98 (a) "Coordinator" means the state suicide prevention coordinator described in Section
99 [62A-15-1101](#).

100 (b) "Legal intervention" means an incident in which an individual is shot by another
101 individual who has legal authority to use deadly force.

102 (c) "Shooter" means an individual who uses a gun in an act that results in the death of
103 the actor or another individual, whether the act was a suicide, homicide, legal intervention, act
104 of self-defense, or accident.

105 (2) The coordinator shall, by October 30, 2018, conduct a study on use of guns in the
106 state and on an ongoing basis report on the progress and findings of the study to the Health and
107 Human Services Interim Committee.

108 (3) By October 30, 2016, the coordinator shall:

109 (a) determine what information, and from which state, local, and federal agencies, will
110 be necessary to complete the study;

111 (b) determine how much the study will cost;

112 (c) make recommendations for legislation, if any, that will be necessary to facilitate
113 information-sharing between local, state, federal, and private entities and the coordinator; and

114 (d) report the findings described in Subsections (3)(a) through (c) to the Health and
115 Human Services Interim Committee.

116 (4) The study described in Subsection (2) shall investigate:

117 (a) the number of deaths in the state that involved a gun, including deaths from suicide,
118 homicide including gang-related violence, legal intervention, self-defense, and accidents;

119 (b) where and how a gun that was involved in a death described in Subsection (4)(a)
120 was procured, and whether that procurement was legal;

121 (c) demographic information on the shooter and, where applicable, a victim of a death
122 described in Subsection (4)(a), including gender, race, age, criminal history, and gang
123 affiliation, if any;

124 (d) the total estimated number of gun owners in the state;

125 (e) information on the shooter, including whether the shooter has a history of:

126 (i) mental illness; or

127 (ii) domestic violence; and

128 (f) whether gun deaths are seasonal.

129 (5) The coordinator shall ensure that the study described in Subsection (2) is conducted
130 in an unbiased manner, with no preconceived conclusions about potential results.

131 (6) The coordinator may contract with another state agency, private entity, or research
132 institution to assist the coordinator and office with the study required by Subsection (2).

133 (7) (a) The coordinator shall submit a final report on the study described in Subsection
134 (2), including proposed legislation and recommendations, to the Health and Human Services
135 Interim Committee before November 30, 2018.

136 (b) The final report shall include references to all sources of information and data used
137 in the report and study.
