of works for 27966
ground water recharge, flood mitigation, floodplain management, 27967

flood control, flow capacity and stability of streams, rivers, and 27968
watercourses, or the establishment of water conservation 27969
practices, within the limits of the appropriations for those 27970
purposes; 27971

(B) Have authority to conduct basic inventories of the water 27972
and related natural resources in each drainage basin in the state; 27973
to develop a plan on a watershed basis that will recognize the 27974
variety of uses to which water may be put and the need for its 27975
management for those uses; with the approval of the director of 27976
natural resources and the controlling board, to transfer 27977
appropriated or other funds, authorized for those inventories and 27978
plan, to any division of the department of natural resources or 27979
other state agencies for the purpose of developing pertinent data 27980
relating to the plan of water management; and to accept and expend 27981
moneys contributed by any person for implementing the development 27982
of the plan; 27983

(C) Have authority to make detailed investigations of all 27984
factors relating to floods, floodplain management, and flood 27985
control in the state with particular attention to those factors 27986
bearing upon the hydraulic and hydrologic characteristics of 27987
rivers, streams, and watercourses, recognizing the variety of uses 27988
to which water and watercourses may be put; 27989

(D) Cooperate with the United States or any agency thereof 27990
and with any political subdivision of the state in planning and 27991
constructing flood control works; 27992

(E) Hold meetings or public hearings, whichever is considered 27993
appropriate by the chief, to assist in the resolution of conflicts 27994
between ground water users. Such meetings or hearings shall be 27995
called upon written request from boards of health of city or 27996
general health districts created by or under the authority of 27997
Chapter 3709. of the Revised Code or authorities having the duties 27998
of a board of health as authorized by section 3709.05 of the 27999

Revised Code, boards of county commissioners, boards of township trustees, legislative authorities of municipal corporations, or boards of directors of conservancy districts and may be called by the chief upon the request of any other person or at the chief's discretion. The chief shall collect and present at such meetings or hearings the available technical information relevant to the conflicts and to the ground water resource. The chief shall prepare a report, and may make recommendations, based upon the available technical data and the record of the meetings or hearings, about the use of the ground water resource. In making the report and any recommendations, the chief also may consider the factors listed in division (B) of section 1521.17 of the Revised Code. The technical information presented, the report prepared, and any recommendations made under this division shall be presumed to be prima-facie authentic and admissible as evidence in any court pursuant to Evidence Rule 902.

Sec. 1521.031. There is hereby created in the department of

natural resources the Ohio water advisory council. The council 28031
shall consist of seven members appointed by the governor with the 28032
advice and consent of the senate. No more than four of the members 28033
shall be of the same political party. Members shall be persons who 28034
have a demonstrated interest in water management and whose 28035
expertise reflects the various responsibilities of the division of 28036
~~soil and~~ water resources under this chapter and Chapter 1523. of 28037
the Revised Code, including, but not limited to, dam safety, 28038
surface water, groundwater, and flood plain management. The chief 28039
of the division of ~~soil and~~ water resources may participate in the 28040
deliberations of the council, but shall not vote. 28041

Terms of office of members shall be for two years commencing 28042
on the second day of February and ending on the first day of 28043
February. Each member shall hold office from the date of 28044
appointment until the end of the term for which appointed. The 28045
governor may remove any member at any time for inefficiency, 28046
neglect of duty, or malfeasance in office. In the event of the 28047
death, removal, resignation, or incapacity of any member, the 28048
governor, with the advice and consent of the senate, shall appoint 28049
a successor to hold office for the remainder of the term for which 28050
the member's predecessor was appointed. Any member shall continue 28051
in office following the expiration date of the member's term until 28052
the member's successor takes office or until sixty days have 28053
elapsed, whichever occurs first. Membership on the council does 28054
not constitute holding a public office or position of employment 28055
under the Revised Code and is not grounds for removal of public 28056
officers or employees from their offices or positions of 28057
employment. 28058

The council annually shall select from its members a 28059
chairperson and a vice-chairperson. The council shall hold at 28060
least one meeting each calendar quarter and shall keep a record of 28061
its proceedings, which shall be open to the public for inspection. 28062

Special meetings may be called by the chairperson and shall be 28063
called upon the written request of two or more members. A majority 28064
of the members constitutes a quorum. The division shall furnish 28065
clerical, technical, legal, and other services required by the 28066
council in the performance of its duties. 28067

Members shall receive no compensation, but shall be 28068
reimbursed from the appropriations for the division for the actual 28069
and necessary expenses incurred by them in the performance of 28070
their official duties. 28071

The council shall: 28072

(A) Advise the chief of the division of ~~soil and~~ water 28073
resources in carrying out the duties of the division under this 28074
chapter and Chapter 1523. of the Revised Code; 28075

(B) Recommend such policy and legislation with respect to 28076
water management and conservation as will promote the economic, 28077
industrial, and social development of the state while minimizing 28078
threats to the state's natural environment; 28079

(C) Review and make recommendations on the development of 28080
plans and programs for long-term, comprehensive water management 28081
throughout the state; and 28082

(D) Recommend ways to enhance cooperation among governmental 28083
agencies having an interest in water to encourage wise use and 28084
protection of the state's ground and surface waters. To this end, 28085
the council shall request nonvoting representation from 28086
appropriate governmental agencies. 28087

Sec. 1521.04. The chief of the division of ~~soil and~~ water 28088
resources, with the approval of the director of natural resources, 28089
may make loans and grants from the water management fund created 28090
in section 1501.32 of the Revised Code to governmental agencies 28091
for water management, water supply improvements, and planning and 28092

may administer grants from the federal government and from other 28093
public or private sources for carrying out those functions and for 28094
the performance of any acts that may be required by the United 28095
States or by any agency or department thereof as a condition for 28096
the participation by any governmental agency in any federal 28097
financial or technical assistance program. Direct and indirect 28098
costs of administration may be paid from the fund. 28099

The chief may use the water management fund for the purposes 28100
of administering the water diversion and consumptive use permit 28101
programs established in sections 1501.30 to 1501.35 of the Revised 28102
Code and the withdrawal and consumptive use permit program 28103
established under sections 1522.10 to 1522.21 of the Revised Code; 28104
to perform watershed and water resources studies for the purposes 28105
of water management planning; and to acquire, construct, 28106
reconstruct, improve, equip, maintain, operate, and dispose of 28107
water management improvements. The chief may fix, alter, charge, 28108
and collect rates, fees, rentals, and other charges to be paid 28109
into the fund by governmental agencies and persons who are 28110
supplied with water by facilities constructed or operated by the 28111
department of natural resources in order to amortize and defray 28112
the cost of the construction, maintenance, and operation of those 28113
facilities. 28114

Sec. 1521.05. (A) As used in this section: 28115

(1) "Construct" or "construction" includes drilling, boring, 28116
digging, deepening, altering, and logging. 28117

(2) "Altering" means changing the configuration of a well, 28118
including, without limitation, deepening a well, extending or 28119
replacing any portion of the inside or outside casing or wall of a 28120
well that extends below ground level, plugging a portion of a well 28121
back to a certain depth, and reaming out a well to enlarge its 28122
original diameter. 28123

(3) "Logging" means describing the lithology, grain size, color, and texture of the formations encountered during the drilling, boring, digging, deepening, or altering of a well.

(4) "Grouting" means neat cement; bentonite products in slurry, granular, or pelletized form, excluding drilling mud or fluids; or any combination of neat cement and bentonite products that is placed within a well to seal the annular space or to seal an abandoned well and that is impervious to and capable of preventing the movement of water.

(5) "Abandoned well" means a well whose use has been permanently discontinued and that poses potential health and safety hazards or that has the potential to transmit surface contaminants into the aquifer in which the well has been constructed.

(6) "Sealing" means the complete filling of an abandoned well with grouting or other approved materials in order to permanently prevent the vertical movement of water in the well and thus prevent the contamination of ground water or the intermixing of water between aquifers.

(B) Any person that constructs a well shall keep a careful and accurate log of the construction of the well. The log shall show all of the following:

(1) The character, including, without limitation, the lithology, color, texture, and grain size, the name, if known, and the depth of all formations passed through or encountered;

(2) The depths at which water is encountered;

(3) The static water level of the completed well;

(4) A copy of the record of all pumping tests and analyses related to those tests, if any;

(5) Construction details, including lengths, diameters, and

thicknesses of casing and screening and the volume, type of	28154
material, and method of introducing gravel packing and grouting	28155
into the well;	28156
(6) The type of pumping equipment installed, if any;	28157

plane coordinates or the latitude and longitude of the well;	28160
(8) The signature of the individual who constructed the well	28161
and filed the well log;	28162
(9) Any other information required by the chief of the	28163
division of soil and water resources.	28164
The log shall be filed with the division of soil and water	28165
resources within thirty days after the completion of construction	28166
of the well on forms prescribed and prepared by the division. The	28167
log shall be kept on file by the division.	28168
(C) Any person that seals a well shall keep a careful and	28169
accurate report of the sealing of the well. The sealing report	28170
shall show all of the following:	28171
(1) The name of the owner of the well, the address of the	28172
location where the well was constructed, and either the state	28173
plane coordinates or the latitude and longitude of the well;	28174
(2) The depth of the well, the size and length of its casing,	28175
and the static water level of the well;	28176
(3) The sealing procedures, including the volume and type of	28177
sealing material or materials and the method and depth of	28178
placement of each material;	28179
(4) The date on which the sealing was performed;	28180
(5) The signature of the individual who sealed the well and	28181
filed the sealing report;	28182

(6) Any other information required by the chief.	28183
The sealing report shall be filed with the division within	28184
thirty days after the completion of the sealing of the well on	28185
forms prescribed and prepared by the division.	28186
(D) In accordance with Chapter 119. of the Revised Code, the	28187
chief may adopt, amend, and rescind rules requiring other persons	28188
that are involved in the construction or subsequent development of	28189
a well to submit well logs under division (B) of this section	28190
containing any or all of the information specified in divisions	28191
(B)(1) to (9) of this section and specifying additional	28192
information to be included in sealing reports required under	28193
division (C) of this section. The chief shall adopt rules	28194
establishing procedures and requirements governing the payment and	28195
collection of water well log filing fees, including the amount of	28196
any filing fee to be imposed as an alternative to the	28197
twenty-dollar filing fee established in division (G) of this	28198
section and including procedures for the quarterly transfer of	28199
filing fees by boards of health and the director of environmental	28200
protection under that division.	28201
(E)(1) No person shall fail to keep and file a well log or a	28202
sealing report as required by this section.	28203
(2) No person shall make a false statement in any well log or	28204
sealing report required to be kept and filed under this section.	28205
Violation of division (E)(2) of this section is falsification	28206
under section 2921.13 of the Revised Code.	28207
(F) For the purposes of prosecution of a violation of	28208
division (E)(1) of this section, a prima-facie case is established	28209
when the division obtains either of the following:	28210
(1) A certified copy of a permit for a private water system	28211
issued in accordance with rules adopted under section 3701.344 of	28212
the Revised Code, or a certified copy of the invoice or a canceled	28213

check from the owner of a well indicating the construction or sealing services performed; 28214
28215

(2) A certified copy of any permit issued under Chapter 3734. or 6111. of the Revised Code or plan approval granted under Chapter 6109. of the Revised Code for any activity that includes the construction or sealing of a well as applicable. 28216
28217
28218
28219

(G) In accordance with rules adopted under this section, a person or entity that constructs a well for the purpose of extracting potable water as part of a private water system that is subject to rules adopted under section 3701.344 of the Revised Code or a public water system that is required to be licensed under Chapter 6109. of the Revised Code shall pay a well log filing fee of twenty dollars per well log or, if the chief has adopted rules establishing an alternative fee amount, the fee amount established under rules. The fee shall be collected by a board of health under section 3701.344 of the Revised Code or the environmental protection agency under section 6109.22 of the Revised Code, as applicable. 28220
28221
28222
28223
28224
28225

28227
28228
28229
28230
28231

Each calendar quarter, a board of health or the environmental protection agency, as applicable, shall forward all well log filing fees collected during the previous calendar quarter to the division of ~~soil and~~ water resources. The fees shall be forwarded in accordance with procedures established in rules adopted under this section. 28232
28233
28234
28235
28236
28237

Proceeds of well log filing fees shall be used by the division of ~~soil and~~ water resources for the purposes of acquiring, maintaining, and dispensing digital and paper records of well logs that are filed with the division. 28238
28239
28240
28241

Sec. 1521.06. (A) No dam may be constructed for the purpose of storing, conserving, or retarding water, or for any other purpose, nor shall any levee be constructed for the purpose of 28242
28243
28244

diverting or retaining flood water, unless the person or 28245
governmental agency desiring the construction has a construction 28246
permit for the dam or levee issued by the chief of the division of 28247
~~soil and~~ water resources. 28248

A construction permit is not required under this section for: 28249

(1) A dam that is or will be less than ten feet in height and 28250
that has or will have a storage capacity of not more than fifty 28251
acre-feet at the elevation of the top of the dam, as determined by 28252
the chief. For the purposes of this section, the height of a dam 28253
shall be measured from the natural stream bed or lowest ground 28254
elevation at the downstream or outside limit of the dam to the 28255
elevation of the top of the dam. 28256

(2) A dam, regardless of height, that has or will have a 28257
storage capacity of not more than fifteen acre-feet at the 28258
elevation of the top of the dam, as determined by the chief; 28259

(3) A dam, regardless of storage capacity, that is or will be 28260
six feet or less in height, as determined by the chief; 28261

(4) A dam or levee that belongs to a class exempted by the 28262
chief; 28263

(5) The repair, maintenance, improvement, alteration, or 28264
removal of a dam or levee that is subject to section 1521.062 of 28265
the Revised Code, unless the construction constitutes an 28266
enlargement or reconstruction of the structure as determined by 28267
the chief; 28268

(6) A dam or impoundment constructed under Chapter 1513. of 28269
the Revised Code. 28270

(B) Before a construction permit may be issued, three copies 28271
of the plans and specifications, including a detailed cost 28272
estimate, for the proposed construction, prepared by a registered 28273
professional engineer, together with the filing fee specified by 28274

this section and the bond or other security required by section 28275
1521.061 of the Revised Code, shall be filed with the chief. The 28276
detailed estimate of the cost shall include all costs associated 28277
with the construction of the dam or levee, including supervision 28278
and inspection of the construction by a registered professional 28279
engineer. The filing fee shall be based on the detailed cost 28280
estimate for the proposed construction as filed with and approved 28281
by the chief, and shall be determined by the following schedule 28282
unless otherwise provided by rules adopted under this section: 28283

(1) For the first one hundred thousand dollars of estimated 28284
cost, a fee of four per cent; 28285

(2) For the next four hundred thousand dollars of estimated 28286
cost, a fee of three per cent; 28287

(3) For the next five hundred thousand dollars of estimated 28288
cost, a fee of two per cent; 28289

(4) For all costs in excess of one million dollars, a fee of 28290
one-half of one per cent. 28291

In no case shall the filing fee be less than one thousand 28292
dollars or more than one hundred thousand dollars. If the actual 28293
cost exceeds the estimated cost by more than fifteen per cent, an 28294
additional filing fee shall be required equal to the fee 28295
determined by the preceding schedule less the original filing fee. 28296
All fees collected pursuant to this section, and all fines 28297
collected pursuant to section 1521.99 of the Revised Code, shall 28298
be deposited in the state treasury to the credit of the dam safety 28299
fund, which is hereby created. Expenditures from the fund shall be 28300
made by the chief for the purpose of administering this section 28301
and sections 1521.061 and 1521.062 of the Revised Code. 28302

(C) The chief shall, within thirty days from the date of the 28303
receipt of the application, fee, and bond or other security, issue 28304
or deny a construction permit for the construction or may issue a 28305

construction permit conditioned upon the making of such changes in 28306
the plans and specifications for the construction as the chief 28307
considers advisable if the chief determines that the construction 28308
of the proposed dam or levee, in accordance with the plans and 28309
specifications filed, would endanger life, health, or property. 28310

(D) The chief may deny a construction permit after finding 28311
that a dam or levee built in accordance with the plans and 28312
specifications would endanger life, health, or property, because 28313
of improper or inadequate design, or for such other reasons as the 28314
chief may determine. 28315

In the event the chief denies a permit for the construction 28316
of the dam or levee, or issues a permit conditioned upon a making 28317
of changes in the plans or specifications for the construction, 28318
the chief shall state the reasons therefor and so notify, in 28319
writing, the person or governmental agency making the application 28320
for a permit. If the permit is denied, the chief shall return the 28321
bond or other security to the person or governmental agency making 28322
application for the permit. 28323

The decision of the chief conditioning or denying a 28324
construction permit is subject to appeal as provided in Chapter 28325
119. of the Revised Code. A dam or levee built substantially at 28326
variance from the plans and specifications upon which a 28327
construction permit was issued is in violation of this section. 28328
The chief may at any time inspect any dam or levee, or site upon 28329
which any dam or levee is to be constructed, in order to determine 28330
whether it complies with this section. 28331

(E) A registered professional engineer shall inspect the 28332
construction for which the permit was issued during all phases of 28333
construction and shall furnish to the chief such regular reports 28334
of the engineer's inspections as the chief may require. When the 28335
chief finds that construction has been fully completed in 28336
accordance with the terms of the permit and the plans and 28337

specifications approved by the chief, the chief shall approve the 28338
construction. When one year has elapsed after approval of the 28339
completed construction, and the chief finds that within this 28340
period no fact has become apparent to indicate that the 28341
construction was not performed in accordance with the terms of the 28342
permit and the plans and specifications approved by the chief, or 28343
that the construction as performed would endanger life, health, or 28344
property, the chief shall release the bond or other security. No 28345
bond or other security shall be released until one year after 28346
final approval by the chief, unless the dam or levee has been 28347
modified so that it will not retain water and has been approved as 28348
nonhazardous after determination by the chief that the dam or 28349
levee as modified will not endanger life, health, or property. 28350

(F) When inspections required by this section are not being 28351
performed, the chief shall notify the person or governmental 28352
agency to which the permit has been issued that inspections are 28353
not being performed by the registered professional engineer and 28354
that the chief will inspect the remainder of the construction. 28355
Thereafter, the chief shall inspect the construction and the cost 28356
of inspection shall be charged against the owner. Failure of the 28357
registered professional engineer to submit required inspection 28358
reports shall be deemed notice that the engineer's inspections are 28359
not being performed. 28360

(G) The chief may order construction to cease on any dam or 28361
levee that is being built in violation of this section, and may 28362
prohibit the retention of water behind any dam or levee that has 28363
been built in violation of this section. The attorney general, 28364
upon written request of the chief, may bring an action for an 28365
injunction against any person who violates this section or to 28366
enforce an order or prohibition of the chief made pursuant to this 28367
section. 28368

(H) The chief may adopt rules in accordance with Chapter 119. 28369

of the Revised Code, for the design and construction of dams and levees for which a construction permit is required by this section or for which periodic inspection is required by section 1521.062 of the Revised Code, for establishing a filing fee schedule in lieu of the schedule established under division (B) of this section, for deposit and forfeiture of bonds and other securities required by section 1521.061 of the Revised Code, for the periodic inspection, operation, repair, improvement, alteration, or removal of all dams and levees, as specified in section 1521.062 of the Revised Code, and for establishing classes of dams or levees that are exempt from the requirements of this section and section 1521.062 of the Revised Code as being of a size, purpose, or situation that does not present a substantial hazard to life, health, or property. The chief may, by rule, limit the period during which a construction permit issued under this section is valid. The rules may allow for the extension of the period during which a permit is valid upon written request, provided that the written request includes a revised construction cost estimate, and may require the payment of an additional filing fee for the requested extension. If a construction permit expires without an extension before construction is completed, the person or agency shall apply for a new permit, and shall not continue construction until the new permit is issued.

Sec. 1521.061. Except as otherwise provided in this section, a construction permit shall not be issued under section 1521.06 of the Revised Code unless the person or governmental agency applying for the permit executes and files a surety bond conditioned on completion of the dam or levee in accordance with the terms of the permit and the plans and specifications approved by the chief of the division of ~~soil~~ and water resources, in an amount equal to fifty per cent of the estimated cost of the project.

If a permittee requests an extension of the time period

during which a construction permit is valid in accordance with 28402
rules adopted under section 1521.06 of the Revised Code, the chief 28403
shall determine whether the revised construction cost estimate 28404
provided with the request exceeds the original construction cost 28405
estimate that was filed with the chief by more than twenty-five 28406
per cent. If the revised construction cost estimate exceeds the 28407
original construction cost estimate by more than twenty-five per 28408
cent, the chief may require an additional surety bond to be filed 28409
so that the total amount of the surety bonds equals at least fifty 28410
per cent of the revised construction cost estimate. 28411

The chief shall not approve any bond until it is personally 28412
signed and acknowledged by both principal and surety, or as to 28413
either by the attorney in fact thereof, with a certified copy of 28414
the power of attorney attached. The chief shall not approve the 28415
bond unless there is attached a certificate of the superintendent 28416
of insurance that the company is authorized to transact a fidelity 28417
and surety business in this state. 28418

All bonds shall be given in a form prescribed by the chief 28419
and shall run to the state as obligee. 28420

The applicant may deposit, in lieu of a bond, cash in an 28421
amount equal to the amount of the bond or United States government 28422
securities or negotiable certificates of deposit issued by any 28423
bank organized or transacting business in this state having a par 28424
value equal to or greater than the amount of the bond. Such cash 28425
or securities shall be deposited upon the same terms as bonds. If 28426
one or more certificates of deposit are deposited in lieu of a 28427
bond, the chief shall require the bank that issued any such 28428
certificate to pledge securities of the aggregate market value 28429
equal to the amount of the certificate that is in excess of the 28430
amount insured by the federal deposit insurance corporation. The 28431
securities to be pledged shall be those designated as eligible 28432
under section 135.18 of the Revised Code. The securities shall be 28433

security for the repayment of the certificate of deposit. 28434

Immediately upon a deposit of cash, securities, or 28435
certificates of deposit, the chief shall deliver them to the 28436
treasurer of state, who shall hold them in trust for the purposes 28437
for which they have been deposited. The treasurer of state is 28438
responsible for the safekeeping of such deposits. An applicant 28439
making a deposit of cash, securities, or certificates of deposit 28440
may withdraw and receive from the treasurer of state, on the 28441
written order of the chief, all or any portion of the cash, 28442
securities, or certificates of deposit, upon depositing with the 28443
treasurer of state cash, other United States government 28444
securities, or negotiable certificates of deposit issued by any 28445
bank organized or transacting business in this state equal in par 28446
value to the par value of the cash, securities, or certificates of 28447
deposit withdrawn. An applicant may demand and receive from the 28448
treasurer of state all interest or other income from any such 28449
securities or certificates as it becomes due. If securities so 28450
deposited with and in the possession of the treasurer of state 28451
mature or are called for payment by the issuer thereof, the 28452
treasurer of state, at the request of the applicant who deposited 28453
them, shall convert the proceeds of the redemption or payment of 28454
the securities into such other United States government 28455
securities, negotiable certificates of deposit issued by any bank 28456
organized or transacting business in this state, or cash as the 28457
applicant designates. 28458

When the chief finds that a person or governmental agency has 28459
failed to comply with the conditions of the person's or agency's 28460
bond, the chief shall make a finding of that fact and declare the 28461
bond, cash, securities, or certificates of deposit forfeited in 28462
the amount set by rule of the chief. The chief shall thereupon 28463
certify the total forfeiture to the attorney general, who shall 28464
proceed to collect that amount. 28465

In lieu of total forfeiture, the surety, at its option, may 28466
cause the dam or levee to be completed as required by section 28467
1521.06 of the Revised Code and rules of the chief, or otherwise 28468
rendered nonhazardous, or pay to the treasurer of state the cost 28469
thereof. 28470

All moneys collected on account of forfeitures of bonds, 28471
cash, securities, and certificates of deposit under this section 28472
shall be credited to the dam safety fund created in section 28473
1521.06 of the Revised Code. The chief shall make expenditures 28474
from the fund to complete dams and levees for which bonds have 28475
been forfeited or to otherwise render them nonhazardous. 28476

Expenditures from the fund for those purposes shall be made 28477
pursuant to contracts entered into by the chief with persons who 28478
agree to furnish all of the materials, equipment, work, and labor 28479
as specified and provided in the contract. 28480

A surety bond shall not be required for a permit for a dam or 28481
levee that is to be designed and constructed by an agency of the 28482
United States government, if the agency files with the chief 28483
written assurance of the agency's financial responsibility for the 28484
structure during the one-year period following the chief's 28485
approval of the completed construction provided for under division 28486
(E) of section 1521.06 of the Revised Code. 28487

Sec. 1521.062. (A) All dams and levees constructed in this 28488
state and not exempted by this section or by the chief of the 28489
division of ~~soil and~~ water resources under section 1521.06 of the 28490
Revised Code shall be inspected periodically by the chief, except 28491
for classes of dams that, in accordance with rules adopted under 28492
this section, are required to be inspected by registered 28493
professional engineers who have been approved for that purpose by 28494
the chief. The inspection shall ensure that continued operation 28495
and use of the dam or levee does not constitute a hazard to life, 28496

health, or property. Periodic inspections shall not be required of 28497
the following structures: 28498

(1) A dam that is less than ten feet in height and has a 28499
storage capacity of not more than fifty acre-feet at the elevation 28500
of the top of the dam, as determined by the chief. For the 28501
purposes of this section, the height of a dam shall be measured 28502
from the natural stream bed or lowest ground elevation at the 28503
downstream or outside limit of the dam to the elevation of the top 28504
of the dam. 28505

(2) A dam, regardless of height, that has a storage capacity 28506
of not more than fifteen acre-feet at the elevation of the top of 28507
the dam, as determined by the chief; 28508

(3) A dam, regardless of storage capacity, that is six feet 28509
or less in height, as determined by the chief; 28510

(4) A dam or levee belonging to a class exempted by the 28511
chief; 28512

(5) A dam or levee that has been exempted in accordance with 28513
rules adopted under section 1521.064 of the Revised Code. 28514

(B) In accordance with rules adopted under this section, the 28515
owner of a dam that is in a class of dams that is designated in 28516
the rules for inspection by registered professional engineers 28517
shall obtain the services of a registered professional engineer 28518
who has been approved by the chief to conduct the periodic 28519
inspection of dams pursuant to schedules and other standards and 28520
procedures established in the rules. The registered professional 28521
engineer shall prepare a report of the inspection in accordance 28522
with the rules and provide the inspection report to the dam owner 28523
who shall submit it to the chief. A dam that is designated under 28524
the rules for inspection by a registered professional engineer, 28525
but that is not inspected within a five-year period may be 28526
inspected by the chief at the owner's expense. 28527

(C) Intervals between periodic inspections shall be 28528
determined by the chief, but shall not exceed five years. 28529

(D) In the case of a dam or levee that the chief inspects, 28530
the chief shall furnish a report of the inspection to the owner of 28531
the dam or levee. With regard to a dam or levee that has been 28532
inspected, either by the chief or by a registered professional 28533
engineer, and that is the subject of an inspection report prepared 28534
or received by the chief, the chief shall inform the owner of any 28535
required repairs, maintenance, investigations, and other remedial 28536
and operational measures. The chief shall order the owner to 28537
perform such repairs, maintenance, investigations, or other 28538
remedial or operational measures as the chief considers necessary 28539
to safeguard life, health, or property. The order shall permit the 28540
owner a reasonable time in which to perform the needed repairs, 28541
maintenance, investigations, or other remedial measures, and the 28542
cost thereof shall be borne by the owner. All orders of the chief 28543
are subject to appeal as provided in Chapter 119. of the Revised 28544
Code. The attorney general, upon written request of the chief, may 28545
bring an action for an injunction against any person who violates 28546
this section or to enforce an order of the chief made pursuant to 28547
this section. 28548

(E) The owner of a dam or levee shall monitor, maintain, and 28549
operate the structure and its appurtenances safely in accordance 28550
with state rules, terms and conditions of permits, orders, and 28551
other requirements issued pursuant to this section or section 28552
1521.06 of the Revised Code. The owner shall fully and promptly 28553
notify the division of ~~soil and~~ water resources and other 28554
responsible authorities of any condition that threatens the safety 28555
of the structure and shall take all necessary actions to safeguard 28556
life, health, and property. 28557

(F) Before commencing the repair, improvement, alteration, or 28558
removal of a dam or levee, the owner shall file an application 28559

including plans, specifications, and other required information 28560
with the division and shall secure written approval of the 28561
application by the chief. Emergency actions by the owner required 28562
to safeguard life, health, or property are exempt from this 28563
requirement. The chief may, by rule, define maintenance, repairs, 28564
or other remedial measures of a routine nature that are exempt 28565
from this requirement. 28566

(G) The chief may remove or correct, at the expense of the 28567
owner, any unsafe structures found to be constructed or maintained 28568
in violation of this section or section 1521.06 of the Revised 28569
Code. In the case of an owner other than a governmental agency, 28570
the cost of removal or correction of any unsafe structure, 28571
together with a description of the property on which the unsafe 28572
structure is located, shall be certified by the chief to the 28573
county auditor and placed by the county auditor upon the tax 28574
duplicate. This cost is a lien upon the lands from the date of 28575
entry and shall be collected as other taxes and returned to the 28576
division. In the case of an owner that is a governmental agency, 28577
the cost of removal or correction of any unsafe structure shall be 28578
recoverable from the owner by appropriate action in a court of 28579
competent jurisdiction. 28580

(H) If the condition of any dam or levee is found, in the 28581
judgment of the chief, to be so dangerous to the safety of life, 28582
health, or property as not to permit time for the issuance and 28583
enforcement of an order relative to repair, maintenance, or 28584
operation, the chief shall employ any of the following remedial 28585
means necessary to protect life, health, and property: 28586

(1) Lower the water level of the lake or reservoir by 28587
releasing water; 28588

(2) Completely drain the lake or reservoir; 28589

(3) Take such other measures or actions as the chief 28590

considers necessary to safeguard life, health, and property. 28591

The chief shall continue in full charge and control of the 28592
dam or levee until the structure is rendered safe. The cost of the 28593
remedy shall be recoverable from the owner of the structure by 28594
appropriate action in a court of competent jurisdiction. 28595

(I) The chief may accept and expend gifts, bequests, and 28596
grants from the United States government or from any other public 28597
or private source and may contract with the United States 28598
government or any other agency or entity for the purpose of 28599
carrying out the dam safety functions set forth in this section 28600
and section 1521.06 of the Revised Code. 28601

(J) In accordance with Chapter 119. of the Revised Code, the 28602
chief may adopt, and may amend or rescind, rules that do all of 28603
the following: 28604

(1) Designate classes of dams for which dam owners must 28605
obtain the services of a registered professional engineer to 28606
periodically inspect the dams and to prepare reports of the 28607
inspections for submittal to the chief; 28608

(2) Establish standards in accordance with which the chief 28609
must approve or disapprove registered professional engineers to 28610
inspect dams together with procedures governing the approval 28611
process; 28612

(3) Establish schedules, standards, and procedures governing 28613
periodic inspections and standards and procedures governing the 28614
preparation and submittal of inspection reports; 28615

(4) Establish provisions regarding the enforcement of this 28616
section and rules adopted under it. 28617

(K) The owner of a dam or levee shall notify the chief in 28618
writing of a change in ownership of the dam or levee prior to the 28619
exchange of the property. 28620

Sec. 1521.063. (A) Except for the federal government, the owner of a dam, that is classified as a class I, class II, or class III dam under rules adopted under section 1521.06 of the Revised Code and subject to section 1521.062 of the Revised Code shall pay an annual fee, based upon the height of the dam, the linear foot length of the dam, and the per-acre foot of volume of water impounded by the dam. The fee shall be paid to the division of ~~soil and~~ water resources on or before the thirtieth day of June of each year. The annual fee shall be as follows until otherwise provided by rules adopted under this section:

(1) For any dam classified as a class I dam under rules adopted by the chief of the division of ~~soil and~~ water resources under section 1521.06 of the Revised Code, three hundred dollars plus ten dollars per foot of height of dam, five cents per foot of length of the dam and five cents per-acre foot of water impounded by the dam;

(2) For any dam classified as a class II dam under those rules, ninety dollars plus six dollars per foot of height of dam, five cents per foot of length of the dam and five cents per-acre foot of water impounded by the dam;

(3) For any dam classified as a class III dam under those rules, ninety dollars plus four dollars per foot of height of the dam, five cents per foot of length of the dam, and five cents per-acre foot of volume of water impounded by the dam.

For purposes of this section, the height of a dam is the vertical height, to the nearest foot, as determined by the division under section 1521.062 of the Revised Code.

All fees collected under this section shall be deposited in the dam safety fund created in section 1521.06 of the Revised Code. Any owner who fails to pay any annual fee required by this section within sixty days after the due date shall be assessed a

penalty of ten per cent of the annual fee plus interest at the 28652
rate of one-half per cent per month from the due date until the 28653
date of payment. 28654

There is hereby created the compliant dam discount program to 28655
be administered by the chief. Under the program, the chief may 28656
reduce the amount of the annual fee that an owner of a dam is 28657
required to pay under division (A)(1), (2), or (3) of this section 28658
if the owner is in compliance with section 1521.062 of the Revised 28659
Code and has developed an emergency action plan pursuant to 28660
standards established in rules adopted under this section. The 28661
chief shall not discount an annual fee by more than twenty-five 28662
per cent of the total annual fee that is due. In addition, the 28663
chief shall not discount the annual fee that is due from the owner 28664
of a dam who has been assessed a penalty under this section. 28665

(B) The chief shall, in accordance with Chapter 119. of the 28666
Revised Code and subject to the prior approval of the director of 28667
natural resources, adopt, and may amend or rescind, rules for the 28668
collection of fees and the administration, implementation, and 28669
enforcement of this section and for the establishment of an annual 28670
fee schedule in lieu of the schedule established in division (A) 28671
of this section. 28672

(C)(1) No person, political subdivision, or state 28673
governmental agency shall violate or fail to comply with this 28674
section or any rule or order adopted or issued under it. 28675

(2) The attorney general, upon written request of the chief, 28676
may commence an action against any such violator. Any action under 28677
division (C)(2) of this section is a civil action. 28678

(D) As used in this section, "political subdivision" includes 28679
townships, municipal corporations, counties, school districts, 28680
municipal universities, park districts, sanitary districts, and 28681
conservancy districts and subdivisions thereof. 28682

Sec. 1521.064. The chief of the division of ~~soil and~~ water 28683
resources, in accordance with Chapter 119. of the Revised Code, 28684
shall adopt, and may amend and rescind, rules establishing a 28685
program under which dams and levees may be exempted from 28686
inspections under section 1521.062 of the Revised Code if the 28687
continued operation and use of, and any rupturing of or other 28688
structural damage to, the dams and levees will not constitute a 28689
hazard to life, health, or property. The rules shall establish, 28690
without limitation, all of the following: 28691

(A) A procedure by which the owner of such a dam or levee may 28692
apply for an exemption under this section; 28693

(B) The standards that a dam or levee shall meet in order to 28694
be exempted under this section; 28695

(C) A procedure by which the chief shall periodically review 28696
the status of a dam or levee that has been exempted under this 28697
section to determine if the exemption should be rescinded; 28698

(D) A requirement that the owner of any dam or levee exempted 28699
under this section shall agree, in writing, to accept liability 28700
for any injury, death, or loss to persons or property caused by 28701
the rupturing of or other structural damage to the dam or levee. 28702

Sec. 1521.07. The chief of the division of ~~soil and~~ water 28703
resources or any employee in the service of the division may enter 28704
upon lands to make surveys and inspections in accordance with this 28705
chapter, when necessary in the discharge of the duties enumerated 28706
in this chapter. 28707

Sec. 1521.10. In order to be entitled to the compensation 28708
provided for in section 1521.09 of the Revised Code, the landowner 28709
shall have prepared and submit to the division of ~~soil and~~ water 28710
resources complete plans for the dam provided for in such section. 28711

The plans shall have the approval of the chief of the division of 28712
~~soil and~~ water resources and the dam shall be constructed in 28713
accordance with such plans before compensation can be claimed. 28714

Sec. 1521.11. Upon the completion of the dam referred to in 28715
section 1521.09 of the Revised Code to the satisfaction of the 28716
division of ~~soil and~~ water resources, it shall certify the 28717
completion and the capacity thereof to the county auditor who 28718
shall thereupon make such reduction in the assessed valuation of 28719
the contiguous landowner as the contiguous landowner is entitled 28720
to receive under sections 1521.09 to 1521.12 of the Revised Code. 28721

Sec. 1521.12. In the event that any dam is constructed before 28722
plans are submitted to and approved by the division of ~~soil and~~ 28723
water resources as required by section 1521.10 of the Revised 28724
Code, the landowner may submit plans of the dam the landowner has 28725
built, showing the area of the drainage basin above the dam, a 28726
cross section of the dam site, a cross section, plan, and 28727
elevation of the dam, a map of the spillway, a topographic map of 28728
the reservoir basin, and such other data and information as the 28729
division requires. If the plans receive the approval of the 28730
division, and upon examination the dam is found to be 28731
satisfactorily completed in accordance with such plans, the 28732
division shall certify the completion and capacity thereof to the 28733
county auditor. If the plans fail to meet the requirements of the 28734
division, the owner may submit revised plans, and when such 28735
revised plans have been approved and the dam rebuilt to conform to 28736
such plans, the completion of the dam and its capacity shall then 28737
be certified to the auditor who shall thereupon make such 28738
reduction in the assessed valuation of the contiguous land as such 28739
owner is entitled to receive under sections 1521.09 to 1521.12 of 28740
the Revised Code. 28741

Sec. 1521.13. (A) Development in one-hundred-year floodplain areas shall be protected to at least the one-hundred-year flood level, and flood water conveyance shall be maintained, at a minimum, in accordance with standards established under the national flood insurance program. This division does not preclude a state agency or political subdivision from establishing flood protection standards that are more restrictive than this division.

(B) Prior to the expenditure of money for or the construction of buildings, structures, roads, bridges, or other facilities in locations that may be subject to flooding or flood damage, all state agencies and political subdivisions shall notify and consult with the division of ~~soil and~~ water resources and shall furnish information that the division reasonably requires in order to avoid the uneconomic, hazardous, or unnecessary use of floodplains in connection with such facilities.

(C) The chief of the division of ~~soil and~~ water resources shall do all of the following:

(1) Coordinate the floodplain management activities of state agencies and political subdivisions with the floodplain management activities of the United States, including the national flood insurance program;

(2) Collect, prepare, and maintain technical data and information on floods and floodplain management and make the data and information available to the public, state agencies, political subdivisions, and agencies of the United States;

(3) Cooperate and enter into agreements with persons for the preparation of studies and reports on floods and floodplain management;

(4) Assist any county, municipal corporation, or state agency in developing comprehensive floodplain management programs;

(5) Provide technical assistance to any county, municipal corporation, or state agency through engineering assistance, data collection, preparation of model laws, training, and other activities relating to floodplain management;

(6) For the purpose of reducing damages and the threat to life, health, and property in the event of a flood, cooperate with state agencies, political subdivisions, and the United States in the development of flood warning systems, evacuation plans, and flood emergency preparedness plans;

(7) Upon request, assist the emergency management agency established by section 5502.22 of the Revised Code in the preparation of flood hazard mitigation reports required as a condition for receiving federal disaster aid under the "Disaster Relief Act of 1974," 88 Stat. 143, 42 U.S.C.A. 5121, as amended, and regulations adopted under it;

(8) Adopt, and may amend or rescind, rules in accordance with Chapter 119. of the Revised Code for the administration, implementation, and enforcement of this section and sections 1521.14 and 1521.18 of the Revised Code;

(9) Establish, by rule, technical standards for the delineation and mapping of floodplains and for the conduct of engineering studies to determine the vertical and horizontal limits of floodplains and for the assessment of development impacts on flood heights and flood conveyance. The standards established in rules adopted under this division shall be consistent with and no more stringent than the analogous standards established under the national flood insurance program.

(10) On behalf of the director of natural resources, administer section 1506.04 of the Revised Code.

In addition to the duties imposed in divisions (C)(1) to (10) of this section, and with respect to existing publicly owned

facilities that have suffered flood damage or that may be subject 28803
to flood damage, the chief may conspicuously mark past and 28804
probable flood heights in order to assist in creating public 28805
awareness of and knowledge about flood hazards. 28806

(D)(1) Development that is funded, financed, undertaken, or 28807
preempted by state agencies shall comply with division (A) of this 28808
section and with rules adopted under division (C)(9) of this 28809
section. 28810

(2) State agencies shall apply floodproofing measures in 28811
order to reduce potential additional flood damage of existing 28812
publicly owned facilities that have suffered flood damage. 28813

(3) Before awarding funding or financing or granting a 28814
license, permit, or other authorization for a development that is 28815
or is to be located within a one-hundred-year floodplain, a state 28816
agency shall require the applicant to demonstrate to the 28817
satisfaction of the agency that the development will comply with 28818
division (A) of this section, rules adopted under division (C)(9) 28819
of this section, and any applicable local floodplain management 28820
resolution or ordinance. 28821

(4) Prior to the disbursement of any state disaster 28822
assistance money in connection with any incident of flooding to or 28823
within a county or municipal corporation that is not listed by the 28824
chief as being in compliance under division (D)(1) of section 28825
1521.18 of the Revised Code, a state agency that has authority to 28826
disburse such money shall require the county or municipal 28827
corporation to establish or reestablish compliance as provided in 28828
that division. 28829

(E)(1) Subject to section 1521.18 of the Revised Code, a 28830
county or a municipal corporation may do all of the following: 28831

(a) Adopt floodplain maps that reflect the best available 28832
data and that indicate the areas to be regulated under a 28833

floodplain management resolution or ordinance, as applicable;	28834
(b) Develop and adopt a floodplain management resolution or ordinance, as applicable;	28835 28836

the great lakes-st. Lawrence river basin water resources compact. 29155

Sec. 1522.11. (A) No person shall install or operate a 29156
facility or equipment that results in a new or increased diversion 29157
of any water out of the Lake Erie watershed to another watershed 29158
without first obtaining a permit to do so issued by the chief of 29159
the division of ~~soil and~~ water resources. An application for such 29160
a permit shall be submitted to the chief on a form that the chief 29161

(B) The chief shall approve a permit application submitted 29165
under this section only if the chief determines that it meets the 29166
criteria required to qualify as an exception to the prohibition 29167
against diversions established in Section 4.9 of the compact. The 29168
chief shall issue or deny a permit through issuance of an order. 29169

Sec. 1522.12. (A) For purposes of the compact, not later than 29170
one hundred eighty days after ~~the effective date of this section~~ 29171
September 4, 2012, the chief of the division of ~~soil and~~ water 29172
resources shall establish a program for the issuance of permits 29173
for the withdrawal and consumptive use of water from the Lake Erie 29174
watershed. Upon establishment of the program, the owner or 29175

operator of a facility within the Lake Erie watershed that is not 29176
otherwise exempt under section 1522.14 of the Revised Code shall 29177
obtain a withdrawal and consumptive use permit from the chief if 29178
the facility meets any of the following threshold criteria: 29179

29180

(1) The facility has a new or increased capacity for 29181
withdrawals or consumptive uses from Lake Erie or a recognized 29182
navigation channel of at least two and one-half million gallons 29183
per day. 29184

(2) Except as provided in division (A)(3) of this section, 29185
the facility has a new or increased capacity for withdrawals or 29186
consumptive uses from any river or stream or from ground water in 29187
the Lake Erie watershed of at least one million gallons per day. 29188

(3)(a) Except as provided in division (A)(3)(b) of this 29189
section, the facility has a new or increased capacity for 29190
withdrawals or consumptive uses from any river or stream in the 29191
Lake Erie watershed that is a high quality water of at least one 29192
hundred thousand gallons per day. Division (A)(3) of this section 29193
does not apply to withdrawals and consumptive uses from 29194
outstanding state waters that are designated as such by the 29195
environmental protection agency due to their exceptional 29196
recreational values. 29197

(b) If a river or stream or segment thereof is designated as 29198
a high quality water as of ~~the effective date of this section~~ 29199
September 4, 2012, the threshold established in division (A)(3)(a) 29200
of this section applies to the river or stream or segment thereof 29201
and the entire watershed upstream of that river, stream, or 29202
segment. If a river or stream or segment thereof is designated as 29203
a high quality water after ~~the effective date of this section~~ 29204
September 4, 2012, the threshold established in division (A)(3)(a) 29205
of this section applies to the river or stream or segment thereof 29206
and the entire watershed upstream of that river, stream, or 29207

segment, provided that the director of environmental protection 29208
and the director of natural resources, or their designees, jointly 29209
determine that the proposed withdrawal or consumptive use would 29210
cause the high quality water to lose its designation as a high 29211
quality water. If the directors determine that the proposed 29212
withdrawal or consumptive use would not cause the high quality 29213
water to lose that designation, the threshold established in 29214
division (A)(2) of this section applies to the withdrawal or 29215
consumptive use at a point beginning one thousand feet upstream of 29216
the upstream end of the designated high quality water segment or 29217
at a point beginning two times the length of the river, stream, or 29218
segment that has been designated as a high quality water, 29219
whichever is greater. 29220

Upon establishment of the withdrawal and consumptive use 29221
permit program under this division, the owner or operator of a 29222
facility that is not otherwise exempt under section 1522.14 of the 29223
Revised Code and that is subject to a threshold specified in 29224
division (A)(1) or (2) of this section, after submitting an 29225
application for a permit under this section and a determination by 29226
the chief that the application is complete, may commence 29227
installation of the facility or equipment that will result in a 29228
new or increased withdrawal or consumptive use of water in the 29229
Lake Erie watershed prior to issuance of the withdrawal and 29230
consumptive use permit. 29231

Upon establishment of the withdrawal and consumptive use 29232
permit program under this division, the owner or operator of a 29233
facility that is not otherwise exempt under section 1522.14 of the 29234
Revised Code and that is subject to a threshold specified in 29235
division (A)(3) of this section shall not install or operate the 29236
facility or equipment that will result in a new or increased 29237
withdrawal or consumptive use of water in the Lake Erie watershed 29238
without first obtaining a withdrawal and consumptive use permit. 29239

(B) Permits issued under this section shall be issued only 29240
for the amount of withdrawal or consumptive use capacity of a 29241
facility that meets or exceeds threshold amounts established in 29242
division (A) of this section. A permit shall not be required for 29243
the portion of the withdrawal and consumptive use capacity of the 29244
facility below that threshold amount. 29245

(C) An applicant for a permit shall submit an application to 29246
the chief on a form that the chief prescribes. The applicant shall 29247
include with the application all of the following: 29248

(1) The name, address, and telephone number of the applicant 29249

rates of withdrawal; 29264

(g) The estimated average annual and monthly volumes and 29265
rates of consumptive use; 29266

(j) Any other information the chief may require to adequately consider the application.	29271 29272
(4) A nonrefundable application fee of one thousand dollars, the proceeds of which shall be credited to the water management fund created in section 1501.32 of the Revised Code.	29273 29274 29275
(D) Provided that a facility meets all applicable permit conditions, a permit for the facility is valid until the facility is the subject of facility abandonment. Once every five years, the owner or operator of a facility shall certify to the chief that the facility is in compliance with the permit that has been issued for the facility.	29276 29277 29278 29279 29280 29281

(G) The chief shall issue or deny a permit not later than ninety days after receipt of a complete application. If applicable, the chief shall comply with the requirements regarding prior notice established in Section 4.6 of the compact. The chief shall issue or deny a permit through issuance of an order. The chief shall issue a permit if all applicable criteria for receiving the permit are met as provided in sections 1522.10 to 1522.21 of the Revised Code.	29287 29288 29289 29290 29291 29292 29293 29294
Sec. 1522.13. (A) The chief of the division of soil and water resources shall issue a withdrawal and consumptive use permit for a facility if the chief determines that the facility meets all of the criteria established in Section 4.11 of the compact.	29295 29296 29297 29298

29299

(B) In applying the provision of the decision-making standard established in Section 4.11.2 of the compact, the chief shall require that a withdrawal or consumptive use will be implemented so as to ensure that the withdrawal or consumptive use will result in no significant individual or cumulative adverse impacts on the quantity or quality of the waters and water dependent natural resources of the great lakes basin considered as a whole or of the Lake Erie source watershed considered as a whole. As part of the evaluation of a permit application under Section 4.11.2 of the compact, the chief shall do all of the following:

(1) Rely on the best generally accepted scientific methods appropriate for this state derived from professionally accepted resources and practices;

(2) Consider the long-term mean annual inflow and outflow of the Lake Erie source watershed;

(3) Consider the withdrawal and the portion of the withdrawal that is not returned to the Lake Erie source watershed.

(C) Impacts of a withdrawal or consumptive use on the quantity or quality of waters and water dependent natural resources of more localized areas that affect less than the great lakes basin considered as a whole or the Lake Erie source watershed considered as a whole shall be considered as a part of the evaluation of whether a proposed withdrawal or consumptive use is reasonable as provided in Section 4.11.5 of the compact.

(D) The chief shall not submit an application for a withdrawal and consumptive use permit for regional review under Section 4.5.2(c)(ii) of the compact to the regional body as defined in Section 1.2 of the compact unless regional review is agreed to by the applicant.

(E) Nothing in sections 1522.10 to 1522.21 of the Revised

Code shall be construed to affect, limit, diminish, or impair any 29330
rights validly established and existing under the laws of this 29331
state as of December 8, 2008, including, but not limited to, 29332
sections 1506.10 and 1521.17 of the Revised Code, or to limit a 29333
person's right to the reasonable use of ground water, water in a 29334
lake, or any other watercourse in contravention of Section 19b of 29335
Article I, Ohio Constitution. 29336

Sec. 1522.131. (A) To encourage the development of innovative 29337
water use practices and technologies that ensure sustainable water 29338
use for industrial, commercial, residential, agricultural, or 29339
public purposes, including recreational and cultural resources, as 29340
a means to facilitate sustainable economic growth and job 29341
creation, the chief of the division of ~~soil and~~ water resources, 29342
with the approval of the director of natural resources, may issue 29343
experimental use permits. An experimental use permit may be issued 29344
in lieu of a withdrawal and consumptive use permit as determined 29345
appropriate by the chief. 29346

(B) An experimental use permit may be issued if all of the 29347
following apply: 29348

(1) The experimental use is reasonable based on a 29349
consideration of the factors specified in Section 4.11.5 of the 29350
compact. 29351

(2) The experimental use will use no more water than is 29352
necessary to determine the effectiveness and economic feasibility 29353
of the experimental use. 29354

(3) The experimental use does not reduce the protection 29355
afforded the waters and water dependent natural resources of the 29356
source watershed as defined in the compact below what is provided 29357
in this chapter and rules adopted under it. 29358

(C) The chief may refuse to issue an experimental use permit 29359

if the chief determines that the proposed use will result in 29360
significant individual or cumulative adverse impacts on the 29361
quantity or quality of the waters and water dependent natural 29362
resources of the great lakes basin considered as a whole or the 29363
Lake Erie source watershed considered as a whole. 29364

(D) The chief shall issue or deny a permit under this section 29365
through issuance of an order. 29366

(E) The chief shall establish the terms and conditions of an 29367
experimental use permit and may suspend such a permit, at any 29368
time, if the chief finds that its terms or conditions are being 29369
violated or that its terms and conditions are inadequate to avoid 29370
significant individual or cumulative adverse impacts on the 29371
quantity or quality of the waters and water dependent natural 29372
resources of the great lakes basin considered as a whole or the 29373
Lake Erie source watershed considered as a whole. 29374

(F) An experimental use permit issued under this section 29375
shall expire not later than twenty-four months after the date of 29376
issuance of the permit. 29377

Sec. 1522.15. (A)(1) Transfer of a withdrawal and consumptive 29378
use permit upon the sale or transfer of a facility may occur so 29379
long as the location of the facility, the source of water, and the 29380
withdrawal and consumptive use capacities do not change. Transfer 29381
of the baseline withdrawal and consumptive use capacity of a 29382
baseline facility upon the sale or transfer of the baseline 29383
facility may occur so long as the location of the facility, the 29384
source of water, and the withdrawal and consumptive use capacities 29385
do not change. Transferred capacity of a baseline facility does 29386
not require a withdrawal and consumptive use permit. 29387

Notice of a transfer shall be provided to the chief of the 29388
division of ~~soil~~ and water resources in a manner prescribed by the 29389
chief. 29390

(2) If the owner of a facility for which a withdrawal and consumptive use permit has been issued sells or transfers a portion of the facility, transfer of the applicable portion of the withdrawal and consumptive use capacity authorized by the withdrawal and consumptive use permit may occur so long as the location of the facility, the source of water, and the total withdrawal and consumptive use capacities do not change. The permittee shall provide notice of such a transfer to the chief in a manner prescribed by the chief. Upon receipt of the notice and if a permit is required for the transferred portion based on the threshold amounts established in divisions (A)(1) to (3) of section 1522.12 of the Revised Code, the chief shall issue a new permit for the transferred portion of the facility to the transferee and a modified permit for the remaining portion of the facility to the original permittee upon a showing that the transferee will meet the conditions of the original permit and all applicable requirements of this chapter and rules adopted under it. Any new permit shall reflect the portion of the withdrawal and consumptive use capacity that has been transferred.

(3) If the owner of a baseline facility sells or transfers a portion of the baseline facility, transfer of the applicable portion of the withdrawal and consumptive use capacity listed in the baseline report for that facility may occur so long as the location of the facility, the source of water, and the total withdrawal and consumptive use capacities do not change. The owner shall provide notice of such a transfer to the chief in a manner prescribed by the chief. The chief shall not require the owner of the baseline facility or the transferee to obtain a withdrawal and consumptive use permit, but shall update the baseline report to reflect the transfer.

(4) The chief may deny a transfer under this section by issuing an order denying the transfer and sending written notice

to the permittee and the transferee not later than thirty days 29423
after notice of the intended transfer. The chief shall deny the 29424
transfer if the chief determines that the transfer will result in 29425
noncompliance with this chapter, rules adopted under it, or the 29426
terms and conditions of a withdrawal and consumptive use permit. 29427

(5) The chief shall remove a facility from the baseline 29428
report when the facility is subject to baseline facility 29429
abandonment. However, a baseline facility shall not be removed 29430
from the baseline report due to the transfer of the facility's 29431
baseline capacity. 29432

(B) No person shall sell or transfer a withdrawal and 29433
consumptive use permit for purposes of evading the requirements 29434
established in sections 1522.10 to 1522.21 of the Revised Code. 29435

Sec. 1522.16. (A)(1) The owner or operator of a facility may 29436
petition the chief of the division of ~~soil and~~ water resources for 29437
either of the following: 29438

(a) Inclusion in the baseline report if the owner or operator 29439
believes that the facility was erroneously excluded from the 29440
report; 29441

(b) The amendment of the amount of a withdrawal and 29442
consumptive use or other information included in the baseline 29443
report regarding the facility if the owner or operator believes 29444
that the information is incorrect. 29445

(2) The chief shall issue an order either approving or 29446
disapproving a petition submitted under this section. The chief 29447
shall issue the order based on a thorough examination of the 29448
circumstances concerning the petition. 29449

(3) The chief shall adopt rules in accordance with Chapter 29450
119. of the Revised Code that establish procedures for the 29451
submission of petitions under this division. 29452

(B) With regard to the nonuse of a baseline facility's or a 29453
facility's withdrawal and consumptive use capacity, not later than 29454
sixty days after the time period specified in division (B)(1) or 29455
(2) or (I)(1) or (2) of section 1522.10 of the Revised Code, the 29456
owner or operator of the facility may request an extension from 29457
the chief to retain the facility's active status. The request 29458
shall be made in a manner prescribed by the chief. The chief shall 29459
determine the appropriate terms and conditions of the extension, 29460
if approved, based on information submitted by the owner or 29461
operator. The chief shall issue an order approving or disapproving 29462
the request and shall do so in a manner prescribed by the chief. 29463

Sec. 1522.17. (A) The owner or operator of a facility who is 29464
applying for a withdrawal and consumptive use permit shall submit 29465
to the chief of the division of ~~soil and~~ water resources a 29466
facility water conservation plan that incorporates environmentally 29467
sound and economically feasible water conservation measures in 29468
accordance with Section 4.11.3 of the compact. If the plan 29469
reasonably incorporates environmentally sound and economically 29470
feasible water conservation measures applicable to the facility, 29471
it shall be deemed to be in compliance with Section 4.11.3 of the 29472
compact. 29473

(B) The chief shall keep confidential any portions of a 29474
facility water conservation plan that constitute a trade secret as 29475
defined in section 1333.61 of the Revised Code as follows: 29476

(1) During the period of time after confidentiality is 29477
requested under division (C) of this section and until the chief 29478
makes a determination to approve or disapprove the request; 29479

(2) On and after the date on which the chief approves a 29480
request for confidentiality under division (C) of this section. 29481

Any portions of a facility water conservation plan that are 29482
kept confidential as provided in this division are not subject to 29483

section 149.43 of the Revised Code. 29484

(C)(1) The owner or operator of a facility may request that 29485
any portions of a facility water conservation plan be kept 29486
confidential. The request for confidentiality shall be submitted 29487
at the same time that an owner or operator submits a facility 29488
water conservation plan under division (A) of this section. The 29489
owner or operator shall clearly indicate the information that the 29490
owner or operator considers a trade secret and shall label it as 29491
"trade secret." Failure to make such a request shall constitute a 29492
waiver of the right to prevent public disclosure of the 29493
information. A request for confidentiality shall be accompanied by 29494
documents that support the request. The documents shall describe 29495
the measures that the requestor has taken to safeguard the 29496
confidentiality of the information and indicate whether or not 29497
others are bound by a confidentiality agreement related to the 29498
information. 29499

(2) The chief, by order, shall issue a decision regarding the 29500
confidentiality request not later than forty-five days after the 29501
receipt of the request. Until the decision is issued, the 29502
information that is the subject of the request shall be 29503
confidential and maintained by the chief in a separate file 29504
labeled "confidential." The applicant shall be notified by mail of 29505
the decision. 29506

Sec. 1522.18. The chief of the division of ~~soil and~~ water 29507
resources, on the chief's own initiative or upon written complaint 29508
by any person, may investigate or make inquiries into any alleged 29509
failure to comply with this chapter, any rule adopted under it, 29510
any order issued under it, or the terms and conditions of a permit 29511
issued under it. The chief or the chief's duly authorized 29512
representative may enter at reasonable times on any private or 29513
public property to inspect and investigate conditions relating to 29514

any such alleged act of noncompliance and, if necessary, may apply 29515
to the court of common pleas having jurisdiction for a warrant 29516
permitting the entrance and inspection. 29517

Sec. 1522.20. (A)(1) The chief of the division of ~~soil and~~ 29518
water resources may issue an order to a person that the chief 29519
determines has violated, is violating, or is threatening to 29520
violate any provisions of this chapter, rules adopted under it, or 29521
permits or orders issued under it. The order shall be effective 29522
upon issuance and shall identify the facility where the violation 29523
has occurred, is occurring, or is threatened to occur, the 29524
specific violation, and actions that the owner or operator of the 29525
facility must take to comply with the order. The order shall 29526
establish a reasonable date by which the owner or operator must 29527
comply with the order. 29528

(2) An order issued under division (A)(1) of this section 29529
shall be in writing and shall contain a finding of the facts on 29530
which the order is based. Notice of the order shall be given by 29531
certified mail to the applicable owner or operator of a facility. 29532
Notice also shall be provided to a person who initiated a 29533
complaint that resulted in the order and shall be posted on the 29534
web site of the department of natural resources in a manner 29535
prescribed by the chief. 29536

(B)(1) The chief, by order, may propose to suspend or revoke 29537
a permit issued under this chapter if the chief determines that 29538
any term or condition of the permit is being violated. The chief's 29539
order shall identify the facility where the violation allegedly 29540
occurred, describe the nature of the violation, and prescribe what 29541
action the permittee may take to bring the facility into 29542
compliance with the permit. The chief shall fix and specify in the 29543
order a reasonable date or time by which the permittee must 29544
comply. The order shall state that the chief may suspend or revoke 29545

the permit if the permittee fails to comply with the order by that 29546
date or time. If on that date or time the chief finds that the 29547
permittee has not complied with the order, the chief may issue a 29548
new order suspending or revoking the permit. 29549

(2) The chief or the chief's designee may enter on private or 29550
public lands and take action to mitigate, minimize, remove, or 29551
abate the conditions caused by a violation that is the subject of 29552
an order issued under division (B)(1) of this section. 29553

(C) The attorney general, upon written request of the chief, 29554
shall bring an action for an injunction or other appropriate legal 29555
or equitable action against any person who has violated, is 29556
violating, or is threatening to violate any provision of this 29557
chapter, any rule or order adopted or issued under it, or any term 29558
or condition of a permit issued under it. The attorney general 29559
shall bring the action in the court of common pleas of Franklin 29560
county or the county where the applicable facility is located. In 29561
an action for injunction, any factual findings of the chief 29562
presented at a hearing conducted under division (A) of section 29563
1522.21 of the Revised Code is prima-facie evidence of the facts 29564
regarding the order that is the subject of the hearing. 29565

(D) A person who violates any provision of this chapter, any 29566
rule or order adopted or issued under it, or any term or condition 29567
of a permit issued under it is liable to the chief for any costs 29568
incurred by the division of ~~soil and~~ water resources in 29569
investigating, mitigating, minimizing, removing, or abating the 29570
violation and conditions caused by it. Upon the request of the 29571
chief, the attorney general shall bring a civil action against the 29572
responsible person to recover those costs in the court of common 29573
pleas of Franklin county. Moneys recovered under this division 29574
shall be deposited in the state treasury to the credit of the 29575
water management fund created in section 1501.32 of the Revised 29576
Code. 29577

Sec. 1522.21. (A) As used in this section, "person who is or will be aggrieved or adversely affected" means a person with direct economic or property interest that is or will be adversely affected by an order or rule issued or adopted by the chief of the division of ~~soil and~~ water resources under this chapter.

(B)(1) Before issuance of a final order denying the issuance of a permit under section 1522.11, 1522.12, or 1522.131 of the Revised Code, denying a transfer under section 1522.15 of the Revised Code, denying a petition to the chief under section 1522.16 of the Revised Code, or denying a request for confidentiality under section 1522.17 of the Revised Code, or before the issuance of a final order under section 1522.20 of the Revised Code, the chief shall issue a proposed order indicating the chief's intent to issue a final order. If the chief receives a written objection from a person who is or will be aggrieved or adversely affected by the issuance of the final order, the chief shall conduct an adjudication hearing with respect to the proposed order in accordance with Chapter 119. of the Revised Code. A person who is or will be aggrieved or adversely affected by the issuance of the final order and who submitted a written objection under this division may be a party to the adjudication.

(2) Any person who is issued a proposed order or a final order by the chief shall be a party in any administrative or legal proceeding in which the proposed order or final order is at issue. This division is in addition to any other rights that a person may have as a person aggrieved or adversely affected.

(C)(1) After the issuance of a final order, a person who is or will be aggrieved or adversely affected by the issuance of the order may appeal the order to the court of common pleas of Franklin county or the court of common pleas of the county in which the facility that is the subject of the order is located.

Subject to the exceptions specified in section 2506.03 of the Revised Code, the court is confined to the record as certified to it by the chief if an adjudication hearing was conducted by the chief under division (B) of this section. However, the court also may grant a request for the admission of additional evidence when satisfied that the additional evidence is newly discovered and could not with reasonable diligence have been ascertained prior to the hearing before the chief. If no adjudication hearing was conducted under division (B) of this section, the court shall conduct a hearing de novo.

(2) The filing of an appeal under division (C)(1) of this section does not automatically suspend the order that is the subject of the appeal. Upon application by the appellant, the court may suspend or stay the order, pending an immediate hearing on the appeal.

(3) If the court finds that the order was lawful and reasonable, it shall issue a written order affirming the order. If the court finds that the order was unreasonable or unlawful, it shall issue a written order vacating or modifying the order. The judgment of the court is final unless reversed, vacated, or modified on appeal.

(4) Attorney's fees shall not be awarded to any party to an administrative or legal proceeding under this section.

Sec. 1523.01. In addition to all other powers granted to and duties devolving upon the chief of the division of ~~soil and~~ water resources, when in the chief's judgment it is for the public welfare and the best interests of the citizens of the state that the surplus, flood, and other waters of any of the watersheds, rivers, streams, watercourses, or public waters should be conserved, impounded, and stored in order to insure and promote the public health, welfare, and safety and to encourage and

promote agriculture, commerce, manufacturing, and other public 29640
purposes, such chief shall proceed in furtherance of the purposes 29641
of sections 1523.01 to 1523.13 of the Revised Code, and for the 29642
preservation of the use of such waters for navigation, in case 29643
such waters are required for navigation, to construct such 29644
reservoirs, dams, storage basins, dikes, canals, raceways, and 29645
other improvements as are necessary for such purposes, or the 29646
chief may make additions to, enlarge, and make alterations in and 29647
upon such reservoirs, dams, storage basins, dikes, canals, 29648
raceways, and other improvements already in existence and 29649
constituting a part of the public works, as are necessary for such 29650
purposes. Any rights or privileges granted by sections 1523.01 to 29651
1523.13 of the Revised Code, shall not interfere with the control 29652
and maintenance of the state reservoirs or public parks which have 29653
been dedicated to the public for purposes of recreation and 29654
pleasure. 29655

The chief, subject to the written approval of the director of 29656
natural resources and the governor, may acquire by gift, purchase, 29657
or by appropriation proceedings, in the name of and on behalf of 29658
the state, such real and personal property, rights, privileges, 29659
and appurtenances as are necessary in the chief's judgment for the 29660
construction of such reservoirs, dams, storage basins, dikes, 29661
canals, raceways, and other improvements, or for the alteration, 29662
enlargement, or maintenance of existing reservoirs, dams, and 29663
other improvements, together with such rights of way, drives, and 29664
roadways as are necessary for convenient access thereto. The 29665
appropriation proceedings referred to in this section shall be 29666
restricted to private property only. 29667

Before proceeding to purchase or appropriate any such 29668
property or rights, the cost of which, together with the land or 29669
real estate necessary upon which to locate and construct such 29670
improvements, including damages to remaining property, is in 29671

excess of one thousand dollars, the chief shall prepare plans, 29672
specifications, and estimates of such cost, including all material 29673
and labor therefor, together with the cost of such land or real 29674
estate and damages, and shall thereupon submit such plans, 29675
specifications, and estimates to the director, who in turn shall 29676
submit them to the governor for approval. 29677

The governor shall thereupon publish written notice once a 29678
week for two consecutive weeks in a newspaper published in and of 29679
general circulation in the counties where any such improvements 29680
are proposed to be constructed, setting forth the location and 29681
character of the proposed improvements, that the plans, 29682
specifications, and estimates therefor are on file in the 29683
governor's office, and that objections thereto will be heard by 29684
the governor on a day to be named in the notice, which day shall 29685
be not less than ten nor more than twenty days after the first 29686
publication thereof. Within thirty days after the date fixed for 29687
the hearing, the governor shall return such plans, specifications, 29688
and estimates to the director, with the governor's written 29689
approval or rejection thereof indorsed thereon. The director shall 29690
immediately return such plans, specifications, and estimates, 29691
together with the governor's indorsement thereon, to the chief. 29692

Any instrument by which real property is acquired pursuant to 29693
this section shall identify the agency of the state that has the 29694
use and benefit of the real property as specified in section 29695
5301.012 of the Revised Code. 29696

Sec. 1523.02. If the governor approves the plans, 29697
specifications, and estimates authorized by section 1523.01 of the 29698
Revised Code, the chief of the division of ~~soil and~~ water 29699
resources shall thereupon proceed, as provided in sections 1523.02 29700
to 1523.13 of the Revised Code, to construct the improvements or 29701
to make alterations in or to enlarge those already existing, in 29702

such manner and form as is shown by such plans and specifications. 29703
In order to provide the funds for such construction, alteration, 29704
or enlargement, the chief shall issue and sell bonds of the state, 29705
not in excess of the estimated cost of such improvements. The 29706
bonds shall be issued in denominations of not less than one 29707
hundred dollars payable as a whole or in series on or before fifty 29708
years from the date thereof, with interest not to exceed the rate 29709
provided in section 9.95 of the Revised Code, payable either 29710
annually or semiannually. 29711

The bonds shall show on their face the purpose for which 29712
issued and shall create no liability upon or be considered an 29713
indebtedness of the state, but both the principal and interest 29714
shall be paid solely out of the proceeds arising from the 29715
improvements constructed, altered, or enlarged by the chief, or 29716
from the proceeds of the sale or foreclosure of the lien securing 29717
the bonds on such improvement or such part thereof as is 29718
constructed from the money realized from the sale of the bonds. 29719

The form of the bonds shall be approved by the attorney 29720
general, and they shall be signed by the governor and attested by 29721
the director of natural resources and the chief. The bonds may be 29722
issued as coupon bonds, payable to bearer only, or upon demand of 29723
the owner or holder thereof as registered bonds. 29724

Such bonds shall be sold by the chief to the highest bidder 29725
therefor, but for not less than the par value thereof, with 29726
accrued interest thereon, after thirty days' notice in at least 29727
two newspapers of general circulation in the county where such 29728
improvements are to be constructed, altered, or enlarged, setting 29729
forth the nature, amount, rate of interest, and length of time the 29730
bonds have to run, with the time and place of sale. 29731

The treasurer of state shall be the treasurer of the fund 29732
realized from the sale of such bonds, and the auditor of state 29733
shall be the auditor of such fund. The proceeds of such sale shall 29734

be turned over to the treasurer of state and shall be deposited by 29735
the treasurer of state in a solvent bank, located either in 29736
Columbus or in the county in which such improvements are located. 29737
Such proceeds shall be kept by such bank in a fund to be known as 29738
the water conservation improvement fund. Such fund shall be used 29739
to acquire the necessary real estate and to construct such new 29740
improvements and for no other purpose, except that the treasurer 29741
of state may pay the interest on the bonds during the period of 29742
condemnation and the construction, alteration, or enlargement of 29743
such improvements out of the proceeds arising from the sale of the 29744
bonds for a term not exceeding three years from the date on which 29745
the bonds are issued. The bank shall give bond to the state in 29746
such amount as the treasurer of state considers advisable, and 29747
with surety to the satisfaction of the treasurer of state, for the 29748
benefit of the holders of the bonds, and for the benefit of any 29749
contractors performing labor or furnishing material for such 29750
improvements, as provided by law, conditioned that it will safely 29751
keep the money and will make no payments or disbursements 29752
therefrom except as provided in sections 1523.01 to 1523.13 of the 29753
Revised Code. 29754

The treasurer of state shall hold such fund as trustee for 29755
the holders of the bonds and for all persons performing labor or 29756
furnishing material for the construction, alteration, or 29757
enlargement of any improvement made under such sections. Such 29758
funds shall not be turned into the state treasury, but shall be 29759
deposited and disbursed by the treasurer of state as provided in 29760
such sections. The interest coupons attached to such bonds shall 29761
bear the signature of the treasurer of state, executed by the 29762
treasurer of state or printed or lithographed thereon. 29763

Both the interest and principal of such bonds shall be made 29764
payable at the office of the treasurer of state in Columbus, and 29765
shall be paid by the treasurer of state, without warrant or 29766

authority of the director of budget and management, to the owner 29767
or holder of such bonds upon presentation by the owner or holder 29768
of matured interest coupons or bonds. 29769

Sec. 1523.03. Immediately after the sale of the bonds 29770
authorized by section 1523.02 of the Revised Code and the payment 29771
of the proceeds thereof to the treasurer of state as provided in 29772
such section, the chief of the division of ~~soil and~~ water 29773
resources shall make a written contract for the construction of 29774
the improvements or for the making of additions to or alterations 29775
in existing improvements with the lowest responsive and 29776
responsible bidder, in accordance with section 9.312 of the 29777
Revised Code, after advertisements once a week for four 29778
consecutive weeks in one newspaper in each of the cities of 29779
Columbus, Cleveland, and Cincinnati having a general circulation 29780
therein, one trade paper having a circulation among contractors 29781
engaged in the construction of public improvement work of like 29782
character, and two newspapers having a general circulation within 29783
the county in which the dam, reservoir, storage basin, or other 29784
improvement is located or is to be located. 29785

All bids shall be filed with the chief, within the time fixed 29786
for the filing of such bids in the advertisement. The bids shall 29787
be opened and publicly read by the chief at twelve noon on the 29788
last day for filing them. Each bid shall contain the full names of 29789
every person or company interested in it, shall separately state 29790
the price of both the labor and material to be furnished under it, 29791
and shall meet the requirements of section 153.54 of the Revised 29792
Code. 29793

The chief may reject any bids. If the chief rejects all bids, 29794
the chief shall within sixty days thereafter readvertise for bids 29795
for the construction of such improvements, as provided in this 29796
section, and may continue to readvertise for bids every sixty days 29797

until bids are received which are made to the chief's satisfaction 29798
and in conformity to sections 1523.01 to 1523.13 of the Revised 29799
Code. 29800

The chief may award separate contracts to bidders for each 29801
part of the labor to be done or material to be furnished for the 29802
construction of such improvements, provided that the amount of the 29803
contract, if awarded as a whole, or the aggregate of the several 29804
contracts, if awarded separately, shall not, together with the 29805
cost of the land necessary for such improvements and the estimated 29806
damages to remaining property, be in excess of the estimated cost 29807
of the construction thereof, including such land and damages. Such 29808
contracts shall provide that all payments thereunder shall be made 29809
only from the proceeds of the sale of the bonds issued for the 29810
construction of such improvements. No contractor shall receive 29811
payment for any work or labor performed or material furnished for 29812
such improvements unless the contract therefor was, at the time of 29813
its execution, approved by the governor by the governor's written 29814
indorsement on such contract. 29815

Sec. 1523.04. When estimates or statements for either 29816
material theretofore furnished or labor theretofore performed 29817
under a contract entered into as provided in section 1523.03 of 29818
the Revised Code are presented to the chief of the division of 29819
~~soil and~~ water resources by the contractor, certified as to the 29820
correctness thereof under oath by the contractor or the 29821
contractor's authorized agent and approved in writing by the 29822
chief, the chief shall pay the amount of such estimates or 29823
statements from the water conservation improvement fund. 29824

Sec. 1523.05. The chief of the division of ~~soil and~~ water 29825
resources shall by contract in writing sell or lease for 29826
agricultural, commercial, manufacturing, or other lawful purposes, 29827
for any term not exceeding fifty years, the water, or any part 29828

thereof, conserved and stored by the improvements then existing, 29829
or that will be conserved and stored by any improvements 29830
thereafter to be constructed by the chief. The chief may lease the 29831
land surrounding the water for a term not exceeding fifty years, 29832
as shown by the plans and specifications prepared by the chief and 29833
approved by the governor as provided in section 1523.01 of the 29834
Revised Code. Such agreements shall be for a certain price or 29835
rental for the water or lands furnished to or used by the 29836
grantees, lessees, or their assigns, to be paid quarterly, 29837
semiannually, or annually as the chief deems advisable. 29838

The chief may, for a term not exceeding fifty years, sell or 29839
lease power generated by any head of water raised or maintained by 29840
any such improvement, or the chief may sell or lease the right to 29841
use such head of water for generating power or other hydraulic 29842
purposes. 29843

All such contracts of sale or lease, whether for water or 29844
power, shall contain such reservations or restrictions as the 29845
chief deems necessary and proper in furtherance of the purposes of 29846
sections 1523.01 to 1523.13 of the Revised Code, and the 29847
preservation of the use of such waters for navigation in case they 29848
are required therefor. 29849

Such contracts or leases shall be approved by the attorney 29850
general as to their general form and legality and, before becoming 29851
binding obligations on the state, they shall be approved by the 29852
governor by the governor's written indorsement thereon. 29853

Sec. 1523.06. (A) The chief of the division of ~~soil and~~ water 29854
resources before selling bonds as provided in section 1523.02 of 29855
the Revised Code or before receiving bids for the construction of 29856
improvements as authorized by section 1523.03 of the Revised Code 29857
may enter into tentative agreements for the sale or lease of water 29858
or power to: 29859

(1) Ascertain whether the public interest and welfare reasonably require the proposed improvements in the proposed locality;	29860 29861 29862
(2) Determine whether the revenues which the state may derive from the lease of lands and the lease and sale of the waters which are estimated will be conserved, impounded, and stored, or from the sale or lease of the power generated by such improvements, will be sufficient:	29863 29864 29865 29866 29867
(a) To pay the interest on bonds issued under section 1523.02 of the Revised Code;	29868 29869
(b) To create a sinking fund to retire the bonds at their maturity;	29870 29871
(c) To maintain and keep the improvements in repair.	29872
(B) The performance and carrying out of such tentative agreements shall be conditioned upon the ability of such chief to:	29873 29874
(1) Sell the proposed bonds at not less than par and accrued interest;	29875 29876
(2) Secure bids for the furnishing of all the labor and material necessary in the construction of such improvements, including all real estate required and damages incurred, at such a price that the rentals or compensation to be paid will provide during the terms of such contracts or leases a sum sufficient to pay the interest, retire the bonds, and maintain and keep the improvements in repair.	29877 29878 29879 29880 29881 29882 29883
Sec. 1523.07. The treasurer of state shall be treasurer and the auditor of state shall be auditor of all moneys derived from the use of the improvements authorized by sections 1523.01 to 1523.13 of the Revised Code. The treasurer of state shall hold the moneys as trustee for the maintenance of any improvements constructed under such sections, and for the holders of any bonds	29884 29885 29886 29887 29888 29889

issued in accordance with section 1523.02 of the Revised Code. The 29890
moneys shall not be turned into the state treasury, but shall be 29891
deposited and disbursed by the treasurer of state in the manner 29892
provided in this section. All such moneys shall be collected by 29893
the treasurer of state on statements to be furnished by the chief 29894
of the division of ~~soil and~~ water resources and when so collected 29895
shall be deposited in solvent banks in the state upon the same 29896
terms as state funds are now loaned. The funds shall be kept by 29897
such banks in a fund known as the "water conservation fund" and 29898
shall be used, first, to maintain and keep in repair the dams, 29899
reservoirs, storage basins, and other improvements, and, second, 29900
to pay the interest upon and principal of the bonds issued and 29901
sold pursuant to section 1523.02 of the Revised Code, as such 29902
interest falls due or the bonds mature. 29903

The banks in which the treasurer of state deposits any of the 29904
moneys belonging either to the water conservation improvement fund 29905
provided for in section 1523.02 of the Revised Code or the water 29906
conservation fund provided for in this section shall be state 29907
depository banks as provided for in sections 135.01 to 135.21 of 29908
the Revised Code. An amount not to exceed fifty thousand dollars 29909
of the money on deposit at any one time in the water conservation 29910
improvement fund, and an amount not to exceed ten thousand dollars 29911
in the water conservation fund shall be held by any of the banks 29912
as an active deposit, and the banks shall pay the treasurer of 29913
state on such deposits, both active and inactive, the same rate of 29914
interest then being paid by them upon the funds of the state then 29915
deposited with them by the treasurer of state. All such payments 29916
of interest shall be credited to the respective funds upon which 29917
such interest is paid. 29918

Sec. 1523.08. When the cost of any repairs to the 29919
improvements authorized by section 1523.01 of the Revised Code 29920
does not exceed one thousand dollars, the chief of the division of 29921

~~soil and~~ water resources either may make such repairs or may let a 29922
contract therefor without advertising for bids. If the cost of any 29923
such repairs is in excess of one thousand dollars, the chief shall 29924
advertise for bids for the making of such repairs and let a 29925
contract therefor as provided in section 1523.03 of the Revised 29926
Code. 29927

When itemized statements are presented to the chief showing 29928
the amount of labor performed and material furnished in the making 29929
of such repairs, verified by the person making them and approved 29930
in writing by the chief, the chief shall pay the amount of such 29931
statement from the water conservation fund. 29932

Sec. 1523.09. If a reservoir, dam, storage basin, or other 29933
improvement constructed or enlarged by the chief of the division 29934
of ~~soil and~~ water resources as provided in sections 1523.01 to 29935
1523.13 of the Revised Code constitutes a part of the canal system 29936
of the state or is located upon any river, stream, or body of 29937
water formerly used as a feeder for the canal system, no water 29938
shall be sold or leased from the improvement except in accordance 29939
with section 1520.03 of the Revised Code. 29940

Sec. 1523.10. The funds derived from the sale, use, or lease 29941
of the water impounded and conserved or the power generated by the 29942
improvements constructed pursuant to sections 1523.01 to 1523.13 29943
of the Revised Code, or from the lease of the lands and 29944
improvements adjacent thereto are hereby expressly pledged for the 29945
purpose of maintaining and keeping the improvements in repair and 29946
for the payment of the interest on and principal of the bonds 29947
issued under section 1523.02 of the Revised Code, as the same fall 29948
due and mature. The owners of such bonds are hereby given a lien 29949
for the payment of the principal and interest of such bonds upon 29950
any dam, reservoir, storage basin, or other improvements, or any 29951
part thereof, with the appurtenances belonging thereto, 29952

constructed by the chief of the division of ~~soil and~~ water 29953
resources with the funds derived from the sale of such bonds. 29954

If default is made in the payment of the interest on any of 29955
the bonds for three or more successive years, or if bonds, 29956
aggregating in par value not less than ten per cent of the total 29957
amount of such bonds then outstanding are not paid at maturity, 29958
then all of the bonds, both principal and interest, shall become 29959
due and payable, and the owners of any of the bonds, aggregating 29960
in par value not less than ten per cent of the total amount of 29961
such bonds then outstanding, may institute proceedings to 29962
foreclose such lien against the state in the court of common pleas 29963
of the county in which is located any of the improvements, 29964
constructed, altered, or enlarged out of the proceeds of the sale 29965
of such bonds. 29966

The court shall have jurisdiction of such action with full 29967
power to foreclose such lien and to make an order to the sheriff 29968
of the county, acting as a master commissioner, directing the 29969
sheriff to make a sale of such improvements or part thereof at not 29970
less than two-thirds of the appraised value thereof, and upon such 29971
terms and in manner and form as provided for in the order, and to 29972
pay the proceeds of such sale to the clerk of the court of common 29973
pleas. Upon motion of the purchaser of such improvements at such 29974
sale, the court, if such sale is found to be regular in all 29975
respects and according to law, shall confirm the sale and order 29976
the sheriff to execute a deed to such purchaser and the 29977
purchaser's assigns, conveying to the purchaser and the 29978
purchaser's assigns all the right, title, and interest of the 29979
holders of the bonds in and to the improvements, and all the 29980
right, title, and interest of the state, for a period of not more 29981
than fifty years from the date of such conveyance, in the same, 29982
with full right and franchise, for the period of not to exceed 29983
fifty years, to operate the improvements and dispose of the water 29984

conserved or the power generated thereby, with the further right, 29985
for the period of fifty years, to flow, transport, and convey the 29986
water from the improvements, or to conduct and transmit power 29987
generated thereby through, over, and upon any of the lands of the 29988
state or channels or beds of any of its reservoirs, lakes, canals, 29989
races, aqueducts, or watercourses. In the exercise of such rights, 29990
such purchaser or the purchaser's assigns shall at all times 29991
during the term of the grant maintain the improvements so conveyed 29992
to them in a good state of repair and shall not interfere with the 29993
navigation of the canals of the state or with the control and 29994
maintenance thereof or with the sale of water by the state from 29995
its dams, reservoirs, and improvements other than those so 29996
constructed. The state does not incur any liability by reason of 29997
such sale and the rights granted thereunder to continue to 29998
maintain such canals, races, channels, or watercourses, or to 29999
continue the use thereof. Such conveyance or grant by the sheriff 30000
as such master commissioner shall contain a clause giving the 30001
chief such control of waste gates and wickets as to regulate the 30002
flow of water in the state reservoirs or canals, in such manner as 30003
to maintain the proper level therein and to prevent the flowing 30004
into such reservoirs and canals of such quantities of water as 30005
might impair any of the property of the state or its lessees, 30006
except as otherwise provided in section 1520.03 of the Revised 30007
Code. 30008

Upon the foreclosure of the lien and the sale of the 30009
improvements, all contracts or leases for the sale, use, or lease 30010
of water, the lands and improvements adjacent thereto, or power 30011
rights then outstanding shall become void, and the rights of the 30012
state and the several lessees thereunder, shall cease. 30013

Upon the making of an order by the court for the sale of such 30014
improvements, and before they are offered for sale by the sheriff, 30015
the court shall appoint three disinterested appraisers, one of 30016

whom shall be a water-works or hydraulic engineer with at least 30017
five years' experience in the practice of the engineer's 30018
profession, and two of whom shall be freeholders residing in the 30019
county in which any of such improvements are located. The 30020
appraisers shall appraise the improvements and shall, within the 30021
time fixed by the court, file such appraisal in writing with the 30022
clerk. If the lien given by this section as security for the 30023
payment of the bonds covers a part only of the improvements, the 30024
appraisers shall appraise the improvements as an entirety, and 30025
shall also appraise separately the part constructed from the 30026
proceeds of the sale of the bonds, the lien of which is being 30027
foreclosed in such proceeding. 30028

In making such appraisal and fixing the value of the 30029
improvements or of such part thereof, the appraisers shall have 30030
access to all papers and documents on file in the office of the 30031
chief relating to such improvements, including the plans and 30032
specifications therefor, and the bids made and contracts entered 30033
into for the construction thereof, and all leases and contracts 30034
for the sale of water impounded therein and power generated 30035
thereby. The order of the court shall direct the sale only of such 30036
part of the improvements as have been constructed from the 30037
proceeds of the sale of the bonds. The purchaser at such sale, in 30038
the operation of such improvements during the term of the 30039
franchise granted to the purchaser by this section, shall draw 30040
from the dam or reservoir impounding such water only such portion 30041
thereof as the appraised value of that part of such improvements, 30042
constructed from the proceeds of the sale of such bonds and sold 30043
to the purchaser under the order of the court, bears to the entire 30044
appraised value of such improvements. 30045

If at any time during the term of the franchise granted to 30046
the purchaser of such improvements at such foreclosure sale any 30047
controversy arises between the purchaser or the purchaser's 30048

assigns and the chief as to the operation of such improvements, or 30049
as to the amount of water which the purchaser is drawing or is 30050
entitled to draw therefrom, either the purchaser or the chief may 30051
file a petition in the court, setting forth the facts connected 30052
with such controversy. 30053

Notice in writing of the filing of such petition shall be 30054
given to the opposite party to the controversy within thirty days 30055
from the date of the filing thereof, either by service of such 30056
notice personally upon such opposite party by the sheriff of such 30057
county or by service by mail by the clerk. Such notice shall be 30058
mailed to the name and address which the purchaser filed with the 30059
clerk at the time of the delivery to the purchaser by the sheriff 30060
of the deed. Within thirty days from the serving or mailing of 30061
such notice, the opposite party to the controversy shall file an 30062
answer in the court, and thereupon the court shall hear and 30063
determine the controversy and make such order in regard to it as 30064
is just and proper, which order shall be binding upon all the 30065
parties to the controversy. 30066

At the termination of the period of not to exceed fifty 30067
years, all of the rights and privileges conveyed to the purchaser 30068
by the deed and grant of such sheriff as master commissioner shall 30069
cease and the improvements, with all the appurtenances belonging 30070
thereto, shall revert to and become the property of the state, 30071
free and clear of any claims whatever against them. 30072

The clerk shall distribute and pay the money received by the 30073
clerk from the sheriff as such master commissioner from the sale 30074
of such improvements to the holders of the bonds pro rata, and 30075
upon such payment to any of the bondholders, they shall surrender 30076
to the ~~the~~ clerk their bonds, with all unpaid interest coupons 30077
thereon. The clerk shall thereupon cancel the same and deliver 30078
them, so canceled, to the treasurer of the water conservation 30079
improvement fund. 30080

Sec. 1523.11. All appropriations of property made by the 30081
chief of the division of ~~soil and~~ water resources in carrying out 30082
sections 1523.01 to 1523.13 of the Revised Code, shall be made in 30083
accordance with sections 163.01 to 163.22 of the Revised Code, 30084
provided that possession of any property so appropriated shall not 30085
be taken by the state or the chief before the compensation and 30086
damages awarded therefor in the appropriation proceedings have 30087
been paid into court. 30088

Sec. 1523.12. Sections 1523.01 to 1523.13 of the Revised Code 30089
do not authorize any reduction in the quantity or any impairment 30090
in the quality of the water in any watershed, stream, or basin, 30091
developed or undeveloped, from which any political subdivision is, 30092
at the time the chief of the division of ~~soil and~~ water resources 30093
proposes and is proceeding to construct in such watershed, stream, 30094
or basin any of the improvements authorized by such sections, 30095
taking water for the use of itself or its inhabitants, or has 30096
plans under way, or has made or begun appropriation of any 30097
property or rights in such watershed, stream, or basin for the 30098
purpose of acquiring a water supply for itself or its inhabitants 30099
for either domestic, industrial, or other uses. Such sections do 30100
not authorize the chief to sell or lease the right to use water at 30101
any time for any purpose or to such an extent as to prejudice, 30102
abrogate, or supersede any of the water rights granted by the 30103
state to the city of Akron as provided in volume 102, Ohio Laws, 30104
page 175, sections 1 to 3. 30105

Sec. 1523.13. If by reason of severe drought or other causes 30106
the water supply of any political subdivision is, in the judgment 30107
of the chief of the division of ~~soil and~~ water resources, at any 30108
time so reduced or impaired as to endanger the property of such 30109
political subdivision, or the health, safety, or property of the 30110

inhabitants thereof, then the chief, under such regulations as the 30111
chief prescribes, may grant to such political subdivision the 30112
right, during the continuance of such emergency, to draw or take 30113
such quantity of water as is necessary to protect the property of 30114
such political subdivision and the health, safety, or property of 30115
its inhabitants from any improvement constructed under sections 30116
1523.01 to 1523.13 of the Revised Code, before any of the lessees 30117
or grantees of the state using the water for industrial purposes 30118
take water therefrom. Such political subdivision shall pay such 30119
price per thousand gallons for the water so taken by it as is 30120
fixed by the chief and the governor. The price so fixed shall not 30121
exceed the maximum price then being paid for water to the state by 30122
any of its lessees or grantees. Such grant by the chief to such 30123
political subdivision shall not modify the terms or impair the 30124
validity of any leases then existing between the state and other 30125
persons, firms, or corporations, except as expressly provided in 30126
this section. 30127

Sec. 1523.14. The director of transportation in constructing 30128
highways, bridges, and culverts as provided by law; the board of 30129
county commissioners in constructing highways, bridges, and 30130
culverts as provided by law; the board of township trustees of any 30131
township in constructing highways, bridges, and culverts as 30132
provided by law; and any municipal corporation constructing or 30133
improving viaducts, bridges, and culverts under section 717.01 of 30134
the Revised Code, either severally or jointly, upon request of the 30135
chief of the division of ~~soil and~~ water resources and with the 30136
approval of the director of transportation, may construct and 30137
maintain slack-water dams in connection with the highway, highway 30138
bridge, or culvert so as to create reservoirs, ponds, water parks, 30139
basins, lakes, or other incidental works to conserve the water 30140
supply of the state. 30141

Sec. 1523.15. The chief of the division of ~~soil and~~ water 30142
resources may request the public authority having charge of the 30143
construction of state, county, or township highways, highway 30144
bridges, and culverts, or municipal streets, for the construction 30145
of slack-water dams in connection with the construction of any 30146
such highway, street, highway bridge, or culvert whenever, in the 30147
chief's opinion, the construction of such dam is desirable and 30148
feasible for the economical creation and construction of 30149
reservoirs, ponds, water parks, basins, lakes, or other incidental 30150
works for the conservation of the water supply of the state. 30151

The public authority having charge of such construction may 30152
approve such request when, in its opinion, the construction of 30153
such dams will not unnecessarily delay or hinder the construction 30154
of the highway, street, highway bridge, or culvert, or will not 30155
interfere with its value or use for highway purposes. 30156

If such request is approved, the chief, in cooperation with 30157
the department of transportation and the public authority 30158
participating in the project, shall make a survey and prepare 30159
plans, specifications, and estimates for the construction of such 30160
dams and the reservoir, pond, water park, basin, lake, or other 30161
incidental works in connection therewith. 30162

Upon approval of the plans and specifications and 30163
determination to proceed with the project, the chief shall enter 30164
into an agreement with the public authority on the distribution of 30165
the cost and expense of the construction of such dams and 30166
incidental works in connection therewith. The portion of the cost 30167
to be paid by the division of ~~soil and~~ water resources shall be 30168
paid from any funds appropriated for or paid into the division and 30169
available for such purpose. 30170

Such dams shall be constructed under and subject to any laws 30171
governing the construction of state, county, or township highways, 30172

bridges, or culverts. Any public authority undertaking 30173
construction under sections 1523.14 to 1523.20 of the Revised Code 30174
shall proceed in the same manner as provided for the construction 30175
of highway or street improvements. 30176

Sec. 1523.16. Any department or division of the state 30177
government, or any county, township, municipal corporation, park 30178
board, or district, or any organization, club, corporation, or 30179
private person may petition the chief of the division of ~~soil and~~ 30180
water resources for the construction of dams and reservoir 30181
projects in connection with the construction of any highway, 30182
highway bridge, or culvert. 30183

Upon receipt of such a petition and its approval by the 30184
chief, the chief shall proceed as authorized by section 1523.15 of 30185
the Revised Code. If the public authority having charge of the 30186
construction of such highway, street, highway bridge, or culvert 30187
approves the request, then the chief shall enter into an agreement 30188
with the public authority, organization, or person petitioning for 30189
the construction of such dam or reservoir on the apportionment of 30190
the cost and expense of construction. The cost and expense of such 30191
dam project shall include the cost of clearing and grubbing and 30192
the cost of property and damages incidental thereto. Such 30193
agreement shall also contain provisions for the proper maintenance 30194
and repair of such projects after completion, and also apportion 30195
the revenue derived therefrom between the division of ~~soil and~~ 30196
water resources and the petitioner. 30197

Sec. 1523.17. In all cases in which a public authority, 30198
private organization, or person petitions for the construction of 30199
a dam and reservoir project as authorized by sections 1523.14 to 30200
1523.20 of the Revised Code, the chief of the division of ~~soil and~~ 30201
water resources, as a condition precedent to the construction of 30202
such project, shall require the petitioning authority, 30203

organization, or person to pay the petitioning authority's, 30204
organization's, or person's share of the cost and expense of such 30205
project. 30206

Any deficiency shall be made up by the parties bearing the 30207
cost before any further work is done. If the deficiency is not 30208
made up within sixty days after it is known, the amount paid in, 30209
less the expense incurred by the chief and the cooperating public 30210
authorities, shall be refunded to the donor. After completion of 30211
the work, any amount remaining to the credit of the project shall 30212
likewise be refunded. 30213

Sec. 1523.18. In the construction of dams, reservoirs, and 30214
other incidental works under sections 1523.14 to 1523.20 of the 30215
Revised Code, the chief of the division of ~~soil and~~ water 30216
resources shall proceed as provided by law, and shall enter into 30217
contracts therefor as provided in sections 153.01 to 153.29 of the 30218
Revised Code. The director of transportation, the chief of the 30219
division of wildlife with the approval of the director of natural 30220
resources, and any county, township, municipal corporation, and 30221
public park board or district may proceed with the letting of 30222
contracts for the construction of such dams or reservoir projects, 30223
approved by the chief of the division of ~~soil and~~ water resources, 30224
under any laws regulating the letting of contracts applicable to 30225
their respective departments, divisions, districts, or political 30226
subdivisions, and the authority of sections 1523.14 to 1523.20 of 30227
the Revised Code. 30228

Sec. 1523.19. The chief of the division of ~~soil and~~ water 30229
resources shall have the supervision, care, and control of all 30230

incidental works constructed under sections 1523.14 to 1523.20 of 30232
the Revised Code, and shall maintain and keep them in repair. The 30233
cost of such maintenance and repair shall be paid from any funds 30234

appropriated to the division of ~~soil and~~ water resources for that 30235
purpose or paid into the state treasury as agreed upon with the 30236
public or contracting authorities co-operating in the construction 30237
of such projects. 30238

Such projects may also be maintained by any department or 30239
division of state government or other public authorities leasing 30240
or operating the projects, through agreements made with the chief. 30241
All rentals derived from the lessees of such projects shall be 30242
used by the chief in the maintenance or repair of all such 30243
projects constructed under such sections. The costs and expenses 30244
of the reconstruction of any such projects shall be distributed, 30245
unless otherwise agreed, on the same basis and pro-rata share of 30246
the costs and expenses as was paid by the contracting authorities 30247
contributing to the cost of the original project. 30248

Sec. 1523.20. When the chief of the division of ~~soil and~~ 30249

rights are unable to agree upon the terms, purchase price, and 30251
sale thereof, the chief may acquire the lands by appropriation 30252
proceedings in the manner provided by sections 163.01 to 163.22 of 30253
the Revised Code. 30254

The title or lease to any such lands, waters, or riparian 30255

governor and the attorney general, in the name of the state. The 30257

any such reservoirs, ponds, water parks, basins, lakes, or other 30260
incidental works on those lands, may be paid for from any funds 30261
appropriated for the use of or paid into the division of ~~soil and~~ 30262
water resources and available for that purpose. The chief may 30263
accept contributions to those funds from individuals, 30264
