49 *Be it enacted by the Legislature of the state of Utah:*

50 Section 1. Section **53E-10-703** is amended to read:

51 **53E-10-703. ULEAD director -- Qualification and employment -- Duties --**

52 **Reporting -- Annual conference.**

53 (1) The ULEAD director shall:

54 (a) (i) hold a doctorate degree in education or an equivalent degree; and

55 (ii) have demonstrated experience in research and dissemination of best practices in

56 education; and

- 57 (b) (i) be a full-time employee; and
- 58 (ii) report to the state superintendent.
- 59 (2) The state superintendent shall:
- 60 (a) evaluate the director's performance annually;
- 61 (b) report on the director's performance to the selection committee; and
- 62 (c) provide space for the director and the director's staff.
- 63 (3) The director may hire staff, using only money specifically appropriated to ULEAD.
- 64 (4) The director shall perform the following duties and functions:
- 65 (a) gather current research on innovative and effective practices in K-12 education for
- 66 use by policymakers and practitioners;
- 67 (b) facilitate collaboration between LEAs, higher education researchers, and
- 68 practitioners by:
- 69 (i) sharing innovative and effective practices shown to improve student learning;
- 70 (ii) identifying experts in specific areas of practice; and
- 71 (iii) maintaining a research clearinghouse and directory of researchers; and
- 72 (c) analyze barriers to replication or adaption of innovative and successful practices
- 73 studied by ULEAD or contributed to the ULEAD research clearinghouse.
- 74 (5) The director shall:
- 75 (a) prioritize reports and other research based on recommendations of the steering
- 76 committee in accordance with Subsection 53E-10-707(5), and after consulting with individuals
- 77 described in Subsection 53E-10-707(6);
- 78 (b) identify Utah LEAs, or schools outside the public school system, that are:
- 79 (i) innovative in specific areas of practice; and
- 80 (ii) more effective or efficient than comparable LEAs in improving student learning;
- 81 (c) establish criteria for innovative practice reports to be performed by participating
- 82 institutions and included in the research clearinghouse, including report templates;
- 83 (d) arrange with participating institutions to generate innovative practice reports on
- 84 effective and innovative K-12 education practices; and
- 85 (e) (i) disseminate each innovative practice report to LEAs; and
- 86 (ii) publish innovative practice reports on the ULEAD website.
- 87 (6) In an innovative practice report, a participating institution shall:

88 (a) include or reference a review of research regarding the practice in which the subject
89 LEA has demonstrated success;

90 (b) identify through academically acceptable, evidence-based research methods the
91 causes of the LEA's successful practice;

92 (c) identify opportunities for LEAs to adopt or customize innovative or best practices;

93 (d) address limitations to successful replication or adaptation of the successful practice
94 by other LEAs, which may include barriers arising from federal or state law, state or LEA
95 policy, socioeconomic conditions, or funding limitations;

96 (e) include practical templates for successful replication and adaptation of successful
97 practices, following criteria established by the director;

98 (f) identify experts in the successful practice that is the subject of the innovative
99 practice report, including teachers or administrators at the subject LEA; and

100 (g) include:

101 (i) an executive summary describing the innovative practice report; and

102 (ii) a video component or other elements designed to ensure that an innovative practice
103 report is readily understandable by practitioners.

104 (7) (a) The director may, if requested by an LEA leader or policymaker, conduct an
105 evidence-based review of a possible innovation in an area of practice.

106 (b) The director shall:

107 (i) review the performance of an innovation program, as defined in Section
108 53G-10-601, to determine the extent to which the learning and performance of students in an
109 opportunity class, as defined in Section 53G-10-601, met the criteria established in the
110 innovation program; and

111 (ii) report on the director's findings under Subsection (7)(b)(i):

112 (A) to the LEA governing board that approved the innovation program; and

113 (B) within 30 days after the completion of the school year during which the opportunity
114 class was functioning.

115 (8) The director may also accept innovative practice reports from trained practitioners
116 that meet the criteria set by the director.

117 (9) The director or a participating institution, to enable successful replication or
118 adaption of successful practices, may recommend to:

- 119 (a) the Legislature, amendments to state law; or
- 120 (b) the state board, revisions to state board rule, made in accordance with Title 63G,
- 121 Chapter 3, Utah Administrative Rulemaking Act, or policy.

122 (10) The director shall:

- 123 (a) report on the activities of ULEAD annually to the state board; and
- 124 (b) provide reports or other information to the state board upon state board request.

125 (11) The director shall:

- 126 (a) prepare an annual report on ULEAD research and other activities;
- 127 (b) submit the report in accordance with Section 53E-1-201 and 53E-1-202;
- 128 (c) publish the annual report on the ULEAD website; and
- 129 (d) disseminate the report to LEAs through electronic channels.

130 (12) The director shall facilitate and conduct an annual conference on successful and
131 innovative K-12 education practices, featuring:

- 132 (a) Utah education leaders; and
- 133 (b) practitioners and researchers, chosen by the director, to discuss the subjects of LEA
134 and other ULEAD activities, or other innovative and successful education practices.

135 Section 2. Section 53G-10-601 is enacted to read:

136 **Part 6. Education Innovation Program**

137 **53G-10-601. Definitions.**

138 As used in this part:

139 (1) "Alternative classroom schedule" means a classroom schedule that is different than
140 the schedule followed by other classrooms in the applicable school or LEA.

141 (2) "Alternative curriculum" means curriculum in one or more subject areas that is
142 based on standards that are different than the standards:

- 143 (a) adopted by the state board; and
- 144 (b) applicable to the regular curriculum offered in the subject area or areas in the
145 applicable school or LEA.

146 (3) "Applicable school or LEA" means the school or LEA in which an innovation
147 program is proposed or implemented.

148 (4) "Innovation grant" means a grant of money under Section 53G-10-608 to pay for
149 some or all innovation program costs.

150 (5) "Innovation program" means a program establishing an alternative classroom
151 schedule or an alternative curriculum, or both.

152 (6) "Innovation program application" means an application:

153 (a) proposing the implementation of an innovation program; and

154 (b) submitted under Section 53G-10-603 to the LEA governing board for the LEA in
155 which the innovation program is proposed.

156 (7) "Innovation program costs" means costs occasioned by an innovation program that
157 exceed costs of a class that is not subject to an innovation program.

158 (8) "K-12" means kindergarten through grade 12.

159 (9) "Opportunity class" means a school class within the public education system that
160 implements an innovation program.

161 (10) "Participating student" means a K-12 student who participates in an opportunity
162 class under an approved innovation program.

163 Section 3. Section 53G-10-602 is enacted to read:

164 **53G-10-602. Establishment of innovation program -- LEA governing board**
165 **approval -- Parental consent required.**

166 (1) An innovation program may be established for a K-12 class as provided in this part
167 if the innovation program is approved by the LEA governing board for the LEA in which the
168 proposed innovation program is to be implemented.

169 (2) A public school teacher may submit an innovation program application to the LEA
170 governing board for the LEA of the class or school in which the teacher proposes to implement
171 an innovation program.

172 (3) Before submitting an innovation program application, the public school teacher
173 intending to submit the innovation program application shall obtain the written consent
174 described in Section 53G-10-603 signed by parents of at least 20 prospective participating
175 students.

176 (4) An innovation program application shall be submitted no less than 90 days before
177 the beginning of student registration for the school year for which the innovation program is
178 proposed.

179 (5) (a) An LEA governing board shall approve or deny an innovation program
180 application within 60 days after the application is submitted.

181 (b) An LEA governing board may approve an innovation program application subject
182 to modifications or additional terms that the LEA governing board determines appropriate.

183 (6) An innovation program may be renewed for another school year if:

184 (a) the teacher in the opportunity class requests renewal;

185 (b) the teacher submits with the renewal request the written consent described in
186 Section 53G-10-603 signed by parents of at least 20 prospective participating students; and

187 (c) the LEA governing board approves the renewal.

188 Section 4. Section 53G-10-603 is enacted to read:

189 **53G-10-603. Parental consent for student participating in opportunity class.**

190 (1) A parent of a K-12 student may give the parent's consent for the student to
191 participate in an opportunity class by submitting the parent's written and signed consent, as
192 described in Subsection (2), to the public school teacher who proposes to submit an innovation
193 program application.

194 (2) (a) A public school teacher who intends to submit an innovation program
195 application shall provide a consent form to a parent of a prospective participating student.

196 (b) A form by which a parent consents to the enrollment of the parent's child in an
197 opportunity class shall contain:

198 (i) the name and a summary of the credentials of each teacher and other staff member
199 who will be teaching or working in the opportunity class;

200 (ii) an explanation that the opportunity class is experimental in nature and may not
201 receive approval to continue beyond the school year for which the innovation program is
202 approved;

203 (iii) a description of the alternative curriculum and alternative classroom schedule, as
204 applicable, that the innovation program application intends to seek approval for;

205 (iv) a description of how, when, and where the opportunity class instruction will take
206 place and whether the instruction will include in-person, virtual, or hybrid components;

207 (v) if the innovation application intends to include a proposed alternative curriculum, a
208 description of:

209 (A) the alternative curriculum and the instructional materials to be used in the
210 opportunity class; and

211 (B) the outcomes the opportunity class using the alternative curriculum is designed to

212 achieve; and

213 (vi) a statement accompanying the parent's signature indicating that the parent has read
214 the explanation of the opportunity class contained in the consent form and understands the
215 experimental nature of the opportunity class.

216 Section 5. Section **53G-10-604** is enacted to read:

217 **53G-10-604. Innovation program application -- Requirements.**

218 (1) An innovation program application shall include:

219 (a) the name and a summary of the credentials of each teacher and other staff member
220 who will be teaching or working in the opportunity class;

221 (b) the name of each student whose parent has submitted a consent form consenting to
222 the student becoming a participating student;

223 (c) a description of the alternative curriculum and alternative classroom schedule, as
224 applicable, that the innovation program application seeks approval for;

225 (d) a description of how, when, and where the opportunity class instruction will take
226 place and whether the instruction will include in-person, virtual, or hybrid components;

227 (e) any other innovative curriculum or classroom schedule adjustments intended to be
228 incorporated into the opportunity class to enhance the learning, performance, and educational
229 experience of participating students;

230 (f) criteria for measuring student learning and performance;

231 (g) an explanation of the assessment of the innovation program as provided in Section
232 [53G-10-607](#);

233 (h) if the innovation application includes a proposed alternative curriculum, a
234 description of:

235 (i) the alternative curriculum and the instructional materials to be used in the
236 opportunity class; and

237 (ii) the outcomes the opportunity class using the alternative curriculum is designed to
238 achieve;

239 (i) any additional funding needed to cover innovation program costs; and

240 (j) participating students' proposed access to or use of the transportation services,
241 playground facilities, cafeteria facilities, after-school or extra-curricular activities, special
242 education services, and other facilities, activities, or services normally provided by the

243 applicable school or LEA.

244 (2) An innovation program application that proposes an alternative curriculum may
245 include a proposal for a different curriculum or an innovative delivery of curriculum.

246 (3) An innovation program application that proposes an alternative classroom schedule
247 may include a proposal for a different classroom schedule that includes options for:

248 (a) different requirements for in-person, virtual, or hybrid instruction; and

249 (b) different provisions for length of student attendance at in-person, virtual, or hybrid
250 instruction.

251 (4) An innovation program application may include a request for an innovation grant.

252 Section 6. Section **53G-10-605** is enacted to read:

253 **53G-10-605. Alternative curriculum and alternative classroom schedule**
254 **provisions.**

255 (1) An alternative curriculum in an elementary school shall include English,
256 mathematics, science, or history and social science.

257 (2) If requested in an innovation program application that the LEA governing board
258 approves, a school in which an opportunity class is proposed to be located shall provide the
259 opportunity class with a classroom and other equipment and facilities normally provided to a
260 class within the school.

261 (3) A teacher in an opportunity class may make adjustments to the curriculum or
262 classroom schedule described in the approved innovation program as implementation of the
263 innovation program reveals the need or advisability of making adjustments to better meet the
264 needs of students or to better achieve the goals and objectives of the innovation program.

265 (4) A student may become a participating student in an opportunity class after the
266 beginning of a school year during a standard class change period if:

267 (a) the innovation program allows the addition of a participating student during the
268 school year;

269 (b) the student's parent consents as provided in Section [53G-10-603](#); and

270 (c) the teacher of the opportunity class consents.

271 Section 7. Section **53G-10-606** is enacted to read:

272 **53G-10-606. Provisions applicable to participating students, staff in an**
273 **opportunity class, innovation programs, and LEAs.**

274 (1) A participating student may use a transportation service offered to students who are
275 not participating students if:

276 (a) the participating student uses the transportation service on the same basis and at the
277 same times as the transportation service is offered to students who are not participating
278 students; or

279 (b) the innovation program provides for:

280 (i) the participating student's use of the transportation service; and

281 (ii) payment of the additional cost of the transportation service attributable to the
282 participating student's use of the transportation service.

283 (2) A participating student:

284 (a) shall be enrolled in the LEA where the opportunity class is operating; and

285 (b) is counted as any other student who is not a participating student for purposes of
286 calculating educational funding apportioned to the LEA.

287 (3) (a) A participating student is subject to a state assessment, as defined in Section
288 53E-4-301, to the same extent as a student who is not a participating student.

289 (b) The results of state assessment taken by participating students may not be included
290 in assessment results for the school or LEA unless the test results are required to be included in
291 the school or LEA assessment results by:

292 (i) the approved innovation program; or

293 (ii) applicable law.

294 (4) A teacher or other staff member who teaches or works in an opportunity class:

295 (a) is an employee of the LEA where the opportunity class is located; and

296 (b) shall receive compensation and other benefits available generally to an individual
297 employed in a comparable position in the LEA.

298 (5) An opportunity class shall comply with:

299 (a) provisions of the approved innovation program; and

300 (b) all applicable federal, state, and local laws prohibiting discrimination or governing
301 the safety of students and teachers.

302 (6) An LEA:

303 (a) shall apportion education funds for instructional use of participating students in an
304 amount substantially similar to funds apportioned for instructional use of comparable students

305 who are not participating students; and

306 (b) is responsible to provide to participating students only the services described in the
307 approved innovation program.

308 Section 8. Section **53G-10-607** is enacted to read:

309 **53G-10-607. Assessment of innovation program.**

310 A teacher in an opportunity class shall:

311 (1) monitor the extent to which participating student learning and performance are
312 consistent with the criteria established in the innovation program;

313 (2) report the results under Subsection (1) to the LEA governing board, as provided in
314 the approved innovation program; and

315 (3) cooperate with and provide participating student learning and performance data to
316 the director of ULEAD, as defined in Section [53E-10-701](#), as the director performs the
317 director's duties under Subsection [53E-10-703\(7\)\(b\)](#).

318 Section 9. Section **53G-10-608** is enacted to read:

319 **53G-10-608. Innovation grants.**

320 (1) An LEA governing board may approve a grant of up to \$5,000 per opportunity class
321 for the school year if:

322 (a) a request for an innovation grant is included in the innovation application; and

323 (b) the LEA governing board determines that the grant is needed to:

324 (i) cover innovation program costs; and

325 (ii) help fulfill the goals and purposes of the opportunity class.

326 (2) If an LEA governing board approves a request for an innovation grant, the LEA
327 governing board shall send the state board written notice of the approval and the name of the
328 teacher who submitted the request for the innovation grant.

329 (3) (a) (i) Upon receipt of the written notice and authorization under Subsection (2), the
330 state board shall, subject to Subsection (3)(b), disburse the amount of the approved innovation
331 grant to the LEA governing board.

332 (ii) The LEA governing board shall distribute the money to the teacher of the
333 opportunity class to cover innovation program costs.

334 (b) (i) Except as provided in Subsection (3)(b)(iii), the maximum amount of money
335 that the state board may distribute for approved innovation grants is \$500,000 per school year.

336 (ii) If the state board receives a written notice and authorization under Subsection (2)
337 after already distributing \$500,000 for the school year, the state board shall notify the LEA
338 governing board that the grant money has been expended for the school year and that the state
339 board cannot distribute money for the approved innovation grant.

340 (iii) If the state board distributes less than \$500,000 for approved innovation grants for
341 a school year, the difference between \$500,000 and the amount distributed shall be rolled over
342 and included in the money available for distribution for approved innovation grants for the
343 following school year.

344 (4) The state board shall keep and account for all money appropriated for innovation
345 grants separate from other state board funds.

346 (5) A teacher receiving an innovation grant under this section may not use the money
347 from the grant for any purpose other than for innovation program costs.

348 (6) Any innovation grant money appropriated to the state board by the Legislature that
349 the state board has not distributed as provided in this section by June 30, 2027 shall lapse to the
350 Education Fund.
