6 United States, the Commissioner shall report that
7 determination to the President.

8 **SEC. 5. TRADE FACILITATION AND CAPACITY BUILDING.**

9 (a) FINDINGS.—Congress makes the following find-
10 ings:

11 (1) As a land-locked least-developed country,
12 Nepal has severe challenges reaching markets and
13 developing capacity to export goods. As of 2015, ex-
14 ports from Nepal are approximately \$800,000,000
15 per year, with India the major market at
16 \$450,000,000 annually. The United States imports
17 about \$80,000,000 worth of goods from Nepal, or
18 10 percent of the total goods exported from Nepal.

19 (2) The World Bank has found evidence that
20 the overall export competitiveness of Nepal has been
21 declining since 2005. Indices compiled by the World
22 Bank and the Organization for Economic Co-oper-
23 ation and Development found that export costs in
24 Nepal are high with respect to both air cargo and
25 container shipments relative to other low-income

1 countries. Such indices also identify particular weak-
2 nesses in Nepal with respect to automation of cus-
3 toms and other trade functions, involvement of local
4 exporters and importers in preparing regulations
5 and trade rules, and export finance.

6 (3) Implementation by Nepal of the Agreement
7 on Trade Facilitation of the World Trade Organiza-
8 tion could directly address some of the weaknesses
9 described in paragraph (2).

10 (b) ESTABLISHMENT OF TRADE FACILITATION AND
11 CAPACITY BUILDING PROGRAM.—Not later than 180 days
12 after the date of the enactment of this Act, the President
13 shall, in consultation with the Government of Nepal, es-
14 tablish a trade facilitation and capacity building program
15 for Nepal—

16 (1) to enhance the central export promotion
17 agency of Nepal to support successful exporters and
18 to build awareness among potential exporters in
19 Nepal about opportunities abroad and ways to man-
20 age trade documentation and regulations in the
21 United States and other countries;

22 (2) to provide export finance training for finan-
23 cial institutions in Nepal and the Government of
24 Nepal;

15 SEC. 6. REPORTING REQUIREMENT.

16 Not later than one year after the date of the enact-
17 ment of this Act, and annually thereafter, the President
18 shall monitor, review, and report to Congress on the imple-
19 mentation of this Act, the compliance of Nepal with sec-
20 tion 3(a), and the trade and investment policy of the
21 United States with respect to Nepal.

22 SEC. 7. TERMINATION OF PREFERENTIAL TREATMENT.

23 No preferential treatment extended under this Act
24 shall remain in effect after December 31, 2025.

1 **SEC. 8. EFFECTIVE DATE.**

2 The provisions of this Act shall take effect on January 1, 2016.
