3 On page 8, line 3, after "firearm" insert "; or
4 (d) Parts necessary to repair a large capacity magazine, when:
5 (i) the large capacity magazine to be repaired was present in the
6 state of Washington as of July 1, 2022, (ii) repair does not
7 increase the capacity of the large capacity magazine, and (iii) any
8 and all leftover parts following completion of the repair are
9 disposed of in a manner which prevents the creation of additional
10 large capacity magazines from such parts"

EFFECT: Modifies the definition of "large capacity magazine"
to exclude parts necessary to repair a large capacity magazine,
subject to limitations.
