5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** A new section is added to chapter 74.46
7 RCW to read as follows:

8 (1) The legislature intends to adopt a new system for
9 establishing nursing home payment rates beginning July 1, 2017. Any
10 payments to nursing homes for services provided after June 30, 2017,
11 must be based on the new system. The new system must be a
12 geographically based, acuity-adjusted, value-based system comprising
13 certain core components, including: Direct care, indirect care,
14 capital, and a quality enhancement of up to five percent of the total
15 rate. The indirect care component must be adjusted to reflect the
16 payment of real estate, personal property, and business and
17 occupational taxes in establishing the rate.

18 (2) In cooperation with nursing facility provider associations,
19 nursing home employees, and consumer groups, the department shall
20 design and develop a new system that matches payments to patient care
21 needs, reward efficiency, incentivize controlling costs, and promote

1 quality of care by ensuring that a similar quality of care, to
2 residents of similar acuity, in similar geographic locations is
3 similarly compensated.

4 (3) The department shall regularly consult with the health care
5 and wellness committee of the house of representatives and the health
6 care committee of the senate on the progress of the development and
7 design of the new system.

8 (4) The department shall report to the fiscal committees of the
9 legislature on the projected benefits and costs of the new system by
10 January 2, 2016. In determining the costs and benefits of the new
11 system, the department shall cooperate with and consider input from
12 the nursing home provider associations. The report must include a
13 recommended timeline for implementing the new payment system
14 beginning July 1, 2017, and phasing in the new system over a
15 designated transition period. During the phase-in period an
16 individual nursing home provider's overall medicaid reimbursement
17 rate may not fall below the individual provider's overall medicaid
18 reimbursement rate that was in effect June 30, 2017.
