7 COMMITTEES.—The Commission shall delegate the  
8 functions of appointing, removing, and supervising  
9 the staff of the following panels and committee to  
10 the respective Chair of the panel or committee:

(A) The Atomic Safety and Licensing Board Panel.

15       (c) COMMISSION MEMBER OFFICES.—Each member  
16 of the Commission shall continue to appoint, remove, and  
17 supervise the personnel employed in the immediate office  
18 of the member.

19 (d) PERFORMANCE OF FUNCTIONS.—Section  
20 201(a)(1) of the Energy Reorganization Act of 1974 (42  
21 U.S.C. 5841(a)(1)) shall apply to the Chairman in the  
22 performance of the functions of the Chairman as described  
23 in subsections (a) and (b).

1 **SEC. 102. CHAIRMAN.**

2       (a) TRANSFER OF FUNCTIONS.—Any function of the  
3 Commission not described in section 101(a)(1) is trans-  
4 ferred to the Chairman.

5       (b) DUTIES.—The Chairman shall—

6           (1) be the official spokesman for the Commis-  
7 sion, which includes representing the policies estab-  
8 lished by a majority of the members of the Commis-  
9 sion;

10          (2) be the principal executive officer of the  
11 Commission;

12          (3) be responsible to the Commission for ensur-  
13 ing that the Executive Director for Operations and  
14 the staff of the Commission (other than the officers  
15 and staff referred to in subsections (b)(4) and (c) of  
16 section 101) are responsive to the requirements of  
17 the Commission in the performance of the functions  
18 of the Commission;

19          (4) determine the use and expenditure of funds  
20 of the Commission, in accordance with the distribu-  
21 tion of appropriated funds according to programs  
22 and purposes approved by the Commission;

23          (5) present to the Commission, for consider-  
24 ation by the Commission, the proposals and esti-  
25 mates prepared under paragraph (6)(C); and

1                         (6) be responsible for (which the Chairman  
2                         shall delegate, subject to direction and supervision  
3                         by the Chairman, to the Executive Director for Op-  
4                         erations, unless otherwise provided by this Act)—

5                             (A) administrative functions of the Com-  
6                         mission;

7                             (B) distribution of business among per-  
8                         sonnel, administrative units, and offices of the  
9                         Commission;

10                          (C) preparation of proposals for the reor-  
11                         ganization of the major offices of the Commis-  
12                         sion; and

13                          (D) appointing and removing, without any  
14                         further action by the Commission, all officers  
15                         and employees under the Commission other  
16                         than the offices and employees, the appoint-  
17                         ment and removal of which are specifically pro-  
18                         vided for by subsections (b)(4) and (c) of sec-  
19                         tion 101.

20                          (c) GOVERNING PRINCIPLES.—

21                          (1) IN GENERAL.—The Chairman (as principal  
22                         executive officer) and the Executive Director for Op-  
23                         erations, shall be governed by—

24                          (A) the general policies of the Commission;  
25                         and

(B) transmit to the Committee on Energy and Commerce of the House of Representatives and the Committee on Environment and Public Works of the Senate copies of the notice submitted under subparagraph (A).

1   **SEC. 103. EMERGENCY AUTHORITY.**

2       (a) IN GENERAL.—Notwithstanding sections 101 and  
3    102 and subject to subsection (b), the Chairman is author-  
4    ized to exercise emergency authority of the Chairman in  
5    responding to, issuing orders respecting, advising United  
6    States civil authorities and the United States public about,  
7    and directing and coordinating actions relating to an  
8    emergency incident.

9       (b) LIMITATIONS.—

10           (1) EMERGENCY DECLARATION REQUIRED.—

11               (A) IN GENERAL.—The Chairman may not  
12               exercise emergency authority under subsection  
13               (a) until—

14                       (i) the Chairman issues a declaration  
15                       that a specific emergency exists; and  
16                       (ii) not later than 24 hours after the  
17                       issuance of a declaration under subpara-  
18                       graph (A), the Chairman provides notice of  
19                       the declaration—

20                               (I) in writing to—

21                                       (aa) the Commission;  
22                                       (bb) the Committee on En-  
23                               ergy and Commerce of the House  
24                               of Representatives; and

(B) PUBLIC NOTIFICATION.—Notwithstanding subclause (II) of subparagraph (A)(ii), public notification of a declaration under that subclause may be delayed beyond the 24-hour period specified in subparagraph (A)(ii) if the Chairman—

12 (i) determines that disclosing the dec-  
13 laration to the public at that time would  
14 constitute a risk to public health or safety;  
15 and

16 (ii) submits notice of the determina-  
17 tion under clause (i) to—

18 (I) the Commission:

22 (III) the Committee on Environment and Public Works of the Senate.  
23

1                             (2) AUTHORIZED EMERGENCIES.—The Chairman  
2                             may only exercise emergency authority under  
3                             subsection (a) in response to—

4                                 (A) an imminent safety threat pertaining  
5                             to a facility or materials licensed or regulated  
6                             by the Commission; or

7                                 (B) a determination of an imminent security  
8                             threat to a facility or materials licensed or  
9                             regulated by the Commission is made by—

10                                     (i) the Secretary of Homeland Security;

11                                     (ii) the Secretary of Energy;

12                                     (iii) the Secretary of Transportation;

13                                     (iv) the Director of the Federal Bureau  
14                                     of Investigation;

15                                     (v) the Director of the Central Intelligence Agency; or

16                                     (vi) the Director of National Intelligence.

17                             (3) DURATION.—

18                                 (A) IN GENERAL.—The Chairman may  
19                             only exercise emergency authority under subsection (a) for the fewer of—

20                                     (i) the duration of the emergency; or

21                                     (ii) 30 days.

(B) EXTENSION.—The initial period established under subparagraph (A) may be extended by 30 days if the Commission—

**13 (c) DELEGATION.—**

18                         (2) To STAFF.—The authority to perform the  
19                         emergency functions described in subsection (a) may  
20                         be delegated or redelegated, in whole or in part, to  
21                         the staff of the Commission.

**22 (d) CONSULTATION.—**

23                             (1) IN GENERAL.—To the maximum extent  
24                             practicable, the Chairman shall consult with the full  
25                             Commission on any regulatory or policy actions

1        taken under the emergency authority provided under  
2        this section.

3                (2) EXEMPTION.—A consultation under para-  
4        graph (1) shall be exempt from the requirements of  
5        section 552b of title 5, United States Code.

6                (e) GUIDELINES AND NOTICE.—In acting under this  
7        section, the actions of the Chairman, or other member of  
8        the Commission delegated authority under subsection (c),  
9        shall conform to the policy guidelines of the Commission.

10               (f) TERMINATION OF EMERGENCY.—On termination  
11        of the emergency, the Chairman shall immediately submit  
12        notice of the termination to—

13               (1) the Commission;  
14               (2) the public;  
15               (3) the Committee on Energy and Commerce of  
16        the House of Representatives; and  
17               (4) the Committee on Environment and Public  
18        Works of the Senate.

19               (g) REPORT.—Not later than 30 days after the date  
20        on which the emergency is terminated under subsection  
21        (f), the Chairman, or the member of the Commission or  
22        staff member of the Commission delegated the emergency  
23        functions under subsection (c), shall submit a report that  
24        describes all actions taken during the emergency, includ-

1 ing a description of any actions taken using the authority  
2 provided by this section, to—

3                     (1) the Commission;  
4                     (2) the Committee on Energy and Commerce of  
5                     the House of Representatives; and  
6                     (3) the Committee on Environment and Public  
7                     Works of the Senate.

8 (h) COMMISSION PROCEDURES.—

9                     (1) IN GENERAL.—Not later than 90 days after  
10                  the date of enactment of this Act, the Commission  
11                  shall revise the procedures of the Commission to  
12                  comply with the requirements of this section.

13                     (2) REQUIREMENTS.—The revision under para-  
14                  graph (1) shall define the roles of the members of  
15                  the Commission during an emergency, including pro-  
16                  viding for—

17                         (A) complete access to—  
18                             (i) records and information relating to  
19                             actions taken during the emergency;  
20                             (ii) Commission staff involved in the  
21                             management of the emergency; and  
22                             (iii) one or more locations at which  
23                             decisions are made during the emergency;  
24                             and

(B) to the extent practicable, participation in decisions that may affect Commission actions and policies beyond the response to a particular emergency.

## 5 SEC. 104. REPORTING.

**6 (a) DELEGATION; REPORTING.—**

7                   (1) IN GENERAL.—The Chairman may make  
8       any delegations and provide for any reporting that  
9       the Chairman determines to be necessary, subject to  
10      applicable provisions of law.

18 (b) EXECUTIVE DIRECTOR FOR OPERATIONS.—

19                   (1) IN GENERAL.—The Executive Director for  
20 Operations shall report all matters to the Chairman.

1 shall report to the Executive Director for Operations.  
2

3 (c) DIRECT REPORTING.—

4 (1) SUBMISSION OF REPORTS.—The heads of  
5 the Commission-level offices or successor offices of  
6 the following offices shall report directly to the Com-  
7 mission:

8 (A) The General Counsel.  
9 (B) The Secretary of the Commission.  
10 (C) The Office of Commission Appellate  
11 Adjudication.

20 shall receive the reports submitted under paragraph  
21 (1).

22 **SEC. 105. RESCISSION OF REORGANIZATION PLAN AP-**  
23 **PROVAL.**

24 The approval of Reorganization Plan No. 1 of 1980  
25 (45 Fed. Reg. 40561) (adopted pursuant to the Reorga-

1 nization Act Amendments of 1984 (5 U.S.C. 901 et seq.))  
2 is rescinded.

3 **TITLE II—MISCELLANEOUS**

4 **SEC. 201. CERTIFICATION OF DOCUMENTS TRANSMITTED**  
5 **TO CONGRESS.**

6 A letter or other document transmitted by the Com-  
7 mission, on behalf of the full Commission, to a member  
8 of Congress in the capacity of the member as Chairman  
9 or Ranking Minority Member of a Committee of Congress,  
10 shall include a certification that the letter or document  
11 is being sent to the Chairman and Ranking Minority Mem-  
12 ber of that Committee, in accordance with established  
13 Commission procedures.

14 **SEC. 202. TIME LIMITS FOR COMMISSION REVIEW OF ATOM-  
15 IC SAFETY AND LICENSING BOARD DECI-  
16 SIONS.**

17 (a) IN GENERAL.—In reviewing the decisions and ac-  
18 tions of the Atomic Safety and Licensing Board, not later  
19 than 90 days after the date on which the Commission re-  
20 ceives final briefs relating to the decision or action, each  
21 member of the Commission shall vote on the matter under  
22 review.

23 (b) NOTIFICATION OF NONVOTERS.—Once a major-  
24 ity position of the members of the Commission has been  
25 established by members voting under subsection (a), the

1 Secretary shall notify in writing any member of the Com-  
2 mission that has not voted in accordance with that sub-  
3 section that a majority position has been established with  
4 respect to the matter under review.

5 (c) DEADLINE FOR VOTING.—A member of the Com-  
6 mission that receives notice under subsection (b)—

7 (1) shall have within 3 days of the date of the  
8 notice to vote on the matter under review; and

9 (2) shall be considered by the Secretary as not  
10 participating in the vote if the member does not vote  
11 by the deadline specified in paragraph (1).

12 (d) PUBLICATION.—The Commission shall publish  
13 any resulting decision of the Commission under this sec-  
14 tion, including adjudicatory orders and direction to agency  
15 staff—

16 (1) if a majority position is established with re-  
17 spect to the matter under review under this section,  
18 not later than 30 days after the date on which the  
19 majority position is established; or

20 (2) if a majority position is not established be-  
21 cause of a tie vote of the participating members of  
22 the Commission, not later than 30 days after the  
23 date on which the voting is completed in accordance  
24 with this section.

1     **SEC. 203. ALLEGATIONS OF WRONGDOING.**

2         (a) REFERRAL TO INSPECTOR GENERAL.—Not later  
3 than 90 days after the date of enactment of this Act, the  
4 Commission shall revise the procedures of the Commission  
5 to ensure that any allegation of wrongdoing on the part  
6 of the Chairman is immediately referred to the Inspector  
7 General of the Commission.

8         (b) SUPERVISION OF INSPECTOR GENERAL.—During  
9 any period in which an investigation by the Inspector Gen-  
10 eral of the Chairman is pending with respect to an allega-  
11 tion described in subsection (a), the Chairman shall dele-  
12 gate responsibility for supervising the Inspector General  
13 to a member of the Commission other than the Chairman,  
14 consistent with the Inspector General Act of 1978 (5  
15 U.S.C. App.).

16     **SEC. 204. APPROVAL OF TRAVEL.**

17         (a) AUTHORIZATION BY CHAIRMAN.—The Chairman  
18 shall authorize all international travel requested by other  
19 members of the Commission for official business unless  
20 the Chairman submits a notice of disapproval to the full  
21 Commission specifying the basis for the disapproval by  
22 that is 5 days after the date on which the request is sub-  
23 mitted to the Chairman.

24         (b) REQUEST CONSIDERED TO BE APPROVED.—If  
25 the Chairman fails to submit to the Commission the notice

- 1 of disapproval by the deadline described in subsection (a),
- 2 the travel shall be considered to be approved.

3 **SEC. 205. IMPLEMENTATION.**

4        Except as otherwise specified in this Act, not later  
5 than 180 days after the date of enactment of this Act,  
6 the Commission shall revise the procedures of the Com-  
7 mission to conform the procedures with this Act.
