---

# A BILL

To promote strategic sourcing principles within the Federal Government.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Buy Smarter and Save  
5       Act of 2015”.

1   **SEC. 2. GOALS FOR STRATEGIC SOURCING OF FEDERALLY**  
2                   **PROCURED GOODS AND SERVICES.**

3       (a) REQUIREMENT TO ESTABLISH GOALS FOR PUR-  
4       CHASES AND SAVINGS USING STRATEGIC SOURCING.—

5       The President shall establish—

6               (1) an annual Government-wide goal to procure  
7       goods and services using strategic sourcing, in ac-  
8       cordance with this section; and

9               (2) an annual Government-wide goal for savings  
10      resulting from the use of strategic sourcing, in ac-  
11      cordance with this section.

12      (b) AMOUNT OF PROCUREMENT GOAL.—

13       (1) IN GENERAL.—The goal for procurement of  
14      goods and services established under subsection (a)  
15      shall be—

16               (A) in each of fiscal years 2016 and 2017,  
17      at least \$100,000,000,000; and

18               (B) in each of fiscal years 2018, 2019, and  
19      2020, at least \$75,000,000,000.

20      (c) AMOUNT OF SAVINGS GOAL.—The goal for sav-  
21      ings resulting from the use of strategic sourcing estab-  
22      lished under subsection (a) shall be—

23               (1) in each of fiscal years 2016 and 2017, at  
24      least \$10,000,000,000; and

25               (2) in each of fiscal years 2018, 2019, and  
26      2020, at least \$7,500,000,000.

1   **SEC. 3. IMPLEMENTATION OF STRATEGIC SOURCING**  
2                   **GOALS BY OFFICE OF MANAGEMENT AND**  
3                   **BUDGET.**

4       (a) **GUIDANCE BY OFFICE OF MANAGEMENT AND**  
5   **BUDGET.**—The Director of the Office of Management and  
6   Budget shall issue guidance to executive agencies for im-  
7   plementing the goals established under section 2. The Di-  
8   rector, in consultation with the heads of executive agen-  
9   cies, may set specific goals for procurement and savings  
10   that are customized to individual executive agencies.

11     (b) **MATTERS COVERED.**—In the guidance issued  
12   under subsection (a), the Director shall include, at a min-  
13   imum, the following:

14           (1) Criteria for the goods and services to be  
15   procured using strategic sourcing, consistent with  
16   the considerations described in subsection (c).

17           (2) A description of the specific data required  
18   to be submitted by executive agencies to the Director  
19   regarding implementation of the goals.

20           (3) Guidance on calculating and verifying sav-  
21   ings generated from strategic sourcing.

22           (4) Standards to measure progress towards  
23   meeting savings goals.

24           (5) Procedures to hold agencies accountable  
25   and ensure that agencies are achieving their stra-  
26   tegic sourcing goals.

1                         (6) Procedures to ensure that an agency is not  
2                         making purchases that significantly exceed the re-  
3                         quirements of the agency, including purchases of  
4                         ammunition.

5                         (7) A list of existing Government-wide strategic  
6                         sourcing vehicles.

7                         (c) CONSIDERATIONS.—In developing the guidance  
8                         issued under this section, the Director shall take into con-  
9                         sideration the application of strategic sourcing in a man-  
10                         ner that—

11                         (1) maintains a strong industrial and manufac-  
12                         turing base in the United States;

13                         (2) is consistent with international trade agree-  
14                         ments;

15                         (3) accounts for the benefits as well as the costs  
16                         of procuring goods and services;

17                         (4) emphasizes the procurement of goods and  
18                         services that are procured repetitively, procured Gov-  
19                         ernment-wide and in large amounts, and are non-  
20                         technical and commercial in nature;

21                         (5) allows for easy conduct of a spend analysis  
22                         under section 4(b); and

23                         (6) reflects the requirements of the Small Busi-  
24                         ness Act, including the provisions addressing con-  
25                         tract bundling, contract consolidation, and the need

1 to achieve the statutory small business prime con-  
2 tracting and subcontracting goals in section 15 of  
3 that Act.

4 (d) RELATIONSHIP TO FEDERAL STRATEGIC  
5 SOURCING INITIATIVE.—In issuing guidance under this  
6 section, the Director shall take into account and be con-  
7 sistent with the Federal Strategic Sourcing Initiative man-  
8 aged by the Office of Federal Procurement Policy.

9 (e) REPORT.—Not later than 180 days after the end  
10 of a fiscal year for which a goal is established under sec-  
11 tion 2, the Director shall submit to Congress a report on  
12 the implementation of this Act. The report shall include,  
13 at a minimum—

14 (1) the dollar amount of spending for goods and  
15 for services that was strategically sourced during the  
16 year covered by the report;

17 (2) the extent of savings on purchases of goods  
18 and services realized by executive agencies during  
19 that year; and

20 (3) such findings and recommendations as the  
21 Director considers appropriate.

1   **SEC. 4. STRATEGIC SOURCING DUTIES OF COVERED DE-**  
2                   **PARTMENTS.**

3       (a) IN GENERAL.—The Secretary of a covered de-  
4 partment shall take the following actions to support stra-  
5 tegic sourcing efforts in the department:

6               (1) Establishment of department-wide goals and  
7               savings targets for strategic sourcing efforts in sup-  
8               port of the goals established under section 2.

9               (2) Establishment of a strategic sourcing ac-  
10              countability official within the department.

11              (3) Issuance of a policy that outlines the role,  
12              authority, and responsibilities of the strategic  
13              sourcing accountability official and department prac-  
14              tices for strategic sourcing.

15              (4) Identification of department-specific stra-  
16              tegic sourcing contracts already in use and establish-  
17              ment of utilization goals for current and future stra-  
18              tegic sourcing efforts.

19              (5) Development of standards to track and as-  
20              sess compliance with the goals established under sec-  
21              tion 2, consistent with the guidance and consider-  
22              ations under section 3.

23       (b) SPEND ANALYSIS REQUIREMENT.—Not later  
24      than six months after the date of the enactment of this  
25      Act, and in accordance with the guidance and consider-  
26      ations under section 3, the Secretary of a covered depart-

1 ment shall conduct a spend analysis of procurements by  
2 the department during fiscal year 2014 to identify, assess,  
3 and quantify goods and services suitable for strategic  
4 sourcing. Based on the analysis, the Secretary shall select,  
5 for implementation in fiscal year 2016, at least one good  
6 or service to strategically source from among the top 20  
7 procurement spending categories for commercial goods  
8 and services that are identified in the analysis as suitable  
9 for strategic sourcing.

10 **SEC. 5. STUDY AND REPORT BY COMPTROLLER GENERAL.**

11 (a) STUDY ON CONTRACT UTILIZATION FEES.—The  
12 Comptroller General of the United States shall conduct  
13 a study to assess the effect of contract utilization fees on  
14 the use of multiple agency contracts, including strategic  
15 sourcing vehicles using multiple award schedules, and  
16 shall submit a report on the results of the study to Con-  
17 gress not later than one year after the date of the enact-  
18 ment of this Act.

19 (b) STUDY ON ESTABLISHING CONTRACT VEHICLES.—The Comptroller General shall conduct a study to  
20 examine the cost of establishing each of the current Fed-  
21 eral strategic sourcing initiative contract vehicles, and  
22 shall submit a report on the results of the study to Con-  
23 gress not later than one year after the date of the enact-  
24 ment of this Act.

1       (c) ANNUAL REPORT ON IMPLEMENTATION OF  
2 ACT.—

3                 (1) ASSESSMENTS.—Each year, the Comptroller  
4 General shall assess—

5                         (A) the performance of executive agencies  
6                         in implementing the strategic sourcing goals re-  
7                         quired by this Act; and

8                         (B) the amounts saved through the use of  
9                         strategic sourcing, including a comparison of  
10                         the costs of establishing and maintaining stra-  
11                         tegic sourcing contract vehicles.

12                 (2) REPORT.—The Comptroller General shall  
13                         submit a report on the results of the assessment to  
14                         Congress not later than one year after the date of  
15                         the enactment of this Act and annually thereafter  
16                         while the goals are in effect.

17 **SEC. 6. DEFINITIONS.**

18         In this Act:

19                 (1) EXECUTIVE AGENCY.—The term “executive  
20                         agency” has the meaning given the term “Executive  
21                         agency” in section 105 of title 5, United States  
22                         Code.

23                 (2) COVERED DEPARTMENT.—The term “cov-  
24                         ered department” means the Department of De-  
25                         fense, the Department of Homeland Security, the

1       Department of Energy, the Department of Veterans  
2       Affairs, the National Aeronautics and Space Admin-  
3       istration, the Department of Health and Human  
4       Services, the General Services Administration, and  
5       the Small Business Administration.

6                 (3) STRATEGIC SOURCING.—The term “stra-  
7       tegic sourcing” means a structured and collaborative  
8       process of critically analyzing an organization’s  
9       spending patterns to better leverage its purchasing  
10      power, reduce costs, and improve overall value and  
11      performance.
