6 CHAPTER 1

7 PRELIMINARY PROVISIONS

8 Section 101. Short title.

9 This act shall be known and may be cited as the Pennsylvania
10 Office of Faith-Based and Nonprofit Community Organizations Act.

11 Section 102. Legislative policy and declaration.

12 The General Assembly finds and declares as follows:

13 (1) This Commonwealth benefits from a rich diversity of
14 faith-based and nonprofit community organizations that
15 provide crucial aid to many Pennsylvania residents, including
16 assistance for the needy, children, families and
17 neighborhoods.

18 (2) Committed volunteers in faith-based and nonprofit
19 community organizations bring unique skills, services and
20 resources to bear in assisting Pennsylvania residents.

21 (3) Many faith-based and nonprofit community
22 organizations lack the organizational resources to
23 effectively engage government agencies in collaborative
24 projects to help meet the needs of Pennsylvania residents.

25 (4) It is beneficial to encourage communication between
26 governmental entities and faith-based and nonprofit community
27 organizations, recognizing the importance of sharing
28 information about and encouraging the best practices of
29 faith-based and nonprofit community organizations.

30 (5) There are many opportunities for faith-based and

1 nonprofit community organizations to partner with
2 governmental entities to help deliver vital services in our
3 communities, such as giving ex-offenders a second chance at
4 work.

5 (6) The Commonwealth is required to spend Federal grants
6 in accordance with Charitable Choice provisions contained in
7 the Personal Responsibility and Work Opportunity
8 Reconciliation Act of 1996 (Public Law 104-193, 110 Stat.
9 2105), the Community Services Block Grant Act (Public Law 97-
10 35, 95 Stat. 511) and Substance Abuse and Mental Health
11 Services Administration programs and the similar Equal
12 Treatment regulations that govern other federally funded
13 social services, aimed at providing funds to faith-based
14 organizations on the same basis as any other nongovernmental
15 provider without impairing the religious character of the
16 organizations and without diminishing the religious freedom
17 of beneficiaries of assistance.

18 (7) Pennsylvania residents can benefit from a
19 comprehensive and coordinated effort to improve and
20 strengthen faith-based and nonprofit community organizations
21 in this Commonwealth by identifying and removing any
22 unnecessary administrative barriers to fair competition for
23 government funding and leveling the playing field for faith-
24 based and nonprofit community organizations so that
25 government may choose the most effective partner to provide
26 the public services.

27 (8) The effort to support faith-based and nonprofit
28 community organizations in Pennsylvania should be facilitated
29 by having a prominent office with a direct relationship to
30 the Governor.
