49 *Be it enacted by the Legislature of the state of Utah:*

50 Section 1. Section **53E-10-703** is amended to read:

51 **53E-10-703. ULEAD director -- Qualification and employment -- Duties --**

52 **Reporting -- Annual conference.**

53 (1) The ULEAD director shall:

54 (a) (i) hold a doctorate degree in education or an equivalent degree; and

55 (ii) have demonstrated experience in research and dissemination of best practices in

56 education; and

57 (b) (i) be a full-time employee; and

58 (ii) report to the state superintendent.

- 59 (2) The state superintendent shall:
- 60 (a) evaluate the director's performance annually;
- 61 (b) report on the director's performance to the selection committee; and
- 62 (c) provide space for the director and the director's staff.
- 63 (3) The director may hire staff, using only money specifically appropriated to ULEAD.
- 64 (4) The director shall perform the following duties and functions:
- 65 (a) gather current research on innovative and effective practices in K-12 education for
- 66 use by policymakers and practitioners;
- 67 (b) facilitate collaboration between LEAs, higher education researchers, and
- 68 practitioners by:
- 69 (i) sharing innovative and effective practices shown to improve student learning;
- 70 (ii) identifying experts in specific areas of practice; and
- 71 (iii) maintaining a research clearinghouse and directory of researchers; and
- 72 (c) analyze barriers to replication or adaption of innovative and successful practices
- 73 studied by ULEAD or contributed to the ULEAD research clearinghouse.
- 74 (5) The director shall:
- 75 (a) prioritize reports and other research based on recommendations of the steering
- 76 committee in accordance with Subsection [53E-10-707\(5\)](#), and after consulting with individuals
- 77 described in Subsection [53E-10-707\(6\)](#);
- 78 (b) identify Utah LEAs, or schools outside the public school system, that are:
- 79 (i) innovative in specific areas of practice; and
- 80 (ii) more effective or efficient than comparable LEAs in improving student learning;
- 81 (c) establish criteria for innovative practice reports to be performed by participating
- 82 institutions and included in the research clearinghouse, including report templates;
- 83 (d) arrange with participating institutions to generate innovative practice reports on
- 84 effective and innovative K-12 education practices; and
- 85 (e) (i) disseminate each innovative practice report to LEAs; and
- 86 (ii) publish innovative practice reports on the ULEAD website.
- 87 (6) In an innovative practice report, a participating institution shall:
- 88 (a) include or reference a review of research regarding the practice in which the subject
- 89 LEA has demonstrated success;

90 (b) identify through academically acceptable, evidence-based research methods the  
91 causes of the LEA's successful practice;

92 (c) identify opportunities for LEAs to adopt or customize innovative or best practices;

93 (d) address limitations to successful replication or adaptation of the successful practice  
94 by other LEAs, which may include barriers arising from federal or state law, state or LEA  
95 policy, socioeconomic conditions, or funding limitations;

96 (e) include practical templates for successful replication and adaptation of successful  
97 practices, following criteria established by the director;

98 (f) identify experts in the successful practice that is the subject of the innovative  
99 practice report, including teachers or administrators at the subject LEA; and

100 (g) include:

101 (i) an executive summary describing the innovative practice report; and

102 (ii) a video component or other elements designed to ensure that an innovative practice  
103 report is readily understandable by practitioners.

104 (7) (a) The director may, if requested by an LEA leader or policymaker, conduct an  
105 evidence-based review of a possible innovation in an area of practice.

106 (b) The director shall:

107 (i) review the performance of an innovation program, as defined in Section  
108 53G-10-601, to determine the extent to which the learning and performance of students in an  
109 opportunity class, as defined in Section 53G-10-601, met the criteria established in the  
110 innovation program; and

111 (ii) report on the director's findings under Subsection (7)(b)(i):

112 (A) to the LEA governing board that approved the innovation program; and

113 (B) within 30 days after the completion of the school year during which the opportunity  
114 class was functioning.

115 (8) The director may also accept innovative practice reports from trained practitioners  
116 that meet the criteria set by the director.

117 (9) The director or a participating institution, to enable successful replication or  
118 adaption of successful practices, may recommend to:

119 (a) the Legislature, amendments to state law; or

120 (b) the state board, revisions to state board rule, made in accordance with Title 63G,

121 Chapter 3, Utah Administrative Rulemaking Act, or policy.

122 (10) The director shall:

123 (a) report on the activities of ULEAD annually to the state board; and

124 (b) provide reports or other information to the state board upon state board request.

125 (11) The director shall:

126 (a) prepare an annual report on ULEAD research and other activities;

127 (b) submit the report in accordance with Section 53E-1-201 and 53E-1-202;

128 (c) publish the annual report on the ULEAD website; and

129 (d) disseminate the report to LEAs through electronic channels.

130 (12) The director shall facilitate and conduct an annual conference on successful and  
131 innovative K-12 education practices, featuring:

132 (a) Utah education leaders; and

133 (b) practitioners and researchers, chosen by the director, to discuss the subjects of LEA  
134 and other ULEAD activities, or other innovative and successful education practices.

135 Section 2. Section 53G-10-601 is enacted to read:

136 **Part 6. Education Innovation Program**

137 **53G-10-601. Definitions.**

138 As used in this part:

139 (1) "Alternative classroom schedule" means a classroom schedule that is different than  
140 the schedule followed by other classrooms in the applicable school or LEA.

141 (2) "Alternative curriculum" means curriculum in one or more subject areas that is  
142 different than the standard state-board approved or required curriculum offered in the subject  
143 area or areas in the applicable school or LEA.

144 (3) "Applicable school or LEA" means the school or LEA in which an innovation  
145 program is proposed or implemented.

146 (4) "Innovation grant" means a grant of money under Section 53G-10-608 to pay for  
147 some or all innovation program costs.

148 (5) "Innovation program" means a program establishing an alternative classroom  
149 schedule or an alternative curriculum, or both.

150 (6) "Innovation program application" means an application:

151 (a) proposing the implementation of an innovation program; and

152 (b) submitted under Section 53G-10-603 to the LEA governing board for the LEA in  
153 which the innovation program is proposed.

154 (7) "Innovation program costs" means costs occasioned by an innovation program that  
155 exceed costs of a class that is not subject to an innovation program.

156 (8) "K-12" means kindergarten through grade 12.

157 (9) "Opportunity class" means a school class within the public education system that  
158 implements an innovation program.

159 (10) "Participating student" means a K-12 student who participates in an opportunity  
160 class under an approved innovation program.

161 Section 3. Section 53G-10-602 is enacted to read:

162 **53G-10-602. Establishment of innovation program -- LEA governing board**  
163 **approval -- Parental consent required.**

164 (1) An innovation program may be established for a K-12 class as provided in this part  
165 if the innovation program is approved by the LEA governing board for the LEA in which the  
166 proposed innovation program is to be implemented.

167 (2) A public school teacher may submit an innovation program application to the LEA  
168 governing board for the LEA of the class or school in which the teacher proposes to implement  
169 an innovation program.

170 (3) Before submitting an innovation program application, the public school teacher  
171 intending to submit the innovation program application shall obtain the written consent  
172 described in Section 53G-10-603 signed by parents of at least 20 prospective participating  
173 students.

174 (4) An innovation program application shall be submitted no less than 90 days before  
175 the beginning of student registration for the school year for which the innovation program is  
176 proposed.

177 (5) (a) An LEA governing board shall approve or deny an innovation program  
178 application within 60 days after the application is submitted.

179 (b) An LEA governing board may approve an innovation program application subject  
180 to modifications or additional terms that the LEA governing board determines appropriate.

181 (6) An innovation program may be renewed for another school year if:

182 (a) the teacher in the opportunity class requests renewal;

183 (b) the teacher submits with the renewal request the written consent described in  
184 Section 53G-10-603 signed by parents of at least 20 prospective participating students; and

185 (c) the LEA governing board approves the renewal.

186 Section 4. Section **53G-10-603** is enacted to read:

187 **53G-10-603. Parental consent for student participating in opportunity class.**

188 (1) A parent of a K-12 student may give the parent's consent for the student to  
189 participate in an opportunity class by submitting the parent's written and signed consent, as  
190 described in Subsection (2), to the public school teacher who proposes to submit an innovation  
191 program application.

192 (2) (a) A public school teacher who intends to submit an innovation program  
193 application shall provide a consent form to a parent of a prospective participating student.

194 (b) A form by which a parent consents to the enrollment of the parent's child in an  
195 opportunity class shall contain:

196 (i) the name and a summary of the credentials of each teacher and other staff member  
197 who will be teaching or working in the opportunity class;

198 (ii) an explanation that the opportunity class is experimental in nature and may not  
199 receive approval to continue beyond the school year for which the innovation program is  
200 approved;

201 (iii) a description of the alternative curriculum and alternative classroom schedule, as  
202 applicable, that the innovation program application intends to seek approval for;

203 (iv) a description of how, when, and where the opportunity class instruction will take  
204 place and whether the instruction will include in-person, virtual, or hybrid components;

205 (v) if the innovation application intends to include a proposed alternative curriculum, a  
206 description of:

207 (A) the alternative curriculum and the instructional materials to be used in the  
208 opportunity class; and

209 (B) the outcomes the opportunity class using the alternative curriculum is designed to  
210 achieve; and

211 (vi) a statement accompanying the parent's signature indicating that the parent has read  
212 the explanation of the opportunity class contained in the consent form and understands the  
213 experimental nature of the opportunity class.

214 Section 5. Section **53G-10-604** is enacted to read:

215 **53G-10-604. Innovation program application -- Requirements.**

216 (1) An innovation program application shall include:

217 (a) the name and a summary of the credentials of each teacher and other staff member  
218 who will be teaching or working in the opportunity class;

219 (b) the name of each student whose parent has submitted a consent form consenting to  
220 the student becoming a participating student;

221 (c) a description of the alternative curriculum and alternative classroom schedule, as  
222 applicable, that the innovation program application seeks approval for;

223 (d) a description of how, when, and where the opportunity class instruction will take  
224 place and whether the instruction will include in-person, virtual, or hybrid components;

225 (e) any other innovative curriculum or classroom schedule adjustments intended to be  
226 incorporated into the opportunity class to enhance the learning, performance, and educational  
227 experience of participating students;

228 (f) criteria for measuring student learning and performance;

229 (g) an explanation of the assessment of the innovation program as provided in Section  
230 [53G-10-607](#);

231 (h) if the innovation application includes a proposed alternative curriculum, a  
232 description of:

233 (i) the alternative curriculum and the instructional materials to be used in the  
234 opportunity class; and

235 (ii) the outcomes the opportunity class using the alternative curriculum is designed to  
236 achieve;

237 (i) any additional funding needed to cover innovation program costs; and

238 (j) participating students' proposed access to or use of the transportation services,  
239 playground facilities, cafeteria facilities, after-school or extra-curricular activities, special  
240 education services, and other facilities, activities, or services normally provided by the  
241 applicable school or LEA.

242 (2) An innovation program application that proposes an alternative curriculum may  
243 include a proposal for a different curriculum or an innovative delivery of curriculum.

244 (3) An innovation program application that proposes an alternative classroom schedule

245 may include a proposal for a different classroom schedule that includes options for:

246 (a) different requirements for in-person, virtual, or hybrid instruction; and

247 (b) different provisions for length of student attendance at in-person, virtual, or hybrid  
248 instruction.

249 (4) An innovation program application may include a request for an innovation grant.

250 Section 6. Section **53G-10-605** is enacted to read:

251 **53G-10-605. Alternative curriculum and alternative classroom schedule**  
252 **provisions.**

253 (1) An alternative curriculum in an elementary school shall include English,  
254 mathematics, science, or history and social science.

255 (2) If requested in an innovation program application that the LEA governing board  
256 approves, a school in which an opportunity class is proposed to be located shall provide the  
257 opportunity class with a classroom and other equipment and facilities normally provided to a  
258 class within the school.

259 (3) A teacher in an opportunity class may make adjustments to the curriculum or  
260 classroom schedule described in the approved innovation program as implementation of the  
261 innovation program reveals the need or advisability of making adjustments to better meet the  
262 needs of students or to better achieve the goals and objectives of the innovation program.

263 (4) A student may become a participating student in an opportunity class after the  
264 beginning of a school year during a standard class change period if:

265 (a) the innovation program allows the addition of a participating student during the  
266 school year;

267 (b) the student's parent consents as provided in Section [53G-10-603](#); and

268 (c) the teacher of the opportunity class consents.

269 Section 7. Section **53G-10-606** is enacted to read:

270 **53G-10-606. Provisions applicable to participating students, staff in an**  
271 **opportunity class, innovation programs, and LEAs.**

272 (1) A participating student may use a transportation service offered to students who are  
273 not participating students if:

274 (a) the participating student uses the transportation service on the same basis and at the  
275 same times as the transportation service is offered to students who are not participating

276 students; or

277 (b) the innovation program provides for:

278 (i) the participating student's use of the transportation service; and

279 (ii) payment of the additional cost of the transportation service attributable to the

280 participating student's use of the transportation service.

281 (2) A participating student:

282 (a) shall be enrolled in the LEA where the opportunity class is operating; and

283 (b) is counted as any other student who is not a participating student for purposes of

284 calculating educational funding apportioned to the LEA.

285 (3) (a) A participating student is subject to a state assessment, as defined in Section

286 [53E-4-301](#), to the same extent as a student who is not a participating student.

287 (b) The results of state assessment taken by participating students may not be included

288 in assessment results for the school or LEA unless the test results are required to be included in

289 the school or LEA assessment results by:

290 (i) the approved innovation program; or

291 (ii) applicable law.

292 (4) A teacher or other staff member who teaches or works in an opportunity class:

293 (a) is an employee of the LEA where the opportunity class is located; and

294 (b) shall receive compensation and other benefits available generally to an individual

295 employed in a comparable position in the LEA.

296 (5) An opportunity class shall comply with:

297 (a) provisions of the approved innovation program; and

298 (b) all applicable federal, state, and local laws prohibiting discrimination or governing

299 the safety of students and teachers.

300 (6) An LEA:

301 (a) shall apportion education funds for instructional use of participating students in an

302 amount substantially similar to funds apportioned for instructional use of comparable students

303 who are not participating students; and

304 (b) is responsible to provide to participating students only the services described in the

305 approved innovation program.

306 Section 8. Section **53G-10-607** is enacted to read:

307 **53G-10-607. Assessment of innovation program.**

308 A teacher in an opportunity class shall:

309 (1) monitor the extent to which participating student learning and performance are  
310 consistent with the criteria established in the innovation program;

311 (2) report the results under Subsection (1) to the LEA governing board, as provided in  
312 the approved innovation program; and

313 (3) cooperate with and provide participating student learning and performance data to  
314 the director of ULEAD, as defined in Section [53E-10-701](#), as the director performs the  
315 director's duties under Subsection [53E-10-703\(7\)\(b\)](#).

316 Section 9. Section **53G-10-608** is enacted to read:

317 **53G-10-608. Innovation grants.**

318 (1) An LEA governing board may approve a grant of up to \$5,000 per opportunity class  
319 for the school year if:

320 (a) a request for an innovation grant is included in the innovation application; and

321 (b) the LEA governing board determines that the grant is needed to:

322 (i) cover innovation program costs; and

323 (ii) help fulfill the goals and purposes of the opportunity class.

324 (2) If an LEA governing board approves a request for an innovation grant, the LEA  
325 governing board shall send the state board written notice of the approval and the name of the  
326 teacher who submitted the request for the innovation grant.

327 (3) (a) (i) Upon receipt of the written notice and authorization under Subsection (2), the  
328 state board shall, subject to Subsection (3)(b), disburse the amount of the approved innovation  
329 grant to the LEA governing board.

330 (ii) The LEA governing board shall distribute the money to the teacher of the  
331 opportunity class to cover innovation program costs.

332 (b) (i) Except as provided in Subsection (3)(b)(iii), the maximum amount of money  
333 that the state board may distribute for approved innovation grants is \$500,000 per school year.

334 (ii) If the state board receives a written notice and authorization under Subsection (2)  
335 after already distributing \$500,000 for the school year, the state board shall notify the LEA  
336 governing board that the grant money has been expended for the school year and that the state  
337 board cannot distribute money for the approved innovation grant.

338 (iii) If the state board distributes less than \$500,000 for approved innovation grants for  
339 a school year, the difference between \$500,000 and the amount distributed shall be rolled over  
340 and included in the money available for distribution for approved innovation grants for the  
341 following school year.

342 (4) The state board shall keep and account for all money appropriated for innovation  
343 grants separate from other state board funds.

344 (5) A teacher receiving an innovation grant under this section may not use the money  
345 from the grant for any purpose other than for innovation program costs.

346 (6) Any innovation grant money appropriated to the state board by the Legislature that  
347 the state board has not distributed as provided in this section by June 30, 2027 shall lapse to the  
348 Education Fund.

349 Section 10. Section **63I-1-253** is amended to read:

350 **63I-1-253. Repeal dates, Titles 53 through 53G.**

351 (1) Section **53-2a-105**, which creates the Emergency Management Administration  
352 Council, is repealed July 1, 2022.
