4504 **26B-5-403. Residential and inpatient settings -- Commitment proceeding -- Child**
4505 **in physical custody of local mental health authority.**

4506 (1) A child may receive services from a local mental health authority in an inpatient or
4507 residential setting only after a commitment proceeding, for the purpose of transferring physical
4508 custody, has been conducted in accordance with the requirements of this section.

4509 (2) That commitment proceeding shall be initiated by a petition for commitment, and
4510 shall be a careful, diagnostic inquiry, conducted by a neutral and detached fact finder, pursuant
4511 to the procedures and requirements of this section. If the findings described in Subsection (4)
4512 exist, the proceeding shall result in the transfer of physical custody to the appropriate local
4513 mental health authority, and the child may be placed in an inpatient or residential setting.

4514 (3) The neutral and detached fact finder who conducts the inquiry:

4515 (a) shall be a designated examiner; and

4516 (b) may not profit, financially or otherwise, from the commitment or physical
4517 placement of the child in that setting.

4518 (4) Upon determination by a fact finder that the following circumstances clearly exist,
4519 the fact finder may order that the child be committed to the physical custody of a local mental
4520 health authority:

- 4521 (a) the child has a mental illness;
- 4522 (b) the child demonstrates a reasonable fear of the risk of substantial danger to self or
4523 others;
- 4524 (c) the child will benefit from care and treatment by the local mental health authority;
4525 and
- 4526 (d) there is no appropriate less-restrictive alternative.
- 4527 (5) (a) The commitment proceeding before the neutral and detached fact finder shall be
4528 conducted in as informal manner as possible and in a physical setting that is not likely to have a
4529 harmful effect on the child.
- 4530 (b) The child, the child's parent or legal guardian, the petitioner, and a representative of
4531 the appropriate local mental health authority:
- 4532 (i) shall receive informal notice of the date and time of the proceeding; and
4533 (ii) may appear and address the petition for commitment.
- 4534 (c) The neutral and detached fact finder may, in the fact finder's discretion, receive the
4535 testimony of any other person.
- 4536 (d) The fact finder may allow a child to waive the child's right to be present at the
4537 commitment proceeding, for good cause shown. If that right is waived, the purpose of the
4538 waiver shall be made a matter of record at the proceeding.
- 4539 (e) At the time of the commitment proceeding, the appropriate local mental health
4540 authority, its designee, or the psychiatrist who has been in charge of the child's care prior to the
4541 commitment proceeding, shall provide the neutral and detached fact finder with the following
4542 information, as it relates to the period of current admission:
- 4543 (i) the petition for commitment;
- 4544 (ii) the admission notes;
- 4545 (iii) the child's diagnosis;
- 4546 (iv) physicians' orders;
- 4547 (v) progress notes;
- 4548 (vi) nursing notes; and
- 4549 (vii) medication records.
- 4550 (f) The information described in Subsection (5)(e) shall also be provided to the child's
4551 parent or legal guardian upon written request.

4552 (g) (i) The neutral and detached fact finder's decision of commitment shall state the
4553 duration of the commitment. Any commitment to the physical custody of a local mental health
4554 authority may not exceed 180 days. Prior to expiration of the commitment, and if further
4555 commitment is sought, a hearing shall be conducted in the same manner as the initial
4556 commitment proceeding, in accordance with the requirements of this section.

4557 (ii) At the conclusion of the hearing and subsequently in writing, when a decision for
4558 commitment is made, the neutral and detached fact finder shall inform the child and the child's
4559 parent or legal guardian of that decision and of the reasons for ordering commitment.

4560 (iii) The neutral and detached fact finder shall state in writing the basis of the decision,
4561 with specific reference to each of the criteria described in Subsection (4), as a matter of record.

4562 (6) A child may be temporarily committed for a maximum of 72 hours, excluding
4563 Saturdays, Sundays, and legal holidays, to the physical custody of a local mental health
4564 authority in accordance with the procedures described in Section [26B-5-331](#) and upon
4565 satisfaction of the risk factors described in Subsection (4). A child who is temporarily
4566 committed shall be released at the expiration of the 72 hours unless the procedures and findings
4567 required by this section for the commitment of a child are satisfied.

4568 (7) A local mental health authority shall have physical custody of each child committed
4569 to it under this section. The parent or legal guardian of a child committed to the physical
4570 custody of a local mental health authority under this section, retains legal custody of the child,
4571 unless legal custody has been otherwise modified by a court of competent jurisdiction. In cases
4572 when the Division of Child and Family Services or the Division of Juvenile Justice and Youth
4573 Services has legal custody of a child, that division shall retain legal custody for purposes of this
4574 part.

4575 (8) The cost of caring for and maintaining a child in the physical custody of a local
4576 mental health authority shall be assessed to and paid by the child's parents, according to their
4577 ability to pay. For purposes of this section, the Division of Child and Family Services or the
4578 Division of Juvenile Justice and Youth Services shall be financially responsible, in addition to
4579 the child's parents, if the child is in the legal custody of either of those divisions at the time the
4580 child is committed to the physical custody of a local mental health authority under this section,
4581 unless Medicaid regulation or contract provisions specify otherwise. The Office of Recovery
4582 Services shall assist those divisions in collecting the costs assessed pursuant to this section.

4583 (9) Whenever application is made for commitment of a minor to a local mental health
4584 authority under any provision of this section by a person other than the child's parent or
4585 guardian, the local mental health authority or its designee shall notify the child's parent or
4586 guardian. The parents shall be provided sufficient time to prepare and appear at any scheduled
4587 proceeding.

4588 (10) (a) Each child committed pursuant to this section is entitled to an appeal within 30
4589 days after any order for commitment. The appeal may be brought on the child's own petition or
4590 on petition of the child's parent or legal guardian, to the juvenile court in the district where the
4591 child resides or is currently physically located. With regard to a child in the custody of the
4592 Division of Child and Family Services or the Division of Juvenile Justice and Youth Services,
4593 the attorney general's office shall handle the appeal, otherwise the appropriate county attorney's
4594 office is responsible for appeals brought pursuant to this Subsection (10)(a).

4595 (b) Upon receipt of the petition for appeal, the court shall appoint a designated
4596 examiner previously unrelated to the case, to conduct an examination of the child in accordance
4597 with the criteria described in Subsection (4), and file a written report with the court. The court
4598 shall then conduct an appeal hearing to determine whether the findings described in Subsection
4599 (4) exist by clear and convincing evidence.

4600 (c) Prior to the time of the appeal hearing, the appropriate local mental health authority,
4601 its designee, or the mental health professional who has been in charge of the child's care prior
4602 to commitment, shall provide the court and the designated examiner for the appeal hearing with
4603 the following information, as it relates to the period of current admission:

- 4604 (i) the original petition for commitment;
- 4605 (ii) admission notes;
- 4606 (iii) diagnosis;
- 4607 (iv) physicians' orders;
- 4608 (v) progress notes;
- 4609 (vi) nursing notes; and
- 4610 (vii) medication records.

4611 (d) Both the neutral and detached fact finder and the designated examiner appointed for
4612 the appeal hearing shall be provided with an opportunity to review the most current
4613 information described in Subsection (10)(c) prior to the appeal hearing.

4614 (e) The child, the child's parent or legal guardian, the person who submitted the
4615 original petition for commitment, and a representative of the appropriate local mental health
4616 authority shall be notified by the court of the date and time of the appeal hearing. Those
4617 persons shall be afforded an opportunity to appear at the hearing. In reaching its decision, the
4618 court shall review the record and findings of the neutral and detached fact finder, the report of
4619 the designated examiner appointed pursuant to Subsection (10)(b), and may, in its discretion,
4620 allow or require the testimony of the neutral and detached fact finder, the designated examiner,
4621 the child, the child's parent or legal guardian, the person who brought the initial petition for
4622 commitment, or any other person whose testimony the court deems relevant. The court may
4623 allow the child to waive the right to appear at the appeal hearing, for good cause shown. If that
4624 waiver is granted, the purpose shall be made a part of the court's record.

4625 (11) Each local mental health authority has an affirmative duty to conduct periodic
4626 evaluations of the mental health and treatment progress of every child committed to its physical
4627 custody under this section, and to release any child who has sufficiently improved so that the
4628 criteria justifying commitment no longer exist.

4629 (12) (a) A local mental health authority or its designee, in conjunction with the child's
4630 current treating mental health professional may release an improved child to a less restrictive
4631 environment, as they determine appropriate. Whenever the local mental health authority or its
4632 designee, and the child's current treating mental health professional, determine that the
4633 conditions justifying commitment no longer exist, the child shall be discharged and released to
4634 the child's parent or legal guardian. With regard to a child who is in the physical custody of the
4635 State Hospital, the treating psychiatrist or clinical director of the State Hospital shall be the
4636 child's current treating mental health professional.

4637 (b) A local mental health authority or its designee, in conjunction with the child's
4638 current treating mental health professional, is authorized to issue a written order for the
4639 immediate placement of a child not previously released from an order of commitment into a
4640 more restrictive environment, if the local authority or its designee and the child's current
4641 treating mental health professional has reason to believe that the less restrictive environment in
4642 which the child has been placed is exacerbating the child's mental illness, or increasing the risk
4643 of harm to self or others.

4644 (c) The written order described in Subsection (12)(b) shall include the reasons for

4645 placement in a more restrictive environment and shall authorize any peace officer to take the
4646 child into physical custody and transport the child to a facility designated by the appropriate
4647 local mental health authority in conjunction with the child's current treating mental health
4648 professional. Prior to admission to the more restrictive environment, copies of the order shall
4649 be personally delivered to the child, the child's parent or legal guardian, the administrator of the
4650 more restrictive environment, or the administrator's designee, and the child's former treatment
4651 provider or facility.

4652 (d) If the child has been in a less restrictive environment for more than 30 days and is
4653 aggrieved by the change to a more restrictive environment, the child or the child's
4654 representative may request a review within 30 days of the change, by a neutral and detached
4655 fact finder as described in Subsection (3). The fact finder shall determine whether:

4656 (i) the less restrictive environment in which the child has been placed is exacerbating
4657 the child's mental illness or increasing the risk of harm to self or others; or

4658 (ii) the less restrictive environment in which the child has been placed is not
4659 exacerbating the child's mental illness or increasing the risk of harm to self or others, in which
4660 case the fact finder shall designate that the child remain in the less restrictive environment.

4661 (e) Nothing in this section prevents a local mental health authority or its designee, in
4662 conjunction with the child's current mental health professional, from discharging a child from
4663 commitment or from placing a child in an environment that is less restrictive than that
4664 designated by the neutral and detached fact finder.

4665 (13) Each local mental health authority or its designee, in conjunction with the child's
4666 current treating mental health professional shall discharge any child who, in the opinion of that
4667 local authority, or its designee, and the child's current treating mental health professional, no
4668 longer meets the criteria specified in Subsection (4), except as provided by Section [26B-5-405](#).
4669 The local authority and the mental health professional shall assure that any further supportive
4670 services required to meet the child's needs upon release will be provided.

4671 (14) Even though a child has been committed to the physical custody of a local mental
4672 health authority under this section, the child is still entitled to additional due process
4673 proceedings, in accordance with Section [\[26B-5-704\] 26B-5-404](#), before any treatment that
4674 may affect a constitutionally protected liberty or privacy interest is administered. Those
4675 treatments include, but are not limited to, antipsychotic medication, electroshock therapy, and

4676 psychosurgery.

7504 **78B-7-804. Sentencing and continuous protective orders for a domestic violence**
7505 **offense -- Modification -- Expiration.**

7506 (1) Before a perpetrator who has been convicted of or adjudicated for a domestic
7507 violence offense may be placed on probation, the court shall consider the safety and protection
7508 of the victim and any member of the victim's family or household.

7509 (2) The court may condition probation or a plea in abeyance on the perpetrator's
7510 compliance with a sentencing protective order that includes:

7511 (a) an order enjoining the perpetrator from threatening to commit or committing acts of
7512 domestic violence against the victim or other family or household member;

7524 (3) (a) Because of the serious, unique, and highly traumatic nature of domestic violence
7525 crimes, the high recidivism rate of violent offenders, and the demonstrated increased risk of
7526 continued acts of violence subsequent to the release of a perpetrator who is convicted of or
7527 adjudicated for domestic violence, it is the finding of the Legislature that domestic violence
7528 crimes warrant the issuance of continuous protective orders under this Subsection (3) because
7529 of the need to provide ongoing protection for the victim and to be consistent with the purposes
7530 of protecting victims' rights under Title 77, Chapter 38, Crime Victims, and Article I, Section
7531 28 of the Utah Constitution.

7532 (b) Except as provided in Subsection (6), if a perpetrator is convicted of a domestic

7534 after conviction, the court shall issue a continuous protective order at the time of the conviction
7535 or sentencing limiting the contact between the perpetrator and the victim unless:

7536 (i) the court determines by clear and convincing evidence that the victim does not a
7537 have a reasonable fear of future harm or abuse; and

7538 (ii) the court conducts a hearing.

7539 (c) (i) The court shall notify the perpetrator of the right to request a hearing.

- 7540 (ii) A victim has a right to request a hearing.
- 7541 (iii) If the perpetrator or the victim requests a hearing under this Subsection (3)(c), the

- 7543 (iv) The continuous protective order shall be in effect while the hearing is being
7544 scheduled and while the hearing is pending.
- 7545 (v) A prosecutor shall use reasonable efforts to notify a victim of a hearing described in
7546 Subsection (3)(b)(ii).
- 7547 (d) A continuous protective order is permanent in accordance with this Subsection (3)
7548 and may include:
- 7549 (i) an order enjoining the perpetrator from threatening to commit or committing acts of
7550 domestic violence against the victim or other family or household member;
- 7551 (ii) an order prohibiting the perpetrator from harassing, telephoning, contacting, or
7552 otherwise communicating with the victim, directly or indirectly;
- 7553 (iii) an order prohibiting the perpetrator from going to the victim's residence, school,
7554 place of employment, and the premises of any of these, or a specified place frequented
7555 regularly by the victim or any designated family or other household member;
- 7556 (iv) an order directing the perpetrator to pay restitution to the victim as may apply, and
7557 shall be enforced in accordance with Title 77, Chapter 38b, Crime Victims Restitution Act; and
- 7558 (v) any other order the court considers necessary to fully protect the victim and
7559 members of the victim's family or other household member.
- 7560 (4) A continuous protective order may be modified or dismissed only if the court
7561 determines by clear and convincing evidence that all requirements of Subsection (3) have been
7562 met and the victim does not have a reasonable fear of future harm or abuse.
- 7563 (5) Except as provided in Subsection (6), in addition to the process of issuing a
7564 continuous protective order described in Subsection (3), a district court may issue a continuous
7565 protective order at any time if the victim files a petition with the court, and after notice and
7566 hearing the court finds that a continuous protective order is necessary to protect the victim.
- 7567 (6) (a) Unless the juvenile court transfers jurisdiction of the offense to the district court
7568 under Section [80-6-504](#), a continuous protective order may not be issued under this section
7569 against a perpetrator who is a minor.
- 7570 (b) Unless the court sets an earlier date for expiration, a sentencing protective order

7571 issued under this section against a perpetrator who is a minor expires on the earlier of:

7572 (i) the day on which the juvenile court terminates jurisdiction; or

7573 (ii) in accordance with Section 80-6-807, the day on which the [~~Division of Juvenile~~
7574 ~~Justice Services~~] Division of Juvenile Justice and Youth Services discharges the perpetrator.

7579 domestic violence is placed on probation, the court may consider the safety and protection of
7580 the victim and any member of the victim's family or household.

7581 (2) The court may condition probation or a plea in abeyance on the perpetrator's
7582 compliance with a sentencing protective order that includes:

7583 (a) an order enjoining the perpetrator from threatening to commit or committing acts of
7584 domestic violence against the victim or other family or household member;

7585 (b) an order prohibiting the perpetrator from harassing, telephoning, contacting, or
7586 otherwise communicating with the victim, directly or indirectly;

7587 (c) an order requiring the perpetrator to stay away from the victim's residence, school,
7588 place of employment, and the premises of any of these, or a specified place frequented
7589 regularly by the victim or any designated family or household member;

7590 (d) an order prohibiting the perpetrator from purchasing, using, or possessing a firearm
7591 or other specified weapon;

7592 (e) an order directing the perpetrator to surrender any weapons the perpetrator owns or
7593 possesses; and

7594 (f) an order imposing any other condition necessary to protect the victim and any other
7595 designated family or household member or to rehabilitate the perpetrator.

7596 (3) (a) If a perpetrator is convicted of an offense that is not domestic violence resulting
7597 in a sentence of imprisonment that is to be served after conviction, the court may issue a
7598 continuous protective order at the time of the conviction or sentencing limiting the contact
7599 between the perpetrator and the victim if the court determines by clear and convincing evidence

7996 Section 108. Section 80-3-409 is amended to read:

7997 **80-3-409. Permanency hearing -- Final plan -- Petition for termination of**
7998 **parental rights filed -- Hearing on termination of parental rights.**

7999 (1) (a) If reunification services are ordered under Section 80-3-406, with regard to a
8000 minor who is in the custody of the division, the juvenile court shall hold a permanency hearing
8001 no later than 12 months after the day on which the minor is initially removed from the minor's
8002 home.

8003 (b) If reunification services are not ordered at the dispositional hearing, the juvenile
8004 court shall hold a permanency hearing within 30 days after the day on which the dispositional

8005 hearing ends.

8006 (2) (a) If reunification services are ordered in accordance with Section 80-3-406, the
8007 juvenile court shall, at the permanency hearing, determine, consistent with Subsection (3),
8008 whether the minor may safely be returned to the custody of the minor's parent.

8009 (b) If the juvenile court finds, by a preponderance of the evidence, that return of the
8010 minor to the minor's parent would create a substantial risk of detriment to the minor's physical
8011 or emotional well-being, the minor may not be returned to the custody of the minor's parent.

8012 (c) Prima facie evidence that return of the minor to a parent or guardian would create a
8013 substantial risk of detriment to the minor is established if:

8014 (i) the parent or guardian fails to:

8015 (A) participate in a court approved child and family plan;

8016 (B) comply with a court approved child and family plan in whole or in part; or

8017 (C) meet the goals of a court approved child and family plan; or

8018 (ii) the minor's natural parent:

8019 (A) intentionally, knowingly, or recklessly causes the death of another parent of the
8020 minor;

8021 (B) is identified by a law enforcement agency as the primary suspect in an investigation
8022 for intentionally, knowingly, or recklessly causing the death of another parent of the minor; or

8023 (C) is being prosecuted for or has been convicted of intentionally, knowingly, or
8024 recklessly causing the death of another parent of the minor.

8025 (3) In making a determination under Subsection (2)(a), the juvenile court shall:

8026 (a) review and consider:

8027 (i) the report prepared by the division;

8028 (ii) in accordance with the Utah Rules of Evidence, any admissible evidence offered by
8029 the minor's attorney guardian ad litem;

8030 (iii) any report submitted by the division under Subsection 80-3-408(3)(a)(i);

8031 (iv) any evidence regarding the efforts or progress demonstrated by the parent; and

8032 (v) the extent to which the parent cooperated and used the services provided; and

8033 (b) attempt to keep the minor's sibling group together if keeping the sibling group
8034 together is:

8035 (i) practicable; and

8036 (ii) in accordance with the best interest of the minor.

8037 (4) With regard to a case where reunification services are ordered by the juvenile court,
8038 if a minor is not returned to the minor's parent or guardian at the permanency hearing, the
8039 juvenile court shall, unless the time for the provision of reunification services is extended
8040 under Subsection (7):

8041 (a) order termination of reunification services to the parent;

8042 (b) make a final determination regarding whether termination of parental rights,
8043 adoption, or permanent custody and guardianship is the most appropriate final plan for the
8044 minor, taking into account the minor's primary permanency plan established by the juvenile
8045 court under Section 80-3-406; and

8046 (c) in accordance with Subsection 80-3-406(2), establish a concurrent permanency plan
8047 that identifies the second most appropriate final plan for the minor, if appropriate.

8048 (5) The juvenile court may order another planned permanent living arrangement other
8049 than reunification for a minor who is 16 years old or older upon entering the following
8050 findings:

8051 (a) the division has documented intensive, ongoing, and unsuccessful efforts to reunify
8052 the minor with the minor's parent or parents, or to secure a placement for the minor with a
8053 guardian, an adoptive parent, or an individual described in Subsection 80-3-301(6)(e);

8054 (b) the division has demonstrated that the division has made efforts to normalize the
8055 life of the minor while in the division's custody, in accordance with Section 80-2-308;

8056 (c) the minor prefers another planned permanent living arrangement; and

8057 (d) there is a compelling reason why reunification or a placement described in
8058 Subsection (5)(a) is not in the minor's best interest.

8059 (6) Except as provided in Subsection (7), the juvenile court may not extend
8060 reunification services beyond 12 months after the day on which the minor is initially removed
8061 from the minor's home, in accordance with the provisions of Section 80-3-406.

8062 (7) (a) Subject to Subsection (7)(b), the juvenile court may extend reunification
8063 services for no more than 90 days if the juvenile court finds, ~~beyond~~ by a preponderance of
8064 the evidence, that:

8065 (i) there has been substantial compliance with the child and family plan;

8066 (ii) reunification is probable within that 90-day period; and

8067 (iii) the extension is in the best interest of the minor.

8068 (b) (i) Except as provided in Subsection (7)(c), the juvenile court may not extend any
8069 reunification services beyond 15 months after the day on which the minor is initially removed
8070 from the minor's home.

8071 (ii) Delay or failure of a parent to establish paternity or seek custody does not provide a
8072 basis for the juvenile court to extend services for the parent beyond the 12-month period
8073 described in Subsection (6).

8074 (c) In accordance with Subsection (7)(d), the juvenile court may extend reunification
8075 services for one additional 90-day period, beyond the 90-day period described in Subsection
8076 (7)(a), if:

8077 (i) the juvenile court finds, by clear and convincing evidence, that:

8078 (A) the parent has substantially complied with the child and family plan;

8079 (B) it is likely that reunification will occur within the additional 90-day period; and

8080 (C) the extension is in the best interest of the minor;

8081 (ii) the juvenile court specifies the facts upon which the findings described in
8082 Subsection (7)(c)(i) are based; and

8083 (iii) the juvenile court specifies the time period in which it is likely that reunification
8084 will occur.

8085 (d) A juvenile court may not extend the time period for reunification services without
8086 complying with the requirements of this Subsection (7) before the extension.

8087 (e) In determining whether to extend reunification services for a minor, a juvenile court
8088 shall take into consideration the status of the minor siblings of the minor.

8089 (8) (a) At the permanency hearing, if a child remains in an out-of-home placement, the
8090 juvenile court shall:

8091 (i) make specific findings regarding the conditions of parent-time that are in the child's
8092 best interest; and

8093 (ii) if parent-time is denied, state the facts that justify the denial.

8094 (b) Parent-time shall be under the least restrictive conditions necessary to:

8095 (i) protect the physical safety of the child; or

8096 (ii) prevent the child from being traumatized by contact with the parent due to the
8097 child's fear of the parent in light of the nature of the alleged abuse or neglect.

8098 (c) (i) The division or the person designated by the division or a court to supervise a
8099 parent-time session may deny parent-time for the session if the division or the supervising
8100 person determines that, based on the parent's condition, it is necessary to deny parent-time to:

8101 (A) protect the physical safety of the child;

8102 (B) protect the life of the child; or

8103 (C) consistent with Subsection (8)(c)(ii), prevent the child from being traumatized by
8104 contact with the parent.

8105 (ii) In determining whether the condition of the parent described in Subsection (8)(c)(i)
8106 will traumatize a child, the division or the person supervising the parent-time session shall
8107 consider the impact that the parent's condition will have on the child in light of:

8108 (A) the child's fear of the parent; and

8109 (B) the nature of the alleged abuse or neglect.

8110 (9) The juvenile court may, in the juvenile court's discretion:

8111 (a) enter any additional order that the juvenile court determines to be in the best
8112 interest of the minor, so long as that order does not conflict with the requirements and
8113 provisions of Subsections (4) through (8); or

8114 (b) order the division to provide protective supervision or other services to a minor and
8115 the minor's family after the division's custody of a minor is terminated.

8116 (10) (a) If the final plan for the minor is to proceed toward termination of parental
8117 rights, the petition for termination of parental rights shall be filed, and a pretrial held, within 45
8118 calendar days after the day on which the permanency hearing is held.

8119 (b) If the division opposes the plan to terminate parental rights, the juvenile court may
8120 not require the division to file a petition for the termination of parental rights, except as
8121 required under Subsection 80-4-203(2).

8122 (11) (a) Any party to an action may, at any time, petition the juvenile court for an
8123 expedited permanency hearing on the basis that continuation of reunification efforts are
8124 inconsistent with the permanency needs of the minor.

8125 (b) If the juvenile court so determines, the juvenile court shall order, in accordance
8126 with federal law, that:

8127 (i) the minor be placed in accordance with the permanency plan; and

8128 (ii) whatever steps are necessary to finalize the permanent placement of the minor be

8129 completed as quickly as possible.

8130 (12) Nothing in this section may be construed to:

8131 (a) entitle any parent to reunification services for any specified period of time;

8132 (b) limit a juvenile court's ability to terminate reunification services at any time before

8133 a permanency hearing; or

8134 (c) limit or prohibit the filing of a petition for termination of parental rights by any

8135 party, or a hearing on termination of parental rights, at any time before a permanency hearing

8136 provided that relative placement and custody options have been fairly considered in accordance

8137 with Sections [80-2a-201](#) and [80-4-104](#).

8138 (13) (a) Subject to Subsection (13)(b), if a petition for termination of parental rights is

8139 filed before the date scheduled for a permanency hearing, the juvenile court may consolidate

8140 the hearing on termination of parental rights with the permanency hearing.

8141 (b) For purposes of Subsection (13)(a), if the juvenile court consolidates the hearing on
8142 termination of parental rights with the permanency hearing:

8143 (i) the juvenile court shall first make a finding regarding whether reasonable efforts
8144 have been made by the division to finalize the permanency plan for the minor; and

8145 (ii) any reunification services shall be terminated in accordance with the time lines
8146 described in Section [80-3-406](#).

8147 (c) The juvenile court shall make a decision on a petition for termination of parental

8148 rights within 18 months after the day on which the minor is initially removed from the minor's

8149 home.

8150 (14) (a) If a juvenile court determines that a minor will not be returned to a parent of

8151 the minor, the juvenile court shall consider appropriate placement options inside and outside of

8152 the state.

8153 (b) In considering appropriate placement options under Subsection (14)(a), the juvenile
8154 court shall provide preferential consideration to a relative's request for placement of the minor.

8155 (15) (a) In accordance with Section [80-3-108](#), if a minor 14 years old or older desires

8156 an opportunity to address the juvenile court or testify regarding permanency or placement, the

8157 juvenile court shall give the minor's wishes added weight, but may not treat the minor's wishes

8158 as the single controlling factor under this section.

8159 (b) If the juvenile court's decision under this section differs from a minor's express

8160 wishes if the minor is of sufficient maturity to articulate the wishes in relation to permanency
8161 or the minor's placement, the juvenile court shall make findings explaining why the juvenile
8162 court's decision differs from the minor's wishes.

8163 (16) (a) If, for a relative placement, an interstate placement requested under the
8164 Interstate Compact on the Placement of Children has been initiated by the division or is ordered
8165 by or pending before the juvenile court, the court may not finalize a non-relative placement
8166 unless the court gives due weight to:

- 8167 (i) the preferential consideration granted to a relative in Section 80-3-302;
8168 (ii) the rebuttable presumption in Section 80-3-302; and
8169 (iii) the division's placement authority under Subsections 80-1-102(50) and
8170 80-3-303(1).
