1946 much common stock of the new stock corporation as that person's equitable share of the value
1947 of the converting corporation will purchase. The equitable share is determined by the ratio

1948 which the net premium that person has paid to the corporation during the five years
1949 immediately preceding the resolution required by Subsection (2) bears to the total net
1950 premiums received by the corporation during the same period. The net premium is the gross
1951 premium less the return premium and dividends paid. If the equitable share would only
1952 purchase a fraction of a share of stock, the policyholder has the option of either receiving the
1953 value of the fractional share in cash or purchasing a full share by paying the balance in cash.

1954 (ii) When an insurer has the type of policies with specifically attributable investment
1955 value to the policyholders, each policyholder is entitled, without additional payment, to as
1956 much common stock of the new stock corporation as the policyholder's investment value in the
1957 converting corporation will purchase, determined by the proportion of the policyholder's
1958 investment value to the aggregate investment values of all policyholders. If the policyholder's
1959 share would only purchase a fraction of a share of stock, the policyholder has the option of
1960 either receiving the value of the fractional share in cash or purchasing a full share by paying the
1961 balance in cash.

1962 (c) A written offer shall be sent to each policyholder indicating the policyholder's
1963 individual equitable share and the terms upon which the policyholder may subscribe for stock.

1964 (d) Common shares may not be subscribed by or issued to persons other than
1965 policyholders, until all subscriptions by the policyholders have been filled. After those
1966 subscriptions have been filled, any new issue of stock for five years after the conversion shall
1967 first be offered to the persons who have become shareholders under Subsection (4)(b) in
1968 proportion to their interests under Subsection (4)(b).

1969 (e) A policyholder in a nonlife mutual may not receive a distribution of shares valued
1970 under Subsection (4)(b)(i), which distribution is greater than the amount the policyholder is
1971 entitled to under Section 31A-27a-701. Any excess over the policyholder's entitlement under
1972 Section 31A-27a-701 shall be distributed in accordance with Section 31A-27a-705.

1973 (5) The plan of conversion shall be submitted to the commissioner for approval,
1974 together with:

1975 (a) the proposed articles and bylaws of the new stock corporation which comply with
1976 Section 31A-5-203;

1977 (b) any information specified under Subsection 31A-5-204(2), which the commissioner
1978 reasonably requires; and

1979 (c) a projection of the planned or anticipated financial situation of the new corporation
1980 for five years after the conversion.

1981 (6) The commissioner shall then hold a hearing. The notice of the hearing shall be
1982 mailed to each person who was a policyholder of the corporation on the date of the resolution
1983 required by Subsection (2). This notice shall include a copy of the plan of conversion and any
1984 comments the commissioner considers necessary to adequately inform the policyholders.

1985 (7) The commissioner shall approve the plan of conversion unless the commissioner
1986 finds that the plan violates the law or is contrary to the interests of policyholders or the public.

1987 (8) After approval under Subsection (7), the conversion plan shall be submitted to a
1988 vote of:

1989 (a) for mutuals subject to Subsection (4)(b)(i), those persons who were policyholders
1990 of the mutual on the date of the resolution required by Subsection (2); or

1991 (b) for mutuals subject to Subsection (4)(b)(ii), those persons who had investment
1992 values in their policies as of the date of the resolution required by Subsection (2).

1993 (9) If the policyholders approve the conversion under Subsection (8), the commissioner
1994 shall issue a new certificate of authority. The issuance of the certificate is the conversion of the
1995 mutual to a stock corporation. This stock corporation is considered as being organized at the
1996 time the converted mutual was organized. Subject to the plan of conversion, the directors,
1997 officers, agents, and employees of the mutual shall continue in their same positions with the
1998 stock corporation.

1999 (10) In the proposed conversion, the corporation may not pay any person compensation
2000 other than regular salaries to existing personnel and compensation for clerical and mailing
2001 expenses. With the commissioner's approval, the corporation may pay, at reasonable rates, for
2002 printing costs and for legal and other professional fees for services actually rendered. All
2003 expenses of the conversion, including the expenses incurred by the commissioner and the
2004 prorated salaries of any department staff members involved, shall be paid by the corporation
2005 being converted.

2006 (11) The commissioner's approval of the plan of conversion satisfies the registration
2007 requirement of Section [31A-5-302](#).

2008 (12) This section does not apply to a mutual reorganization or merger under Section
2009 [31A-16-102.6](#).

2314 insurance holding company that could pose enterprise risk to the insurer. The annual enterprise
2315 risk report shall be filed with the lead state commissioner of the insurance holding company
2316 system as determined by the procedures within the Financial Analysis Handbook adopted by
2317 the [~~National Association of Insurance Commissioners~~] NAIC.

2318 (13) (a) The ultimate controlling person of an insurer subject to registration shall
2319 concurrently file with the registration an annual group capital calculation report as directed by

2320 the lead state commissioner.

2321 (b) The annual group capital calculation report described in Subsection (13)(a) shall be
2322 filed with the lead state commissioner of the insurance holding company system as determined
2323 by the commissioner in accordance with the procedures within the Financial Analysis
2324 Handbook adopted by the NAIC.

2325 (c) Subject to Subsections (13)(d) and (e), the following insurance holding company
2326 systems are exempt from filing the annual group capital calculation report described in
2327 Subsection (13)(a):

2328 (i) an insurance holding company system that:

2329 (A) has only one insurer within the insurance holding company's structure;

2330 (B) writes business and is licensed only in the insurance holding company system's
2331 domestic state; and

2332 (C) assumes no business from any other insurer;

2333 (ii) an insurance holding company system that is required to perform a group capital
2334 calculation specified by the United States Federal Reserve Board unless:

2335 (A) the lead state commissioner requests the calculation from the Federal Reserve
2336 Board under the terms of information sharing agreements in effect; and

2337 (B) the Federal Reserve Board cannot share the calculation with the lead state
2338 commissioner;

2339 (iii) an insurance holding company system whose non-United States group-wide
2340 supervisor is located within a reciprocal jurisdiction as described in Subsection [31A-17-404](#)(8)
2341 that recognizes the United States' state regulatory approach to group supervision and group
2342 capital; and

2343 (iv) an insurance holding company system:

2344 (A) that provides information to the lead state that meets the requirements for
2345 accreditation under the NAIC financial standards and accreditation program, either directly or
2346 indirectly through the group-wide supervisor, who has determined the information is
2347 satisfactory to allow the lead state to comply with the NAIC group supervision approach, as
2348 detailed in the NAIC Financial Analysis Handbook; and

2349 (B) whose non-United States group-wide supervisor that is not located in a reciprocal
2350 jurisdiction recognizes and accepts, as specified by the lead state commissioner in regulation,

2351 the group capital calculation as the world-wide group capital assessment for United States
2352 insurance groups that operate in that jurisdiction.

2353 (d) If, after consultation with other supervisors or officials, the lead state commissioner
2354 determines appropriate for prudential oversight and solvency monitoring purposes or for
2355 ensuring the competitiveness of the insurance marketplace, the lead state commissioner shall
2356 require the group capital calculation for United States operations of any non-United States
2357 based insurance holding company system.

2358 (e) The lead state commissioner may:

2359 (i) exempt the ultimate controlling person from filing the annual group capital
2360 calculation; or

2361 (ii) accept a limited group capital filing or report in accordance with criteria as
2362 specified by the lead state commissioner in regulation.

2363 (f) If the lead state commissioner determines that an insurance holding company
2364 system no longer meets one or more of the requirements for an exemption from filing the group
2365 capital calculation under this section, the insurance holding company system shall file the
2366 group capital calculation at the next annual filing date unless the lead state commissioner gives
2367 an extension based on reasonable grounds.

2368 (14) (a) The ultimate controlling person of every insurer subject to registration and also
2369 scoped into the NAIC liquidity stress test framework shall file the results of a specific year's
2370 liquidity stress test.

2371 (b) The filing described in Subsection (14)(a) shall be made to the lead state insurance
2372 commissioner of the insurance holding company system as determined by the procedures
2373 within the Financial Analysis Handbook adopted by the NAIC.

2374 (c) Any change to the NAIC liquidity stress test framework or to the data year for
2375 which the scope criteria are to be measured shall be effective on January 1 of the year
2376 following the calendar year in which the change is adopted.

2377 (d) Insurers meeting at least one threshold of the NAIC liquidity stress test framework's
2378 scope criteria are scoped into the NAIC liquidity stress test framework for the specified data
2379 year unless the lead state insurance commissioner, in consultation with the NAIC Financial
2380 Stability Task Force or the NAIC Financial Stability Task Force's successor, determines the
2381 insurer should not be scoped into the NAIC liquidity stress test framework for that data year.

2382 (e) Insurers that do not meet at least one threshold of the NAIC liquidity stress test
2383 framework's scope criteria are scoped out of the NAIC liquidity stress test framework for the
2384 specified data year, unless the lead state insurance commissioner, in consultation with the
2385 NAIC Financial Stability Task Force or the NAIC Financial Stability Task Force's successor,
2386 determines the insurer should be scoped into the NAIC liquidity stress test framework for that
2387 data year.

2388 (f) To avoid having insurers scoped in and out of the NAIC liquidity stress test
2389 framework on a frequent basis, the lead state insurance commissioner, in consultation with the
2390 Financial Stability Task Force or the NAIC Financial Stability Task Force's successor, shall
2391 assess this concern as part of the lead state insurance commissioner's determination of whether
2392 an insurer is scoped into the NAIC liquidity stress test framework for a specified data year.

2393 (g) The performance of, and filing of the results from, a specific year's liquidity stress
2394 test shall comply with:

2395 (i) the NAIC liquidity stress test framework instructions and reporting templates for
2396 that year; and

2397 (ii) lead state insurance commissioner determinations made in conjunction with the
2398 NAIC Financial Stability Task Force or the NAIC Financial Stability Task Force's successor,
2399 provided within the NAIC liquidity stress test framework.

2400 ~~[(13)]~~ (15) The failure to file a registration statement or any summary of the
2401 registration statement or enterprise risk filing required by this section within the time specified
2402 for the filing is a violation of this section.

2403 Section 11. Section **31A-16-106** is amended to read:

2404 **31A-16-106. Standards and management of an insurer within a holding company**
2405 **system.**

2406 (1) (a) Transactions within an insurance holding company system to which an insurer
2407 subject to registration is a party are subject to the following standards:

2408 (i) the terms shall be fair and reasonable;

2409 (ii) agreements for cost sharing services and management shall include the provisions
2410 required by rule made by the commissioner in accordance with Title 63G, Chapter 3, Utah
2411 Administrative Rulemaking Act;

2412 (iii) charges or fees for services performed shall be reasonable;

2413 (iv) expenses incurred and payment received shall be allocated to the insurer in
2414 conformity with customary insurance accounting practices consistently applied;

2415 (v) the books, accounts, and records of each party to all transactions shall be so
2416 maintained as to clearly and accurately disclose the nature and details of the transactions,
2417 including the accounting information necessary to support the reasonableness of the charges or
2418 fees to the respective parties; ~~and~~

2419 (vi) the insurer's surplus held for policyholders, following any dividends or
2420 distributions to shareholder affiliates, shall be reasonable in relation to the insurer's outstanding
2421 liabilities and shall be adequate to its financial needs[-];

2422 (vii) the commissioner may require the insurer to secure and maintain a deposit held by
2423 the commissioner or a bond, as determined by the insurer at the insurer's discretion, in an
2424 amount determined by the commissioner not to exceed the value of the agreement in any one
2425 year, if the commissioner:

2426 (A) determines that the insurer is in a hazardous financial condition under Title 31A,
2427 Chapter 27a, Insurer Receivership Act, or a condition that would warrant a delinquency
2428 proceeding under Title 31A, Chapter 27a, Insurer Receivership Act; and

2429 (B) believes that the insurers' affiliate may be unable to fulfill an agreement with the
2430 insurer if the insurer were put into liquidation;

2431 (viii) all insurer records and data held by an affiliate:

2432 (A) are the insurer's property;

2433 (B) are subject to the insurer's control;

2434 (C) are identifiable;

2435 (D) are segregated or readily capable of segregation, at no additional cost to the insurer,
2436 from all other records and data;

2437 (E) shall be provided to a receiver, at the insurer's request, including any information,
2438 software, licensing agreement, release, waiver, or any other thing required to access the records
2439 and data; and

2440 (F) may be restricted in use by the affiliate if the affiliate is not operating the insurer's
2441 business; and

2442 (ix) (A) all funds belonging to the insurer that an affiliate collects or holds are the
2443 exclusive property of the insurer and subject to the control of the insurer; and

2444 (B) if the insurer is placed into receivership, any right of offset against the funds is
2445 subject to Title 31A, Chapter 27a, Insurance Receivership Act.

2446 (b) The following transactions involving a domestic insurer and any person in its
2447 insurance holding company system, including amendments or modifications of affiliate
2448 agreements previously filed pursuant to this section, which are subject to any materiality
2449 standards contained in Subsections (1)(a)(i) through (vi), may not be entered into unless the
2450 insurer has notified the commissioner in writing of its intention to enter into the transaction at
2451 least 30 days before entering into the transaction, or within any shorter period the
2452 commissioner may permit, if the commissioner has not disapproved the transaction within the
2453 period. The notice for an amendment or modification shall include the reasons for the change
2454 and financial impact on the domestic insurer. Informal notice shall be reported, within 30 days
2455 after a termination of a previously filed agreement, to the commissioner for determination of
2456 the type of filing required, if any:

2457 (i) sales, purchases, exchanges, loans or extensions of credit, guarantees, or
2458 investments if the transactions are equal to, or exceed as of the next preceding December 31:

2459 (A) for nonlife insurers, the lesser of 3% of the insurer's admitted assets or 25% of
2460 surplus held for policyholders;

2461 (B) for life insurers, 3% of the insurer's admitted assets;

2462 (ii) loans or extensions of credit made to any person who is not an affiliate, if the
2463 insurer makes the loans or extensions of credit with the agreement or understanding that the
2464 proceeds of the transactions, in whole or in substantial part, are to be used to make loans or
2465 extensions of credit to, to purchase assets of, or to make investments in, any affiliate of the
2466 insurer making the loans or extensions of credit if the transactions are equal to, or exceed as of
2467 the next preceding December 31:

2468 (A) for nonlife insurers, the lesser of 3% of the insurer's admitted assets or 25% of
2469 surplus held for policyholders;

2470 (B) for life insurers, 3% of the insurer's admitted assets;

2471 (iii) reinsurance agreements or modifications to reinsurance agreements, including an
2472 agreement in which the reinsurance premium, a change in the insurer's liabilities, or the
2473 projected reinsurance premium or a change in the insurer's liabilities in any of the current and
2474 succeeding three years, equals or exceeds 5% of the insurer's surplus held for policyholders, as

2475 of the next preceding December 31, including those agreements that may require as
2476 consideration the transfer of assets from an insurer to a non-affiliate, if an agreement or
2477 understanding exists between the insurer and the non-affiliate that any portion of the assets will
2478 be transferred to one or more affiliates of the reinsurer;

2479 (iv) all management agreements, service contracts, tax allocation agreements, and all
2480 cost-sharing arrangements;

2481 (v) guarantees when made by a domestic insurer, except that:

2482 (A) a guarantee that is quantifiable as to amount is not subject to the notice
2483 requirements of this Subsection (1) unless it exceeds the lesser of .5% of the insurer's admitted
2484 assets or 10% of surplus held for policyholders, as of the next preceding December 31; and

2485 (B) a guarantee that is not quantifiable as to amount is subject to the notice
2486 requirements of this Subsection (1);

2487 (vi) direct or indirect acquisitions or investments in a person that controls the insurer or
2488 in an affiliate of the insurer in an amount that, together with its present holdings in the
2489 investments, exceeds 2.5% of the insurer's surplus to policyholders, except that a direct or
2490 indirect acquisition or investment in a subsidiary acquired pursuant to Section [31A-16-102.5](#),
2491 or in a non-subsiary insurance affiliate that is subject to this chapter, is exempt from this
2492 Subsection (1)(b)(vi);

2493 (vii) any material transactions, specified by rule, which the commissioner determines
2494 may adversely affect the interests of the insurer's policyholders; and

2495 (viii) this Subsection (1) may not be interpreted to authorize or permit any transactions
2496 which would be otherwise contrary to law in the case of an insurer not a member of the same
2497 holding company system.

2498 (c) A domestic insurer may not enter into transactions which are part of a plan or series
2499 of like transactions with persons within the holding company system if the purpose of the
2500 separate transactions is to avoid the statutory threshold amount and thus to avoid the review by
2501 the commissioner that would occur otherwise. If the commissioner determines that the
2502 separate transactions were entered into over any 12 month period for such a purpose, the
2503 commissioner may exercise the commissioner's authority under Section [31A-16-110](#).

2504 (d) The commissioner, in reviewing transactions pursuant to Subsection (1)(b), shall
2505 consider whether the transactions comply with the standards set forth in Subsection (1)(a) and

2506 whether they may adversely affect the interests of policyholders.

2507 (e) The commissioner shall be notified within 30 days of any investment of the
2508 domestic insurer in any one corporation, if the total investment in the corporation by the
2509 insurance holding company system exceeds 10% of the corporation's voting securities.

2510 (2) (a) A domestic insurer may not pay any extraordinary dividend or make any other
2511 extraordinary distribution to its shareholders until:

2512 (i) 30 days after the commissioner has received notice of the declaration of the
2513 dividend and has not within the 30-day period disapproved the payment; or

2514 (ii) the commissioner has approved the payment within the 30-day period.

2515 (b) For purposes of this Subsection (2), an extraordinary dividend or distribution
2516 includes any dividend or distribution of cash or other property, fair market value of which,
2517 together with that of other dividends or distributions made within the preceding 12 months,
2518 exceeds the lesser of:

2519 (i) 10% of the insurer's surplus held for policyholders as of the next preceding
2520 December 31;

2521 (ii) the net gain from operations of the insurer, if the insurer is a life insurer, or the net
2522 income, if the insurer is not a life insurer, not including realized capital gains, for the 12-month
2523 period ending the next preceding December 31; or

2524 (iii) an extraordinary dividend does not include pro rata distributions of any class of the
2525 insurer's own securities.

2526 (c) In determining whether a dividend or distribution is extraordinary, an insurer other
2527 than a life insurer may carry forward net income from the previous two calendar years that has
2528 not already been paid out as dividends. This carry-forward shall be computed by taking the net
2529 income from the second and third preceding calendar years, not including realized capital
2530 gains, less dividends paid in the second and immediate preceding calendar years.

2531 (d) Notwithstanding any other provision of law, an insurer may declare an
2532 extraordinary dividend or distribution, which is conditioned upon the commissioner's approval
2533 of the dividend or distribution, and the declaration shall confer no rights upon shareholders
2534 until:

2535 (i) the commissioner has approved the payment of the dividend or distribution; or

2536 (ii) the commissioner has not disapproved the payment within the 30-day period

2537 referred to in Subsection (2)(a).

2538 (3) (a) Notwithstanding the control of a domestic insurer by any person, the officers
2539 and directors of the insurer may not be relieved of any obligation or liability to which they
2540 would otherwise be subject by law, and the insurer shall be managed so as to assure its separate
2541 operating identity consistent with this chapter.

2542 (b) Nothing in this section precludes a domestic insurer from having or sharing a
2543 common management or cooperative or joint use of personnel, property, or services with one or
2544 more other persons under arrangements meeting the standards of Subsection (1)(a).

2545 (c) (i) Not less than one-third of the directors of a domestic insurer, and not less than
2546 one-third of the members of each committee of the board of directors of a domestic insurer,
2547 shall be persons who are not officers or employees of the insurer or of any entity controlling,
2548 controlled by, or under common control with the insurer and who are not beneficial owners of a
2549 controlling interest in the voting stock of the insurer or entity.

2550 (ii) At least one person described in Subsection (3)(c)(i) shall be included in a quorum
2551 for the transaction of business at a meeting of the board of directors or a committee of the
2552 board of directors.

2553 (d) Subsection (3)(c) does not apply to a domestic insurer if the person controlling the
2554 insurer, such as an insurer, a mutual insurance holding company, or a publicly held corporation,
2555 has a board of directors and committees of the board of directors that meet the requirements of
2556 Subsection (3)(c) with respect to the controlling entity.

2557 (e) An insurer may make application to the commissioner for a waiver from the
2558 requirements of this Subsection (3) if the insurer's annual direct written and assumed premium,
2559 excluding premiums reinsured with the Federal Crop Insurance Corporation and Federal Flood
2560 Program, is less than \$300,000,000. An insurer may also make application to the
2561 commissioner for a waiver from the requirements of this Subsection (3) based upon unique
2562 circumstances. The commissioner may consider various factors, including:

2563 (i) the type of business entity;

2564 (ii) the volume of business written;

2565 (iii) the availability of qualified board members; or

2566 (iv) the ownership or organizational structure of the entity.

2567 (4) (a) For purposes of this chapter, in determining whether an insurer's surplus as

2568 regards policyholders is reasonable in relation to the insurer's outstanding liabilities and
2569 adequate to meet its financial needs, the following factors, among others, shall be considered:

2570 (i) the size of the insurer as measured by its assets, capital and surplus, reserves,
2571 premium writings, insurance in force, and other appropriate criteria;

2572 (ii) the extent to which the insurer's business is diversified among several lines of
2573 insurance;

2574 (iii) the number and size of risks insured in each line of business;

2575 (iv) the extent of the geographical dispersion of the insurer's insured risks;

2576 (v) the nature and extent of the insurer's reinsurance program;

2577 (vi) the quality, diversification, and liquidity of the insurer's investment portfolio;

2578 (vii) the recent past and projected future trend in the size of the insurer's investment
2579 portfolio;

2580 (viii) the surplus as regards policyholders maintained by other comparable insurers;

2581 (ix) the adequacy of the insurer's reserves; and

2582 (x) the quality and liquidity of investments in affiliates.

2583 (b) The commissioner may treat an investment described in Subsection (4)(a)(x) as a
2584 disallowed asset for purposes of determining the adequacy of surplus as regards policyholders
2585 whenever in the judgment of the commissioner the investment so warrants.

2586 Section 12. Section **31A-16-109** is amended to read:

2587 **31A-16-109. Confidentiality of information obtained by commissioner.**

2588 (1) (a) Documents, materials, or information obtained by or disclosed to the
2589 commissioner or any other person in the course of an examination or investigation made under
2590 Section [31A-16-107.5](#), and all information reported or provided to the department under
2591 Section [31A-16-105](#) or [31A-16-108.6](#), is proprietary, contains trade secrets, and is confidential.

2594 person without the permission of the insurer, except the confidential document, material, or
2595 information may be provided to the insurance departments of other states, without the prior
2596 written consent of the insurer to which the confidential document, material, or information
2597 pertains.

2598 (c) The commissioner shall maintain the confidentiality of the following received in

2599 accordance with Section 31A-16-105 from an insurance holding company supervised by the
 2600 Federal Reserve Board or any United States group-wide supervisor:

2602 (ii) a group capital ratio produced within the group capital calculation; or

2603 (iii) group capital information.

2604 (d) The commissioner shall maintain the confidentiality of the liquidity stress test
 2605 results, supporting disclosures, and any liquidity stress test information received in accordance
 2606 with Section 31A-16-105 from an insurance holding company supervised by the Federal
 2607 Reserve Board and non-United States group-wide supervisors.

2608 (2) The commissioner and any person who receives documents, materials, or other
 2609 information while acting under the authority of the commissioner or with whom the
 2610 documents, materials, or other information are shared pursuant to this chapter shall keep
 2611 confidential any confidential documents, materials, or information subject to Subsection (1).

2612 (3) ~~(a)~~ To assist in the performance of the commissioner's duties, the commissioner:

 2625 material, or information reported pursuant to Section 31A-16-105 or 31A-16-108.6 with a

 2627 and who has agreed in writing not to disclose the documents, material, or information;

2628 ~~(iii)~~ (c) may receive documents, materials, proprietary and trade secret information,

2660 (4) The sharing of information by the commissioner pursuant to this chapter does not

2661 constitute a delegation of regulatory authority or rulemaking, and the commissioner is solely
2662 responsible for the administration, execution, and enforcement of this chapter.

2663 (5) A waiver of any applicable claim of confidentiality in the documents, materials, or
2664 information does not occur as a result of disclosure to the commissioner under this section or
2665 as a result of sharing as authorized in Subsection (3).

2666 (6) Documents, materials, or other information in the possession or control of the
2667 [~~National Association of Insurance Commissioners~~] NAIC pursuant to this chapter are:

2668 (a) confidential, not public records, and not open to public inspection; and

2669 (b) not subject to Title 63G, Chapter 2, Government Records Access and Management
2670 Act.

2671 (7) (a) The group capital calculation, including the resulting group capital ratio, and the
2672 liquidity stress test, including the liquidity stress test results and supporting disclosures, are:

3055 (III) a dependent of a named insured.

3056 (2) (a) Underinsured motorist coverage under Subsection [31A-22-302\(1\)\(c\)](#) provides
3057 coverage for a covered person who is legally entitled to recover damages from an owner or
3058 operator of an underinsured motor vehicle because of bodily injury, sickness, disease, or death.

3059 (b) A covered person occupying or using a motor vehicle owned, leased, or furnished
3060 to the covered person, the covered person's spouse, or covered person's resident relative may
3061 recover underinsured benefits only if the motor vehicle is:

3062 (i) described in the policy under which a claim is made; or

3063 (ii) a newly acquired or replacement motor vehicle covered under the terms of the

3064 policy.

3065 (3) (a) For purposes of this Subsection (3), "new policy" means:

3066 (i) any policy that is issued that does not include a renewal or reinstatement of an
3067 existing policy; or

3068 (ii) a change to an existing policy that results in:

3069 (A) a named insured being added to or deleted from the policy; or

3070 (B) a change in the limits of the named insured's motor vehicle liability coverage.

3071 (b) For new policies written on or after January 1, 2001, the limits of underinsured
3072 motorist coverage shall be equal to the lesser of the limits of the named insured's motor vehicle
3073 liability coverage or the maximum underinsured motorist coverage limits available by the
3074 insurer under the named insured's motor vehicle policy, unless a named insured rejects or
3075 purchases coverage in a lesser amount by signing an acknowledgment form that:

3076 (i) is filed with the department;

3077 (ii) is provided by the insurer;

3078 (iii) waives the higher coverage;

3079 (iv) need only state in this or similar language that "underinsured motorist coverage
3080 provides benefits or protection to you and other covered persons for bodily injury resulting
3081 from an accident caused by the fault of another party where the other party has insufficient
3082 liability insurance"; and

3083 (v) discloses the additional premiums required to purchase underinsured motorist
3084 coverage with limits equal to the lesser of the limits of the named insured's motor vehicle
3085 liability coverage or the maximum underinsured motorist coverage limits available by the
3086 insurer under the named insured's motor vehicle policy.

3087 (c) Any selection or rejection under Subsection (3)(b) continues for that issuer of the
3088 liability coverage until the insured requests, in writing, a change of underinsured motorist
3089 coverage from that liability insurer.

3090 (d) (i) Subsections (3)(b) and (c) apply retroactively to any claim arising on or after
3091 January 1, 2001, for which, as of May 14, 2013, an insured has not made a written demand for
3092 arbitration or filed a complaint in a court of competent jurisdiction.

3093 (ii) The Legislature finds that the retroactive application of Subsections (3)(b) and (c)
3094 clarifies legislative intent and does not enlarge, eliminate, or destroy vested rights.

3095 (e) (i) As used in this Subsection (3)(e), "additional motor vehicle" means a change
3096 that increases the total number of vehicles insured by the policy, and does not include
3097 replacement, substitute, or temporary vehicles.

3098 (ii) The adding of an additional motor vehicle to an existing personal lines or
3099 commercial lines policy does not constitute a new policy for purposes of Subsection (3)(a).

3100 (iii) If an additional motor vehicle is added to a personal lines policy where
3101 underinsured motorist coverage has been rejected, or where underinsured motorist limits are
3102 lower than the named insured's motor vehicle liability limits, the insurer shall provide a notice
3103 to a named insured within 30 days that:

3104 (A) in the same manner described in Subsection (3)(b)(iv), explains the purpose of
3105 underinsured motorist coverage; and

3106 (B) encourages the named insured to contact the insurance company or insurance
3107 producer for quotes as to the additional premiums required to purchase underinsured motorist
3108 coverage with limits equal to the lesser of the limits of the named insured's motor vehicle
3109 liability coverage or the maximum underinsured motorist coverage limits available by the
3110 insurer under the named insured's motor vehicle policy.

3111 (f) A change in policy number resulting from any policy change not identified under
3112 Subsection (3)(a)(ii) does not constitute a new policy.

3113 (g) (i) Subsection (3)(a) applies retroactively to any claim arising on or after January 1,
3114 2001 for which, as of May 1, 2012, an insured has not made a written demand for arbitration or
3115 filed a complaint in a court of competent jurisdiction.

3116 (ii) The Legislature finds that the retroactive application of Subsection (3)(a):

3117 (A) does not enlarge, eliminate, or destroy vested rights; and

3118 (B) clarifies legislative intent.

3119 (h) A self-insured, including a governmental entity, may elect to provide underinsured
3120 motorist coverage in an amount that is less than its maximum self-insured retention under
3121 Subsections (3)(b) and (l) by issuing a declaratory memorandum or policy statement from the
3122 chief financial officer or chief risk officer that declares the:

3123 (i) self-insured entity's coverage level; and

3124 (ii) process for filing an underinsured motorist claim.

3125 (i) Underinsured motorist coverage may not be sold with limits that are less than:

- 3126 (i) \$10,000 for one person in any one accident; and
3127 (ii) at least \$20,000 for two or more persons in any one accident.
3128 (j) An acknowledgment under Subsection (3)(b) continues for that issuer of the
3129 underinsured motorist coverage until the named insured, in writing, requests different
3130 underinsured motorist coverage from the insurer.
- 3131 (k) (i) The named insured's underinsured motorist coverage, as described in Subsection
3132 (2), is secondary to the liability coverage of an owner or operator of an underinsured motor
3133 vehicle, as described in Subsection (1).
- 3134 (ii) Underinsured motorist coverage may not be set off against the liability coverage of
3135 the owner or operator of an underinsured motor vehicle, but shall be added to, combined with,
3136 or stacked upon the liability coverage of the owner or operator of the underinsured motor
3137 vehicle to determine the limit of coverage available to the injured person.
- 3138 (l) (i) In conjunction with the first two renewal notices sent after January 1, 2001, for
3139 policies existing on that date, the insurer shall disclose in the same medium as the premium
3140 renewal notice, an explanation of:
- 3141 (A) the purpose of underinsured motorist coverage in the same manner as described in
3142 Subsection (3)(b)(iv); and
- 3143 (B) a disclosure of the additional premiums required to purchase underinsured motorist
3144 coverage with limits equal to the lesser of the limits of the named insured's motor vehicle
3145 liability coverage or the maximum underinsured motorist coverage limits available by the
3146 insurer under the named insured's motor vehicle policy.
- 3147 (ii) The disclosure required under this Subsection (3)(l) shall be sent to all named
3148 insureds that carry underinsured motorist coverage limits in an amount less than the named
3149 insured's motor vehicle liability policy limits or the maximum underinsured motorist coverage
3150 limits available by the insurer under the named insured's motor vehicle policy.
- 3151 (m) For purposes of this Subsection (3), a notice or disclosure sent to a named insured
3152 in a household constitutes notice or disclosure to all insureds within the household.
- 3153 (4) (a) (i) Except as provided in this Subsection (4), a covered person injured in a
3154 motor vehicle described in a policy that includes underinsured motorist benefits may not elect
3155 to collect underinsured motorist coverage benefits from another motor vehicle insurance policy.
- 3156 (ii) The limit of liability for underinsured motorist coverage for two or more motor

3157 vehicles may not be added together, combined, or stacked to determine the limit of insurance
3158 coverage available to an injured person for any one accident.

3159 (iii) Subsection (4)(a)(ii) applies to all persons except a covered person described
3160 under Subsections (4)(b)(i) and (ii).

3161 (b) (i) A covered person injured as a pedestrian by an underinsured motor vehicle may
3162 recover underinsured motorist benefits under any one other policy in which they are described
3163 as a covered person.

3164 (ii) Except as provided in Subsection (4)(b)(iii), a covered person injured while
3165 occupying, using, or maintaining a motor vehicle that is not owned, leased, or furnished to the
3166 covered person, the covered person's spouse, or the covered person's resident parent or resident
3167 sibling, may also recover benefits under any one other policy under which the covered person is
3168 also a covered person.

3169 (iii) (A) A covered person may recover benefits from no more than two additional
3170 policies, one additional policy from each parent's household if the covered person is:

3171 (I) a dependent minor of parents who reside in separate households; and

3172 (II) injured while occupying or using a motor vehicle that is not owned, leased, or
3173 furnished to the covered person, the covered person's resident parent, or the covered person's
3174 resident sibling.

3175 (B) Each parent's policy under this Subsection (4)(b)(iii) is liable only for the
3176 percentage of the damages that the limit of liability of each parent's policy of underinsured
3177 motorist coverage bears to the total of both parents' underinsured coverage applicable to the
3178 accident.

3179 (iv) A covered person's recovery under any available policies may not exceed the full
3180 amount of damages.

3181 (v) Underinsured coverage on a motor vehicle occupied at the time of an accident is
3182 primary coverage, and the coverage elected by a person described under Subsections
3183 [31A-22-305\(1\)\(a\), \(b\), and \(c\)](#) is secondary coverage.

3184 (vi) The primary and the secondary coverage may not be set off against the other.

3185 (vii) A covered person as described under Subsection (4)(b)(i) or is entitled to the
3186 highest limits of underinsured motorist coverage under only one additional policy per
3187 household applicable to that covered person as a named insured, spouse, or relative.

3188 (viii) A covered injured person is not barred against making subsequent elections if
3189 recovery is unavailable under previous elections.

3190 (ix) (A) As used in this section, "interpolicy stacking" means recovering benefits for a
3191 single incident of loss under more than one insurance policy.

3192 (B) Except to the extent permitted by this Subsection (4), interpolicy stacking is
3193 prohibited for underinsured motorist coverage.

3194 (c) Underinsured motorist coverage:

3195 (i) does not cover any benefit paid or payable under Title 34A, Chapter 2, Workers'
3196 Compensation Act, except that the covered person is credited an amount described in
3197 Subsection [34A-2-106\(5\)](#);

3198 (ii) may not be subrogated by a workers' compensation insurance carrier;

3199 (iii) may not be reduced by benefits provided by workers' compensation insurance;

3200 (iv) may be reduced by health insurance subrogation only after the covered person is
3201 made whole;

3202 (v) may not be collected for bodily injury or death sustained by a person:

3203 (A) while committing a violation of Section [41-1a-1314](#);

3204 (B) who, as a passenger in a vehicle, has knowledge that the vehicle is being operated
3205 in violation of Section [41-1a-1314](#); or

3206 (C) while committing a felony; and

3207 (vi) notwithstanding Subsection (4)(c)(v), may be recovered:

3208 (A) for a person [~~under 18 years of age~~] younger than 18 years old who is injured
3209 within the scope of Subsection (4)(c)(v), but is limited to medical and funeral expenses; or

3210 (B) by a law enforcement officer as defined in Section [53-13-103](#), who is injured
3211 within the course and scope of the law enforcement officer's duties.

3212 (5) The inception of the loss under Subsection [31A-21-313\(1\)](#) for underinsured
3213 motorist claims occurs upon the date of the last liability policy payment.

3214 (6) An underinsured motorist insurer does not have a right of reimbursement against a
3215 person liable for the damages resulting from an injury-causing occurrence if the person's
3216 liability insurer has tendered the policy limit and the limits have been accepted by the claimant.

3217 (7) Except as otherwise provided in this section, a covered person may seek, subject to
3218 the terms and conditions of the policy, additional coverage under any policy:

- 3219 (a) that provides coverage for damages resulting from motor vehicle accidents; and
3220 (b) that is not required to conform to Section 31A-22-302.
- 3221 (8) (a) When a claim is brought by a named insured or a person described in
3222 Subsection 31A-22-305(1) and is asserted against the covered person's underinsured motorist
3223 carrier, the claimant may elect to resolve the claim:
- 3224 (i) by submitting the claim to binding arbitration; or
3225 (ii) through litigation.
- 3226 (b) Unless otherwise provided in the policy under which underinsured benefits are
3227 claimed, the election provided in Subsection (8)(a) is available to the claimant only, except that
3228 if the policy under which insured benefits are claimed provides that either an insured or the
3229 insurer may elect arbitration, the insured or the insurer may elect arbitration and that election to
3230 arbitrate shall stay the litigation of the claim under Subsection (8)(a)(ii).
- 3231 (c) Once a claimant elects to commence litigation under Subsection (8)(a)(ii), the
3232 claimant may not elect to resolve the claim through binding arbitration under this section
3233 without the written consent of the underinsured motorist coverage carrier.
- 3234 (d) For purposes of the statute of limitations applicable to a claim described in
3235 Subsection (8)(a), if the claimant does not elect to resolve the claim through litigation, the
3236 claim is considered filed when the claimant submits the claim to binding arbitration in
3237 accordance with this Subsection (8).
- 3238 (e) (i) Unless otherwise agreed to in writing by the parties, a claim that is submitted to
3239 binding arbitration under Subsection (8)(a)(i) shall be resolved by a single arbitrator.
- 3240 (ii) All parties shall agree on the single arbitrator selected under Subsection (8)(e)(i).
3241 (iii) If the parties are unable to agree on a single arbitrator as required under Subsection
3242 (8)(e)(ii), the parties shall select a panel of three arbitrators.
- 3243 (f) If the parties select a panel of three arbitrators under Subsection (8)(e)(iii):
3244 (i) each side shall select one arbitrator; and
3245 (ii) the arbitrators appointed under Subsection (8)(f)(i) shall select one additional
3246 arbitrator to be included in the panel.
- 3247 (g) Unless otherwise agreed to in writing:
3248 (i) each party shall pay an equal share of the fees and costs of the arbitrator selected
3249 under Subsection (8)(e)(i); or

3250 (ii) if an arbitration panel is selected under Subsection (8)(e)(iii):
3251 (A) each party shall pay the fees and costs of the arbitrator selected by that party; and
3252 (B) each party shall pay an equal share of the fees and costs of the arbitrator selected
3253 under Subsection (8)(f)(ii).

3254 (h) Except as otherwise provided in this section or unless otherwise agreed to in
3255 writing by the parties, an arbitration proceeding conducted under this section is governed by
3256 Title 78B, Chapter 11, Utah Uniform Arbitration Act.

3257 (i) (i) The arbitration shall be conducted in accordance with Rules 26(a)(4) through (f),
3258 27 through 37, 54, and 68 of the Utah Rules of Civil Procedure, once the requirements of
3259 Subsections (9)(a) through (c) are satisfied.

3260 (ii) The specified tier as defined by Rule 26(c)(3) of the Utah Rules of Civil Procedure
3261 shall be determined based on the claimant's specific monetary amount in the written demand
3262 for payment of uninsured motorist coverage benefits as required in Subsection (9)(a)(i)(A).

3263 (iii) Rules 26.1 and 26.2 of the Utah Rules of Civil Procedure do not apply to
3264 arbitration claims under this part.

3265 (j) An issue of discovery shall be resolved by the arbitrator or the arbitration panel.

3266 (k) A written decision by a single arbitrator or by a majority of the arbitration panel
3267 constitutes a final decision.

3268 (l) (i) Except as provided in Subsection (9), the amount of an arbitration award may not
3269 exceed the underinsured motorist policy limits of all applicable underinsured motorist policies,
3270 including applicable underinsured motorist umbrella policies.

3271 (ii) If the initial arbitration award exceeds the underinsured motorist policy limits of all
3272 applicable underinsured motorist policies, the arbitration award shall be reduced to an amount
3273 equal to the combined underinsured motorist policy limits of all applicable underinsured
3274 motorist policies.

3275 (m) The arbitrator or arbitration panel may not decide an issue of coverage or
3276 extra-contractual damages, including:

3277 (i) whether the claimant is a covered person;

3278 (ii) whether the policy extends coverage to the loss; or

3279 (iii) an allegation or claim asserting consequential damages or bad faith liability.

3280 (n) The arbitrator or arbitration panel may not conduct arbitration on a class-wide or

3281 class-representative basis.

3282 (o) If the arbitrator or arbitration panel finds that the arbitration is not brought, pursued,
3283 or defended in good faith, the arbitrator or arbitration panel may award reasonable attorney fees
3284 and costs against the party that failed to bring, pursue, or defend the arbitration in good faith.

3285 (p) An arbitration award issued under this section shall be the final resolution of all
3286 claims not excluded by Subsection (8)(m) between the parties unless:

3287 (i) the award is procured by corruption, fraud, or other undue means; or

3288 (ii) either party, within 20 days after service of the arbitration award:

3289 (A) files a complaint requesting a trial de novo in the district court; and

3290 (B) serves the nonmoving party with a copy of the complaint requesting a trial de novo
3291 under Subsection (8)(p)(ii)(A).

3292 (q) (i) Upon filing a complaint for a trial de novo under Subsection (8)(p), a claim shall
3293 proceed through litigation pursuant to the Utah Rules of Civil Procedure and Utah Rules of
3294 Evidence in the district court.

3295 (ii) In accordance with Rule 38, Utah Rules of Civil Procedure, either party may
3296 request a jury trial with a complaint requesting a trial de novo under Subsection (8)(p)(ii)(A).

3297 (r) (i) If the claimant, as the moving party in a trial de novo requested under Subsection
3298 (8)(p), does not obtain a verdict that is at least \$5,000 and is at least 20% greater than the
3299 arbitration award, the claimant is responsible for all of the nonmoving party's costs.

3300 (ii) If the underinsured motorist carrier, as the moving party in a trial de novo requested
3301 under Subsection (8)(p), does not obtain a verdict that is at least 20% less than the arbitration
3302 award, the underinsured motorist carrier is responsible for all of the nonmoving party's costs.

3303 (iii) Except as provided in Subsection (8)(r)(iv), the costs under this Subsection (8)(r)
3304 shall include:

3305 (A) any costs set forth in Rule 54(d), Utah Rules of Civil Procedure; and

3306 (B) the costs of expert witnesses and depositions.

3307 (iv) An award of costs under this Subsection (8)(r) may not exceed \$2,500 unless
3308 Subsection (9)(h)(iii) applies.

3309 (s) For purposes of determining whether a party's verdict is greater or less than the
3310 arbitration award under Subsection (8)(r), a court may not consider any recovery or other relief
3311 granted on a claim for damages if the claim for damages:

3312 (i) was not fully disclosed in writing prior to the arbitration proceeding; or
3313 (ii) was not disclosed in response to discovery contrary to the Utah Rules of Civil
3314 Procedure.

3315 (t) If a district court determines, upon a motion of the nonmoving party, that a moving
3316 party's use of the trial de novo process is filed in bad faith in accordance with Section
3317 78B-5-825, the district court may award reasonable attorney fees to the nonmoving party.

3318 (u) Nothing in this section is intended to limit a claim under another portion of an
3319 applicable insurance policy.

3320 (v) If there are multiple underinsured motorist policies, as set forth in Subsection (4),
3321 the claimant may elect to arbitrate in one hearing the claims against all the underinsured
3322 motorist carriers.

3323 (9) (a) Within 30 days after a covered person elects to submit a claim for underinsured
3324 motorist benefits to binding arbitration or files litigation, the covered person shall provide to
3325 the underinsured motorist carrier:

3326 (i) a written demand for payment of underinsured motorist coverage benefits, setting
3327 forth:

3328 (A) subject to Subsection (9)(l), the specific monetary amount of the demand,
3329 including a computation of the covered person's claimed past medical expenses, claimed past
3330 lost wages, and all other claimed past economic damages; and

3331 (B) the factual and legal basis and any supporting documentation for the demand;

3332 (ii) a written statement under oath disclosing:

3333 (A) (I) the names and last known addresses of all health care providers who have
3334 rendered health care services to the covered person that are material to the claims for which the
3335 underinsured motorist benefits are sought for a period of five years preceding the date of the
3336 event giving rise to the claim for underinsured motorist benefits up to the time the election for
3337 arbitration or litigation has been exercised; and

3338 (II) the names and last known addresses of the health care providers who have rendered
3339 health care services to the covered person, which the covered person claims are immaterial to
3340 the claims for which underinsured motorist benefits are sought, for a period of five years
3341 preceding the date of the event giving rise to the claim for underinsured motorist benefits up to
3342 the time the election for arbitration or litigation has been exercised that have not been disclosed

3343 under Subsection (9)(a)(ii)(A)(I);

3344 (B) (I) the names and last known addresses of all health insurers or other entities to
3345 whom the covered person has submitted claims for health care services or benefits material to
3346 the claims for which underinsured motorist benefits are sought, for a period of five years
3347 preceding the date of the event giving rise to the claim for underinsured motorist benefits up to
3348 the time the election for arbitration or litigation has been exercised; and

3349 (II) the names and last known addresses of the health insurers or other entities to whom
3350 the covered person has submitted claims for health care services or benefits, which the covered
3351 person claims are immaterial to the claims for which underinsured motorist benefits are sought,
3352 for a period of five years preceding the date of the event giving rise to the claim for
3353 underinsured motorist benefits up to the time the election for arbitration or litigation have not
3354 been disclosed;

3355 (C) if lost wages, diminished earning capacity, or similar damages are claimed, all
3356 employers of the covered person for a period of five years preceding the date of the event
3357 giving rise to the claim for underinsured motorist benefits up to the time the election for
3358 arbitration or litigation has been exercised;

3359 (D) other documents to reasonably support the claims being asserted; and

3360 (E) all state and federal statutory lienholders including a statement as to whether the
3361 covered person is a recipient of Medicare or Medicaid benefits or Utah Children's Health
3362 Insurance Program benefits under Title 26, Chapter 40, Utah Children's Health Insurance Act,
3363 or if the claim is subject to any other state or federal statutory liens; and

3364 (iii) signed authorizations to allow the underinsured motorist carrier to only obtain
3365 records and billings from the individuals or entities disclosed under Subsections
3366 (9)(a)(ii)(A)(I), (B)(I), and (C).

3367 (b) (i) If the underinsured motorist carrier determines that the disclosure of undisclosed
3368 health care providers or health care insurers under Subsection (9)(a)(ii) is reasonably necessary,
3369 the underinsured motorist carrier may:

3370 (A) make a request for the disclosure of the identity of the health care providers or
3371 health care insurers; and

3372 (B) make a request for authorizations to allow the underinsured motorist carrier to only
3373 obtain records and billings from the individuals or entities not disclosed.

3374 (ii) If the covered person does not provide the requested information within 10 days:

3375 (A) the covered person shall disclose, in writing, the legal or factual basis for the
3376 failure to disclose the health care providers or health care insurers; and

3377 (B) either the covered person or the underinsured motorist carrier may request the
3378 arbitrator or arbitration panel to resolve the issue of whether the identities or records are to be
3379 provided if the covered person has elected arbitration.

3380 (iii) The time periods imposed by Subsection (9)(c)(i) are tolled pending resolution of
3381 the dispute concerning the disclosure and production of records of the health care providers or
3382 health care insurers.

3383 (c) (i) An underinsured motorist carrier that receives an election for arbitration or a
3384 notice of filing litigation and the demand for payment of underinsured motorist benefits under
3385 Subsection (9)(a)(i) shall have a reasonable time, not to exceed 60 days from the date of the
3386 demand and receipt of the items specified in Subsections (9)(a)(i) through (iii), to:

3387 (A) provide a written response to the written demand for payment provided for in
3388 Subsection (9)(a)(i);

3389 (B) except as provided in Subsection (9)(c)(i)(C), tender the amount, if any, of the
3390 underinsured motorist carrier's determination of the amount owed to the covered person; and

3391 (C) if the covered person is a recipient of Medicare or Medicaid benefits or Utah
3392 Children's Health Insurance Program benefits under Title 26, Chapter 40, Utah Children's
3393 Health Insurance Act, or if the claim is subject to any other state or federal statutory liens,
3394 tender the amount, if any, of the underinsured motorist carrier's determination of the amount
3395 owed to the covered person less:

3396 (I) if the amount of the state or federal statutory lien is established, the amount of the
3397 lien; or

3398 (II) if the amount of the state or federal statutory lien is not established, two times the
3399 amount of the medical expenses subject to the state or federal statutory lien until such time as
3400 the amount of the state or federal statutory lien is established.

3401 (ii) If the amount tendered by the underinsured motorist carrier under Subsection
3402 (9)(c)(i) is the total amount of the underinsured motorist policy limits, the tendered amount
3403 shall be accepted by the covered person.

3404 (d) A covered person who receives a written response from an underinsured motorist

3405 carrier as provided for in Subsection (9)(c)(i), may:

3406 (i) elect to accept the amount tendered in Subsection (9)(c)(i) as payment in full of all
3407 underinsured motorist claims; or

3408 (ii) elect to:

3409 (A) accept the amount tendered in Subsection (9)(c)(i) as partial payment of all
3410 underinsured motorist claims; and
