The independent dispute resolution process shall be initiated by a party pursuant to the previous sentence by submission to the other party and to the Secretary of a notification (containing such information as specified by the Secretary) and for purposes of this subsection, the date of initiation of such process shall be the date of such submission or such other date specified by the Secretary pursuant to regulations that is not later than the date of receipt of such notification by both the other party and the Secretary.

“(2) INDEPENDENT DISPUTE RESOLUTION PROCESS AVAILABLE IN CASE OF FAILED OPEN NEGOTIATIONS.—

“(A) ESTABLISHMENT.—Not later than 1 year after the date of the enactment of this subsection, the Secretary, jointly with the Secretary of Labor and the Secretary of the Treasury, shall establish by regulation one independent dispute resolution process (referred to in this subsection as the ‘IDR process’) under which, in the case of an item or service with respect to which a provider or facility (as applicable) or group health plan or health insurance issuer offering group or individual health insurance coverage submits a notification under paragraph (1)(B) (in this subsection referred to as a ‘qualified IDR item or service’),

a certified IDR entity under paragraph (4) determines, subject to subparagraph (B) and in accordance with the succeeding provisions of this subsection, the amount of payment under the plan or coverage for such item or service furnished by such provider or facility.

“(B) AUTHORITY TO CONTINUE NEGOTIATIONS.—Under the independent dispute resolution process, in the case that the parties to a determination for a qualified IDR item or service agree on a payment amount for such item or service during such process but before the date on which the entity selected with respect to such determination under paragraph (4) makes such determination under paragraph (5), such amount shall be treated for purposes of subsection (a)(3)(K)(ii) as the amount agreed to by such parties for such item or service. In the case of an agreement described in the previous sentence, the independent dispute resolution process shall provide for a method to determine how to allocate between the parties to such determination the payment of the compensation of the entity selected with respect to such determination.

“(C) CLARIFICATION.—A nonparticipating provider may not, with respect to an item or service furnished by such provider, submit a notification under paragraph (1)(B) if such provider is exempt from the requirement under subsection (a) of section 2799B–2 with respect to such item or service pursuant to subsection (b) of such section.

“(3) TREATMENT OF BATCHING OF ITEMS AND SERVICES.—

“(A) IN GENERAL.—Under the IDR process, the Secretary shall specify criteria under which multiple qualified IDR dispute items and services are permitted to be considered jointly as part of a single determination by an entity for purposes of encouraging the efficiency (including minimizing costs) of the IDR process. Such items and services may be so considered only if—

“(i) such items and services to be included in such determination are furnished by the same provider or facility;

“(ii) payment for such items and services is required to be made by the same group health plan or health insurance issuer;

“(iii) such items and services are related to the treatment of a similar condition; and

“(iv) such items and services were furnished during the 30 day period following the date on which the first item or service included with respect to such determination was furnished or an alternative period as determined by the Secretary, for use in limited situations, such as by the consent of the parties or in the case of low-volume items and services, to encourage procedural efficiency and minimize health plan and provider administrative costs.

“(B) TREATMENT OF BUNDLED PAYMENTS.—In carrying out subparagraph (A), the Secretary shall provide that, in the case of items and services which are included by a provider or facility as part of a bundled payment, such items and services included in such bundled payment may be part of a single determination under this subsection.

“(4) CERTIFICATION AND SELECTION OF IDR ENTITIES.—

“(A) IN GENERAL.—The Secretary, in consultation with the Secretary of Labor and Secretary of the Treasury, shall establish a process to certify (including to recertify) entities under this paragraph. Such process shall ensure that an entity so certified—

“(i) has (directly or through contracts or other arrangements) sufficient medical, legal, and other expertise and sufficient staffing to make determinations described in paragraph (5) on a timely basis;

“(ii) is not—

“(I) a group health plan or health insurance issuer offering group or individual health insurance coverage, provider, or facility;

“(II) an affiliate or a subsidiary of such a group health plan or health insurance issuer, provider, or facility; or

“(III) an affiliate or subsidiary of a professional or trade association of such group health plans or health insurance issuers or of providers or facilities;

“(iii) carries out the responsibilities of such an entity in accordance with this subsection;

“(iv) meets appropriate indicators of fiscal integrity;

“(v) maintains the confidentiality (in accordance with regulations promulgated by the Secretary) of individually identifiable health information obtained in the course of conducting such determinations;

“(vi) does not under the IDR process carry out any determination with respect to which the entity would not pursuant to subclause (I), (II), or (III) of subparagraph (F)(i) be eligible for selection; and

“(vii) meets such other requirements as determined appropriate by the Secretary.

“(B) PERIOD OF CERTIFICATION.—Subject to subparagraph (C), each certification (including a recertification) of an entity under the process described in subparagraph (A) shall be for a 5-year period.

“(C) REVOCATION.—A certification of an entity under this paragraph may be revoked under the process described in subparagraph (A) if the entity has a pattern or practice of noncompliance with any of the requirements described in such subparagraph.

“(D) PETITION FOR DENIAL OR WITHDRAWAL.—The process described in subparagraph (A) shall ensure that an individual, provider, facility, or group health plan or health insurance issuer offering group or individual health insurance coverage may petition for a denial of a certification or a revocation of a certification with respect to an entity under this paragraph for failure of meeting a requirement of this subsection.

“(E) SUFFICIENT NUMBER OF ENTITIES.—The process described in subparagraph (A) shall ensure that a sufficient number of entities are certified under this paragraph to ensure the timely and efficient provision of determinations described in paragraph (5).

“(F) SELECTION OF CERTIFIED IDR ENTITY.—The Secretary shall, with respect to the determination of the amount of payment under this subsection of an item or service, provide for a method—

“(i) that allows for the group health plan or health insurance issuer offering group or individual health insurance coverage and the nonparticipating provider or the nonparticipating emergency facility (as applicable) involved in a notification under paragraph (1)(B) to jointly select, not later than the last day of the 3-business day period following the date of the initiation of the process with respect to such item or service, for purposes of making such determination, an entity certified under this paragraph that—

“(I) is not a party to such determination or an employee or agent of such a party;

“(II) does not have a material familial, financial, or professional relationship with such a party; and

“(III) does not otherwise have a conflict of interest with such a party (as determined by the Secretary); and

“(ii) that requires, in the case such parties do not make such selection by such last day, the Secretary to, not later than 6 business days after such date of initiation—

“(I) select such an entity that satisfies subclauses (I) through (III) of clause (i)); and

“(II) provide notification of such selection to the provider or facility (as applicable) and the plan or issuer (as applicable) party to such determination.

An entity selected pursuant to the previous sentence to make a determination described in such sentence shall be referred to in this subsection as the ‘certified IDR entity’ with respect to such determination.

“(5) PAYMENT DETERMINATION.—

“(A) IN GENERAL.—Not later than 30 days after the date of selection of the certified IDR entity with respect to a determination for a qualified IDR item or service, the certified IDR entity shall—

“(i) taking into account the considerations specified in subparagraph (C), select one of the offers submitted under subparagraph (B) to be the amount of payment for such item or service determined under this subsection for purposes of subsection (a)(1) or (b)(1), as applicable; and

“(ii) notify the provider or facility and the group health plan or health insurance issuer offering group or individual health insurance coverage party to such determination of the offer selected under clause (i).

“(B) SUBMISSION OF OFFERS.—Not later than 10 days after the date of selection of the certified IDR entity with respect to a determination for a qualified IDR item or service, the provider or facility and the group health plan or health insurance issuer offering group or individual health insurance coverage party to such determination—

“(i) shall each submit to the certified IDR entity with respect to such determination—

“(I) an offer for a payment amount for such item or service furnished by such provider or facility; and

“(II) such information as requested by the certified IDR entity relating to such offer; and

“(ii) may each submit to the certified IDR entity with respect to such determination any information relating to such offer submitted by either party, including information relating to any circumstance described in subparagraph (C)(ii).

“(C) CONSIDERATIONS IN DETERMINATION.—

“(i) IN GENERAL.—In determining which offer is the payment to be applied pursuant to this paragraph, the certified IDR entity, with respect to the determination for a qualified IDR item or service shall consider—

“(I) the qualifying payment amounts (as defined in subsection (a)(3)(E)) for the applicable year for items or services that are comparable to the qualified IDR item or service and that are furnished in the same geographic region (as defined by the Secretary for purposes of such subsection) as such qualified IDR item or service; and

“(II) subject to subparagraph (D), information on any circumstance described in clause (ii), such information as requested in subparagraph (B)(i)(II), and any additional information provided in subparagraph (B)(ii).

“(ii) ADDITIONAL CIRCUMSTANCES.—For purposes of clause (i)(II), the circumstances described in this clause are, with respect to a qualified IDR item or service of a nonparticipating provider, nonparticipating emergency facility, group health plan, or health insurance issuer of group or individual health insurance coverage the following:

“(I) The level of training, experience, and quality and outcomes measurements of the provider or facility that furnished such item or service (such as those endorsed by the consensus-based entity authorized in section 1890 of the Social Security Act).

“(II) The market share held by the nonparticipating provider or facility or that of the plan or issuer in the geographic region in which the item or service was provided.

“(III) The acuity of the individual receiving such item or service or the complexity of furnishing such item or service to such individual.

“(IV) The teaching status, case mix, and scope of services of the nonparticipating facility that furnished such item or service.

“(V) Demonstrations of good faith efforts (or lack of good faith efforts) made by the nonparticipating provider or nonparticipating facility or the plan or issuer to enter into network agreements

and, if applicable, contracted rates between the provider or facility, as applicable, and the plan or issuer, as applicable, during the previous 4 plan years.

“(D) PROHIBITION ON CONSIDERATION OF CERTAIN FACTORS.—In determining which offer is the payment to be applied with respect to qualified IDR items and services furnished by a provider or facility, the certified IDR entity with respect to a determination shall not consider usual and customary charges, the amount that would have been billed by such provider or facility with respect to such items and services had the provisions of section 2799B-1 or 2799B-2 (as applicable) not applied, or the payment or reimbursement rate for such items and services furnished by such provider or facility payable by a public payor, including under the Medicare program under title XVIII of the Social Security Act, under the Medicaid program under title XIX of such Act, under the Children’s Health Insurance Program under title XXI of such Act, under the TRICARE program under chapter 55 of title 10, United States Code, or under chapter 17 of title 38, United States Code.

“(E) EFFECTS OF DETERMINATION.—

“(i) IN GENERAL.—A determination of a certified IDR entity under subparagraph (A)—

“(I) shall be binding upon the parties involved, in the absence of a fraudulent claim or evidence of misrepresentation of facts presented to the IDR entity involved regarding such claim; and

“(II) shall not be subject to judicial review, except in a case described in any of paragraphs (1) through (4) of section 10(a) of title 9, United States Code.

“(ii) SUSPENSION OF CERTAIN SUBSEQUENT IDR REQUESTS.—In the case of a determination of a certified IDR entity under subparagraph (A), with respect to an initial notification submitted under paragraph (1)(B) with respect to qualified IDR items and services and the two parties involved with such notification, the party that submitted such notification may not submit during the 90-day period following such determination a subsequent notification under such paragraph involving the same other party to such notification with respect to such an item or service that was the subject of such initial notification.

“(iii) SUBSEQUENT SUBMISSION OF REQUESTS PERMITTED.—In the case of a notification that pursuant to clause (ii) is not permitted to be submitted under paragraph (1)(B) during a 90-day period specified in such clause, if the end of the open negotiation period specified in paragraph (1)(A), that but for this clause would otherwise apply with respect to such notification, occurs during such 90-day period, such paragraph (1)(B) shall be applied as if the reference in such paragraph to the 4-day period beginning on the day after such open negotiation period were instead a reference

to the 30-day period beginning on the day after the last day of such 90-day period.

“(iv) REPORTS.—The Secretary, jointly with the Secretary of Labor and the Secretary of the Treasury, shall examine the impact of the application of clause (ii) and whether the application of such clause delays payment determinations or impacts early, alternative resolution of claims (such as through open negotiations), and shall submit to Congress, not later than 2 years after the date of implementation of such clause an interim report (and not later than 4 years after such date of implementation, a final report) on whether any group health plans or health insurance issuers offering group or individual health insurance coverage or types of such plans or coverage have a pattern or practice of routine denial, low payment, or downcoding of claims, or otherwise abuse the 90-day period described in such clause, including recommendations on ways to discourage such a pattern or practice.

“(F) COSTS OF INDEPENDENT DISPUTE RESOLUTION PROCESS.—In the case of a notification under paragraph (1)(B) submitted by a nonparticipating provider, nonparticipating emergency facility, group health plan, or health insurance issuer offering group or individual health insurance coverage and submitted to a certified IDR entity—

“(i) if such entity makes a determination with respect to such notification under subparagraph (A), the party whose offer is not chosen under such subparagraph shall be responsible for paying all fees charged by such entity; and

“(ii) if the parties reach a settlement with respect to such notification prior to such a determination, each party shall pay half of all fees charged by such entity, unless the parties otherwise agree.

“(6) TIMING OF PAYMENT.—The total plan or coverage payment required pursuant to subsection (a)(1) or (b)(1), with respect to a qualified IDR item or service for which a determination is made under paragraph (5)(A) or with respect to an item or service for which a payment amount is determined under open negotiations under paragraph (1), shall be made directly to the nonparticipating provider or facility not later than 30 days after the date on which such determination is made.

“(7) PUBLICATION OF INFORMATION RELATING TO THE IDR PROCESS.—

“(A) PUBLICATION OF INFORMATION.—For each calendar quarter in 2022 and each calendar quarter in a subsequent year, the Secretary shall make available on the public website of the Department of Health and Human Services—

“(iv) whether the offer selected by the certified IDR entity under paragraph (5) to be the payment applied was the offer submitted by such plan or issuer (as applicable) or by such provider or facility (as applicable) and the amount of such offer so selected expressed as a percentage of the qualifying payment amount;

“(v) the category and practice specialty of each such provider or facility involved in furnishing such items and services;

“(9) WAIVER AUTHORITY.—The Secretary may modify any deadline or other timing requirement specified under this subsection (other than the establishment date for the IDR process under paragraph (2)(A) and other than under paragraph (6)) in cases of extenuating circumstances, as specified by the Secretary, or to ensure that all claims that occur during a 90-day period described in paragraph (5)(E)(ii), but with respect to which a notification is not permitted by reason of such paragraph to be submitted under paragraph (1)(B) during such period, are eligible for the IDR process.”

(b) ERISA.—Section 716 of the Employee Retirement Income Security Act of 1974, as added by section 102, is amended—

(1) by redesignating subsection (c) as subsection (d); and

(including any cost-sharing) for such item or service. For purposes of this subsection, the open negotiation period, with respect to an item or service, is the 30-day period beginning on the date of initiation of the negotiations with respect to such item or service.

“(B) ACCESSING INDEPENDENT DISPUTE RESOLUTION PROCESS IN CASE OF FAILED NEGOTIATIONS.—In the case of open negotiations pursuant to subparagraph (A), with respect to an item or service, that do not result in a determination of an amount of payment for such item or service by the last day of the open negotiation period described in such subparagraph with respect to such item or service, the provider or facility (as applicable) or group health plan or health insurance issuer offering group health insurance coverage that was party to such negotiations may, during the 4-day period beginning on the day after such open negotiation period, initiate the independent dispute resolution process under paragraph (2) with respect to such item or service. The independent dispute resolution process shall be initiated by a party pursuant to the previous sentence by submission to the other party and to the Secretary of a notification (containing such information as specified by the Secretary) and for purposes of this subsection, the date of initiation of such process shall be the date of such submission or such other date specified by the Secretary pursuant to regulations that is not later than the date of receipt of such notification by both the other party and the Secretary.

“(B) AUTHORITY TO CONTINUE NEGOTIATIONS.—Under the independent dispute resolution process, in the case that the parties to a determination for a qualified IDR item or service agree on a payment amount for such item or service during such process but before the date on which the entity selected with respect to such determination under paragraph (4) makes such determination under paragraph (5), such amount shall be treated for purposes of subsection (a)(3)(K)(ii) as the amount agreed to by such parties for such item or service. In the case of an agreement described in the previous sentence, the independent dispute

resolution process shall provide for a method to determine how to allocate between the parties to such determination the payment of the compensation of the entity selected with respect to such determination.

“(iv) such items and services were furnished during the 30 day period following the date on which the first item or service included with respect to such determination was furnished or an alternative period as determined by the Secretary, for use in limited situations, such as by the consent of the parties or in the case of low-volume items and services, to encourage procedural efficiency and minimize health plan and provider administrative costs.

“(B) TREATMENT OF BUNDLED PAYMENTS.—In carrying out subparagraph (A), the Secretary shall provide that, in the case of items and services which are included by a provider or facility as part of a bundled payment, such items and services included in such bundled payment may be part of a single determination under this subsection.

“(4) CERTIFICATION AND SELECTION OF IDR ENTITIES.—

“(A) IN GENERAL.—The Secretary, jointly with the Secretary of Health and Human Services and Secretary of the Treasury, shall establish a process to certify (including to recertify) entities under this paragraph. Such process shall ensure that an entity so certified—

“(D) PETITION FOR DENIAL OR WITHDRAWAL.—The process described in subparagraph (A) shall ensure that an individual, provider, facility, or group health plan or health insurance issuer offering group health insurance coverage may petition for a denial of a certification or a revocation of a certification with respect to an entity under this paragraph for failure of meeting a requirement of this subsection.

“(E) SUFFICIENT NUMBER OF ENTITIES.—The process described in subparagraph (A) shall ensure that a sufficient number of entities are certified under this paragraph to ensure the timely and efficient provision of determinations described in paragraph (5).

“(II) provide notification of such selection to the provider or facility (as applicable) and the plan or issuer (as applicable) party to such determination.

An entity selected pursuant to the previous sentence to make a determination described in such sentence shall be referred to in this subsection as the ‘certified IDR entity’ with respect to such determination.

“(ii) if the parties reach a settlement with respect to such notification prior to such a determination, each party shall pay half of all fees charged by such entity, unless the parties otherwise agree.

“(6) TIMING OF PAYMENT.—The total plan or coverage payment required pursuant to subsection (a)(1) or (b)(1), with respect to a qualified IDR item or service for which a determination is made under paragraph (5)(A) or with respect to an item or service for which a payment amount is determined under open negotiations under paragraph (1), shall be made directly to the nonparticipating provider or facility not later than 30 days after the date on which such determination is made.

“(c) DETERMINATION OF OUT-OF-NETWORK RATES TO BE PAID BY HEALTH PLANS; INDEPENDENT DISPUTE RESOLUTION PROCESS.—

“(1) DETERMINATION THROUGH OPEN NEGOTIATION.—

“(A) IN GENERAL.—With respect to an item or service furnished in a year by a nonparticipating provider or a nonparticipating facility, with respect to a group health plan, in a State described in subsection (a)(3)(K)(ii) with respect to such plan and provider or facility, and for which a payment is required to be made by the plan pursuant to subsection (a)(1) or (b)(1), the provider or facility (as applicable) or plan may, during the 30-day period beginning on the day the provider or facility receives an initial payment or a notice of denial of payment from the plan regarding a claim for payment for such item or service, initiate open negotiations under this paragraph between such provider or facility and plan for purposes of determining, during the open negotiation period, an amount agreed on by such provider or facility, respectively, and such plan for payment (including any cost-sharing) for such item or service. For purposes of this subsection, the open negotiation period, with respect to an item or service, is the 30-day period beginning on the date of initiation of the negotiations with respect to such item or service.

“(B) ACCESSING INDEPENDENT DISPUTE RESOLUTION PROCESS IN CASE OF FAILED NEGOTIATIONS.—In the case of open negotiations pursuant to subparagraph (A), with respect to an item or service, that do not result in a determination of an amount of payment for such item or service by the last day of the open negotiation period described in such subparagraph with respect to such item or service, the provider or facility (as applicable) or group health plan that was party to such negotiations may, during the 4-day period beginning on the day after such open

negotiation period, initiate the independent dispute resolution process under paragraph (2) with respect to such item or service. The independent dispute resolution process shall be initiated by a party pursuant to the previous sentence by submission to the other party and to the Secretary of a notification (containing such information as specified by the Secretary) and for purposes of this subsection, the date of initiation of such process shall be the date of such submission or such other date specified by the Secretary pursuant to regulations that is not later than the date of receipt of such notification by both the other party and the Secretary.

“(2) INDEPENDENT DISPUTE RESOLUTION PROCESS AVAILABLE IN CASE OF FAILED OPEN NEGOTIATIONS.—

“(A) ESTABLISHMENT.—Not later than 1 year after the date of the enactment of this subsection, the Secretary, jointly with the Secretary of Health and Human Services and the Secretary of Labor, shall establish by regulation one independent dispute resolution process (referred to in this subsection as the ‘IDR process’) under which, in the case of an item or service with respect to which a provider or facility (as applicable) or group health plan submits a notification under paragraph (1)(B) (in this subsection referred to as a ‘qualified IDR item or service’), a certified IDR entity under paragraph (4) determines, subject to subparagraph (B) and in accordance with the succeeding provisions of this subsection, the amount of payment under the plan for such item or service furnished by such provider or facility.

“(B) AUTHORITY TO CONTINUE NEGOTIATIONS.—Under the independent dispute resolution process, in the case that the parties to a determination for a qualified IDR item or service agree on a payment amount for such item or service during such process but before the date on which the entity selected with respect to such determination under paragraph (4) makes such determination under paragraph (5), such amount shall be treated for purposes of subsection (a)(3)(K)(ii) as the amount agreed to by such parties for such item or service. In the case of an agreement described in the previous sentence, the independent dispute resolution process shall provide for a method to determine how to allocate between the parties to such determination the payment of the compensation of the entity selected with respect to such determination.

“(C) CLARIFICATION.—A nonparticipating provider may not, with respect to an item or service furnished by such provider, submit a notification under paragraph (1)(B) if such provider is exempt from the requirement under subsection (a) of section 2799B–2 of the Public Health Service Act with respect to such item or service pursuant to subsection (b) of such section.

“(3) TREATMENT OF BATCHING OF ITEMS AND SERVICES.—

“(A) IN GENERAL.—Under the IDR process, the Secretary shall specify criteria under which multiple qualified IDR dispute items and services are permitted to be considered jointly as part of a single determination by an entity

for purposes of encouraging the efficiency (including minimizing costs) of the IDR process. Such items and services may be so considered only if—

“(i) such items and services to be included in such determination are furnished by the same provider or facility;

“(ii) payment for such items and services is required to be made by the same group health plan or health insurance issuer;

“(iii) such items and services are related to the treatment of a similar condition; and

“(iv) such items and services were furnished during the 30 day period following the date on which the first item or service included with respect to such determination was furnished or an alternative period as determined by the Secretary, for use in limited situations, such as by the consent of the parties or in the case of low-volume items and services, to encourage procedural efficiency and minimize health plan and provider administrative costs.

“(B) TREATMENT OF BUNDLED PAYMENTS.—In carrying out subparagraph (A), the Secretary shall provide that, in the case of items and services which are included by a provider or facility as part of a bundled payment, such items and services included in such bundled payment may be part of a single determination under this subsection.

“(4) CERTIFICATION AND SELECTION OF IDR ENTITIES.—

“(A) IN GENERAL.—The Secretary, jointly with the Secretary of Health and Human Services and the Secretary of Labor, shall establish a process to certify (including to recertify) entities under this paragraph. Such process shall ensure that an entity so certified—

“(ii) is not—

“(I) a group health plan, provider, or facility;

“(II) an affiliate or a subsidiary of such a group health plan, provider, or facility; or

“(III) an affiliate or subsidiary of a professional or trade association of such group health plans or of providers or facilities;

“(iii) carries out the responsibilities of such an entity in accordance with this subsection;

“(iv) meets appropriate indicators of fiscal integrity;

“(v) maintains the confidentiality (in accordance with regulations promulgated by the Secretary) of individually identifiable health information obtained in the course of conducting such determinations;

“(vi) does not under the IDR process carry out any determination with respect to which the entity would not pursuant to subclause (I), (II), or (III) of subparagraph (F)(i) be eligible for selection; and

“(vii) meets such other requirements as determined appropriate by the Secretary.

“(B) PERIOD OF CERTIFICATION.—Subject to subparagraph (C), each certification (including a recertification) of an entity under the process described in subparagraph (A) shall be for a 5-year period.

“(C) REVOCATION.—A certification of an entity under this paragraph may be revoked under the process described in subparagraph (A) if the entity has a pattern or practice of noncompliance with any of the requirements described in such subparagraph.

“(D) PETITION FOR DENIAL OR WITHDRAWAL.—The process described in subparagraph (A) shall ensure that an individual, provider, facility, or group health plan may petition for a denial of a certification or a revocation of a certification with respect to an entity under this paragraph for failure of meeting a requirement of this subsection.

“(E) SUFFICIENT NUMBER OF ENTITIES.—The process described in subparagraph (A) shall ensure that a sufficient number of entities are certified under this paragraph to ensure the timely and efficient provision of determinations described in paragraph (5).

“(F) SELECTION OF CERTIFIED IDR ENTITY.—The Secretary shall, with respect to the determination of the amount of payment under this subsection of an item or service, provide for a method—

“(i) that allows for the group health plan and the nonparticipating provider or the nonparticipating emergency facility (as applicable) involved in a notification under paragraph (1)(B) to jointly select, not later than the last day of the 3-business day period following the date of the initiation of the process with respect to such item or service, for purposes of making such determination, an entity certified under this paragraph that—

“(I) is not a party to such determination or an employee or agent of such a party;

“(II) does not have a material familial, financial, or professional relationship with such a party; and

“(III) does not otherwise have a conflict of interest with such a party (as determined by the Secretary); and

“(ii) that requires, in the case such parties do not make such selection by such last day, the Secretary to, not later than 6 business days after such date of initiation—

“(I) select such an entity that satisfies subclauses (I) through (III) of clause (i)); and

“(II) provide notification of such selection to the provider or facility (as applicable) and the plan or issuer (as applicable) party to such determination.

An entity selected pursuant to the previous sentence to make a determination described in such sentence shall be referred to in this subsection as the ‘certified IDR entity’ with respect to such determination.

“(5) PAYMENT DETERMINATION.—

“(A) IN GENERAL.—Not later than 30 days after the date of selection of the certified IDR entity with respect to a determination for a qualified IDR item or service, the certified IDR entity shall—

“(i) taking into account the considerations specified in subparagraph (C), select one of the offers submitted under subparagraph (B) to be the amount of payment for such item or service determined under this subsection for purposes of subsection (a)(1) or (b)(1), as applicable; and

“(ii) notify the provider or facility and the group health plan party to such determination of the offer selected under clause (i).

“(B) SUBMISSION OF OFFERS.—Not later than 10 days after the date of selection of the certified IDR entity with respect to a determination for a qualified IDR item or service, the provider or facility and the group health plan party to such determination—

“(ii) may each submit to the certified IDR entity with respect to such determination any information relating to such offer submitted by either party, including information relating to any circumstance described in subparagraph (C)(ii).

“(C) CONSIDERATIONS IN DETERMINATION.—

“(i) IN GENERAL.—In determining which offer is the payment to be applied pursuant to this paragraph, the certified IDR entity, with respect to the determination for a qualified IDR item or service shall consider—

“(I) the qualifying payment amounts (as defined in subsection (a)(3)(E)) for the applicable year for items or services that are comparable to the qualified IDR item or service and that are furnished in the same geographic region (as defined by the Secretary for purposes of such subsection) as such qualified IDR item or service; and

“(II) subject to subparagraph (D), information on any circumstance described in clause (ii), such information as requested in subparagraph (B)(i)(II), and any additional information provided in subparagraph (B)(ii).

“(ii) ADDITIONAL CIRCUMSTANCES.—For purposes of clause (i)(II), the circumstances described in this clause are, with respect to a qualified IDR item or service of a nonparticipating provider, nonparticipating emergency facility, or group health plan, the following:

“(I) The level of training, experience, and quality and outcomes measurements of the provider or facility that furnished such item or service (such as those endorsed by the consensus-based

entity authorized in section 1890 of the Social Security Act).

“(II) The market share held by the nonparticipating provider or facility or that of the plan or issuer in the geographic region in which the item or service was provided.

“(III) The acuity of the individual receiving such item or service or the complexity of furnishing such item or service to such individual.

“(IV) The teaching status, case mix, and scope of services of the nonparticipating facility that furnished such item or service.

“(V) Demonstrations of good faith efforts (or lack of good faith efforts) made by the nonparticipating provider or nonparticipating facility or the plan or issuer to enter into network agreements and, if applicable, contracted rates between the provider or facility, as applicable, and the plan or issuer, as applicable, during the previous 4 plan years.

“(D) PROHIBITION ON CONSIDERATION OF CERTAIN FACTORS.—In determining which offer is the payment to be applied with respect to qualified IDR items and services furnished by a provider or facility, the certified IDR entity with respect to a determination shall not consider usual and customary charges, the amount that would have been billed by such provider or facility with respect to such items and services had the provisions of section 2799B-1 of the Public Health Service Act or 2799B-2 of such Act (as applicable) not applied, or the payment or reimbursement rate for such items and services furnished by such provider or facility payable by a public payor, including under the Medicare program under title XVIII of the Social Security Act, under the Medicaid program under title XIX of such Act, under the Children’s Health Insurance Program under title XXI of such Act, under the TRICARE program under chapter 55 of title 10, United States Code, or under chapter 17 of title 38, United States Code.

“(E) EFFECTS OF DETERMINATION.—

“(i) IN GENERAL.—A determination of a certified IDR entity under subparagraph (A)—

“(I) shall be binding upon the parties involved, in the absence of a fraudulent claim or evidence of misrepresentation of facts presented to the IDR entity involved regarding such claim; and

“(II) shall not be subject to judicial review, except in a case described in any of paragraphs (1) through (4) of section 10(a) of title 9, United States Code.

“(ii) SUSPENSION OF CERTAIN SUBSEQUENT IDR REQUESTS.—In the case of a determination of a certified IDR entity under subparagraph (A), with respect to an initial notification submitted under paragraph (1)(B) with respect to qualified IDR items and services and the two parties involved with such notification, the party that submitted such notification may not submit

during the 90-day period following such determination a subsequent notification under such paragraph involving the same other party to such notification with respect to such an item or service that was the subject of such initial notification.

“(iii) SUBSEQUENT SUBMISSION OF REQUESTS PERMITTED.—In the case of a notification that pursuant to clause (ii) is not permitted to be submitted under paragraph (1)(B) during a 90-day period specified in such clause, if the end of the open negotiation period specified in paragraph (1)(A), that but for this clause would otherwise apply with respect to such notification, occurs during such 90-day period, such paragraph (1)(B) shall be applied as if the reference in such paragraph to the 4-day period beginning on the day after such open negotiation period were instead a reference to the 30-day period beginning on the day after the last day of such 90-day period.

“(iv) REPORTS.—The Secretary, jointly with the Secretary of Labor and the Secretary of the Health and Human Services, shall examine the impact of the application of clause (ii) and whether the application of such clause delays payment determinations or impacts early, alternative resolution of claims (such as through open negotiations), and shall submit to Congress, not later than 2 years after the date of implementation of such clause an interim report (and not later than 4 years after such date of implementation, a final report) on whether any group health plans or health insurance issuers offering group or individual health insurance coverage or types of such plans or coverage have a pattern or practice of routine denial, low payment, or down-coding of claims, or otherwise abuse the 90-day period described in such clause, including recommendations on ways to discourage such a pattern or practice.

“(F) COSTS OF INDEPENDENT DISPUTE RESOLUTION PROCESS.—In the case of a notification under paragraph (1)(B) submitted by a nonparticipating provider, nonparticipating emergency facility, or group health plan and submitted to a certified IDR entity—

“(i) if such entity makes a determination with respect to such notification under subparagraph (A), the party whose offer is not chosen under such subparagraph shall be responsible for paying all fees charged by such entity; and

“(ii) if the parties reach a settlement with respect to such notification prior to such a determination, each party shall pay half of all fees charged by such entity, unless the parties otherwise agree.

“(6) TIMING OF PAYMENT.—The total plan payment required pursuant to subsection (a)(1) or (b)(1), with respect to a qualified IDR item or service for which a determination is made under paragraph (5)(A) or with respect to an item or service for

which a payment amount is determined under open negotiations under paragraph (1), shall be made directly to the nonparticipating provider or facility not later than 30 days after the date on which such determination is made.

(a) GROUP HEALTH PLANS.—Section 408(b)(2) of the Employee Retirement Income Security Act of 1974 (29 U.S.C. 1108(b)(2)) is amended—

(1) by striking “(2) Contracting or making” and inserting “(2)(A) Contracting or making”; and

(2) by adding at the end the following:

“(B)(i) No contract or arrangement for services between a covered plan and a covered service provider, and no extension or renewal of such a contract or arrangement, is reasonable within the meaning of this paragraph unless the requirements of this clause are met.

“(ii)(I) For purposes of this subparagraph:

“(aa) The term ‘covered plan’ means a group health plan as defined section 733(a).

“(bb) The term ‘covered service provider’ means a service provider that enters into a contract or arrangement with the covered plan and reasonably expects \$1,000 (or such amount as the Secretary may establish in regulations to account for inflation since the date of enactment of the Consolidated Appropriations Act, 2021, as appropriate) or more in compensation, direct or indirect, to be received in connection with providing one or more of the following services, pursuant to the contract or arrangement, regardless of whether such services will be performed, or such compensation received, by the covered service provider, an affiliate, or a subcontractor:

“(AA) Brokerage services, for which the covered service provider, an affiliate, or a subcontractor reasonably expects to receive indirect compensation or direct compensation described in item (dd), provided to a covered plan with respect to selection of insurance products (including vision and dental), recordkeeping services, medical management vendor, benefits administration (including vision and dental), stop-loss insurance, pharmacy benefit management services, wellness services, transparency tools and vendors, group purchasing organization preferred vendor panels, disease management vendors and products, compliance services, employee assistance programs, or third party administration services.

“(BB) Consulting, for which the covered service provider, an affiliate, or a subcontractor reasonably expects to receive indirect compensation or direct compensation described in item (dd), related to the development or implementation of plan design, insurance or insurance product selection (including vision and dental), recordkeeping, medical management, benefits administration selection (including vision and dental), stop-loss insurance, pharmacy benefit management services, wellness design and management services, transparency tools, group purchasing organization agreements and services, participation in and services from preferred vendor panels, disease management, compliance services, employee assistance programs, or third party administration services.

“(cc) The term ‘affiliate’, with respect to a covered service provider, means an entity that directly or indirectly (through one or more intermediaries) controls, is controlled by, or is under common control with, such provider, or is an officer, director, or employee of, or partner in, such provider.

“(dd)(AA) The term ‘compensation’ means anything of monetary value, but does not include non-monetary compensation valued at \$250 (or such amount as the Secretary may establish in regulations to account for inflation since the date of enactment of the Consolidated Appropriations Act, 2021, as appropriate) or less, in the aggregate, during the term of the contract or arrangement.

“(BB) The term ‘direct compensation’ means compensation received directly from a covered plan.

“(CC) The term ‘indirect compensation’ means compensation received from any source other than the covered plan, the plan sponsor, the covered service provider, or an affiliate. Compensation received from a subcontractor is indirect compensation, unless it is received in connection with services performed under a contract or arrangement with a subcontractor.

“(ee) The term ‘responsible plan fiduciary’ means a fiduciary with authority to cause the covered plan to enter into, or extend or renew, the contract or arrangement.

“(ff) The term ‘subcontractor’ means any person or entity (or an affiliate of such person or entity) that is not an affiliate of the covered service provider and that, pursuant to a contract or arrangement with the covered service provider or an affiliate, reasonably expects to receive \$1,000 (or such amount as the Secretary may establish in regulations to account for inflation since the date of enactment of the Consolidated Appropriations Act, 2021, as appropriate) or more in compensation for performing one or more services described in item (bb) under a contract or arrangement with the covered plan.

“(II) For purposes of this subparagraph, a description of compensation or cost may be expressed as a monetary amount, formula, or a per capita charge for each enrollee or, if the compensation or cost cannot reasonably be expressed in such terms, by any other reasonable method, including a disclosure that additional compensation may be earned but may not be calculated at the time of contract if such a disclosure includes a description of the circumstances under which the additional compensation may be earned and a reasonable and good faith estimate if the covered service provider cannot otherwise readily describe compensation or cost and explains the methodology and assumptions used to prepare such estimate. Any such description shall contain sufficient information to permit evaluation of the reasonableness of the compensation or cost.

“(III) No person or entity is a ‘covered service provider’ within the meaning of subclause (I)(bb) solely on the basis of providing services as an affiliate or a subcontractor that is performing one or more of the services described in subitem (AA) or (BB) of such subclause under the contract or arrangement with the covered plan.

“(iii) A covered service provider shall disclose to a responsible plan fiduciary, in writing, the following:

“(I) A description of the services to be provided to the covered plan pursuant to the contract or arrangement.

“(II) If applicable, a statement that the covered service provider, an affiliate, or a subcontractor will provide, or reasonably expects to provide, services pursuant to the contract or arrangement directly to the covered plan as a fiduciary (within the meaning of section 3(21)).

“(III) A description of all direct compensation, either in the aggregate or by service, that the covered service provider, an affiliate, or a subcontractor reasonably expects to receive in connection with the services described in subclause (I).

“(IV)(aa) A description of all indirect compensation that the covered service provider, an affiliate, or a subcontractor reasonably expects to receive in connection with the services described in subclause (I)—

“(AA) including compensation from a vendor to a brokerage firm based on a structure of incentives not solely related to the contract with the covered plan; and

“(BB) not including compensation received by an employee from an employer on account of work performed by the employee.

“(bb) A description of the arrangement between the payer and the covered service provider, an affiliate, or a subcontractor, as applicable, pursuant to which such indirect compensation is paid.

“(cc) Identification of the services for which the indirect compensation will be received, if applicable.

“(dd) Identification of the payer of the indirect compensation.

“(V) A description of any compensation that will be paid among the covered service provider, an affiliate, or a subcontractor, in connection with the services described in subclause (I) if such compensation is set on a transaction basis (such as commissions, finder’s fees, or other similar incentive compensation based on business placed or retained), including identification of the services for which such compensation will be paid and identification of the payers and recipients of such compensation (including the status of a payer or recipient as an affiliate or a subcontractor), regardless of whether such compensation also is disclosed pursuant to subclause (III) or (IV).

“(VI) A description of any compensation that the covered service provider, an affiliate, or a subcontractor reasonably expects to receive in connection with termination of the contract or arrangement, and how any prepaid amounts will be calculated and refunded upon such termination.

“(iv) A covered service provider shall disclose to a responsible plan fiduciary, in writing a description of the manner in which the compensation described in clause (iii), as applicable, will be received.

“(v)(I) A covered service provider shall disclose the information required under clauses (iii) and (iv) to the responsible plan fiduciary not later than the date that is reasonably in advance of the date on which the contract or arrangement is entered into, and extended or renewed.

“(II) A covered service provider shall disclose any change to the information required under clause (iii) and (iv) as soon as practicable, but not later than 60 days from the date on which the covered service provider is informed of such change, unless such disclosure is precluded due to extraordinary circumstances beyond the covered service provider’s control, in which case the information shall be disclosed as soon as practicable.

“(vi)(I) Upon the written request of the responsible plan fiduciary or covered plan administrator, a covered service provider shall furnish any other information relating to the compensation received in connection with the contract or arrangement that is required for the covered plan to comply with the reporting and disclosure requirements under this Act.

“(II) The covered service provider shall disclose the information required under clause (iii)(I) reasonably in advance of the date upon which such responsible plan fiduciary or covered plan administrator states that it is required to comply with the applicable reporting or disclosure requirement, unless such disclosure is precluded due to extraordinary circumstances beyond the covered service provider’s control, in which case the information shall be disclosed as soon as practicable.

“(vii) No contract or arrangement will fail to be reasonable under this subparagraph solely because the covered service provider, acting in good faith and with reasonable diligence, makes an error or omission in disclosing the information required pursuant to clause (iii) (or a change to such information disclosed pursuant to clause (v)(II)) or clause (vi), provided that the covered service provider discloses the correct information to the responsible plan fiduciary as soon as practicable, but not later than 30 days from the date on which the covered service provider knows of such error or omission.

“(viii)(I) Pursuant to subsection (a), subparagraphs (C) and (D) of section 406(a)(1) shall not apply to a responsible plan fiduciary, notwithstanding any failure by a covered service provider to disclose information required under clause (iii), if the following conditions are met:

“(aa) The responsible plan fiduciary did not know that the covered service provider failed or would fail to make required disclosures and reasonably believed that the covered service provider disclosed the information required to be disclosed.

“(bb) The responsible plan fiduciary, upon discovering that the covered service provider failed to disclose the required information, requests in writing that the covered service provider furnish such information.

“(cc) If the covered service provider fails to comply with a written request described in subclause (II) within 90 days of the request, the responsible plan fiduciary notifies the Secretary of the covered service provider’s failure, in accordance with subclauses (II) and (III).

“(II) A notice described in subclause (I)(cc) shall contain—

“(aa) the name of the covered plan;

“(bb) the plan number used for the annual report on the covered plan;

“(cc) the plan sponsor’s name, address, and employer identification number;

“(dd) the name, address, and telephone number of the responsible plan fiduciary;

“(ee) the name, address, phone number, and, if known, employer identification number of the covered service provider;

“(ff) a description of the services provided to the covered plan;

“(gg) a description of the information that the covered service provider failed to disclose;

“(hh) the date on which such information was requested in writing from the covered service provider; and

“(ii) a statement as to whether the covered service provider continues to provide services to the plan.

“(III) A notice described in subclause (I)(cc) shall be filed with the Department not later than 30 days following the earlier of—

“(aa) The covered service provider’s refusal to furnish the information requested by the written request described in subclause (I)(bb); or

“(bb) 90 days after the written request referred to in subclause (I)(cc) is made.

“(IV) If the covered service provider fails to comply with the written request under subclause (I)(bb) within 90 days of such request, the responsible plan fiduciary shall determine whether to terminate or continue the contract or arrangement under section 404. If the requested information relates to future services and is not disclosed promptly after the end of the 90-day period, the responsible plan fiduciary shall terminate the contract or arrangement as expeditiously as possible, consistent with such duty of prudence.

“(ix) Nothing in this subparagraph shall be construed to supersede any provision of State law that governs disclosures by parties that provide the services described in this section, except to the extent that such law prevents the application of a requirement of this section.”

(b) **APPLICABILITY OF EXISTING REGULATIONS.**—Nothing in the amendments made by subsection (a) shall be construed to affect the applicability of section 2550.408b–2 of title 29, Code of Federal Regulations (or any successor regulations), with respect to any applicable entity other than a covered plan or a covered service provider (as defined in section 408(b)(2)(B)(ii) of the Employee Retirement Income Security Act of 1974, as amended by subsection (a)).

(c) **INDIVIDUAL MARKET COVERAGE.**—Subpart 1 of part B of title XXVII of the Public Health Service Act (42 U.S.C. 300gg–41 et seq.) is amended by adding at the end the following:

“SEC. 2746. DISCLOSURE TO ENROLLEES OF INDIVIDUAL MARKET COVERAGE.

“(a) **IN GENERAL.**—A health insurance issuer offering individual health insurance coverage or a health insurance issuer offering short-term limited duration insurance coverage shall make disclosures to enrollees in such coverage, as described in subsection (b), and reports to the Secretary, as described in subsection (c), regarding direct or indirect compensation provided by the issuer to an agent or broker associated with enrolling individuals in such coverage.

“(b) **DISCLOSURE.**—A health insurance issuer described in subsection (a) shall disclose to an enrollee the amount of direct or indirect compensation provided to an agent or broker for services provided by such agent or broker associated with plan selection and enrollment. “(8) COMPLIANCE REQUIREMENTS.—

“(A) NONQUANTITATIVE TREATMENT LIMITATION (NQTL) REQUIREMENTS.—In the case of a group health plan or a health insurance issuer offering group or individual health insurance coverage that provides both medical and surgical benefits and mental health or substance use disorder benefits and that imposes nonquantitative treatment limitations (referred to in this section as ‘NQTLs’) on mental health or substance use disorder benefits, such plan or issuer shall perform and document comparative analyses of the design and application of NQTLs and, beginning 45 days after the date of enactment of the Consolidated Appropriations Act, 2021, make available to the applicable State authority (or, as applicable, to the Secretary of Labor or the Secretary of Health and Human Services), upon request, the comparative analyses and the following information:

“(i) The specific plan or coverage terms or other relevant terms regarding the NQTLs and a description of all mental health or substance use disorder and medical or surgical benefits to which each such term applies in each respective benefits classification.

“(ii) The factors used to determine that the NQTLs will apply to mental health or substance use disorder benefits and medical or surgical benefits.

“(iii) The evidentiary standards used for the factors identified in clause (ii), when applicable, provided that every factor shall be defined, and any other source or evidence relied upon to design and apply the NQTLs to mental health or substance use disorder benefits and medical or surgical benefits.

“(iv) The comparative analyses demonstrating that the processes, strategies, evidentiary standards, and other factors used to apply the NQTLs to mental health or substance use disorder benefits, as written and in operation, are comparable to, and are applied no more stringently than, the processes, strategies, evidentiary standards, and other factors used to apply the NQTLs to medical or surgical benefits in the benefits classification.

“(v) The specific findings and conclusions reached by the group health plan or health insurance issuer with respect to the health insurance coverage, including any results of the analyses described in this subparagraph that indicate that the plan or coverage is or is not in compliance with this section.

The Secretary shall request not fewer than 20 such analyses per year.

“(ii) ADDITIONAL INFORMATION.—In instances in which the Secretary has concluded that the group health plan or health insurance issuer with respect to health insurance coverage has not submitted sufficient information for the Secretary to review the comparative analyses described in subparagraph (A), as requested under clause (i), the Secretary shall specify to the plan or issuer the information the plan or issuer must submit to be responsive to the request under clause (i) for the Secretary to review the comparative analyses described in subparagraph (A) for compliance with this section. Nothing in this paragraph shall require the Secretary to conclude that a group health plan or health insurance issuer is in compliance with this section solely based upon the inspection of the comparative analyses described in subparagraph (A), as requested under clause (i).

“(iii) REQUIRED ACTION.—

“(I) IN GENERAL.—In instances in which the Secretary has reviewed the comparative analyses described in subparagraph (A), as requested under clause (i), and determined that the group health

“(aa) shall specify to the Secretary the actions the plan or issuer will take to be in compliance with this section and provide to the Secretary additional comparative analyses described in subparagraph (A) that demonstrate compliance with this section not later than 45 days after the initial determination by the Secretary that the plan or issuer is not in compliance; and

“(bb) following the 45-day corrective action period under item (aa), if the Secretary makes a final determination that the plan or issuer still is not in compliance with this section, not later than 7 days after such determination, shall notify all individuals enrolled in the plan or applicable health insurance coverage offered by the issuer that the plan or issuer, with respect to such coverage, has been determined to be not in compliance with this section.

“(II) EXEMPTION FROM DISCLOSURE.—Documents or communications produced in connection with the Secretary’s recommendations to a group health plan or health insurance issuer shall not be subject to disclosure pursuant to section 552 of title 5, United States Code.

“(iv) REPORT.—Not later than 1 year after the date of enactment of this paragraph, and not later than October 1 of each year thereafter, the Secretary shall submit to Congress, and make publicly available, a report that contains—

“(I) a summary of the comparative analyses requested under clause (i), including the identity of each group health plan or health insurance issuer, with respect to particular health insurance coverage that is determined to be not in compliance after the final determination by the Secretary described in clause (iii)(I)(bb);

“(II) the Secretary’s conclusions as to whether each group health plan or health insurance issuer submitted sufficient information for the Secretary to review the comparative analyses requested under clause (i) for compliance with this section;

“(III) for each group health plan or health insurance issuer that did submit sufficient information for the Secretary to review the comparative analyses requested under clause (i), the Secretary’s conclusions as to whether and why the plan or issuer is in compliance with the requirements under this section;

“(IV) the Secretary’s specifications described in clause (ii) for each group health plan or health insurance issuer that the Secretary determined did not submit sufficient information for the Secretary to review the comparative analyses

requested under clause (i) for compliance with this section; and

“(V) the Secretary’s specifications described in clause (iii) of the actions each group health plan or health insurance issuer that the Secretary determined is not in compliance with this section must take to be in compliance with this section, including the reason why the Secretary determined the plan or issuer is not in compliance.

Such draft guidance shall include guidance to clarify the process and timeline for current and potential participants and beneficiaries (and authorized representatives and health care providers of such participants and beneficiaries) with respect to plans to file complaints of such plans or issuers being in violation of this section, including guidance, by plan type, on the relevant State, regional, or national office with which such complaints should be filed.

“(iii) STATE.—The Secretary shall share information on findings of compliance and noncompliance discovered upon reviewing the comparative analyses requested under subparagraph (B)(i) shall be shared with the State where the group health plan is located or the State where the health insurance issuer is licensed to do business for coverage offered by a health insurance issuer in the group market, in accordance with paragraph (6)(B)(iii)(II).”

“SEC. 503D. PROCESS TO UPDATE LABELING FOR CERTAIN GENERIC DRUGS.

“(a) DEFINITIONS.—For purposes of this section:

“(1) The term ‘covered drug’ means a drug approved under section 505(c)—

“(A) for which there are no unexpired patents included in the list under section 505(j)(7) and no unexpired period of exclusivity;

“(B) for which the approval of the application has been withdrawn for reasons other than safety or effectiveness; and

“(C) for which—

“(i)(I) there is new scientific evidence available pertaining to new or existing conditions of use that is not reflected in the approved labeling;

“(II) the approved labeling does not reflect current legal and regulatory requirements for content or format; or

“(III) there is a relevant accepted use in clinical practice that is not reflected in the approved labeling; and

“(ii) updating the approved labeling would benefit the public health.

“(2) The term ‘period of exclusivity’, with respect to a drug approved under section 505(c), means any period of exclusivity under clause (ii), (iii), or (iv) of section 505(c)(3)(E), clause (ii), (iii), or (iv) of section 505(j)(5)(F), or section 505A, 505E, or 527.

“(3) The term ‘generic version’ means a drug approved under section 505(j) whose reference listed drug is a covered drug.

“(4) The term ‘relevant accepted use’ means a use for a drug in clinical practice that is supported by scientific evidence that appears to the Secretary to meet the standards for approval under section 505.

“(5) The term ‘selected drug’ means a covered drug for which the Secretary has determined through the process under subsection (c) that the labeling should be changed.

“(b) IDENTIFICATION OF COVERED DRUGS.—The Secretary may identify covered drugs for which labeling updates would provide a public health benefit. To assist in identifying covered drugs, the Secretary may do one or both of the following:

“(1) Enter into cooperative agreements or contracts with public or private entities to review the available scientific evidence concerning such drugs.

“(2) Seek public input concerning such drugs, including input on whether there is a relevant accepted use in clinical practice that is not reflected in the approved labeling of such drugs or whether new scientific evidence is available regarding the conditions of use for such drug, by—

“(A) holding one or more public meetings;

“(B) opening a public docket for the submission of public comments; or

“(C) other means, as the Secretary determines appropriate.

“(c) SELECTION OF DRUGS FOR UPDATING.—If the Secretary determines, with respect to a covered drug, that the available scientific evidence meets the standards under section 505 for adding or modifying information to the labeling or providing supplemental information to the labeling regarding the use of the covered drug, the Secretary may initiate the process under subsection (d).

“(d) INITIATION OF THE PROCESS OF UPDATING.—If the Secretary determines that labeling changes are appropriate for a selected drug pursuant to subsection (c), the Secretary shall provide notice to the holders of approved applications for a generic version of such drug that—

“(1) summarizes the findings supporting the determination of the Secretary that the available scientific evidence meets the standards under section 505 for adding or modifying information or providing supplemental information to the labeling of the covered drug pursuant to subsection (c);

“(2) provides a clear statement regarding the additional, modified, or supplemental information for such labeling, according to the determination by the Secretary (including, as applicable, modifications to add the relevant accepted use to the labeling of the drug as an additional indication for the drug); and

“(3) states whether the statement under paragraph (2) applies to the selected drug as a class of covered drugs or only to a specific drug product.

“(e) RESPONSE TO NOTIFICATION.—Within 30 days of receipt of notification provided by the Secretary pursuant to subsection (d), the holder of an approved application for a generic version of the selected drug shall—

“(1) agree to change the approved labeling to reflect the additional, modified, or supplemental information the Secretary has determined to be appropriate; or

“(2) notify the Secretary that the holder of the approved application does not believe that the requested labeling changes are warranted and submit a statement detailing the reasons why such changes are not warranted.

“(f) REVIEW OF APPLICATION HOLDER’S RESPONSE.—

“(1) IN GENERAL.—Upon receipt of the application holder’s response, the Secretary shall promptly review each statement received under subsection (e)(2) and determine which labeling changes pursuant to the Secretary’s notice under subsection (d) are appropriate, if any. If the Secretary disagrees with the reasons why such labeling changes are not warranted, the Secretary shall provide opportunity for discussions with the application holders to reach agreement on whether the labeling for the covered drug should be updated to reflect available scientific evidence, and if so, the content of such labeling changes.

“(2) CHANGES TO LABELING.—After considering all responses from the holder of an approved application under paragraph (1) or (2) of subsection (e), and any discussion under paragraph (1), the Secretary may order such holder to make the labeling changes the Secretary determines are appropriate. Such holder of an approved application shall—

“(A) update its paper labeling for the drug at the next printing of that labeling;

“(B) update any electronic labeling for the drug within 30 days of such order; and

“(C) submit the revised labeling through the form, ‘Supplement—Changes Being Effected’.

“(g) VIOLATION.—If the holder of an approved application for the generic version of the selected drug does not comply with the requirements of subsection (f)(2), such generic version of the selected drug shall be deemed to be misbranded under section 502.

“(h) LIMITATIONS; GENERIC DRUGS.—

“(1) IN GENERAL.—With respect to any labeling change required under this section, the generic version shall be deemed to have the same conditions of use and the same labeling as its reference listed drug for purposes of clauses (i) and (v) of section 505(j)(2)(A). Any labeling change so required shall not have any legal effect for the applicant that is different than the legal effect that would have resulted if a supplemental application had been submitted and approved to conform the labeling of the generic version to a change in the labeling of the reference drug.

“(2) SUPPLEMENTAL APPLICATIONS.—Changes to labeling made in accordance with this section shall not be eligible for an exclusivity period under this Act.

“(3) SELECTION OF DRUGS.—The Secretary shall not identify a drug as a covered drug or select a drug label for updating under subsection (b) or (c) solely based on the availability

of new safety information. Upon identification of a drug as a covered drug under subsection (b), the Secretary may then consider the availability of new safety information (as defined in section 505-1(b)) in determining whether the drug is a selected drug and in determining what labeling changes are appropriate.

“(i) RULES OF CONSTRUCTION.—

“(1) APPROVAL STANDARDS.—This section shall not be construed as altering the applicability of the standards for approval of an application under section 505. No order shall be issued under this subsection unless the scientific evidence supporting the changed labeling meets the standards for approval applicable to any change to labeling under section 505.

“(2) REMOVAL OF INFORMATION.—Nothing in this section shall be construed to give the Secretary additional authority to remove approved indications for drugs, other than the authority described in this section.

“(3) SECRETARY AUTHORITY.—Nothing in this section shall be construed to limit the authority of the Secretary to require labeling changes under section 505(o).

“(4) MAINTENANCE OF LABELING.—Nothing in this section shall be construed to affect the responsibility of the holder of an approved application under section 505(j) to maintain its labeling in accordance with existing requirements, including subpart B of part 201 and sections 314.70 and 314.97 of title 21, Code of Federal Regulations (or any successor regulations).

“(j) REPORTS.—Not later than 4 years after the date of the enactment of this section, and every 4 years thereafter, the Secretary shall prepare and submit to the Committee on Energy and Commerce of the House of Representatives and the Committee on Health, Education, Labor, and Pensions of the Senate, a report that—

“(1) describes the actions of the Secretary under this section, including—

“(A) the number of covered drugs and description of the types of drugs the Secretary has selected for labeling changes and the rationale for such recommended changes; and

“(B) the number of times the Secretary entered into discussions concerning a disagreement with an application holder or holders and a summary of the decision regarding a labeling change, if any; and

“(2) includes any recommendations of the Secretary for modifying the program under this section.”.

SEC. 12. NATIONAL BISON RANGE RESTORATION.

(a) **FINDINGS; PURPOSES.**—

(1) **FINDINGS.**—Congress finds that—

(A) the Reservation was set aside for the Tribes in 1855 under the treaty between the United States and the Tribes concluded at Hell Gate on July 16, 1855 (12 Stat. 975);

(B) the National Bison Range was established as a conservation measure in 1908, a time when the bison were at grave risk of extinction;

(C) the National Bison Range is located in the middle of the Reservation on land that was acquired by the United States in what was later held, in the civil action entitled “Confederated Salish and Kootenai Tribes of the Flathead Indian Reservation, Montana v. United States” (437 F.2d 458 (Ct.Cl. 1971)), to be a taking under the Fifth Amendment to the Constitution of the United States;

(D) the Tribes never consented to the removal of the land described in subparagraph (C) from Tribal ownership;

(E) since time immemorial until the establishment of the National Bison Range, the Tribes had used the land described in subparagraph (C) for—

(i) hunting, fishing, and gathering; and

(ii) cultural and many other purposes;

(F)(i) in the 1870s, when slaughter resulted in the risk of bison extinction, a Pend d’Oreille man named Little Falcon Robe received approval from leaders of the Tribes to bring orphaned bison calves across the Continental Divide to the Reservation for purposes of starting a herd for subsistence and conservation purposes;

(ii) starting with just a few bison calves, the animals grew into a large herd under the stewardship of members of the Tribes, who later included Michel Pablo and Charles Allard; and

(iii) the Reservation was the home of that free-ranging herd of bison for decades before the establishment of the National Bison Range;

(G) when the Reservation was opened for homesteading, a free-ranging bison herd was no longer feasible, resulting in Michel Pablo selling the herd to off-Reservation interests;

(H) many of the bison, or their descendants, from the Tribal member-managed herd were repurchased and brought back to the Reservation to form the original herd for the National Bison Range;

(I) the bison herd at the National Bison Range descends largely from a herd started and managed as described in subparagraph (F);

(J) the Tribes—

(i) have played a substantive role as conservation leaders, often in partnership with the National Bison Range;

(ii) have demonstrated a long-term commitment to responsible management of the land and resources surrounding the National Bison Range; and

(iii) desire to carry out the purposes for which the National Bison Range was established;

(K) the Tribes have extensive experience in wildlife and natural resources management, including—

(i) the establishment and management of the 91,000-acre Mission Mountains Tribal Wilderness, the first tribally designated wilderness area in the United States;

(ii) special management districts for large animals, such as the Little Money Bighorn Sheep Management Area and the Ferry Basin Elk Management Area; and

(iii) the restoration and management of bighorn sheep populations, peregrine falcons, and trumpeter swans on the Reservation;

(L) the Tribes have an extensive history of successful partnerships with Federal agencies with respect to issues such as—

(i) threatened and endangered species management;

(ii) migratory waterfowl management; and

(iii) wetland habitat management;

(M)(i) the Tribes have entered into prior management-related agreements relating to the National Bison Range under title IV of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 5361 et seq.); and

(ii) the Tribes and the United States desire to build on past and current partnerships, as well as honor and advance the Federal and Tribal objectives of increasing Tribal autonomy and Tribal governmental capacity;

(N) since the establishment of the National Bison Range, additional herds of bison have been established on other national wildlife refuges and national parks;

(O) the facts and history regarding the Federal Government, the Tribes, the bison, and land on the Reservation acquired for the National Bison Range are exceptional circumstances that warrant action by Congress; and

(P) the United States should hold title in and to the land comprising the National Bison Range, with beneficial title of the land being restored to the Tribes for—

- (i) continued bison conservation;
- (ii) other wildlife and natural resource management purposes; and
- (iii) other nonconflicting purposes of the Tribes.

(2) PURPOSES.—The purposes of this section are—

(A) to acknowledge the history, culture, and ecological stewardship of the Tribes with respect to the land on the Reservation acquired for the National Bison Range, bison, and other natural resources;

(B) to ensure that the land, bison, and other resources referred to in subparagraph (A) continue to be protected and enhanced;

(C) to continue public access and educational opportunities; and

(D) to ensure a smooth transition for land, bison, and other natural resources as the land is restored to Federal trust ownership for the benefit of the Tribes.

(b) DEFINITION OF NATIONAL BISON RANGE.—In this section, the term “National Bison Range” means all land within the Reservation that was reserved for the national bison range under the matter under the heading “NATIONAL BISON RANGE” under the heading “MISCELLANEOUS” under the heading “DEPARTMENT OF AGRICULTURE” in the Act of May 23, 1908 (16 U.S.C. 671) (as in effect on the day before the date of enactment of this Act).

(c) RESTORATION OF LAND.—

(1) IN GENERAL.—Notwithstanding any other provision of law, for the purposes of conserving bison, wildlife, and natural resources, and of safeguarding the interests of the Tribes in those resources and the traditional, cultural, and other interests of the Tribes, all land comprising the National Bison Range (including all natural resources, interests, and appurtenances of that land) shall be held in trust by the United States for the benefit of the Tribes.

(2) ADMINISTRATION.—The land restored by paragraph (1) shall be—

- (A) a part of the Reservation;
- (B) administered under the laws (including regulations) applicable to Indian trust land; and
- (C) managed by the Tribes, in accordance with paragraph (3), solely for the care and maintenance of bison, wildlife, and other natural resources, including designation or naming of the restored land.

(3) TRIBAL MANAGEMENT.—In managing the land restored by paragraph (1), the Tribes shall—

- (A) provide public access and educational opportunities; and
- (B) at all times, have a publicly available management plan for the land, bison, and natural resources, which shall include actions to address management and control of invasive weeds.

(d) CONVEYANCE OF BUILDINGS AND OTHER STRUCTURES.—

(1) IN GENERAL.—The United States shall convey to the Tribes, to own in fee, all ownership interests of the United

States in all buildings, structures, improvements, and appurtenances located on the land restored by subsection (c)(1).

(2) **PERSONAL PROPERTY.**—The United States may convey to the Tribes any personal property owned by the United States and found on, or otherwise associated with, the land restored by subsection (c)(1).

(e) **RELINQUISHMENT OF RIGHTS TO BISON.**—The United States relinquishes to the Tribes all interests of United States in the bison on the land restored by subsection (c)(1).

(f) **TRANSITION.**—

(1) **IN GENERAL.**—Notwithstanding any other provision of law, during the 2-year period beginning on the date of enactment of this Act, the Secretary shall cooperate with the Tribes in transition activities regarding the management of land, bison, and other resources conveyed by this Act, including by providing to the Tribes, as determined to be appropriate by the Secretary, funds, personal property, equipment, or other resources for the performance of, or assistance with, the types of activities carried out by the Secretary at the National Bison Range as of the date of enactment of this Act.

(2) **EFFECT.**—Consistent with subsections (c), (d), and (e), nothing in this section authorizes the Director of the United States Fish and Wildlife Service to retain ownership or control of any real or personal property conveyed by this section, except as the Tribes may agree to in writing.

(g) **REPEAL.**—The matter under the heading “NATIONAL BISON RANGE” under the heading “MISCELLANEOUS” under the heading “DEPARTMENT OF AGRICULTURE” in the Act of May 23, 1908 (16 U.S.C. 671), is repealed.

(h) **LIABILITY.**—The Tribes shall not be liable for any land, soil, surface water, groundwater, or other contamination, injury, or damage resulting from the storage, disposal, release, or presence of any hazardous substance (as defined in section 101 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (42 U.S.C. 9601)) on any portion of the land restored by this section on or before the date of the conveyance, unless the Tribes would otherwise have been responsible for the storage, disposal, release, or presence.

(i) **CLAIMS AGAINST UNITED STATES.**—No claim may be brought pursuant to chapter 7 of title 5, United States Code, or section 1491 or 1505 of title 28, United States Code, against the United States, or any agency, officer, or employee of the United States, concerning the preconveyance or postconveyance management of the land and other property conveyed by this section.

(j) **EFFECT.**—Nothing in this section relieves the United States of any obligation under section 120(h)(3) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (42 U.S.C. 9620(h)(3)).

(k) **NO PRECEDENT.**—The provisions of this section—

(1) are uniquely suited to address the distinct circumstances, facts, history, and relationships involved with the bison, land, and Tribes; and

(2) are not intended, and shall not be interpreted, to establish a precedent for any other situation regarding Federal land, property, or facilities.

(l) **INDIAN GAMING REGULATORY ACT.**—The land restored by this section shall not be eligible or used for any gaming activity

carried out under the Indian Gaming Regulatory Act (25 U.S.C. 2701 et seq.).

SEC. 308. RULE OF CONSTRUCTION.

Subtitle B—Taiwan Assurance Act of 2020

SEC. 311. SHORT TITLE.

This subtitle may be cited as the “Taiwan Assurance Act of 2020”.

SEC. 312. FINDINGS.

Congress makes the following findings:

(1) April 10, 2019, marked the 40th anniversary of the Taiwan Relations Act of 1979 (Public Law 96–8).

(2) Since 1949, the close relationship between the United States and Taiwan has benefitted both parties and the broader Indo-Pacific region.

(3) The security of Taiwan and its democracy are key elements of continued peace and stability of the greater Indo-Pacific region, which is in the political, security, and economic interests of the United States.

(4) The People’s Republic of China is currently engaged in a comprehensive military modernization campaign to enhance the power-projection capabilities of the People’s Liberation Army and its ability to conduct joint operations, which is shifting the military balance of power across the Taiwan Strait.

(5) Taiwan and its diplomatic partners continue to face sustained pressure and coercion from the People’s Republic of China, which seeks to isolate Taiwan from the international community.

(6) It is the policy of the United States to reinforce its commitments to Taiwan under the Taiwan Relations Act in a manner consistent with the “Six Assurances” and in accordance with the United States “One China” policy.

(7) In the Taiwan Travel Act, which became law on March 16, 2018, Congress observed that the “self-imposed restrictions that the United States maintains on high-level visits” between the United States and Taiwan have resulted in insufficient high-level communication.

SEC. 313. SENSE OF CONGRESS.

It is the sense of Congress that—

(1) Taiwan is a vital part of the United States Free and Open Indo-Pacific Strategy;

(2) the United States Government—

(A) supports Taiwan’s continued pursuit of asymmetric capabilities and concepts; and

(B) urges Taiwan to increase its defense spending in order to fully resource its defense strategy; and

(3) the United States should conduct regular sales and transfers of defense articles to Taiwan in order to enhance its self-defense capabilities, particularly its efforts to develop and integrate asymmetric capabilities, including undersea warfare and air defense capabilities, into its military forces.

SEC. 314. TAIWAN'S INCLUSION IN INTERNATIONAL ORGANIZATIONS.

(a) **SENSE OF CONGRESS.**—It is the sense of Congress that the People's Republic of China's attempts to dictate the terms of Taiwan's participation in international organizations, has, in many cases, resulted in Taiwan's exclusion from such organizations even when statehood is not a requirement, and that such exclusion—

(1) is detrimental to global health, civilian air safety, and efforts to counter transnational crime;

(2) negatively impacts the safety and security of citizens globally; and

(3) negatively impacts the security of Taiwan and its democracy.

(b) **STATEMENT OF POLICY.**—It is the policy of the United States to advocate for Taiwan's meaningful participation in the United Nations, the World Health Assembly, the International Civil Aviation Organization, the International Criminal Police Organization, and other international bodies, as appropriate, and to advocate for Taiwan's membership in the Food and Agriculture Organization, the United Nations Educational, Scientific and Cultural Organization, and other international organizations for which statehood is not a requirement for membership.

SEC. 315. REVIEW OF DEPARTMENT OF STATE TAIWAN GUIDELINES.

(a) **IN GENERAL.**—Not later than 180 days after the date of the enactment of this Act, the Secretary of State shall conduct a review of the Department of State's guidance that governs relations with Taiwan, including the periodic memorandum entitled "Guidelines on Relations with Taiwan" and related documents, and reissue such guidance to executive branch departments and agencies.

(b) **SENSE OF CONGRESS.**—It is the sense of Congress that the Department of State's guidance regarding relations with Taiwan—

(1) should be crafted with the intent to deepen and expand United States-Taiwan relations, and be based on the value, merits, and importance of the United States-Taiwan relationship;

(2) should be crafted giving due consideration to the fact that Taiwan is governed by a representative democratic government that is peacefully constituted through free and fair elections that reflect the will of the people of Taiwan, and that Taiwan is a free and open society that respects universal human rights and democratic values; and

(3) should ensure that the conduct of relations with Taiwan reflects the longstanding, comprehensive, and values-based relationship the United States shares with Taiwan, and contribute to the peaceful resolution of cross-strait issues.

(c) **REPORTING REQUIREMENTS.**—Not later than 180 days after the date of the enactment of this Act, the Secretary of State shall submit to the Committee on Foreign Relations of the Senate and the Committee on Foreign Affairs of the House of Representatives a report that includes a description of—

(1) the results of the review pursuant to subsection (a) of the Department of State's guidance on relations with Taiwan, including a copy of the reissued "Guidelines of Relations with Taiwan" memorandum; and

(2) the implementation of the Taiwan Travel Act (Public Law 115–135) and any changes to guidance on relations with Taiwan that are the result of such implementation.

Subtitle C—Support for Human Rights in Belarus

SEC. 321. SHORT TITLE.

This subtitle may be cited as the “Belarus Democracy, Human Rights, and Sovereignty Act of 2020”.

SEC. 322. FINDINGS.

Section 2 of the Belarus Democracy Act of 2004 (Public Law 109–480; 22 U.S.C. 5811 note) is amended to read as follows:

“SEC. 2. FINDINGS.

“Congress finds the following:

“(1) The International Covenant on Civil and Political Rights, done at New York December 19, 1966, was ratified by Belarus in 1973, guaranteeing Belarusians the freedom of expression and the freedom of association.

“(2) Alyaksandr Lukashenka has ruled Belarus as an undemocratic dictatorship since the first presidential election in Belarus in 1994.

“(3) Subsequent presidential elections in Belarus have been neither free nor fair and have been rejected by the international community as not meeting minimal electoral standards, with the jailing of opposition activists frequently used as a tool of government repression before and after the elections.

“(4) In response to the repression and violence during the 2006 presidential election, Congress passed the Belarus Democracy Reauthorization Act of 2006 (Public Law 109–480).

“(5) In 2006, President George W. Bush issued Executive Order 13405, titled ‘Blocking Property of Certain Persons Undermining Democratic Processes or Institutions in Belarus’, which authorized the imposition of sanctions against persons responsible for—

“(A) undermining democratic processes in Belarus; or

“(B) participating in human rights abuses related to political repression in Belarus.

“(6) In March 2011, the Senate unanimously passed Senate Resolution 105, which—

“(A) condemned the December 2010 election in Belarus as ‘illegitimate, fraudulent, and not representative of the will or the aspirations of the voters in Belarus’; and

“(B) called on the Lukashenka regime ‘to immediately and unconditionally release all political prisoners in Belarus who were arrested in association with the December 19, 2010, election’.

“(7) The Government of Belarus, led illegally by Alyaksandr Lukashenka, continues to engage in a pattern of clear and persistent violations of human rights and fundamental freedoms.

“(8) The Government of Belarus, led illegally by Alyaksandr Lukashenka, continues to engage in a pattern of clear and

uncorrected violations of basic principles of democratic governance, including through a series of fundamentally flawed presidential and parliamentary elections undermining the legitimacy of executive and legislative authority in that country.

“(9) The Government of Belarus, led illegally by Alyaksandr Lukashenka, continues to subject thousands of pro-democracy political activists and peaceful protesters to harassment, beatings, and imprisonment, particularly as a result of their attempts to peacefully exercise their right to freedom of assembly and association.

“(10) The Government of Belarus, led illegally by Alyaksandr Lukashenka, continues to suppress independent media and journalists and to restrict access to the internet, including social media and other digital communication platforms, in violation of the right to freedom of speech and expression of those dissenting from the dictatorship of Alyaksandr Lukashenka.

“(11) The Government of Belarus, led illegally by Alyaksandr Lukashenka, continues a systematic campaign of harassment, repression, and closure of nongovernmental organizations, including independent trade unions and entrepreneurs, creating a climate of fear that inhibits the development of civil society and social solidarity.

“(12) The Government of Belarus, led illegally by Alyaksandr Lukashenka, has pursued a policy undermining the country’s sovereignty and independence by making Belarus political, economic, cultural, and societal interests subservient to those of Russia.

“(13) The Government of Belarus, led illegally by Alyaksandr Lukashenka, continues to reduce the independence of Belarus through integration into a so-called ‘Union State’ that is under the control of Russia.

“(14) In advance of the August 2020 presidential elections in Belarus, authorities acting on behalf of President Lukashenka arrested journalists, bloggers, political activists, and opposition leaders, including 3 leading presidential candidates (Syarhey Tsikhanouski, Mikalay Statkevich, and Viktor Babaryka), who were barred from running in the election by the Central Election Commission of the Republic of Belarus.

“(15) While the 3 opposition candidates were imprisoned, 2 of their wives and 1 of their campaign managers (Sviatlana Tsikhanouskaya, Veranika Tsepkala, and Maria Kalesnikava) joined together and ran in place of the candidates.

“(16) Thousands of Belarusian people demonstrated their support for these candidates by attending rallies, including 1 rally that included an estimated 63,000 participants.

“(17) On August, 5, 2020, the Senate unanimously passed Senate Resolution 658, which calls for a free, fair, and transparent presidential election in Belarus, including the unimpeded participation of all presidential candidates.

“(18) On August 9, 2020, the Government of Belarus conducted a presidential election that—

“(A) was held under undemocratic conditions that did not meet international standards;

“(B) involved government malfeasance and serious irregularities with ballot counting and the reporting of election results, including—

H. R. 133—1922

“(i) early voting ballot stuffing;

“(ii) ballot burning;

“(iii) pressuring poll workers; and

“(iv) removing bags full of ballots by climbing out of windows;

“(C) included restrictive measures that impeded the work of local independent observers and did not provide sufficient notice to the OSCE to allow for the OSCE to monitor the elections, as is customary.

“(19) Incumbent president Alyaksandr Lukashenka declared a landslide victory in the election and claimed to have received more than 80 percent of the votes cast in the election.

“(20) The leading opposition candidate, Sviatlana Tsikhanouskaya—

“(A) formally disputed the government’s reported election results;

“(B) explained that her staff had examined the election results from more than 50 polling places; and

“(C) found that her share of the vote exceeded Lukashenka’s share by many times.

“(21) On August 10, 2020, Sviatlana Tsikhanouskaya was detained while attending a meeting with the Central Election Commission of the Republic of Belarus and forced to flee to Lithuania under pressure from government authorities.

“(22) On August 11, 2020, Lithuanian Foreign Minister Linas Linkevičius announced that Sviatlana Tsikhanouskaya was safe in Lithuania and has continued to be one of the strongest voices supporting the pro-democracy movement in Belarus within the European Union and globally.

“(23) On August 18, 2020, Sviatlana Tsikhanouskaya announced the formation of a Coordination Council to oversee a resolution to the crisis in Belarus and a peaceful transition of power by subjecting the Council’s senior members to violence, detention, and forced exile. The Government of Belarus, led illegally by Alyaksandr Lukashenka, has sought to stop the work of the Coordination Council.

“(24) Before the European Parliament on August 25, 2020, Sviatlana Tsikhanouskaya stressed that a ‘peaceful revolution’ was underway in Belarus, and that ‘It is neither a pro-Russian nor anti-Russian revolution. It is neither an anti-European Union nor a pro-European Union revolution. It is a democratic revolution.’

“(25) On or around September 6, 2020, opposition leader Maria Kalesnikava and members of the Coordination Council, including Anton Ronenkov, Ivan Kravtsov, and Maxim Bogretsov, were detained by authorities who sought to forcibly expel them to Ukraine. Ms. Kalesnikava tore up her passport at the Ukrainian border in a successful effort to prevent this expulsion, subsequently disappeared, and was discovered in a Minsk prison on September 9, 2020.

“(26) On August 11, 2020, the European Union High Representative for Foreign and Security Policy, Josep Borrell, issued a declaration on the presidential election in Belarus stating that the elections were neither free nor fair.

“(27) On August 28, 2020, United States Deputy Secretary of State Stephen Biegun declared that the August 9th election in Belarus was fraudulent.

“(28) Following Alyaksandr Lukashenka’s September 23, 2020, secret inauguration, the United States, the European Union, numerous European Union member states, the United Kingdom, and Canada announced that they did not recognize Mr. Lukashenka as the legitimately elected leader of Belarus.

“(29) Since the sham election on August 9, 2020, tens of thousands of Belarusian citizens have participated in daily peaceful protests calling for a new, free, and fair election, and the release of political prisoners.

“(30) According to Amnesty International, on August 30, 2020, Belarusians held one of the largest protest rallies in the country’s modern history in Minsk and in other cities, which was attended by at least 100,000 people who demanded the resignation of President Lukashenka and an investigation into the human rights violations in Belarus.

“(31) Women have served as the leading force in demonstrations across the country, protesting the police brutality and mass detentions by wearing white, carrying flowers, forming ‘solidarity chains’, and unmasking undercover police trying to arrest demonstrators.

“(32) The Government of Belarus has responded to the peaceful opposition protests, which are the largest in Belarus history, with a violent crackdown, including, according to the United Nations Special Rapporteur, the detention by government authorities of more than 10,000 peaceful protestors as of September 18, 2020, mostly for taking part in or observing peaceful protests, with many of these arrests followed by beatings and torture at the hands of Belarusian law enforcement.

“(33) According to the Viasna Human Rights Centre, at least 450 detainees have reported being tortured or otherwise ill-treated while held in incommunicado detention for up to 10 days, including through—

“(A) severe beatings;

“(B) forced performance of humiliating acts; and

“(C) sexual violence and other forms of violence.

“(34) At least 4 Belarusians have been killed at protests, and dozens of Belarusians who were detained during the protests are still missing.

“(35) The Belarus Ministry of Defense threatened to send the army to confront protestors, warning that in case of any violation of peace and order in areas around national monuments, ‘you will have the army to deal with now, not the police’.

“(36) The Government of Belarus, led illegally by Alyaksandr Lukashenka, has consistently restricted the free flow of information to silence the opposition and to conceal the regime’s violent crackdown on peaceful protestors, including by—

“(A) stripping the accreditation of journalists from major foreign news outlets;

“(B) detaining and harassing countless journalists.

“(C) arresting dozens of journalists, 6 of whom report for Radio Free Europe/Radio Liberty;

“(D) halting the publishing of 2 independent newspapers; and

“(E) disrupting internet access;

“(F) blocking more than 50 news websites that were covering the protests; and

“(G) limiting access to social media and other digital communication platforms.

“(37) Internet access in Belarus has been repeatedly disrupted and restricted since August 9, 2020, which independent experts and monitoring groups have attributed to government interference.

“(38) Thousands of employees at Belarusian state-owned enterprises, who have been seen as Alyaksandr Lukashenka’s traditional base during his 26-year rule, went on strike across the country to protest Lukashenka’s illegitimate election and the subsequent crackdowns, including at some of Belarus’s largest factories such as the BelAZ truck plant, the Minsk Tractor Works, and the Minsk Automobile Plant.

“(39) After the employees of state media outlets walked off the job in protest rather than help report misleading government propaganda, Lukashenka confirmed that he ‘asked the Russians’ to send teams of Russian journalists to replace local employees.

“(40) On August 19, 2020, European Council President Charles Michel announced that the European Union would impose sanctions on a substantial number of individuals responsible for violence, repression, and election fraud in Belarus.

“(41) On October 2, 2020, the Department of Treasury announced new sanctions under Executive Order 13405 on eight individuals ‘for their roles in the fraudulent August 9, 2020 Belarus presidential election or the subsequent violent crackdown on peaceful protesters’.

“(42) Similar sanctions have also been applied to Belarusian human rights violators by the Government of Canada and the Government of the United Kingdom.

“(43) Against the will of the majority of the Belarusian people—

“(A) Alyaksandr Lukashenka appealed to Russian President Vladimir Putin to provide security assistance to his government, if requested; and

“(B) President Putin has agreed to prop up the Alyaksandr Lukashenka regime by—

“(i) confirming that a Russian police force was ready to be deployed if ‘the situation gets out of control’;

“(ii) providing significant financial support; and

“(iii) sending Russian propagandists to help disseminate pro-regime propaganda on Belarus state television.

“(44) The Governments of the United States, the European Union, the United Kingdom, and Canada have—

“(A) condemned the violent crackdown on peaceful protestors;

“(B) refused to accept the results of the fraudulent election; and

“(C) called for new free and fair elections under independent observation.”.

SEC. 323. STATEMENT OF POLICY.

Section 3 of the Belarus Democracy Act of 2004 (Public Law 109–480; 22 U.S.C. 5811 note) is amended to read as follows:

“SEC. 3. STATEMENT OF POLICY.

“It is the policy of the United States—

“(1) to condemn—

“(A) the conduct of the August 9, 2020, presidential election in Belarus, which was neither free nor fair;

“(7) to refuse to recognize Alyaksandr Lukashenka as the legitimately elected leader of Belarus;

By the end of his monthlong visit, Dr. King said, “I am more convinced than ever before that the method of nonviolent resistance is the most potent weapon available to oppressed people in their struggle for justice and human dignity.”

(3) by adding at the end the following new subsection:

SEC. 342. STATEMENT OF POLICY REGARDING THE SUCCESSION OR REINCARNATION OF THE DALAI LAMA.

(a) FINDINGS.—Congress finds the following:

(1) Tibetan Buddhism is practiced in many countries including Bhutan, India, Mongolia, Nepal, the People’s Republic of China, the Russian Federation, and the United States, yet the Government of the People’s Republic of China has repeatedly insisted on its role in managing the selection of Tibet’s next spiritual leader, the Dalai Lama, through actions such as those described in the “Measures on the Management of the Reincarnation of Living Buddhas” in 2007.

(2) On March 19, 2019, Chinese Ministry of Affairs spokesperson reiterated that the “reincarnation of living Buddhas including the Dalai Lama must comply with Chinese laws and regulations and follow religious rituals and historical conventions”.

(3) The Government of the People’s Republic of China has interfered in the process of recognizing a successor or reincarnation of Tibetan Buddhist leaders, including in 1995 by arbitrarily detaining Gedhun Choekyi Nyima, a 6-year old boy who was identified as the 11th Panchen Lama, and purporting to install its own candidate as the Panchen Lama.

(4) The 14th Dalai Lama, Tenzin Gyatso, issued a statement on September 24, 2011, explaining the traditions and spiritual precepts of the selection of Dalai Lamas, setting forth his views on the considerations and process for selecting his successor, and providing a response to the Chinese government’s claims that only the Chinese government has the ultimate authority in the selection process of the Dalai Lama.

(5) The 14th Dalai Lama said in his statement that the person who reincarnates has sole legitimate authority over where and how he or she takes rebirth and how that reincarnation is to be recognized and if there is a need for a 15th

Dalai Lama to be recognized, then the responsibility shall primarily rest with the officers of the Dalai Lama's Gaden Phodrang Trust, who will be informed by the written instructions of the 14th Dalai Lama.

(6) Since 2011, the 14th Dalai Lama has reiterated publicly on numerous occasions that decisions on the successions, emanations, or reincarnations of the Dalai Lama belongs to the Tibetan Buddhist faith community alone.

(7) On June 8, 2015, the United States House of Representatives unanimously approved House Resolution 337 which calls on the United States Government to “underscore that government interference in the Tibetan reincarnation process is a violation of the internationally recognized right to religious freedom . . . and to highlight the fact that other countries besides China have long Tibetan Buddhist traditions, and that matters related to reincarnations in Tibetan Buddhism are of keen interest to Tibetan Buddhist populations worldwide”.

(8) On April 25, 2018, the United States Senate unanimously approved Senate Resolution 429 which “expresses its sense that the identification and installation of Tibetan Buddhist religious leaders, including a future 15th Dalai Lama, is a matter that should be determined solely within the Tibetan Buddhist faith community, in accordance with the inalienable right to religious freedom”.

(9) The Department of State's Report on International Religious Freedom for 2018 reported on policies and efforts of the Government of the People's Republic of China to exert control over the selection of Tibetan Buddhist religious leaders, including reincarnate lamas, and stated that “[United States] officials underscored that decisions on the reincarnation of the Dalai Lama should be made solely by faith leaders.”

(b) STATEMENT OF POLICY.—It is the policy of the United States that—

(1) decisions regarding the selection, education, and veneration of Tibetan Buddhist religious leaders are exclusively spiritual matters that should be made by the appropriate religious authorities within the Tibetan Buddhist tradition and in the context of the will of practitioners of Tibetan Buddhism;

(2) the wishes of the 14th Dalai Lama, including any written instructions, should play a key role in the selection, education, and veneration of a future 15th Dalai Lama; and

(3) interference by the Government of the People's Republic of China or any other government in the process of recognizing a successor or reincarnation of the 14th Dalai Lama and any future Dalai Lamas would represent a clear abuse of the right to religious freedom of Tibetan Buddhists and the Tibetan people.

(c) HOLDING CHINESE OFFICIALS RESPONSIBLE FOR RELIGIOUS FREEDOM ABUSES TARGETING TIBETAN BUDDHISTS.—It is the policy of the United States to take all appropriate measures to hold accountable senior officials of the Government of the People's Republic of China or the Chinese Communist Party who directly interfere with the identification and installation of the future 15th Dalai Lama of Tibetan Buddhism, successor to the 14th Dalai Lama, including by—

(1) imposing sanctions pursuant to the Global Magnitsky Human Rights Accountability Act (22 U.S.C. 2656 note); and

(2) prohibiting admission to the United States under section 212(a)(2)(G) of the Immigration and Nationality Act (8 U.S.C. 1182(a)(2)(G)).

(d) DEPARTMENT OF STATE PROGRAMMING TO PROMOTE RELIGIOUS FREEDOM FOR TIBETAN BUDDHISTS.—Consistent with section 401 of the Frank R. Wolf International Religious Freedom Act (Public Law 114–281; 130 Stat. 1436), the Ambassador-at-Large for International Religious Freedom should support efforts to protect and promote international religious freedom in China and for programs to protect Tibetan Buddhism in China and elsewhere.

SEC. 343. POLICY REGARDING THE ENVIRONMENT AND WATER RESOURCES ON THE TIBETAN PLATEAU.

(a) FINDINGS.—Congress finds the following:

(1) The Tibetan Plateau contains glaciers, rivers, grasslands, and other geographical and ecological features that are crucial for supporting vegetation growth and biodiversity and regulating water flow and supply for an estimated 1,800,000,000 people. Environmental changes threaten the glaciers in Tibet that feed the major rivers of South and East Asia, which supply freshwater to an estimated 1,800,000,000 people.

(2) Several factors, including temperature changes, large government-backed infrastructure projects, and resettlement of Tibetan nomads, are likely to result in variable water flows in the future.

(3) The grasslands of Tibet play a significant role in carbon production and sequestration and Tibet's rivers support wetlands that play a key role in water storage, water quality, and the regulation of water flow, support biodiversity, foster vegetation growth, and act as carbon sinks.

(4) Traditional Tibetan grassland stewardship practices, which can be key to mitigating the negative effects of environmental changes on the Tibetan Plateau, are undermined by the resettlement of nomads from Tibetan grasslands.

(5) The People's Republic of China has approximately 20 percent of the world's population but only around 7 percent of the world's water supply, while many countries in South and Southeast Asia rely on the rivers flowing from the Himalayas of the Tibetan Plateau.

(6) The People's Republic of China has already completed water transfer programs diverting billions of cubic meters of water yearly and has plans to divert more waters from the Tibetan plateau in China.

(b) WATER RESOURCES IN TIBET AND THE TIBETAN WATERSHED.—The Secretary of State, in coordination with relevant agencies of the United States Government, should—

(1) pursue collaborative efforts with Chinese and international scientific institutions, as appropriate, to monitor the environment on the Tibetan Plateau, including glacial retreat, temperature rise, and carbon levels, in order to promote a greater understanding of the effects on permafrost, river flows, grasslands and desertification, and the monsoon cycle;

(2) engage with the Government of the People's Republic of China, the Tibetan people, and nongovernmental organizations to encourage the participation of Tibetan nomads and

other Tibetan stakeholders in the development and implementation of grassland management policies, in order to utilize their indigenous experience in mitigation and stewardship of the land and to assess policies on the forced resettlement of nomads; and

(3) encourage a regional framework on water security, or use existing frameworks, such as the Lower Mekong Initiative, to facilitate cooperative agreements among all riparian nations that would promote transparency, sharing of information, pollution regulation, and arrangements on impounding and diversion of waters that originate on the Tibetan Plateau.

SEC. 344. DEMOCRACY IN THE TIBETAN EXILE COMMUNITY.

(a) FINDINGS.—Congress finds the following:

(1) The 14th Dalai Lama advocates the Middle Way Approach, which seeks genuine autonomy for the 6,000,000 Tibetans in Tibet.

(2) The 14th Dalai Lama has overseen a process of democratization within the Tibetan polity and devolved his political responsibilities to the elected representatives of the Tibetan people in exile in 2011.

(3) In 2011 and again in 2016, members of the Tibetan exile community across some 30 countries held free and fair elections to select political leaders to serve in the Central Tibetan Administration parliament and as chief executive.

(4) The Dalai Lama has said that the Central Tibetan Administration will cease to exist once a negotiated settlement has been achieved that allows Tibetans to freely enjoy their culture, religion, and language in Tibet.

(b) SENSE OF CONGRESS.—It is the sense of Congress that—

(1) Tibetan exile communities around the world should be commended for the adoption of a system of self-governance with democratic institutions to choose their leaders;

(2) the Dalai Lama should be commended for his decision to devolve political authority to elected leaders in accordance with democratic principles;

(3) as of the date of the enactment of this Act, the Central Tibetan Administration is the institution that represents and reflects, to the greatest extent, the aspirations of the Tibetan diaspora around the world, and the Sikyong is the President of the Central Tibetan Administration; and

(4) as consistent with section 621(d)(3) of the Tibetan Policy Act of 2002 (22 U.S.C. 6901 note), the United States Special Coordinator for Tibetan Issues should continue to maintain close contact with the religious, cultural, and political leaders of the Tibetan people.

SEC. 345. SUSTAINABILITY IN TIBETAN COMMUNITIES SEEKING TO PRESERVE THEIR CULTURE, RELIGION, AND LANGUAGE.

The Secretary of State should urge the Government of Nepal to honor the Gentleman's Agreement with the United Nations High Commissioner for Refugees and the Government of India, which commits the Government of Nepal to respect the principle of non-refoulement by continuing to give Tibetan new arrivals access to the territory of Nepal and allowing them safe passage through Nepal to India.

“(E) With respect to a student who is not eligible for the total maximum Federal Pell Grant under subparagraph (A) or a minimum Federal Pell Grant under subparagraph (C), the Secretary shall subtract from the student or parents’ adjusted gross income, as applicable based on whose income is used for the Federal Pell Grant calculation, the sum of the following for the individual whose income is so used, and consider such difference the adjusted gross income for purposes of determining the student’s eligibility for such Federal Pell Grant award under such subparagraph:

“(4) STUDY ABROAD.—Notwithstanding any other provision of this subpart, the Secretary shall allow the amount of the Federal Pell Grant to be exceeded for students participating in a program of study abroad approved for credit by the institution at which the student is enrolled when the reasonable costs of such program are greater than the cost of attendance at the student’s home institution, except that the amount of such Federal Pell Grant in any fiscal year shall not exceed the maximum amount of a Federal Pell Grant for which a student is eligible under paragraph (1) or (2) during such award year.
