19 this act; however, should any service subscriber tender a payment

21 wireless telephone or VoIP service, the amount tendered shall be

9 directly from the service subscribers of the provider, whether the
10 costs are itemized on the bill of the service subscriber as a

20 procedures, including limitations period, applicable to the Oklahoma
21 Sales Tax Code shall apply to prepaid 9-1-1 wireless telephone fees.

6 1-1 wireless fee shall either be separately stated on the invoice,
7 receipt or similar document that is provided to the consumer by the
8 seller, or otherwise disclosed to the consumer.

9 D. The prepaid 9-1-1 wireless telephone fee is the liability of
10 the consumer and not of the seller or of any provider, except that
11 the seller shall be liable to remit all prepaid 9-1-1 wireless
12 telephone fees that such seller collects as provided in this
13 section, including all charges that the seller is deemed to collect
14 where the amount of the fee has not been separately stated on an
15 invoice, receipt or other similar document.

16 E. If the amount of the prepaid 9-1-1 wireless telephone fee is
17 separately stated on the invoice, receipt or similar document, the
18 prepaid 9-1-1 wireless telephone fee shall not be included in the
19 base for measuring any tax, fee, surcharge or other charge that is
20 imposed by the state, any political subdivision of this state, or
21 any intergovernmental agency.

22 SECTION 8. NEW LAW A new section of law to be codified
23 in the Oklahoma Statutes as Section 2868 of Title 63, unless there
24 is created a duplication in numbering, reads as follows:

1 A. Public agencies recognized by the Oklahoma 9-1-1 Management
2 Authority and authorized to receive funds collected pursuant to the
3 provisions of this act shall use such funds only for services
4 related to 9-1-1 emergency telephone services, including automatic
5 number identification and automatic location information services
6 unless otherwise authorized and directed to do so by the Authority.

7 B. Money remitted to public agencies pursuant to this act and
8 any money otherwise collected by any lawful means for purposes of
9 providing 9-1-1 wireless telephone services shall be deposited in a
10 separate 9-1-1 wireless telephone service account established by a
11 public agency or its governing body to carry out the requirements of
12 this act. Monies remaining in such accounts at the end of a fiscal
13 year shall carryover to subsequent years.

14 C. If the Oklahoma 9-1-1 Management Authority determines that
15 the public agency has failed to deploy Phase II service or has
16 failed to deliver service consistent with National Emergency Number
17 Association (NENA) standards, the public agency shall submit an
18 improvement plan within the time prescribed by the Authority. The
19 Authority may order the Oklahoma Tax Commission to escrow fees
20 attributable to public agencies who have not submitted plans or
21 complied with improvement plans.

22 D. A public agency shall be required to have conducted
23 separately or as a part of the annual audit required by law of the
24 municipality or county, an annual audit of any accounts established

4 wireless telephone system may be paid from and be considered a part
5 of the operating expenses of the 9-1-1 wireless telephone system.
6 Proprietary information of the wireless service providers shall be
7 confidential. Audit information pertaining to revenue collected or
8 disbursed may be released only in aggregate form so that no
9 provider-specific information may be extrapolated.

10 E. Public agencies shall be required to annually submit to the
11 Authority:

12 1. A report, on a form to be prescribed by the Authority,

17 of the public agency relating to 9-1-1 wireless telephone system.

18 The Authority shall have the power to review, approve, submit
19 for further information or deny approval of the annual report of
20 each public agency. Failure by a public agency to submit the report
21 annually or denial of a report may cause the Authority to order the
22 Tax Commission to escrow the 9-1-1 wireless telephone fees due to
23 the public agency until the public agency complies with the
24

1 requirements of this act and the procedures established by the
2 Authority.

3 F. The governing body of the public agency shall meet at least
4 quarterly to oversee the operations of the 9-1-1 wireless telephone

8 G. Records and meetings of the public agency shall be subject
9 to the Oklahoma Open Records Act and the Oklahoma Open Meeting Act.

11 in the Oklahoma Statutes as Section 2869 of Title 63, unless there
12 is created a duplication in numbering, reads as follows:

13 There is hereby created in the State Treasury a revolving fund
14 for the Office of Management and Enterprise Services to be
15 designated the "Oklahoma 9-1-1 Management Authority Revolving Fund".
16 The fund shall be a continuing fund, not subject to fiscal year
17 limitations, and shall consist of all monies received by the
18 Oklahoma Tax Commission from fees assessed on wireless phone
19 customers designated for support of 9-1-1 emergency services. All
20 monies accruing to the credit of the fund are hereby appropriated
21 and may be budgeted and expended by the Office of Management and
22 Enterprise Services upon approval by the Oklahoma 9-1-1 Management
23 Authority for the purpose of supporting the administration of the
24 Authority and providing grants to public agencies providing 9-1-1

1 services. Expenditures from the fund shall be made upon warrants
2 issued by the State Treasurer against claims filed as prescribed by
3 law with the Director of the Office of Management and Enterprise
