A BILL

To support the integration of immigrants to the United States into the economic, social, cultural, and civic life of their local communities and the Nation, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-
2 tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “New American Success
5 Act of 2015”.

1 SEC. 2. TABLE OF CONTENTS.

2 The table of contents for this Act is as follows:

- Sec. 1. Short title.
- Sec. 2. Table of contents.
- Sec. 3. Findings and declaration of policy.

TITLE I—GRANTS

- Sec. 101. Initial Entry, Adjustment, and Citizenship Assistance Grants.
- Sec. 102. Integration Success Grants.
- Sec. 103. Integration Success Fund.

TITLE II—ENGLISH LANGUAGE LEARNING

- Sec. 201. Waiver of English requirement for senior new Americans.

3 SEC. 3. FINDINGS AND DECLARATION OF POLICY.

4 (a) FINDINGS.—Congress makes the following find-
5 ings:

6 (1) According to the Migration Policy Institute,
7 there are 13,400,000 non-citizen residents in the
8 United States with limited proficiency in English.

9 (2) According to the Department of Homeland
10 Security, approximately 1,100,000 legal immigrants
11 enter the country annually. About half of these legal
12 immigrants lack full proficiency in English.

13 (3) According to the Bureau of Labor Statistics,
14 more than two-thirds of the foreign-born popu-
15 lation does not have a postsecondary degree, and
16 foreign-born adults are three times more likely to
17 lack a high school diploma or equivalent than native-
18 born adults.

19 (4) According to the Bureau of Labor Statistics,
20 19 of the 30 fastest growing occupations re-

1 quire workers with some form of postsecondary edu-
2 cation or training.

3 (5) These statistics suggest that a lack of
4 English proficiency and limited education serve as
5 serious impediments to labor market success for im-
6 migrants.

7 (6) A century ago, during the last great wave
8 of immigration to this country, the public and pri-
9 vate sectors promoted the integration of newcomers
10 through the Settlement House movement, the found-
11 ing of the modern public library system, the estab-
12 lishment of universal public education.

13 (7) Although currently dozens of Federal and
14 State programs support, and thousands of govern-
15 ment agencies and nonprofit organizations operate,
16 programs that teach English, promote acquisition of
17 workforce skills, provide citizenship assistance, and
18 otherwise promote the integration of immigrants and
19 their children, such programs are often not coordi-
20 nated or aligned, limiting the capacity of such pro-
21 grams to identify and test promising practices, lever-
22 age resources, or bring effective interventions to
23 scale.

24 (8) It is in the national interest to facilitate the
25 rapid acquisition of English language skills by immi-

1 grants to the United States and to otherwise pro-
2 mote the integration of immigrants and their chil-
3 dren into the mainstream of our economy and soci-
4 ety.

5 (9) Empowering immigrants and their family
6 members to effectively integrate into the mainstream
7 of the economic, social, cultural, and civic life of
8 their local communities and the Nation as a whole
9 will ensure that United States immigration policies
10 result in more productive and competitive local
11 economies and more cohesive and harmonious com-
12 munities.

13 (10) Data, policies, and programs relevant to
14 immigrant integration crosscut the responsibilities of
15 numerous Federal agencies as well as those of State
16 and local governments and nongovernmental actors.

17 (11) The overlapping nature of integration
18 issues and the lack of coordination of immigration
19 policies and programs make it difficult for the Presi-
20 dent and Congress to understand and respond to
21 pressing integration challenges and opportunities.

22 (12) Improved coordination of integration goals,
23 policies, and programs across sectors and levels of
24 government would greatly enhance the ability of the
25 Federal Government to create and maintain an im-

1 migration system that is more suited to modern
2 times and benefits the interests of the Federal Gov-
3 ernment, communities with growing immigrant pop-
4 ulations, as well as immigrants and their family
5 members.

6 (b) DECLARATION OF POLICY.—It is the policy of the
7 United States to—

8 (1) promote the civic, linguistic, and economic
9 integration of immigrants and their young children
10 into the United States;

11 (2) establish national goals for integrating im-
12 migrants and their young children into the United
13 States, and measure the degree to which such goals
14 are met;

15 (3) assess and coordinate Federal policies, regu-
16 lations, and programs related to the integration of
17 immigrants, including an assessment of Federal
18 agency jurisdiction and budget concerns;

19 (4) consult with State and local governments on
20 integration challenges and opportunities for the pur-
21 pose of improving Federal integration policy and
22 program efforts;

23 (5) track the performance of Federal, State,
24 and local integration initiatives, including measures
25 of reach, effectiveness, and cost; and

1 (6) engage stakeholders at different government
2 and nongovernment levels to identify integration op-
3 portunities and challenges.
